

Trademark survival outcomes on the (prospective KL, retrospective KL) plane — ALL CLASSES
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=603,928 firms

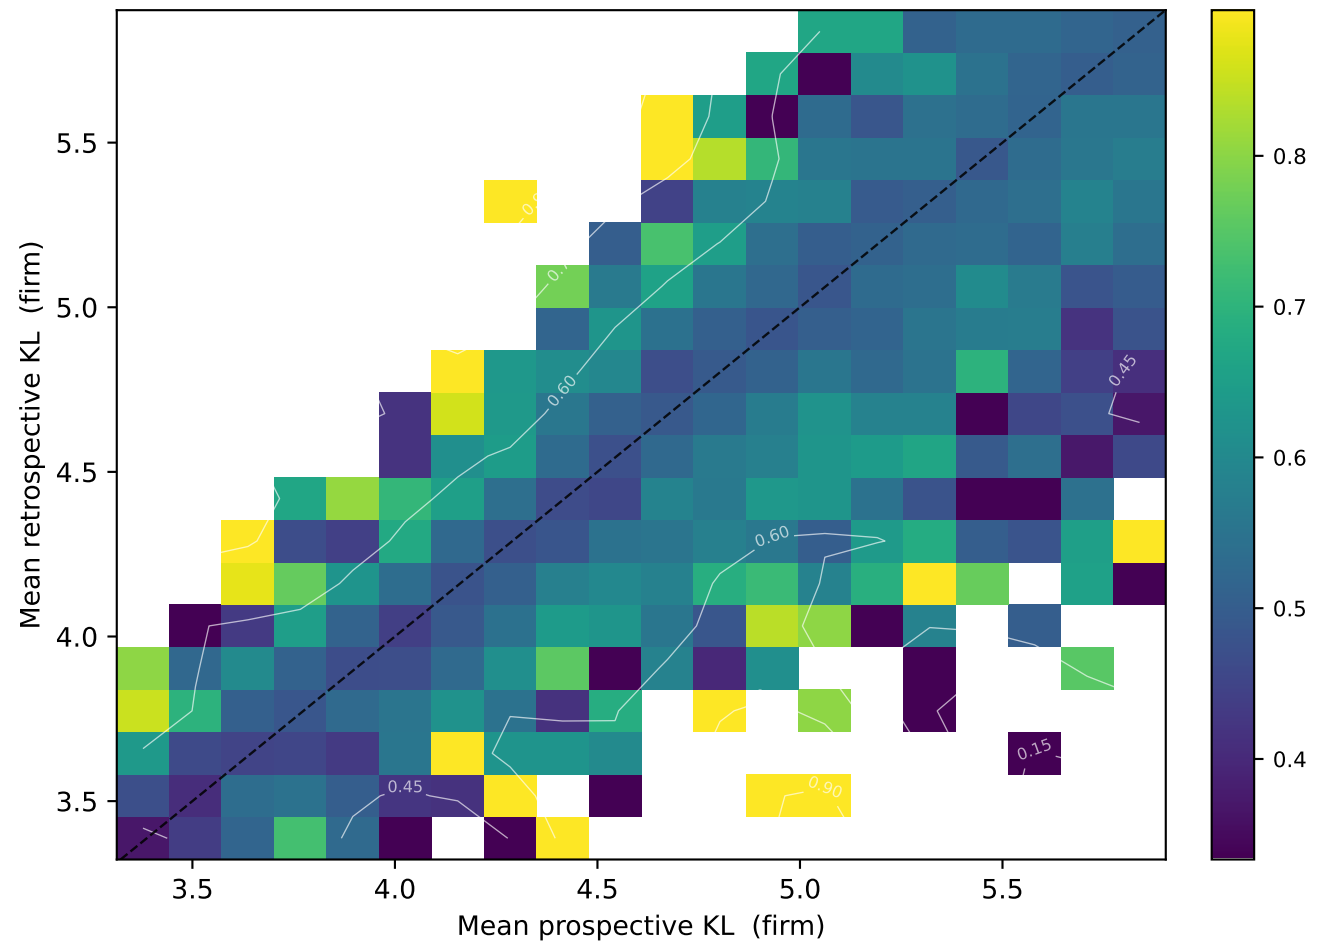

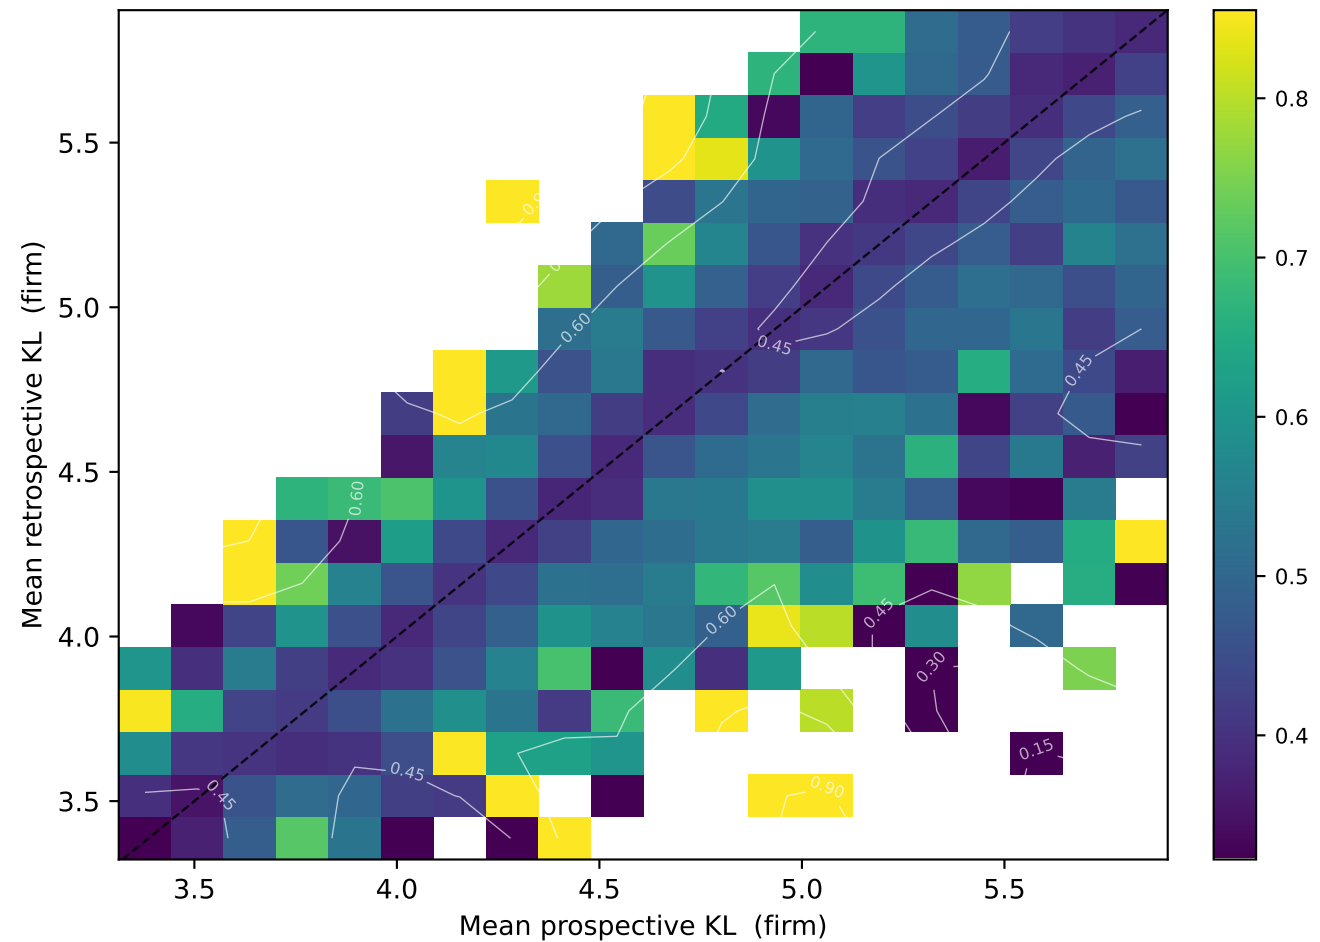

Class 009 — Software & Electronics — 1,008,376 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=69,934 firms

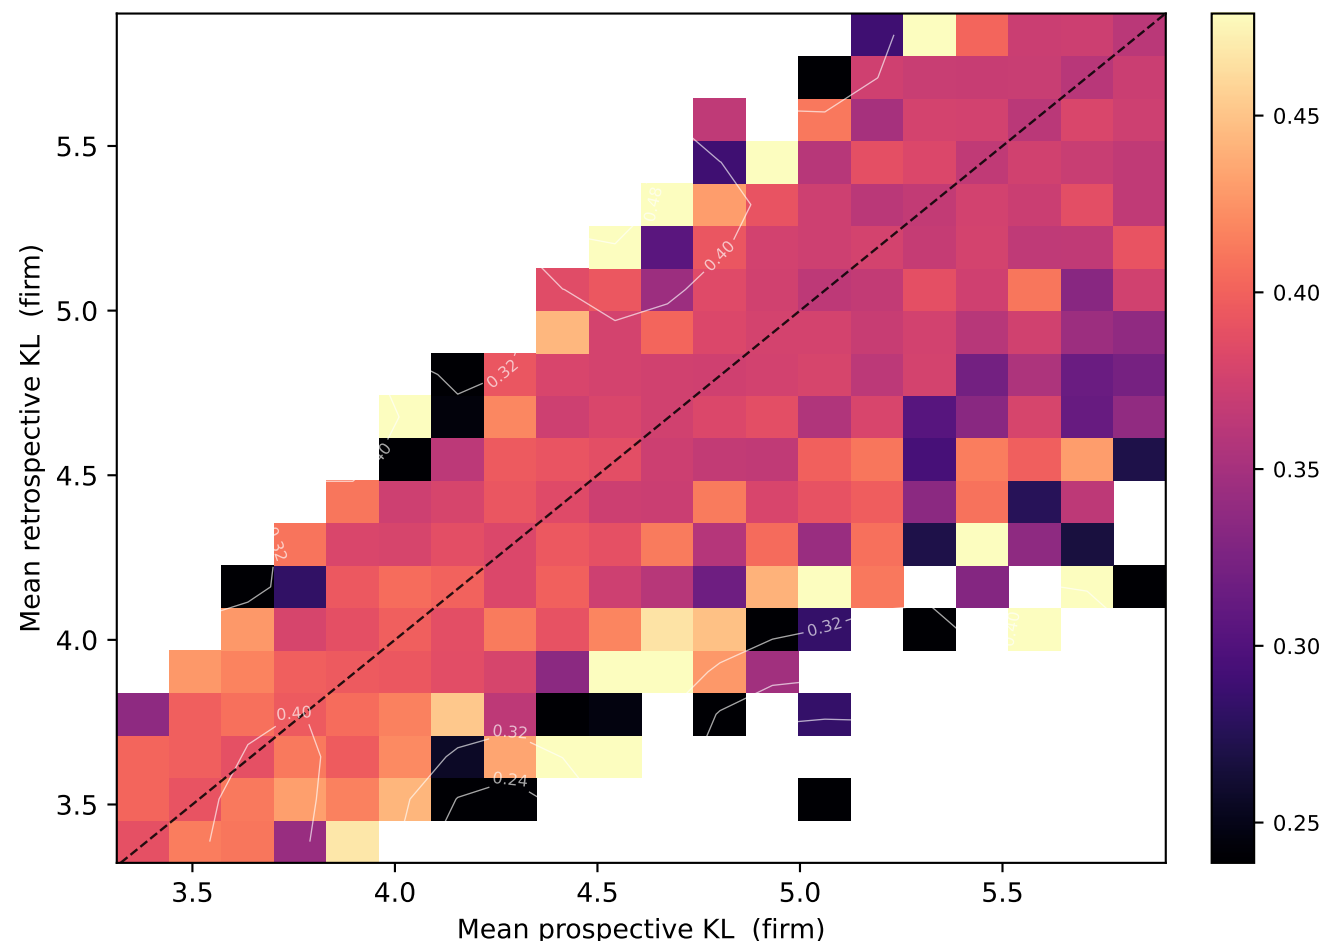

Mean Completed-Registration rate per firm

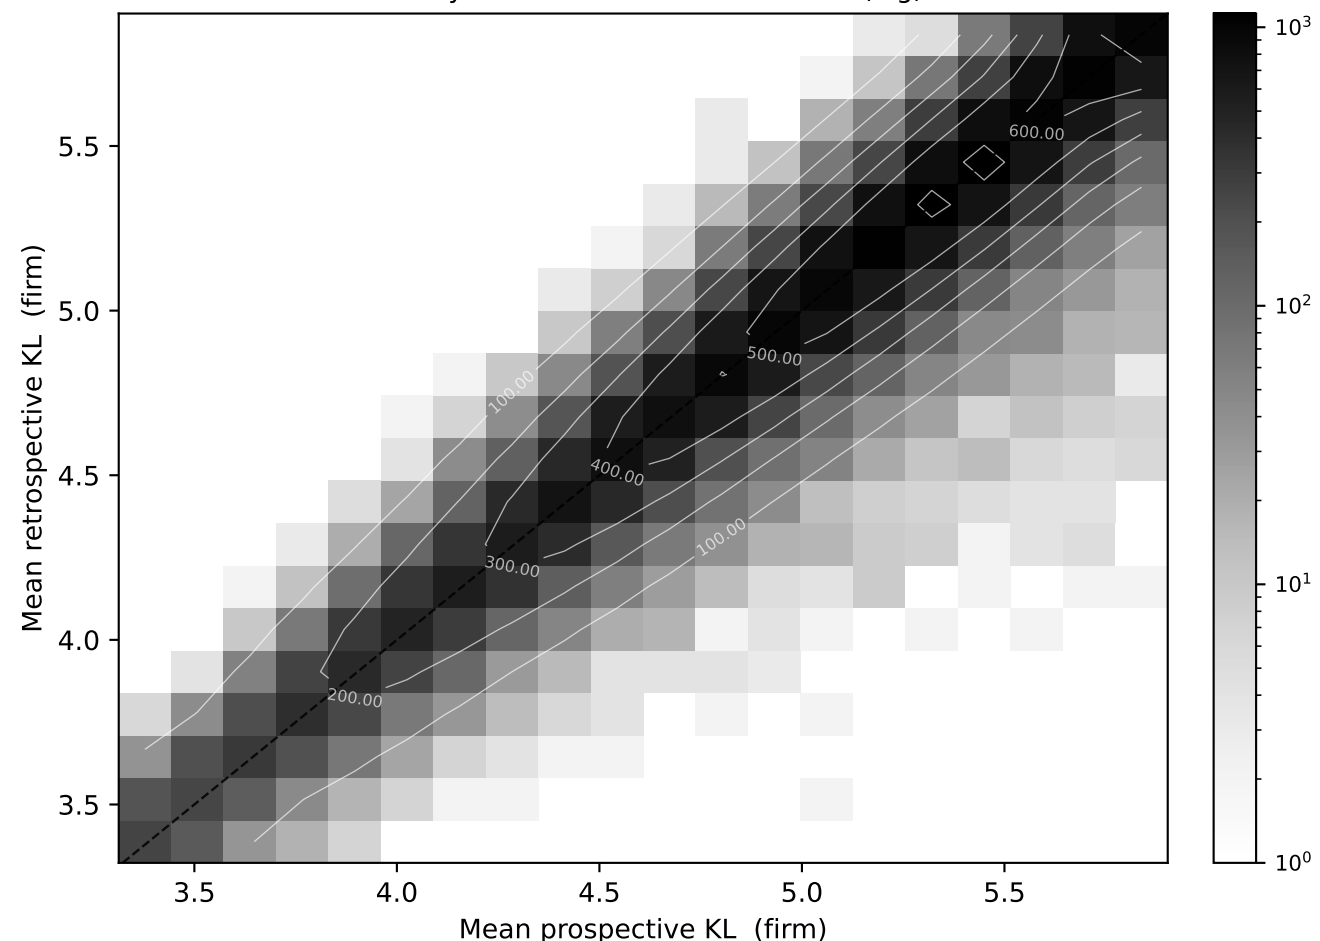

Mean Still-Live rate per firm (registered & not cancelled)

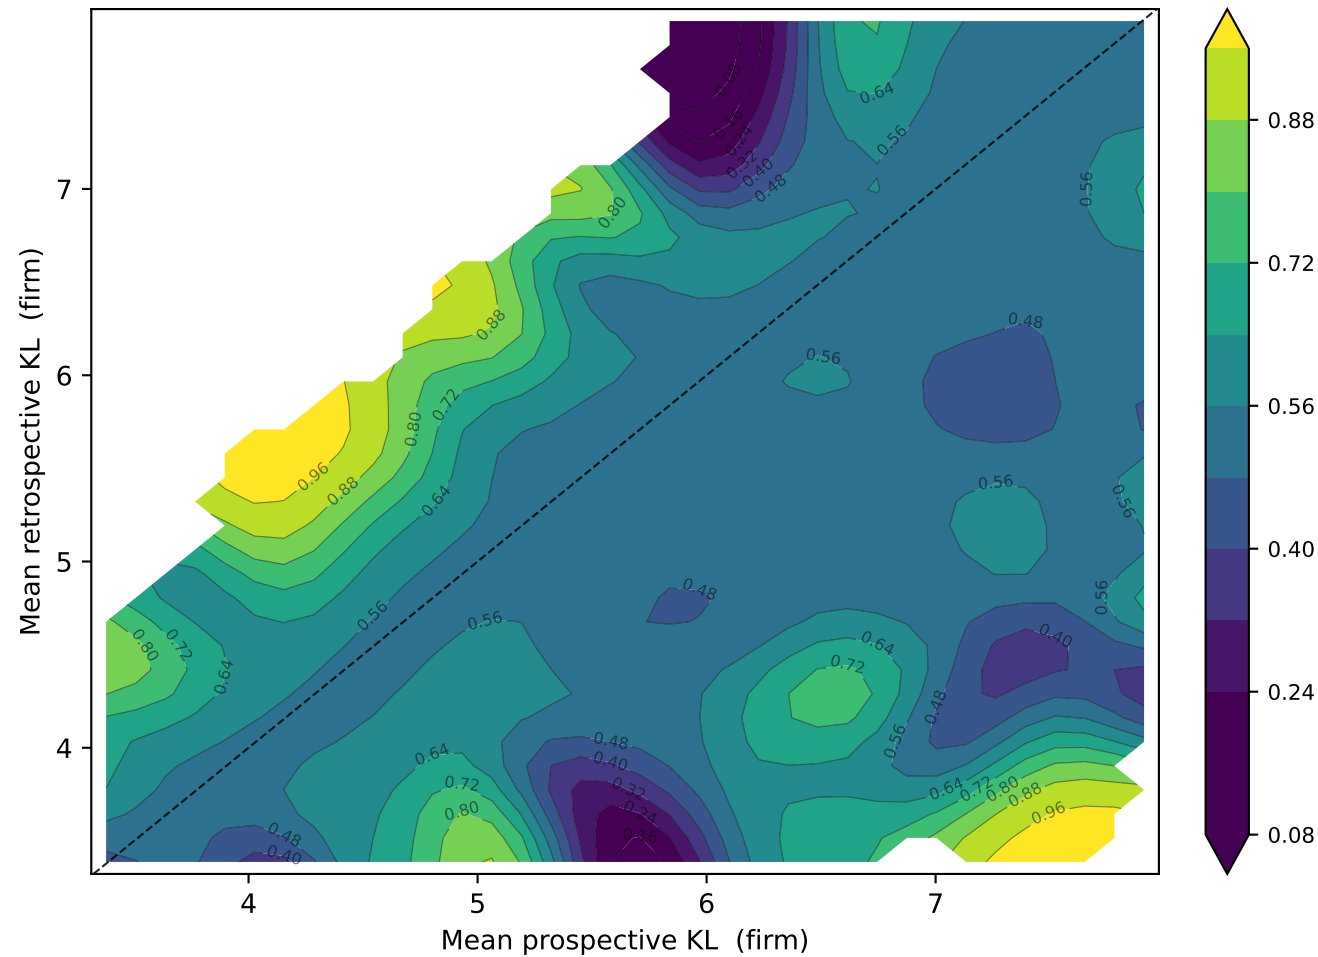

Within-firm std.\ of still-live outcomes

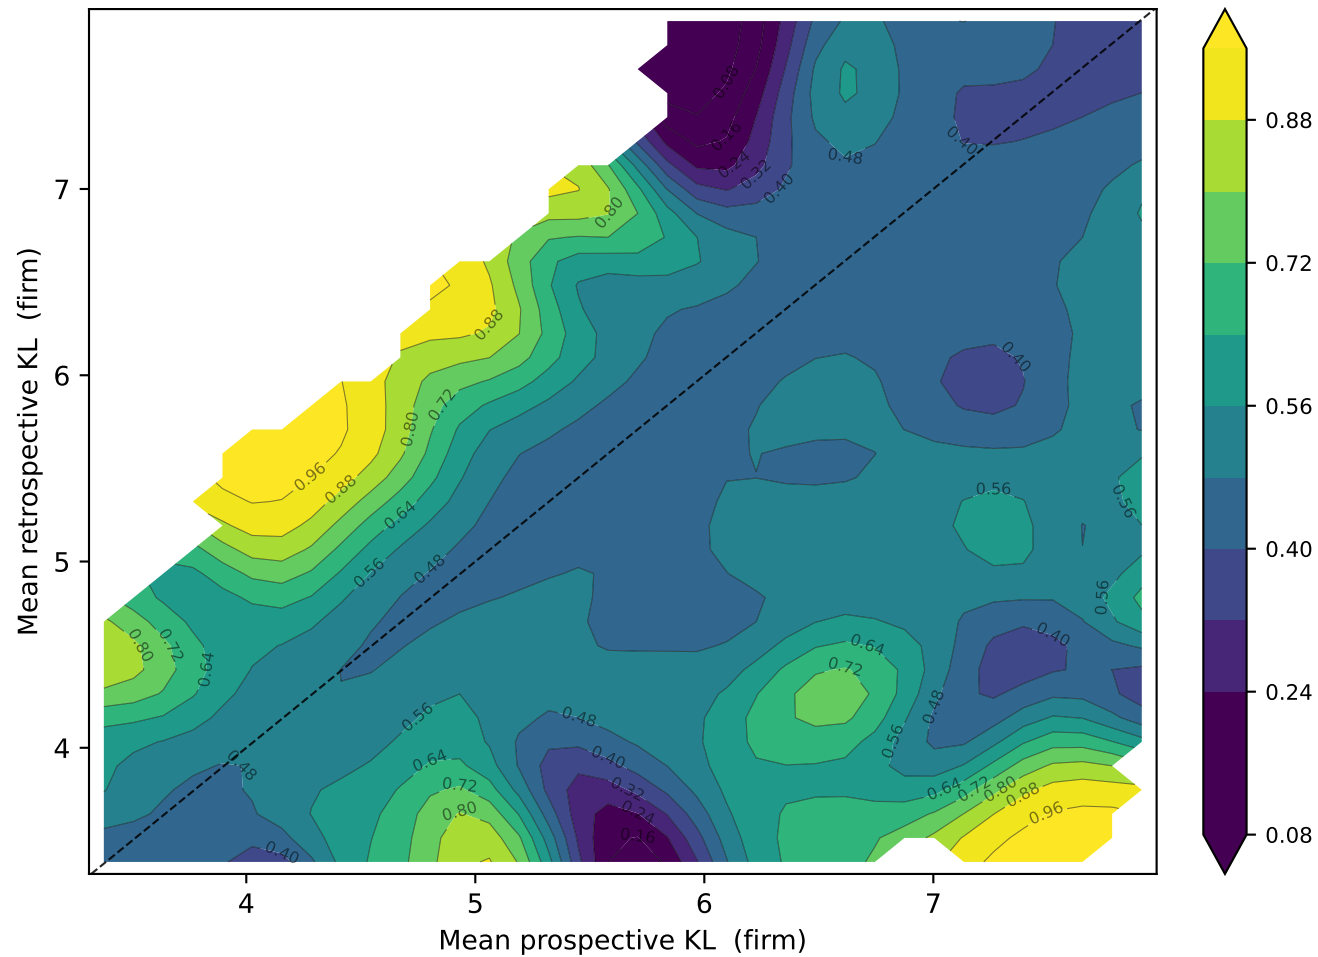

Density: number of firms in each cell (log)

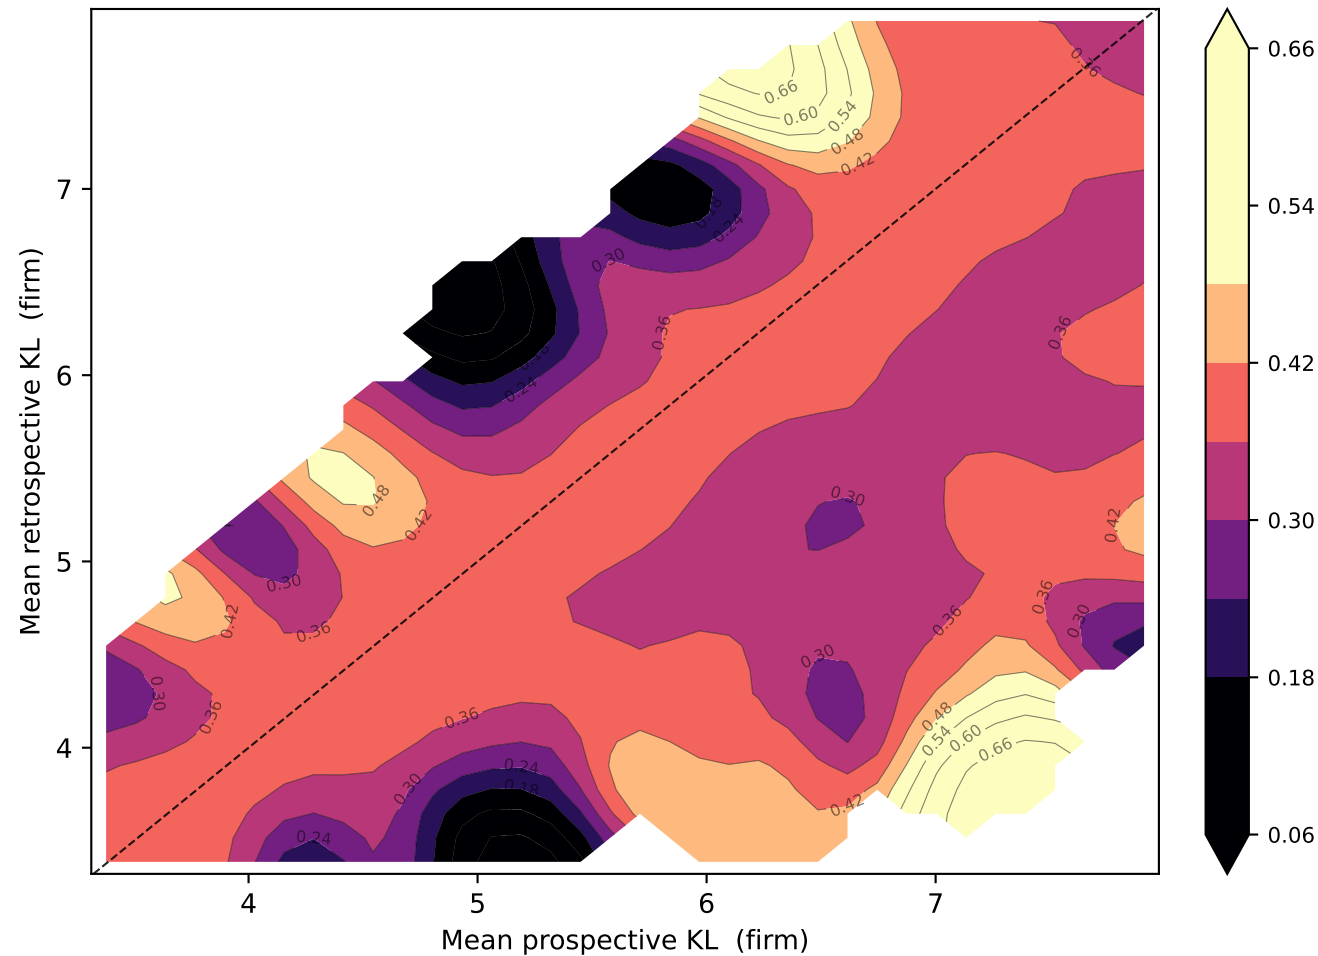

Mean Completed-Registration rate per firm

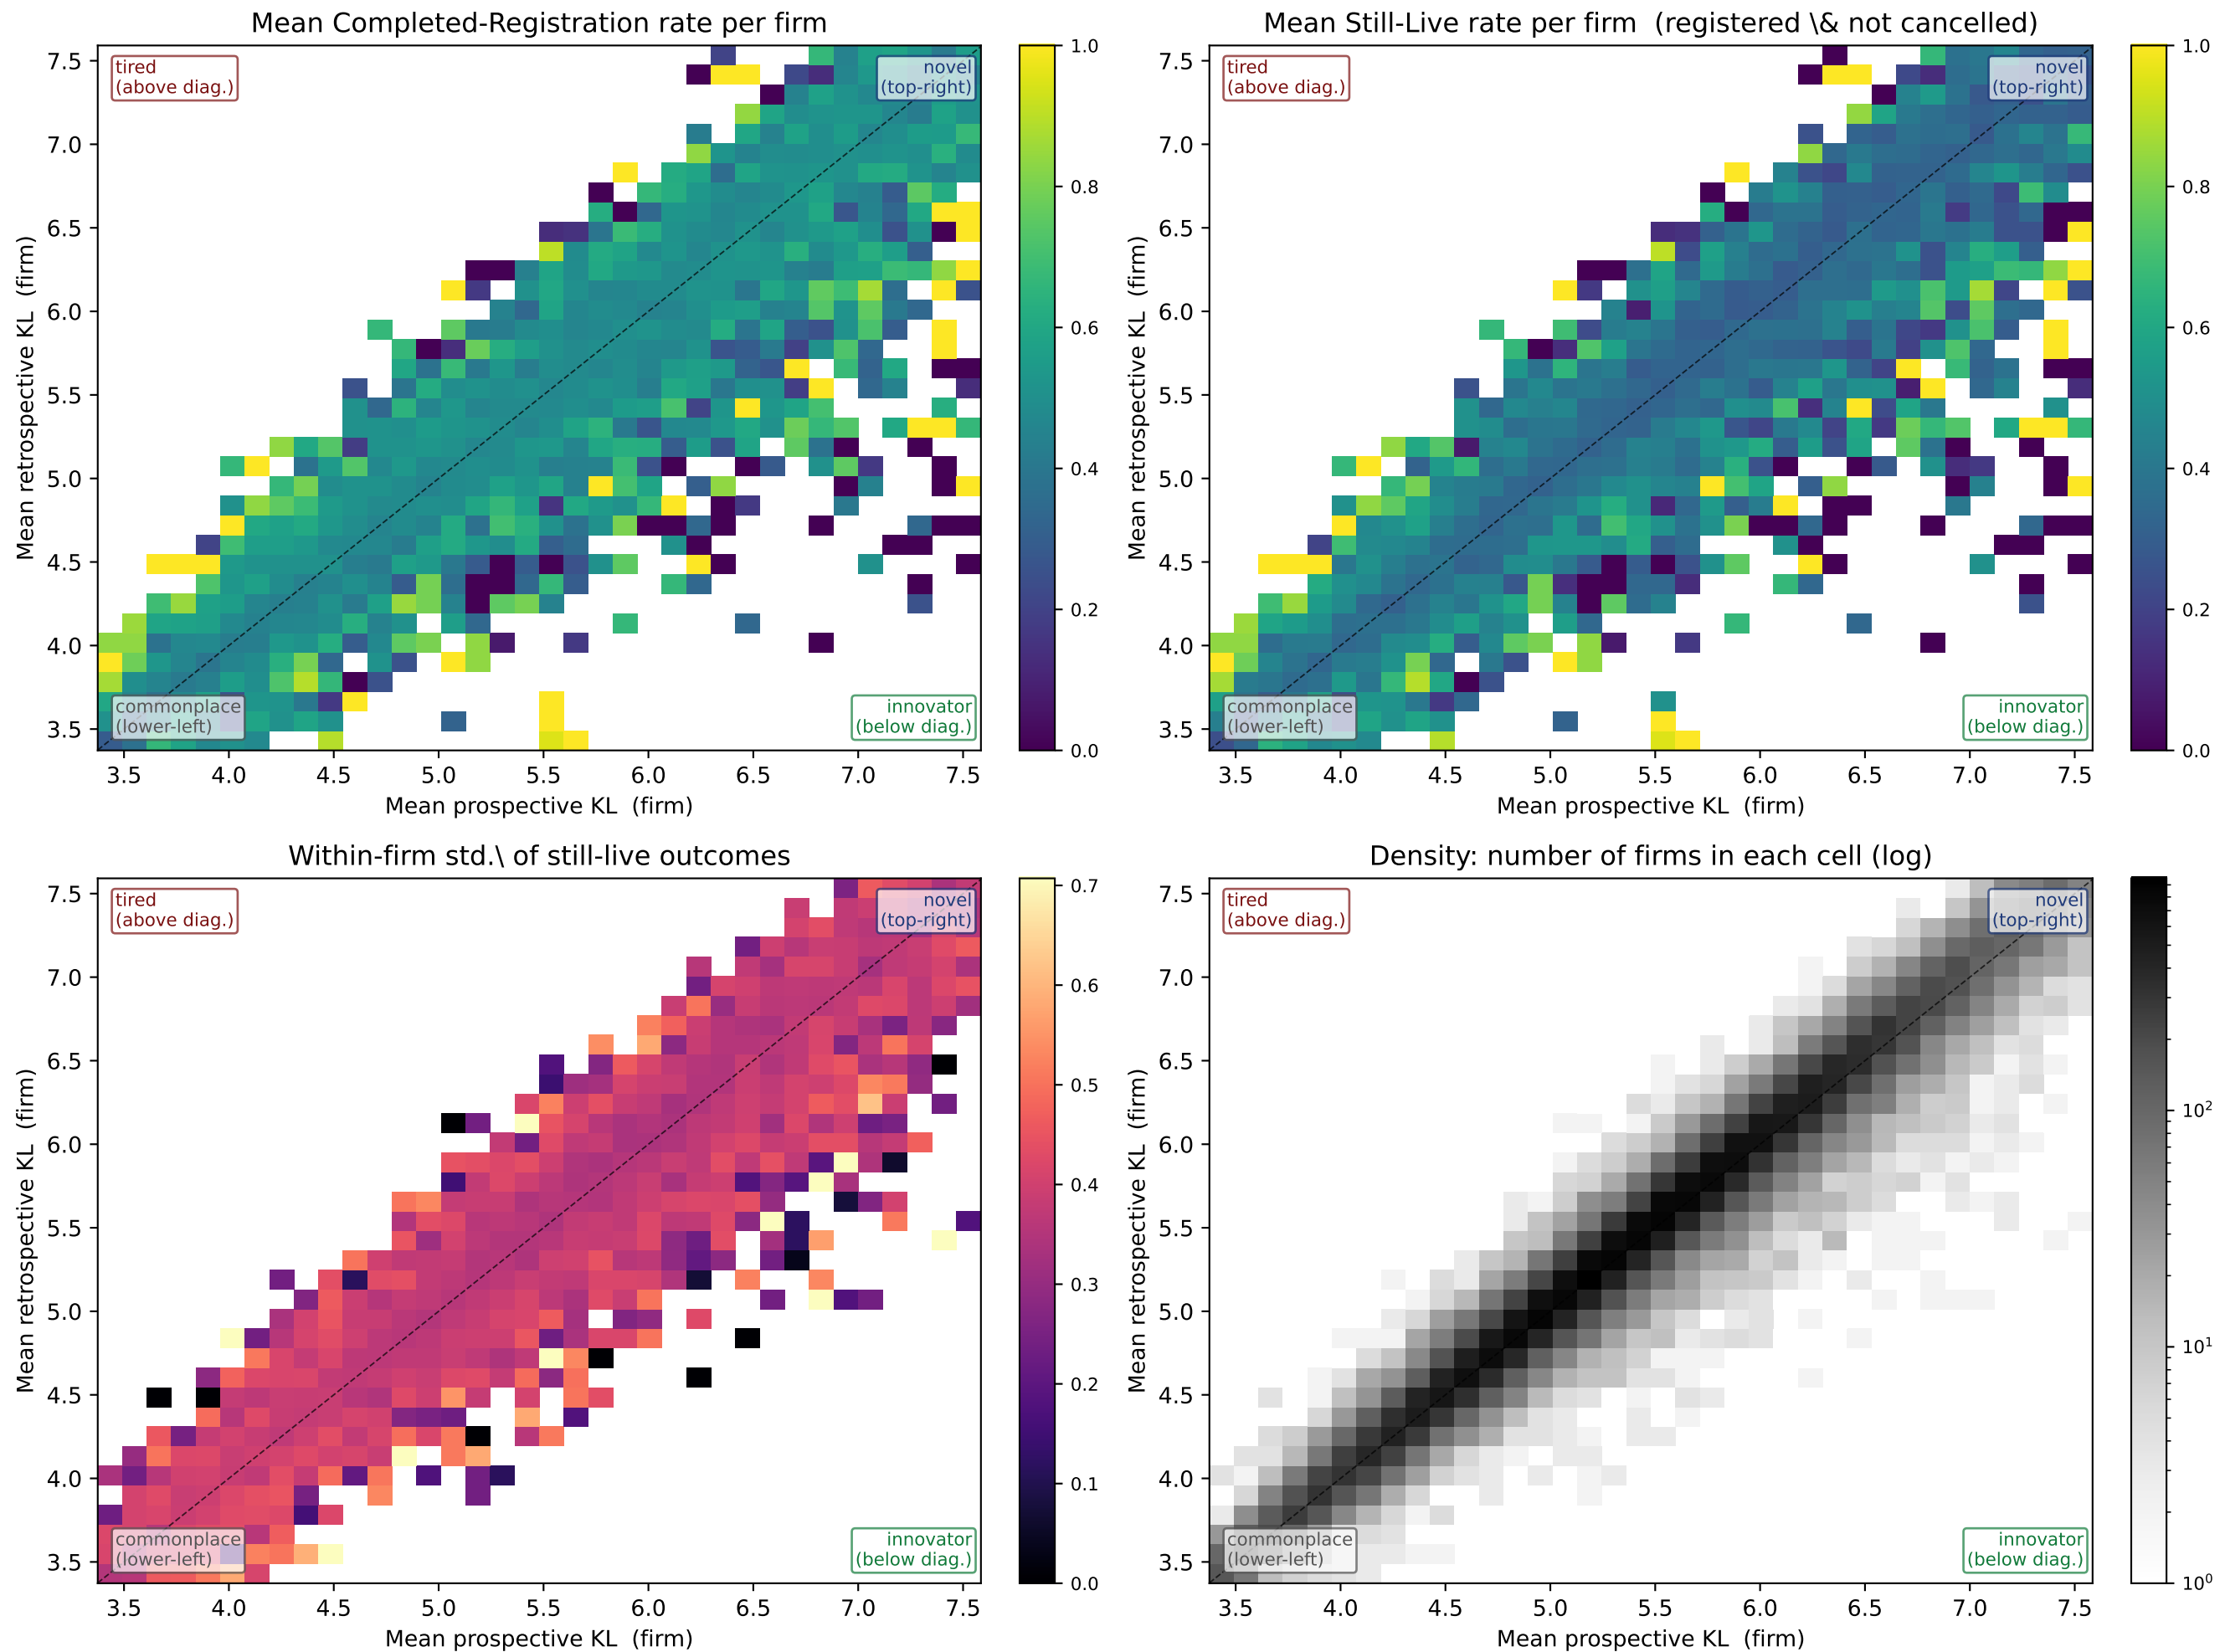

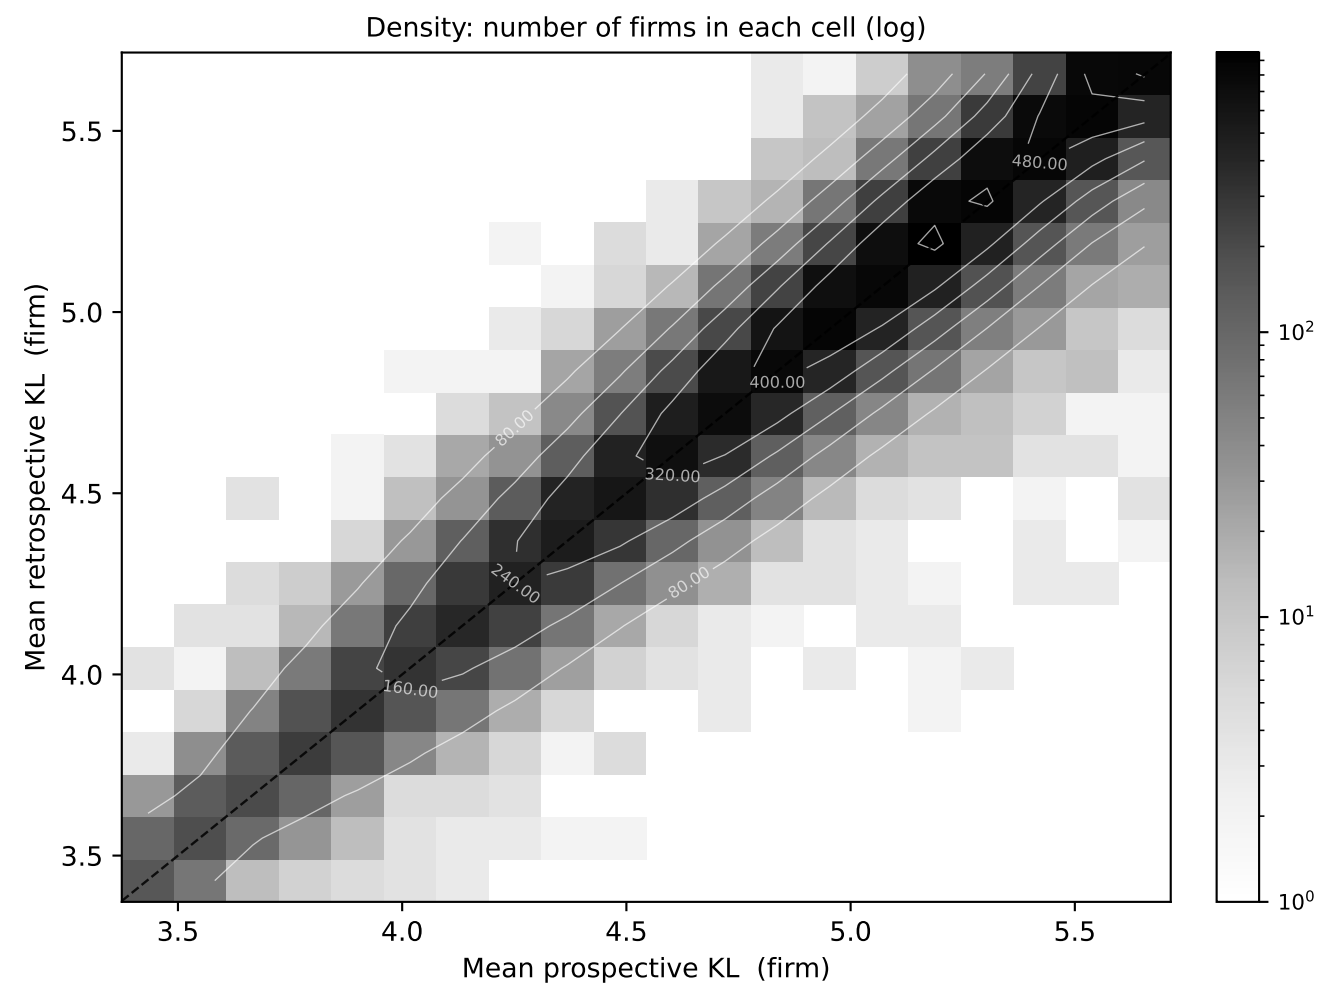

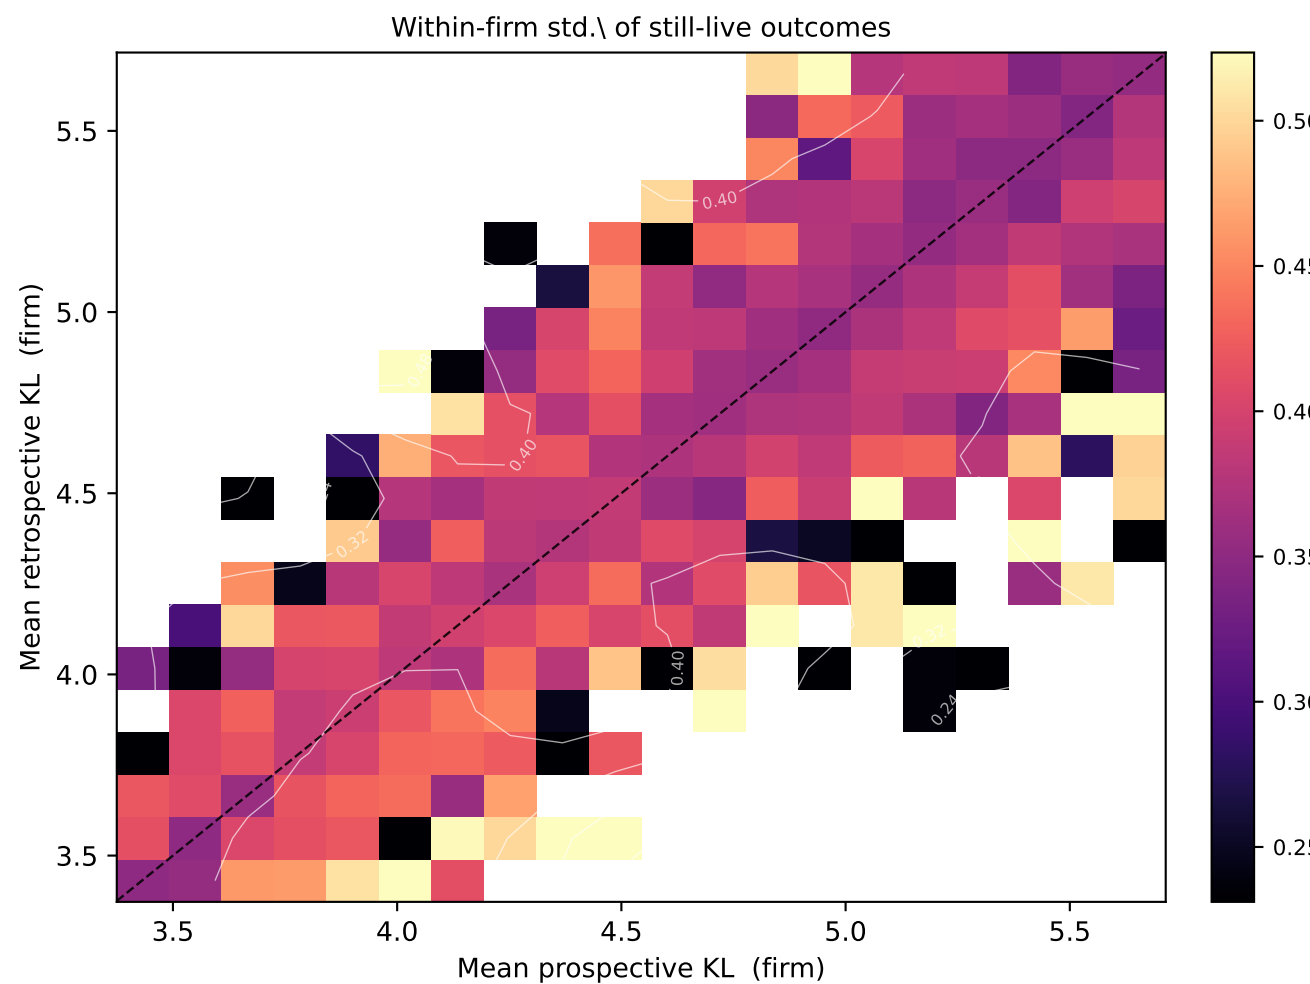

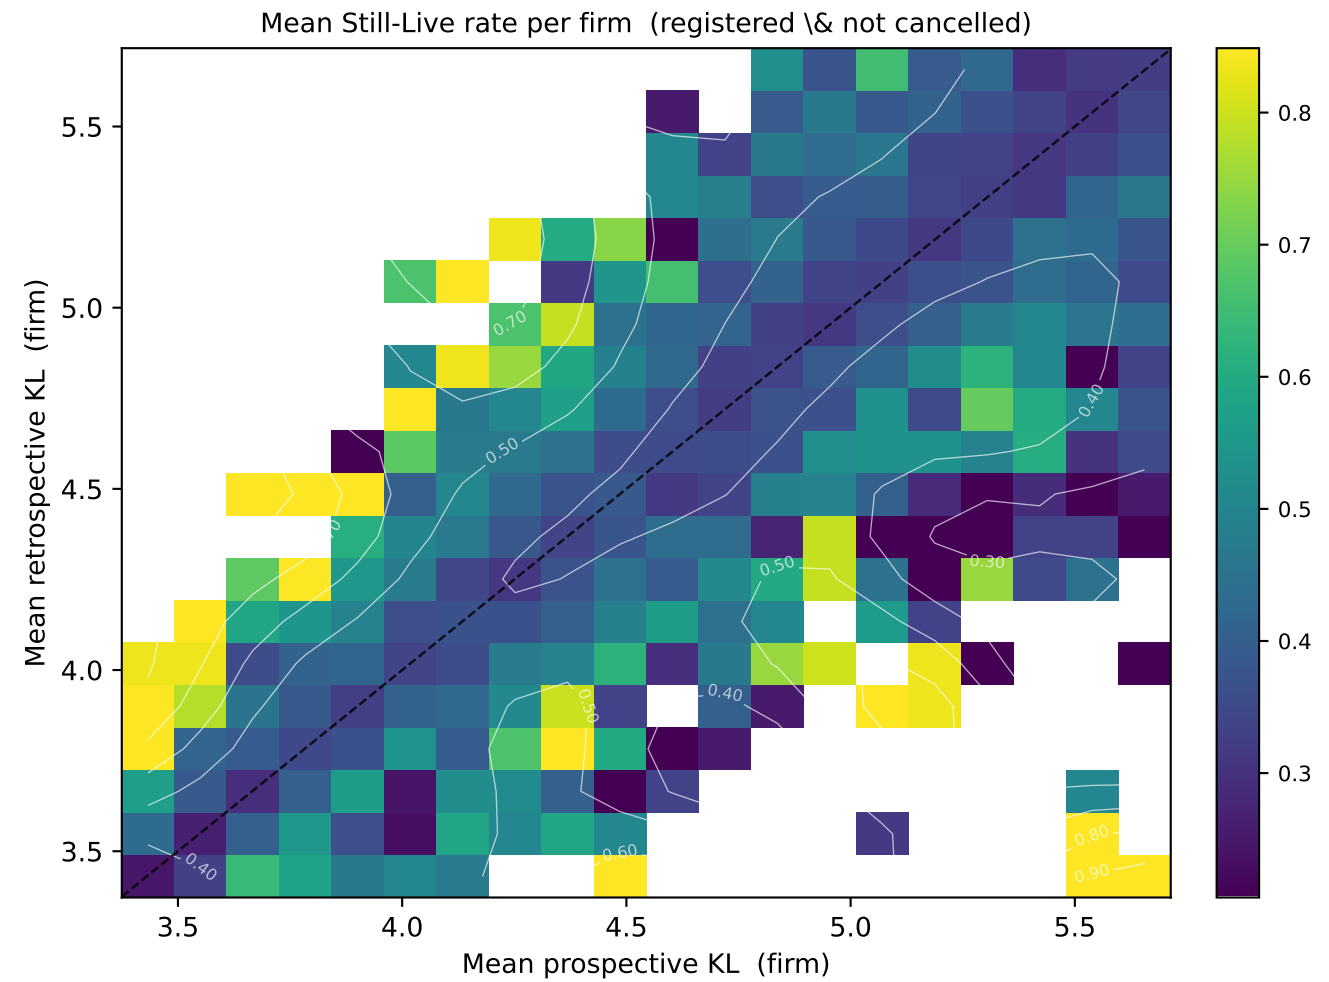

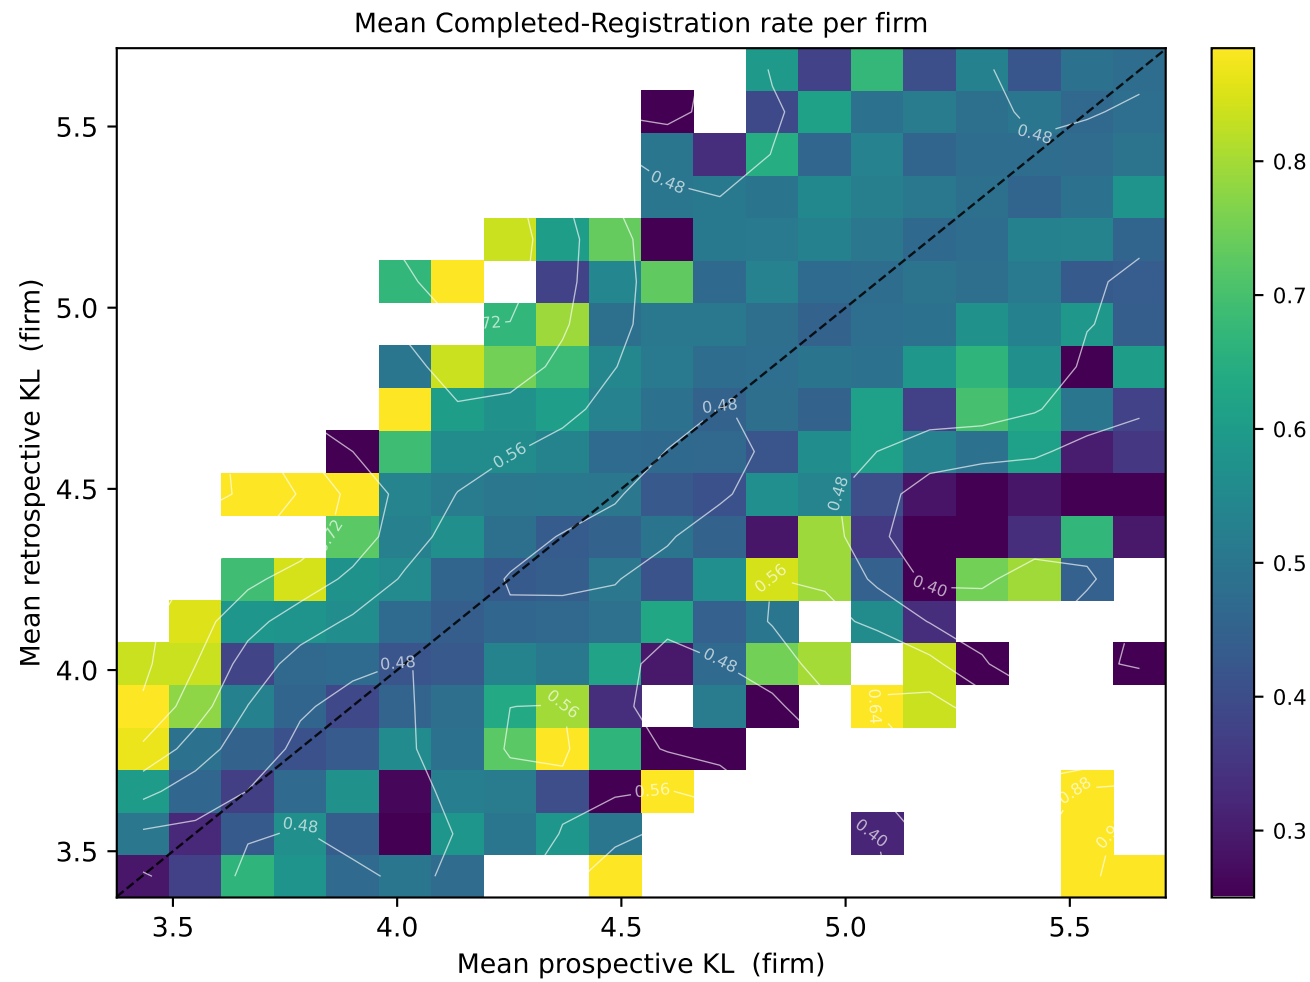

Mean Still-Live rate per firm (registered \& not cancelled)

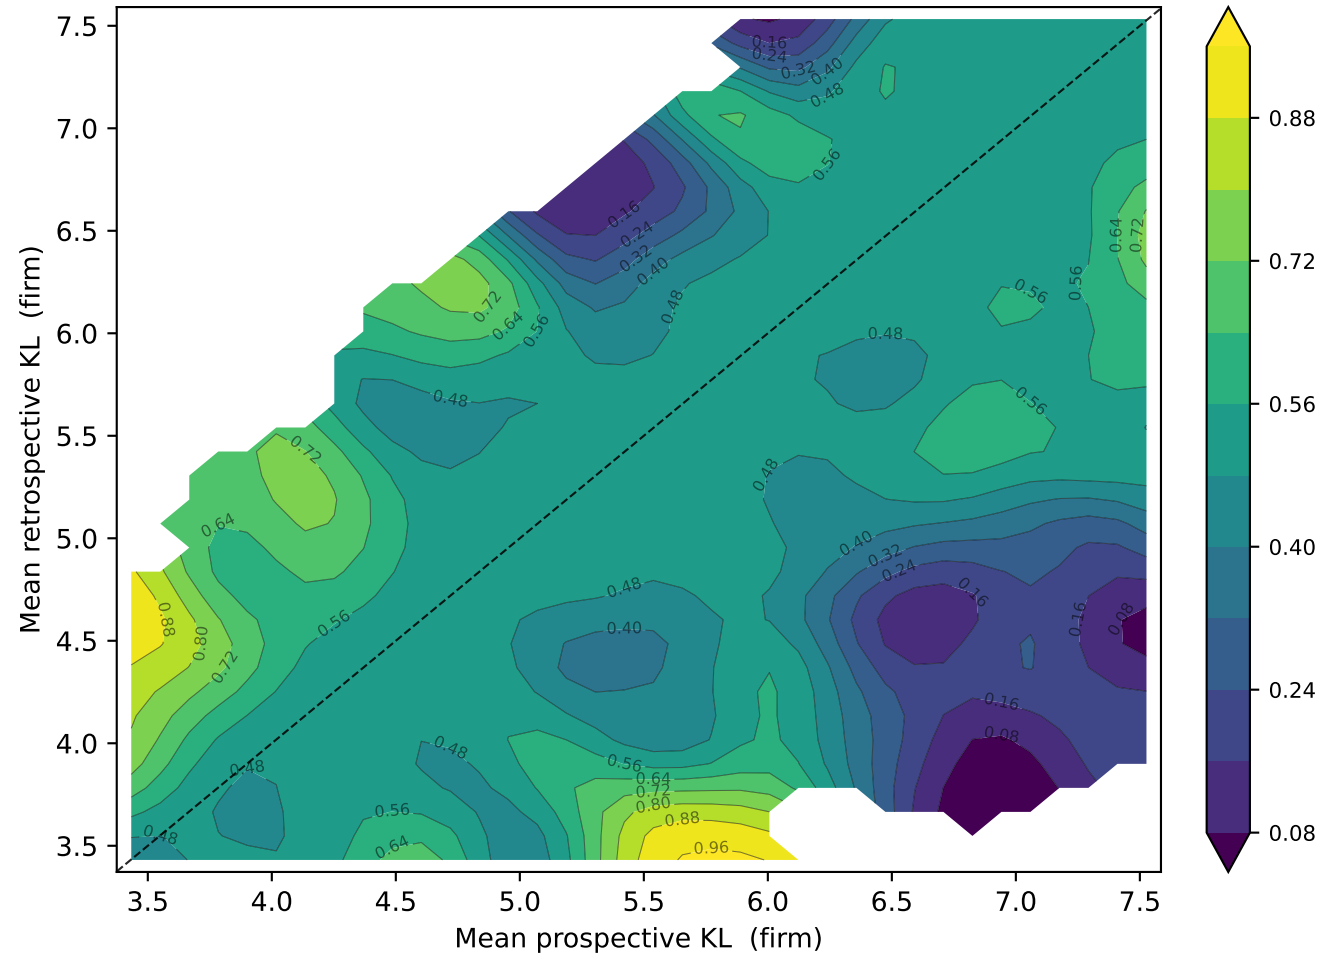

Within-firm std.\ of still-live outcomes

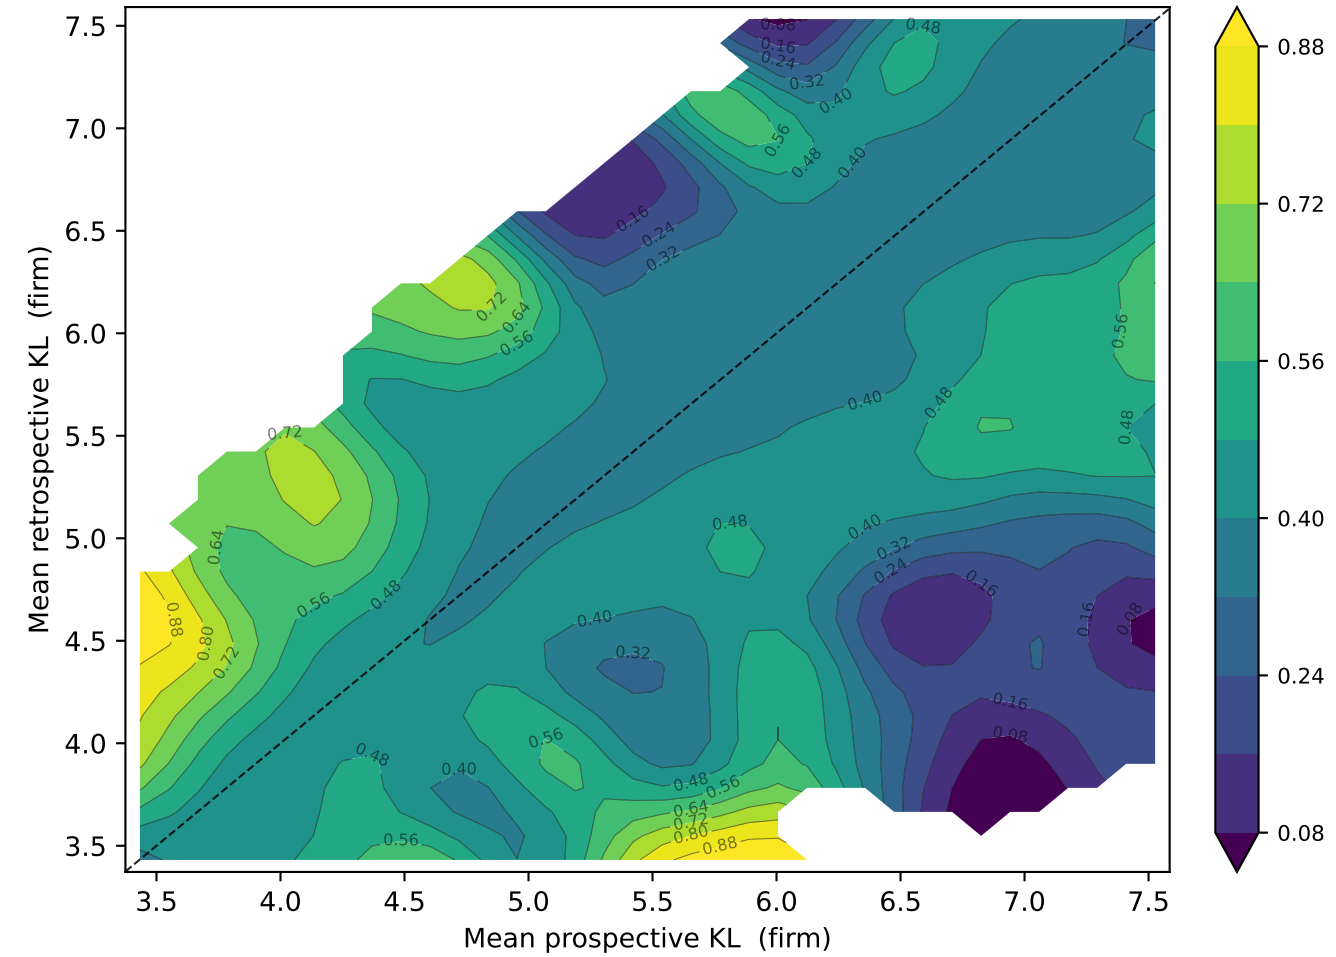

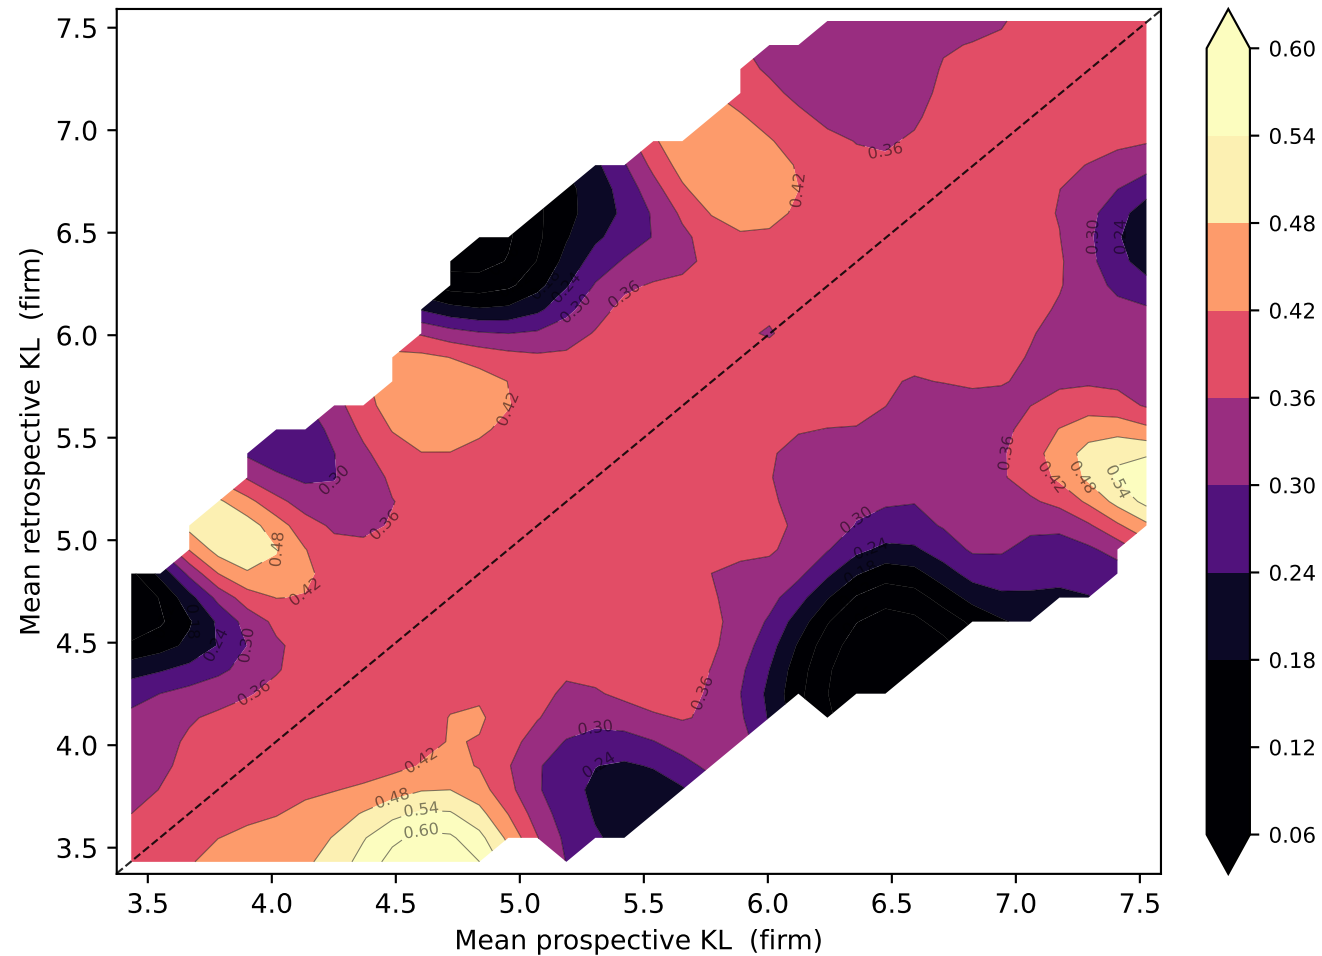

Mean Completed-Registration rate per firm

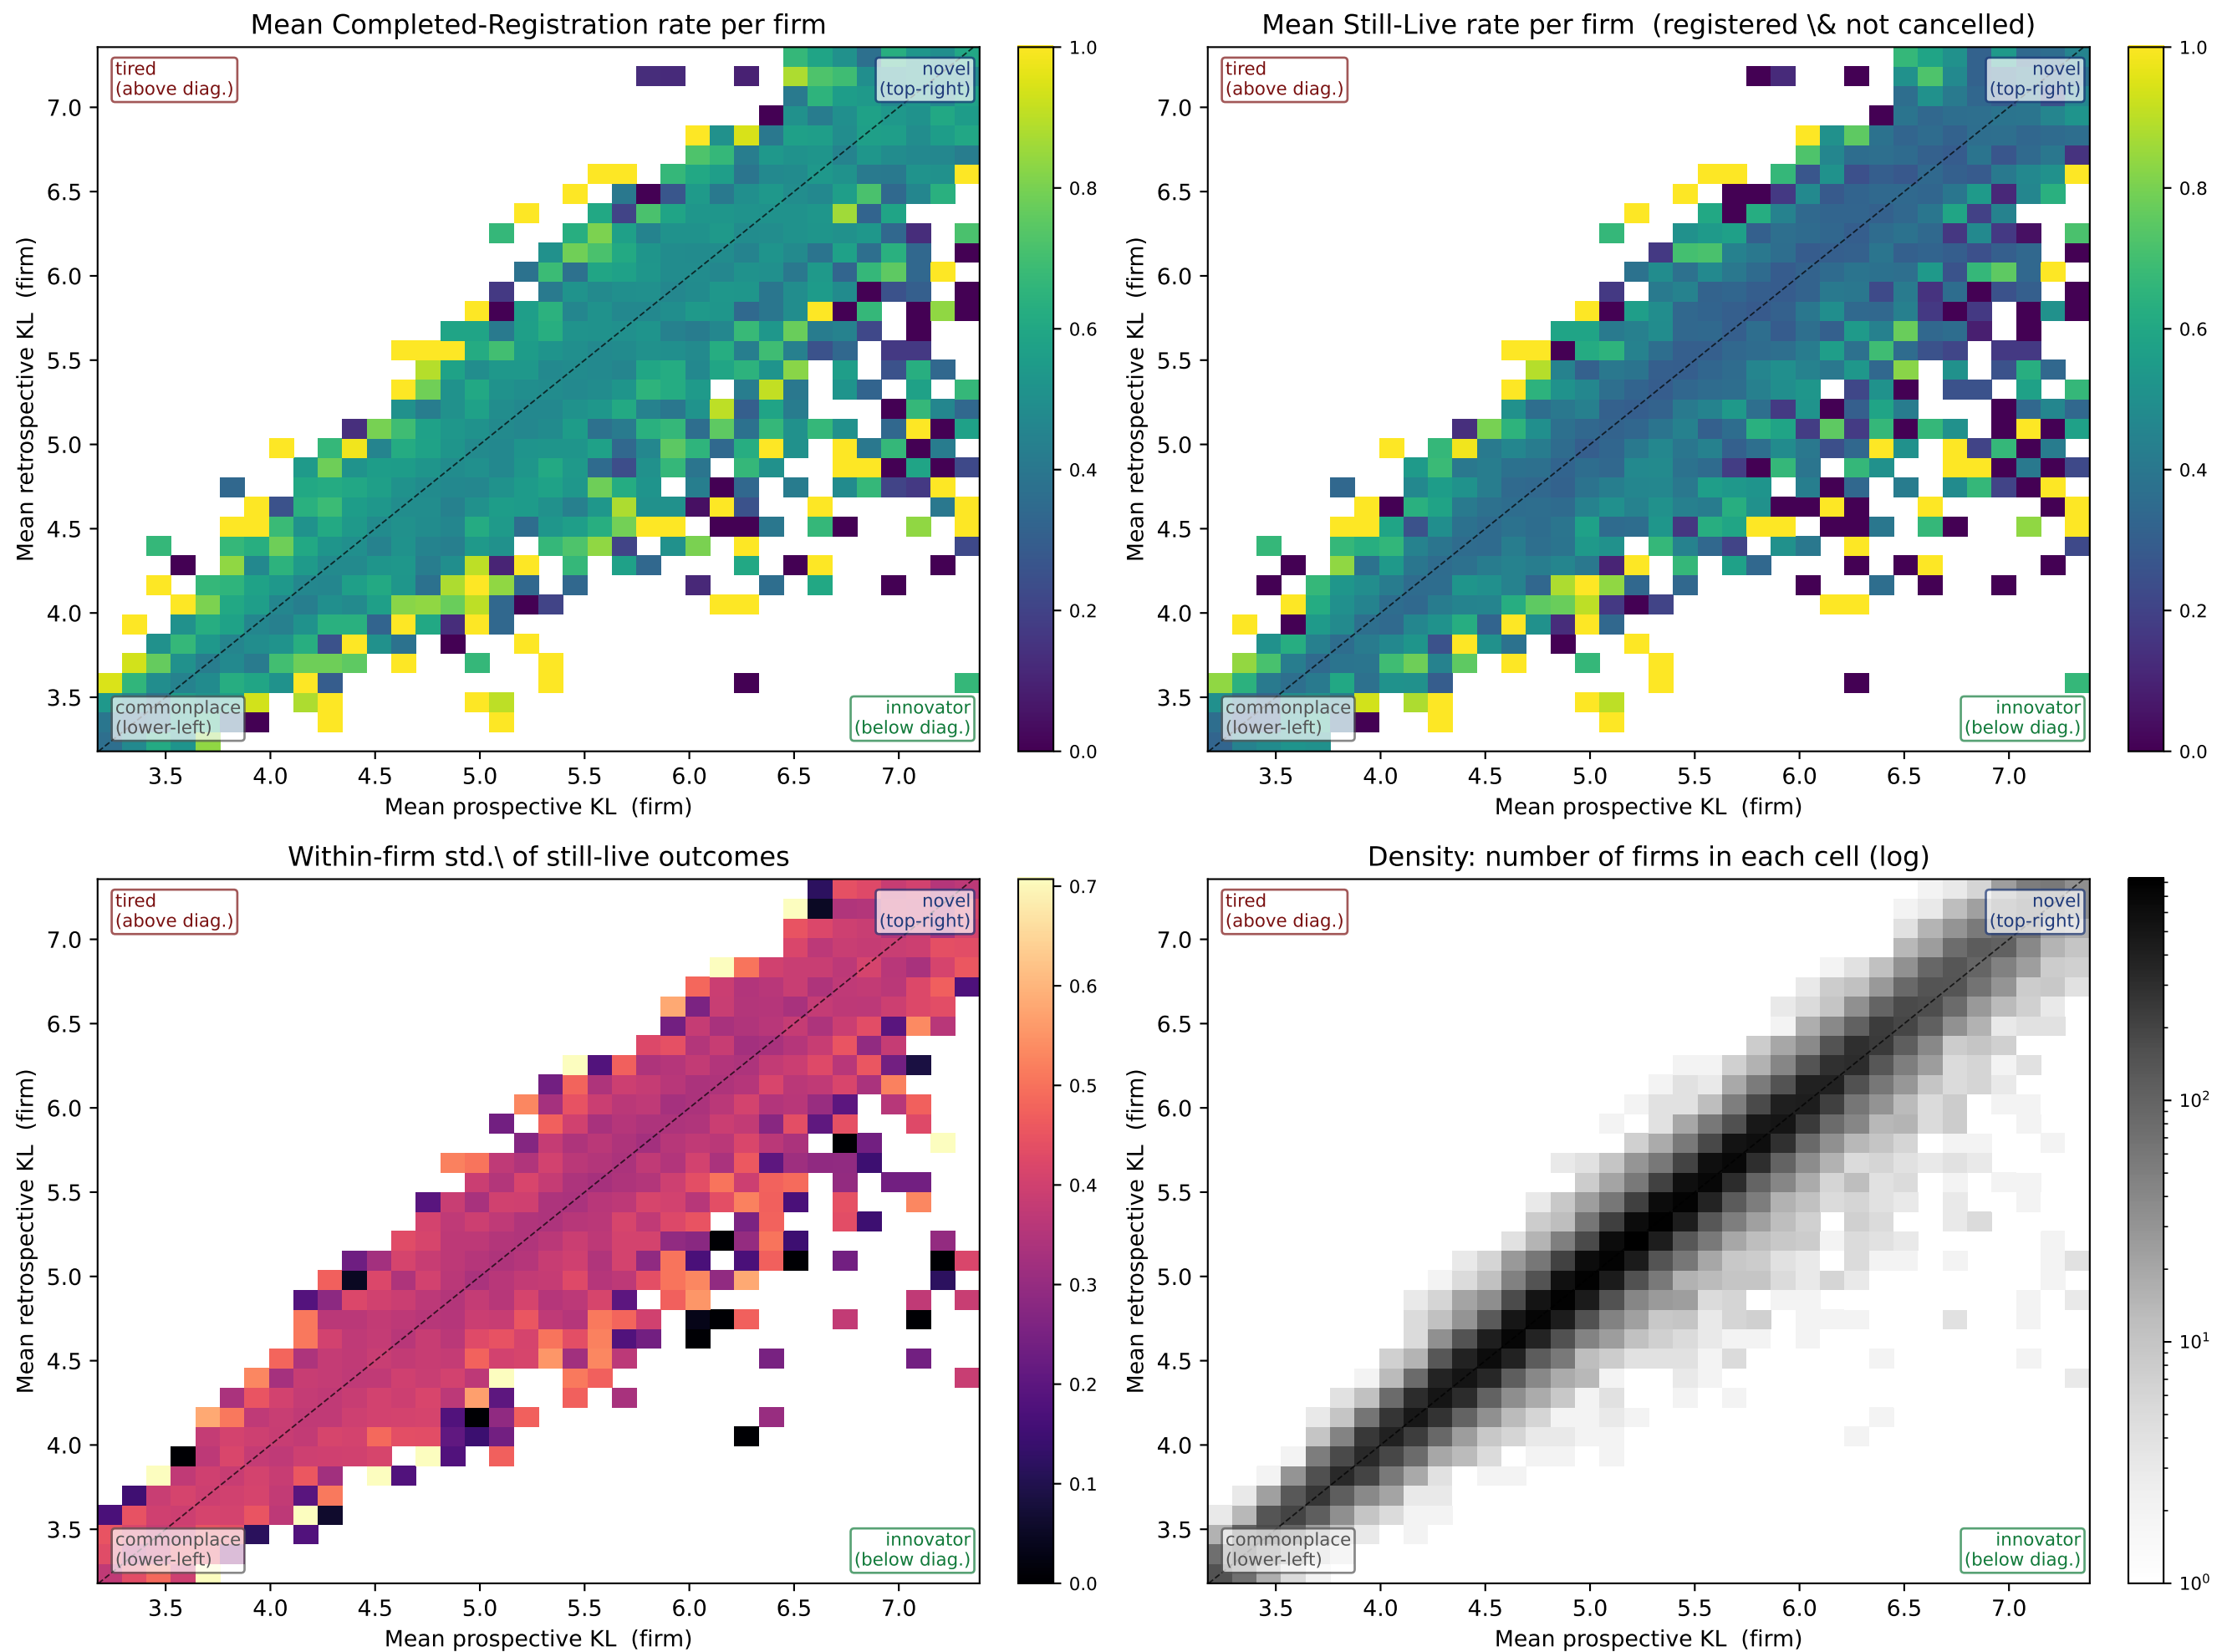

Mean Still-Live rate per firm (registered \& not cancelled)

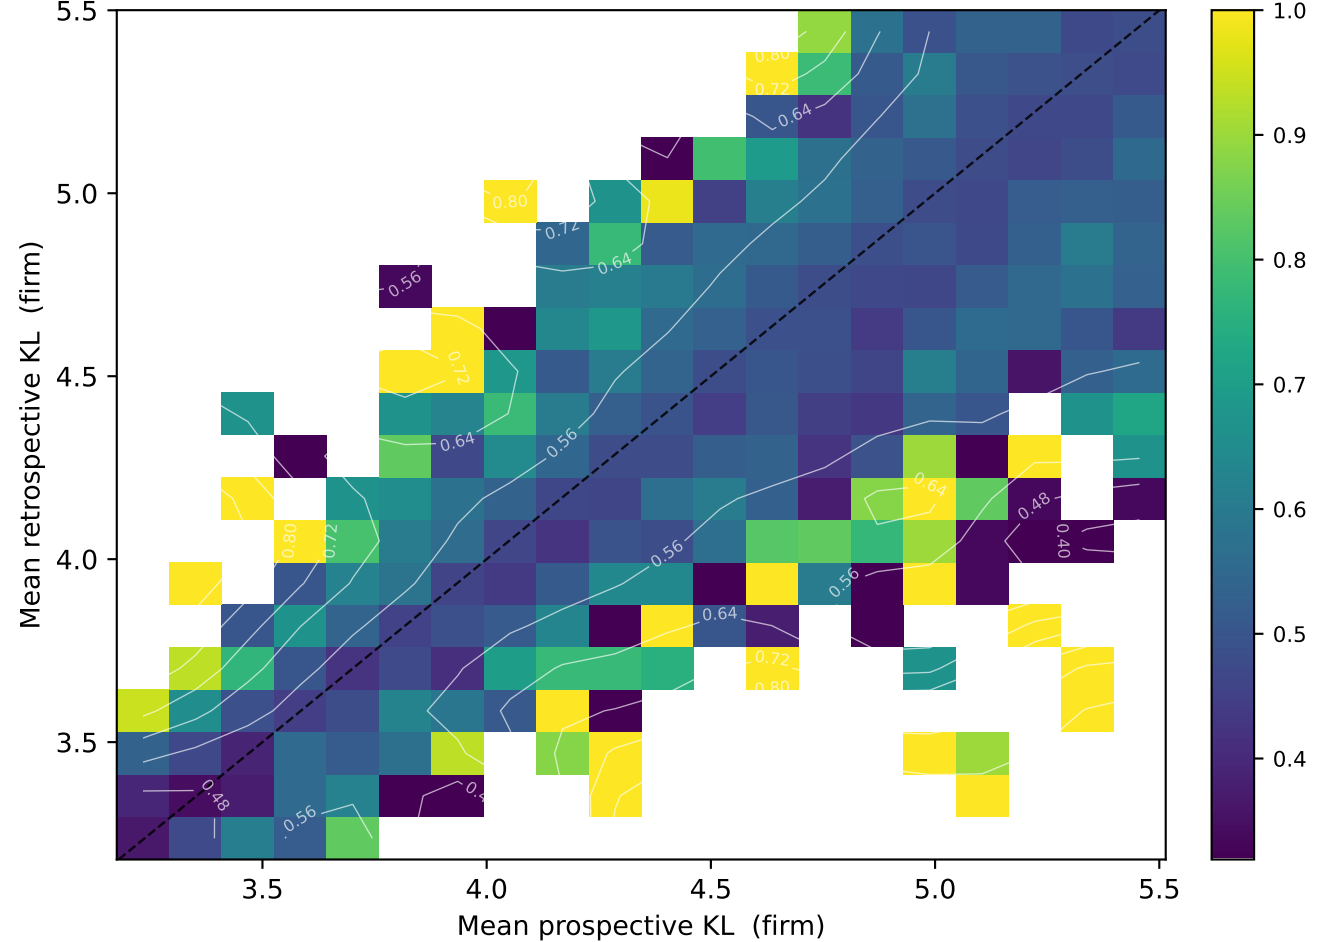

Within-firm std.\ of still-live outcomes

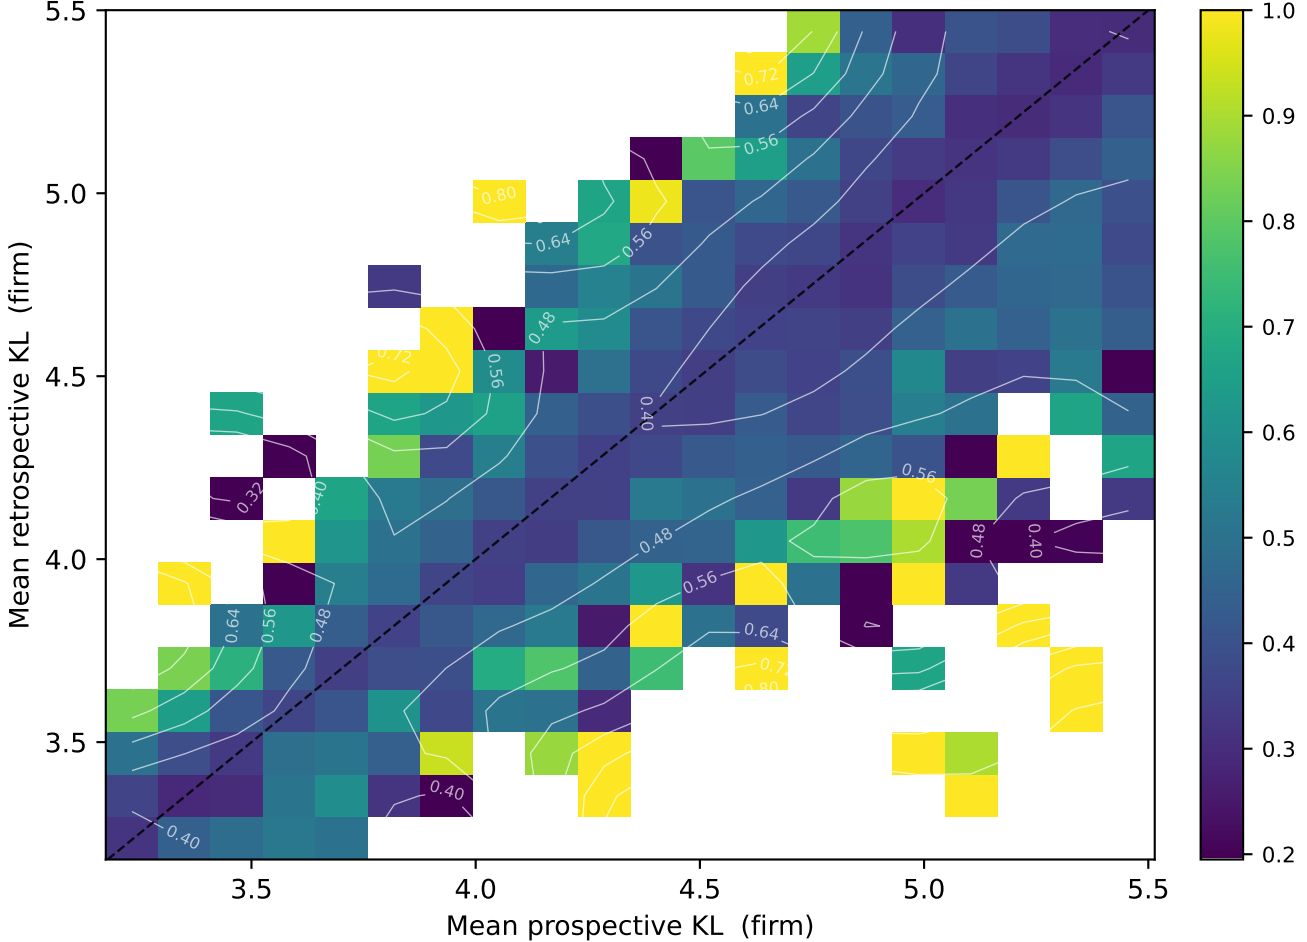

Class 041 — Education & Entertainment — 727,377 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=44,591 firms

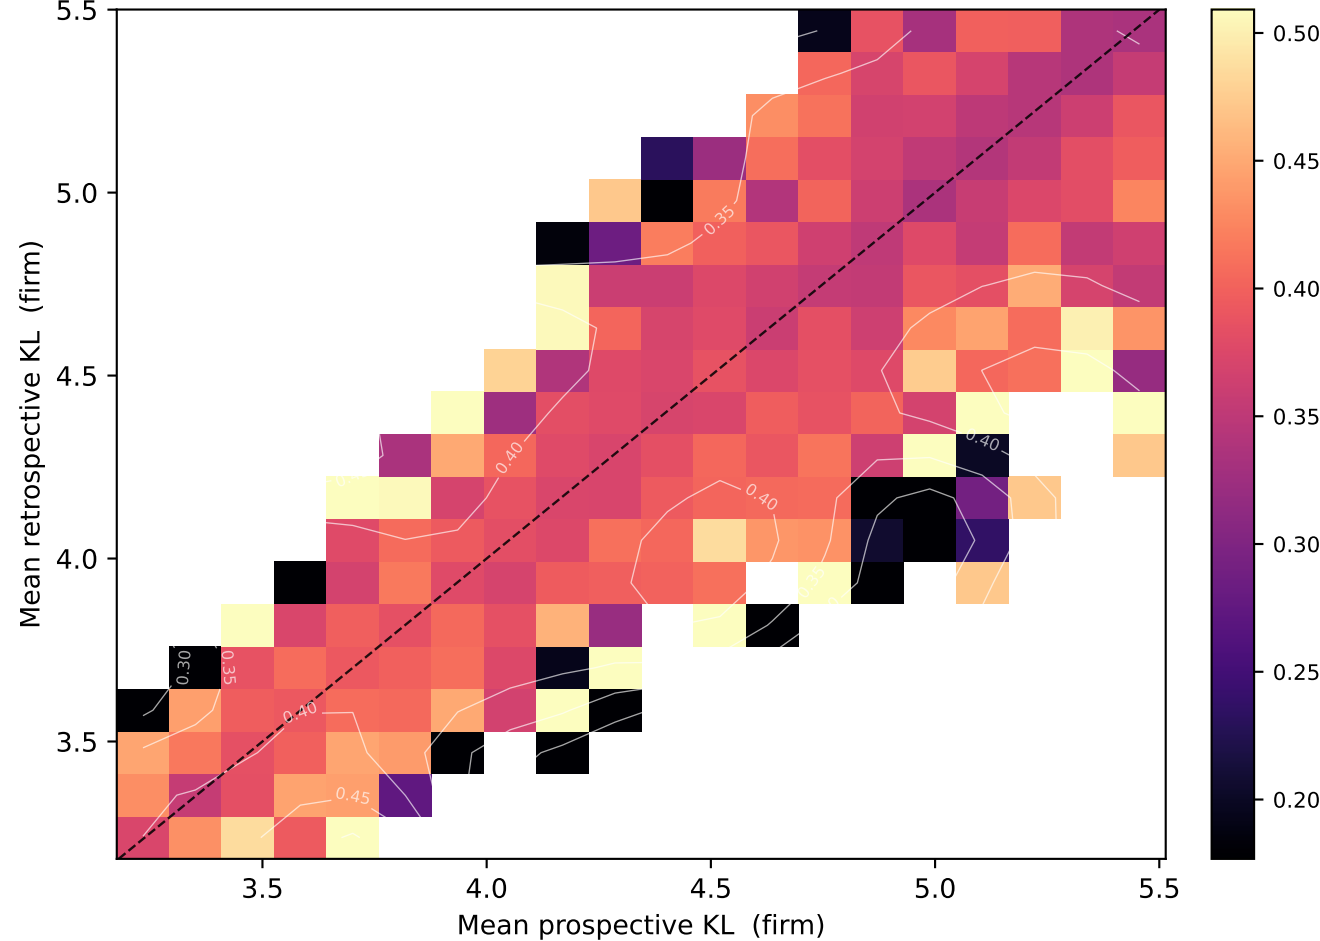

Mean Completed-Registration rate per firm

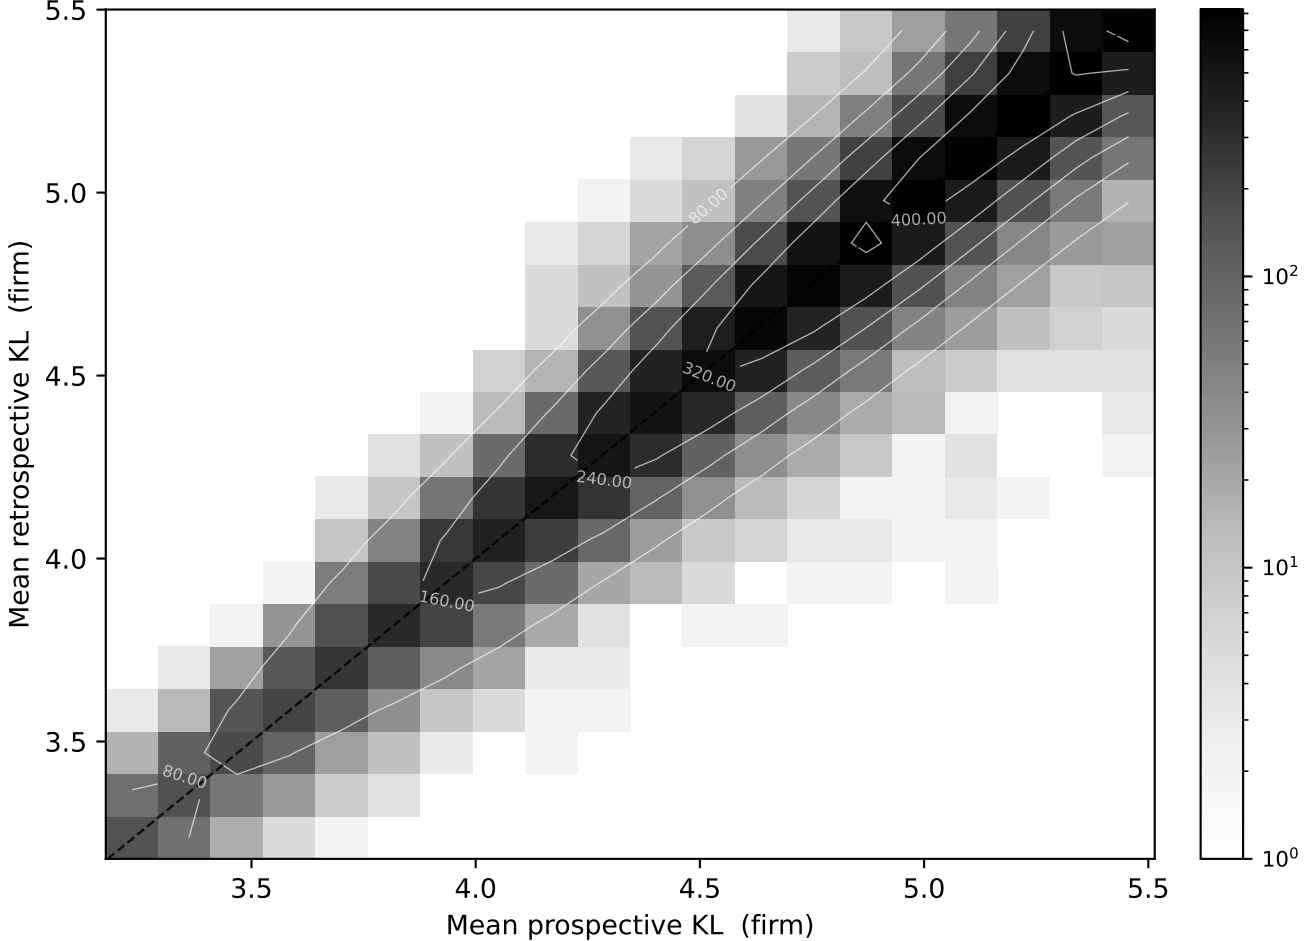

Mean Still-Live rate per firm (registered & not cancelled)

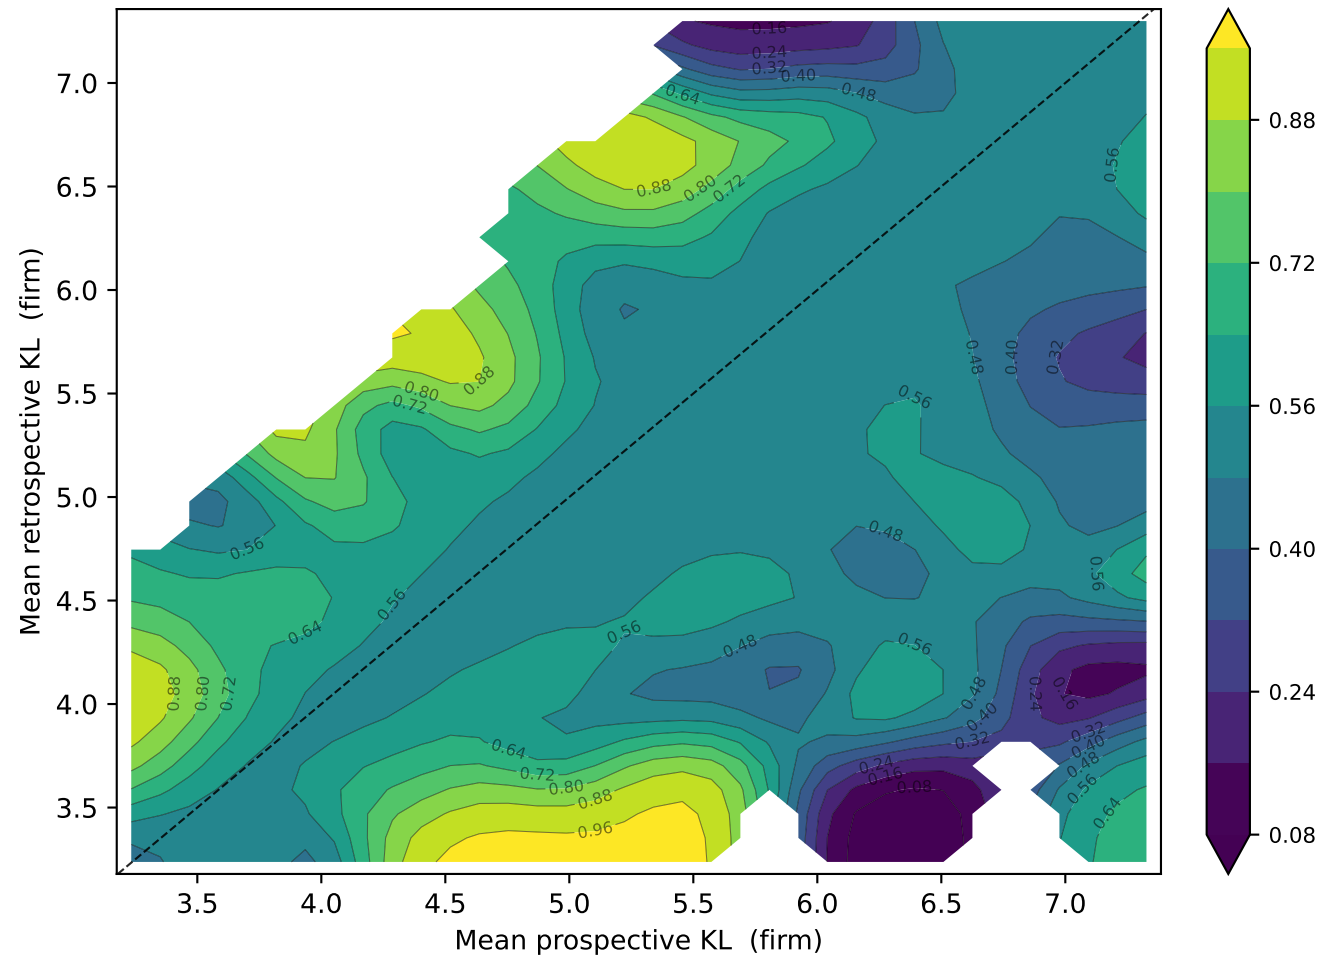

Within-firm std.\ of still-live outcomes

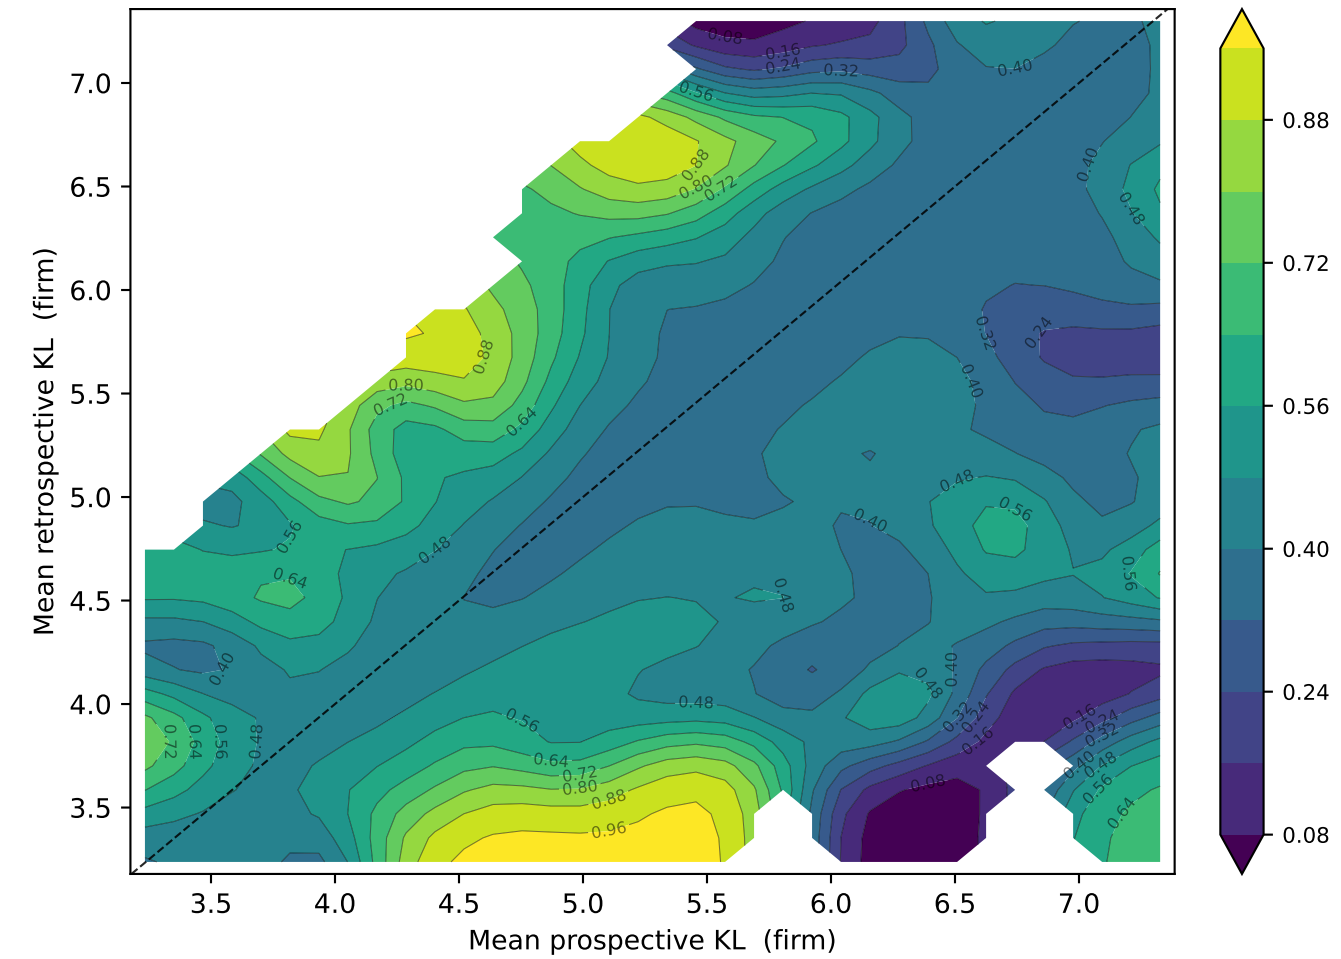

Density: number of firms in each cell (log)

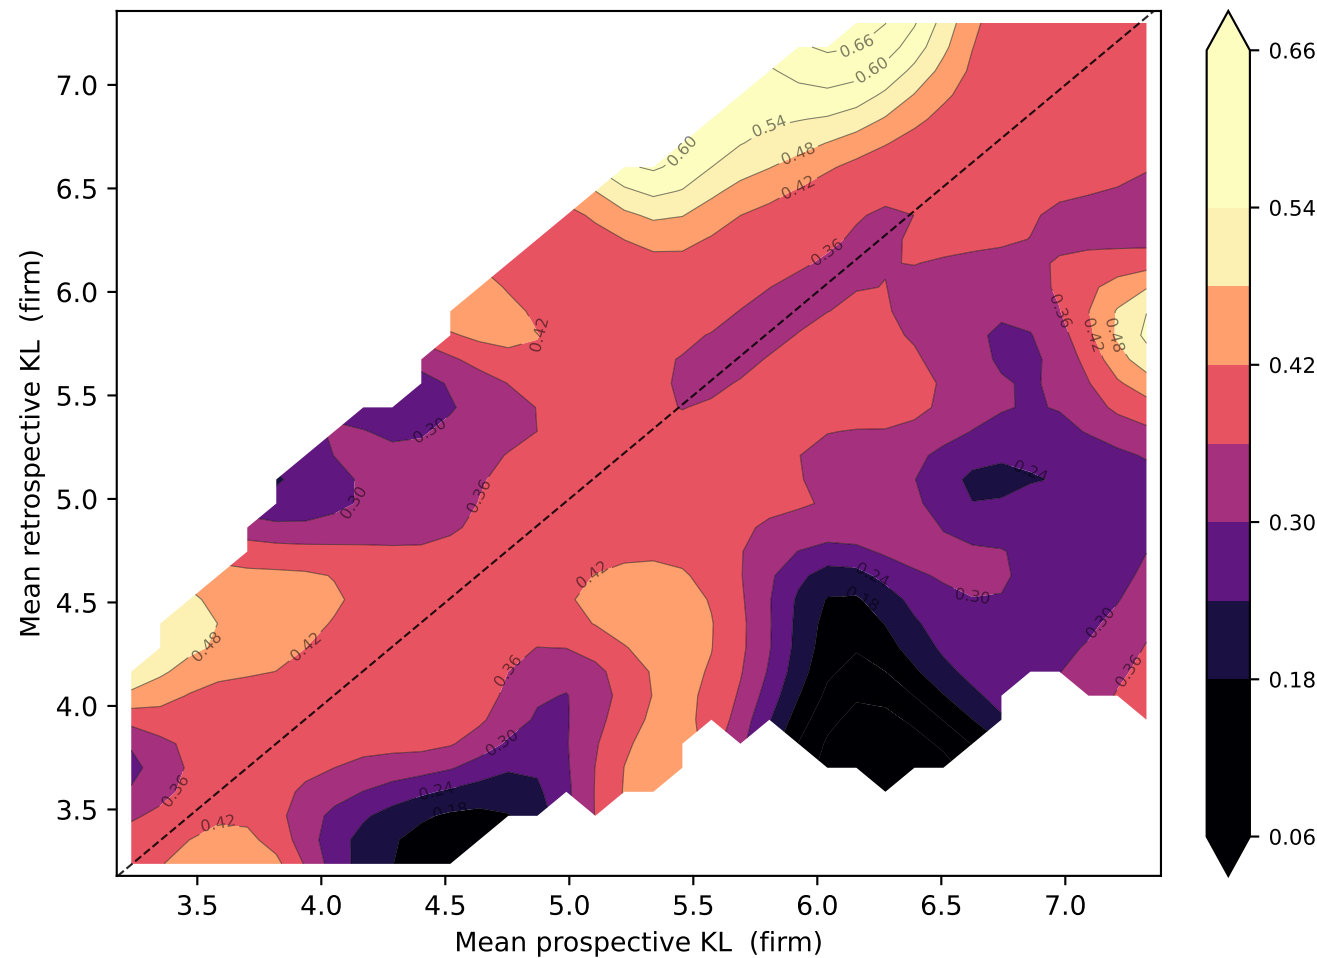

Mean Completed-Registration rate per firm

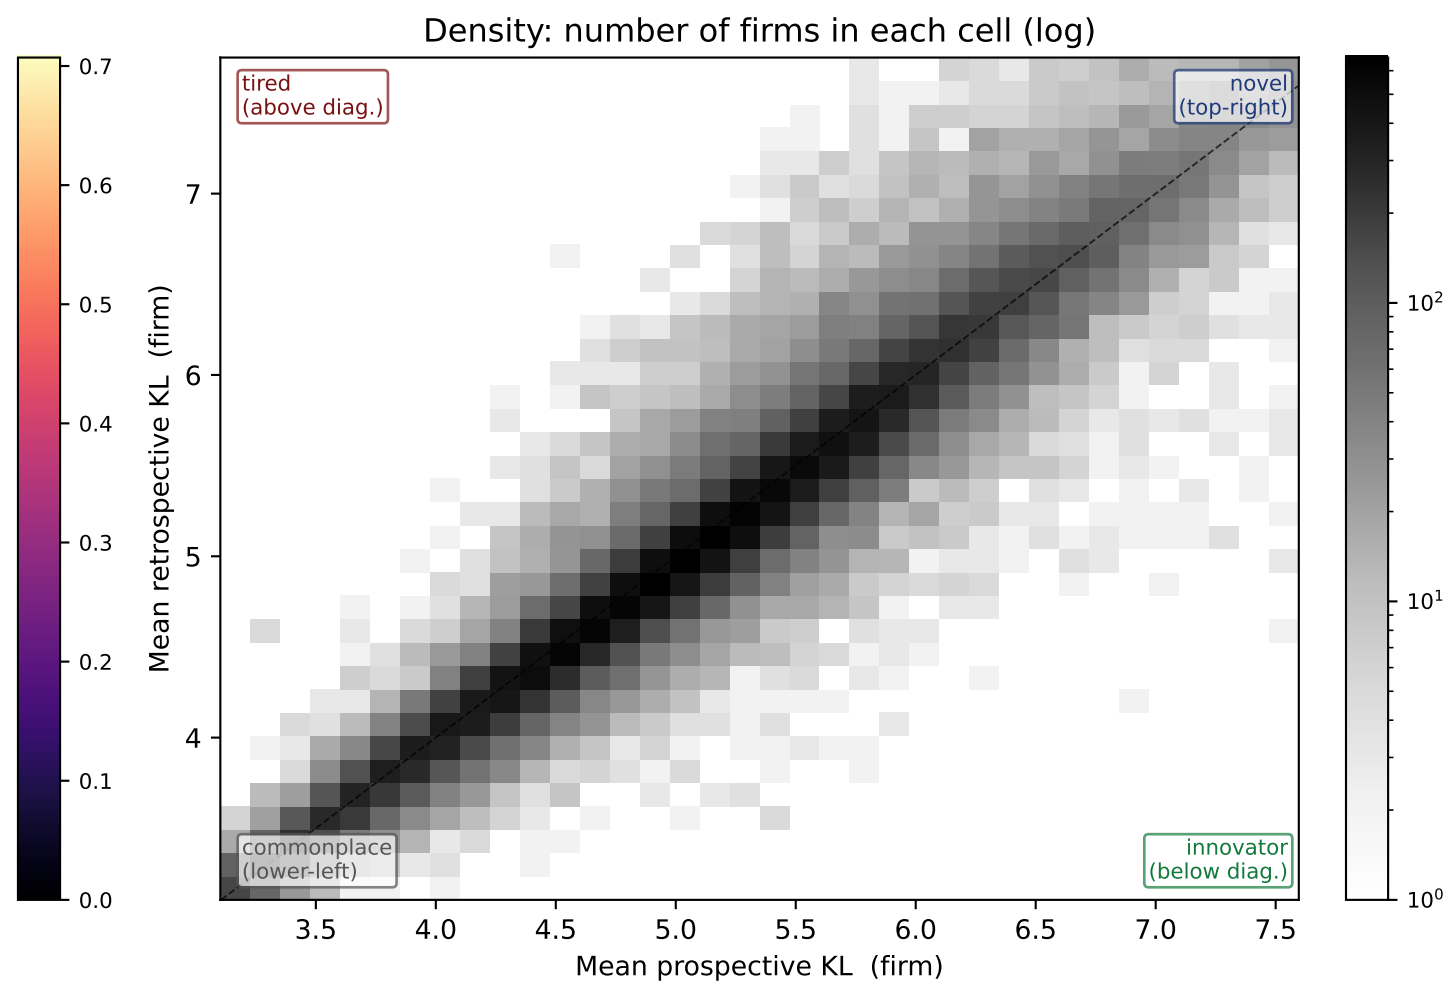

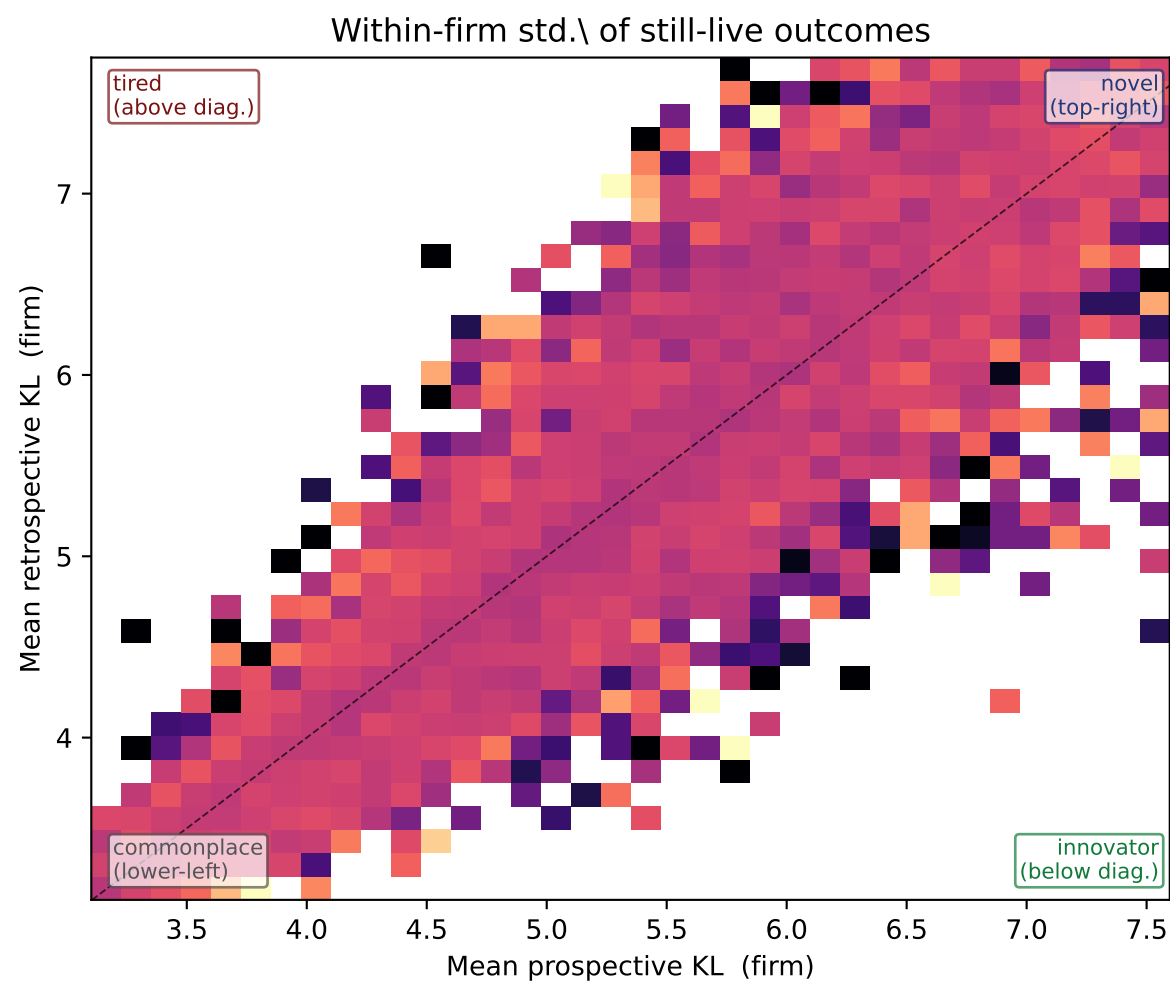

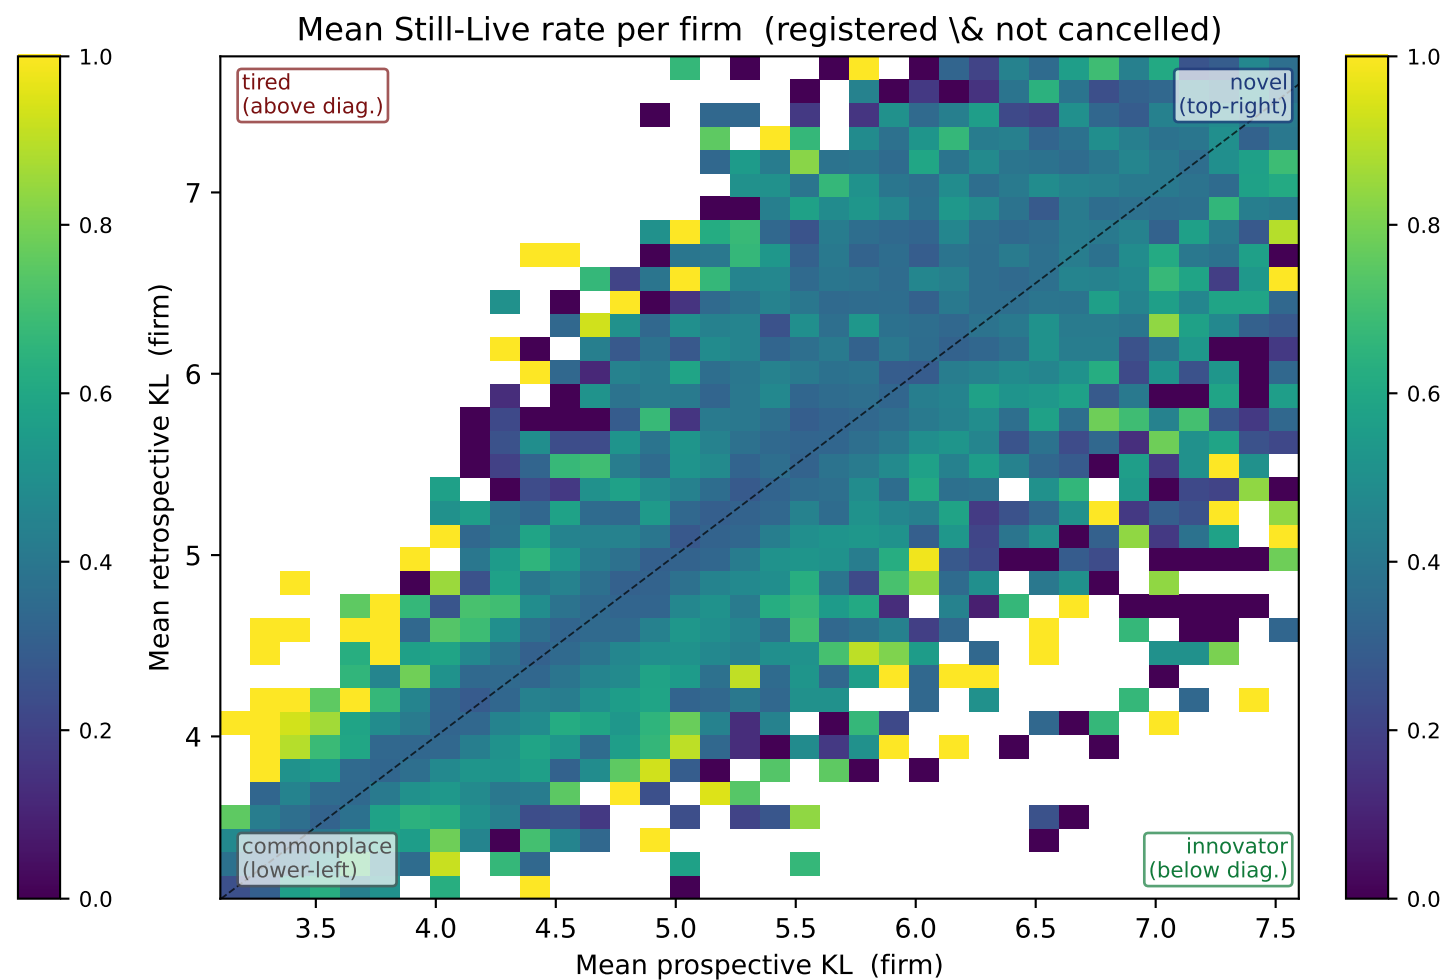

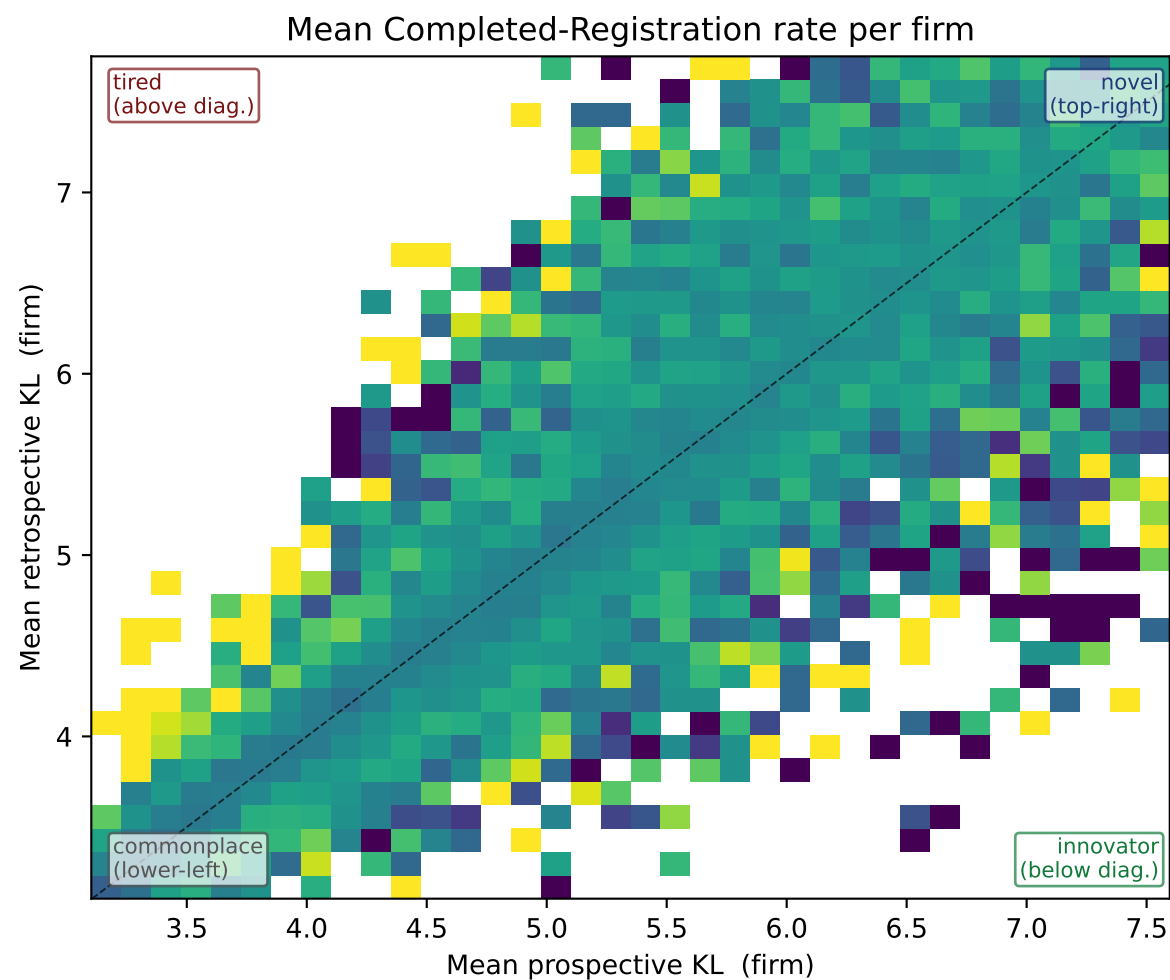

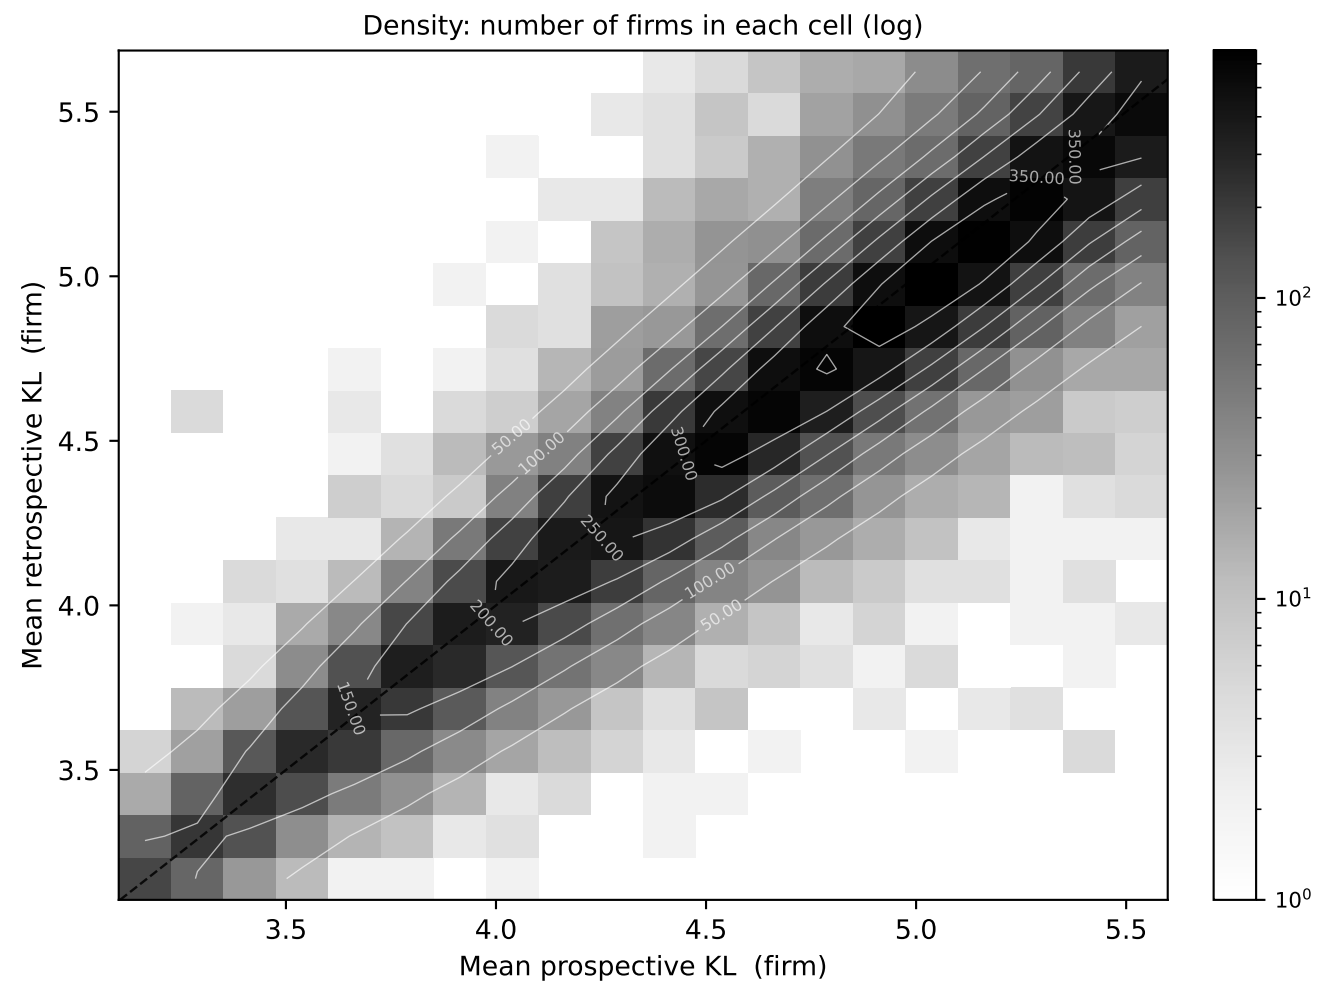

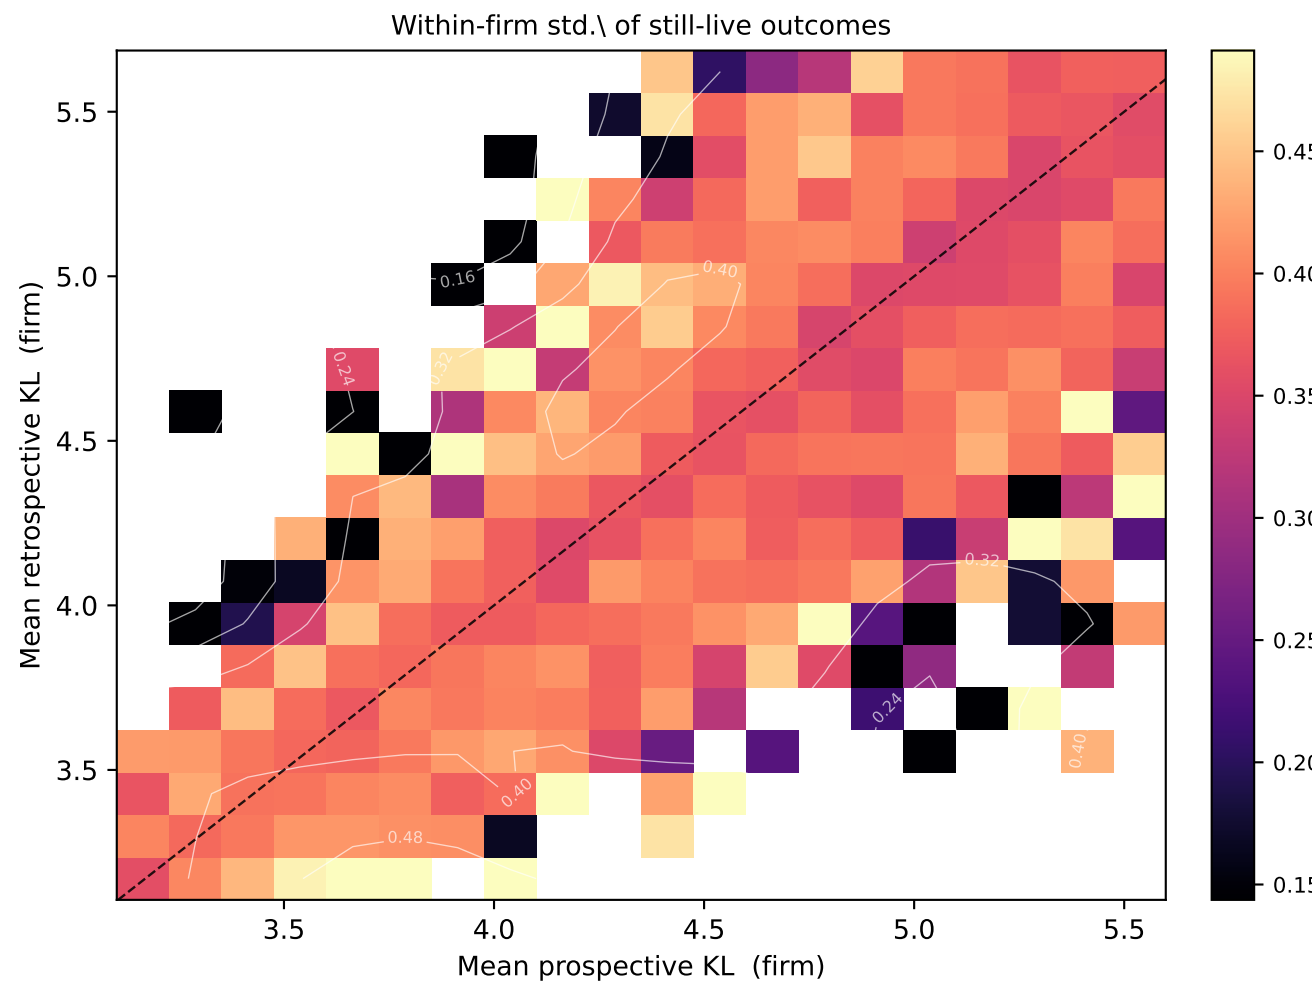

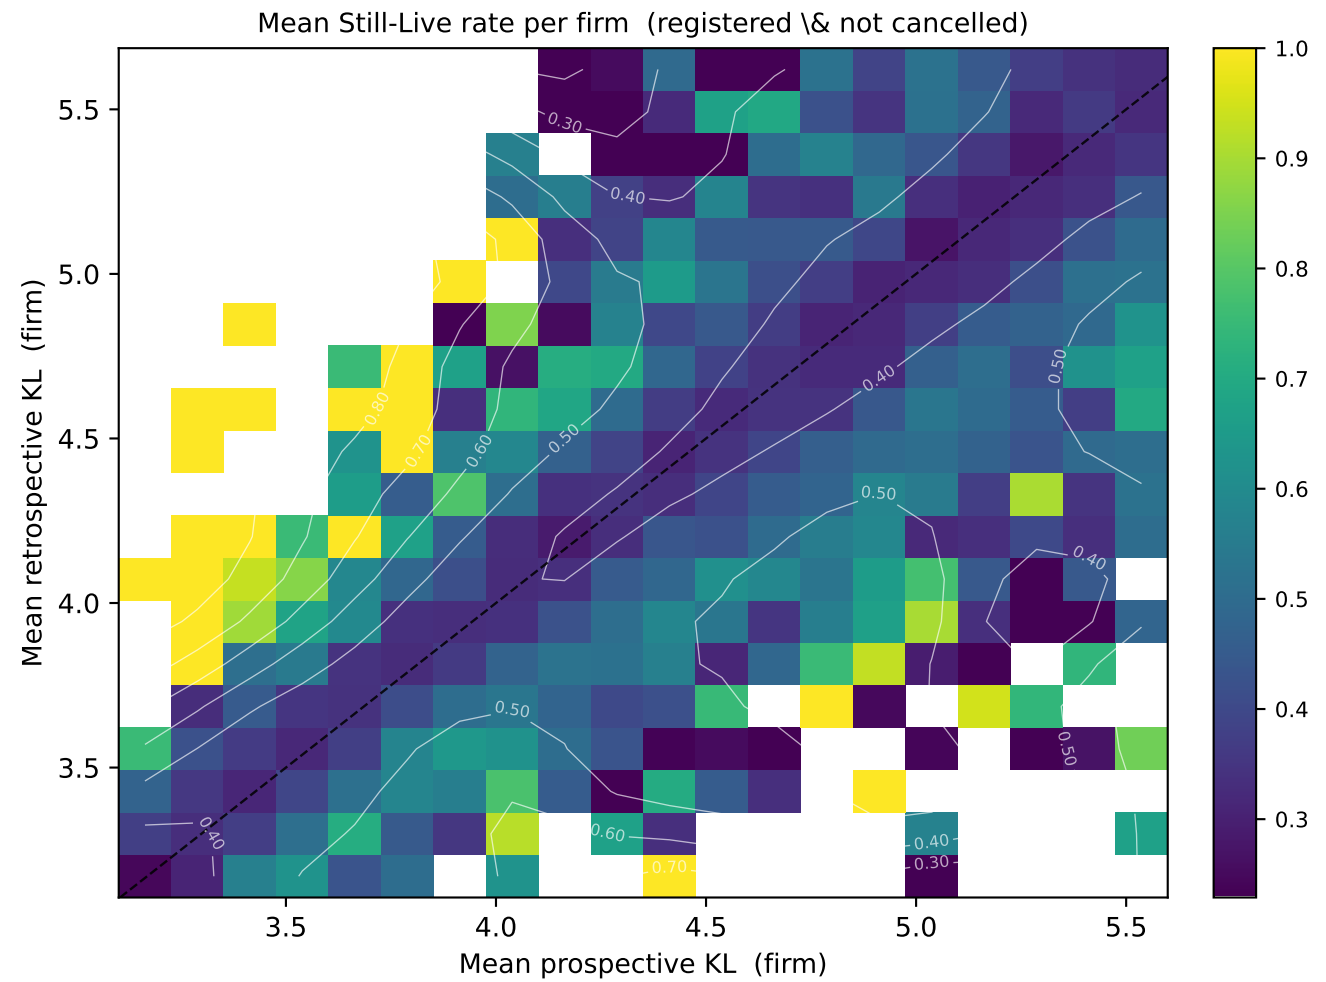

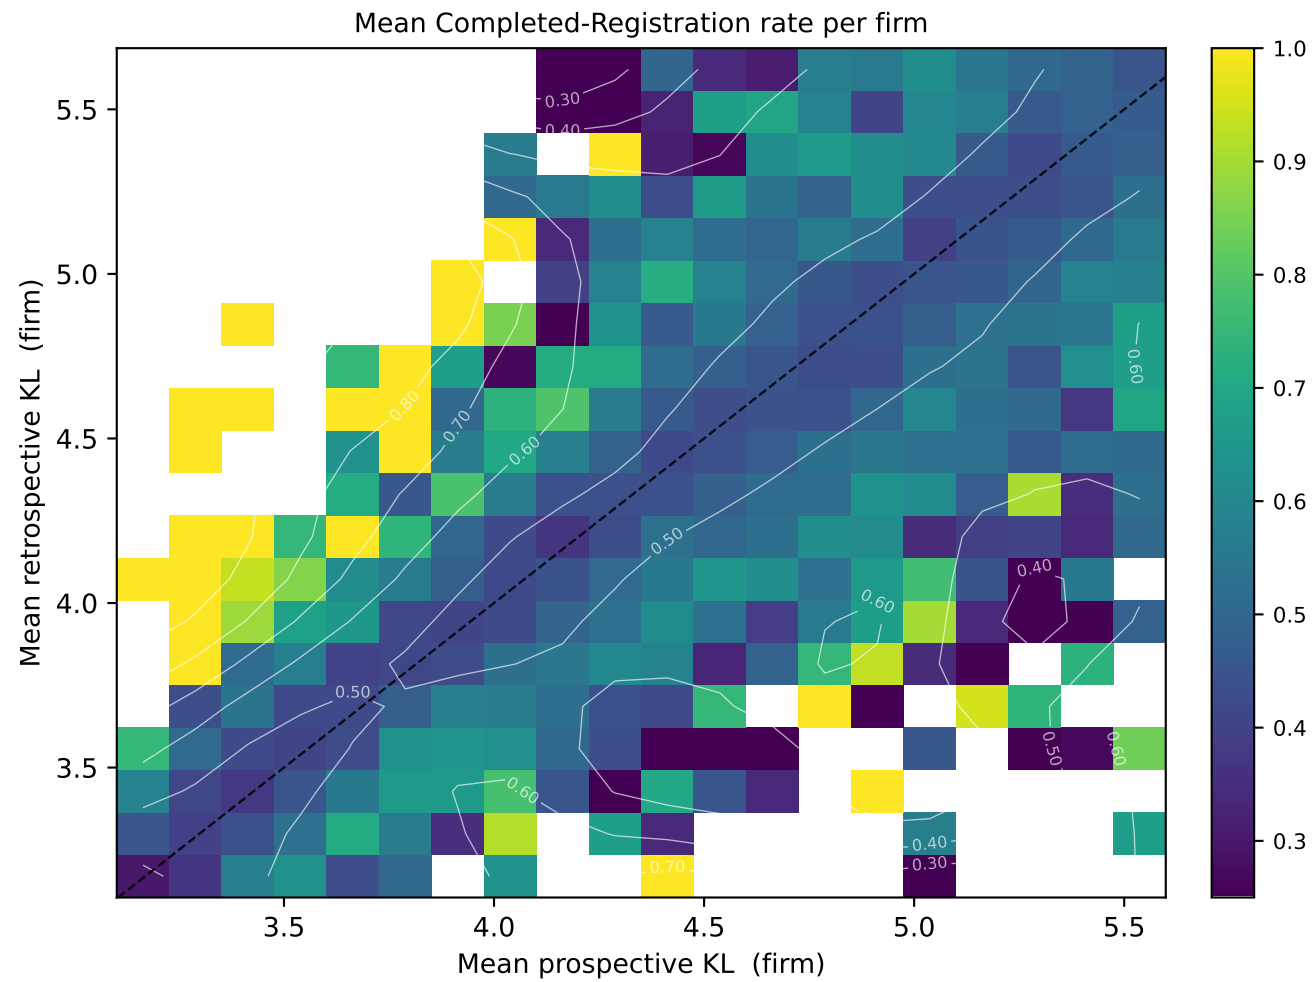

Mean Still-Live rate per firm (registered \& not cancelled)

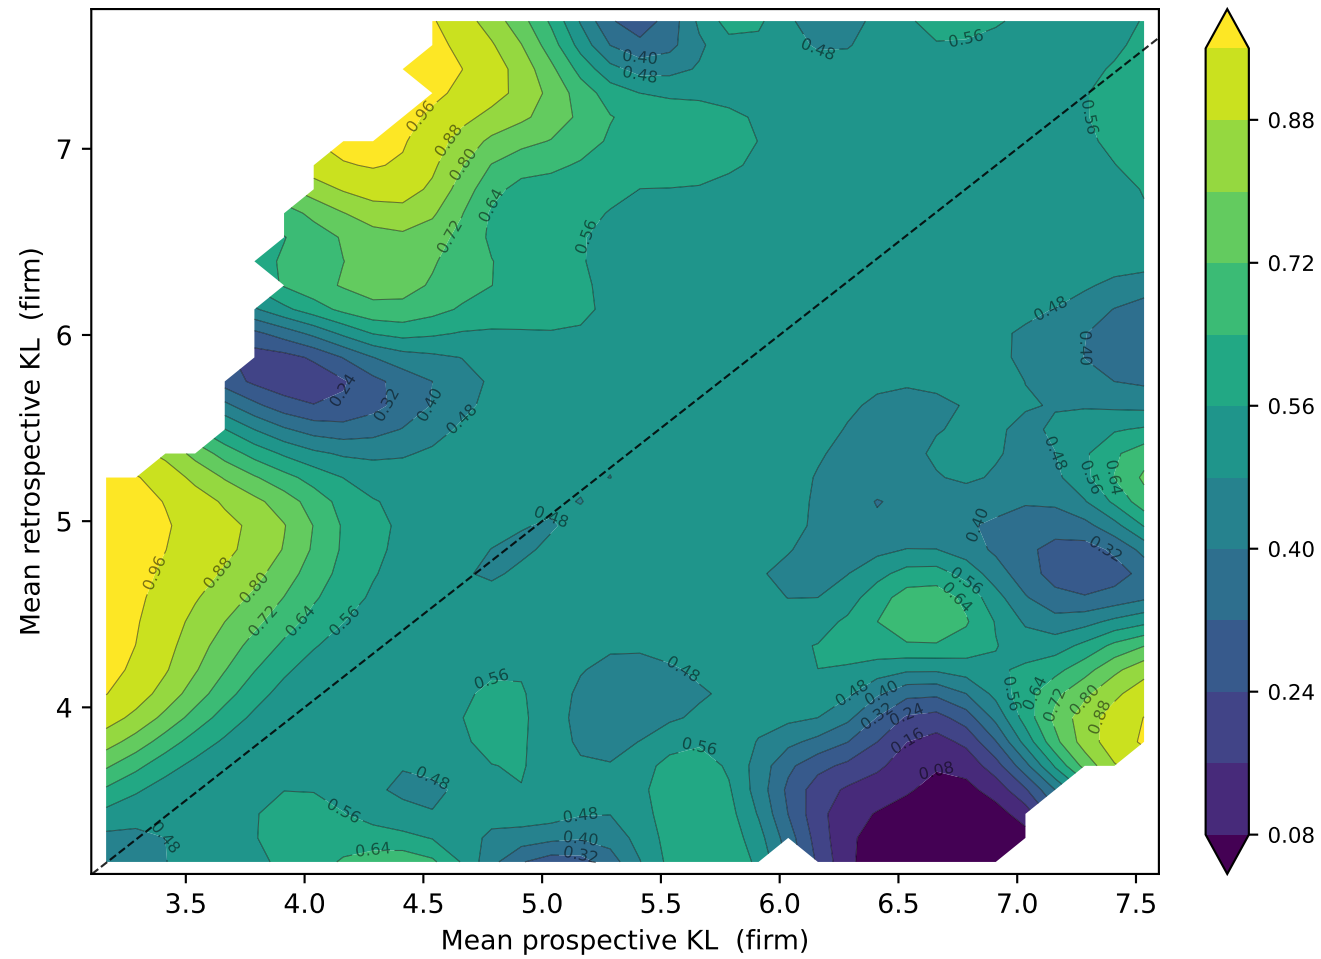

Within-firm std.\ of still-live outcomes

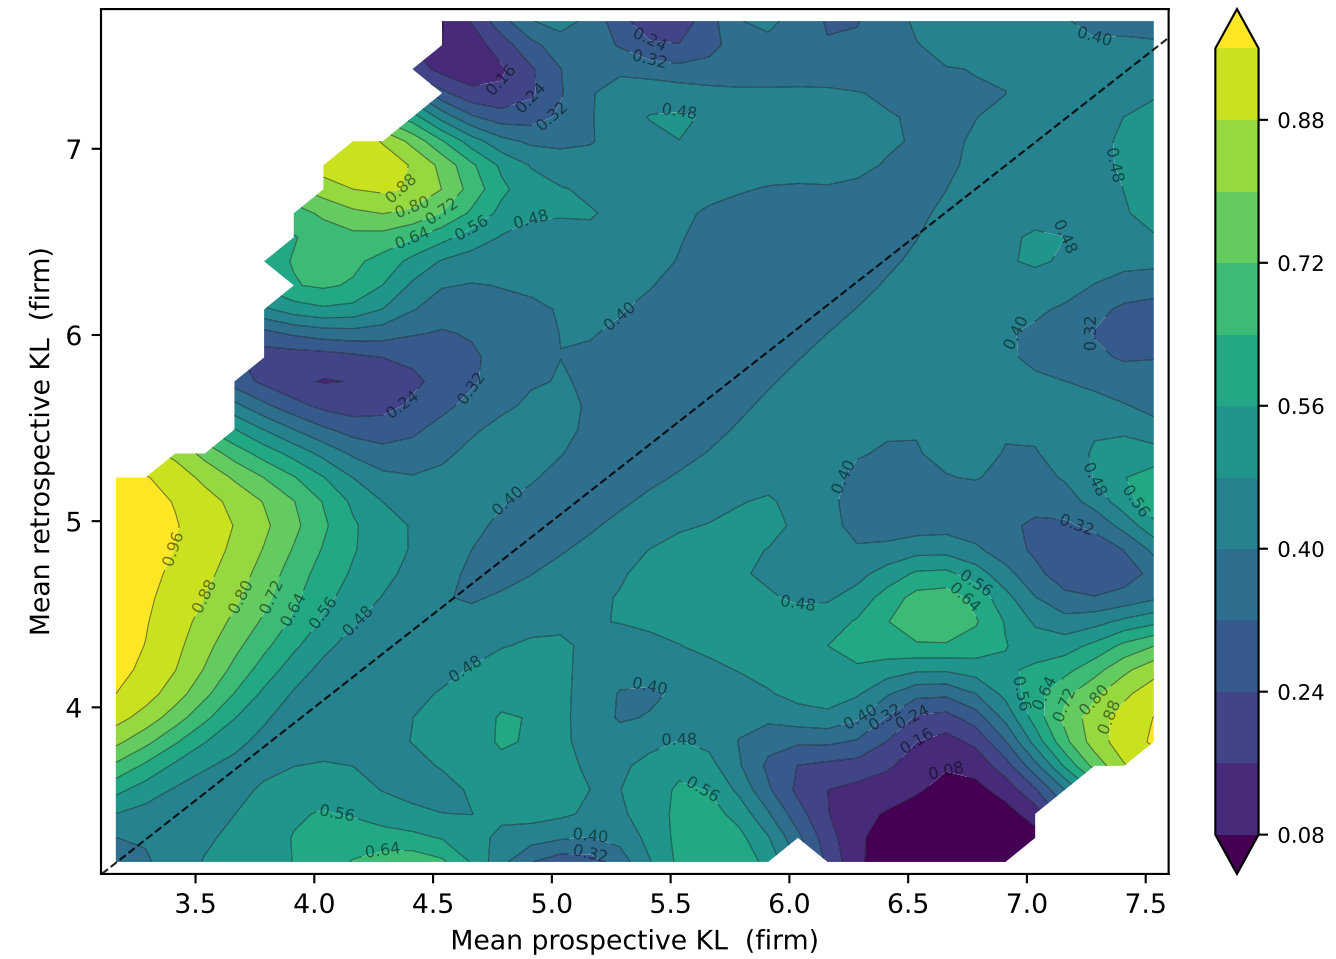

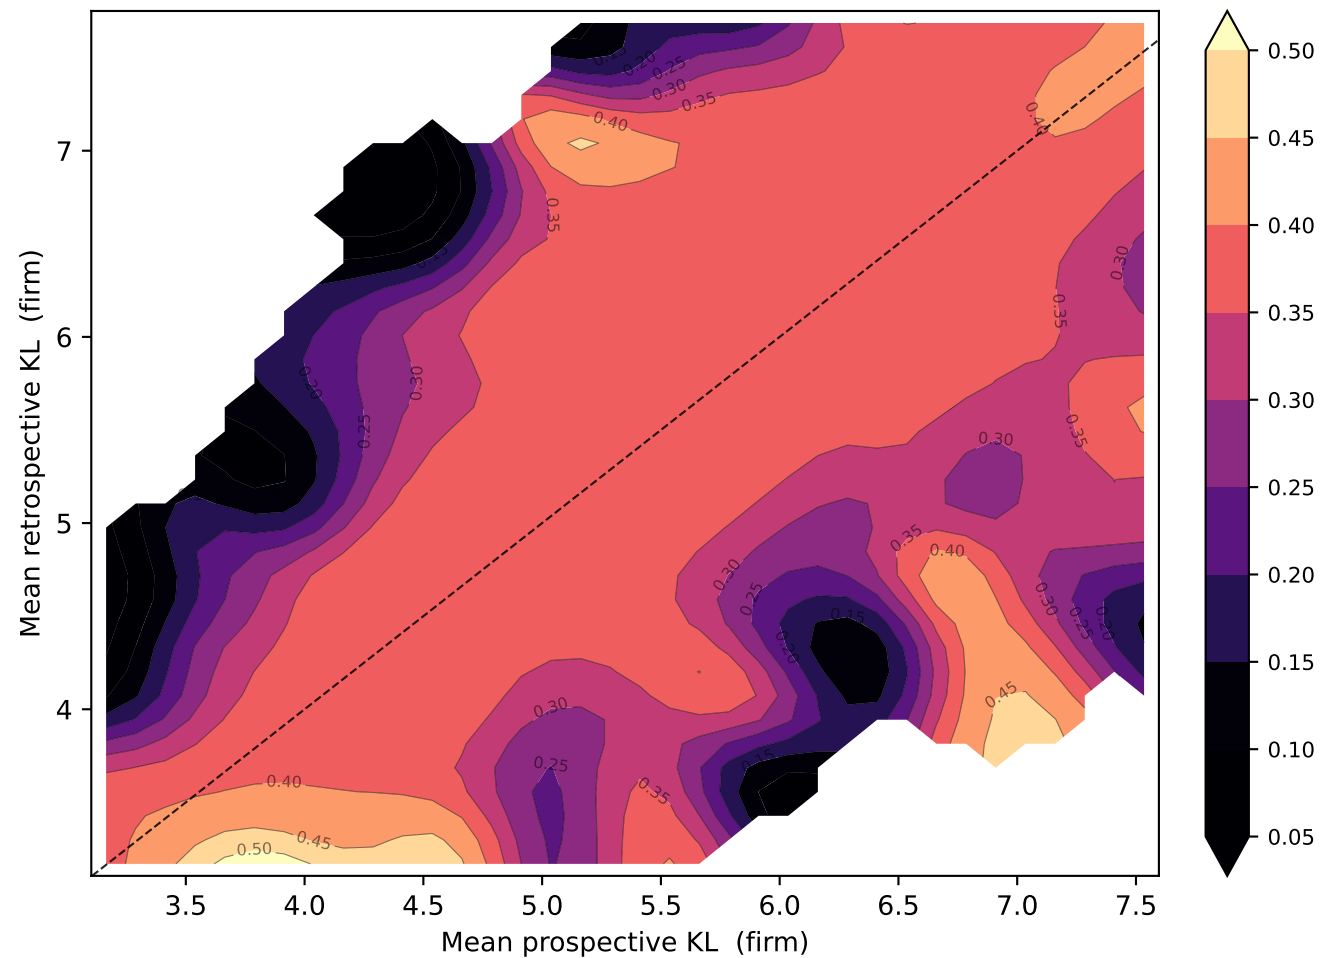

Mean Completed-Registration rate per firm

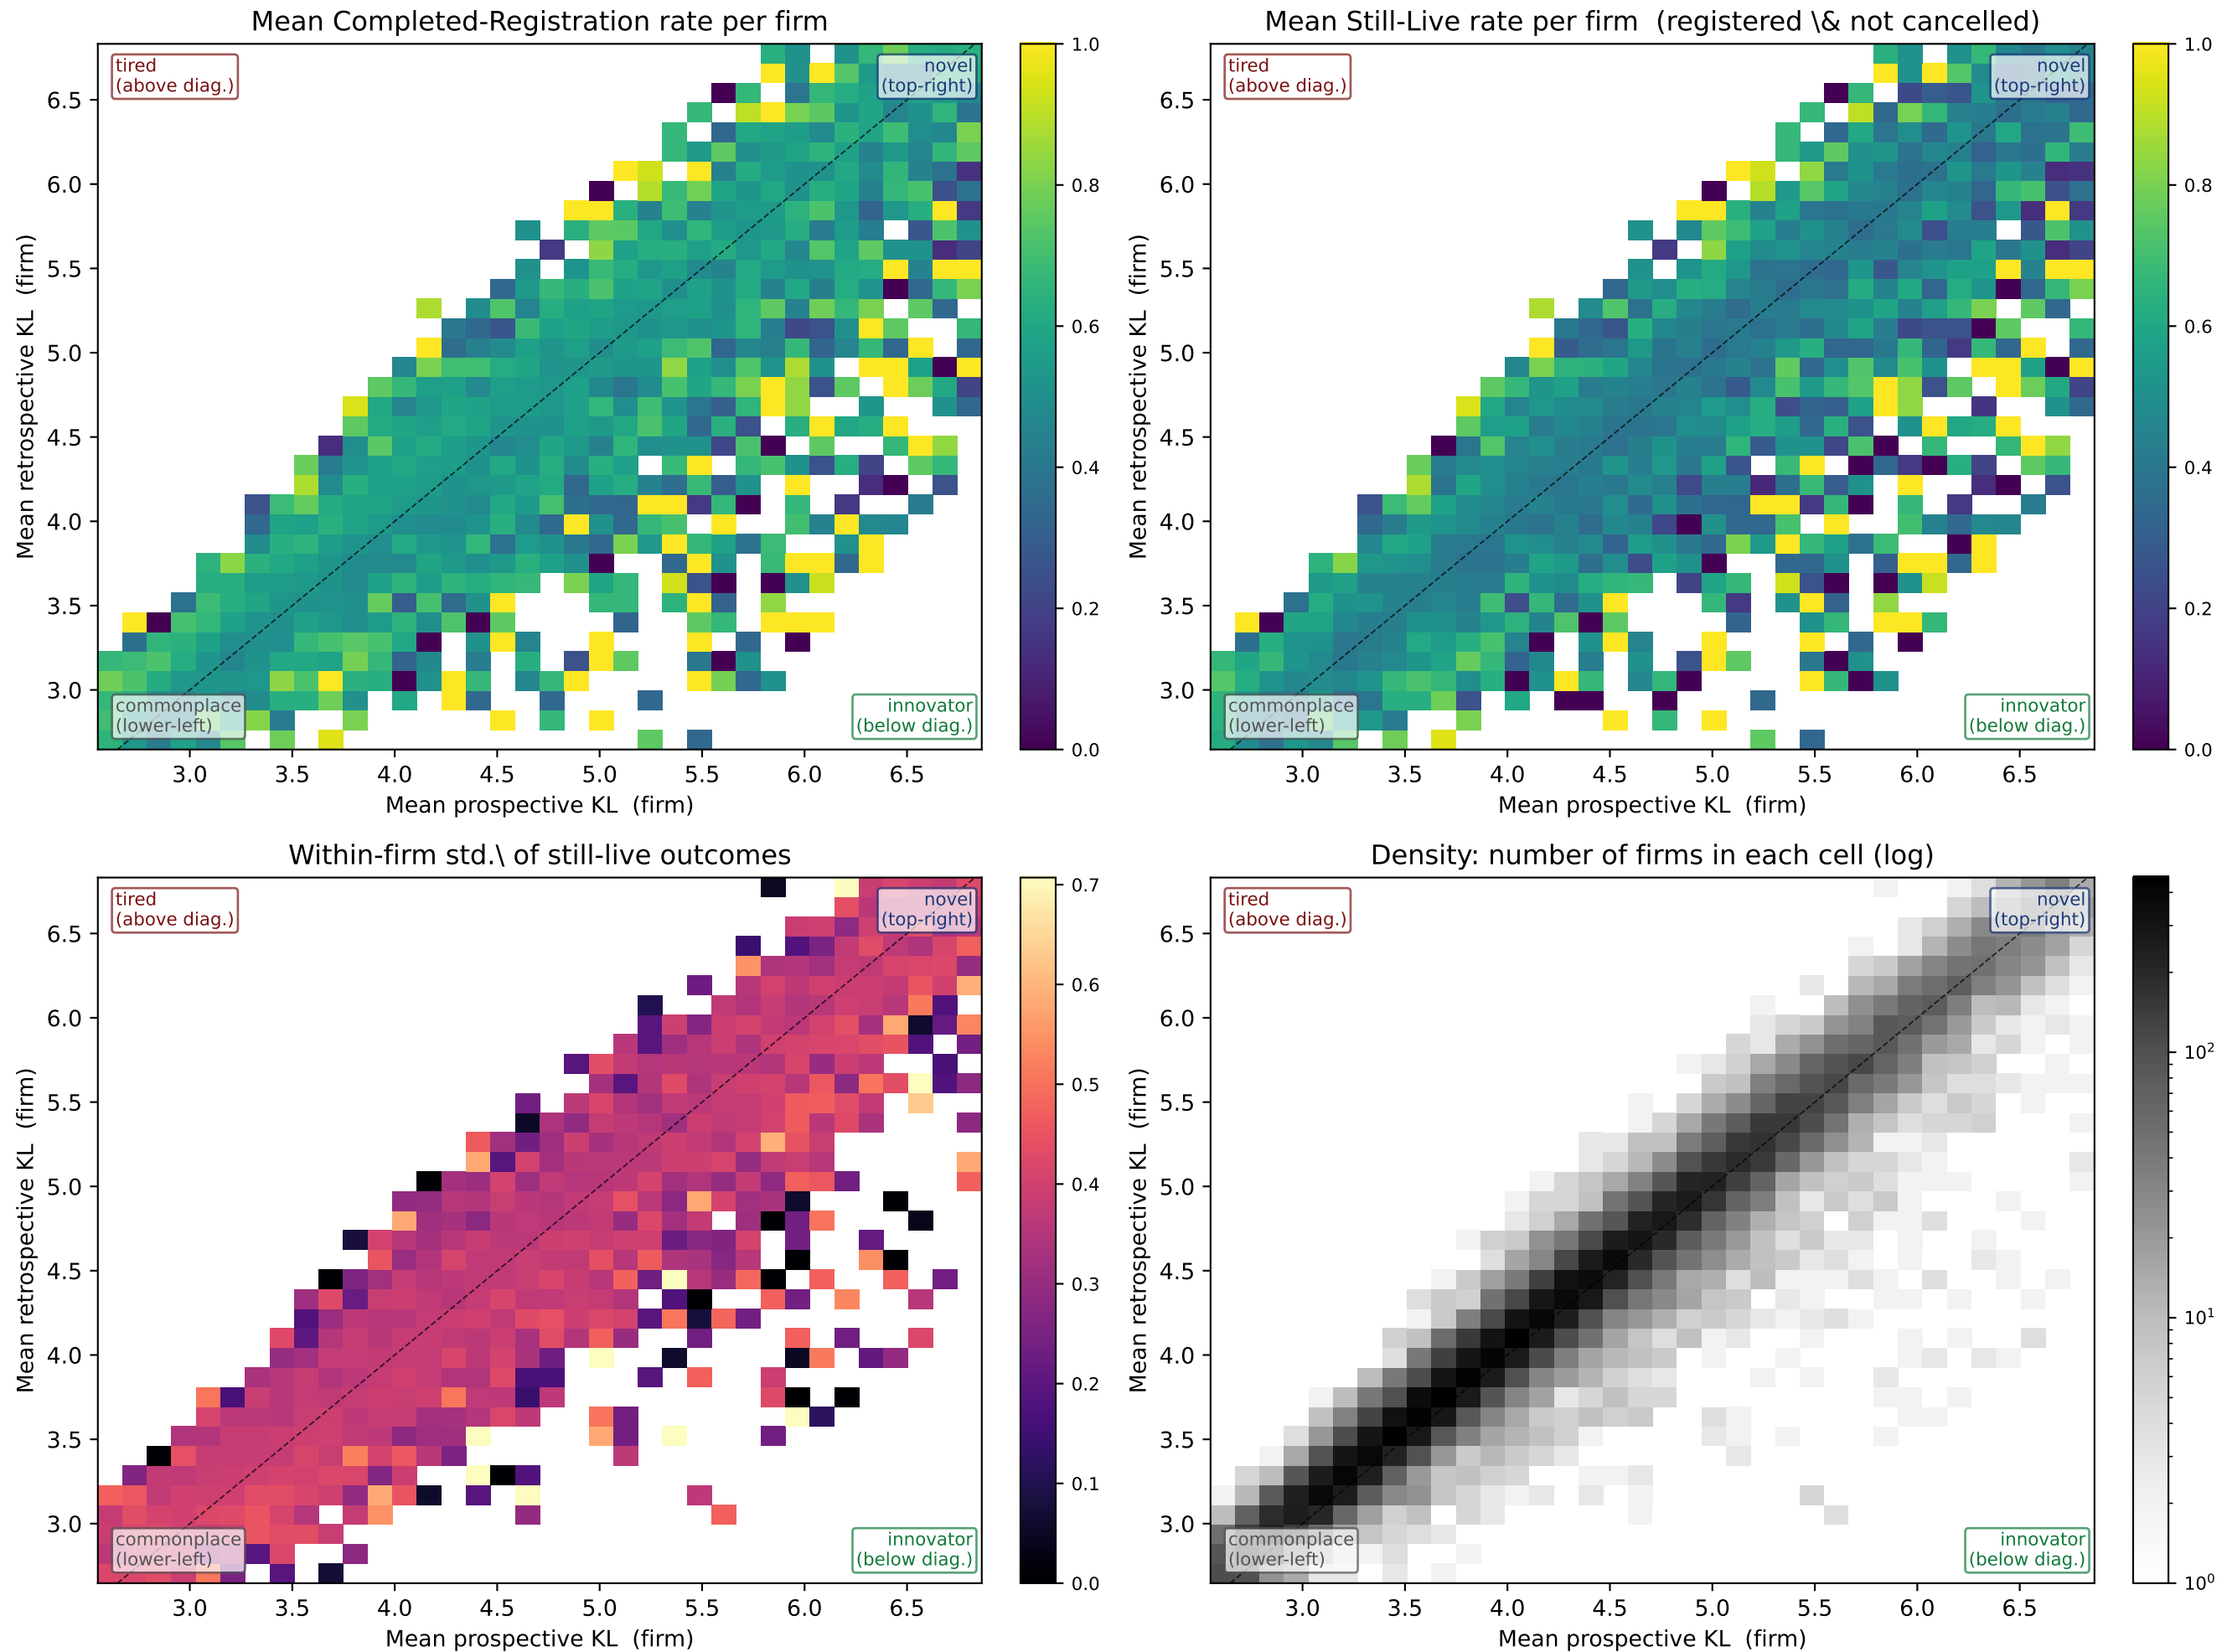

Mean Still-Live rate per firm (registered \& not cancelled)

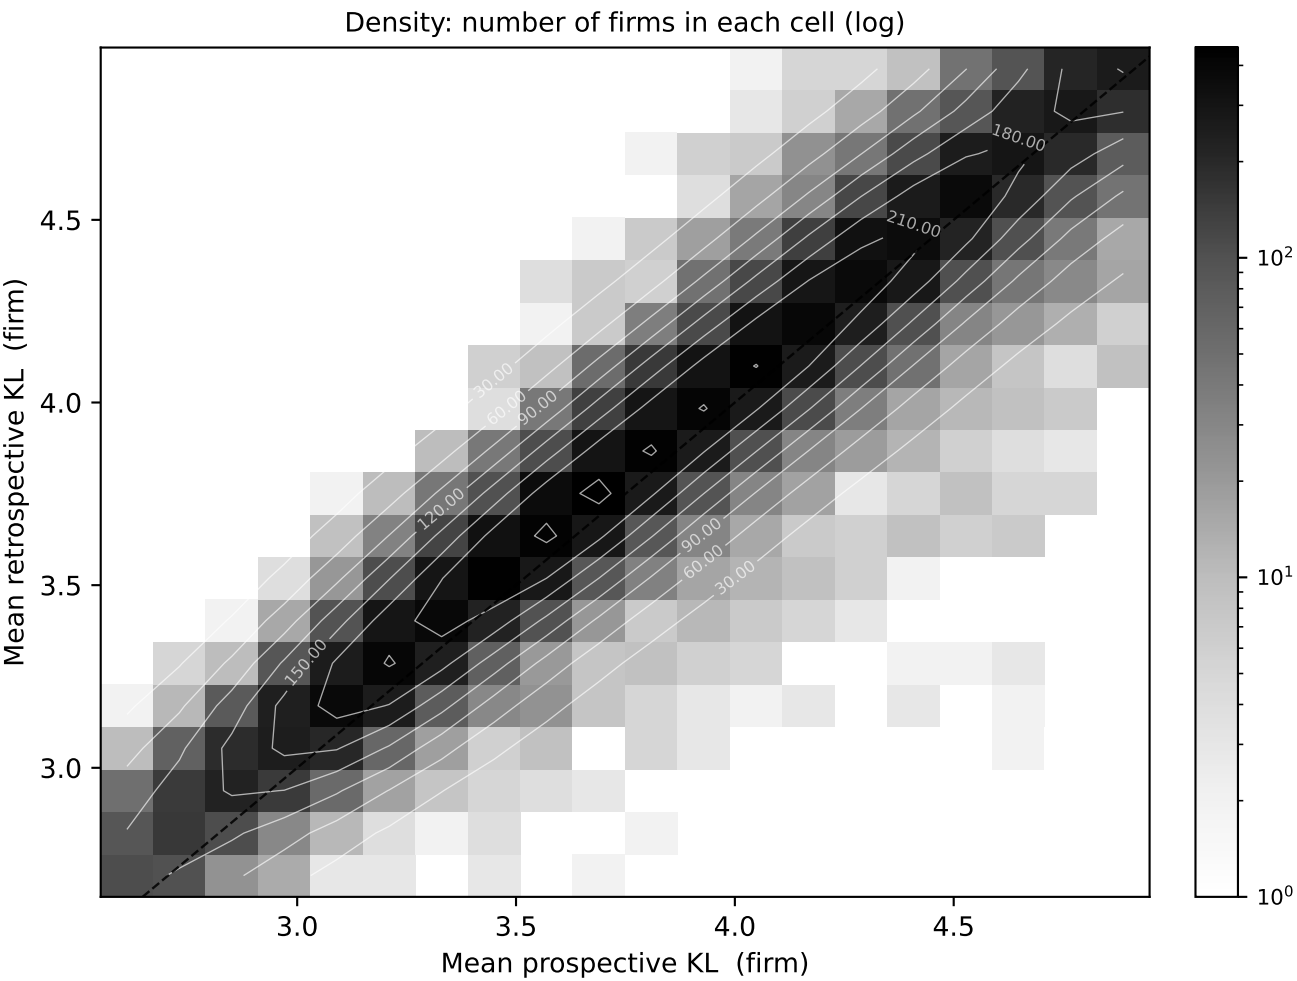

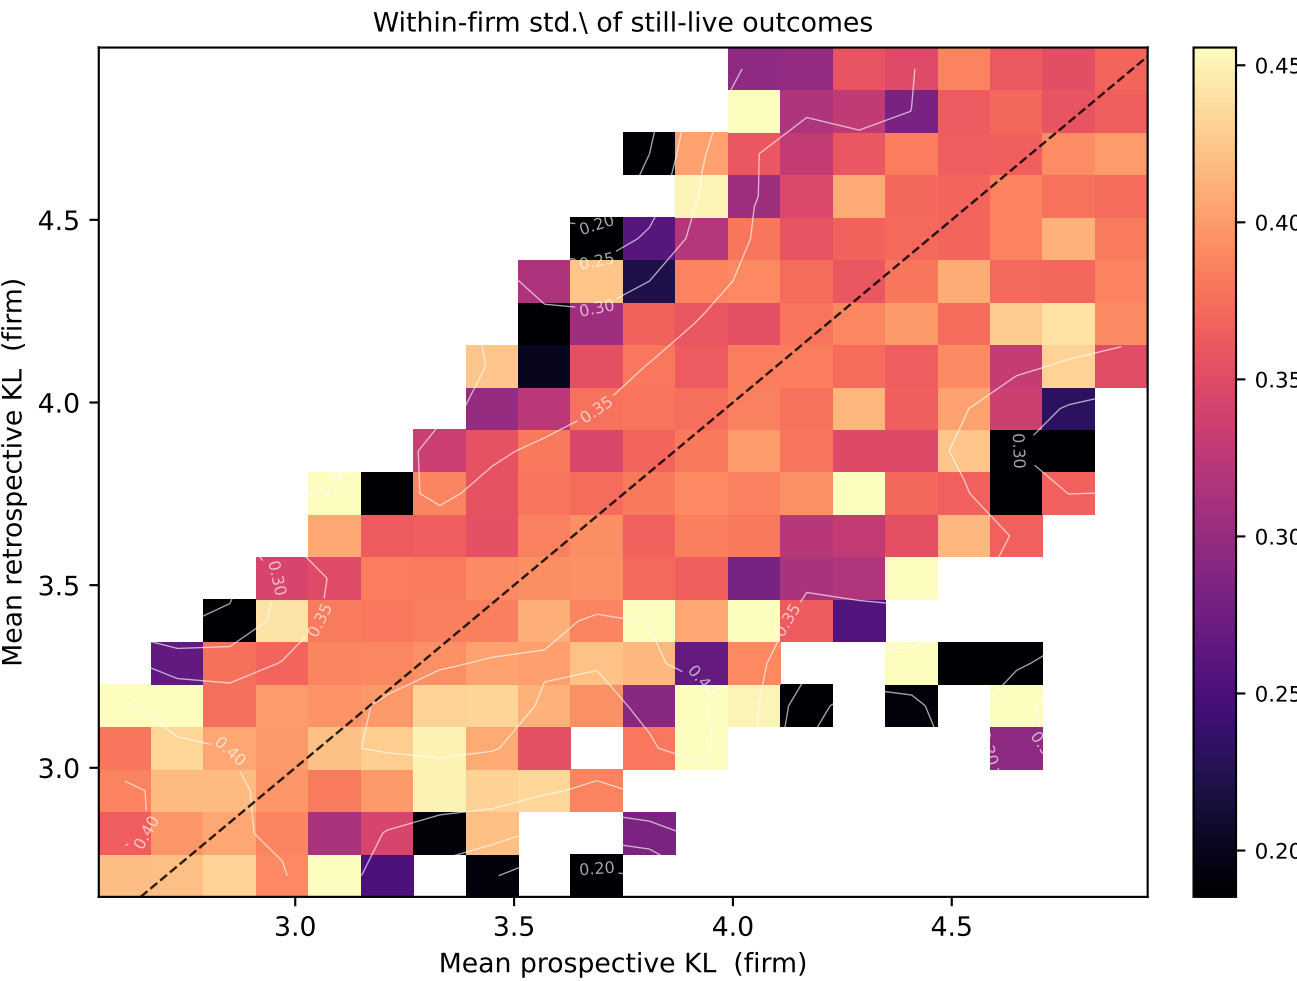

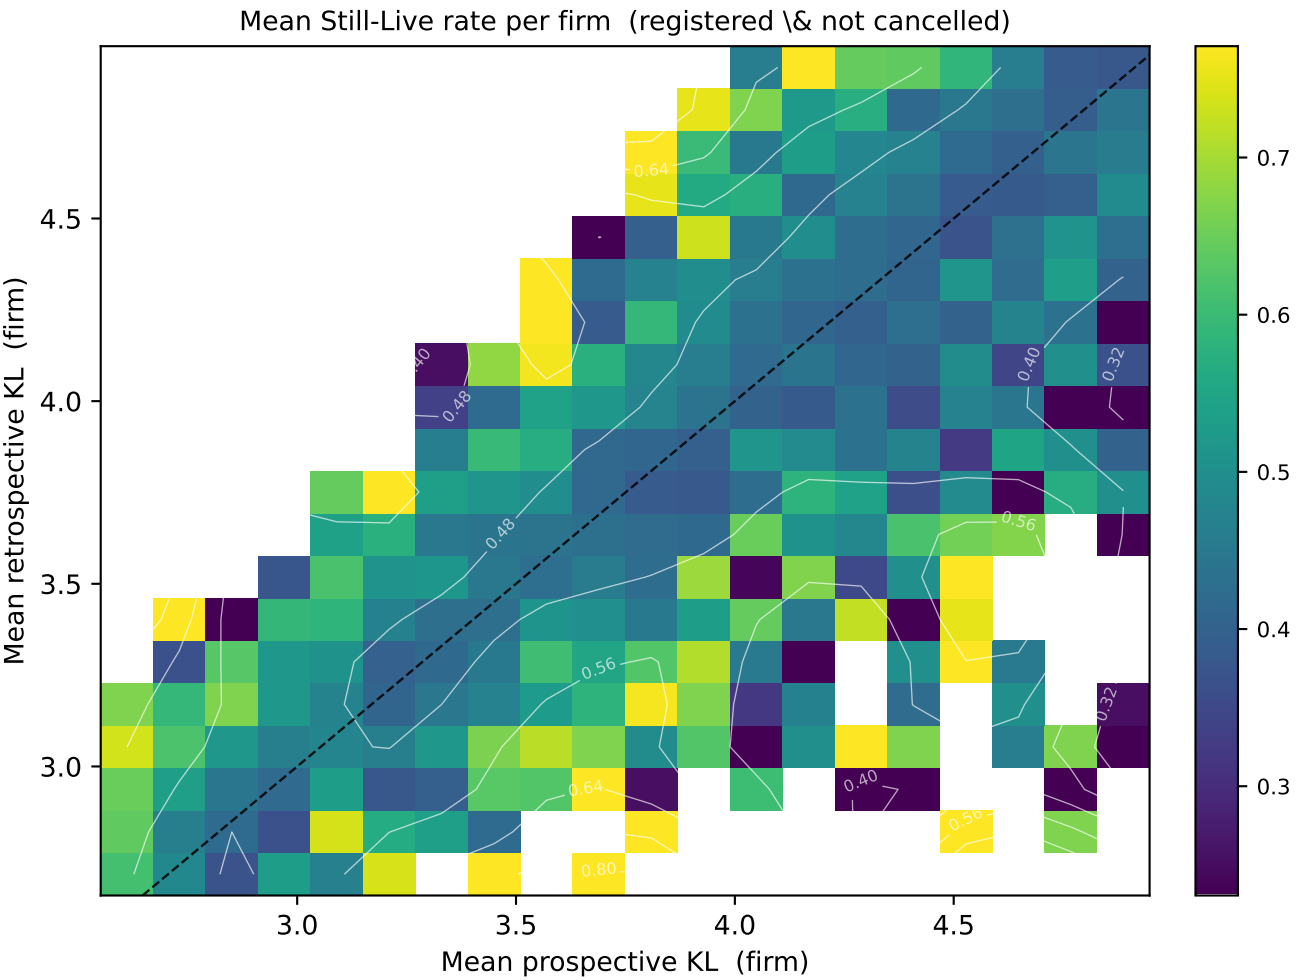

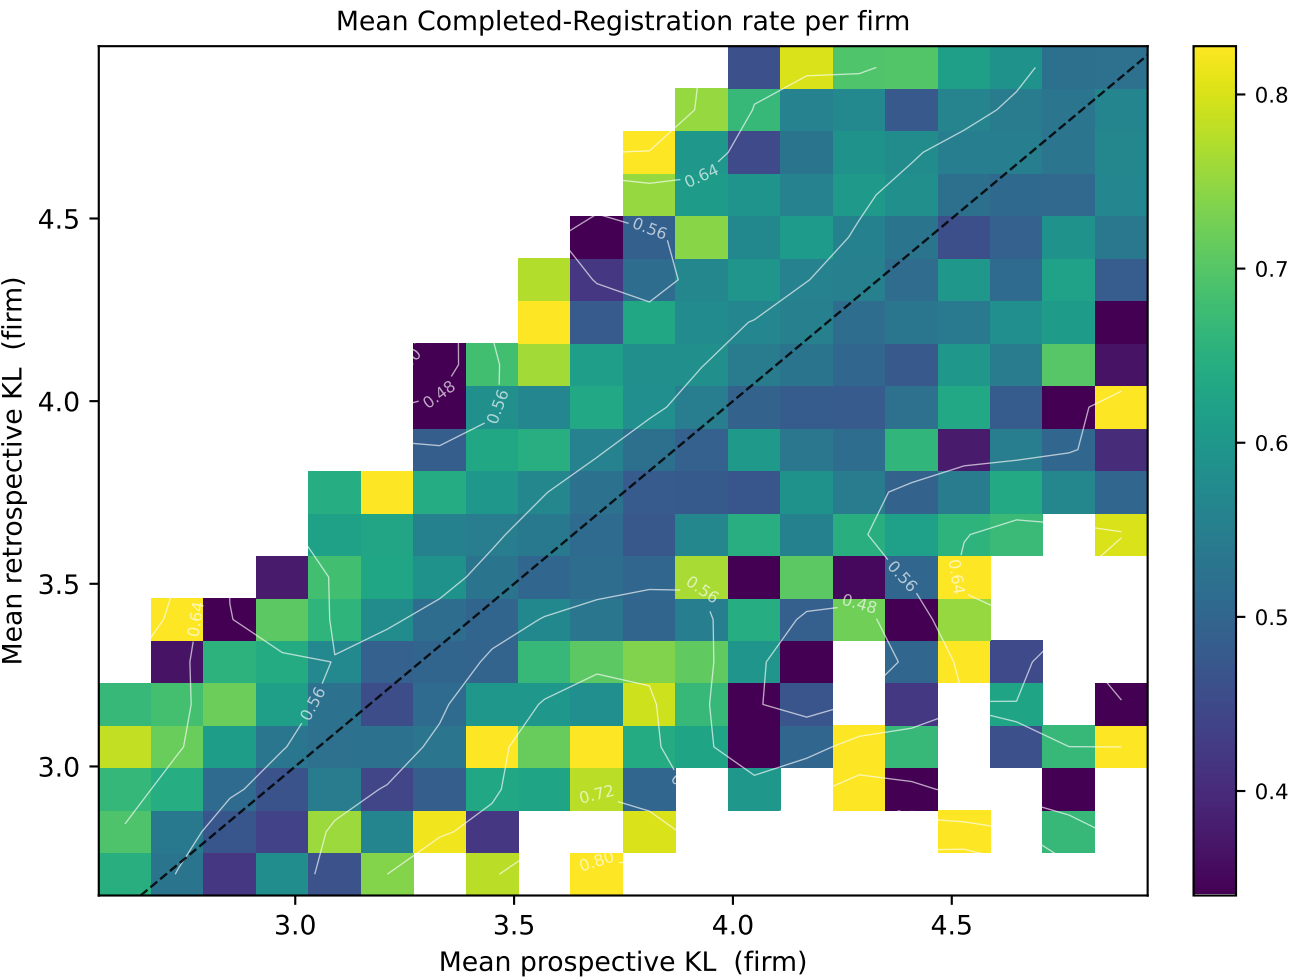

Within-firm std.\ of still-live outcomes

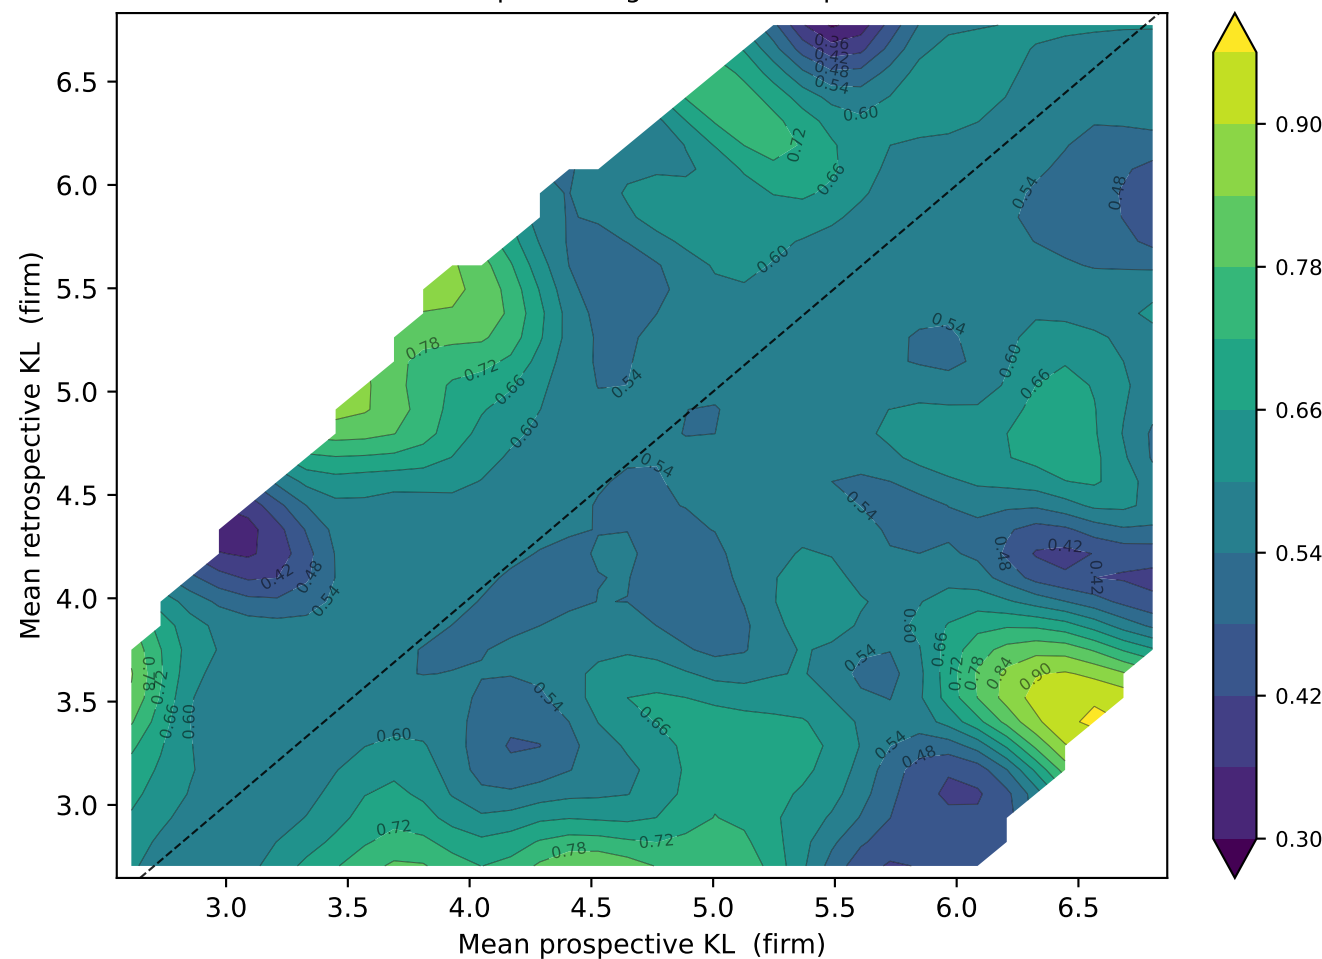

Class 025 — Clothing, Footwear & Headwear — 497,199 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=28,228 firms

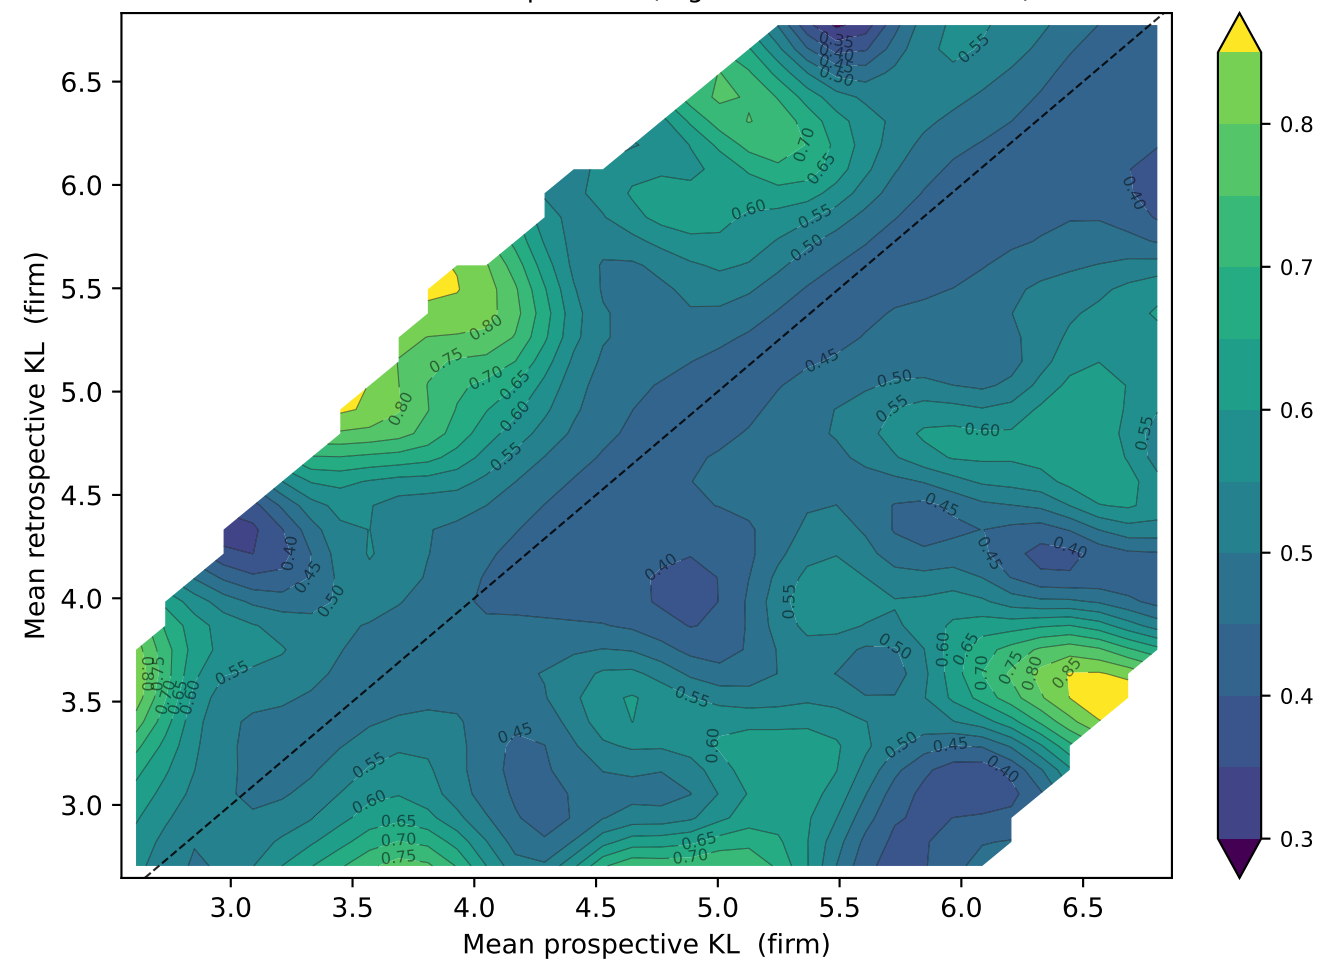

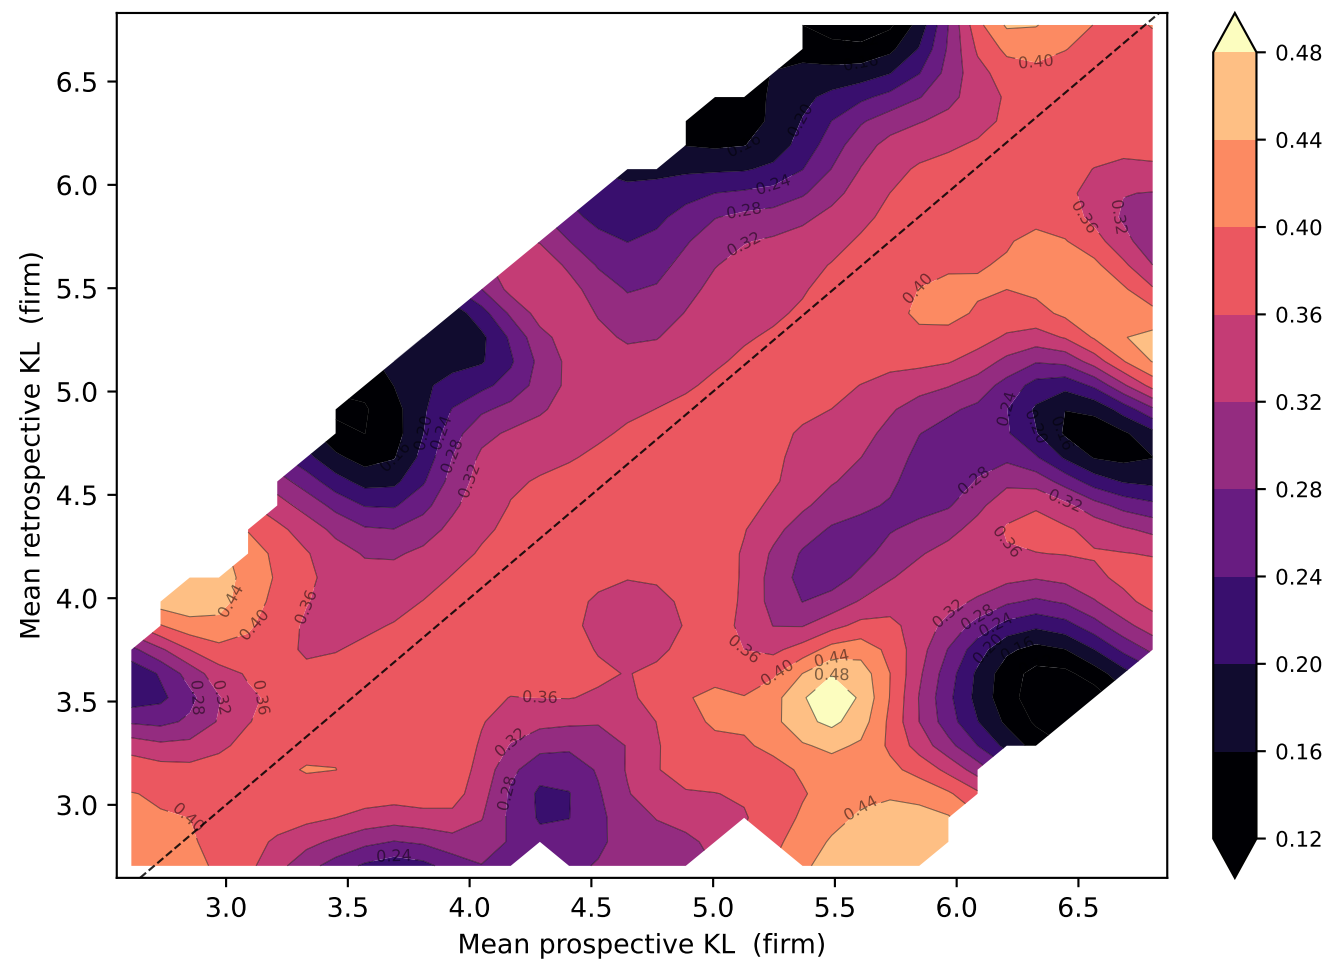

Mean Completed-Registration rate per firm

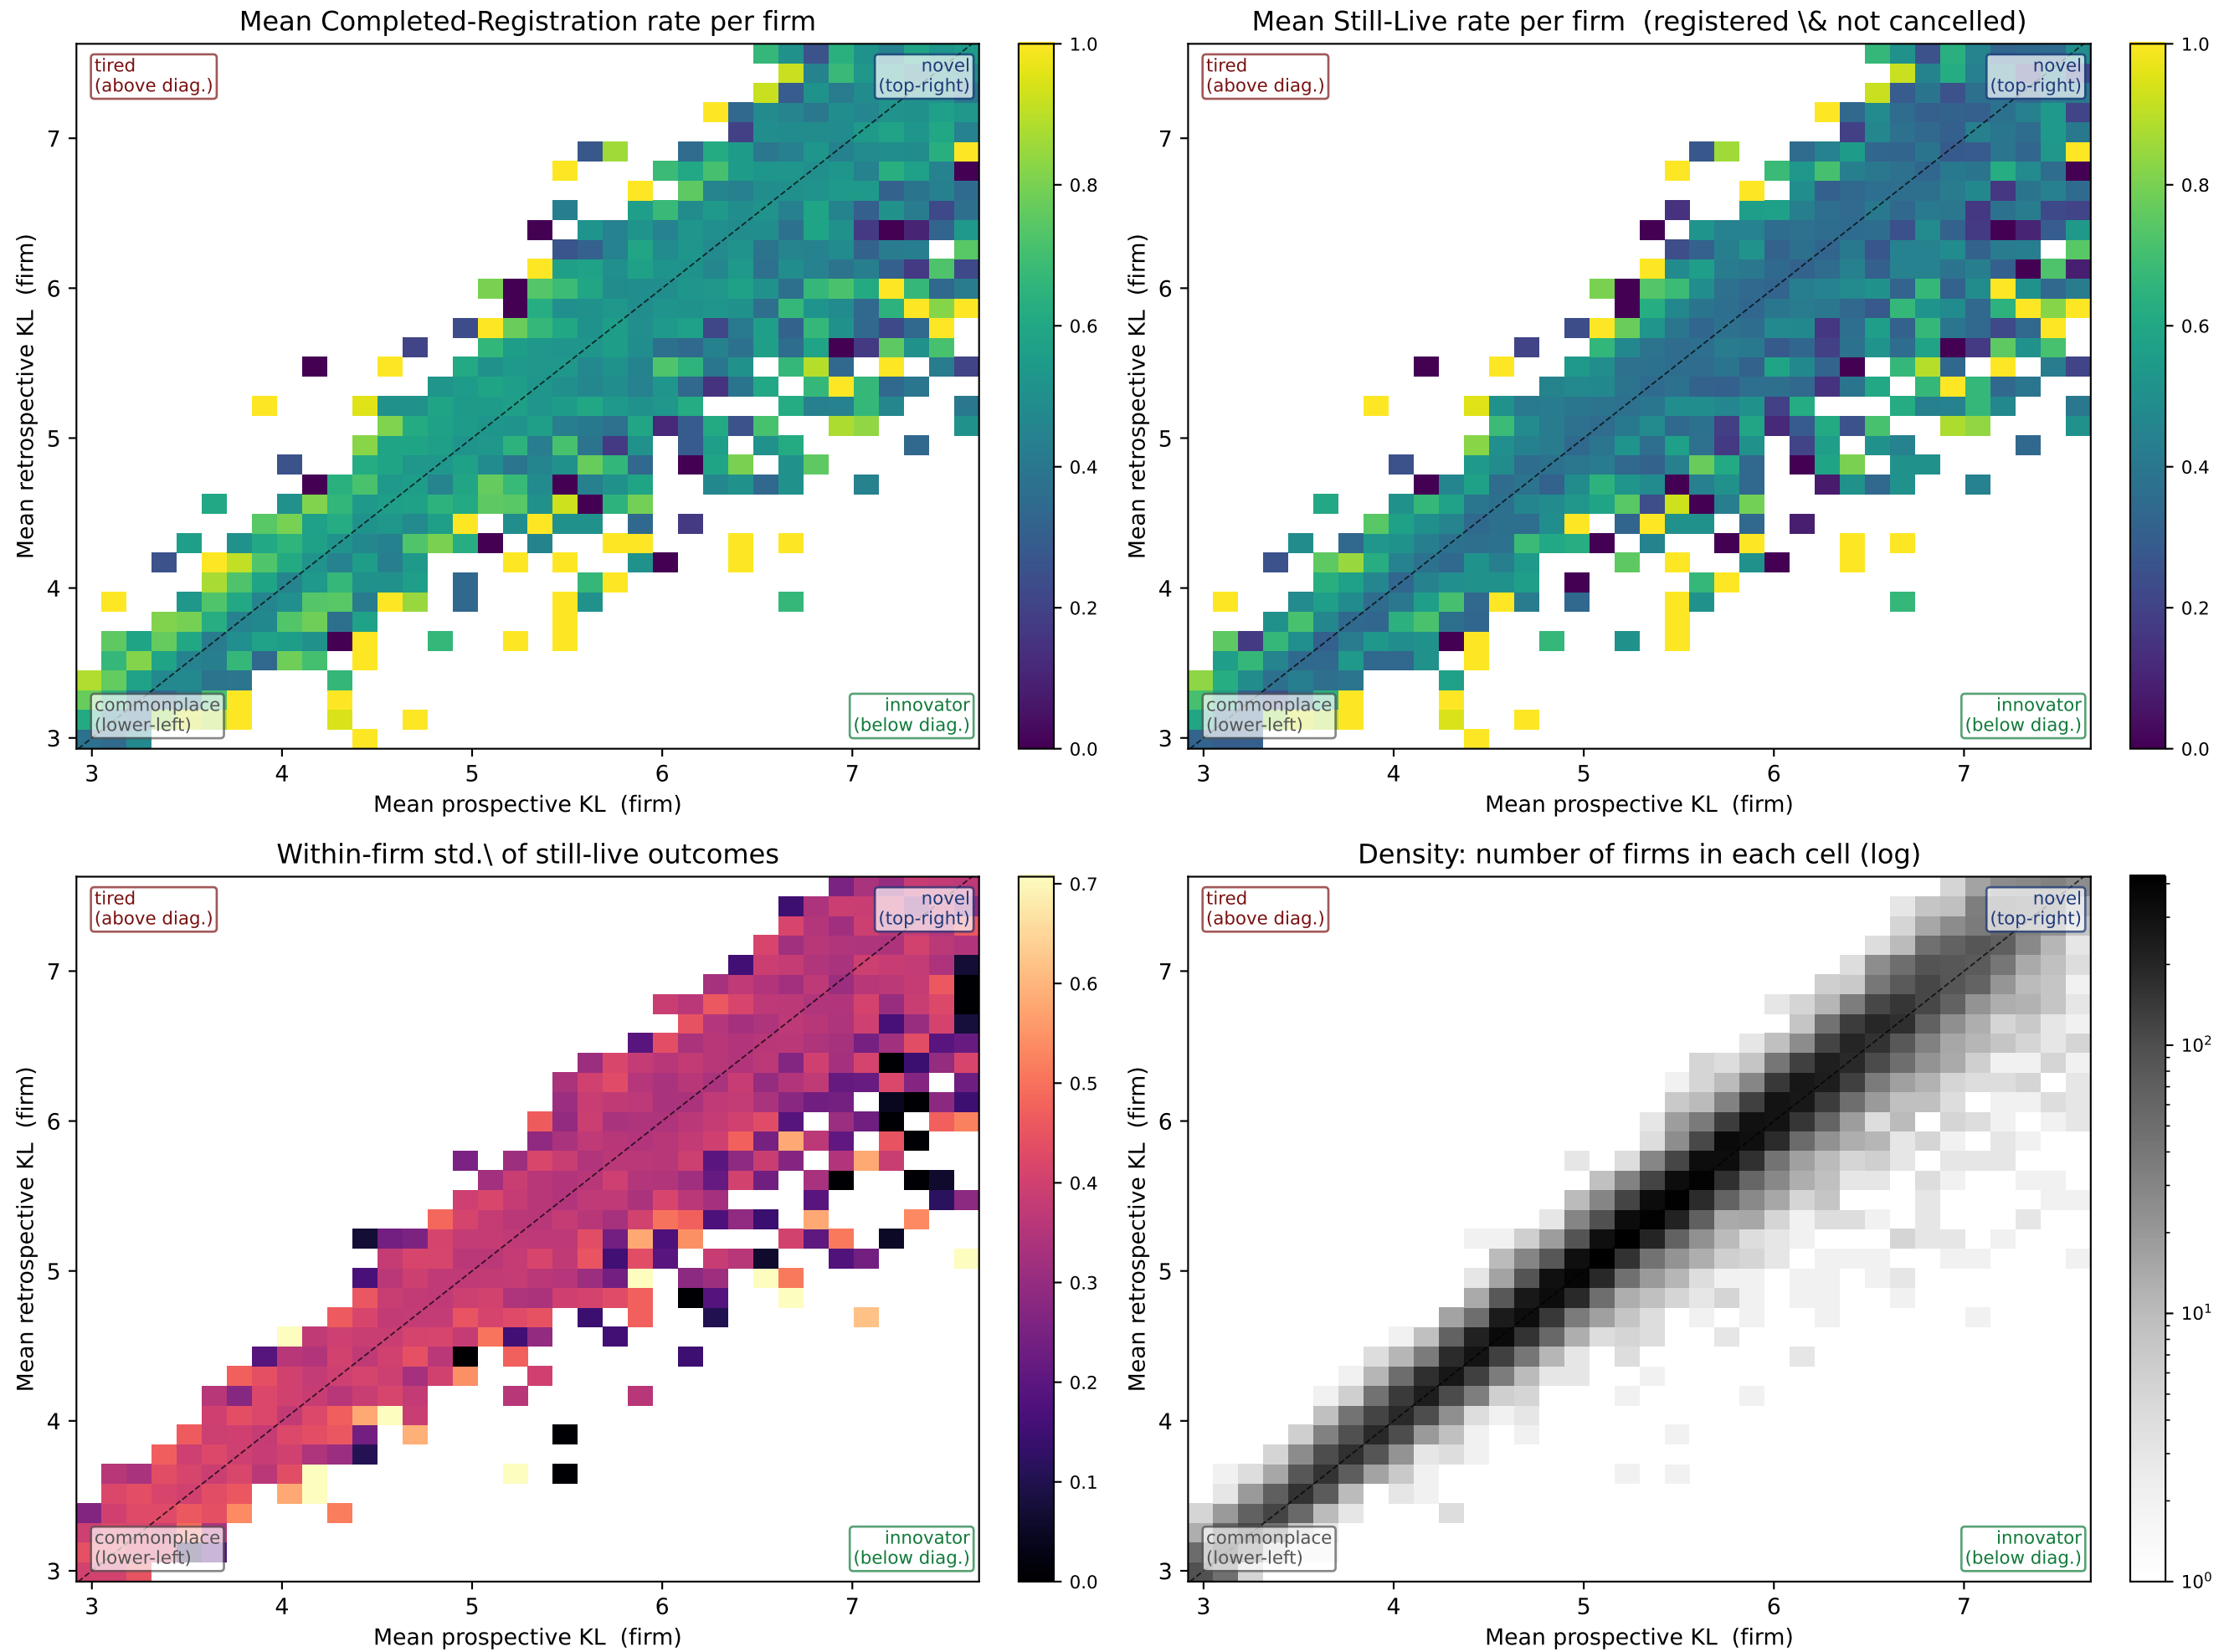

Mean Still-Live rate per firm (registered & not cancelled)

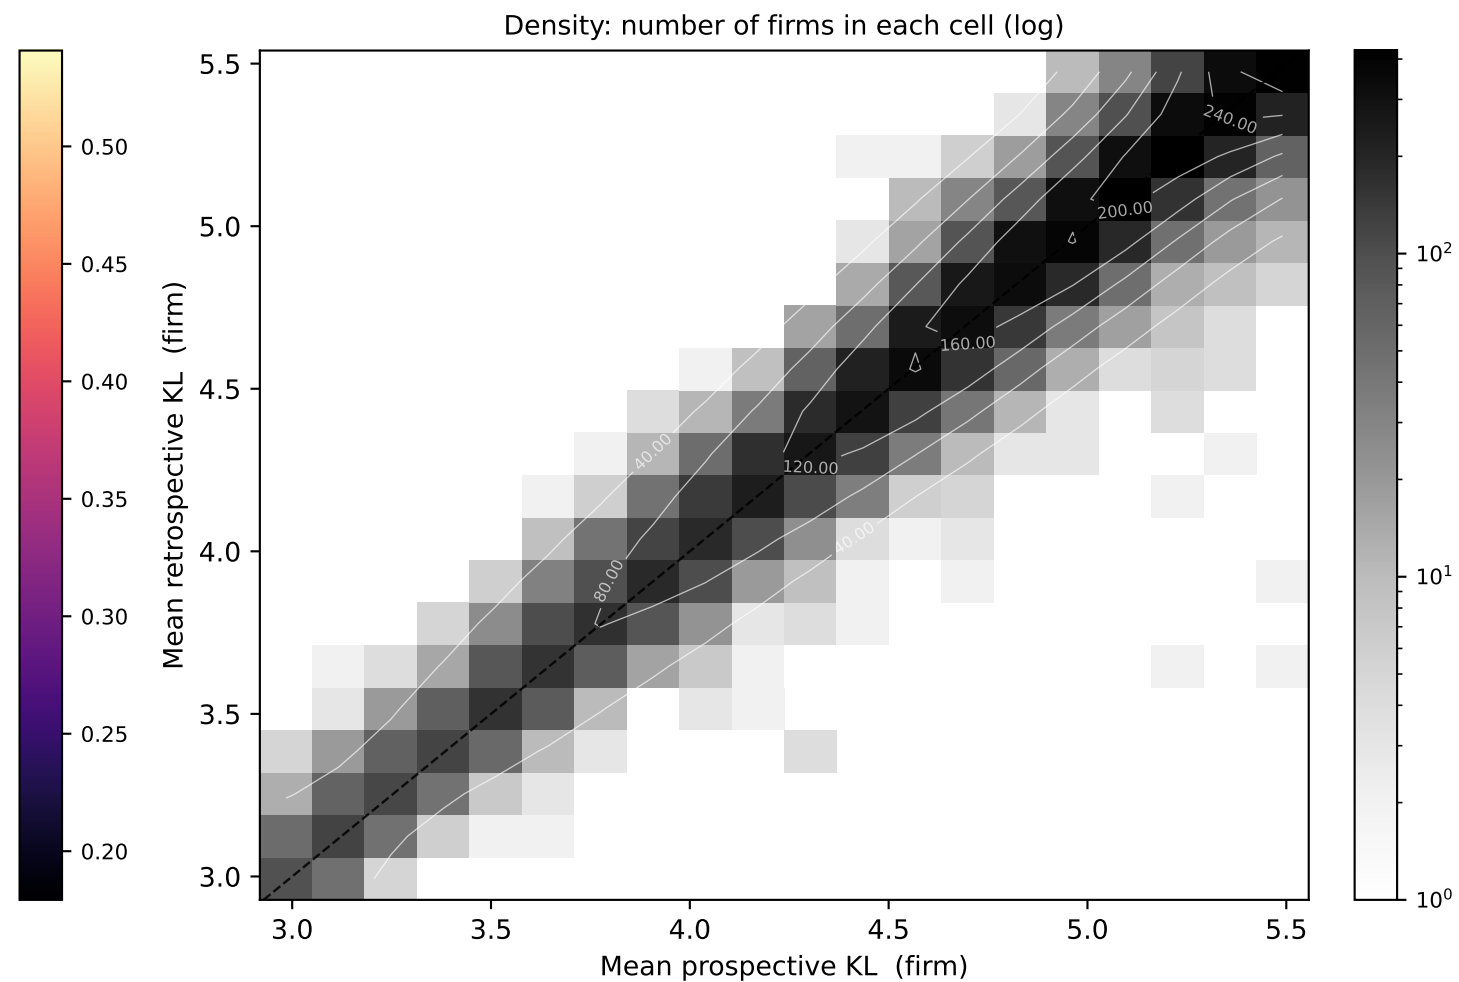

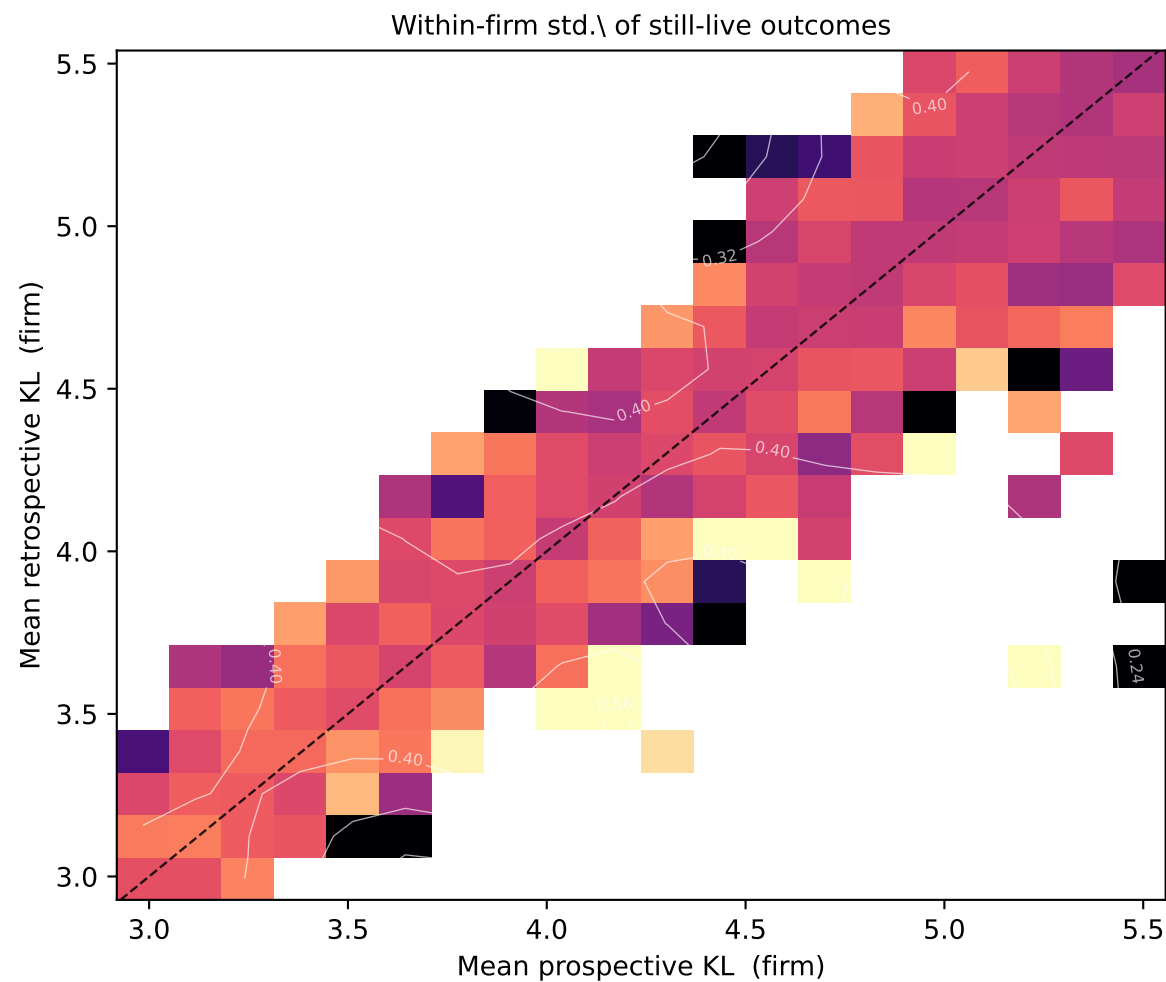

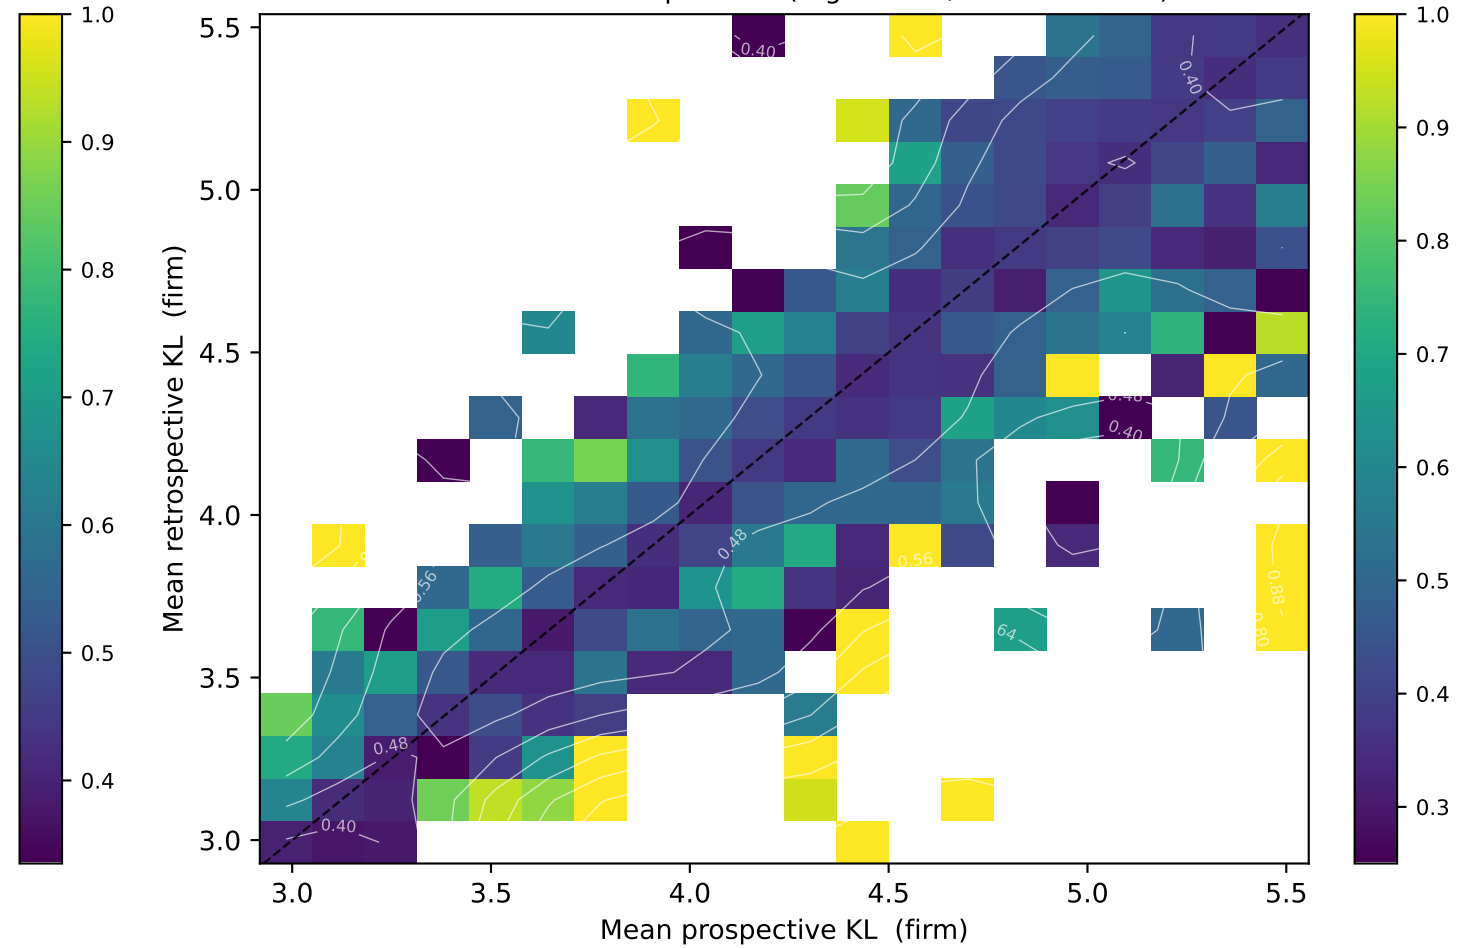

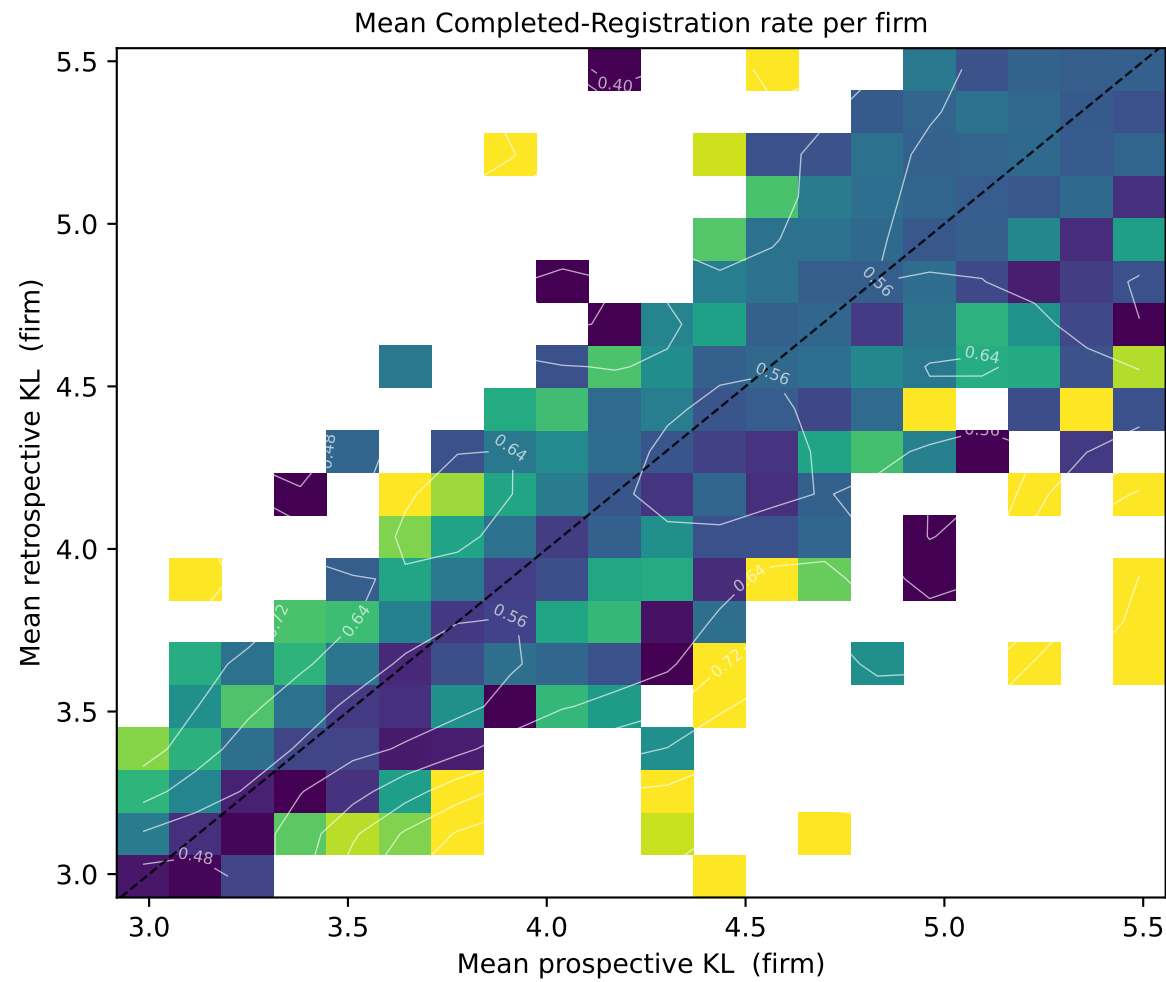

Within-firm std.\ of still-live outcomes

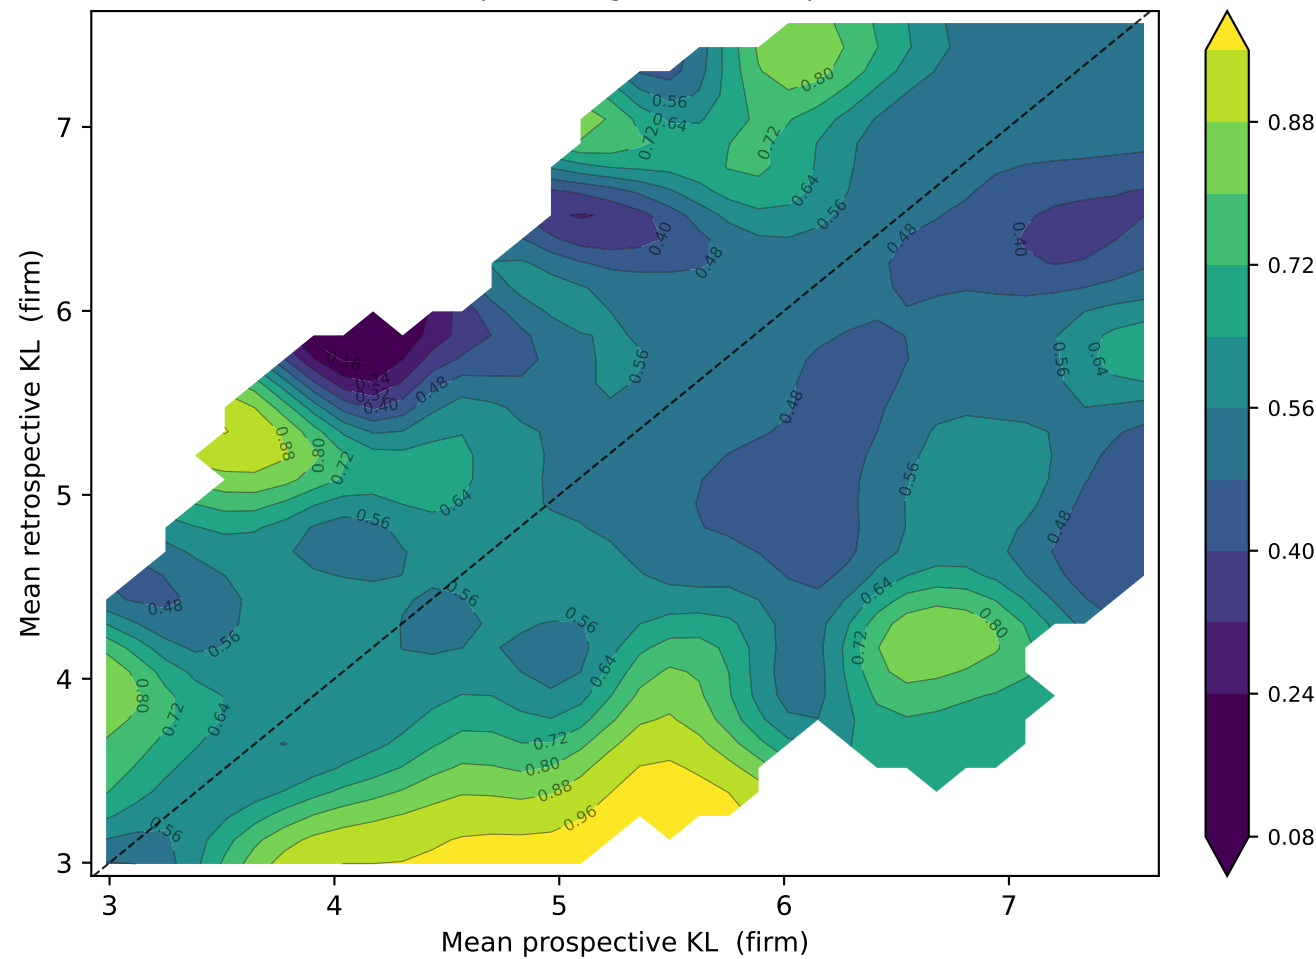

Class 016 — Paper, Print & Office — 381,126 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=23,994 firms

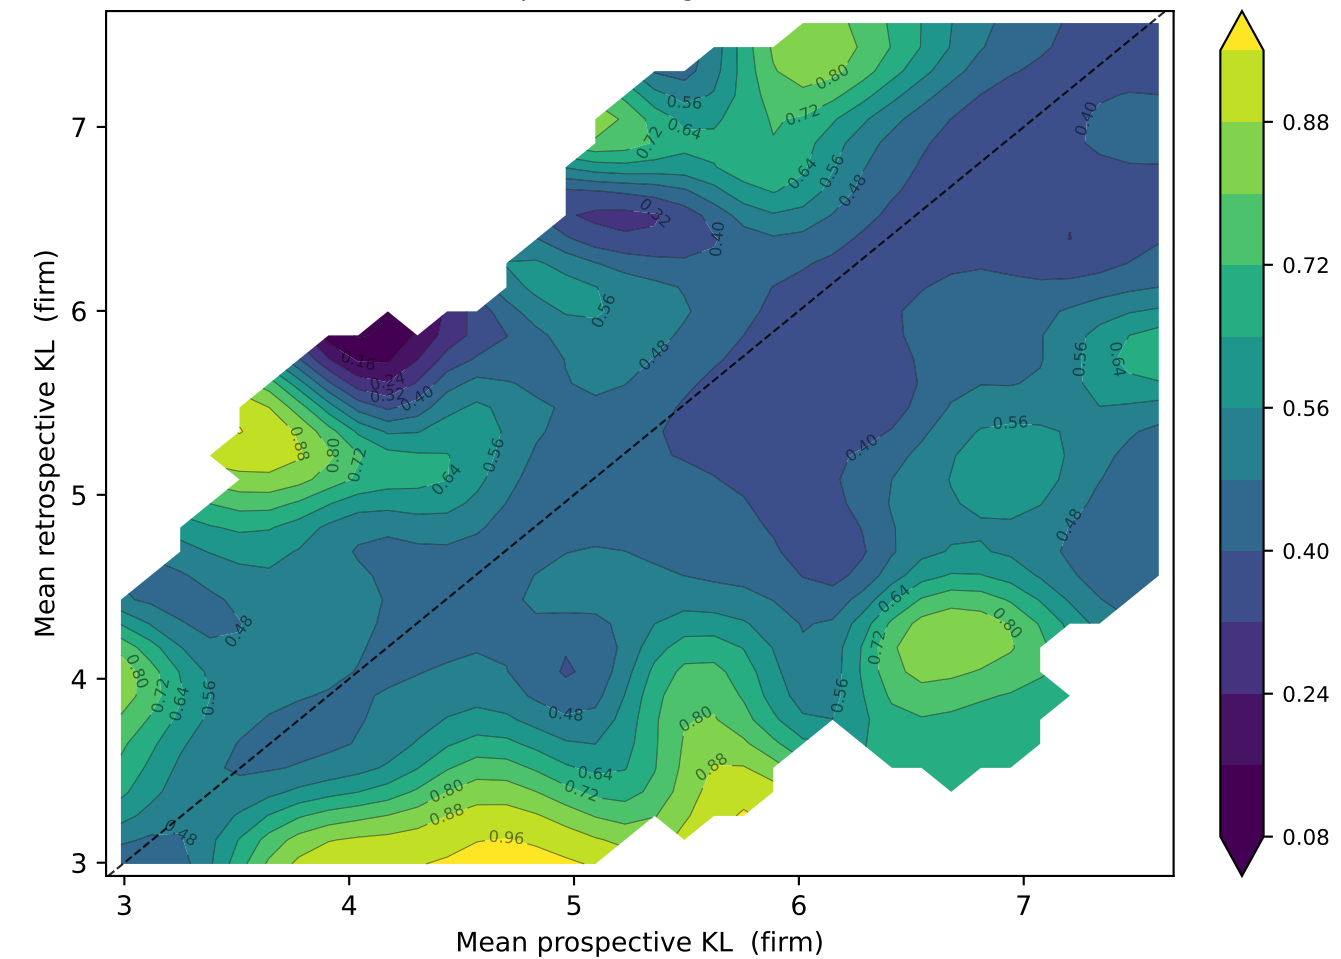

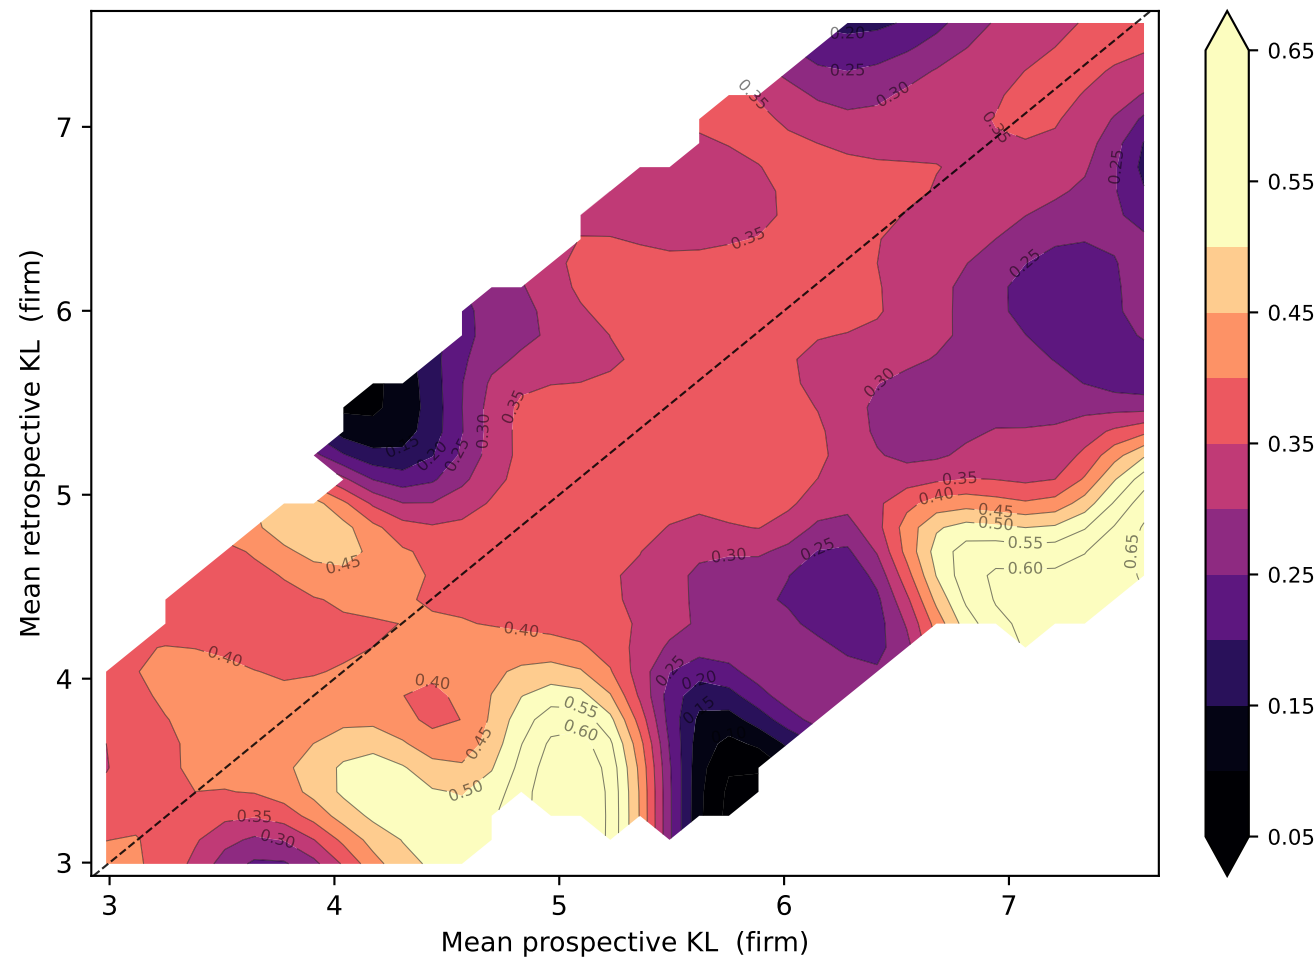

Mean Completed-Registration rate per firm

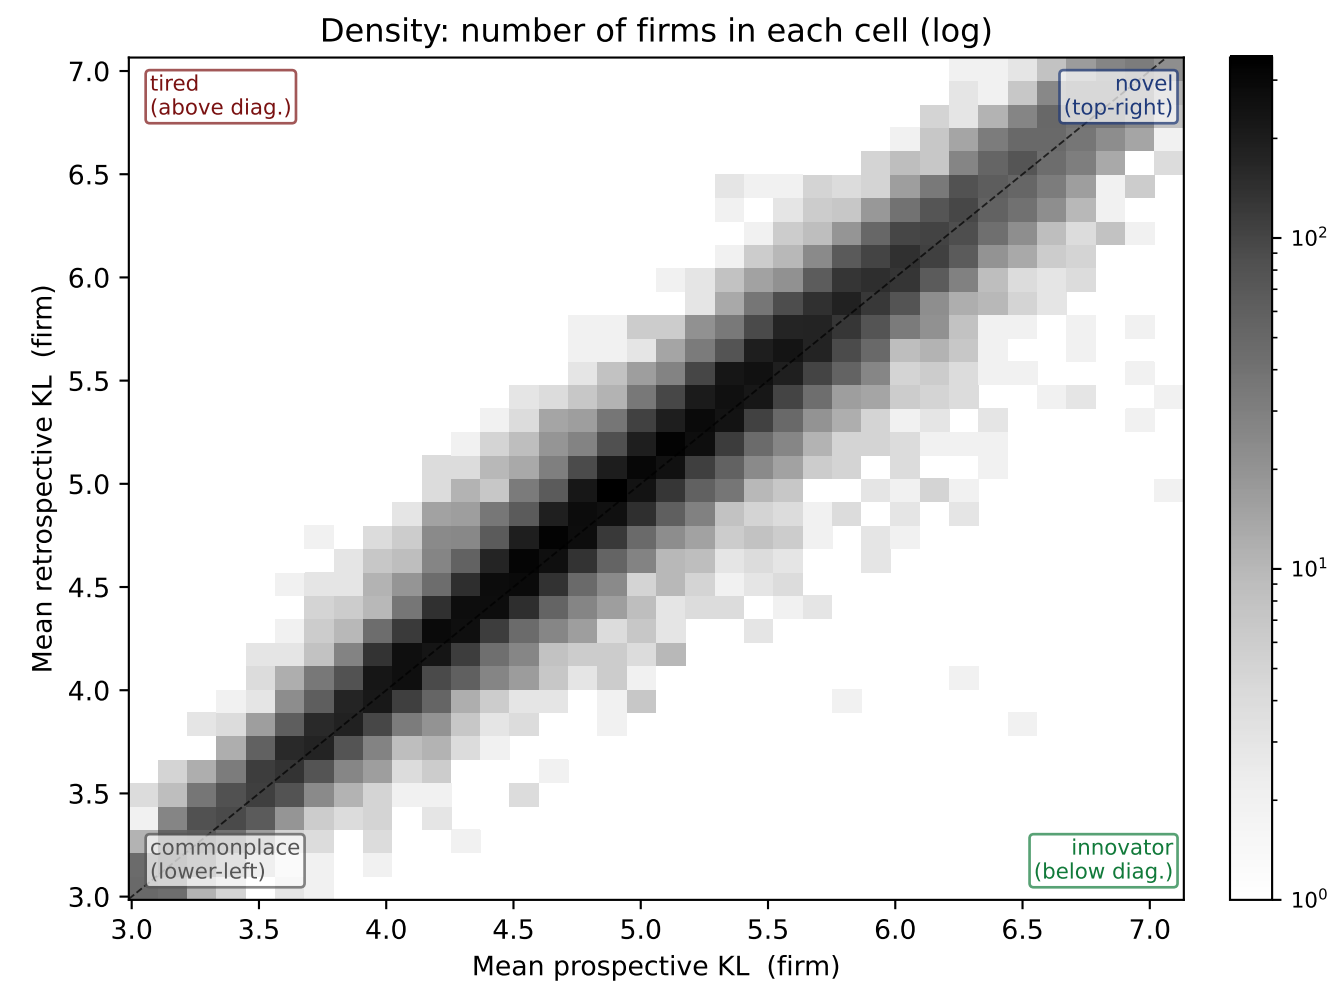

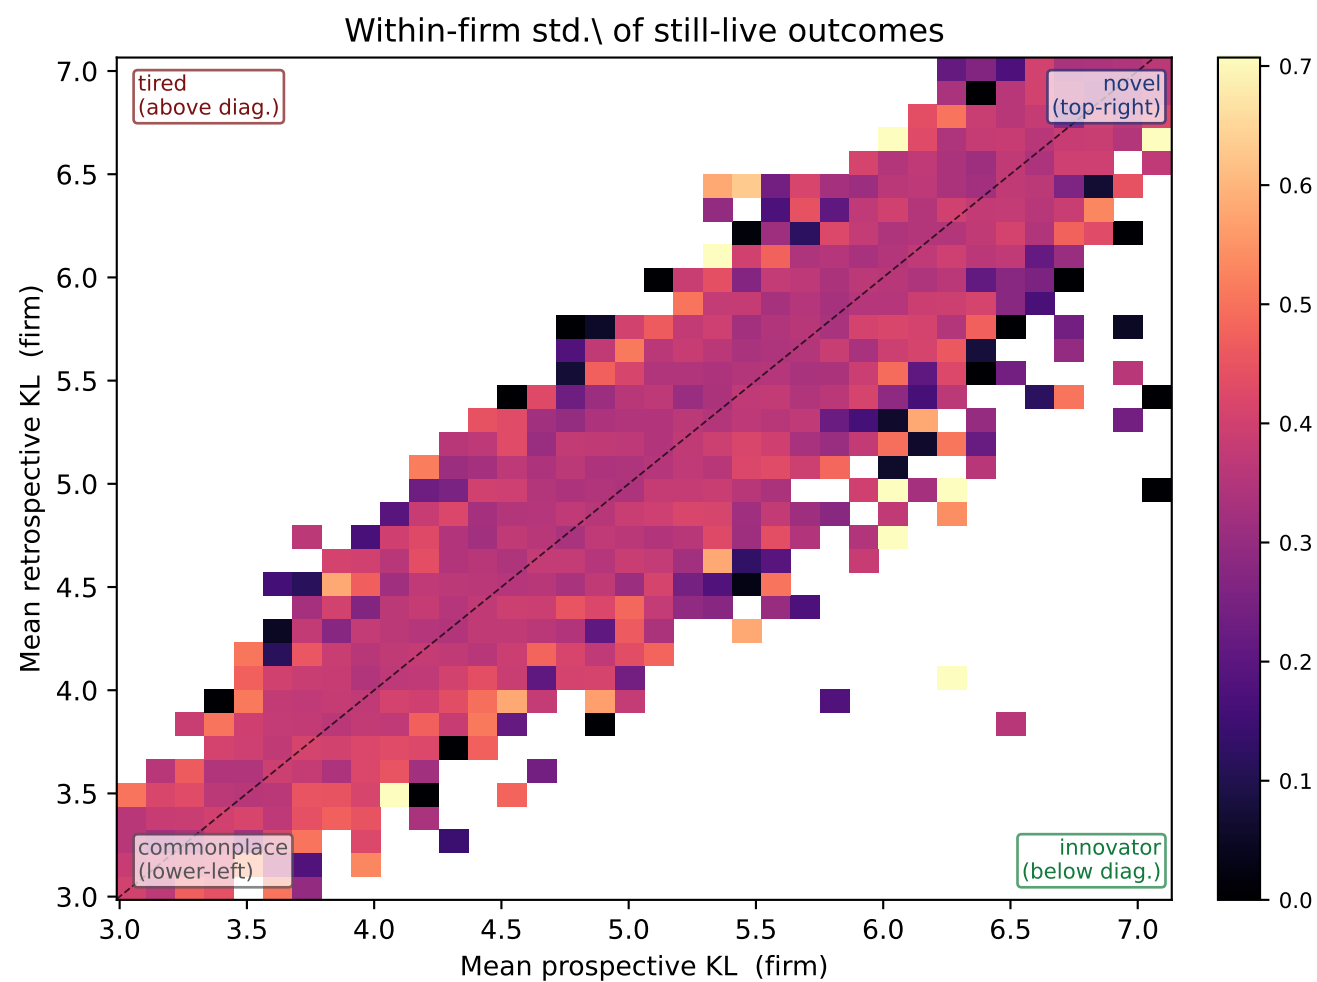

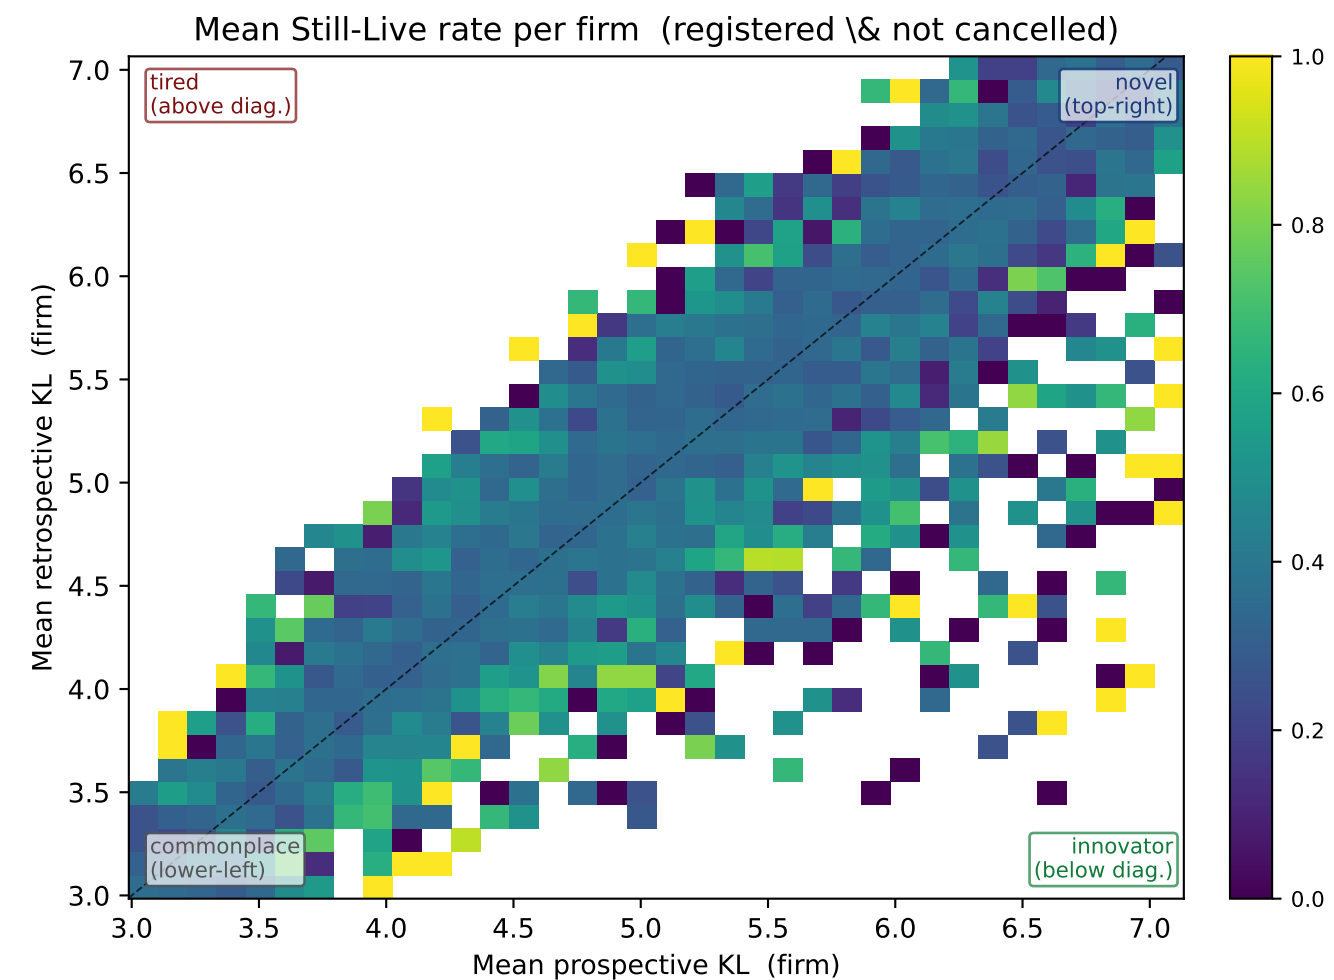

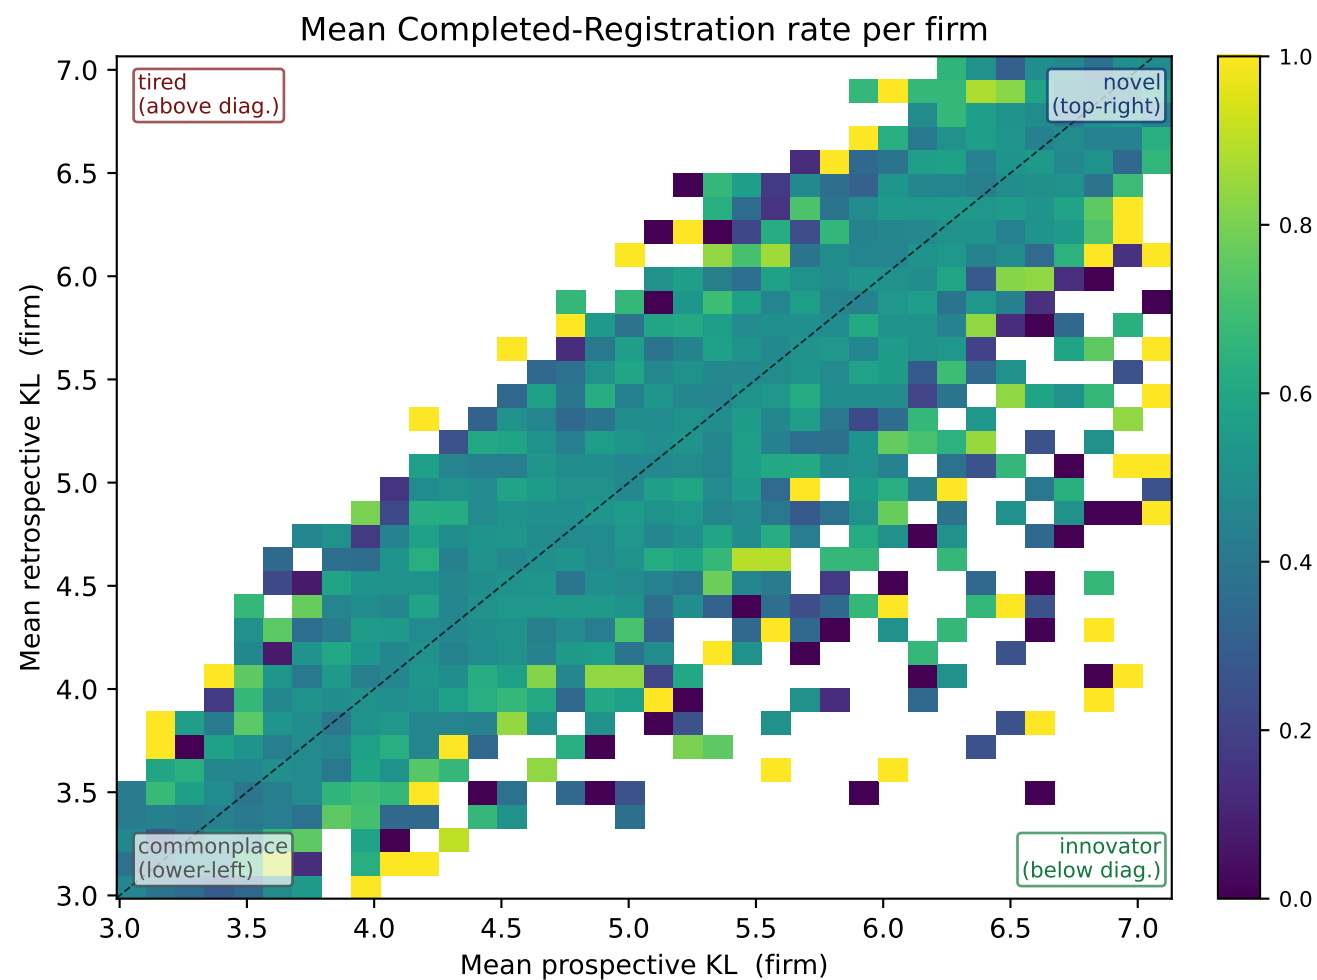

Mean Still-Live rate per firm (registered \& not cancelled)

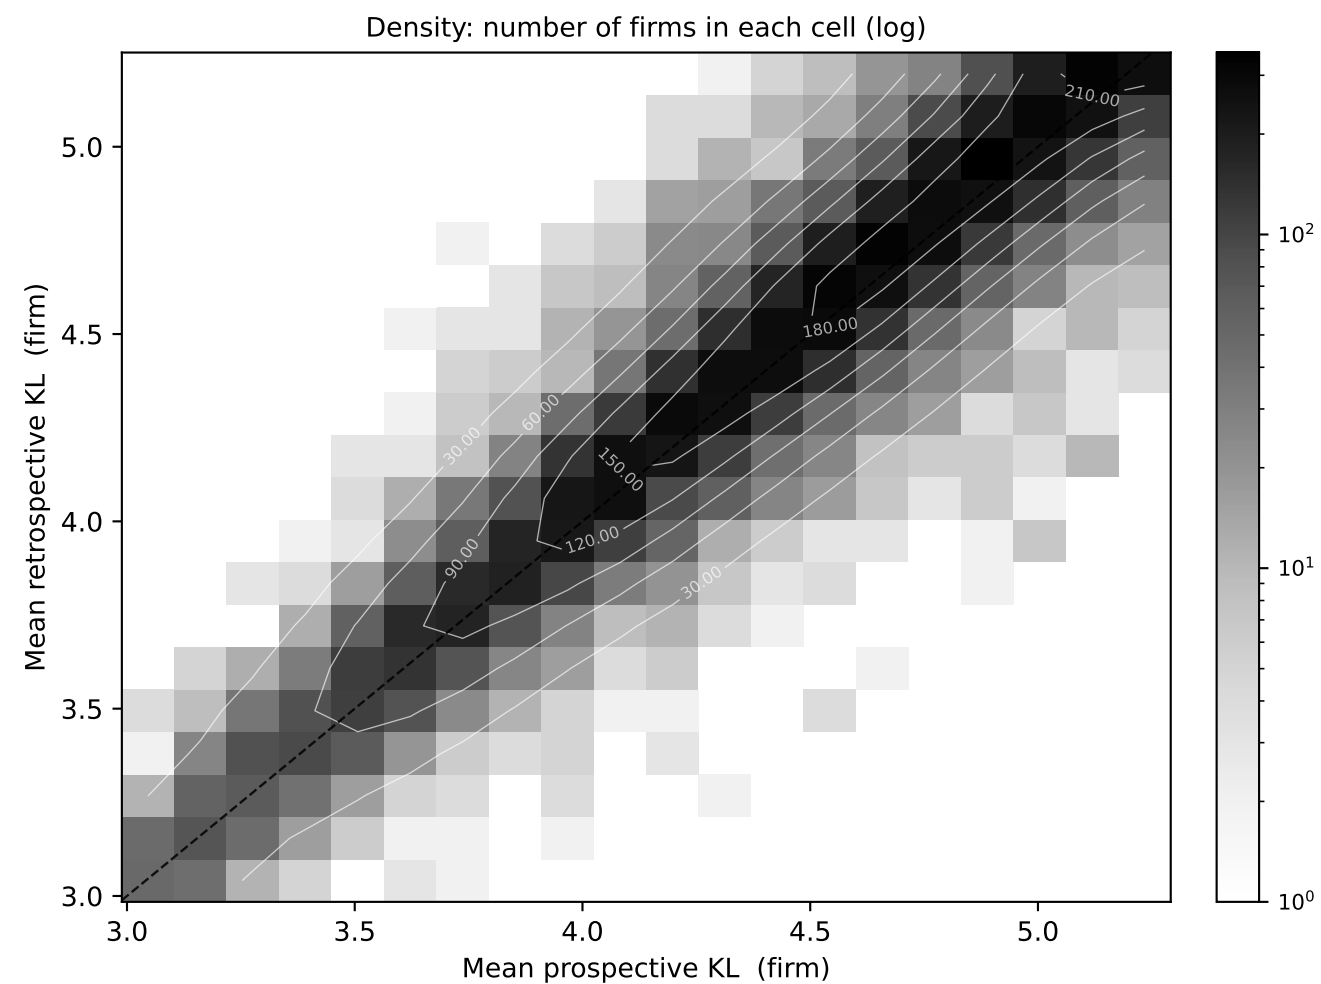

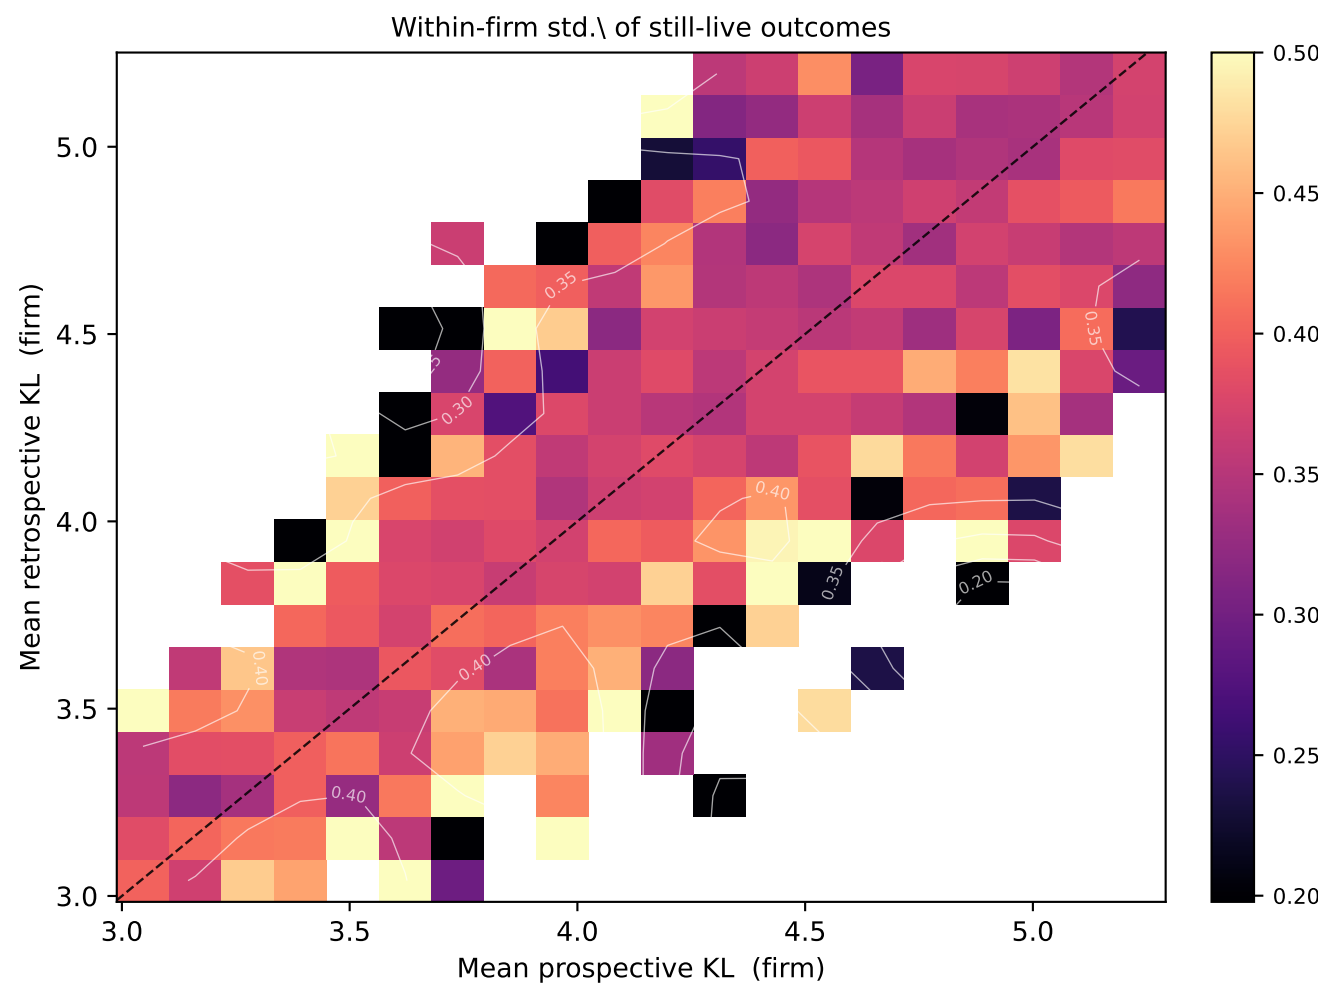

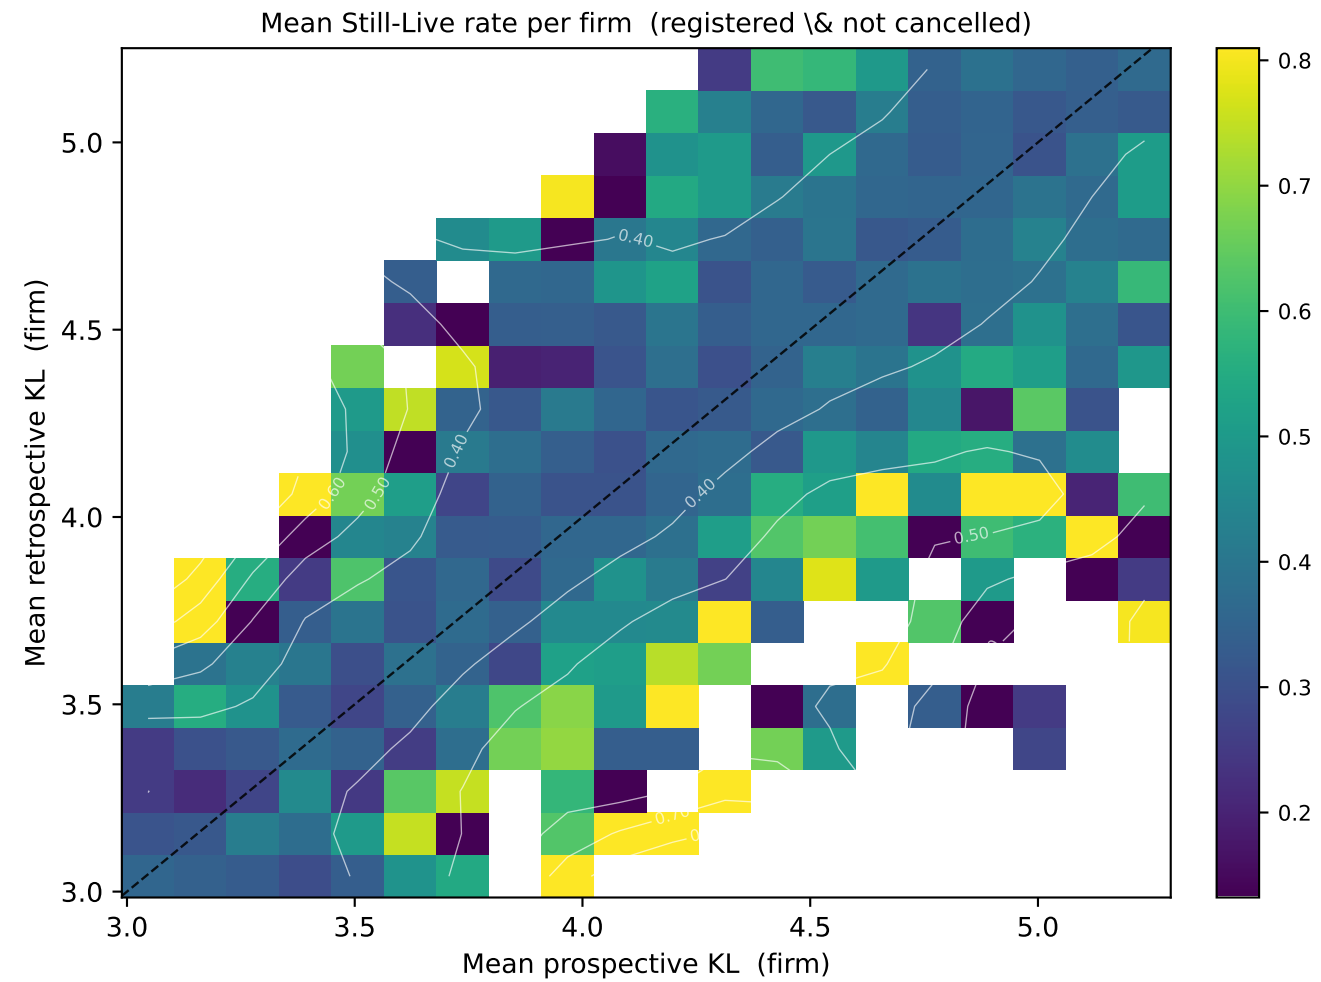

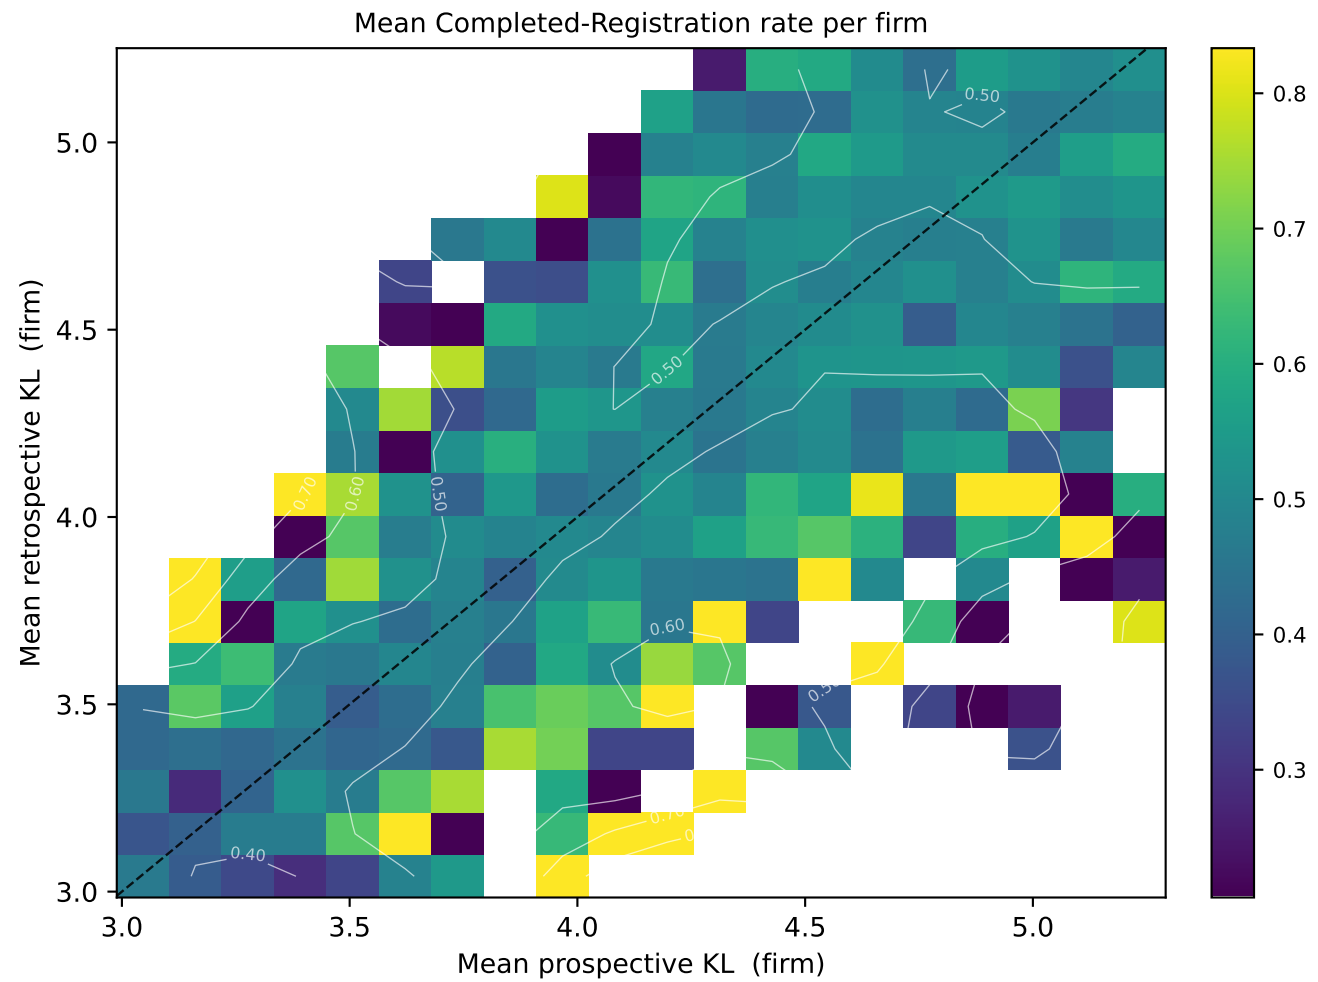

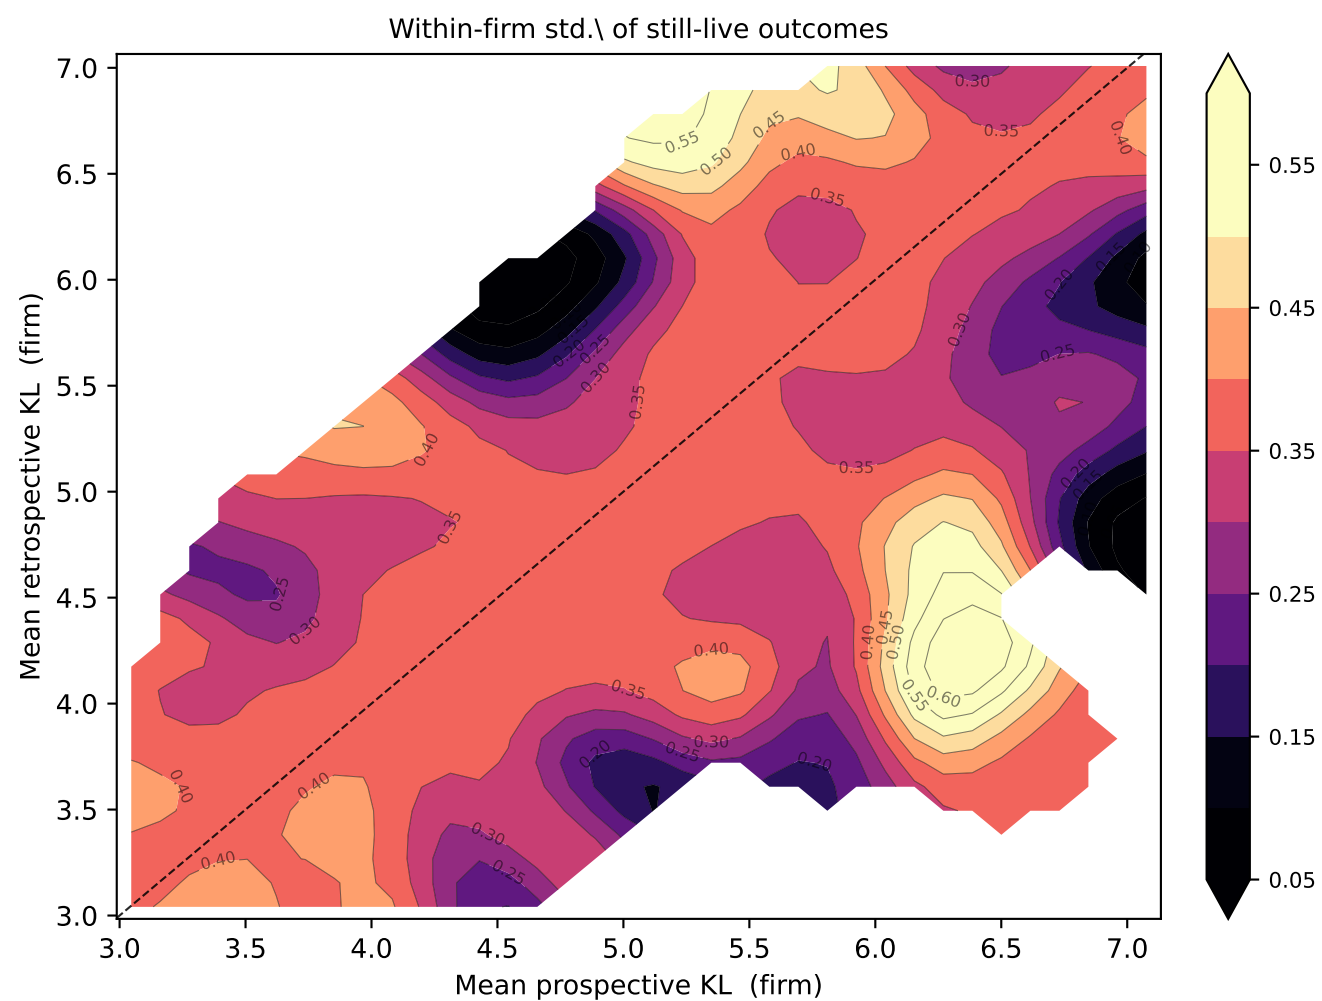

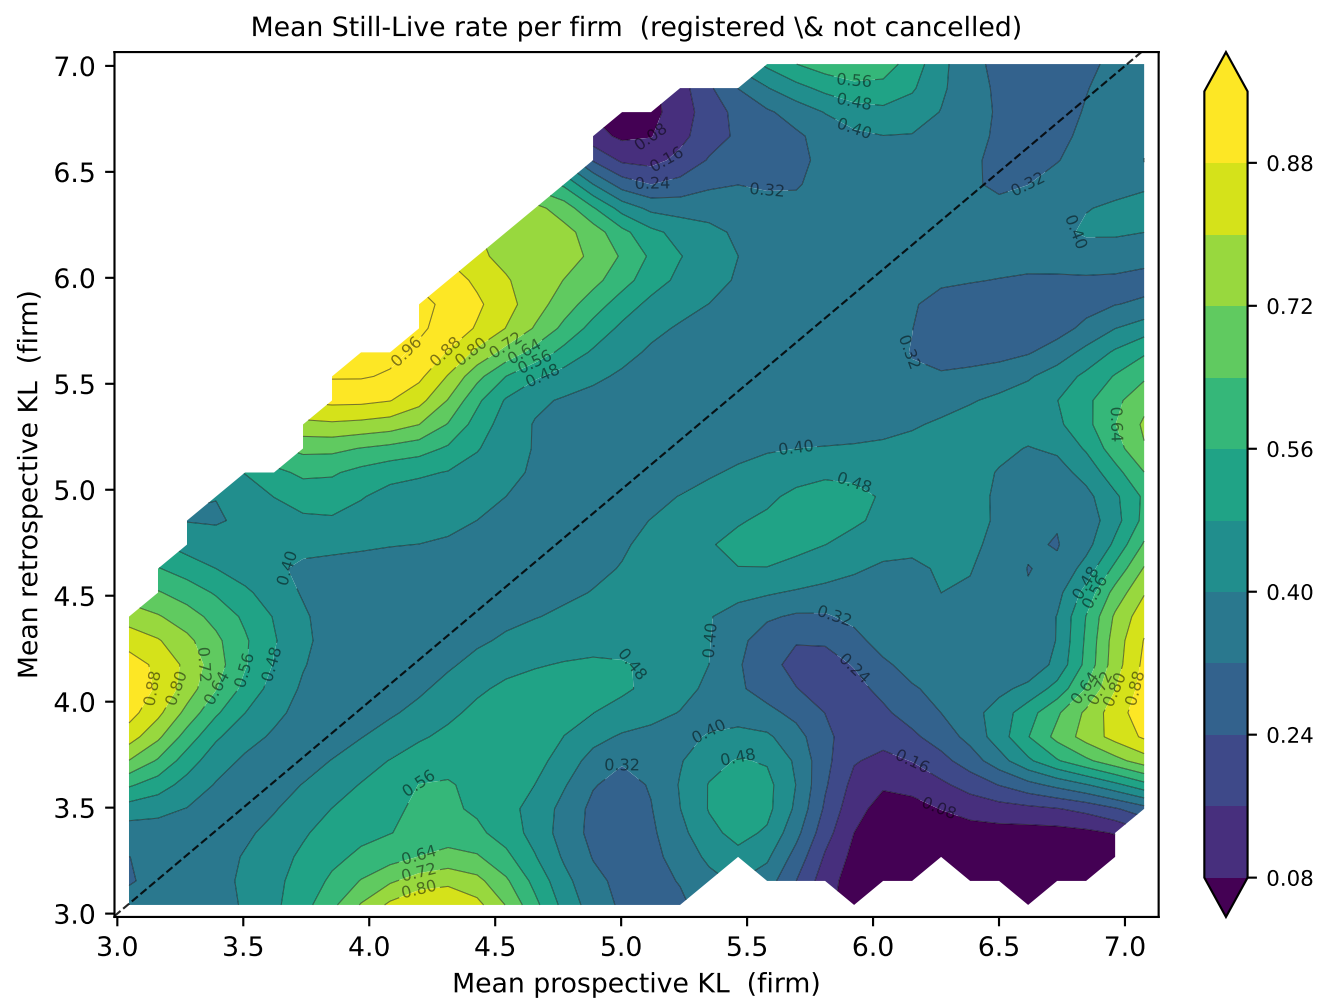

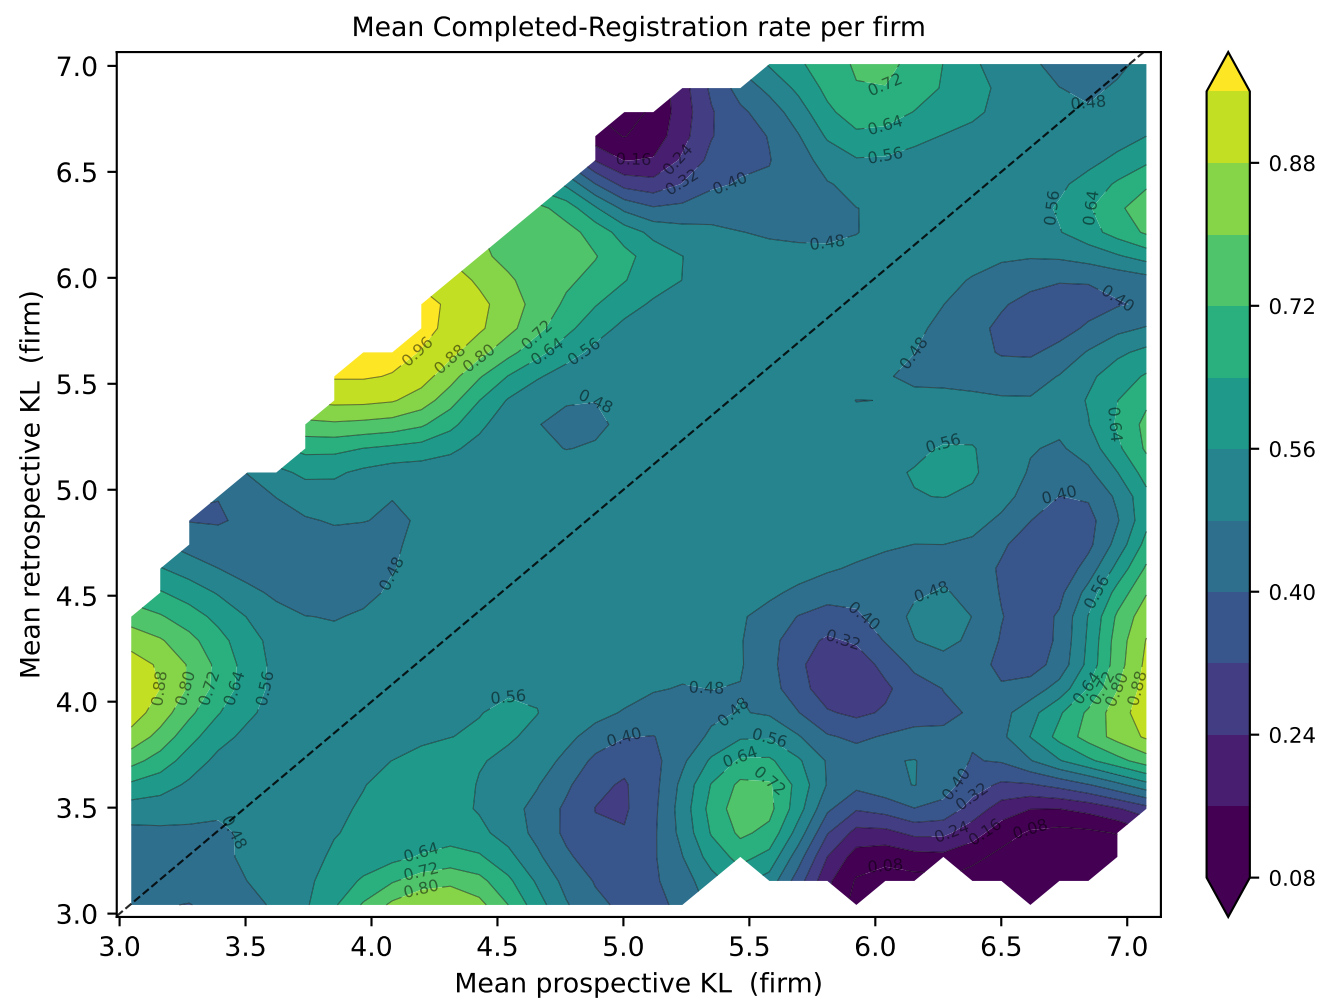

Within-firm std.\ of still-live outcomes

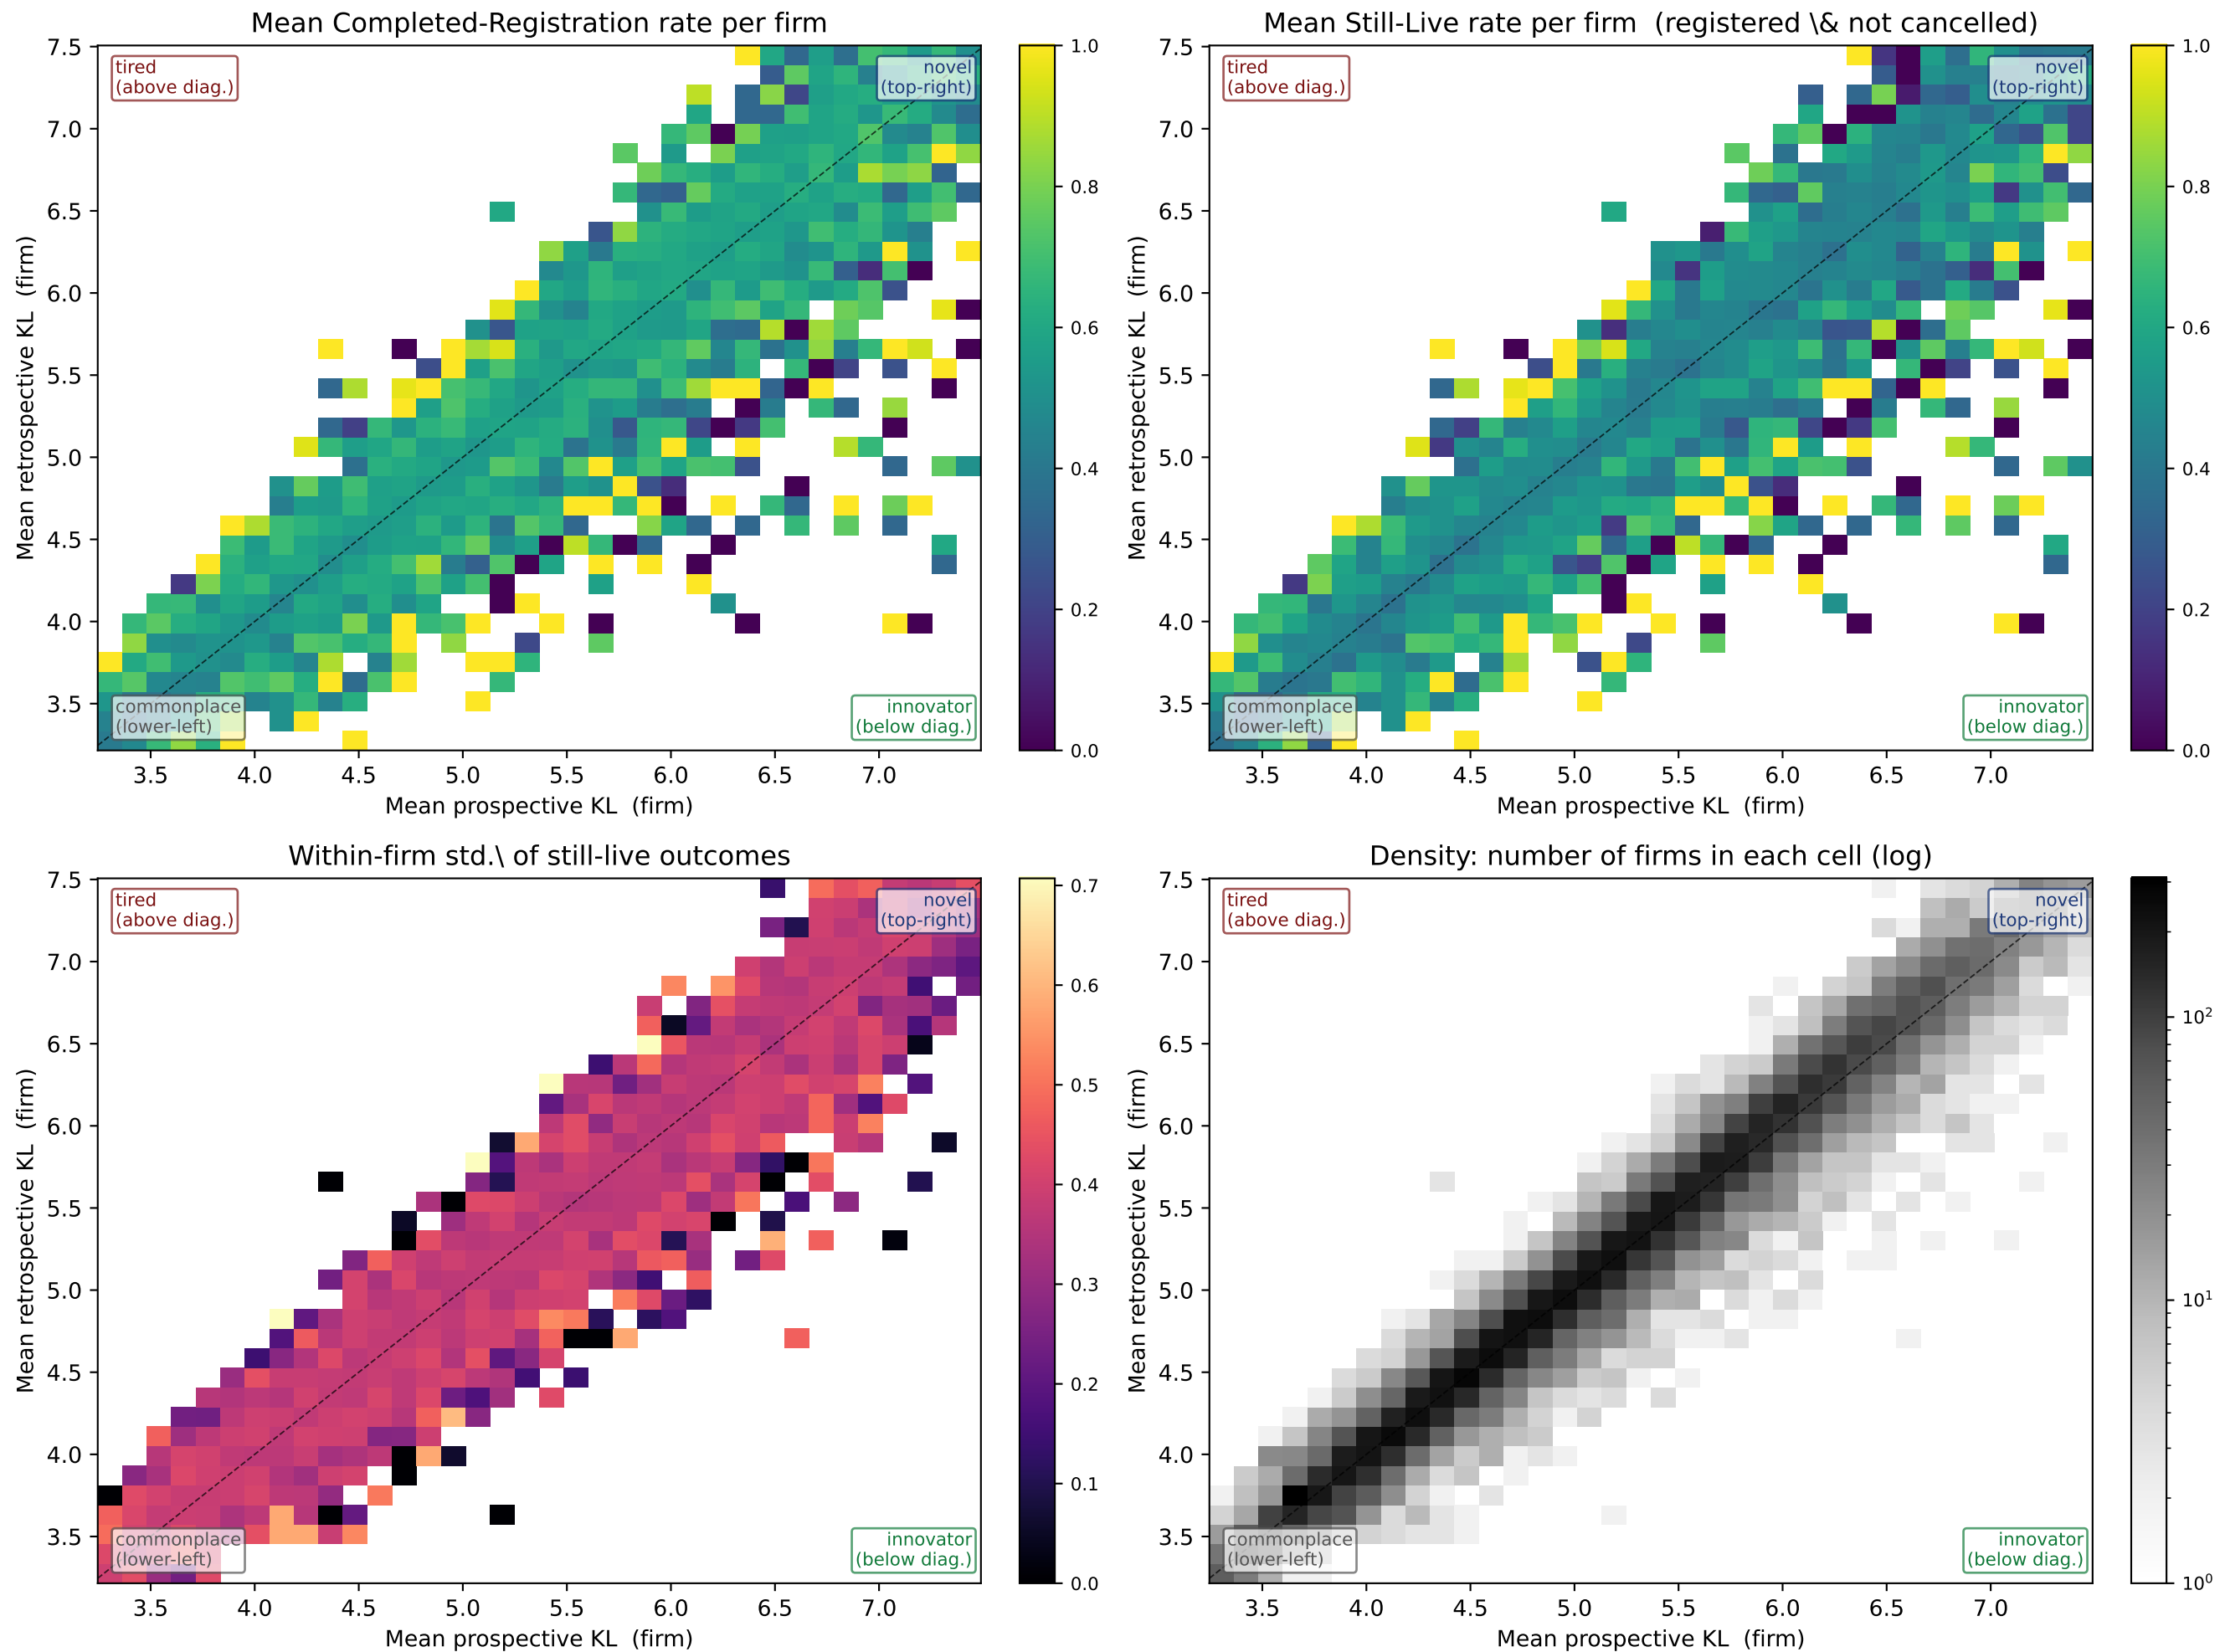

Class 036 — Insurance & Financial — 331,562 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=23,850 firms

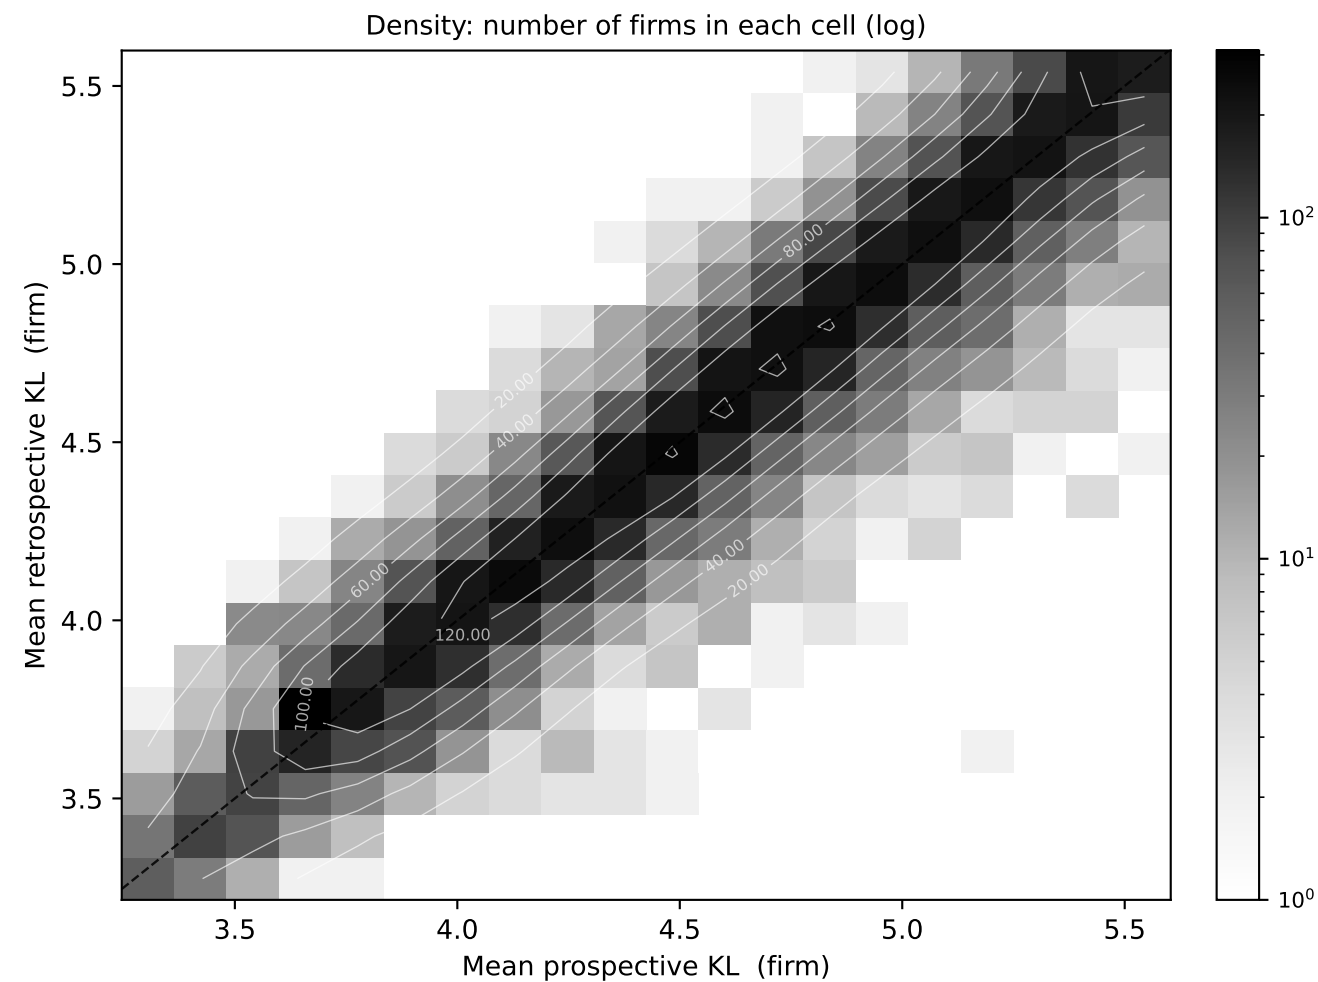

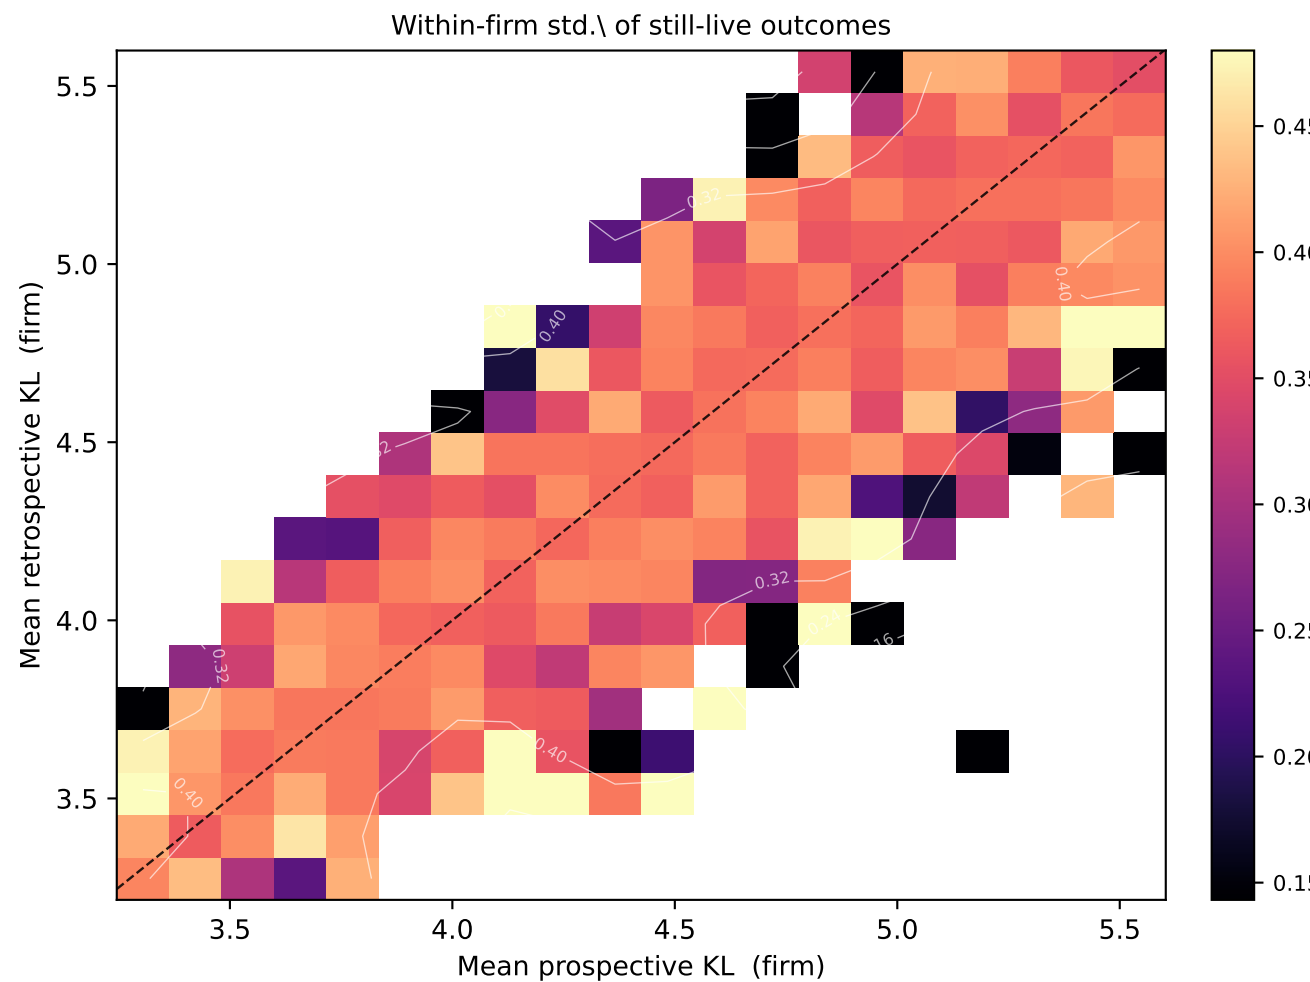

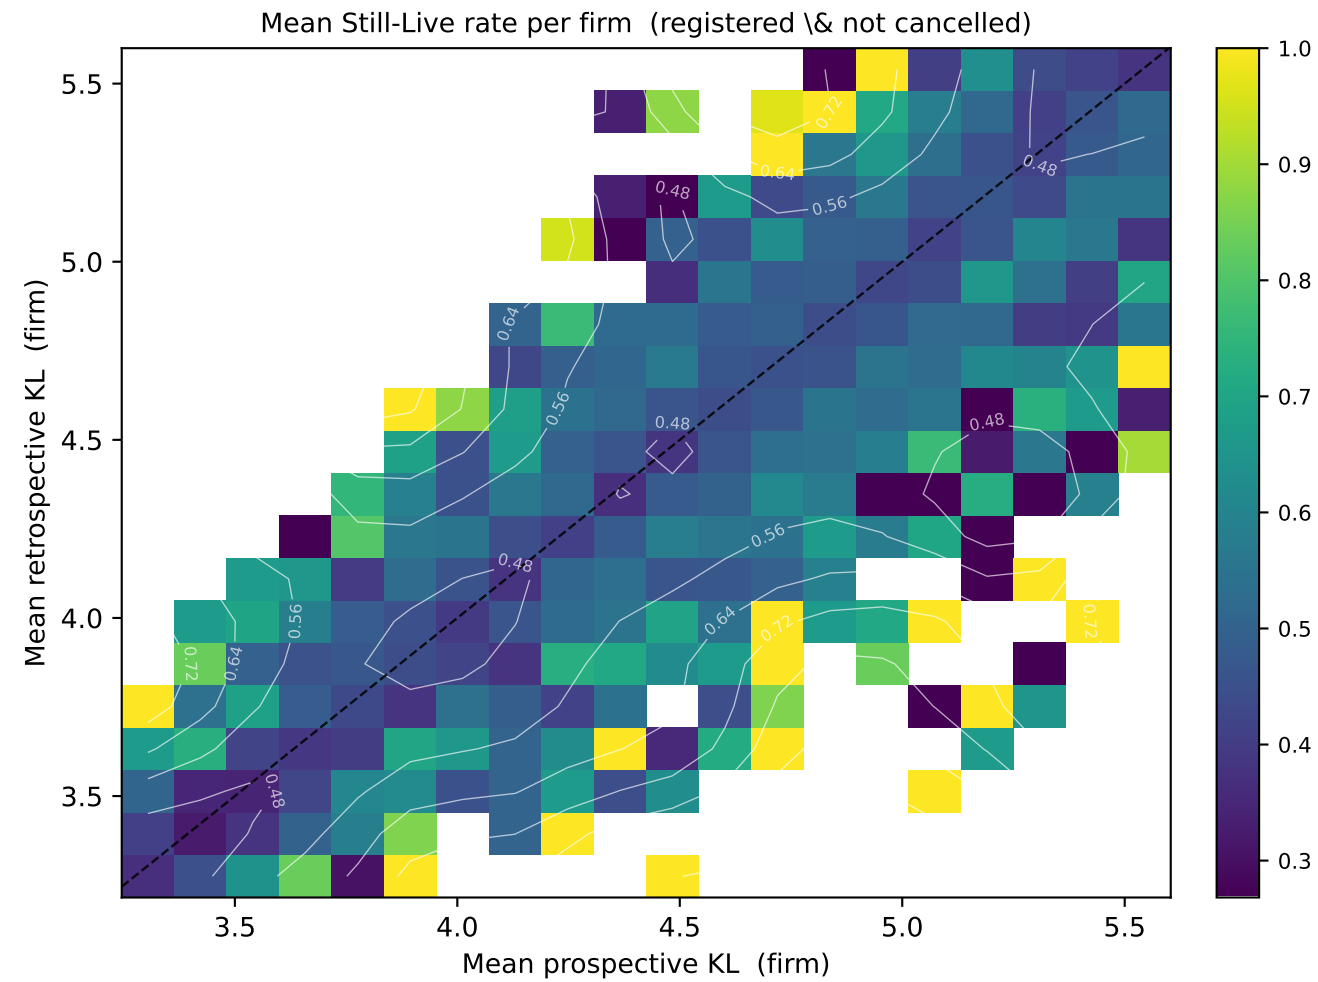

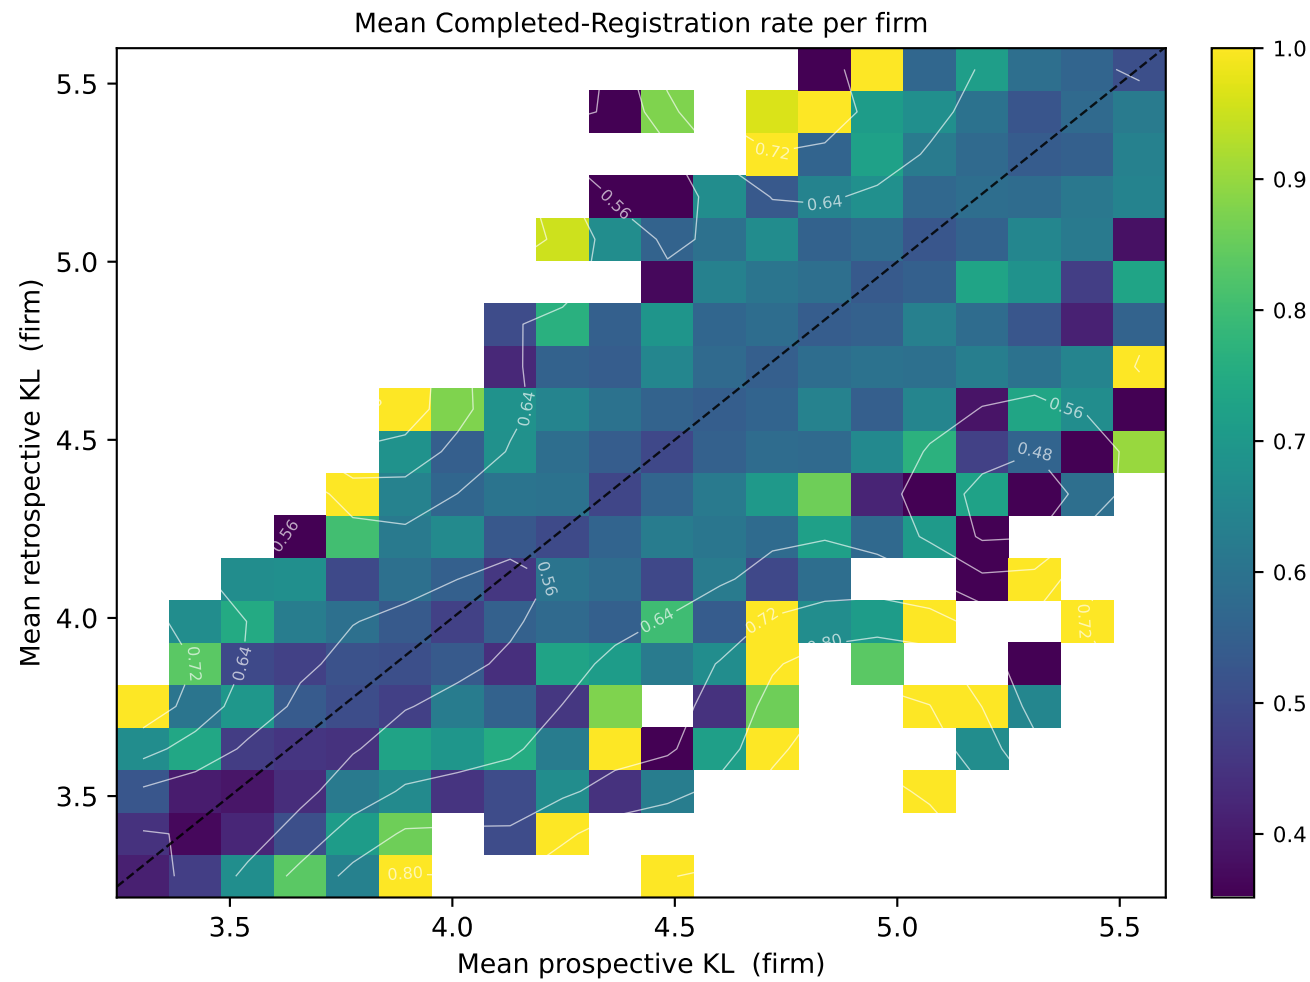

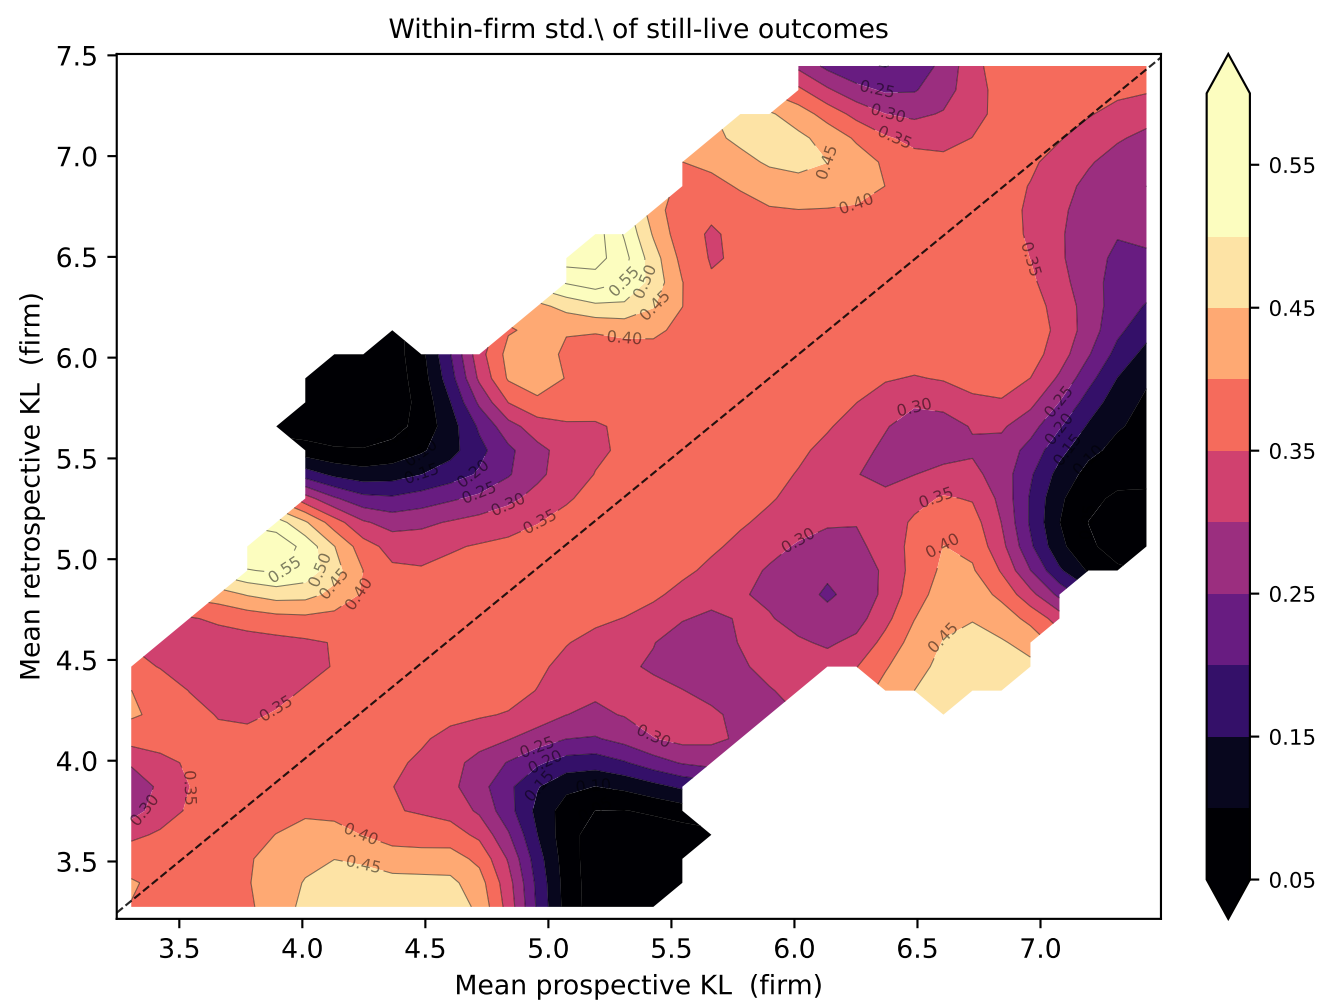

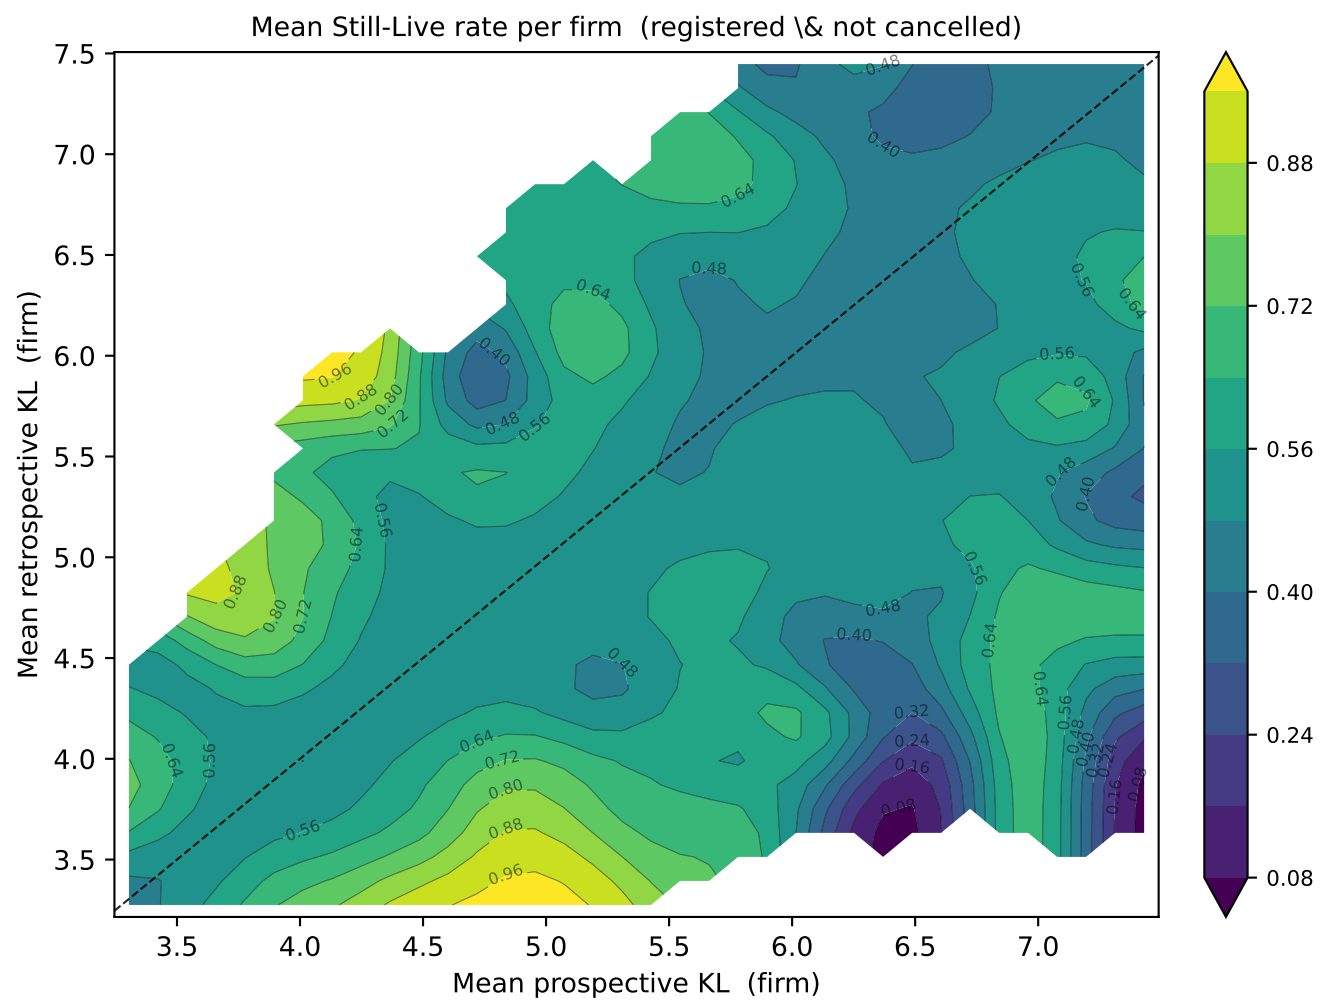

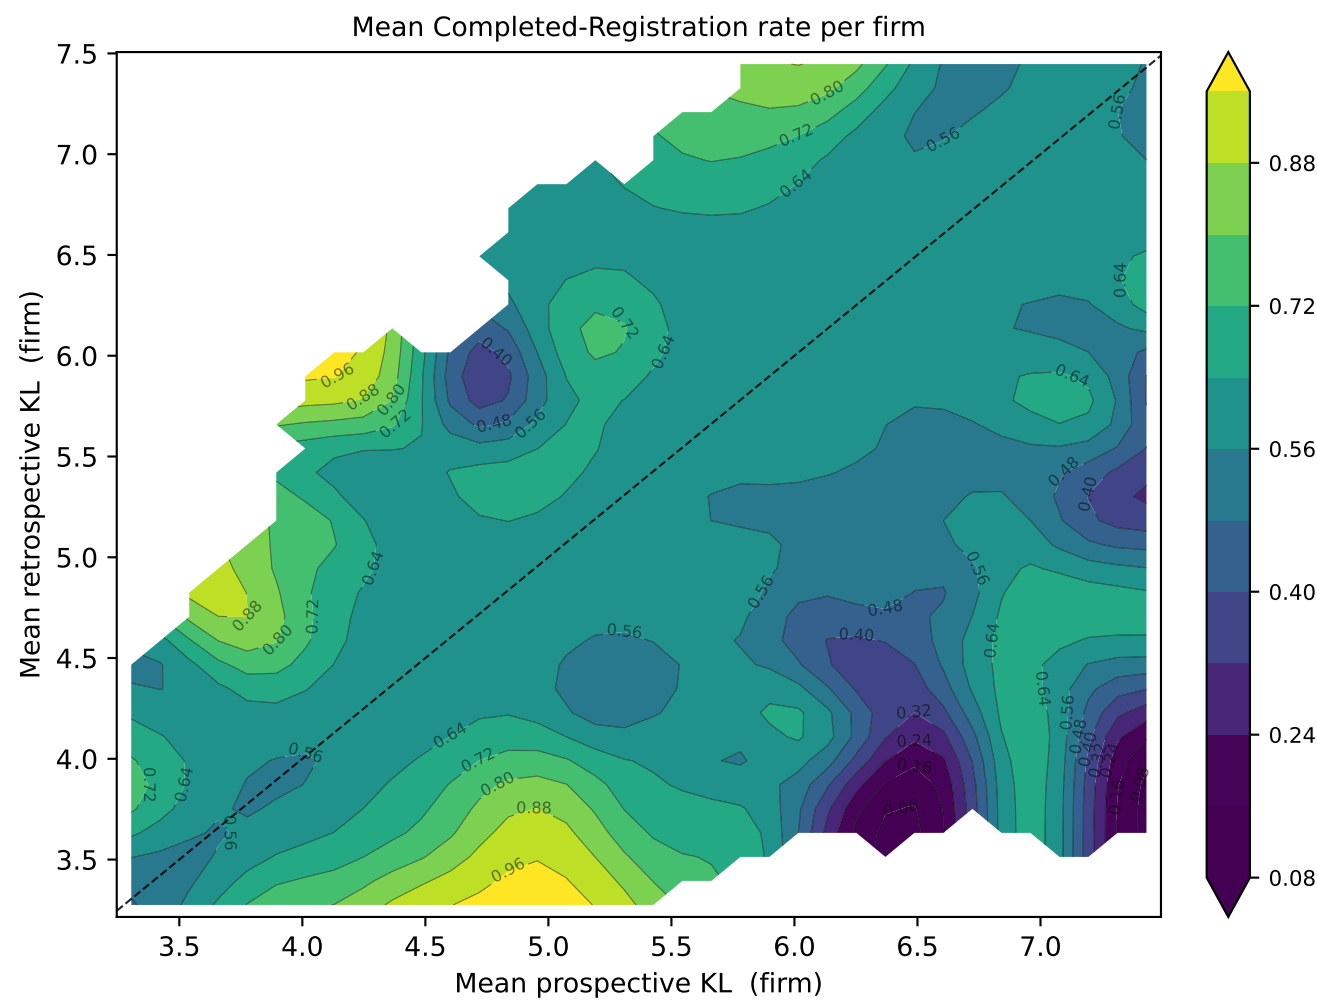

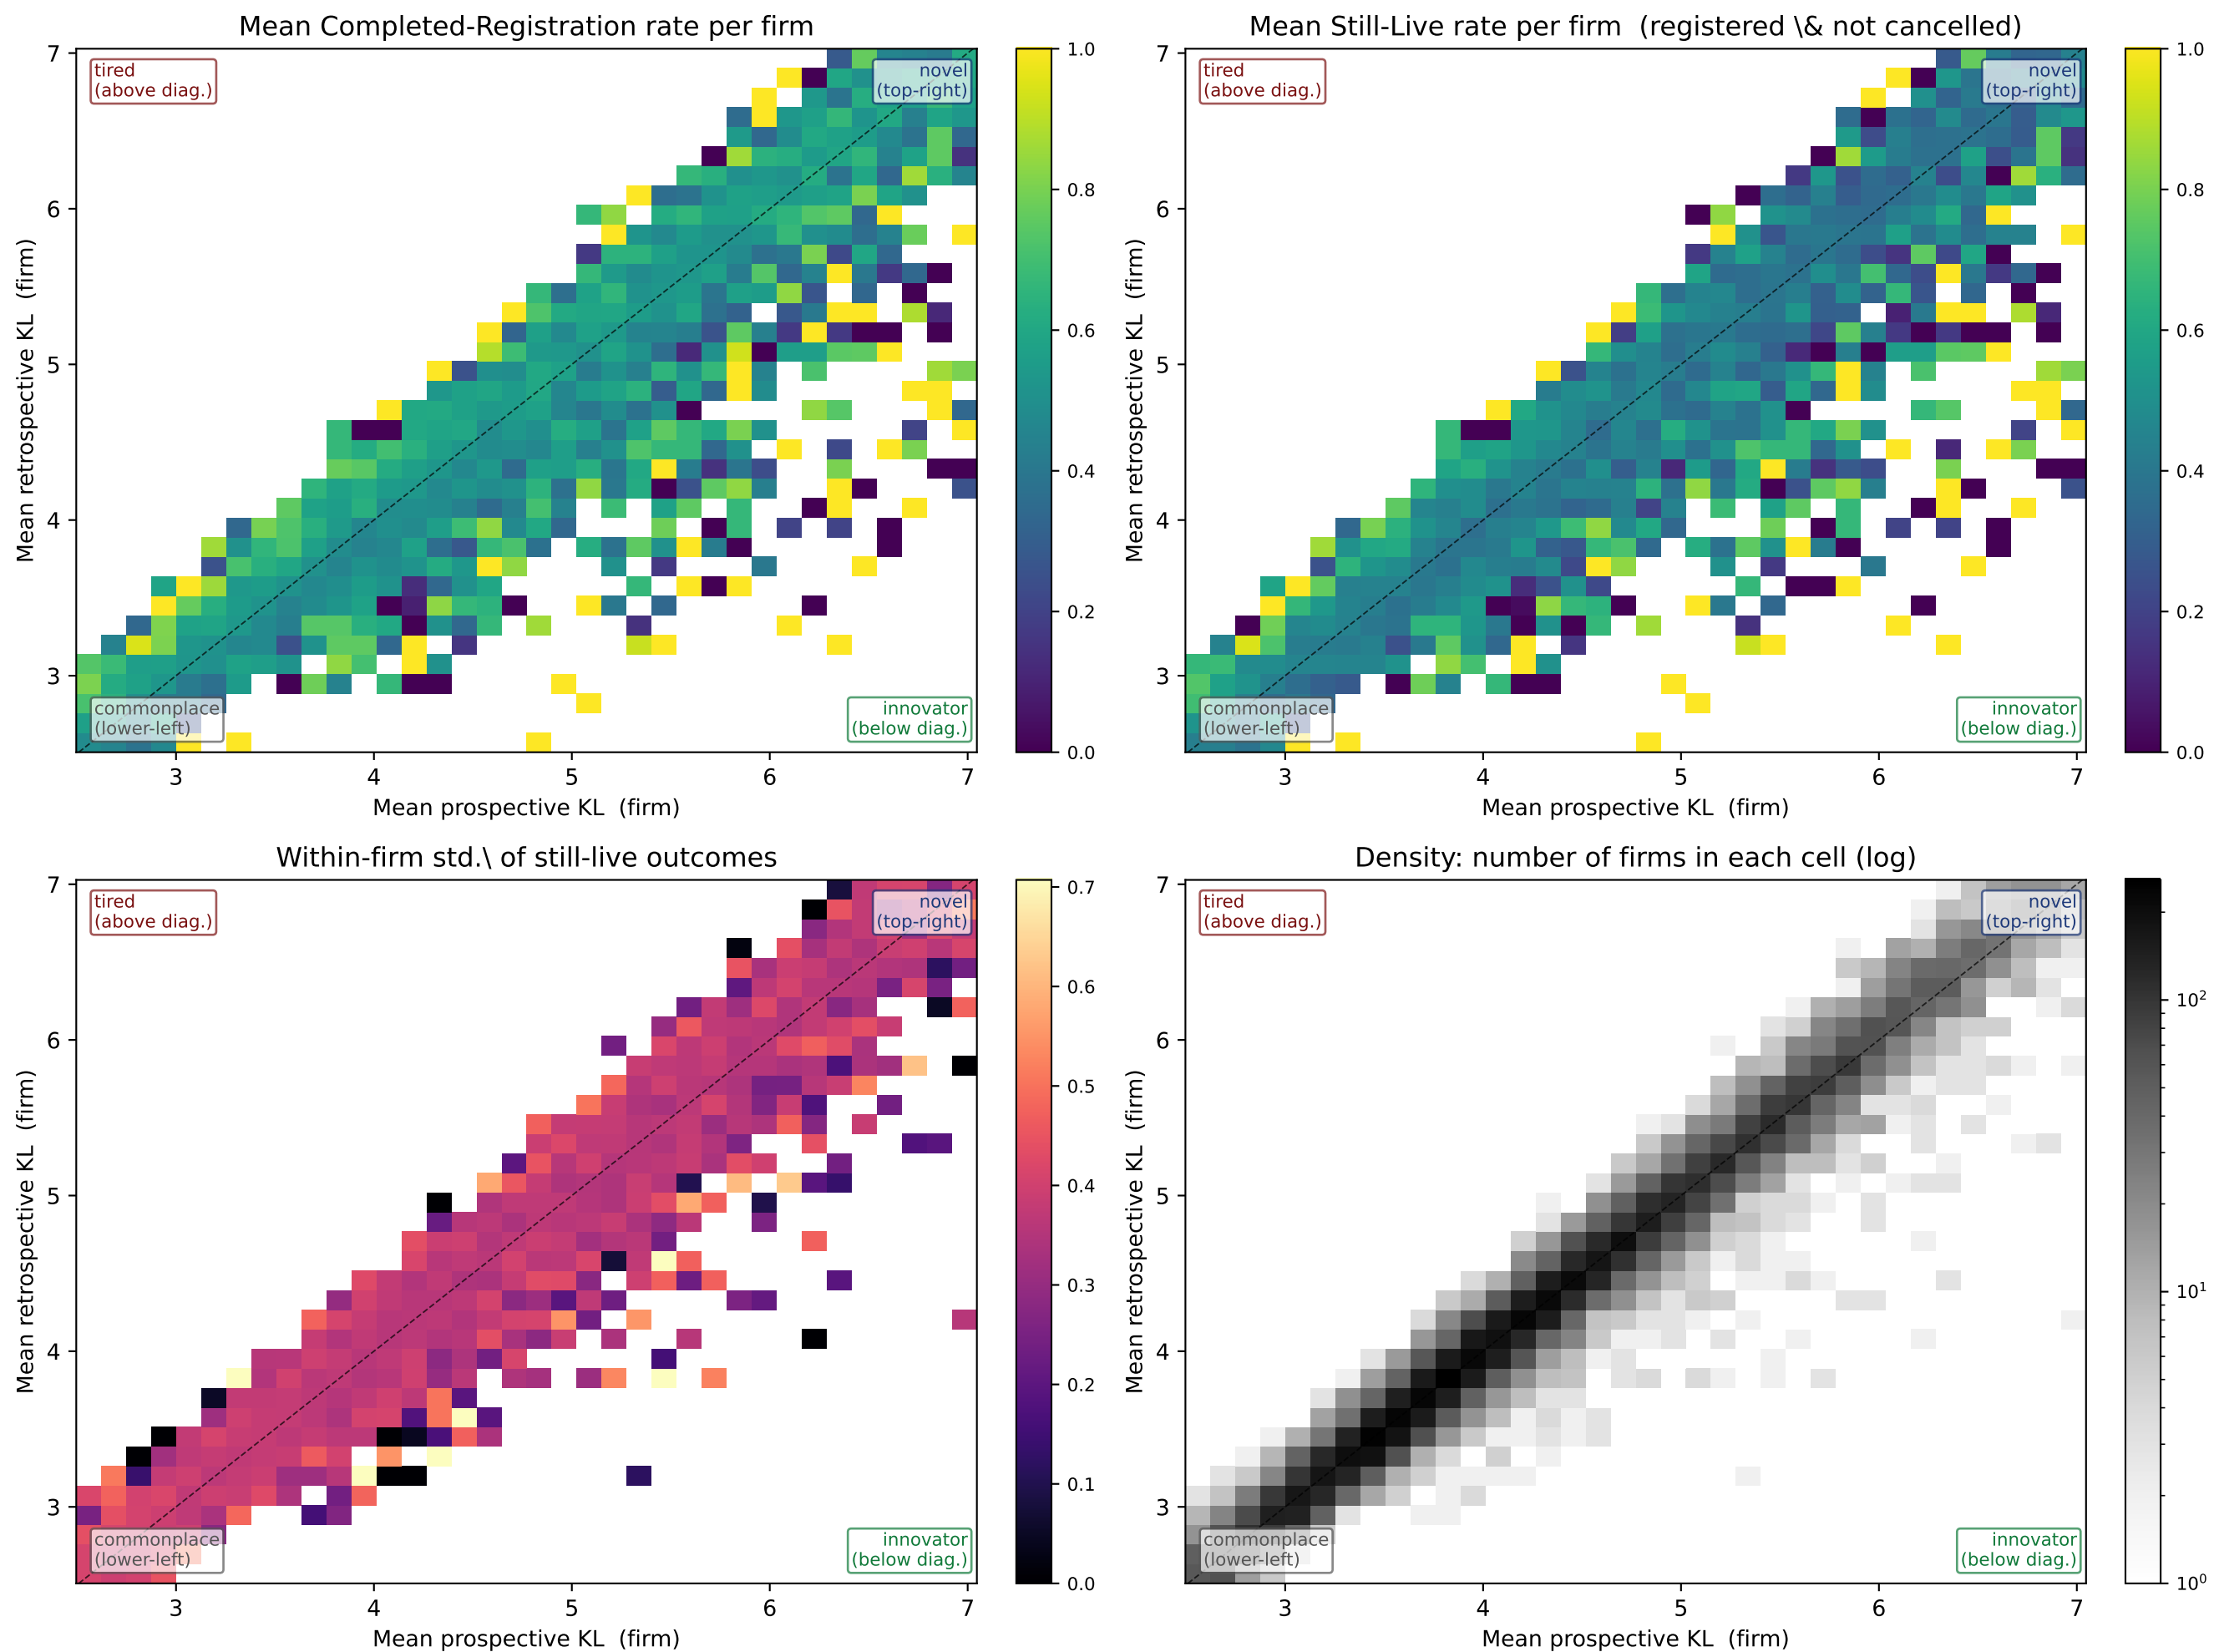

Class 005 — Pharmaceuticals — 285,733 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=19,148 firms

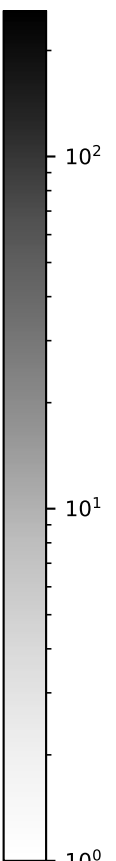

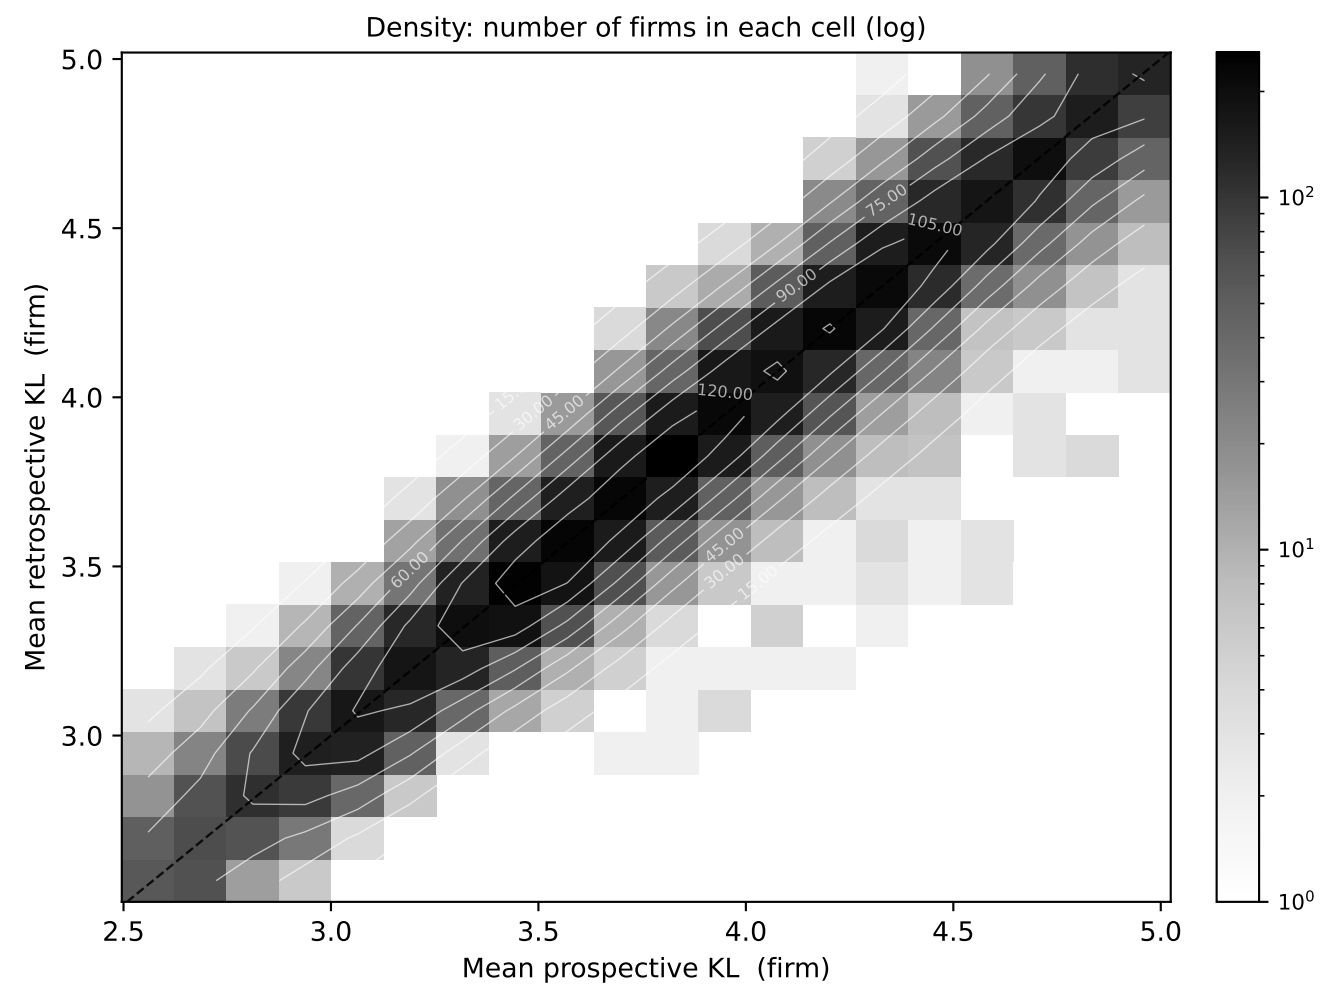

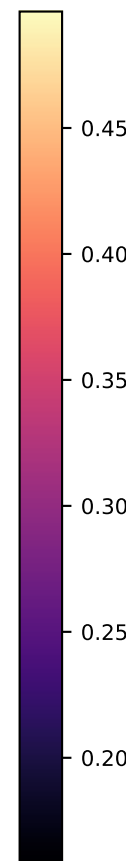

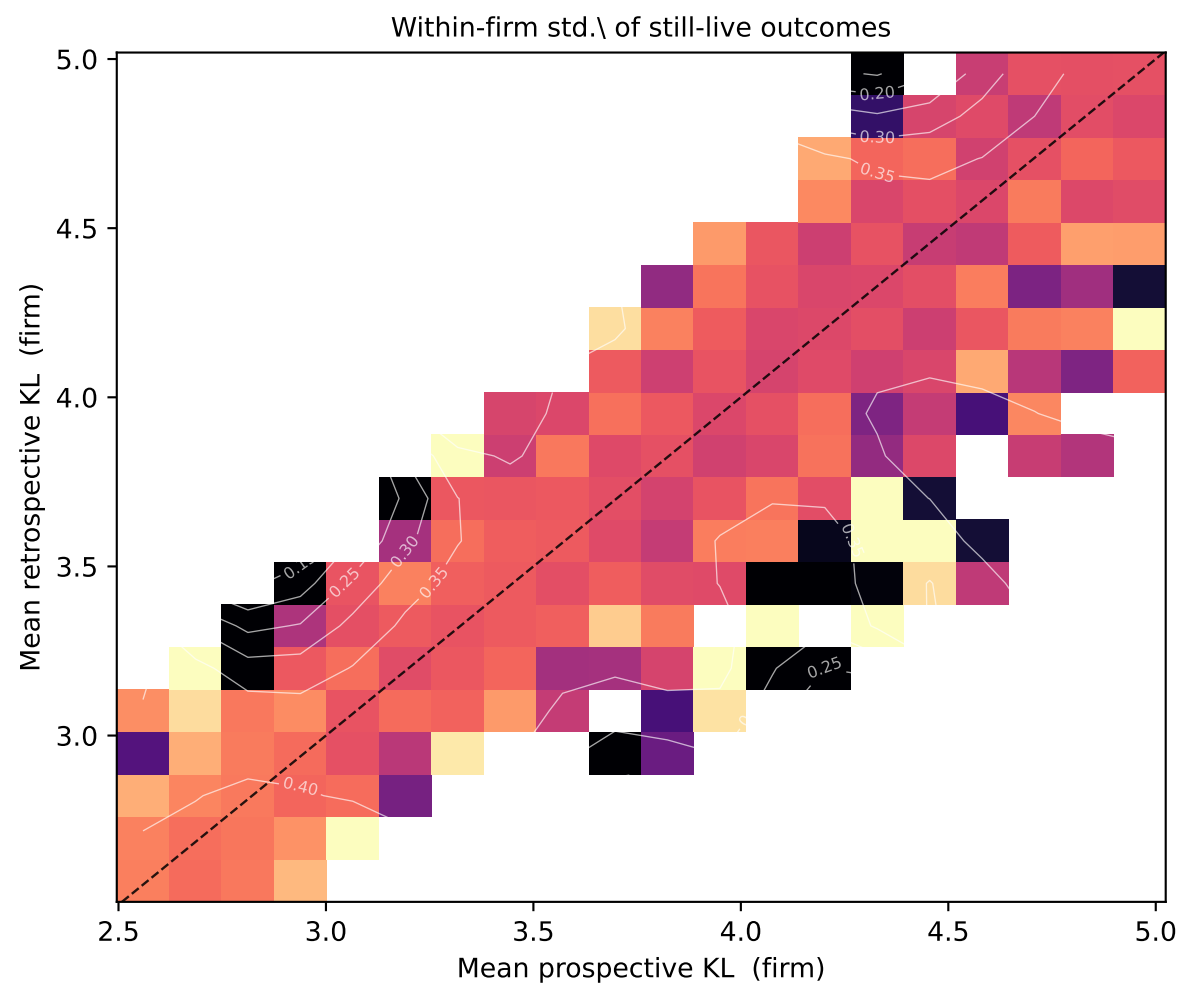

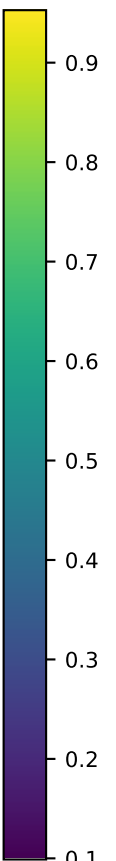

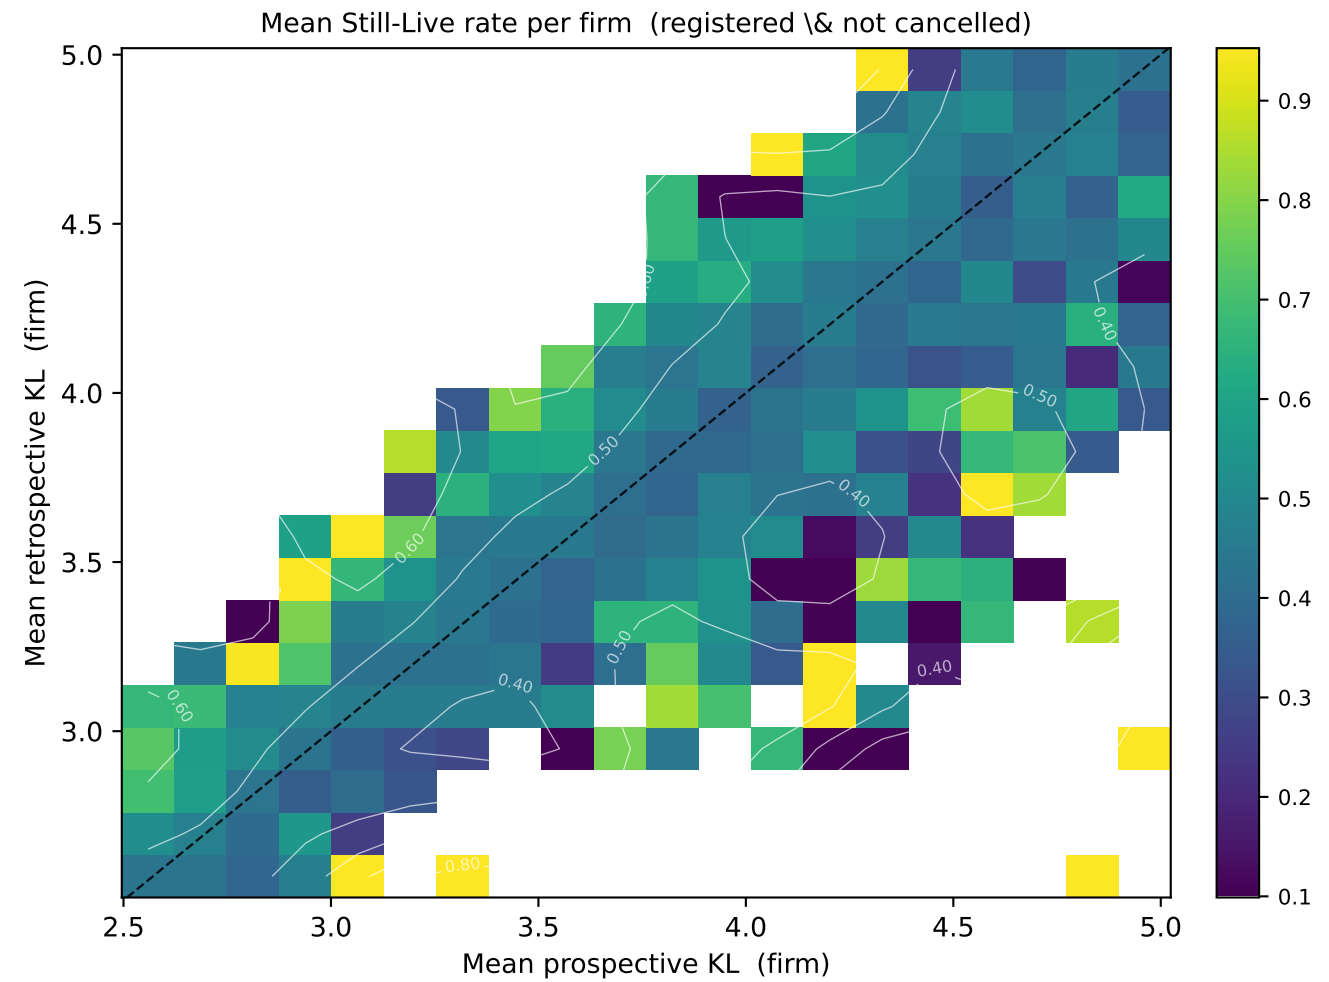

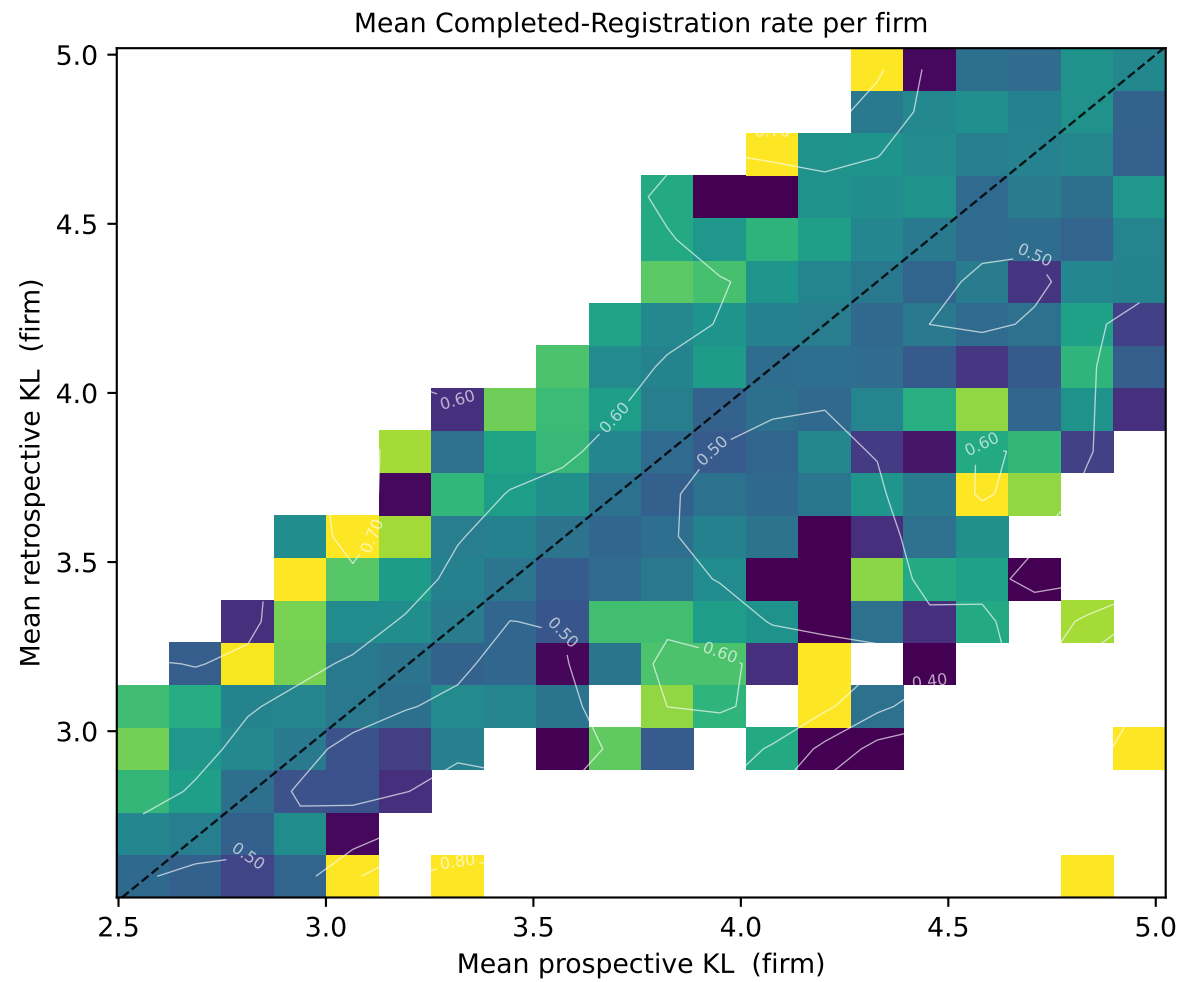

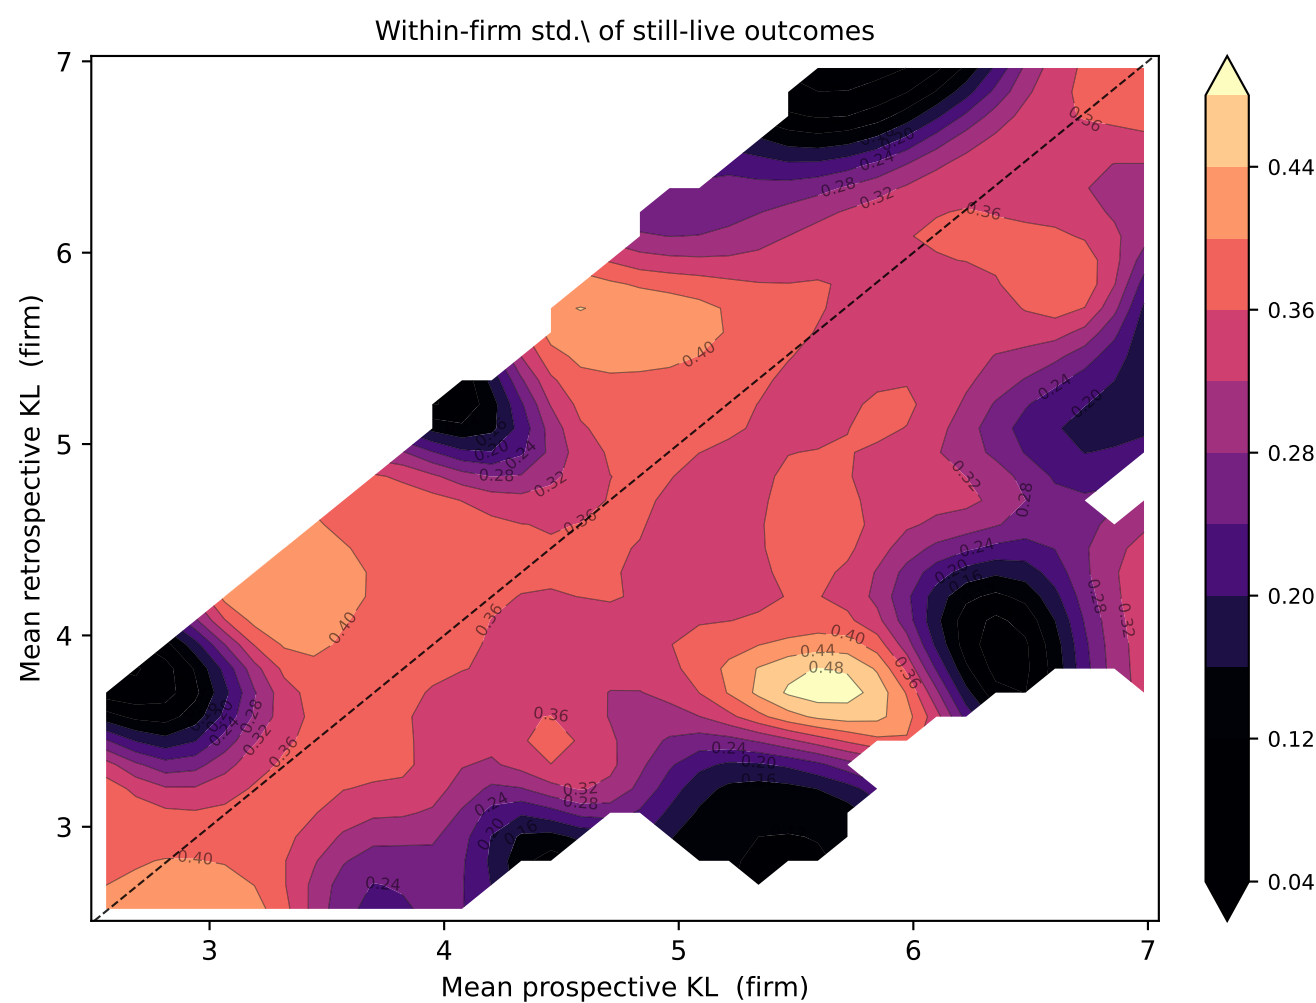

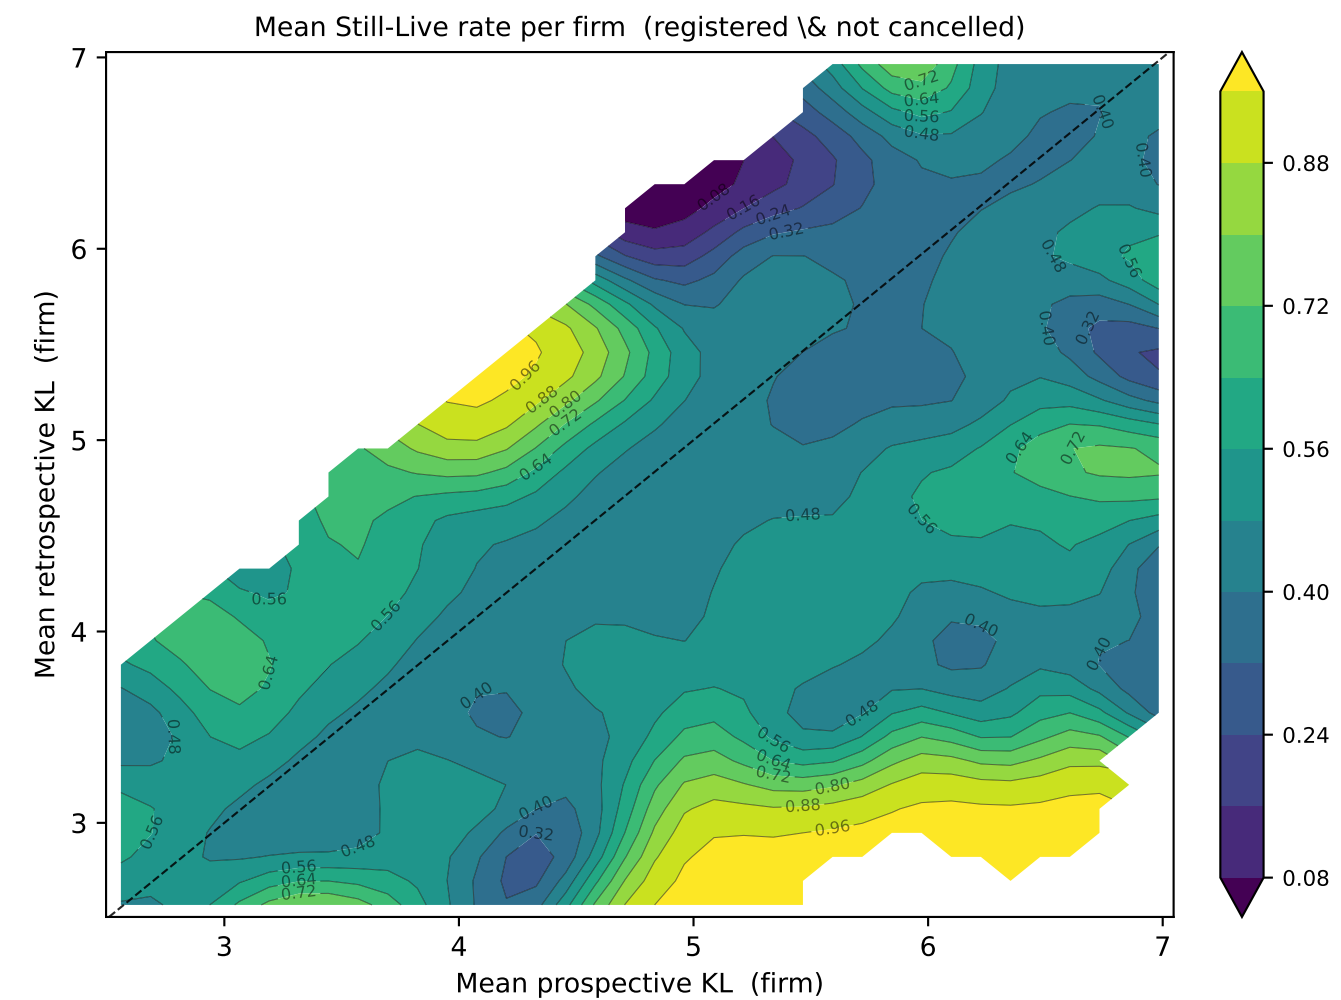

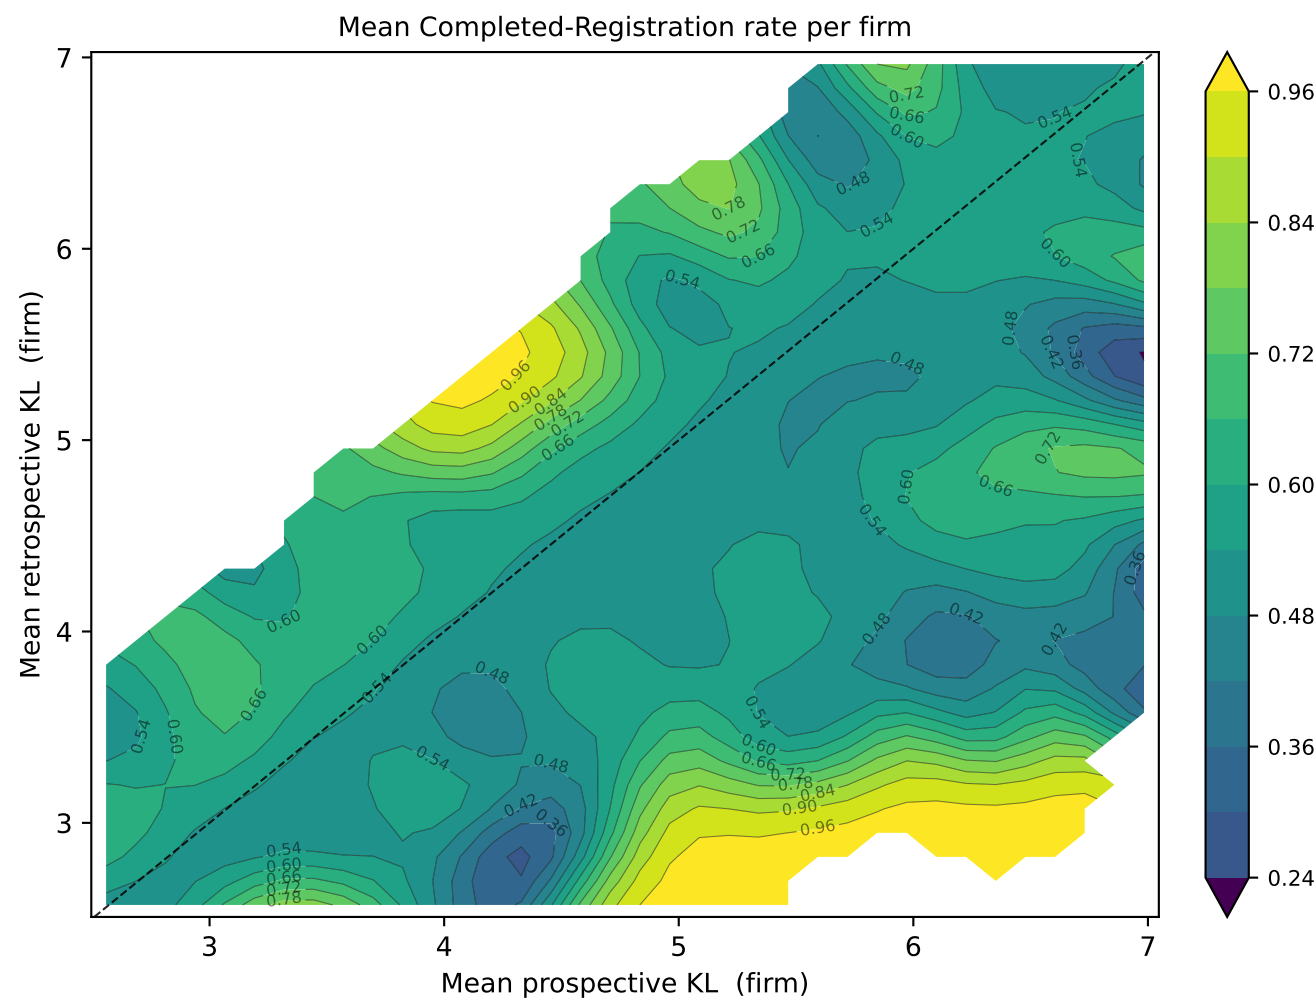

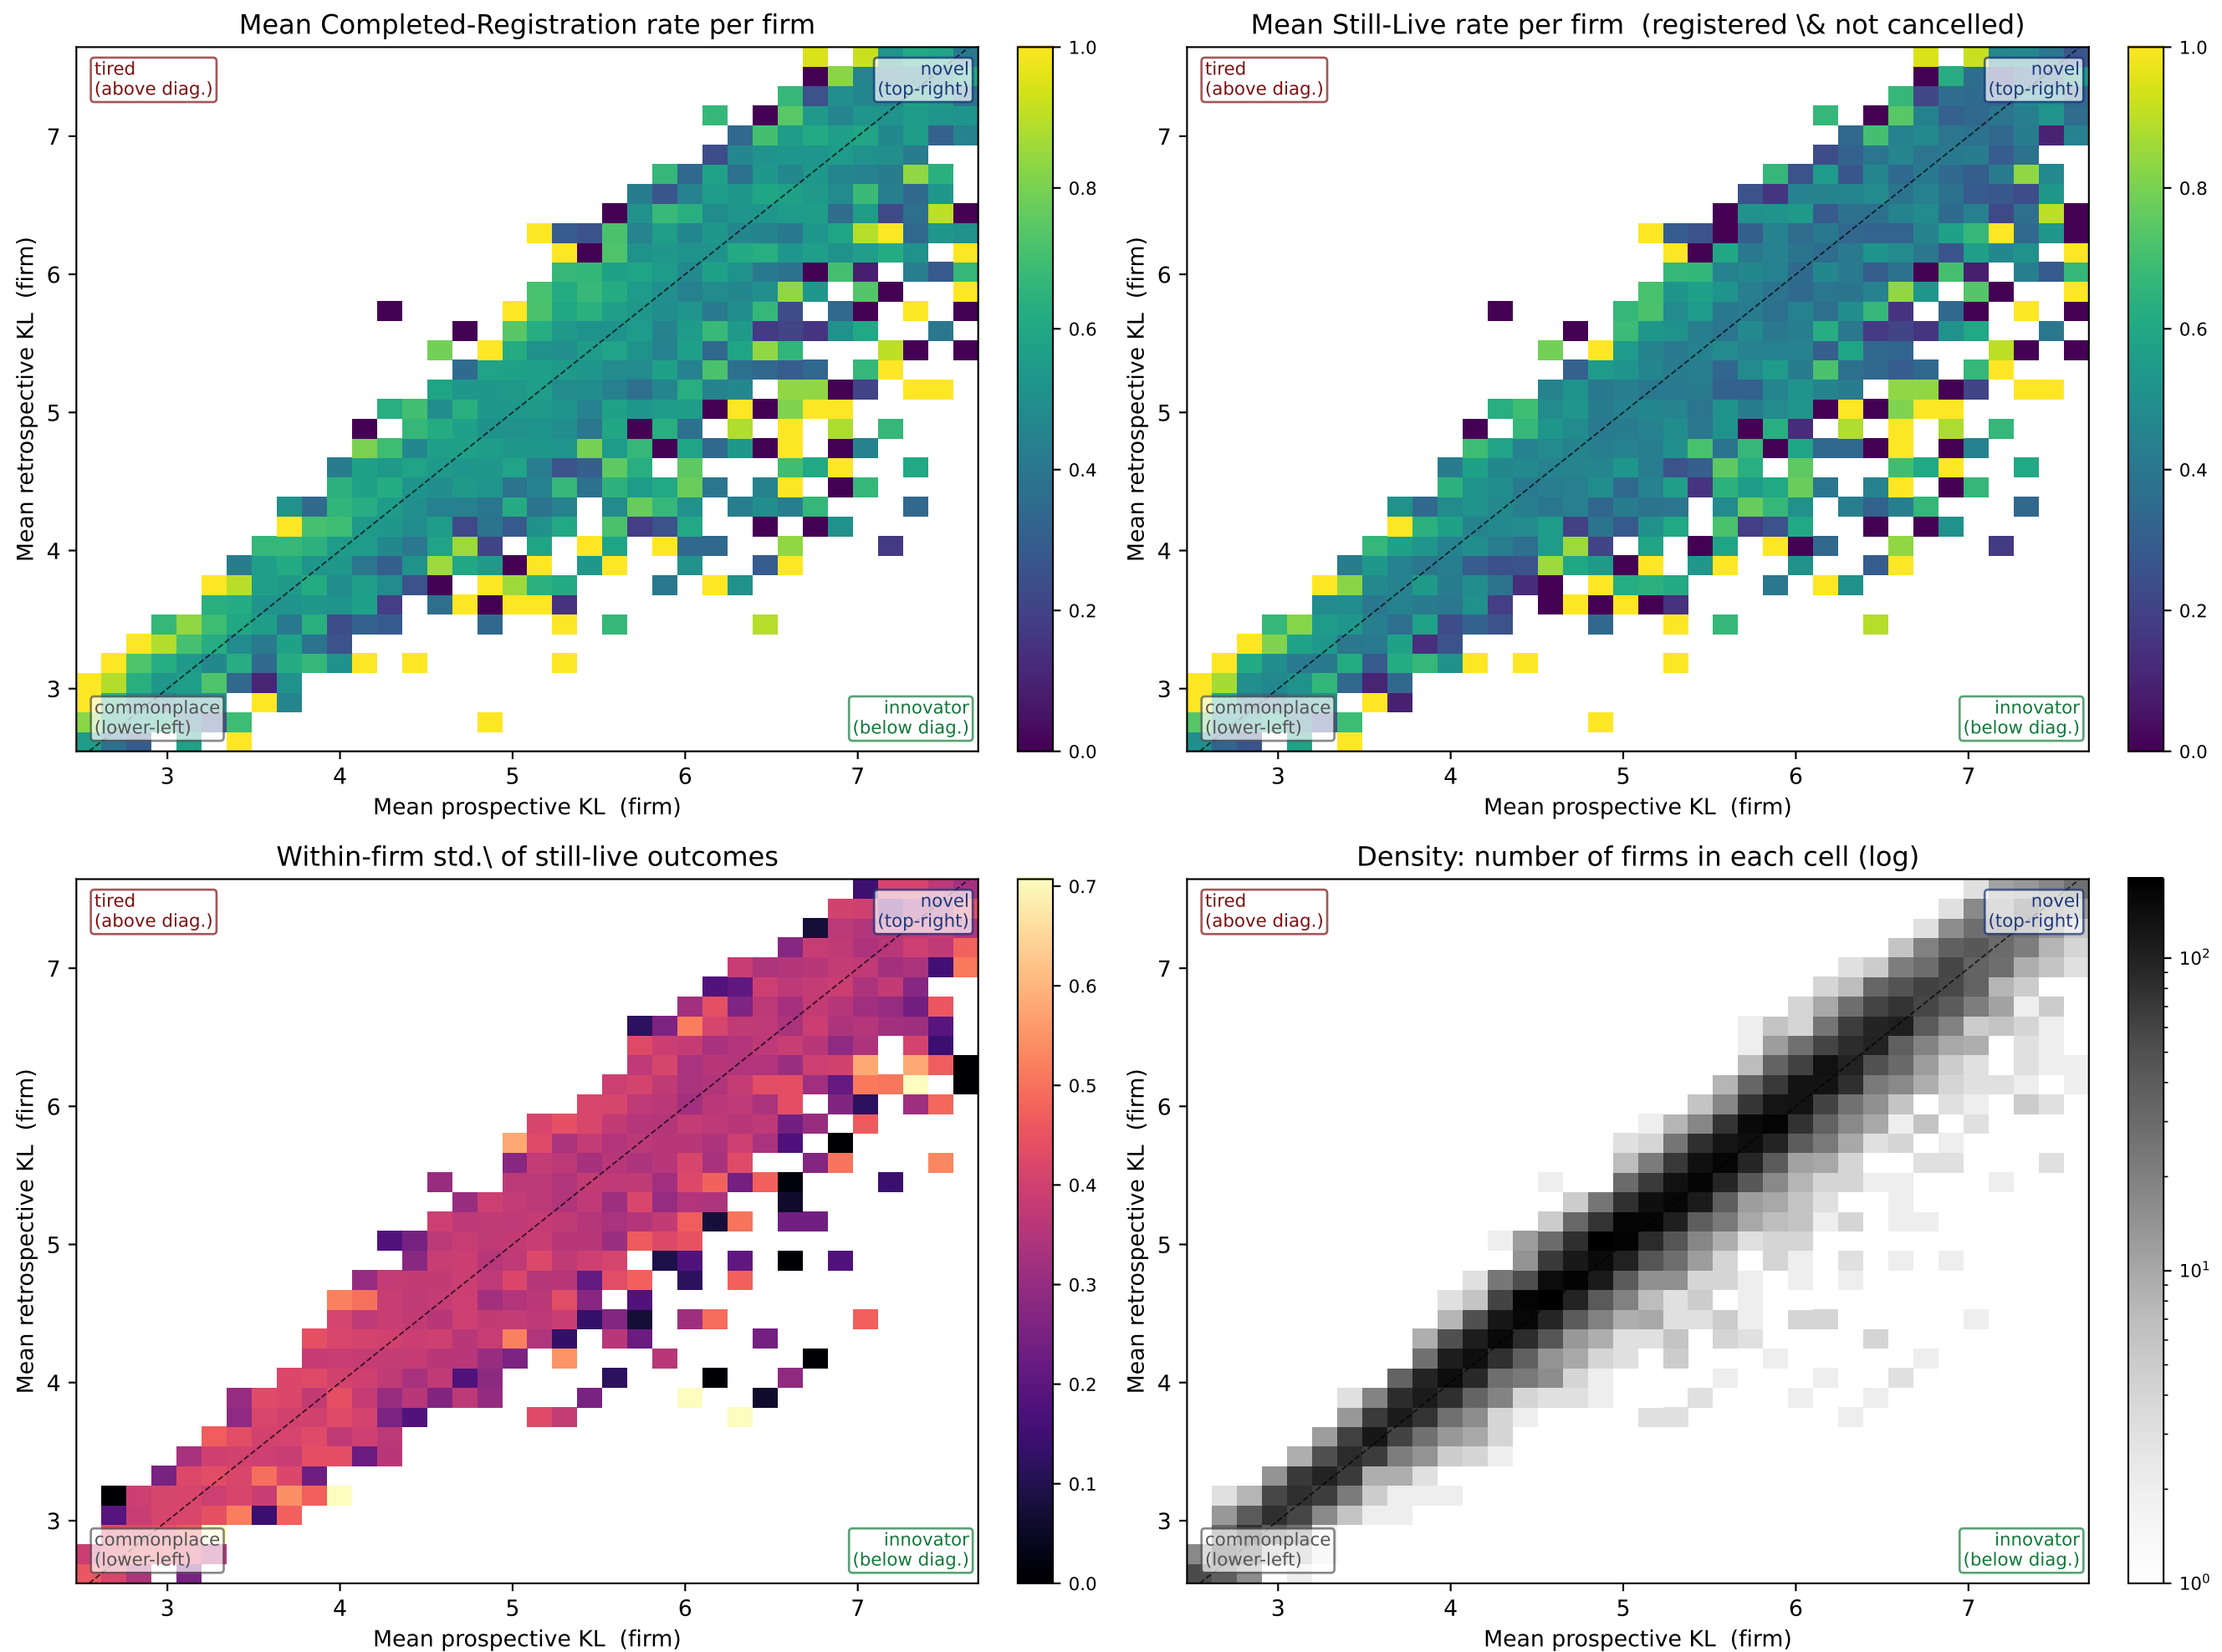

Class 003 — Cosmetics & Cleaning — 247,610 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=14,834 firms

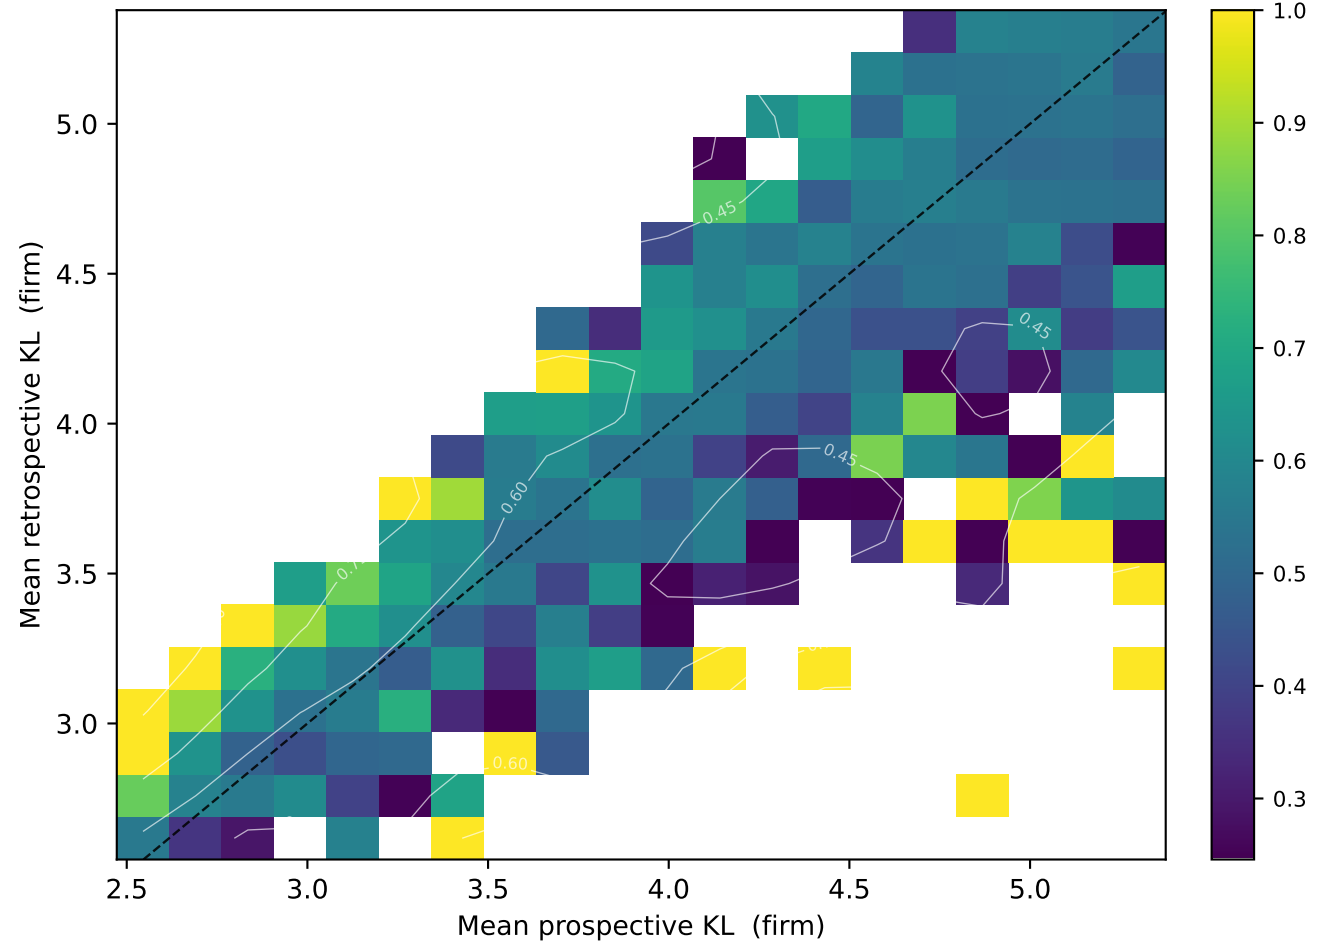

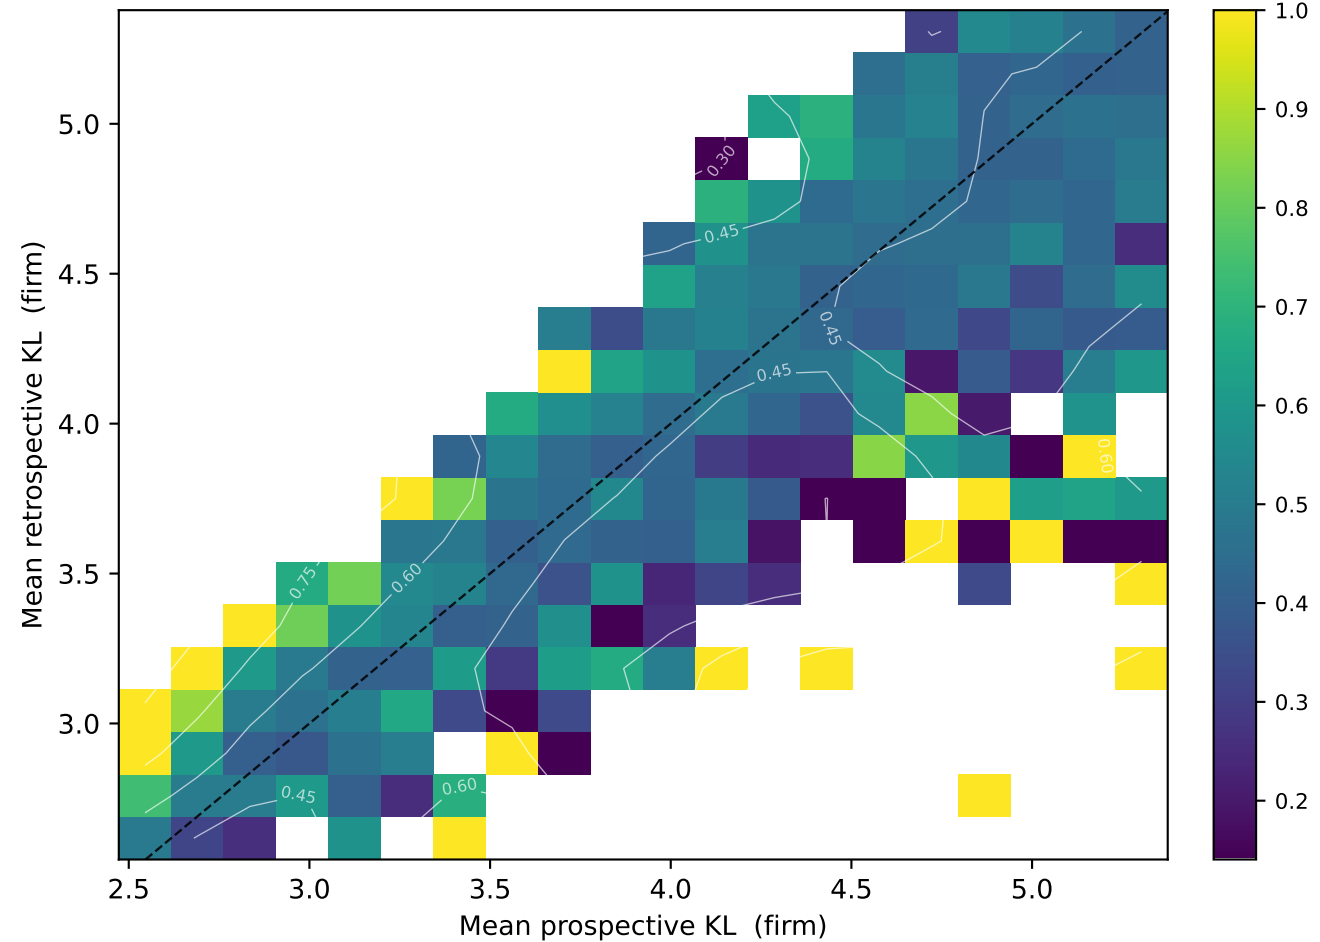

Class 028 — Toys, Games & Sporting Goods — 243,379 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=13,669 firms

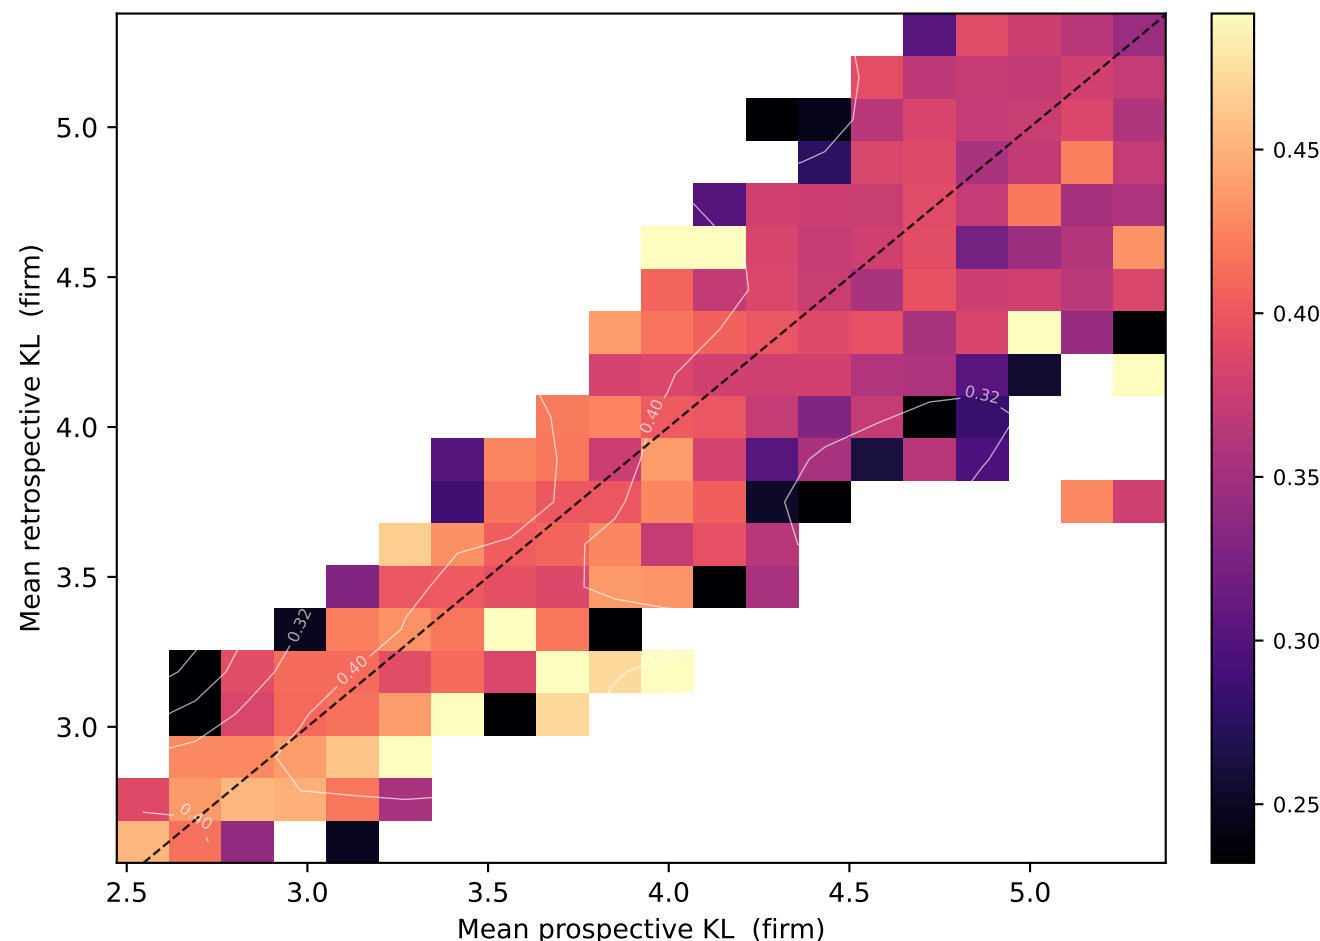

Mean Completed-Registration rate per firm

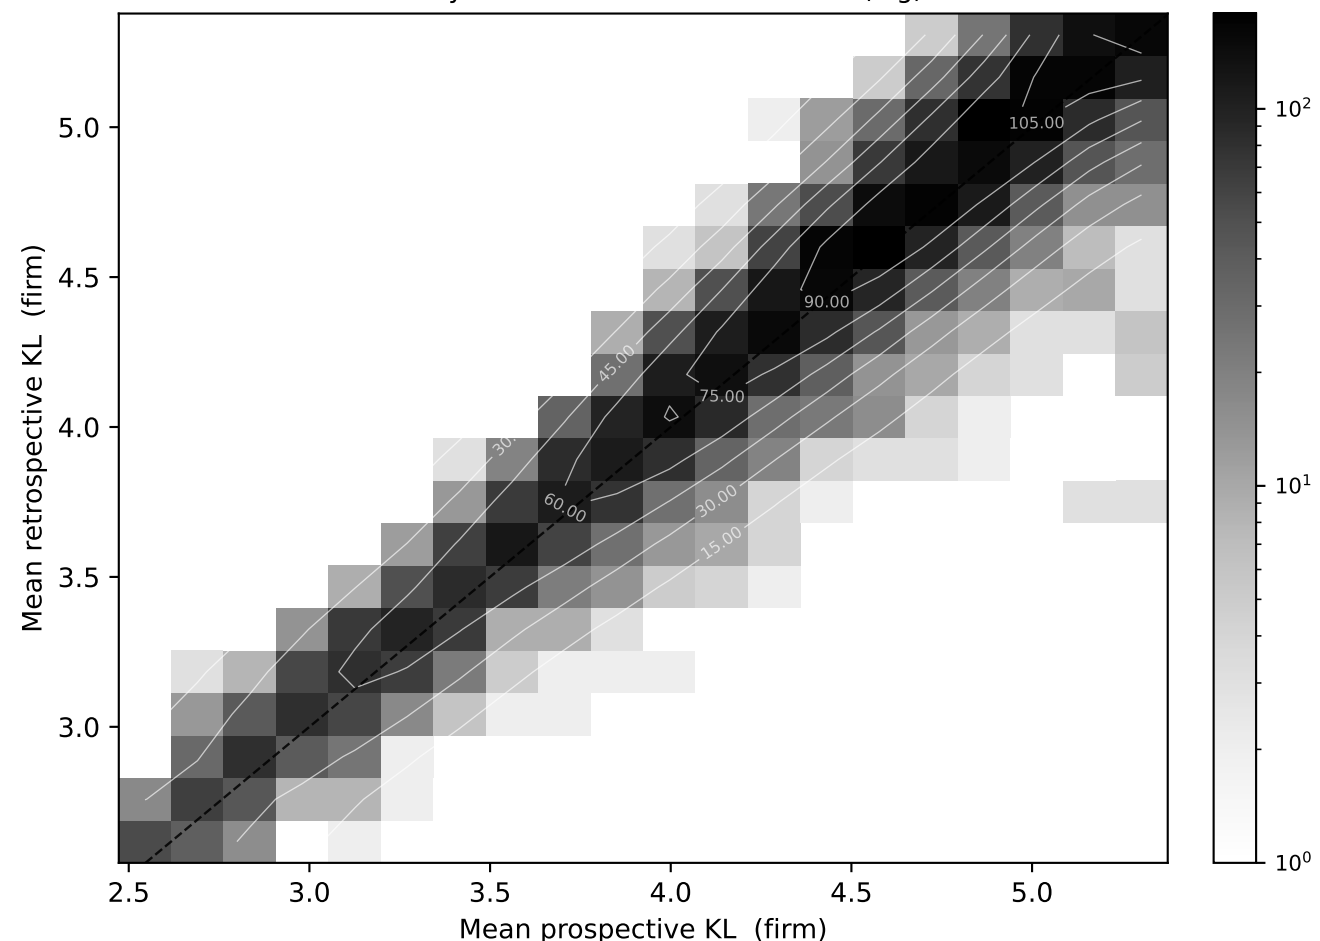

Mean Still-Live rate per firm (registered & not cancelled)

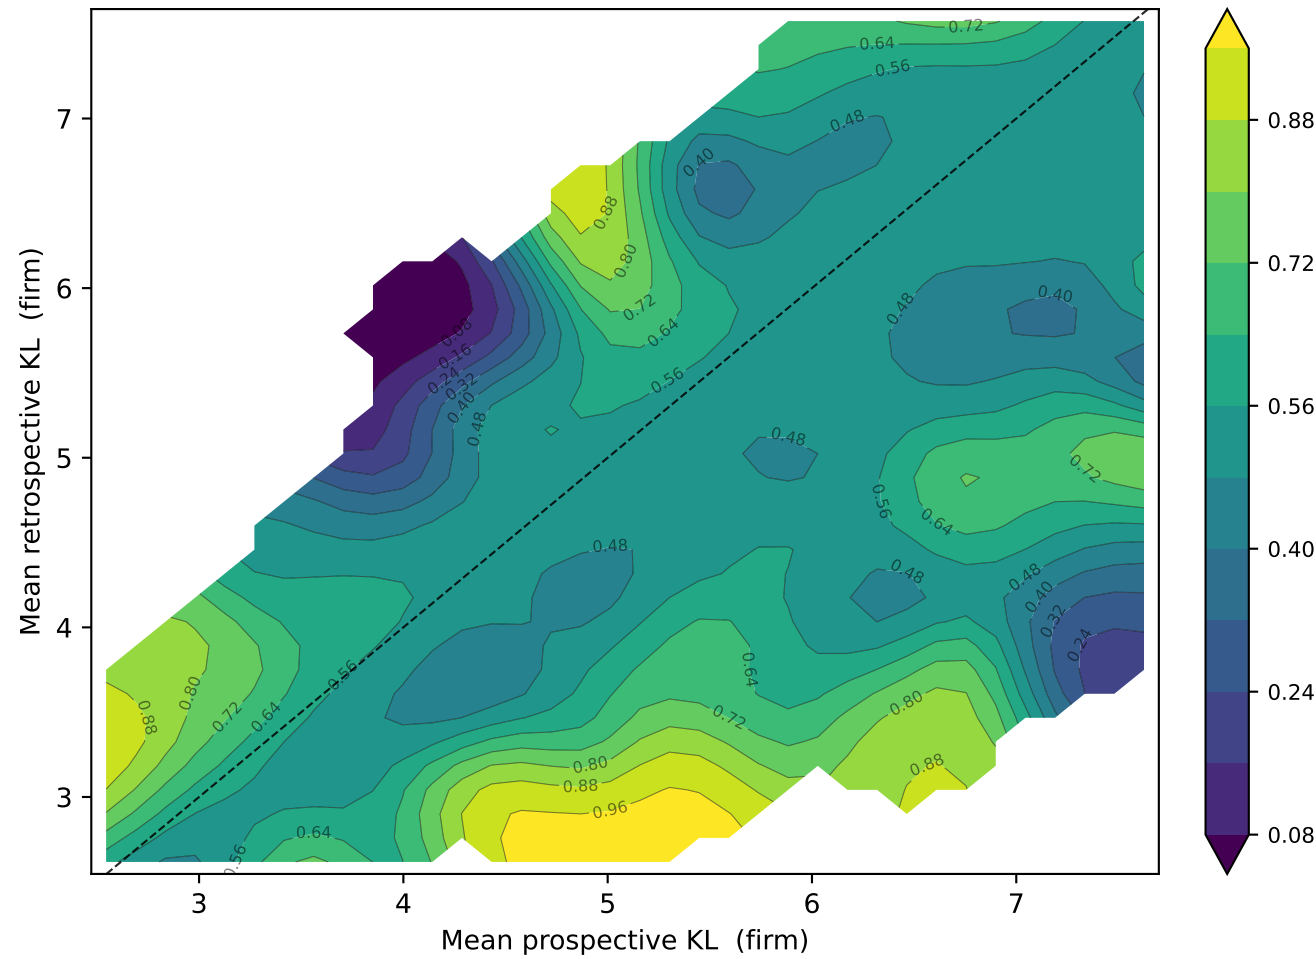

Within-firm std.\ of still-live outcomes

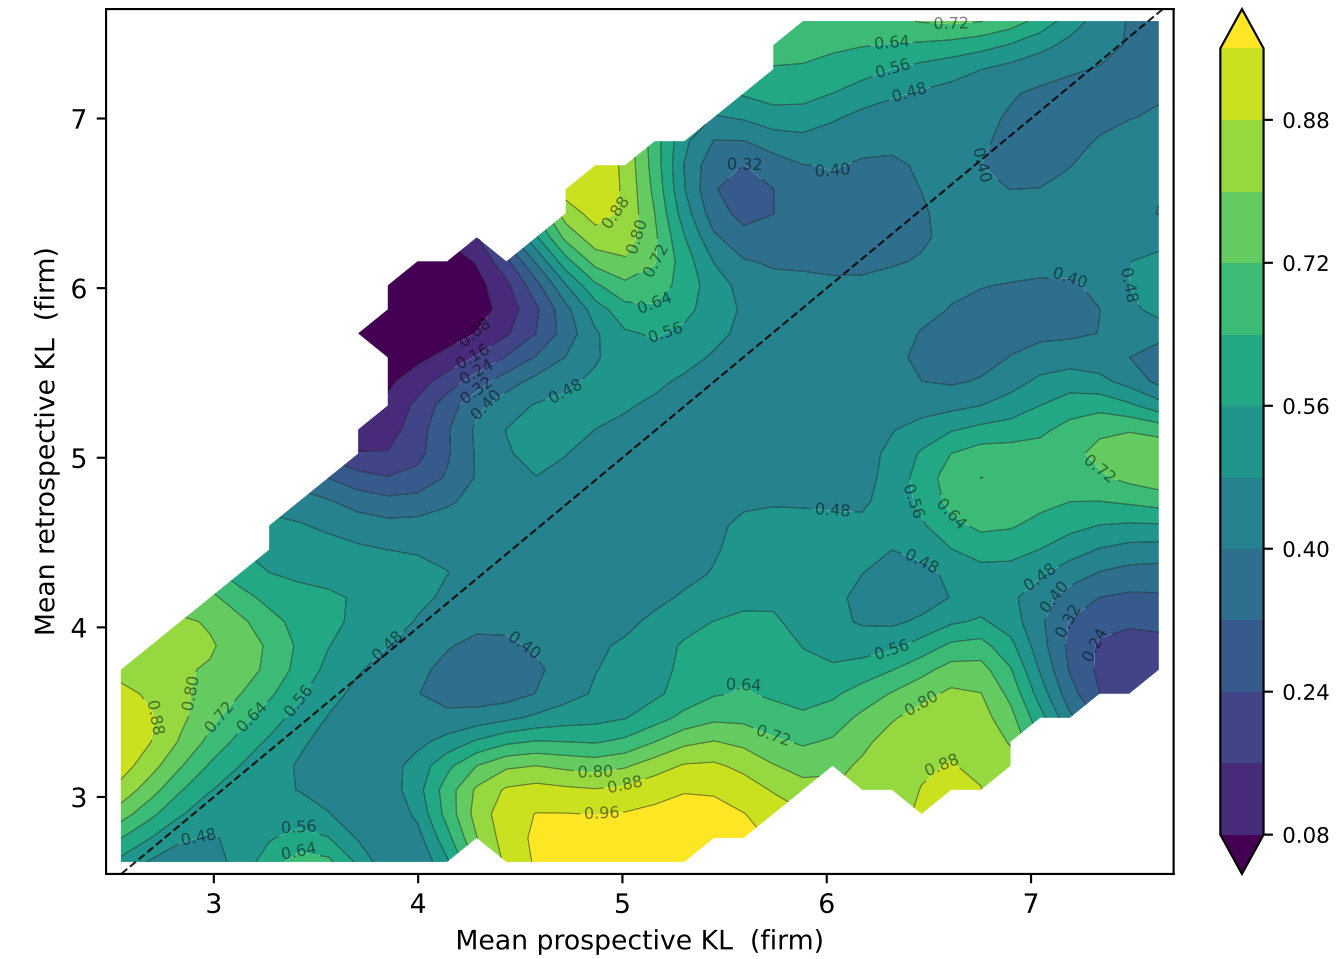

Density: number of firms in each cell (log)

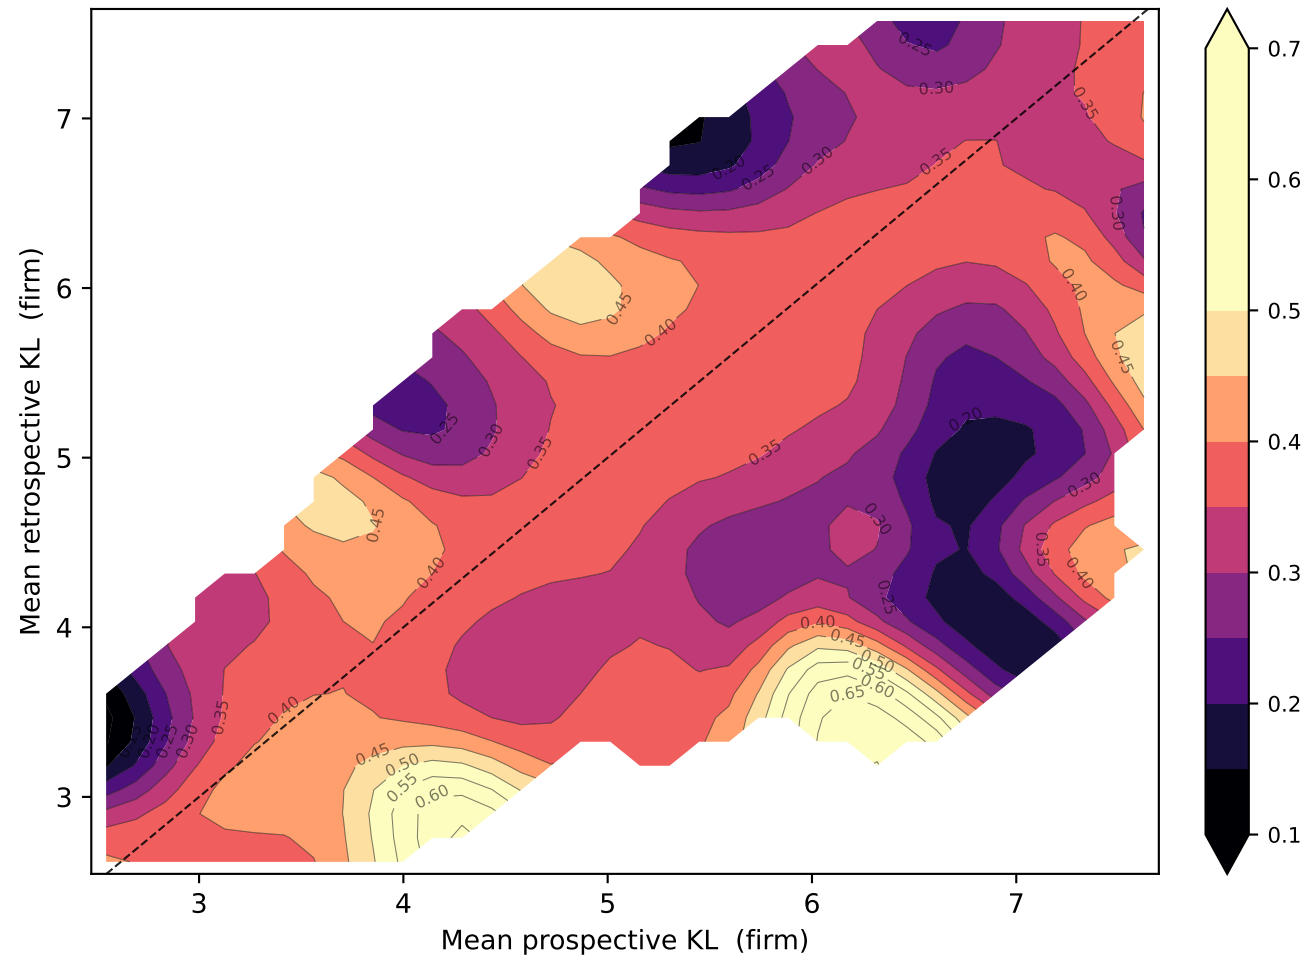

Mean Completed-Registration rate per firm

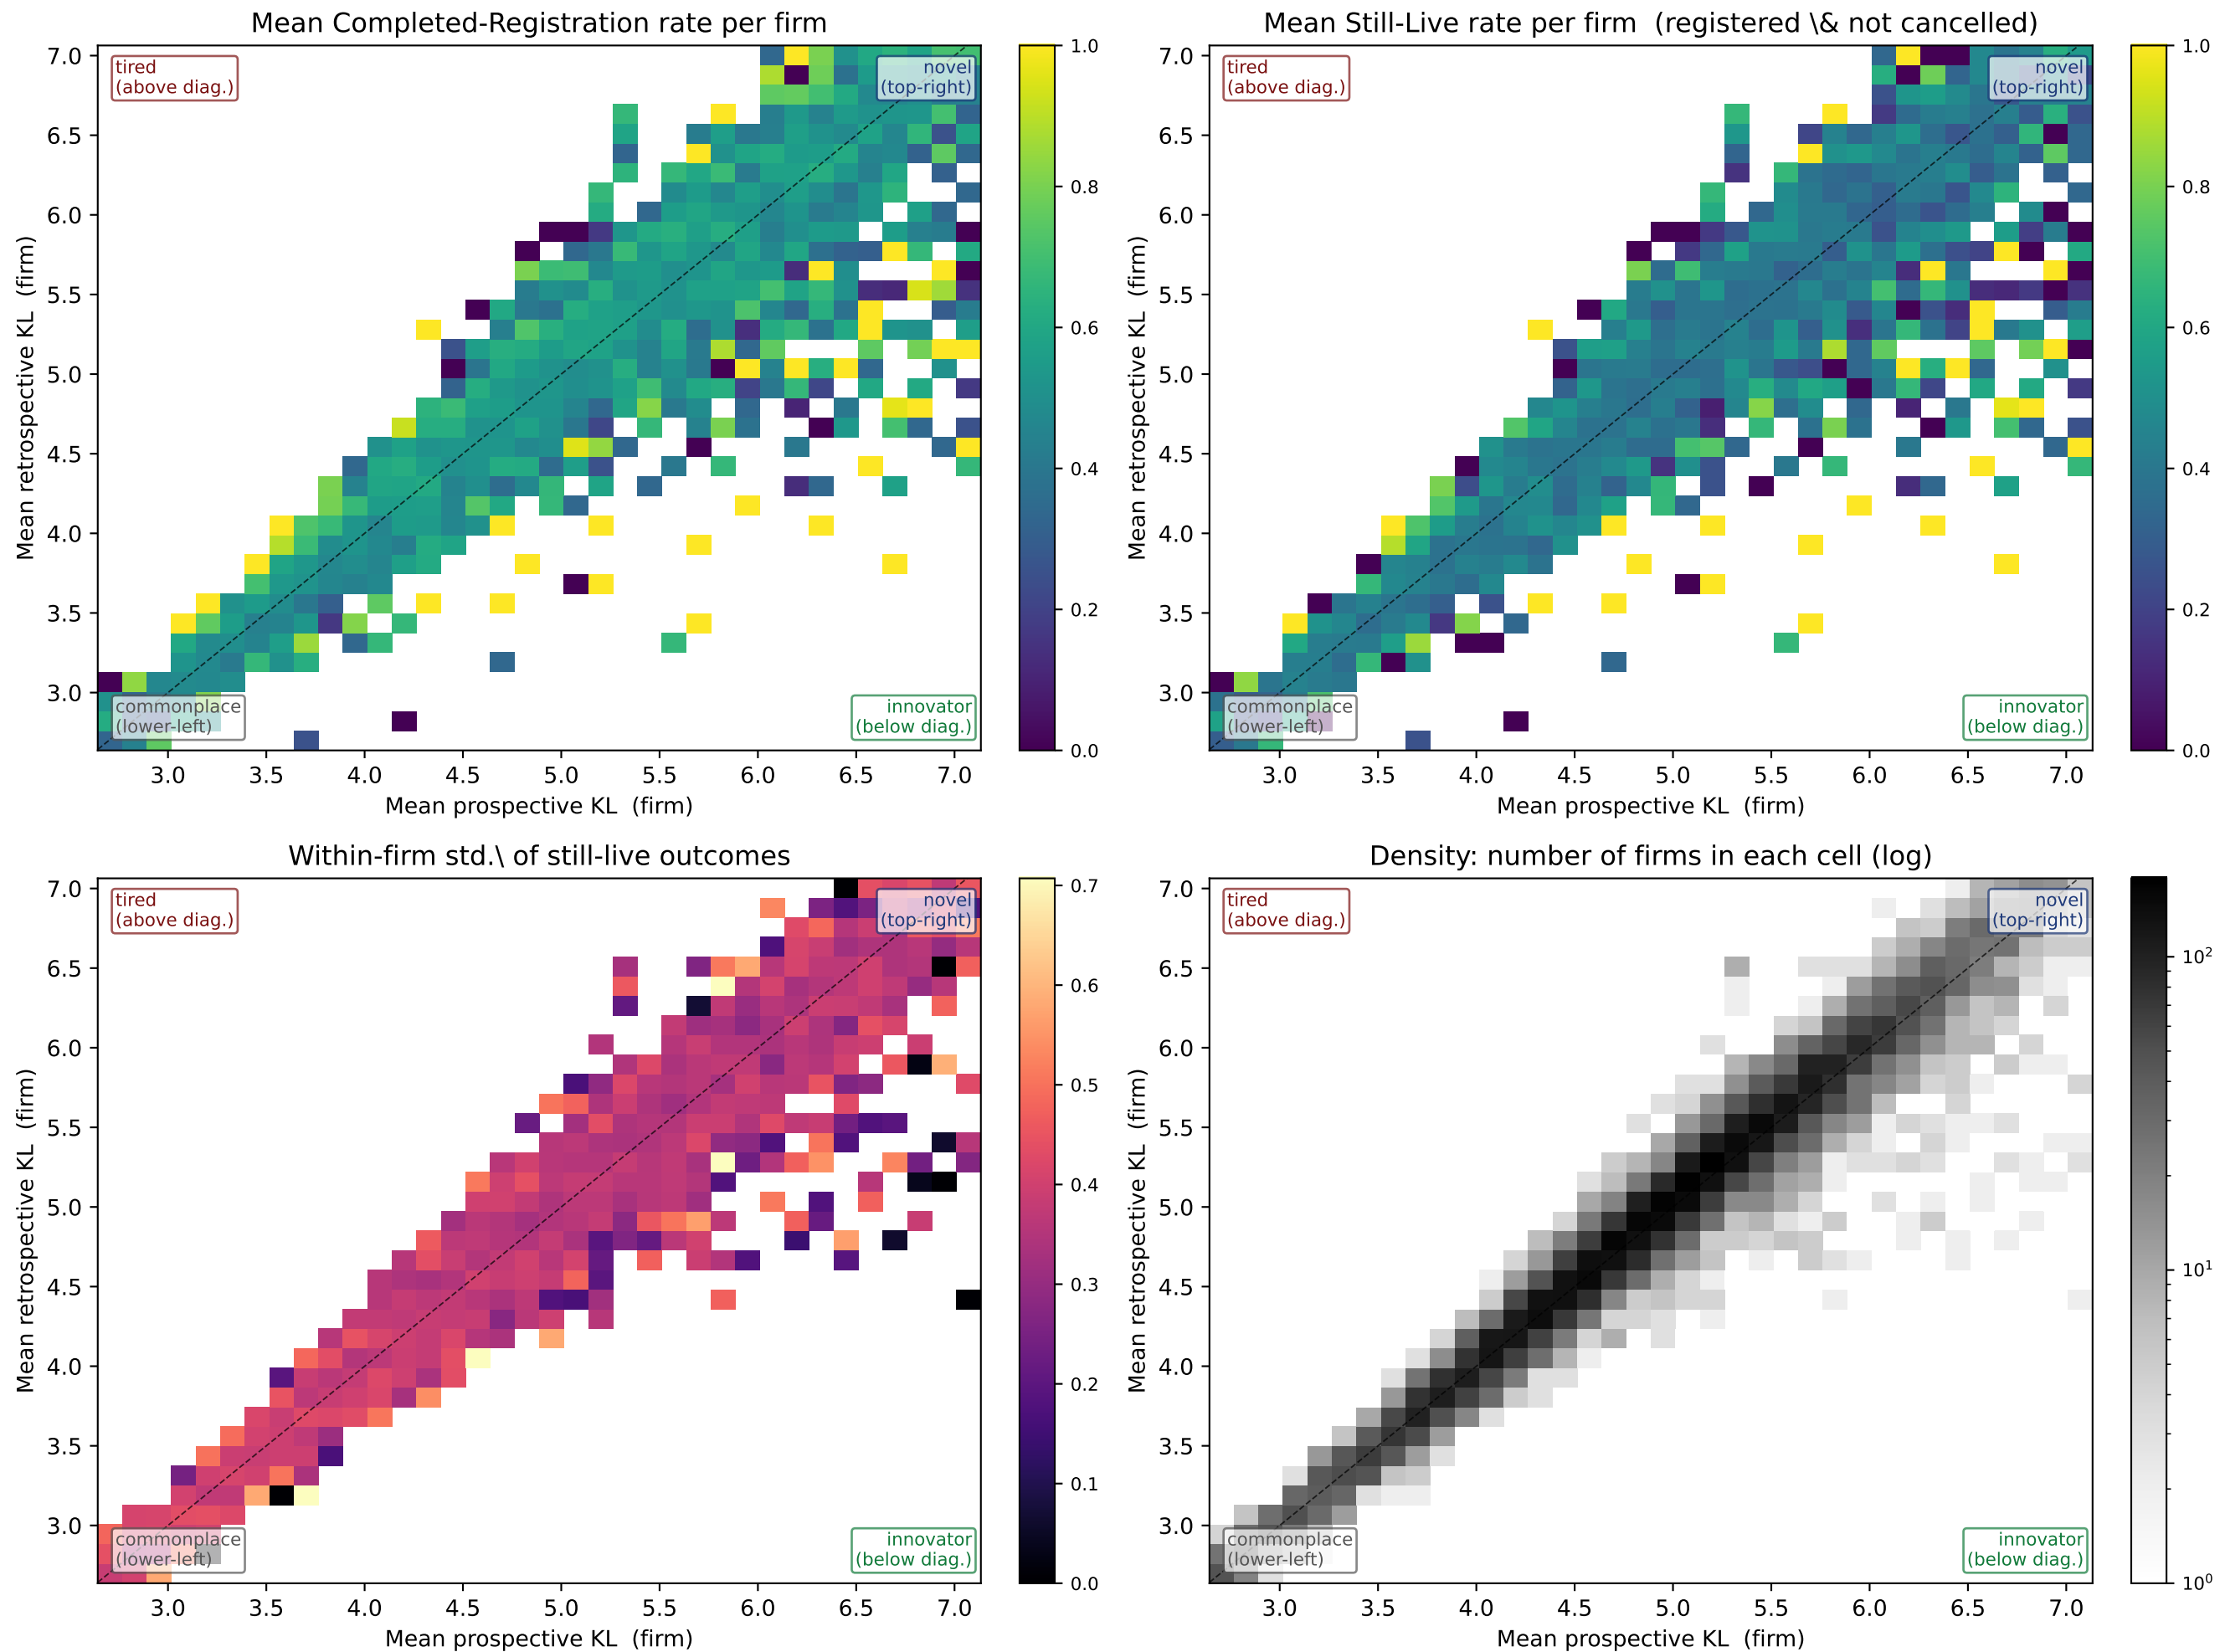

Mean Still-Live rate per firm (registered \& not cancelled)

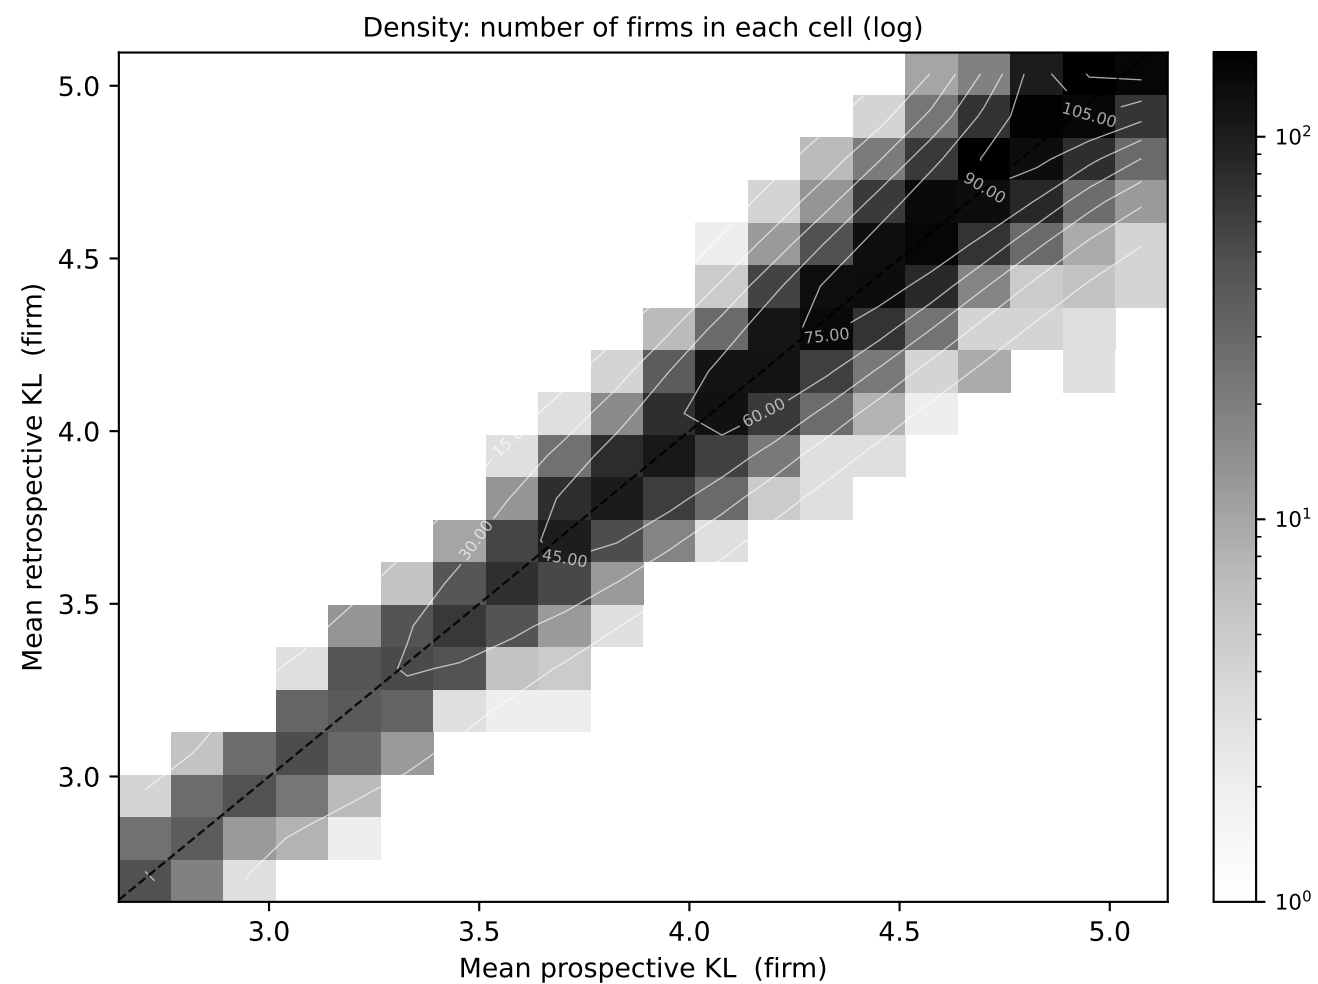

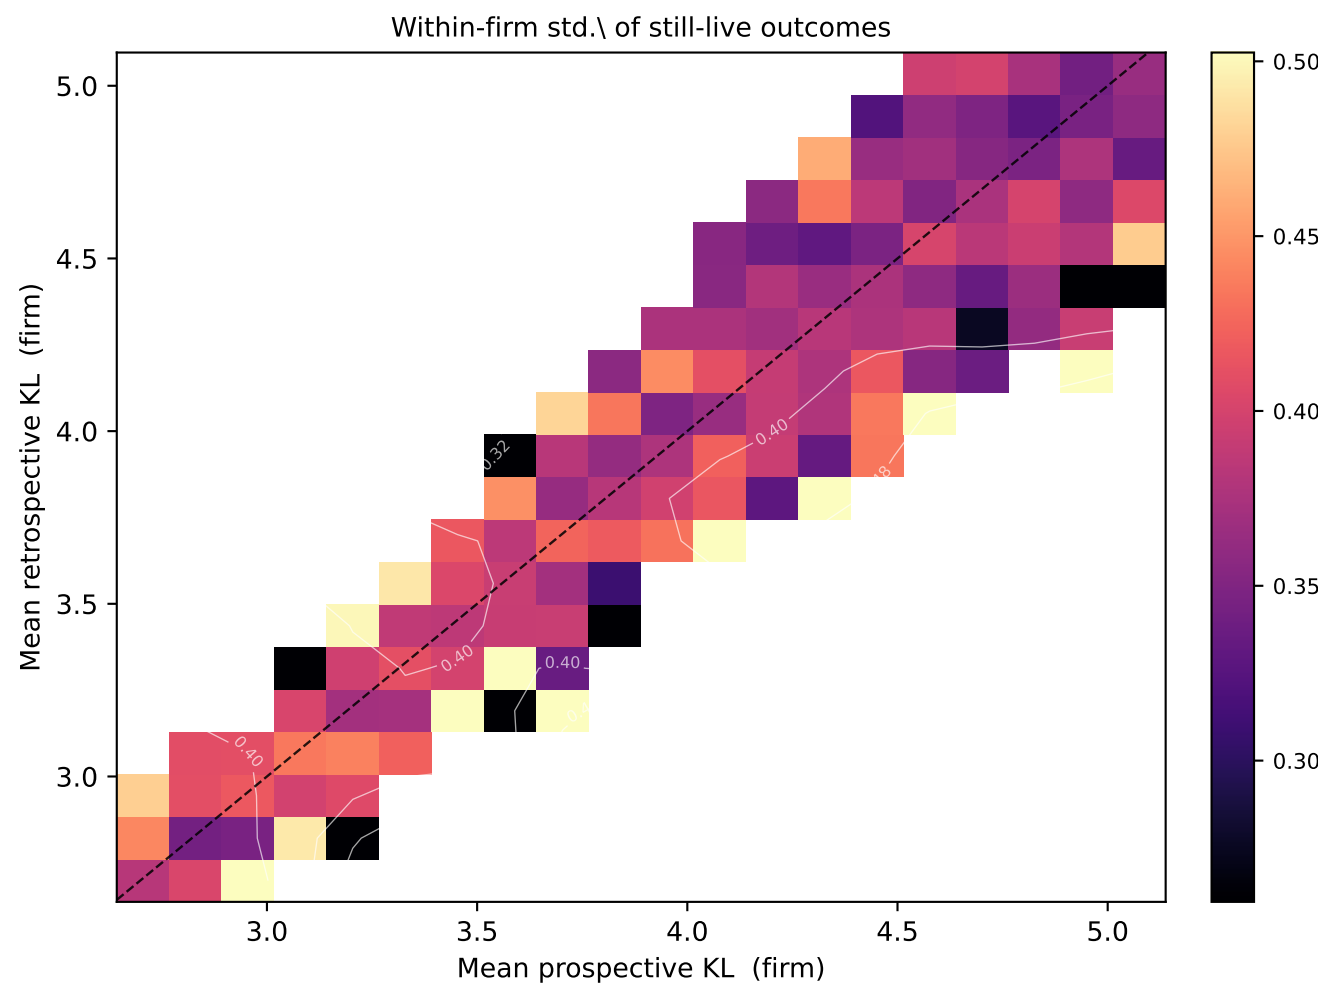

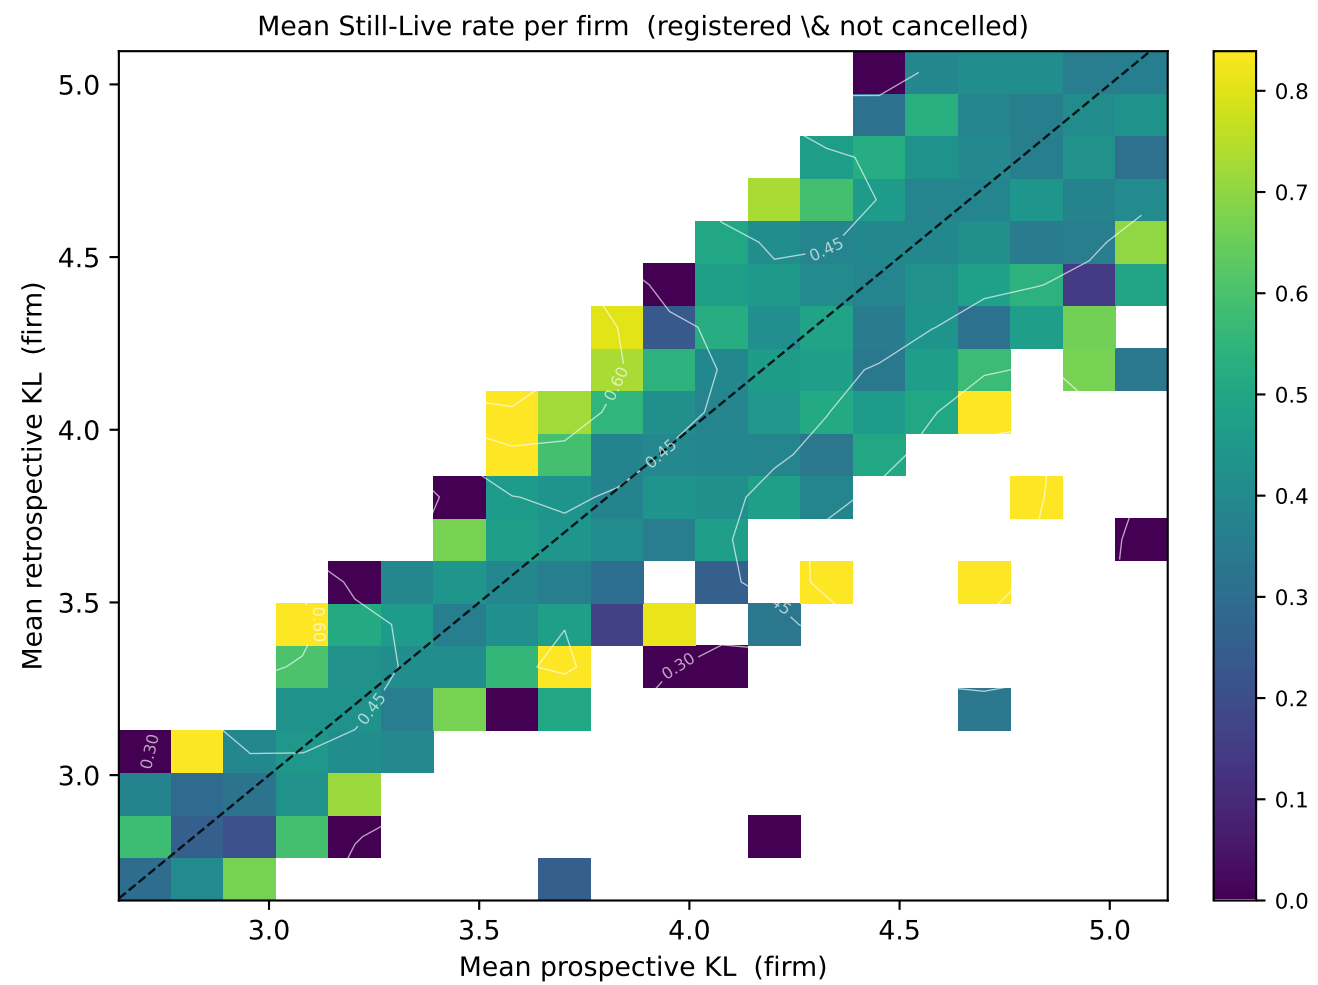

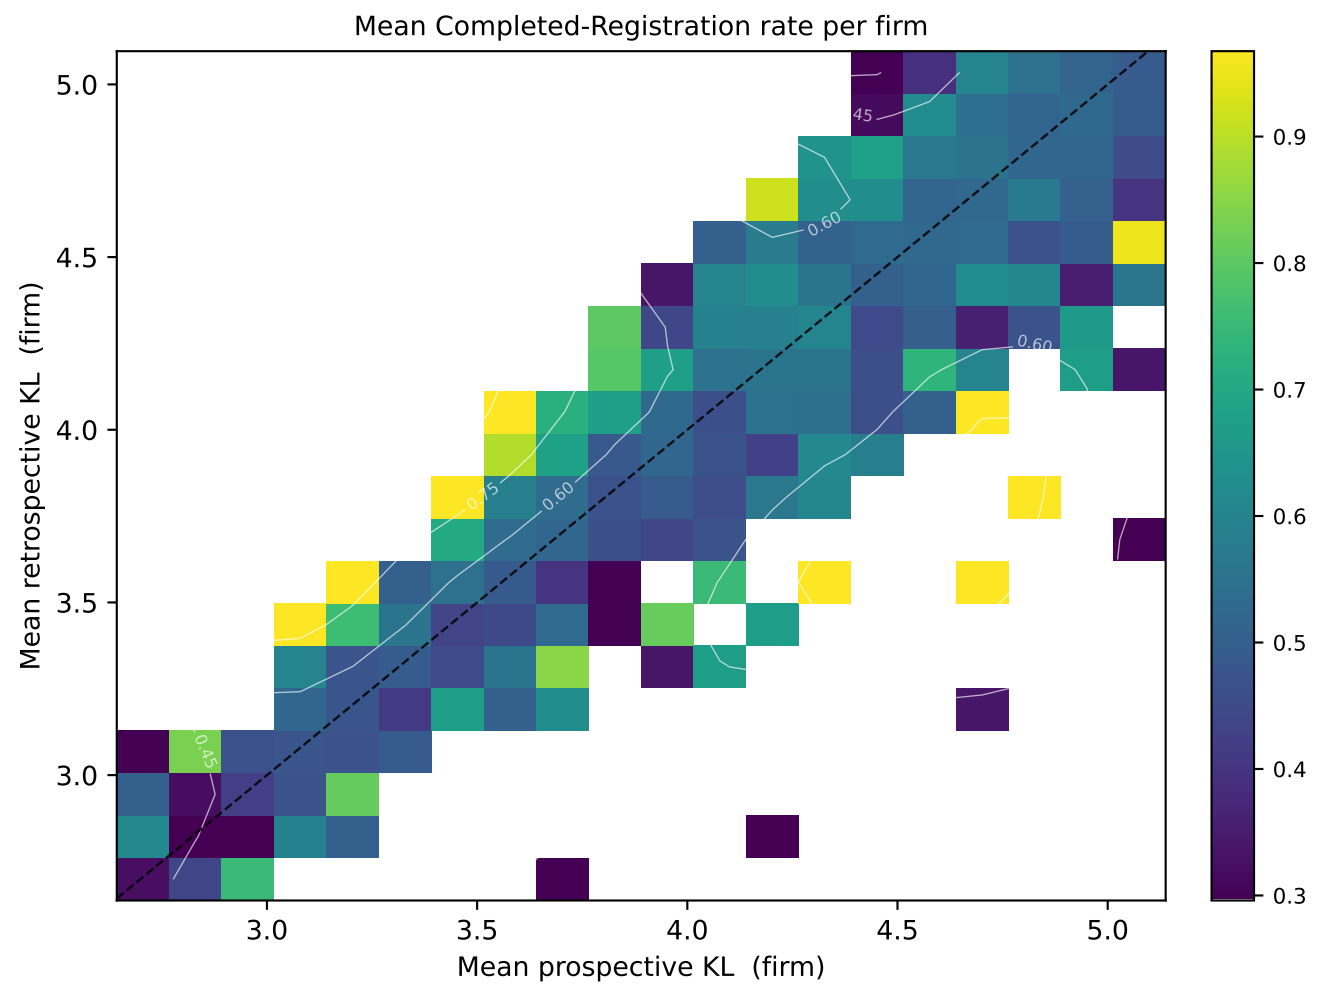

Within-firm std.\ of still-live outcomes

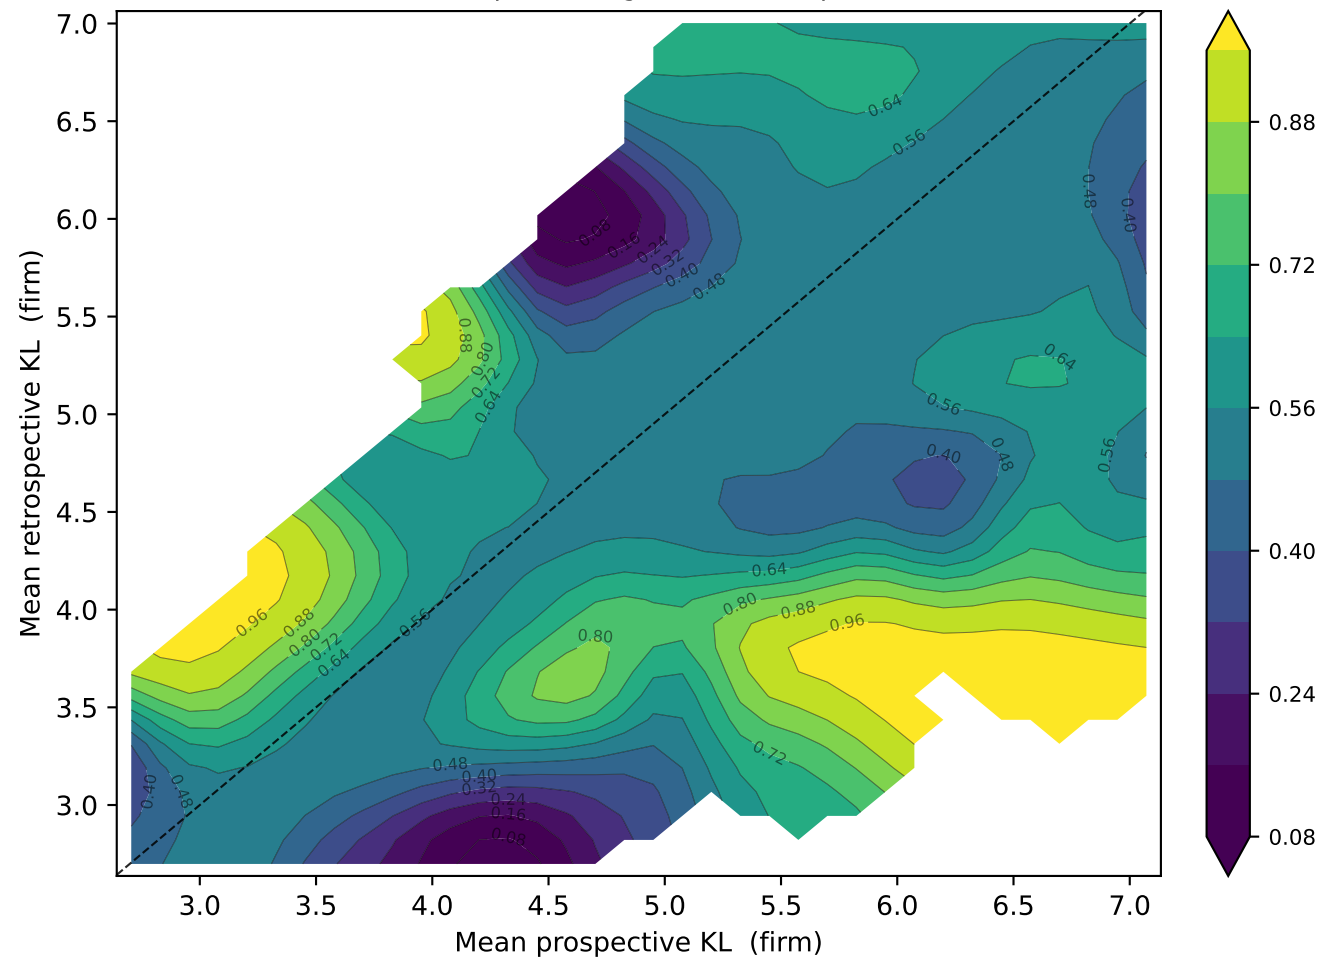

Class 030 — Coffee, Tea, Bakery & Spices — 168,046 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=10,939 firms

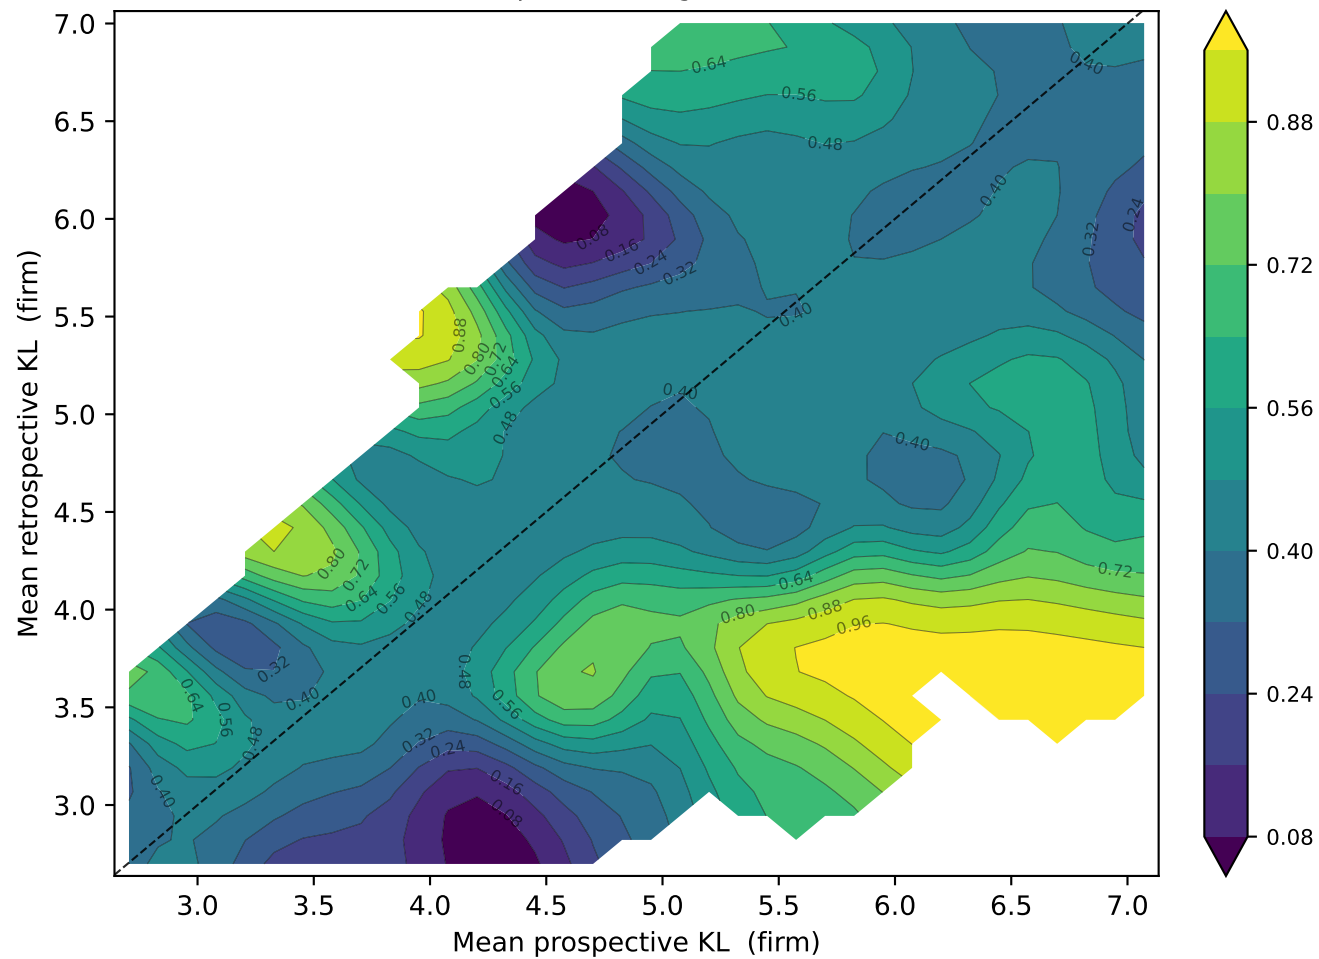

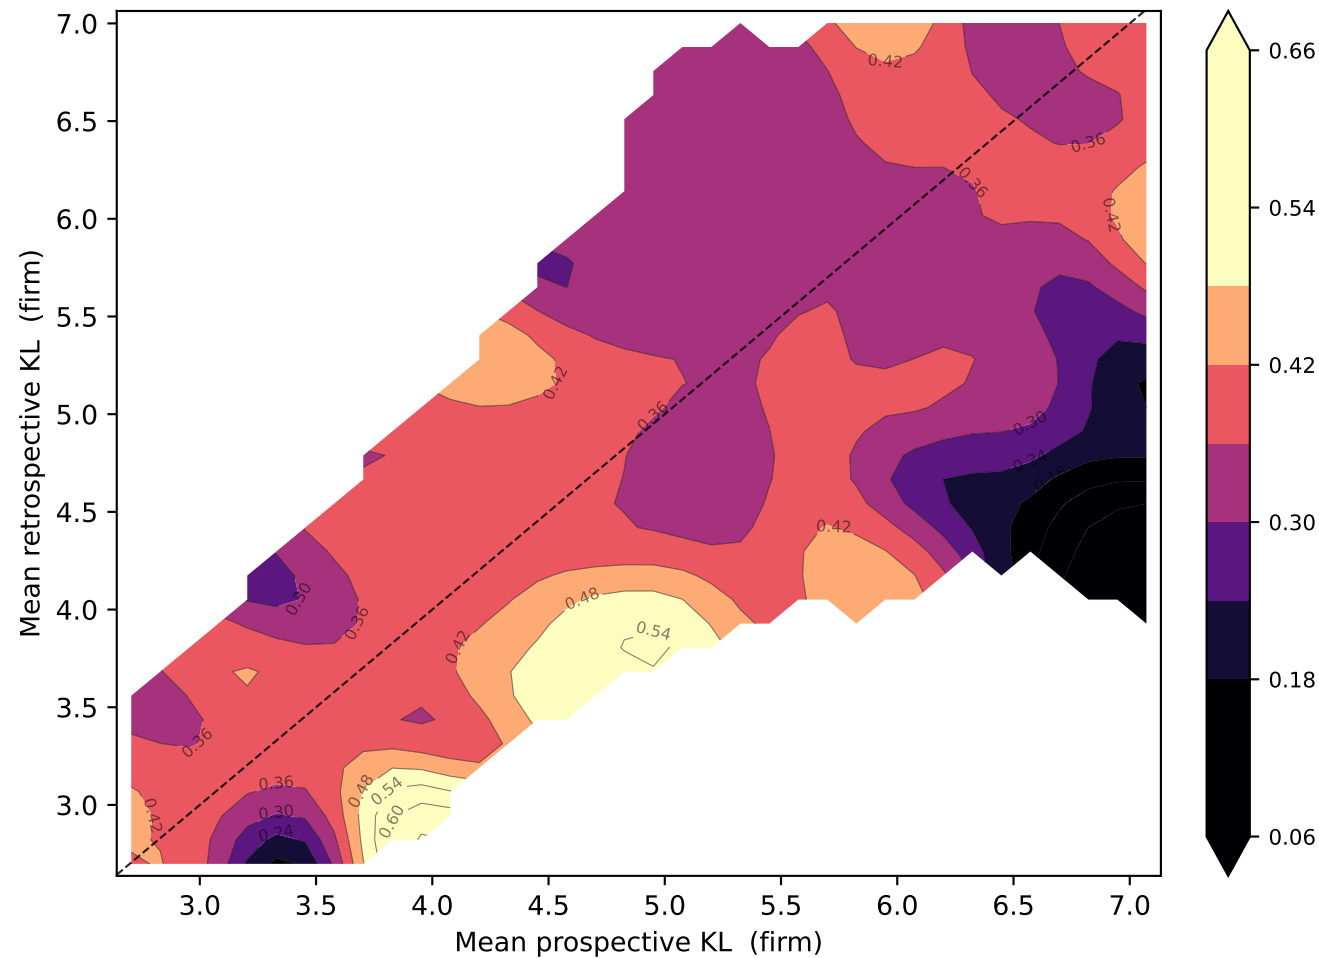

Mean Completed-Registration rate per firm

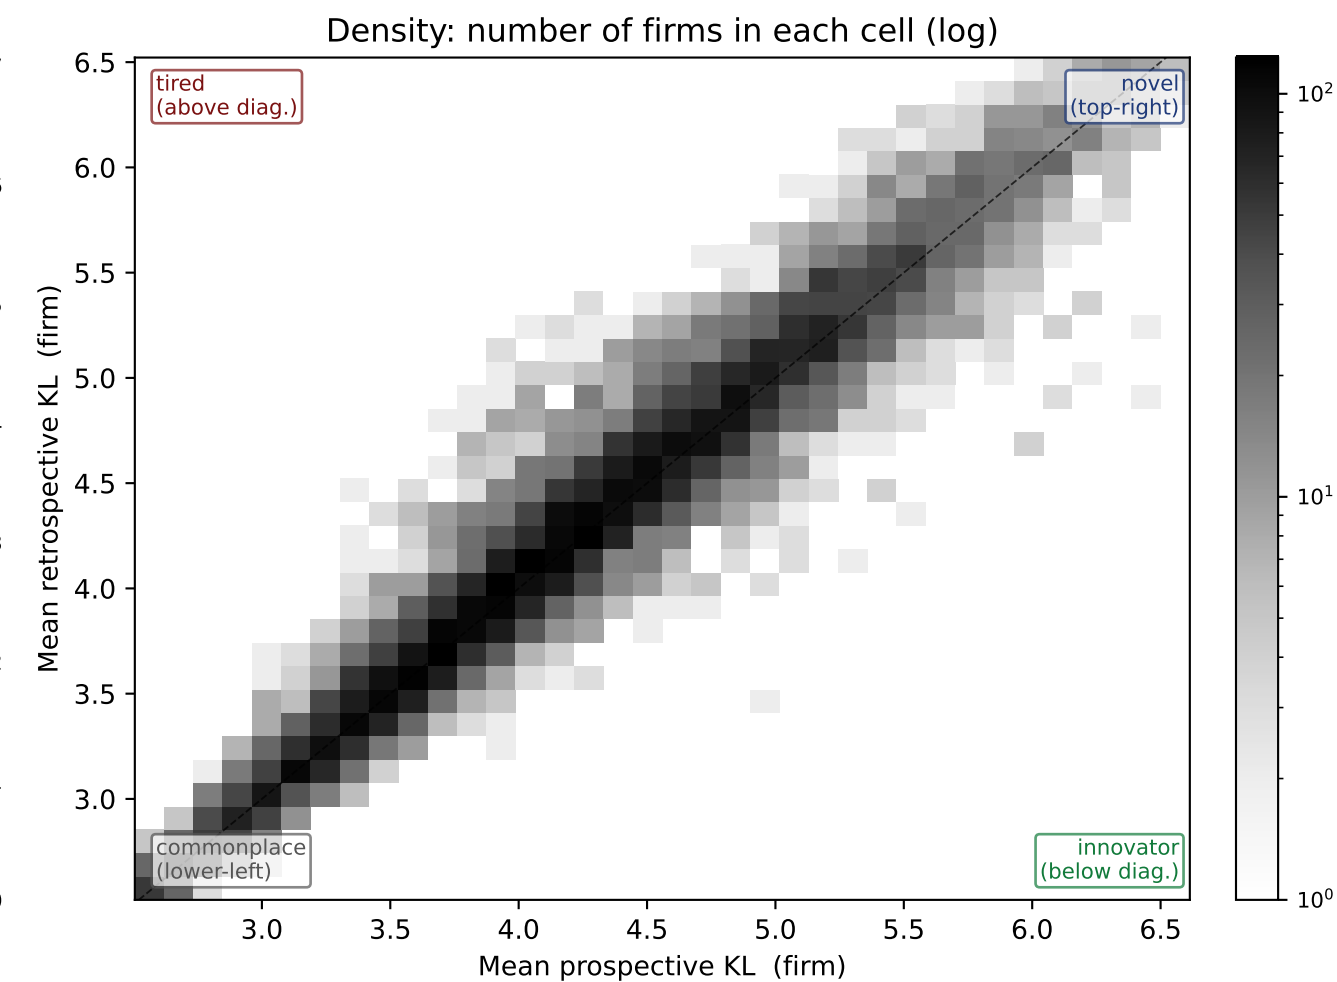

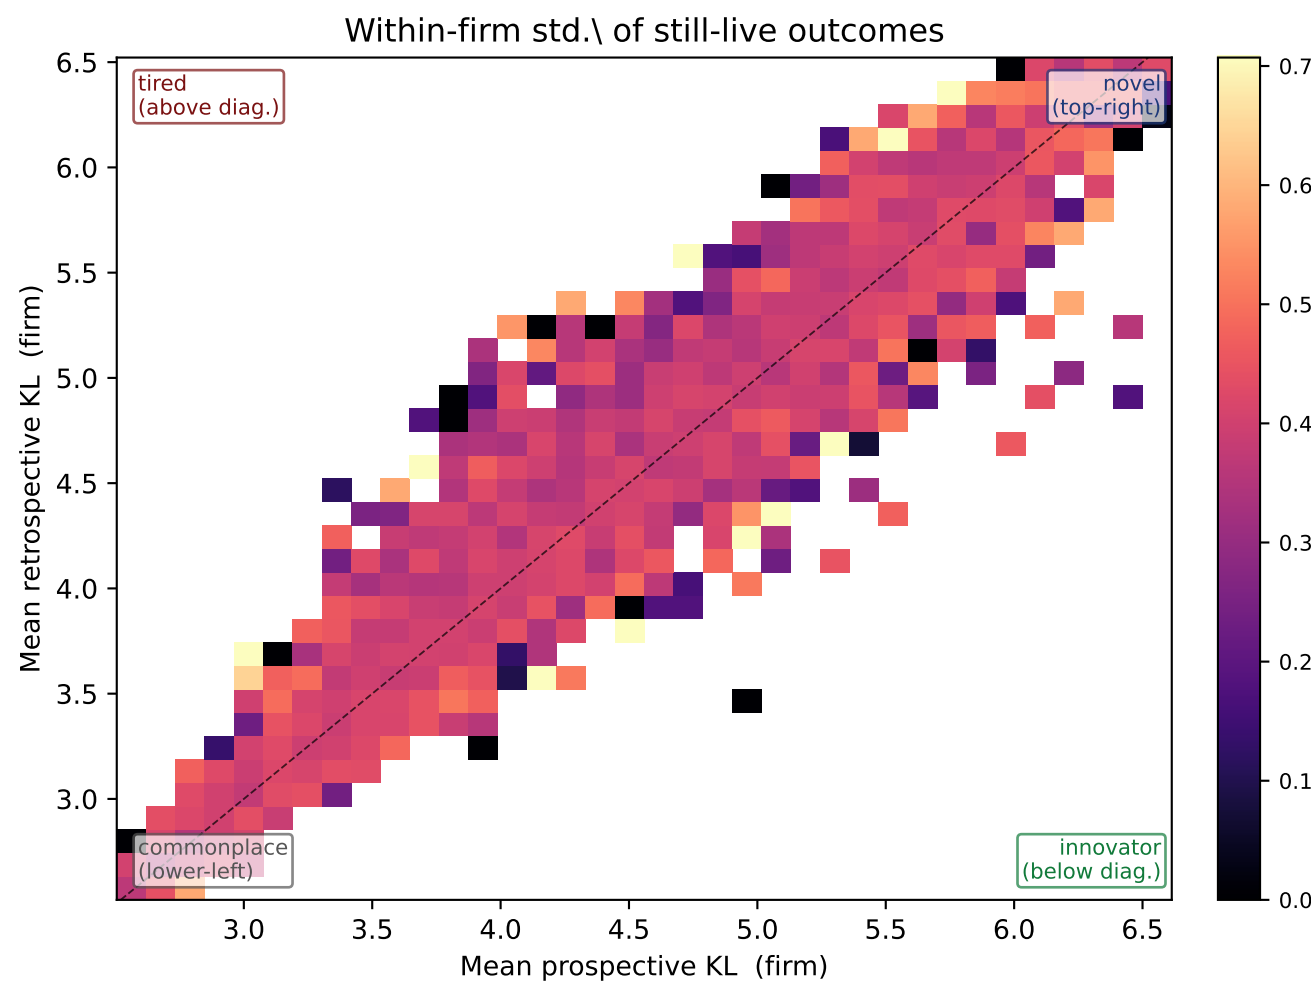

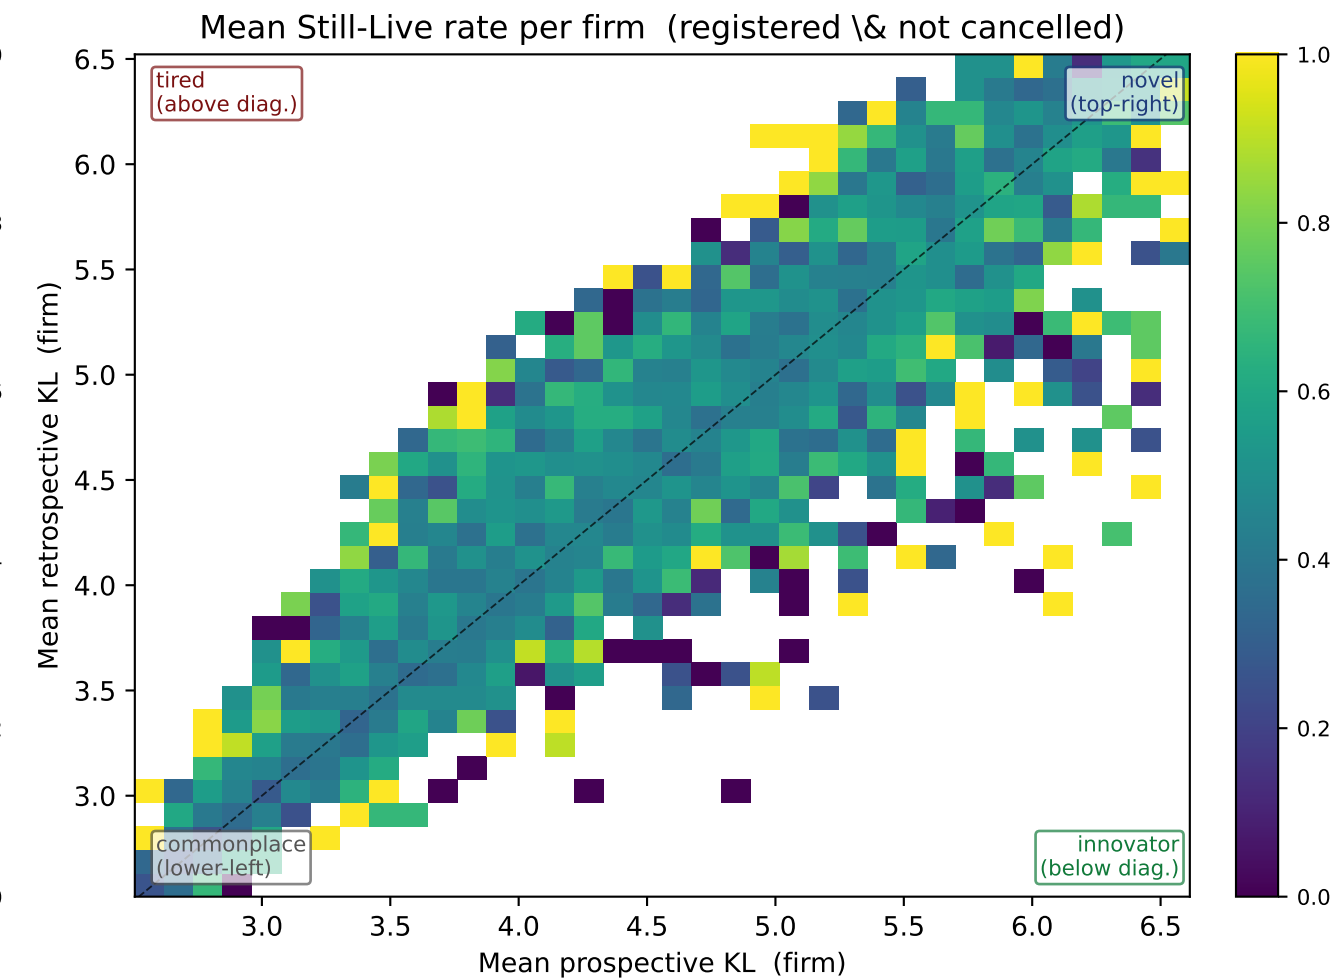

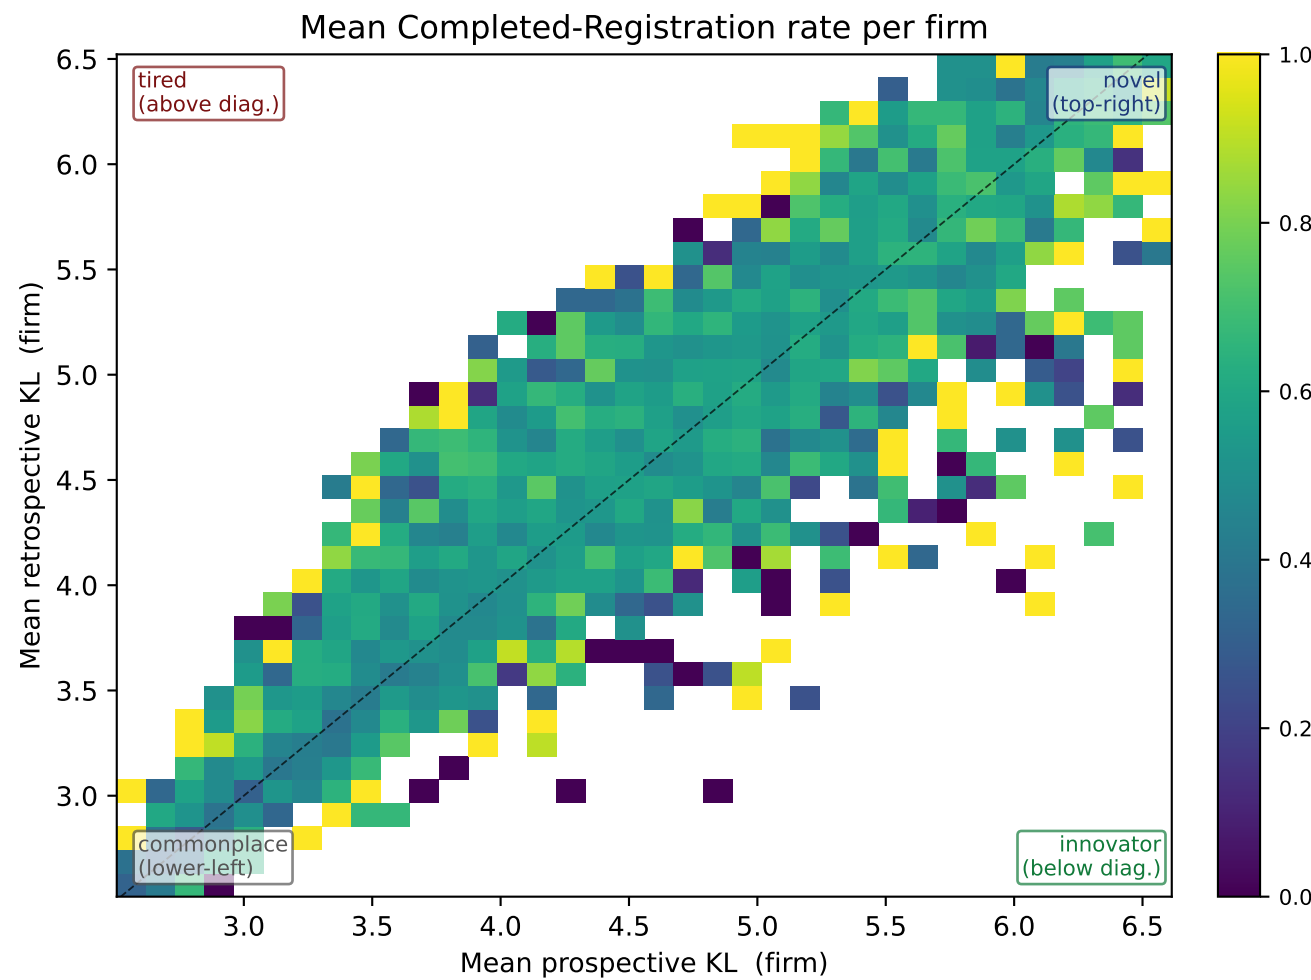

Mean Still-Live rate per firm (registered \& not cancelled)

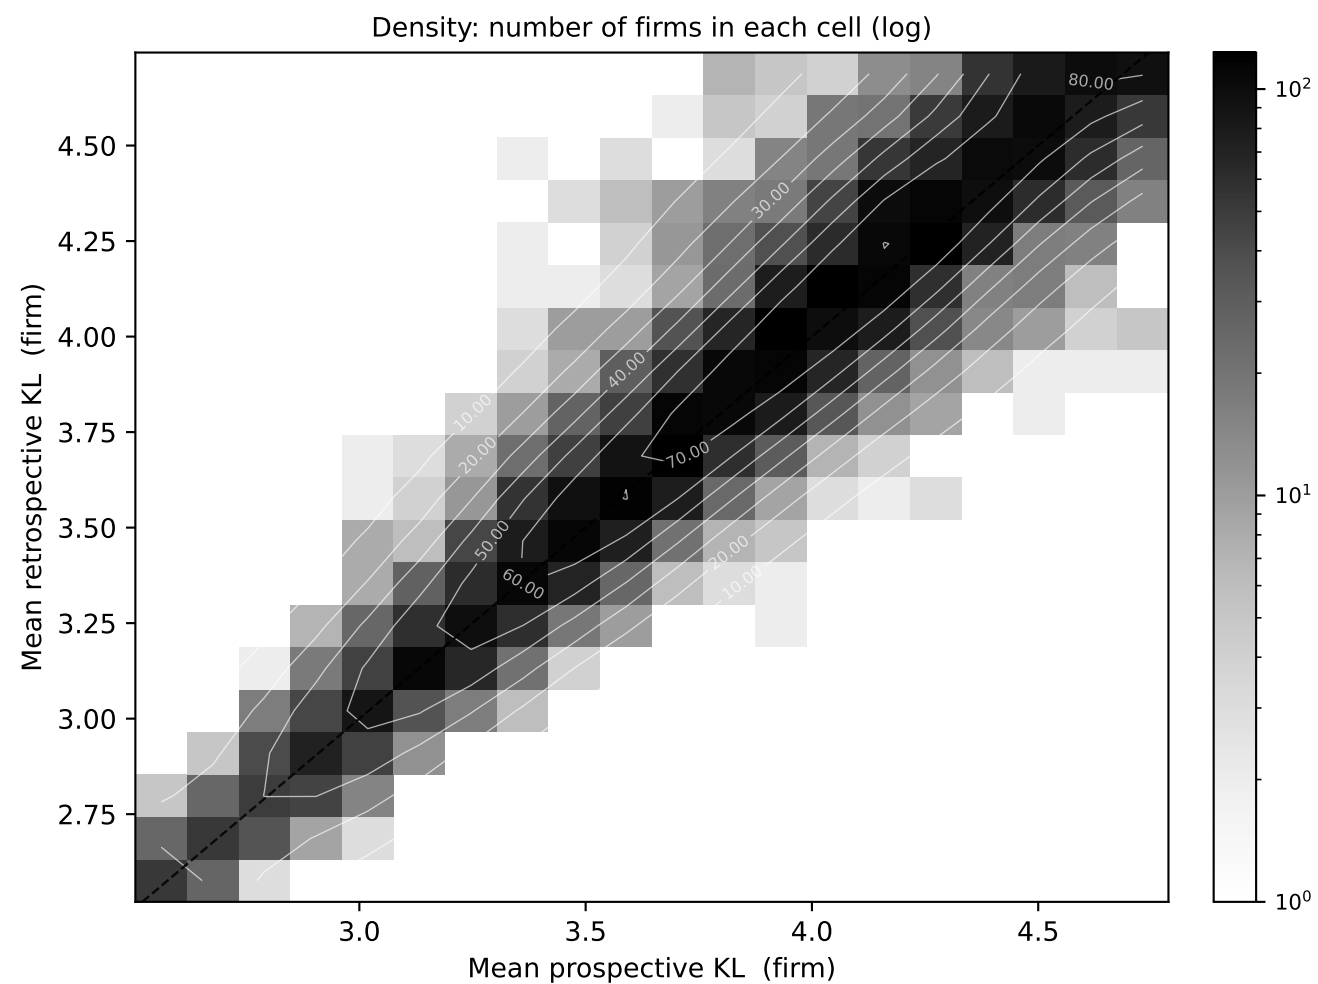

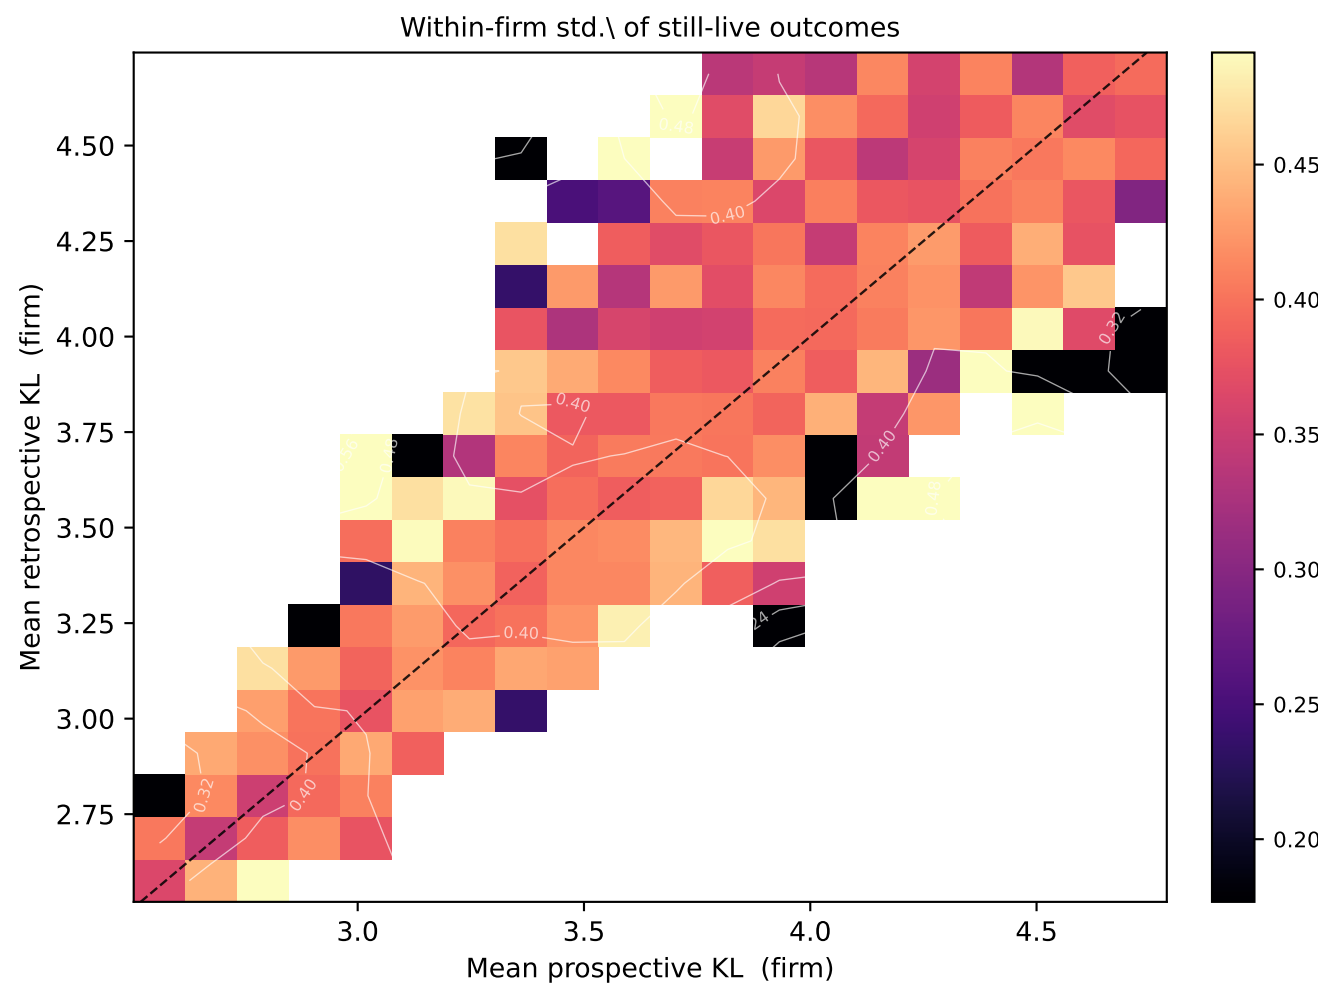

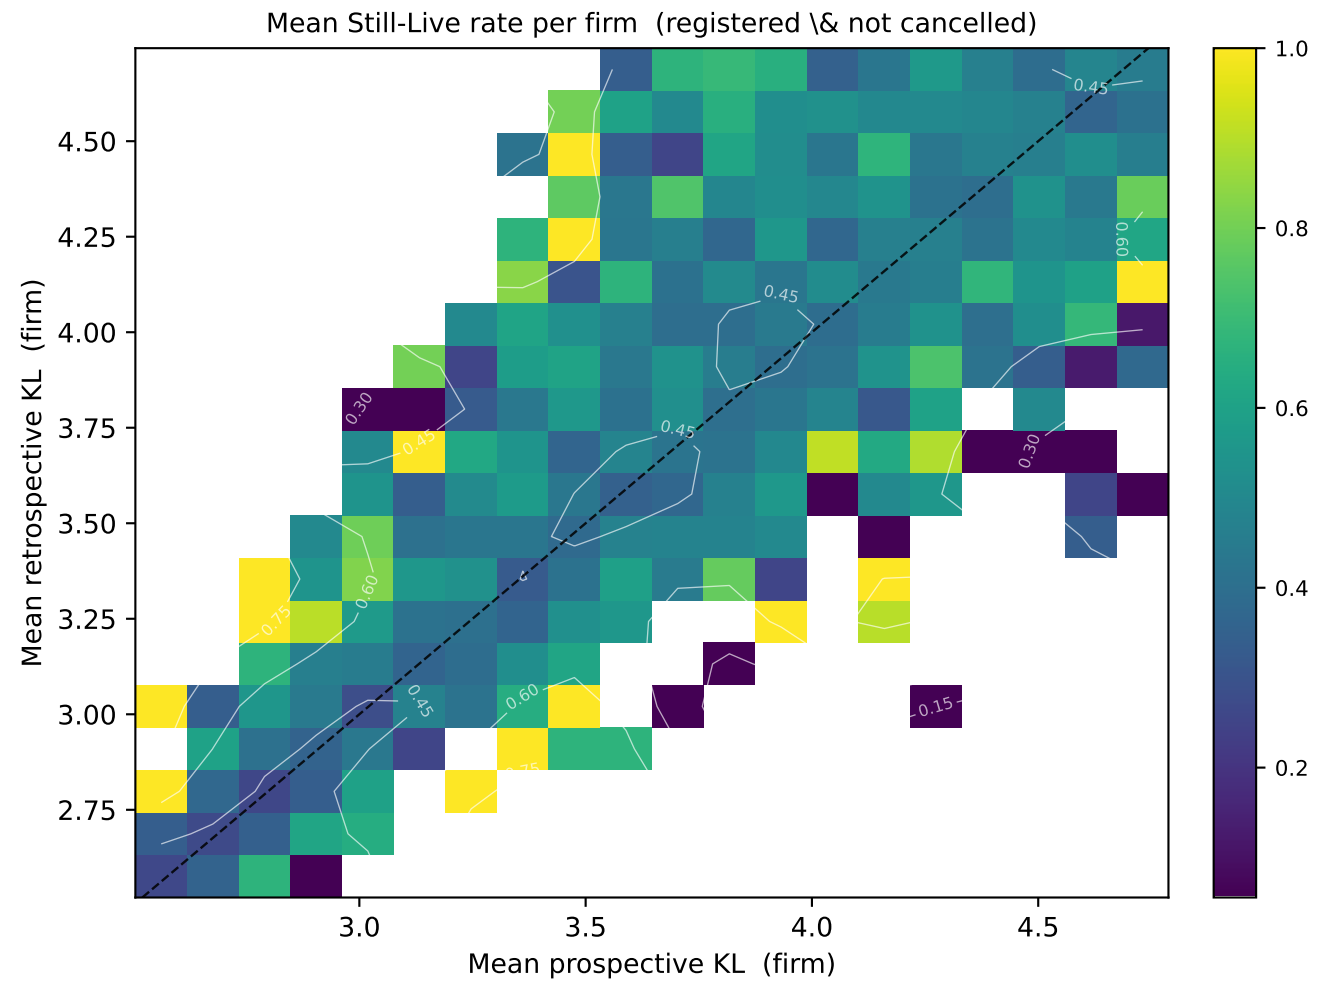

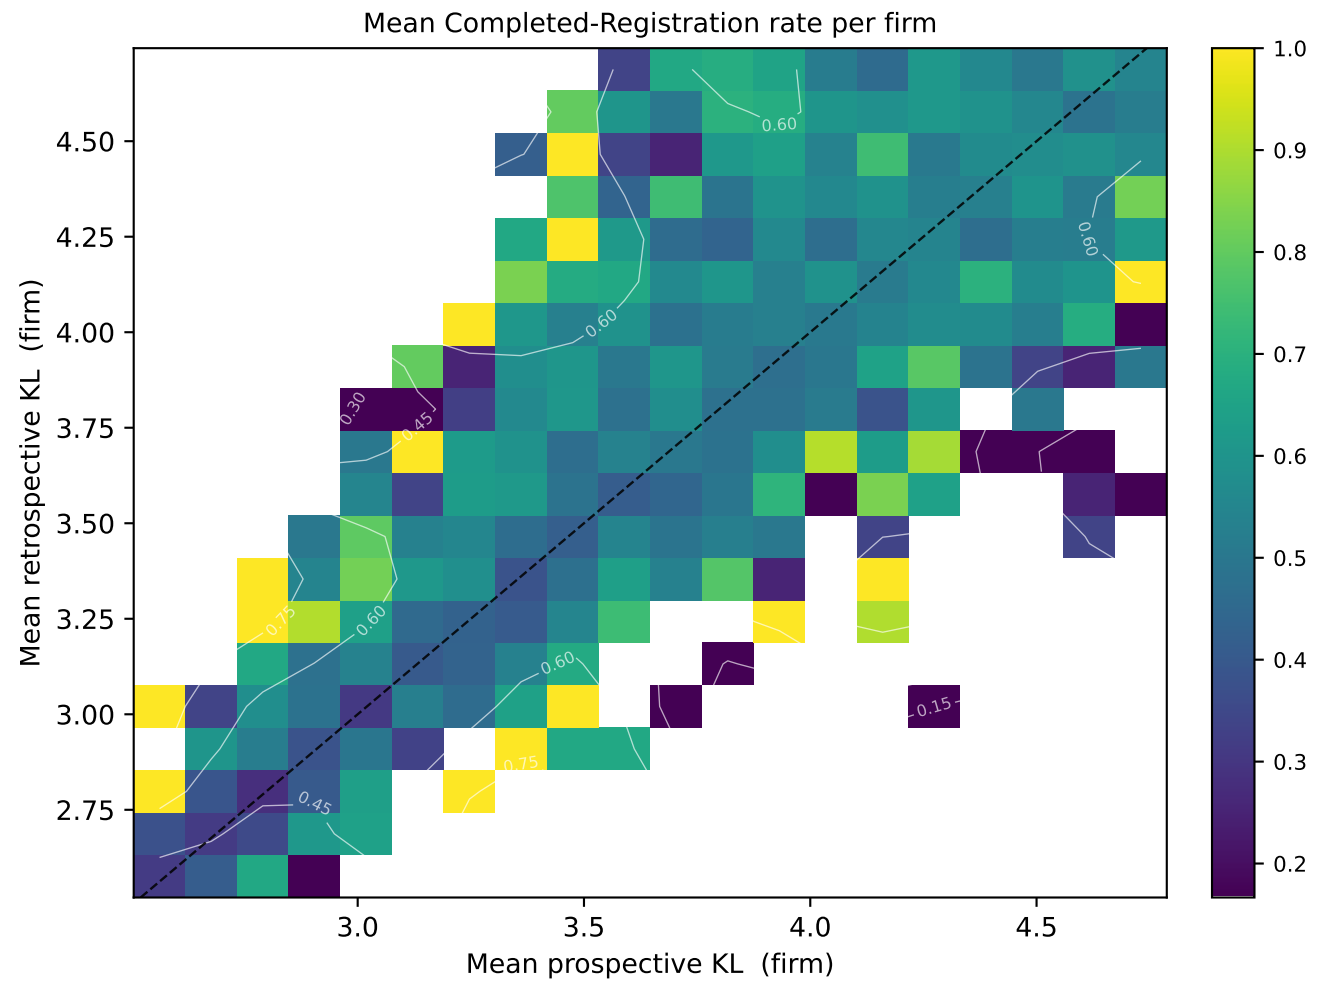

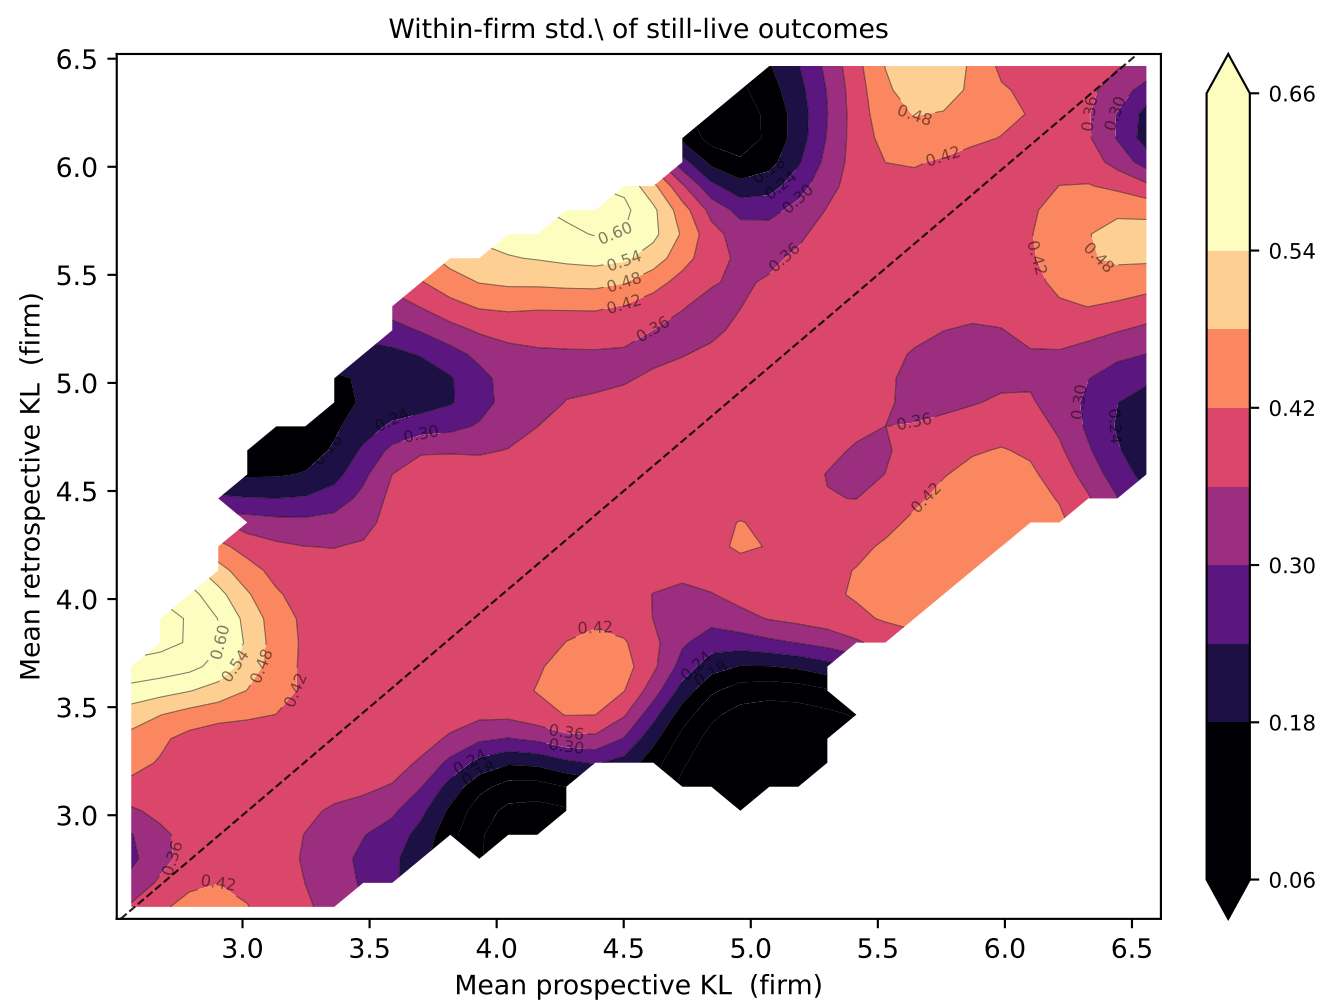

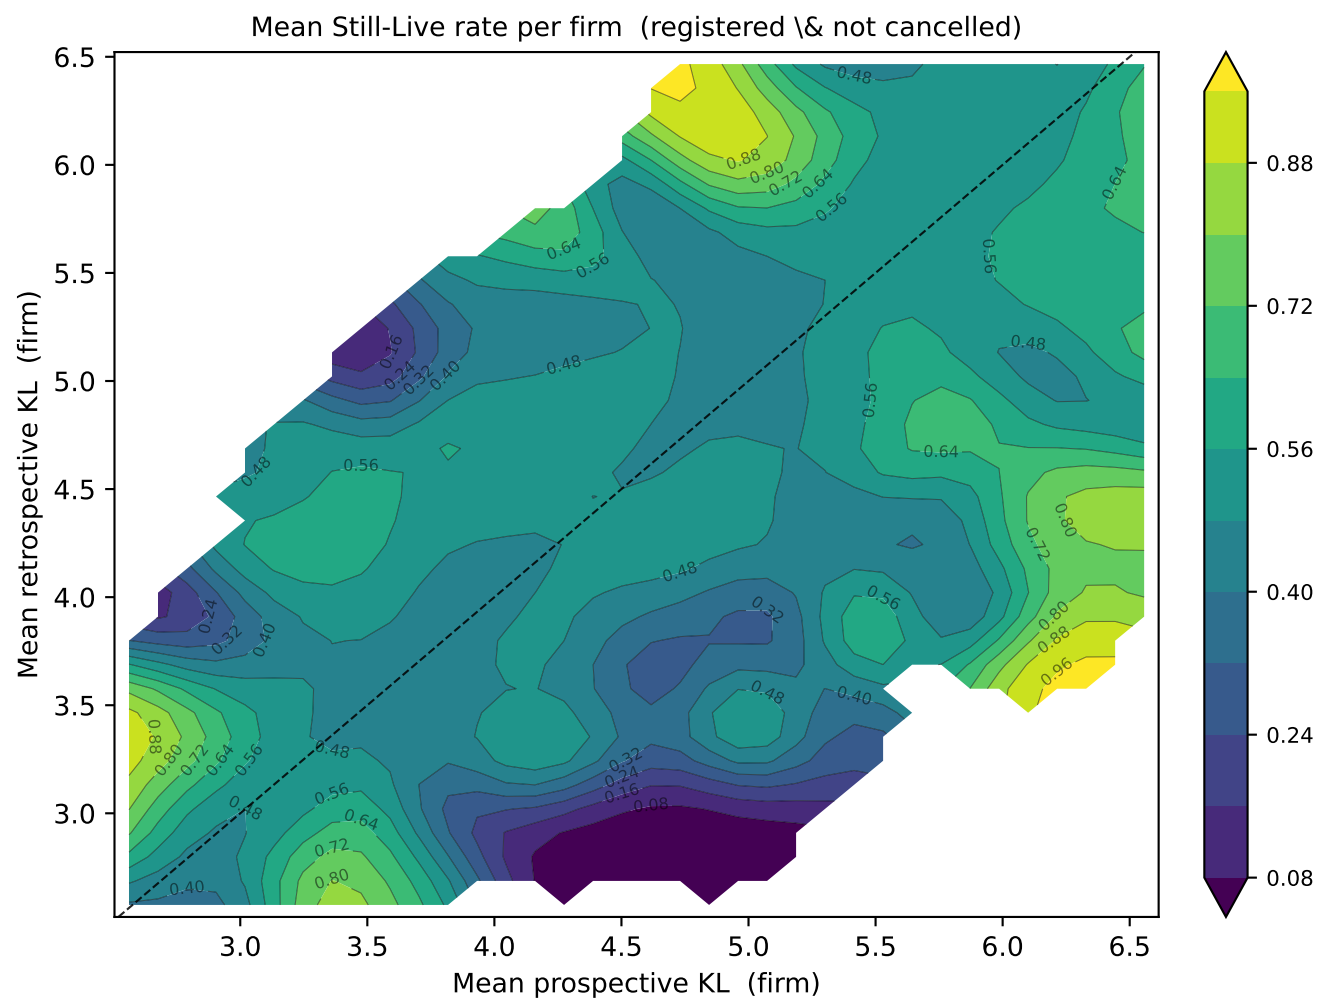

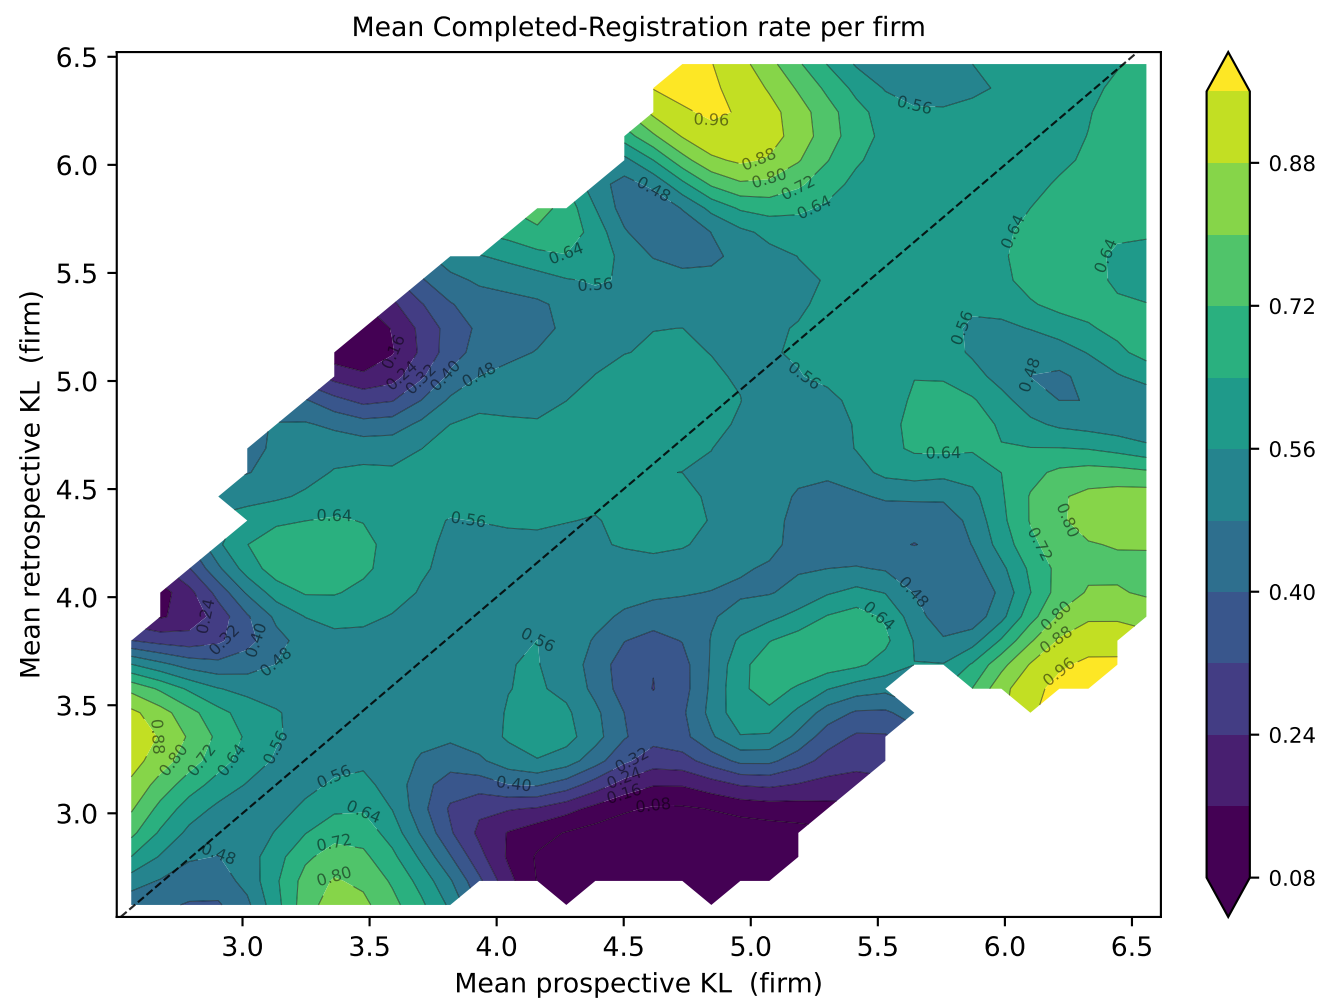

Within-firm std.\ of still-live outcomes

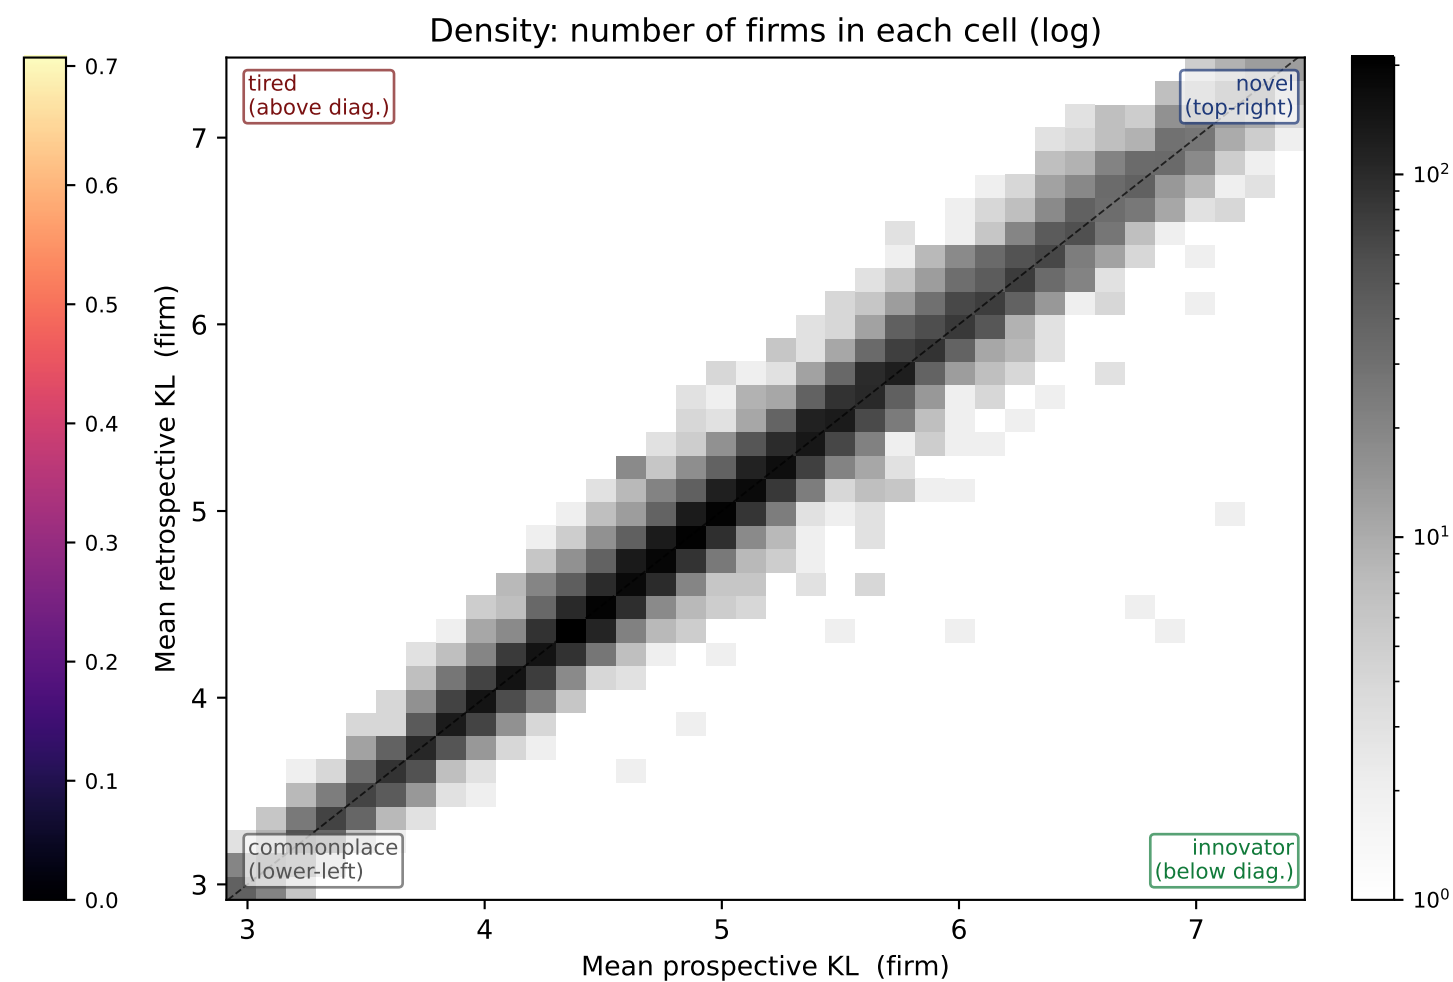

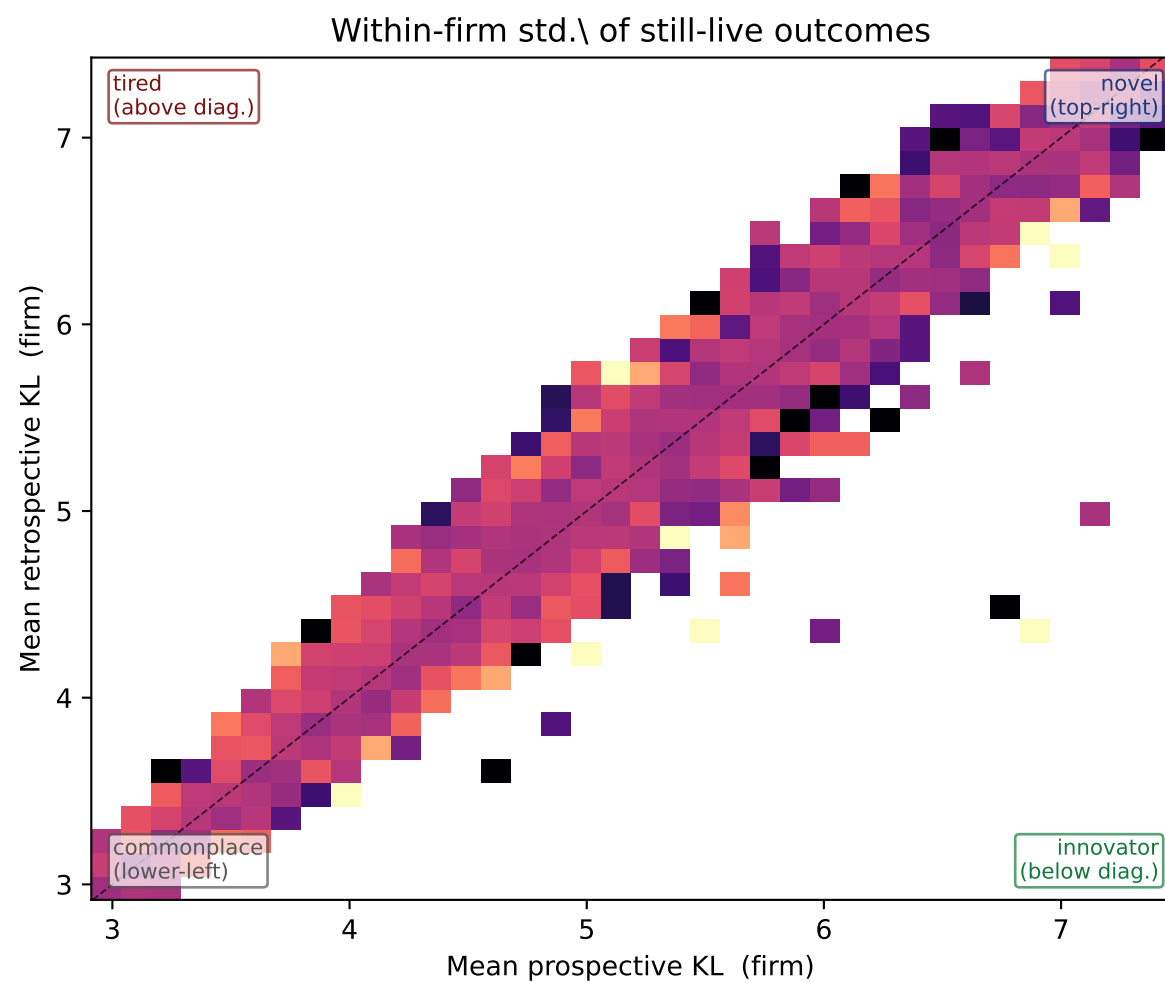

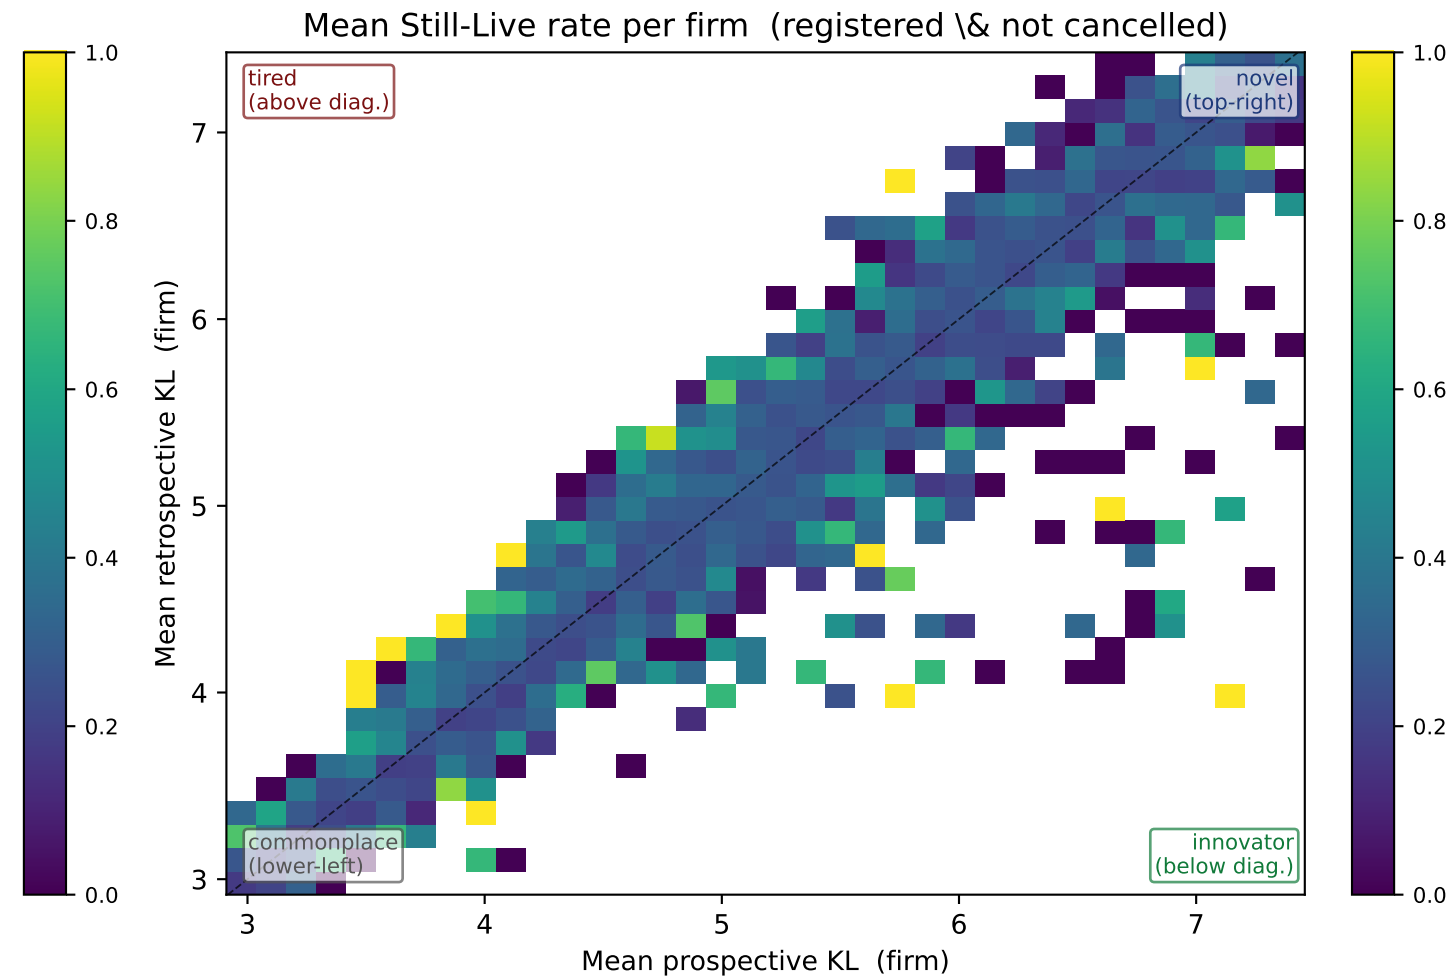

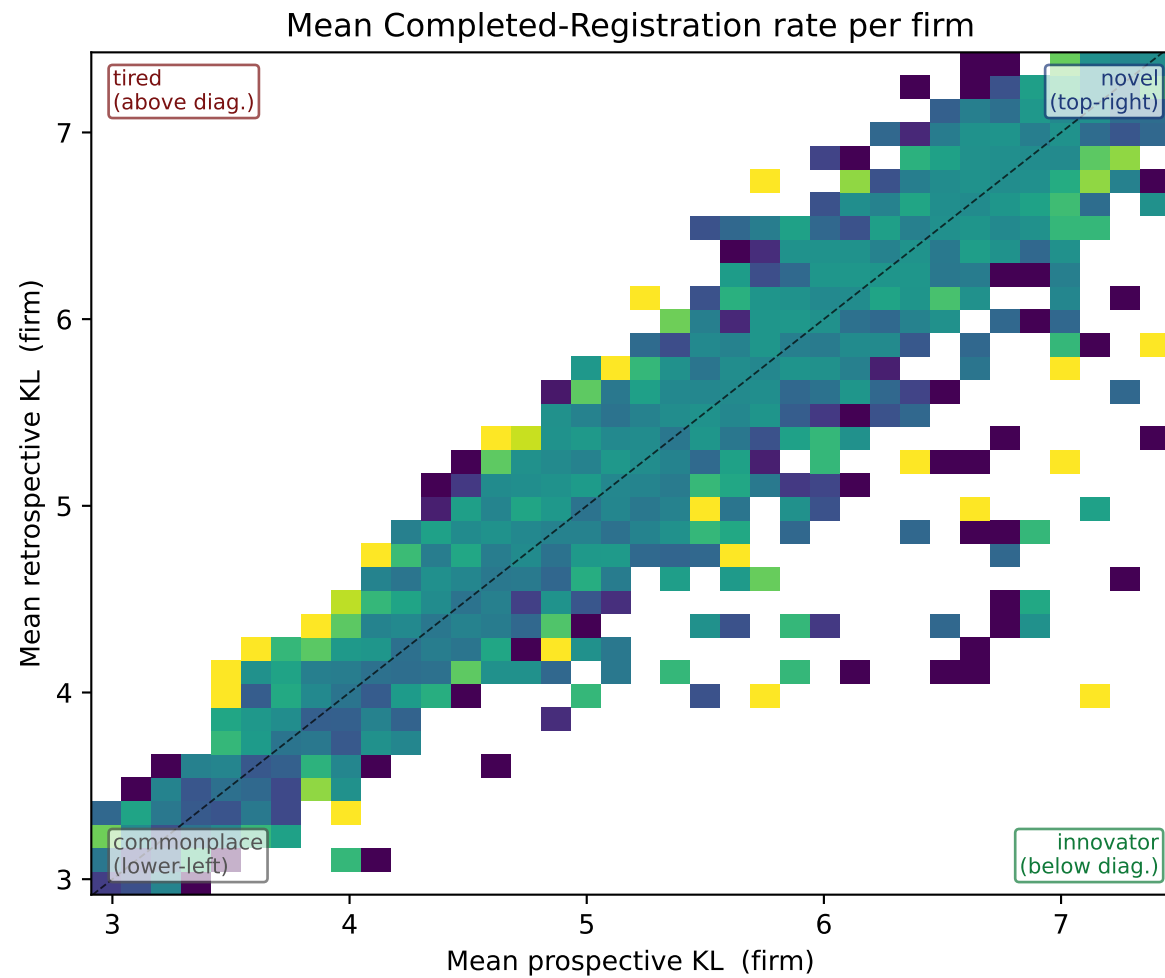

Class 038 — Telecommunications — 148,900 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=10,598 firms

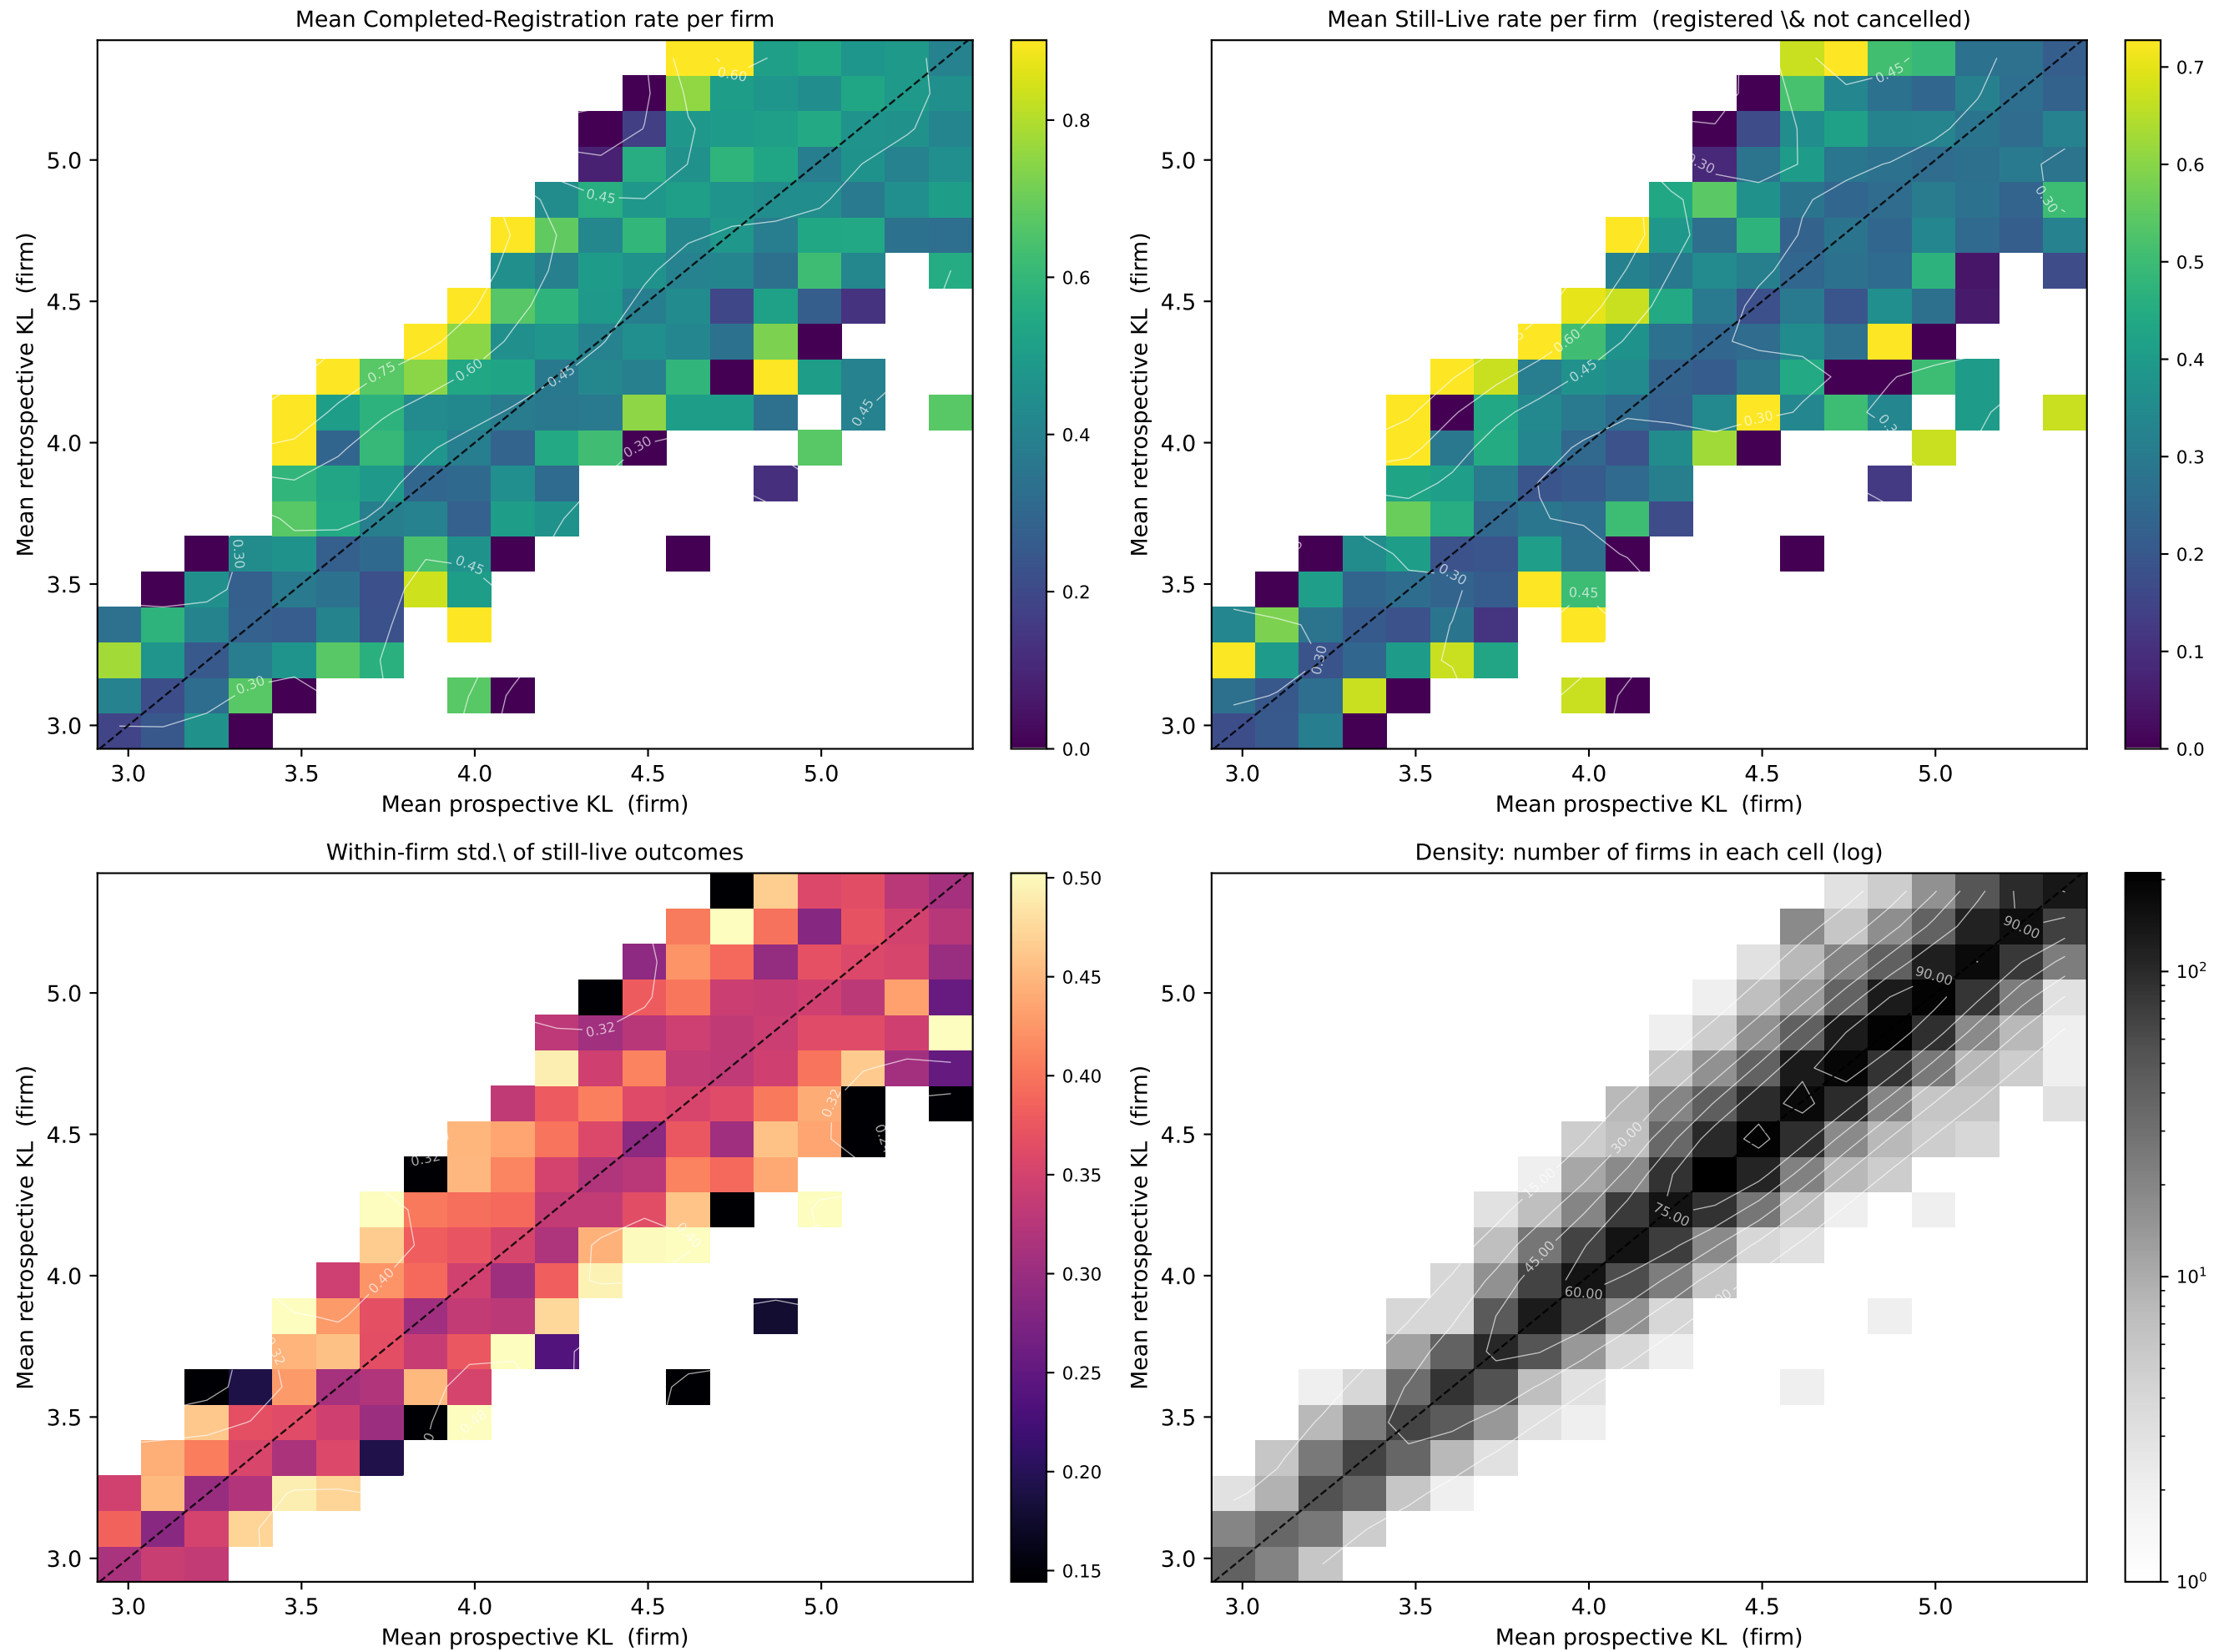

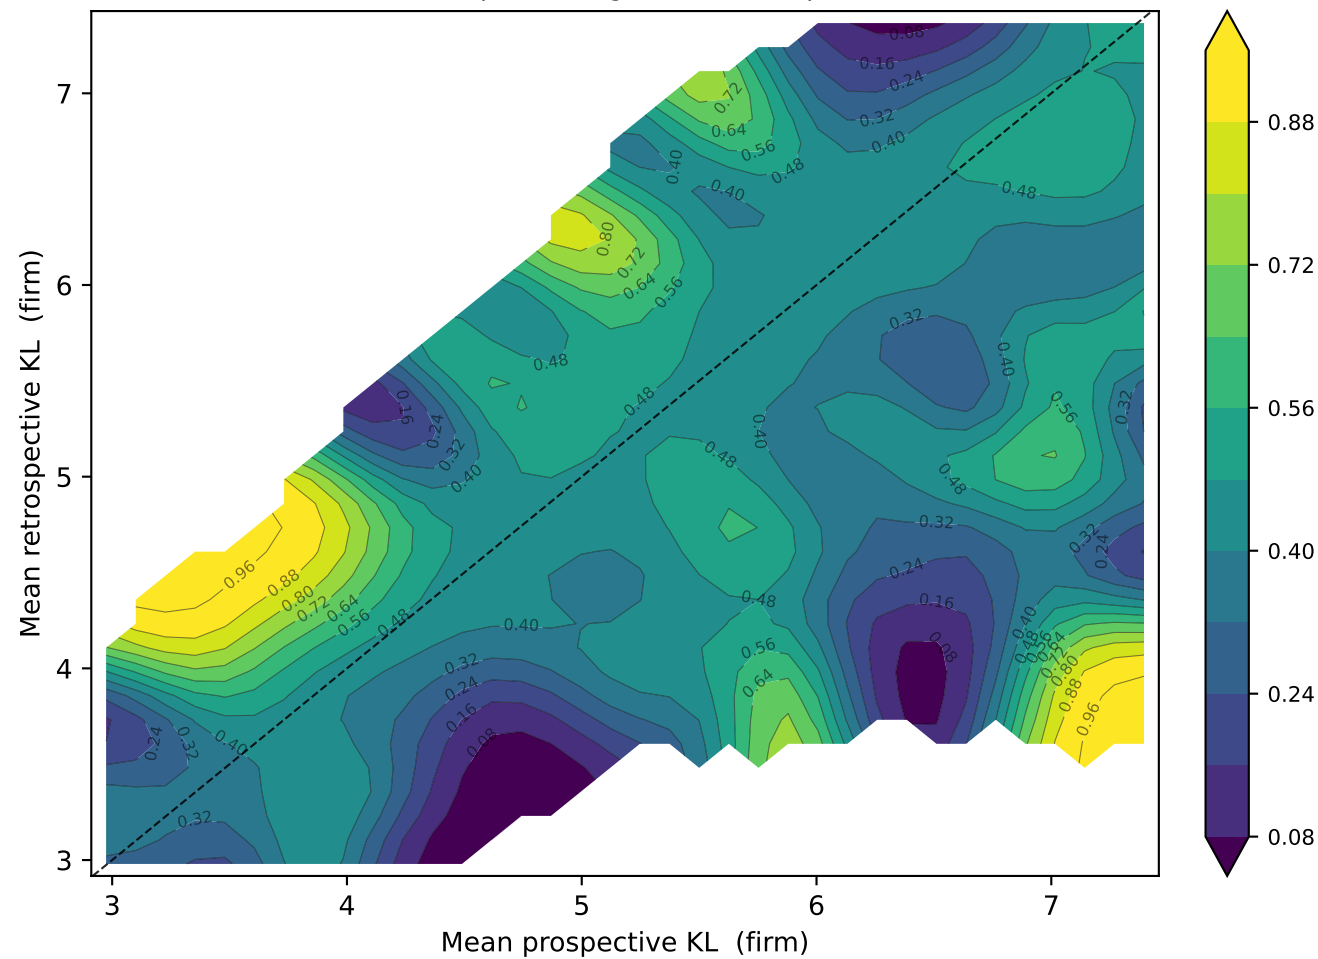

Class 037 — Construction & Repair — 146,023 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=9,912 firms

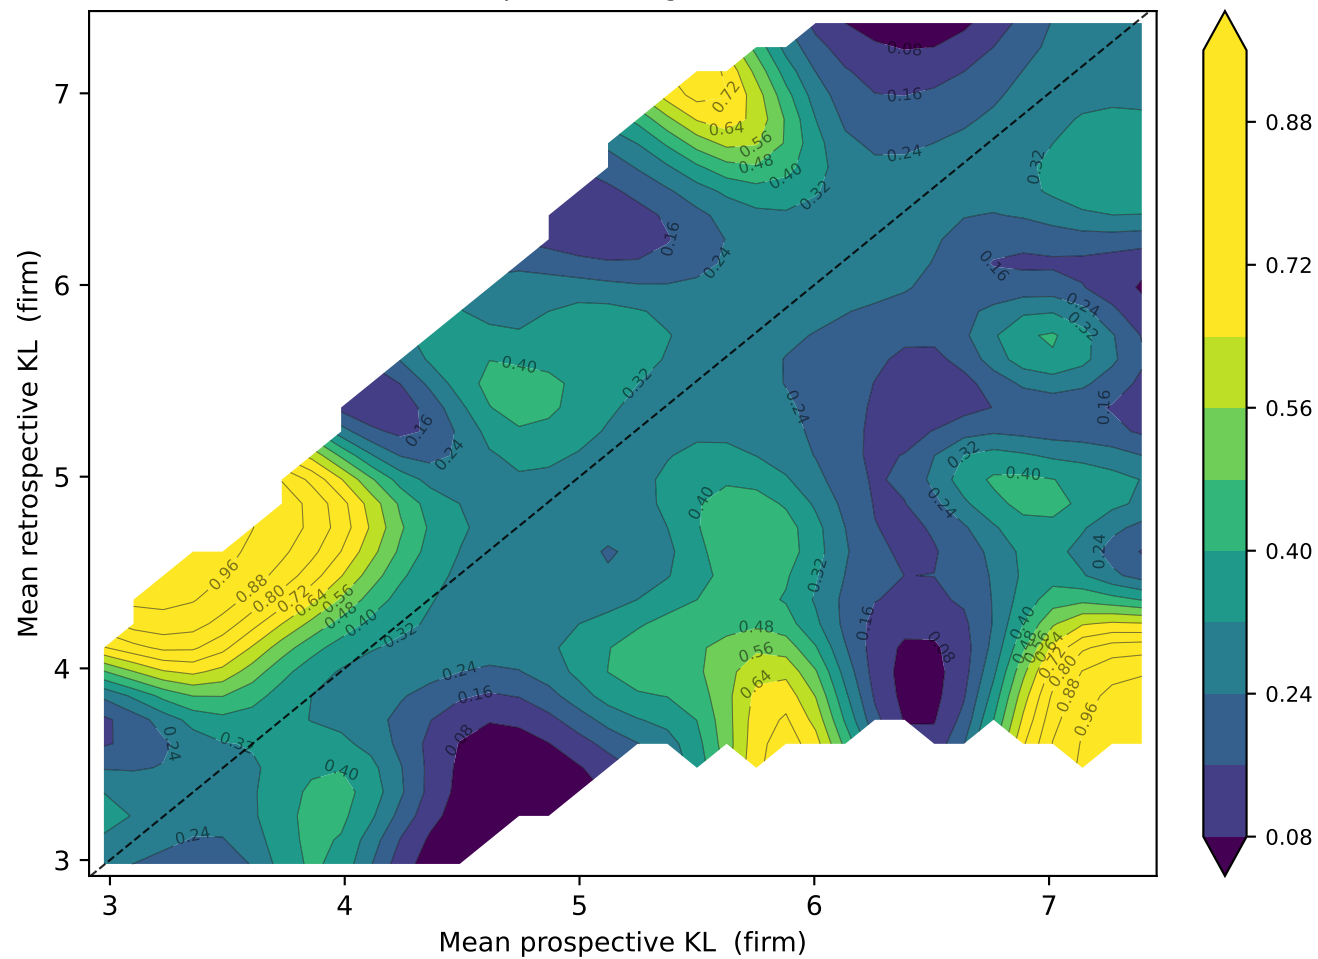

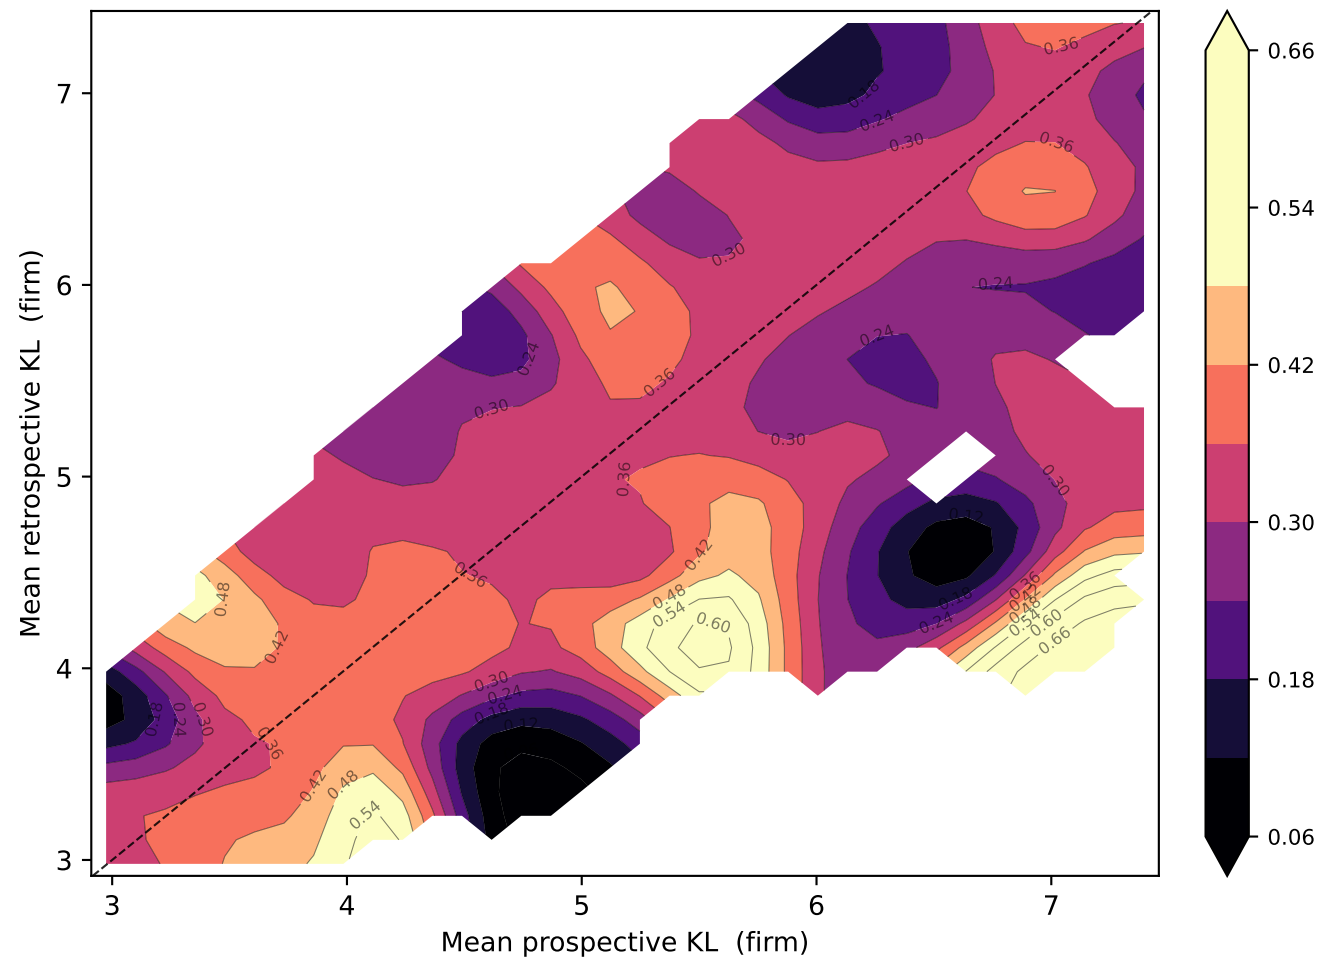

Mean Completed-Registration rate per firm

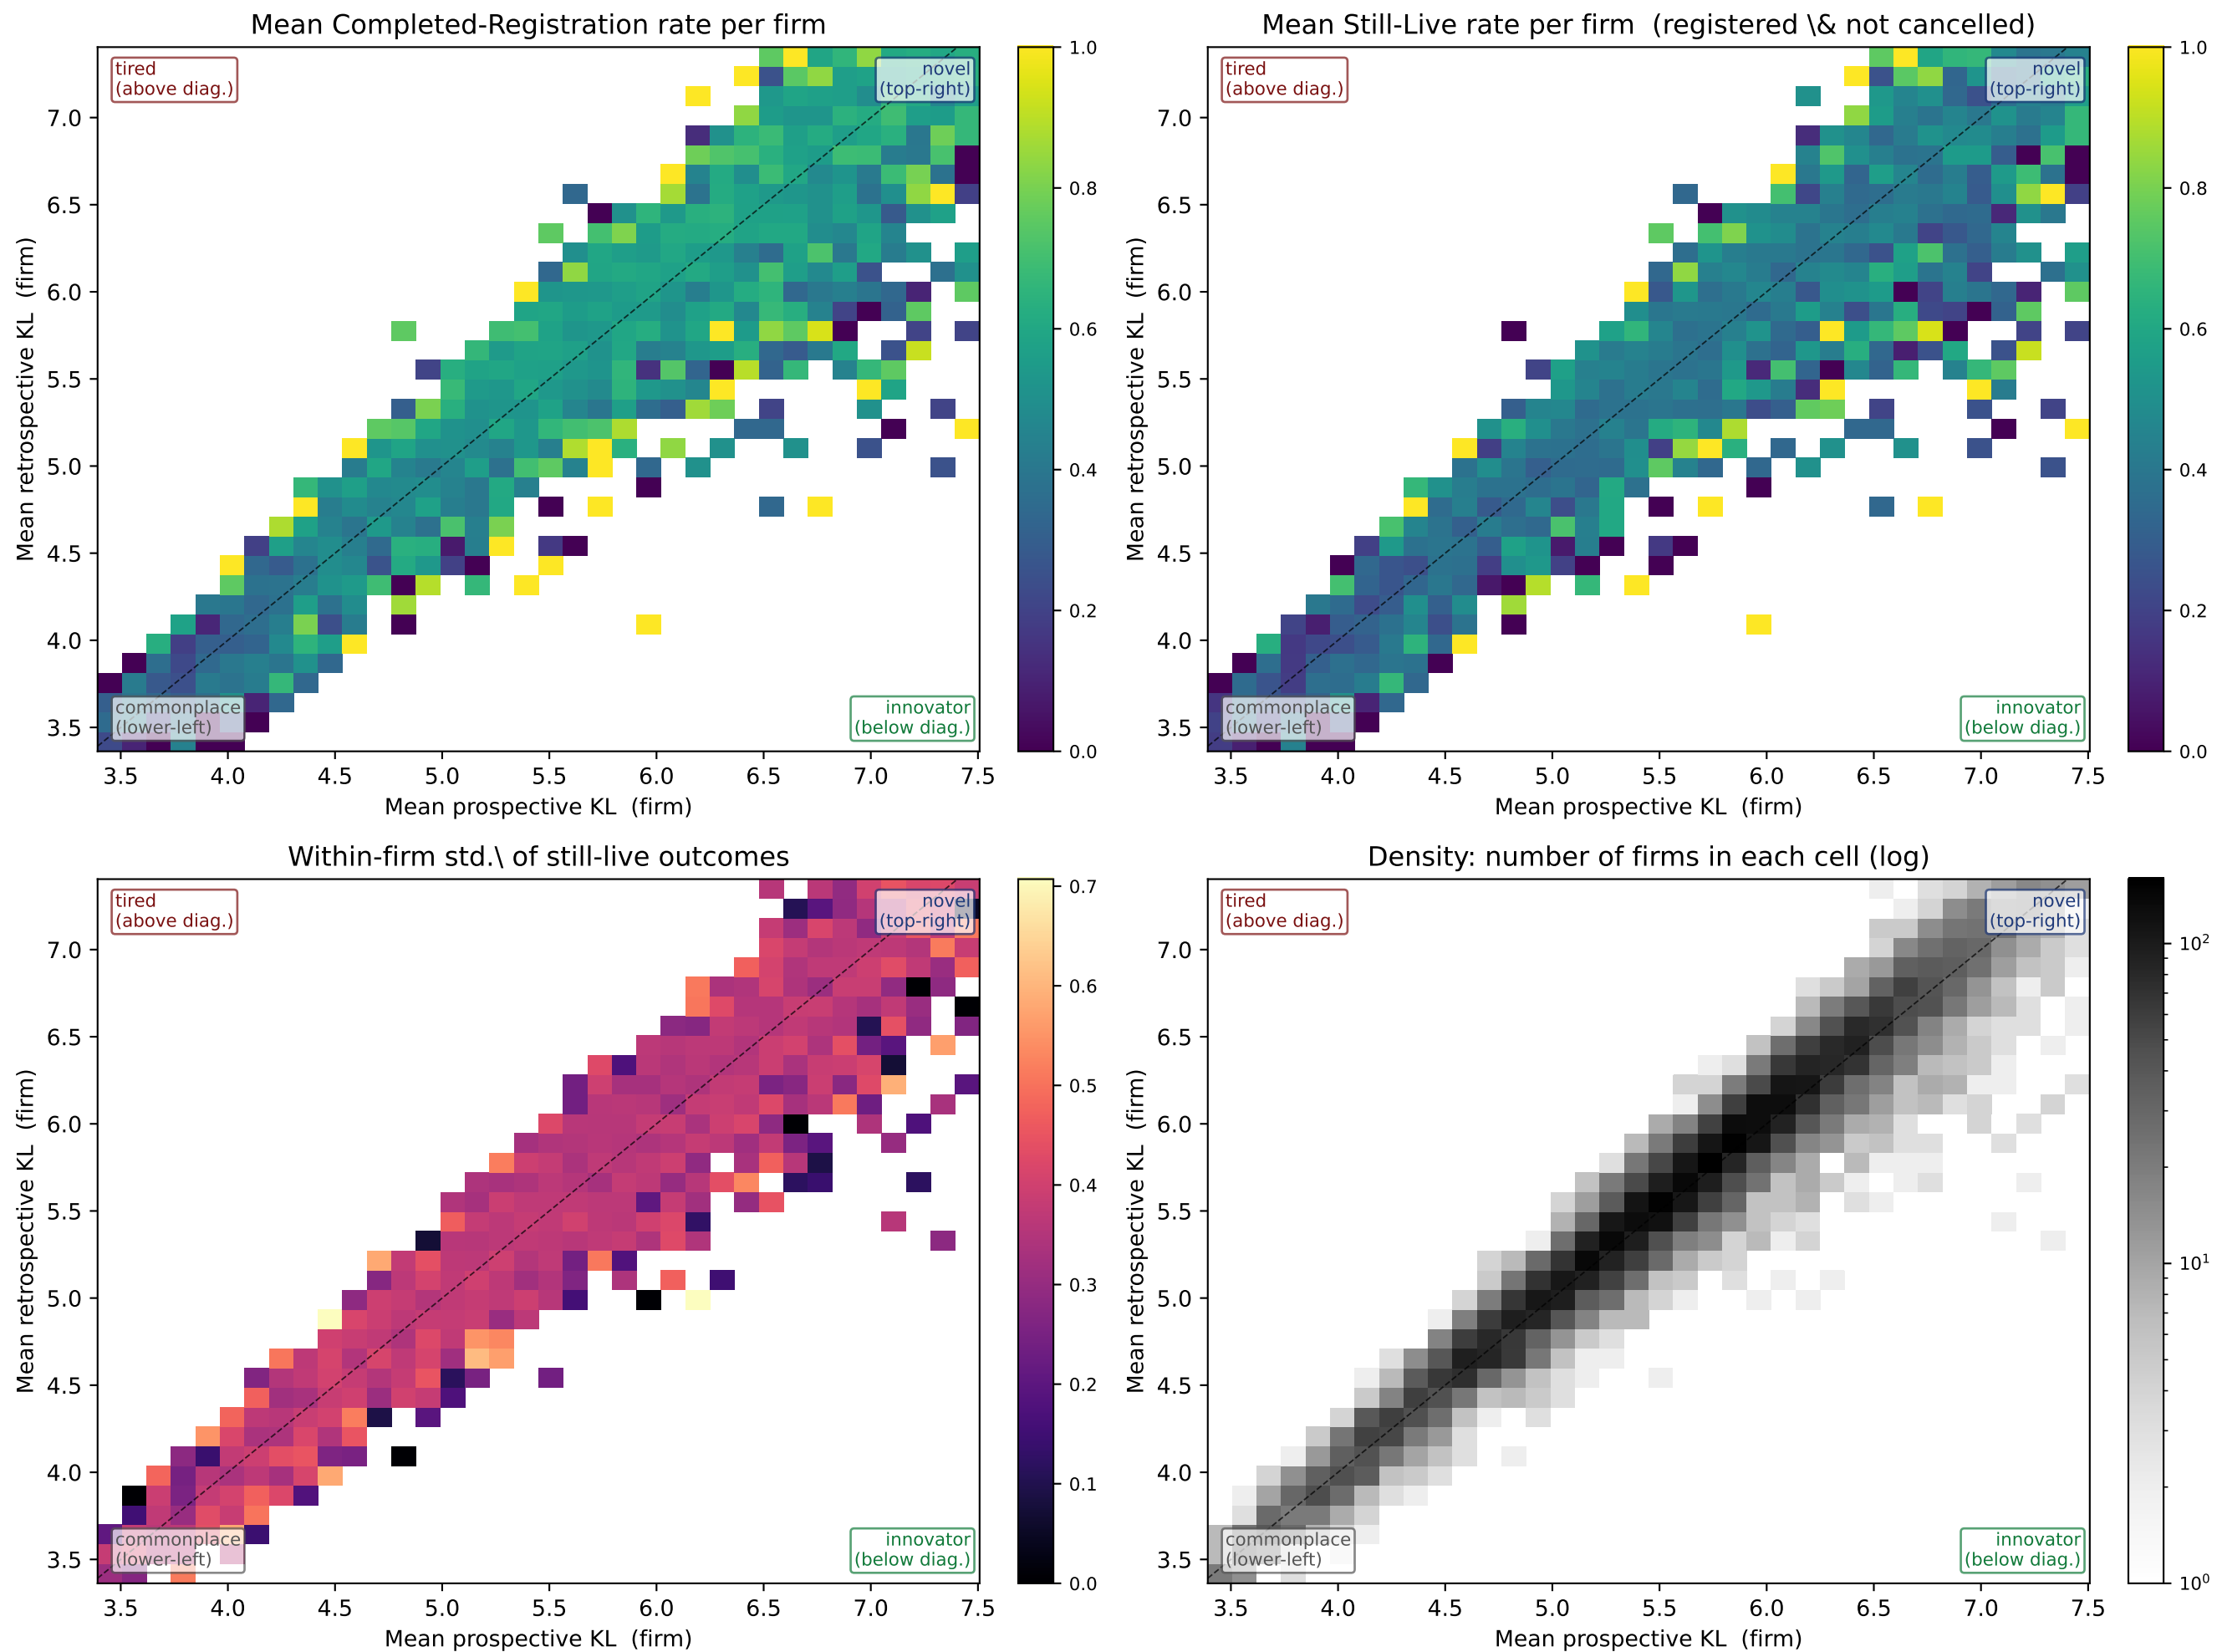

Mean Still-Live rate per firm (registered \& not cancelled)

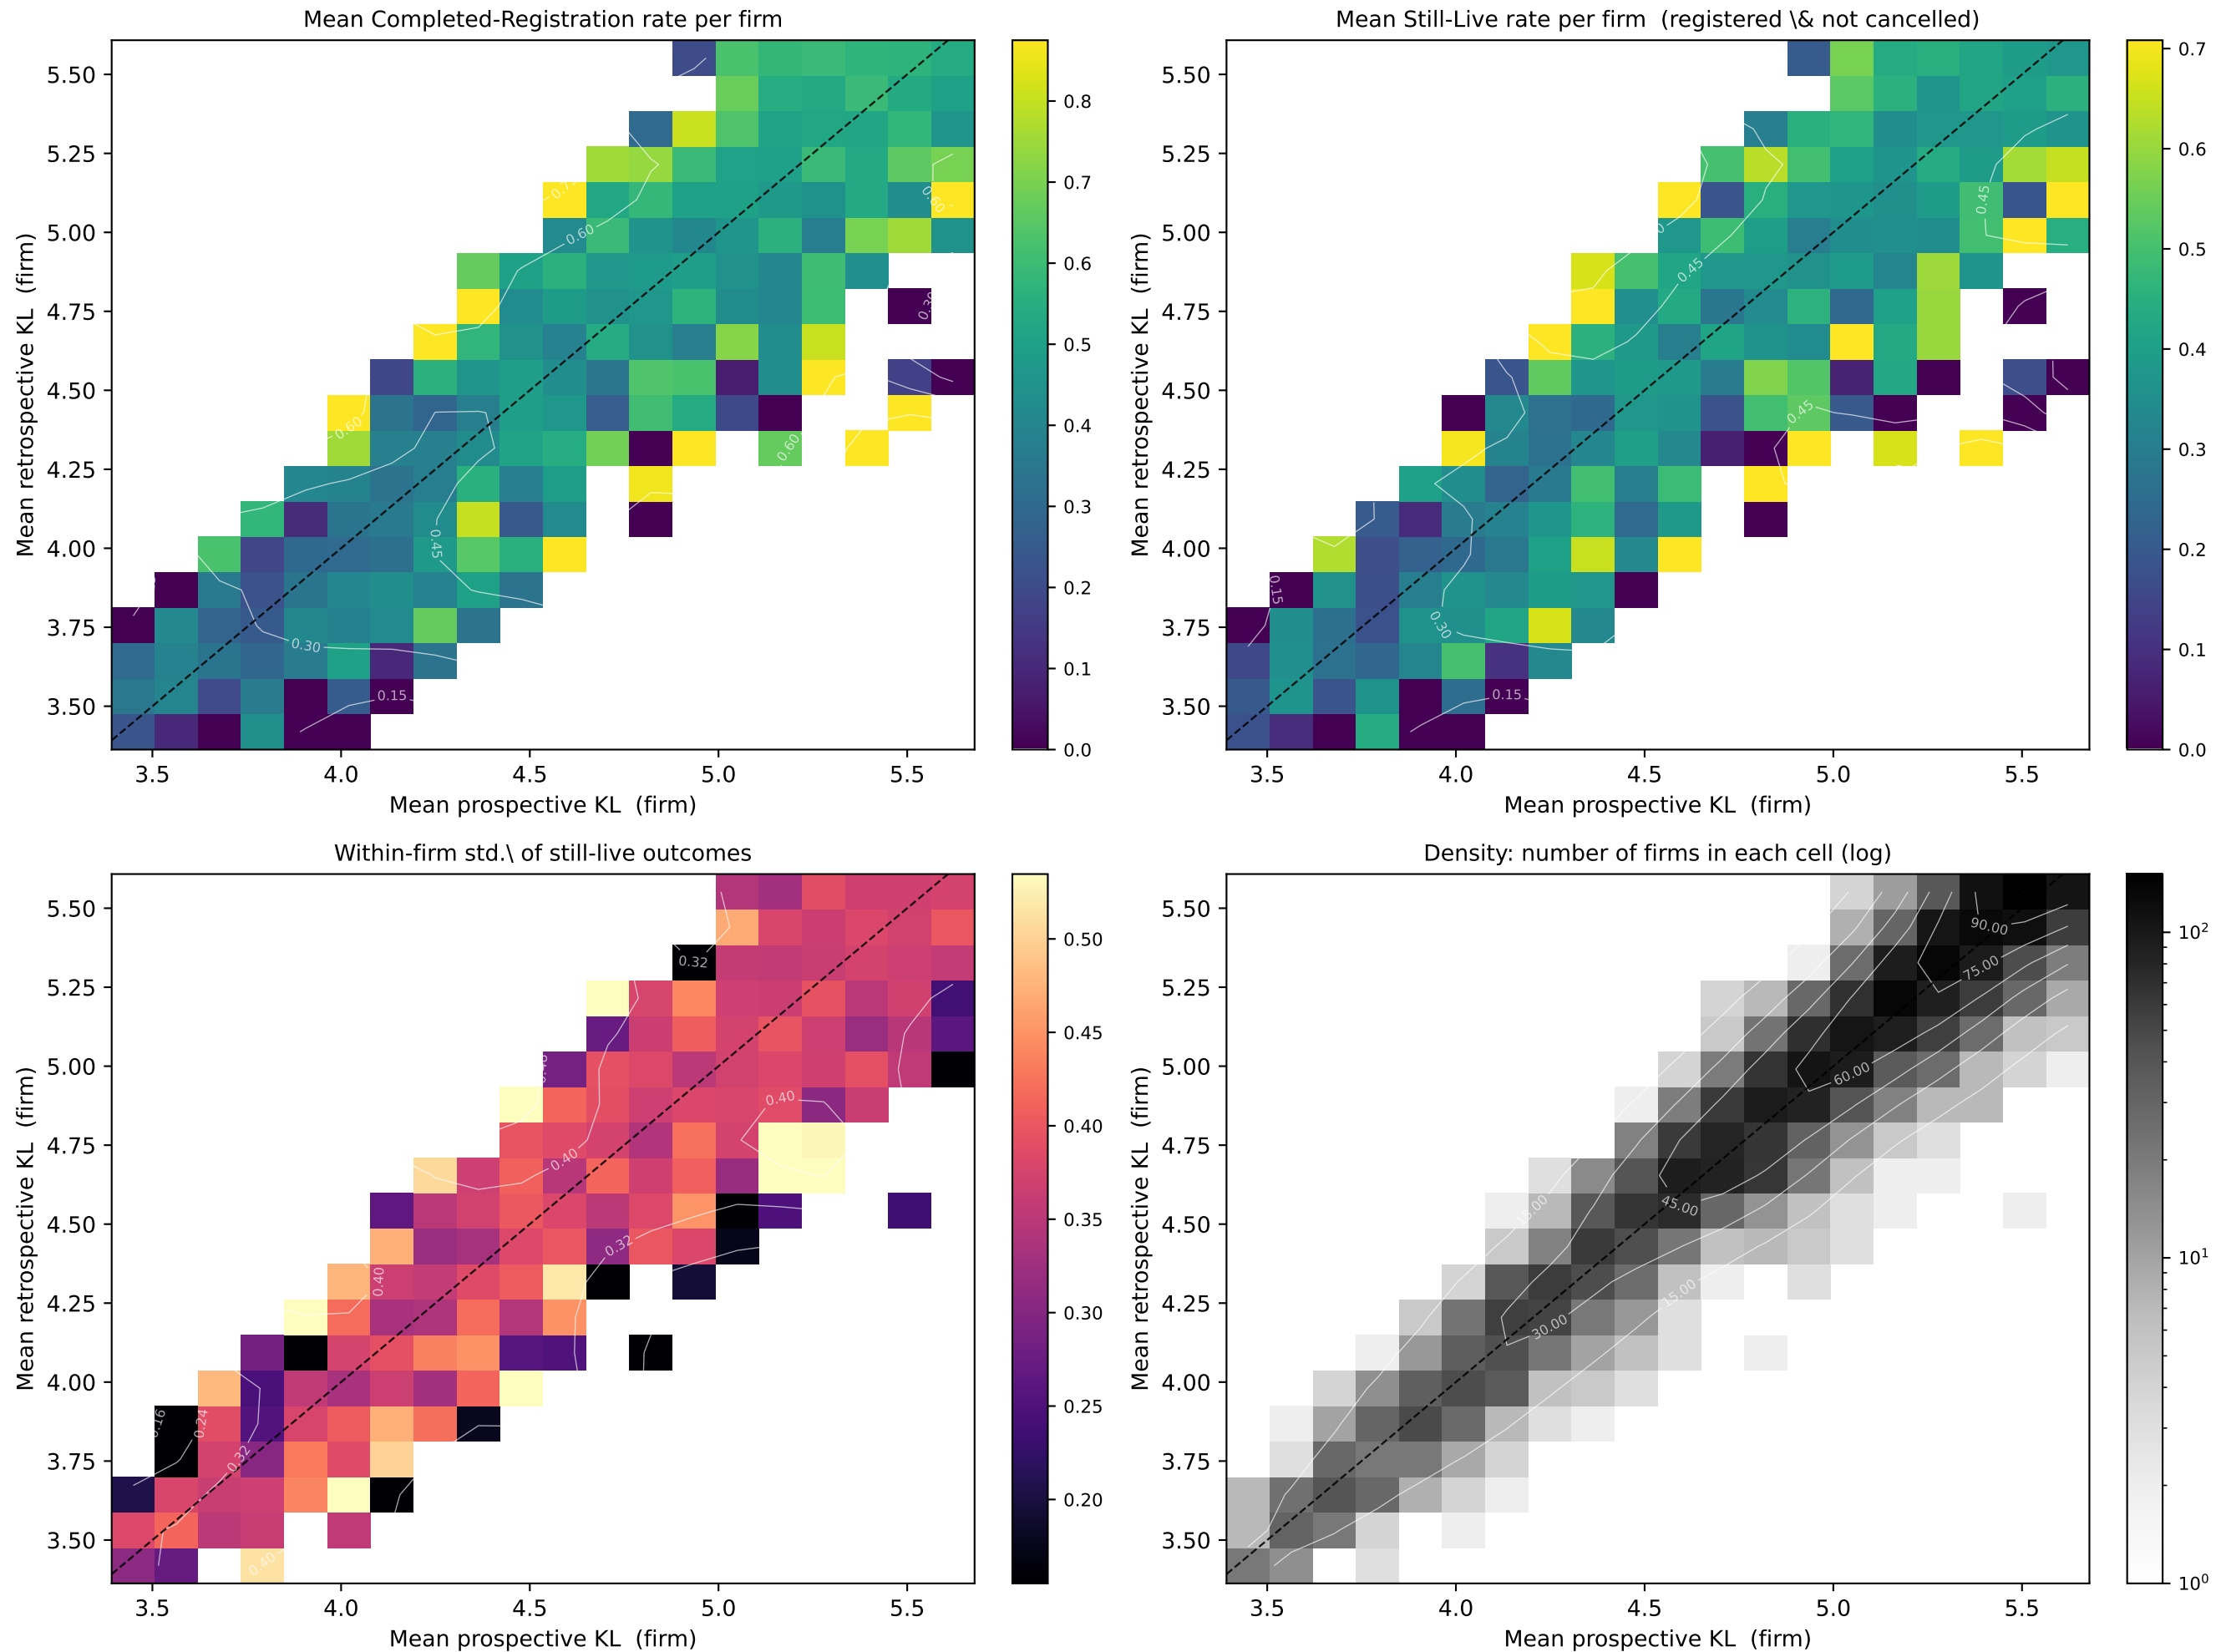

Within-firm std.\ of still-live outcomes

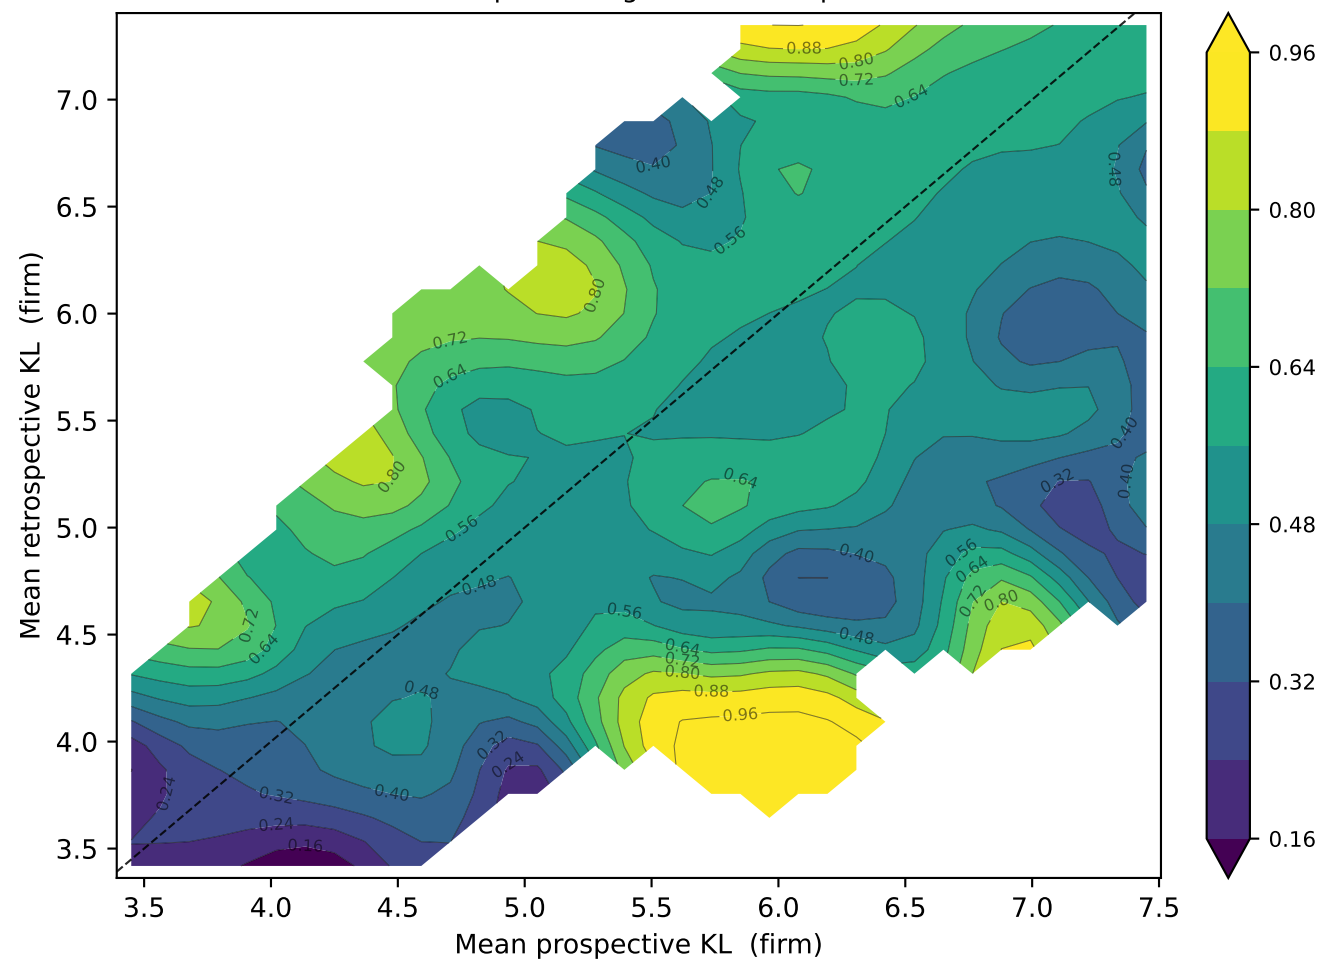

Class 010 — Medical Devices — 141,383 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=10,306 firms

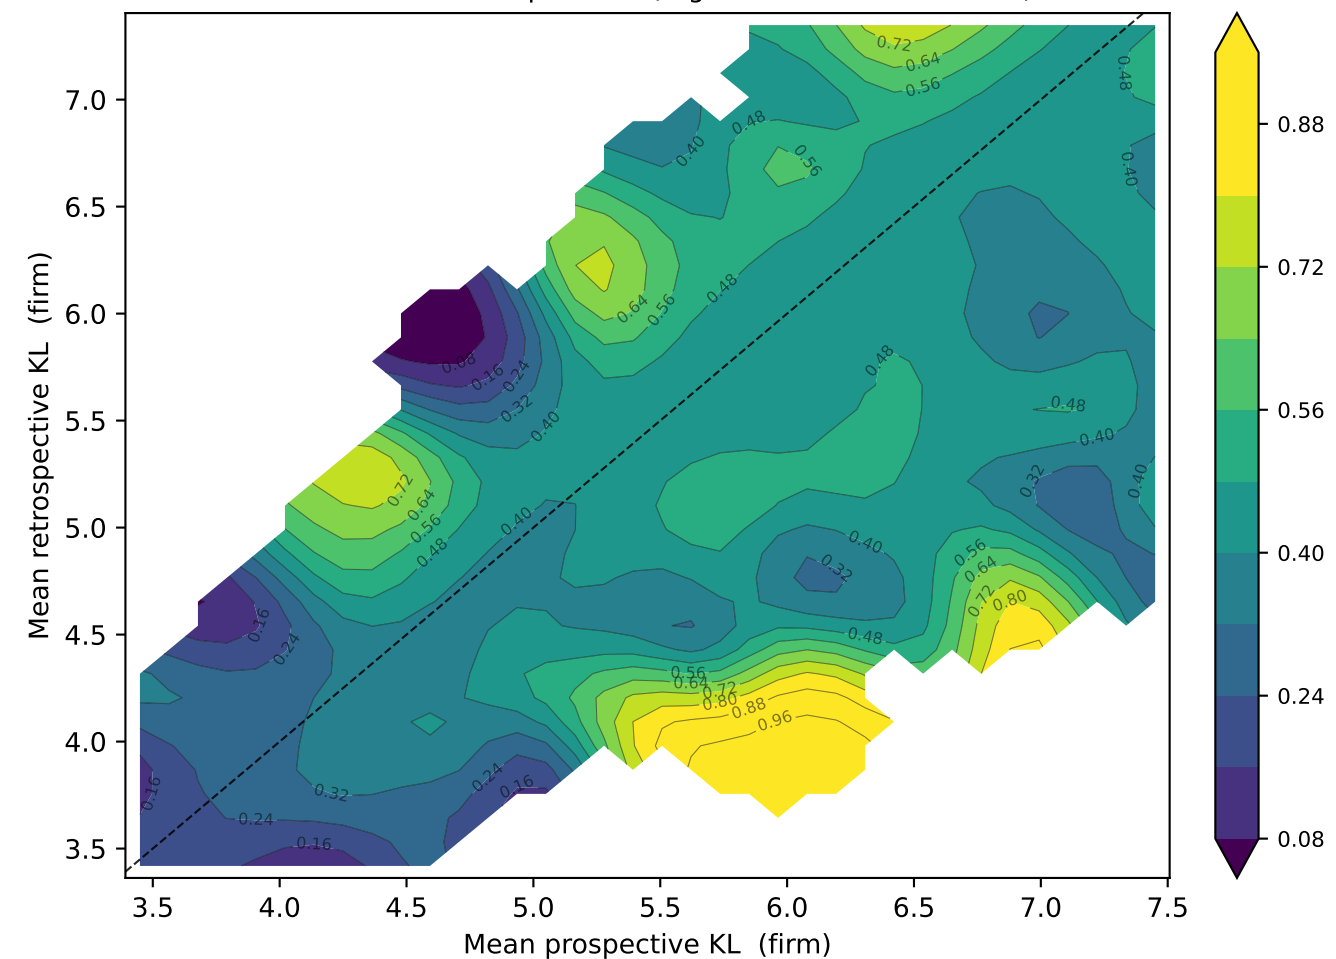

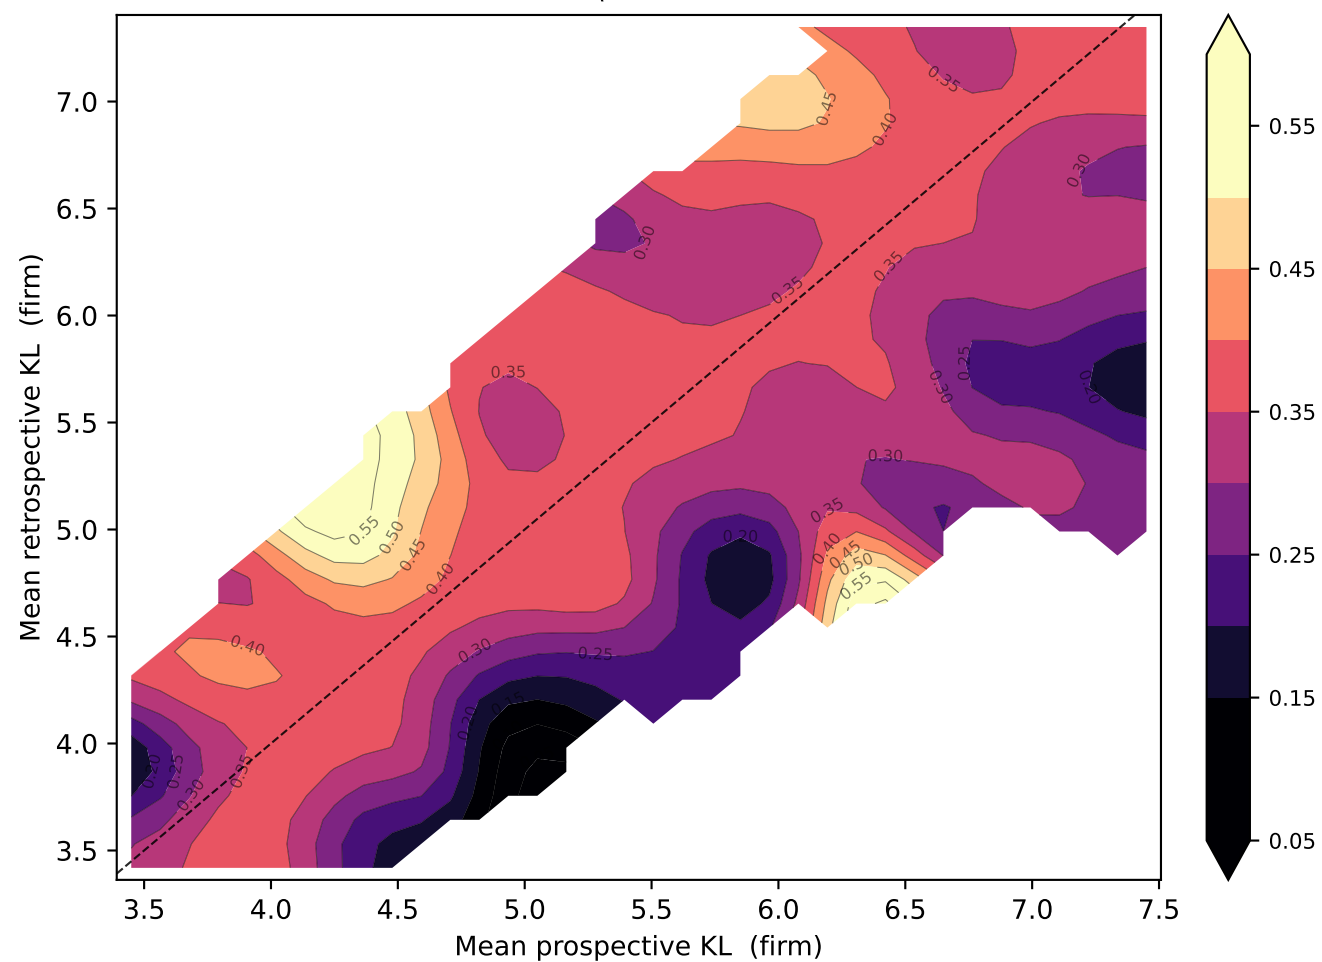

Mean Completed-Registration rate per firm

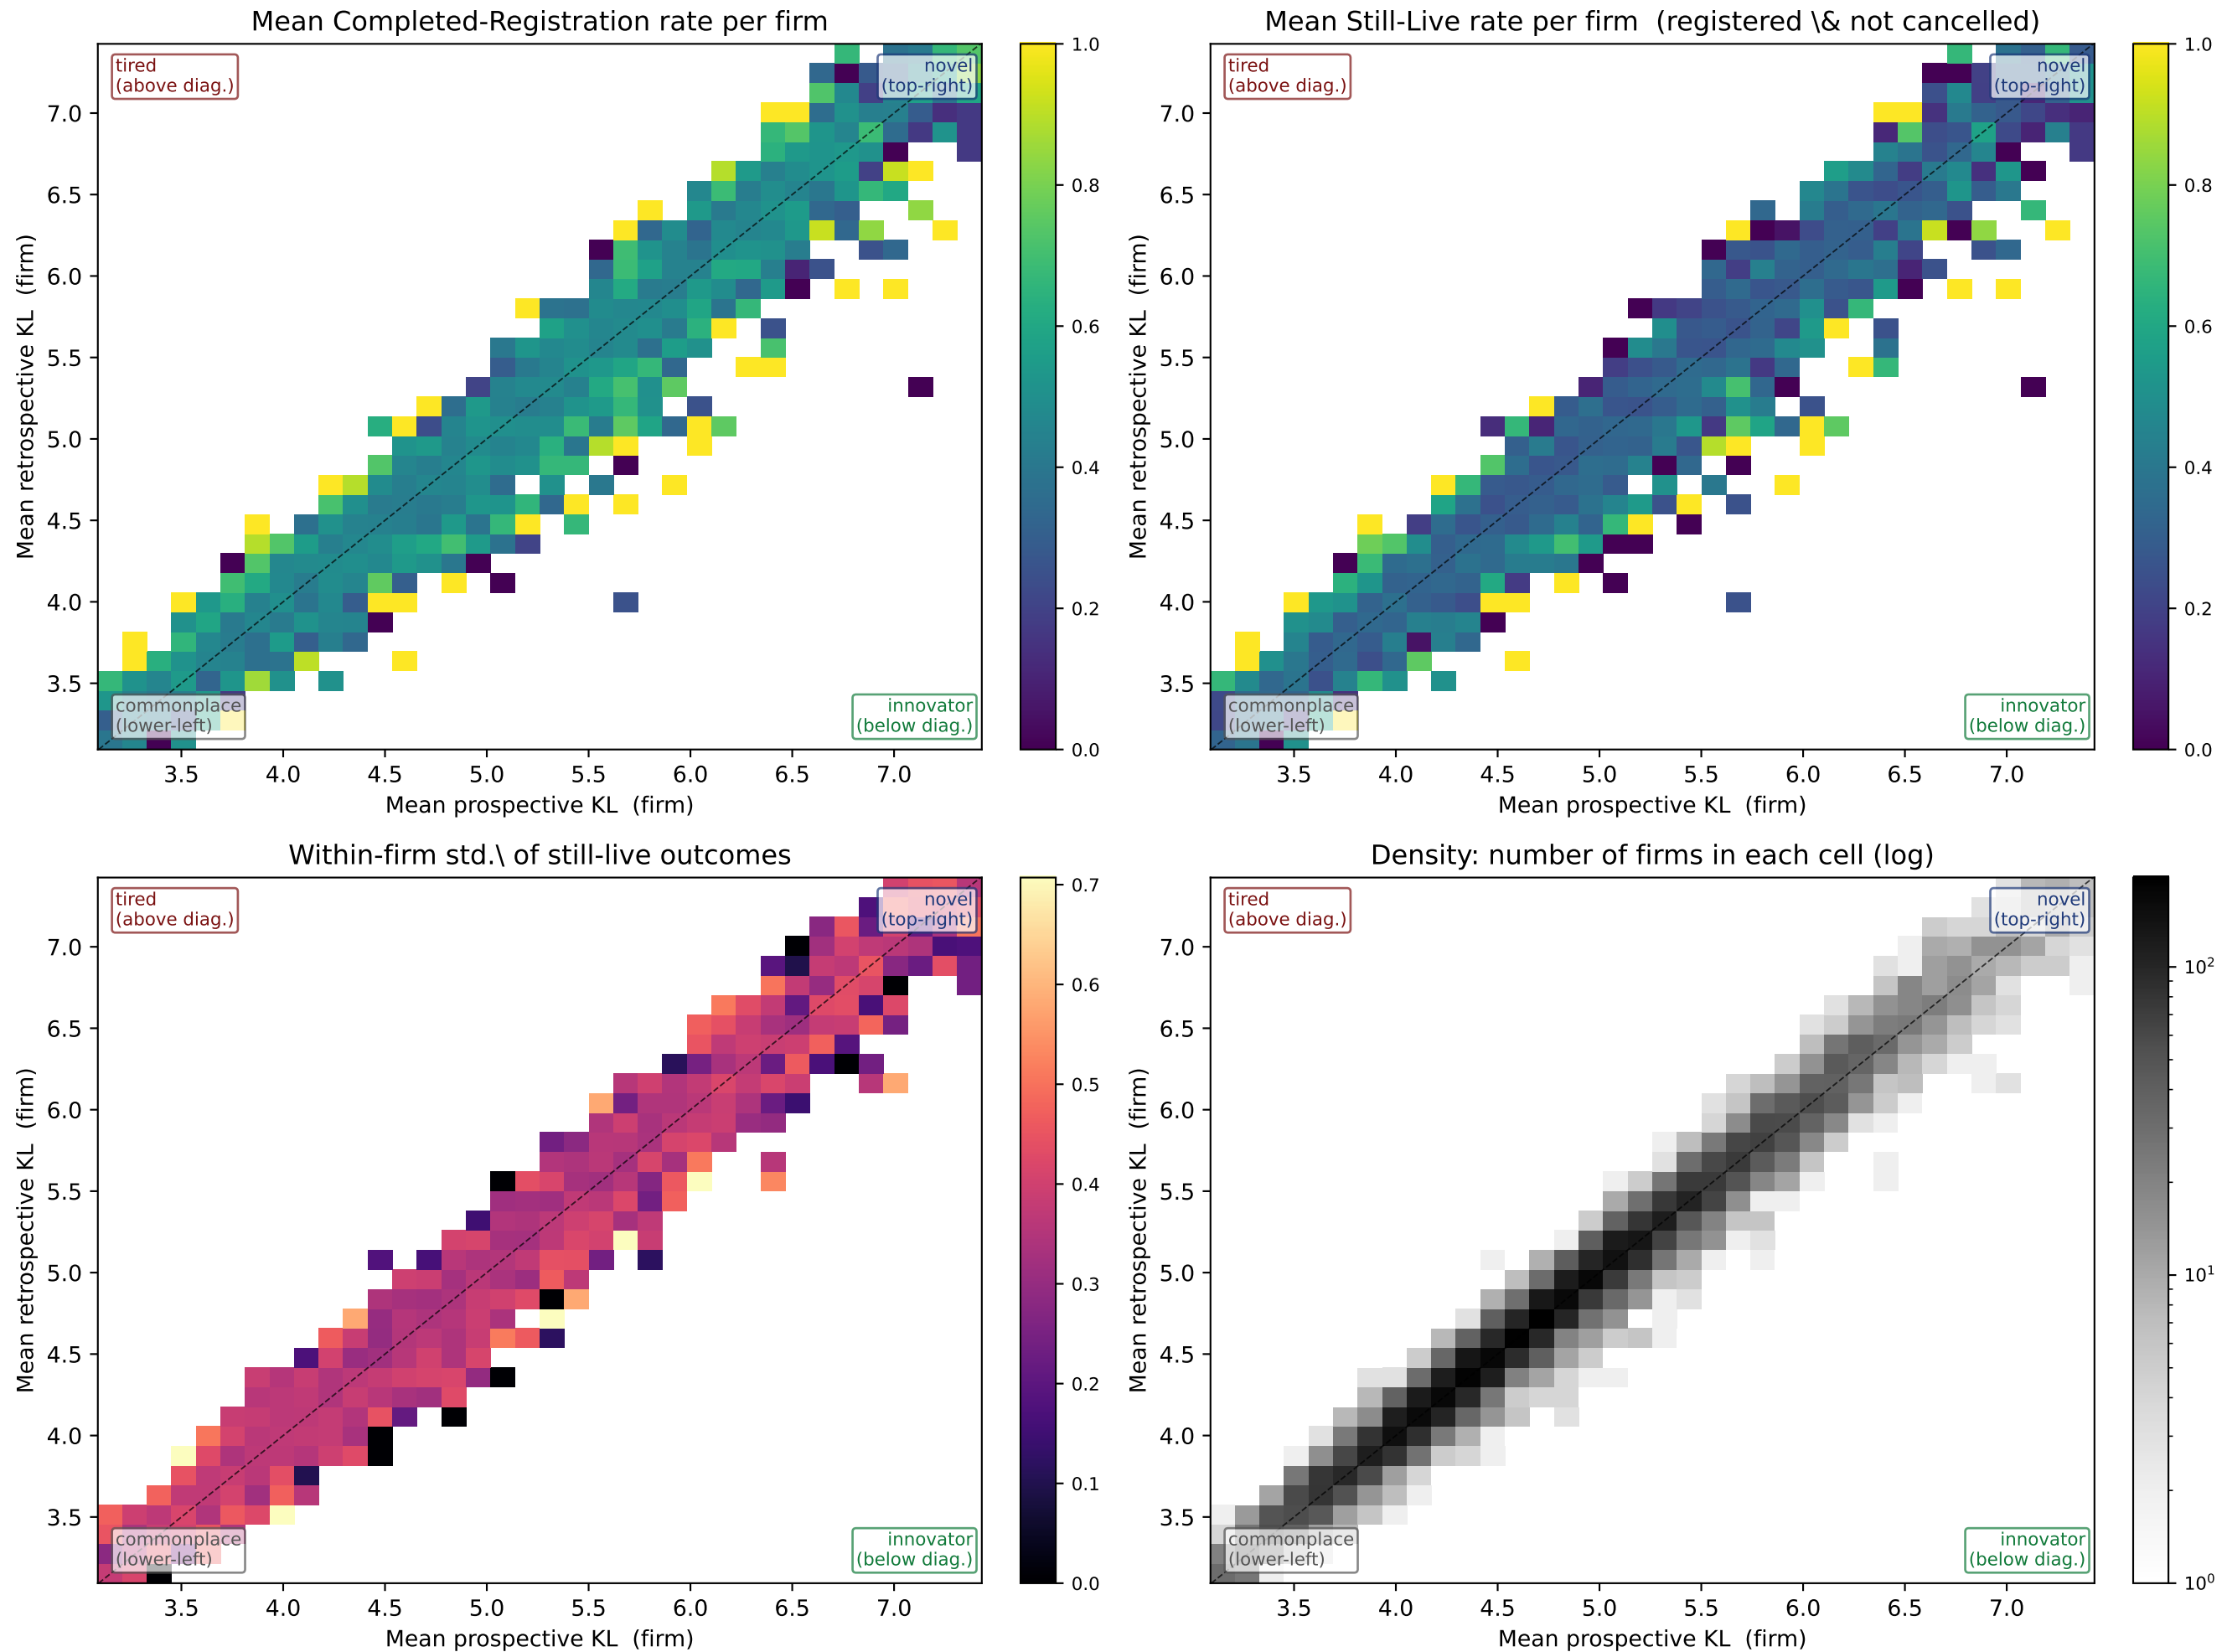

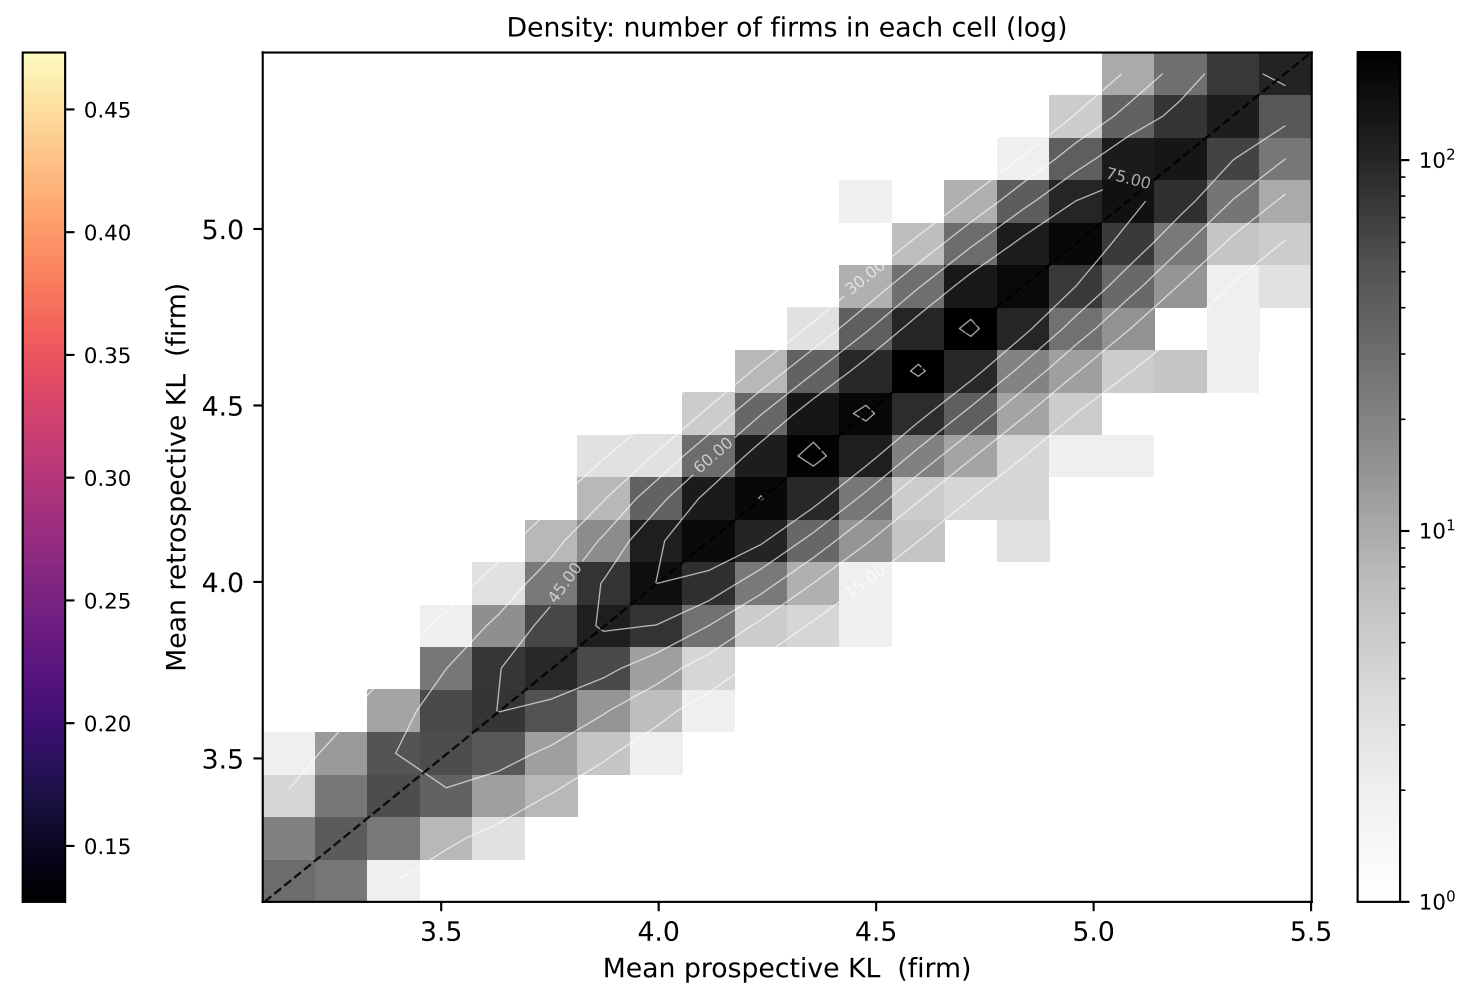

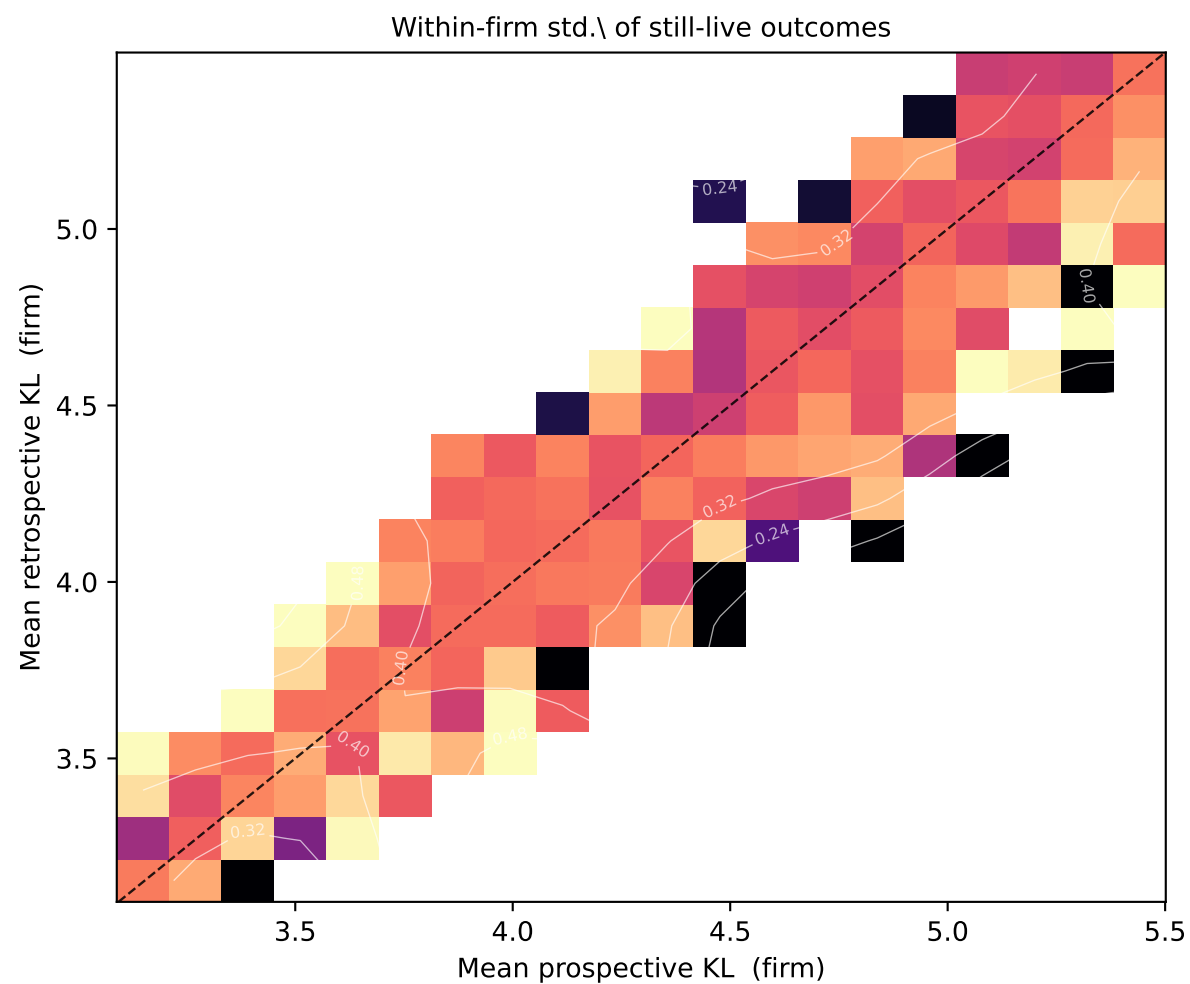

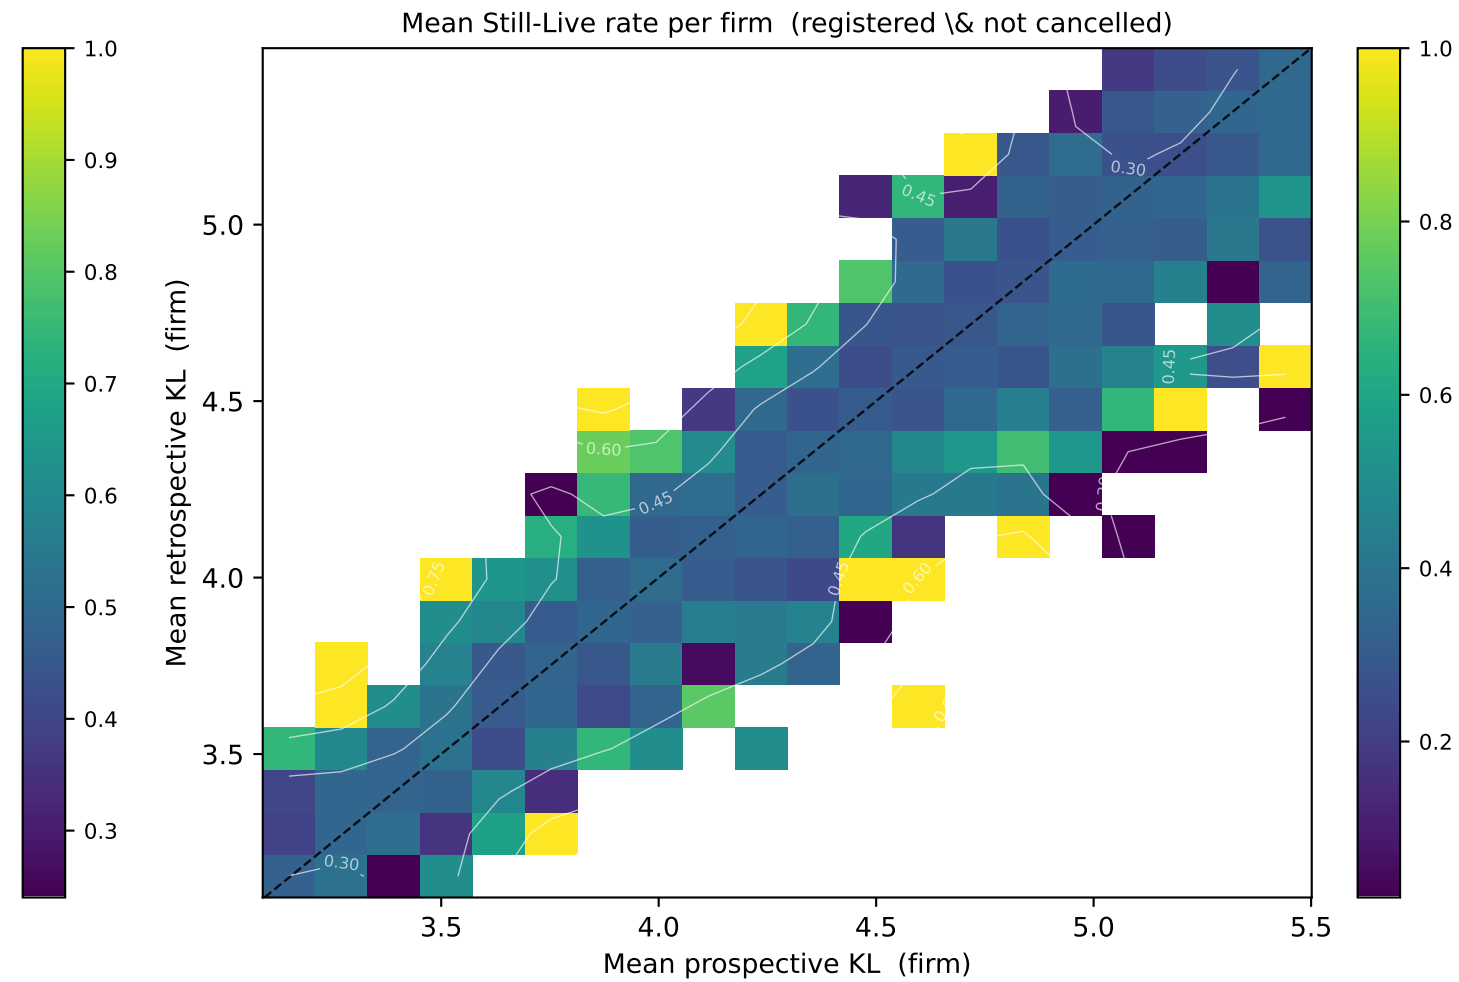

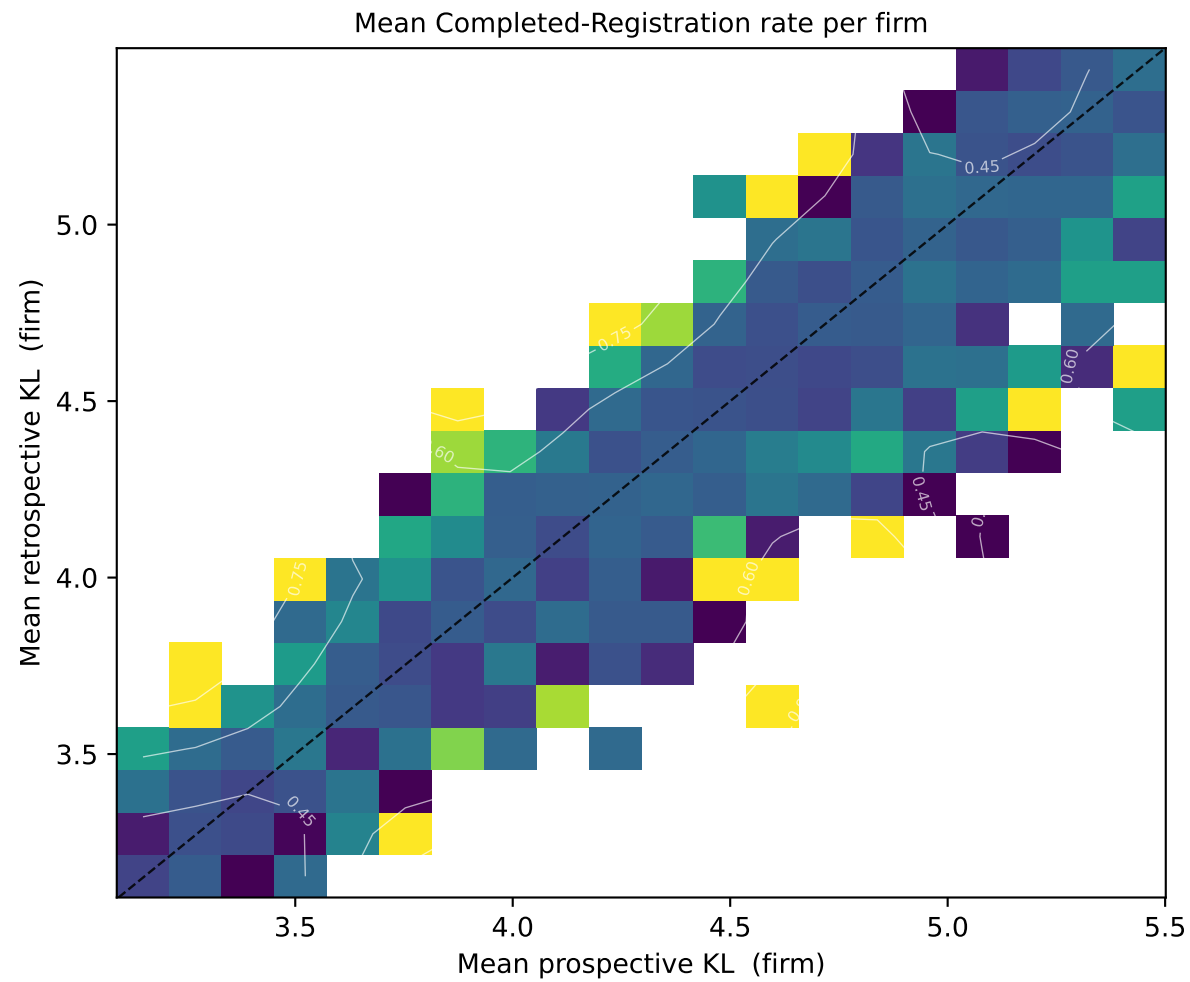

Mean Still-Live rate per firm (registered \& not cancelled)

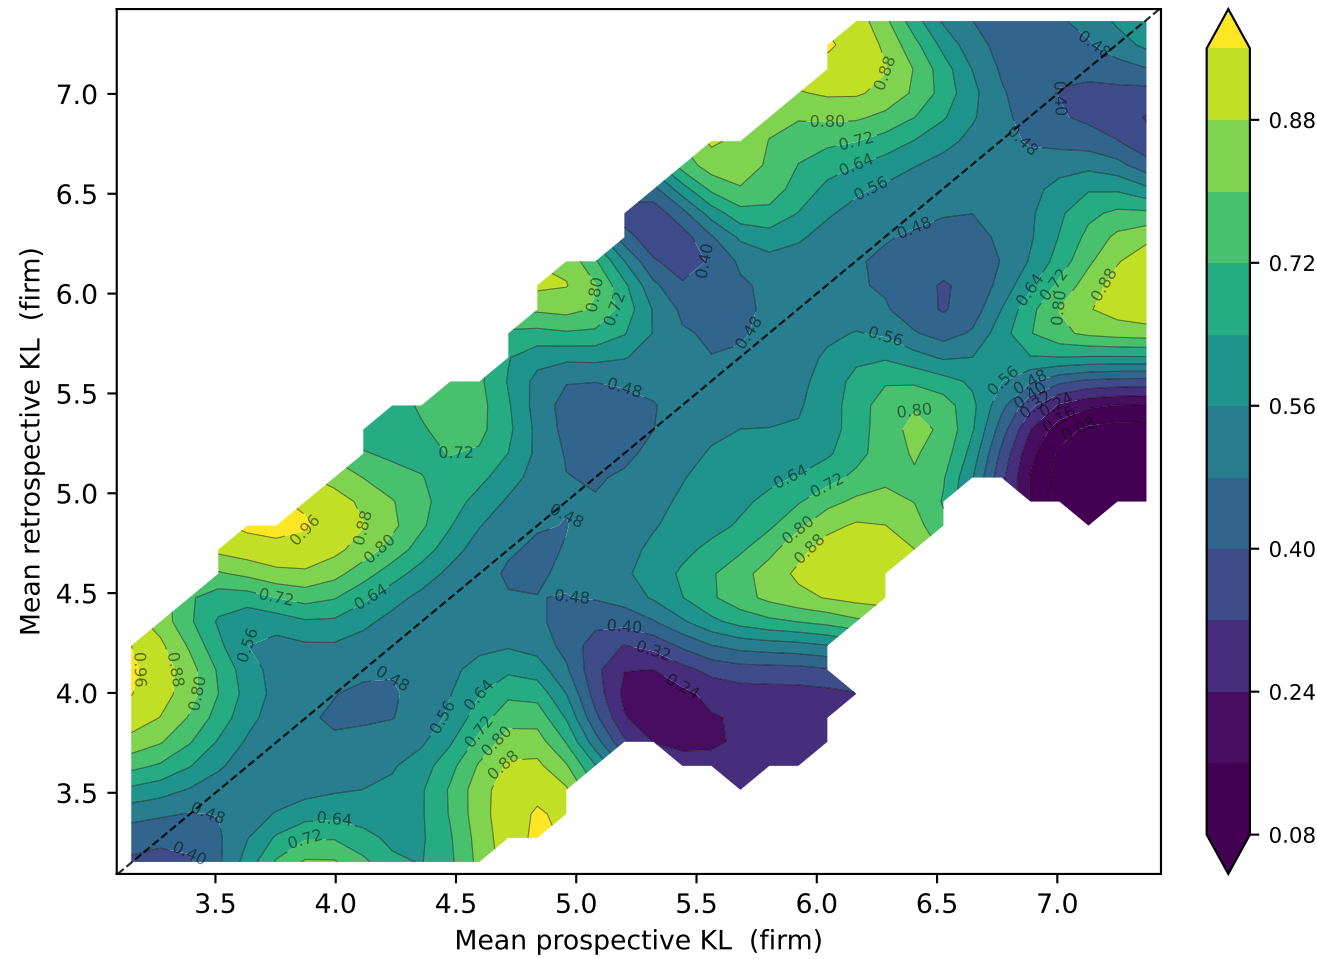

Within-firm std.\ of still-live outcomes

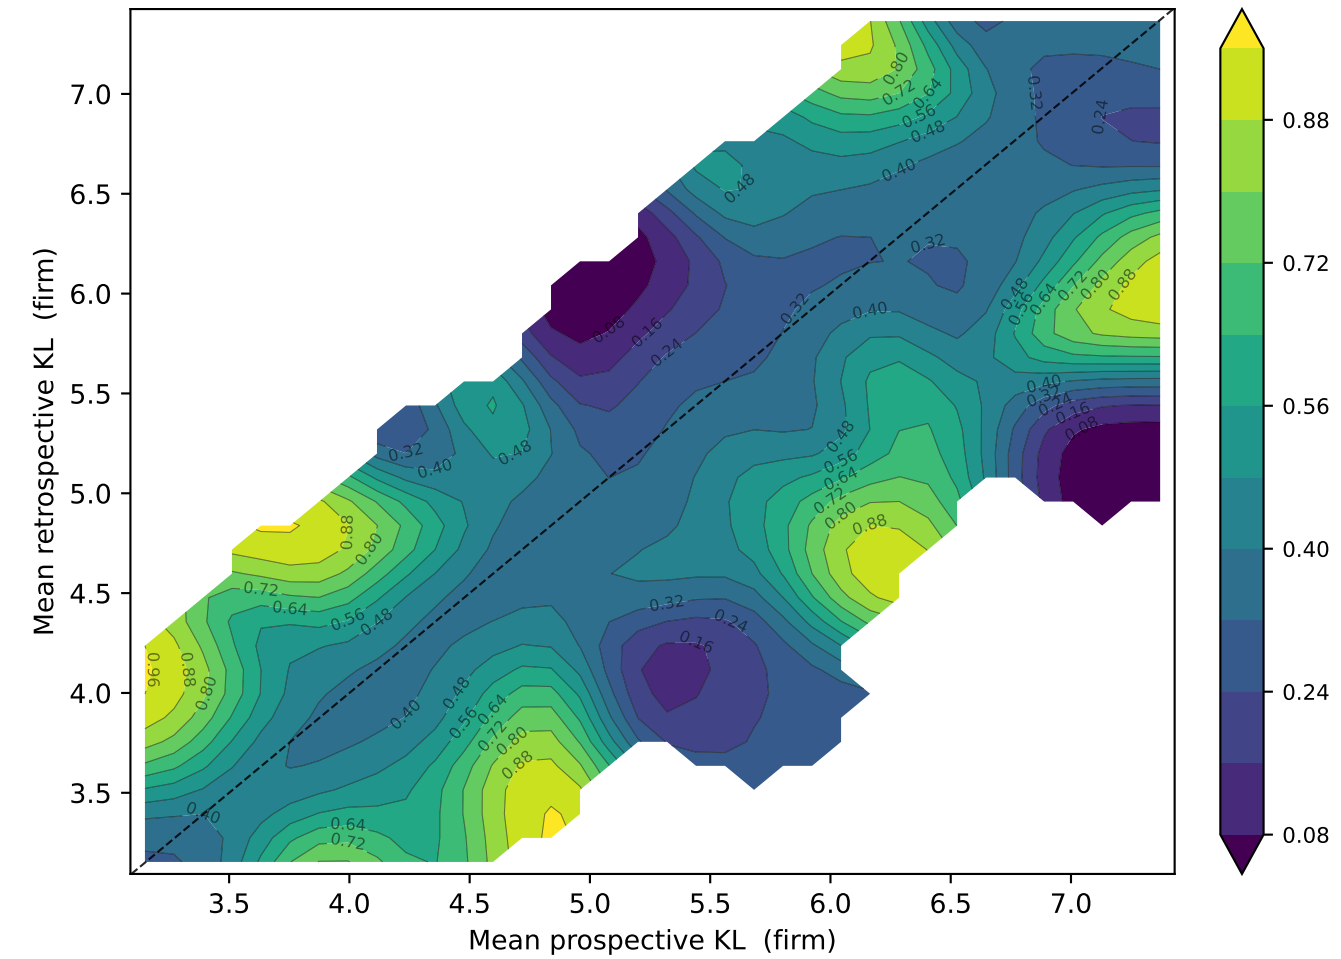

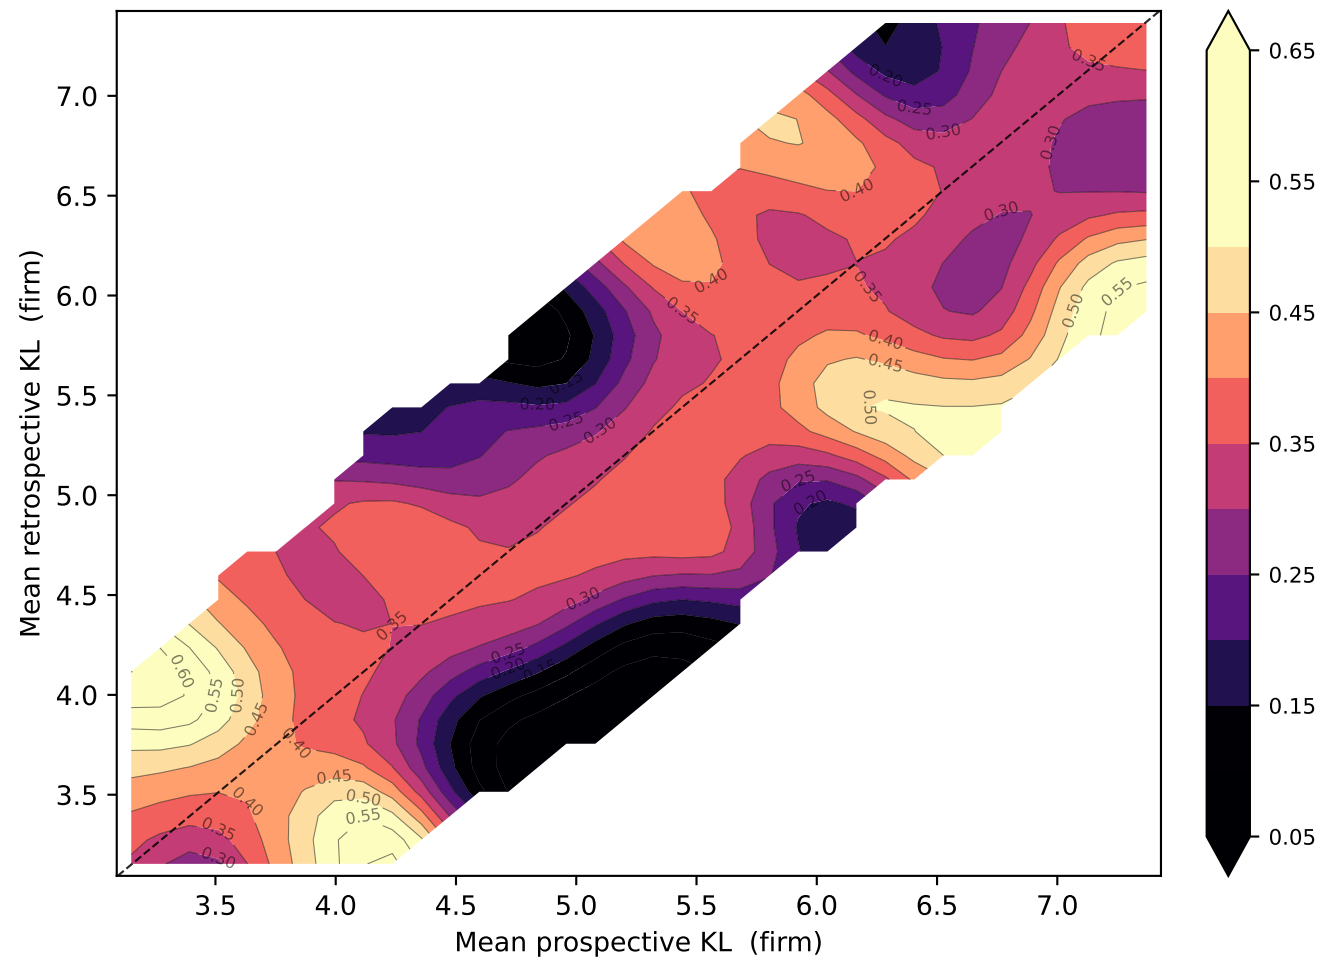

Mean Completed-Registration rate per firm

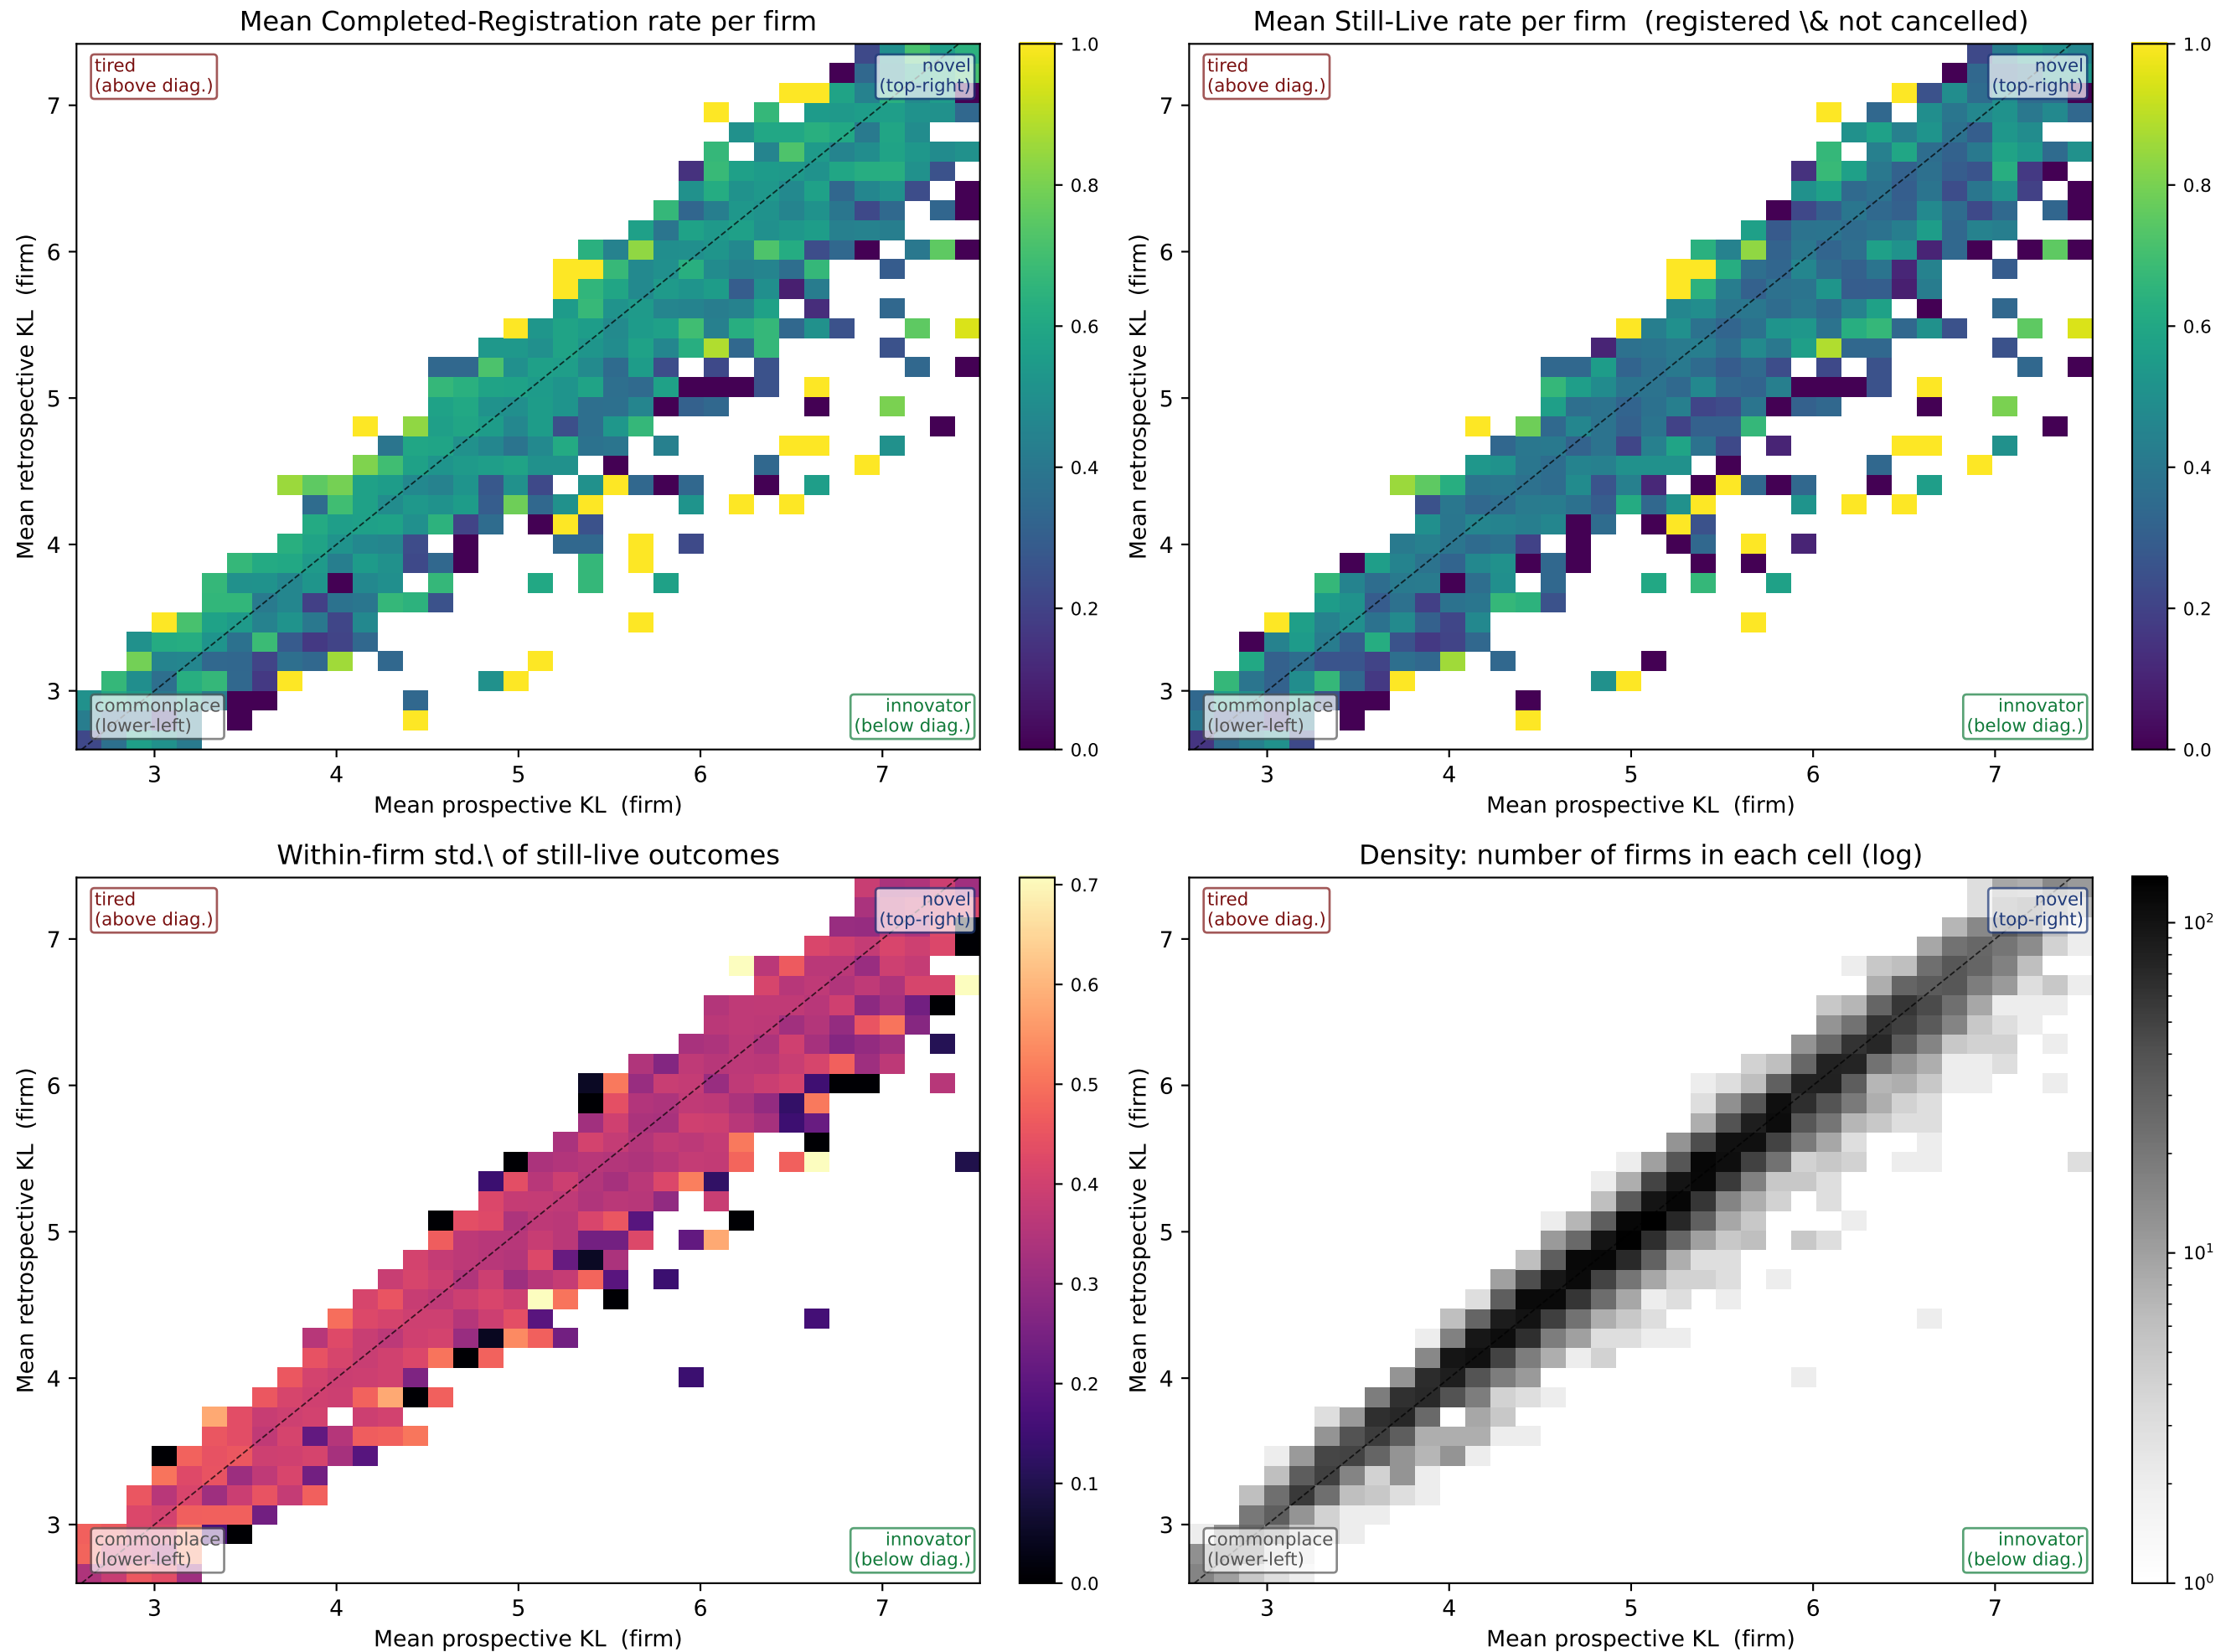

Mean Still-Live rate per firm (registered \& not cancelled)

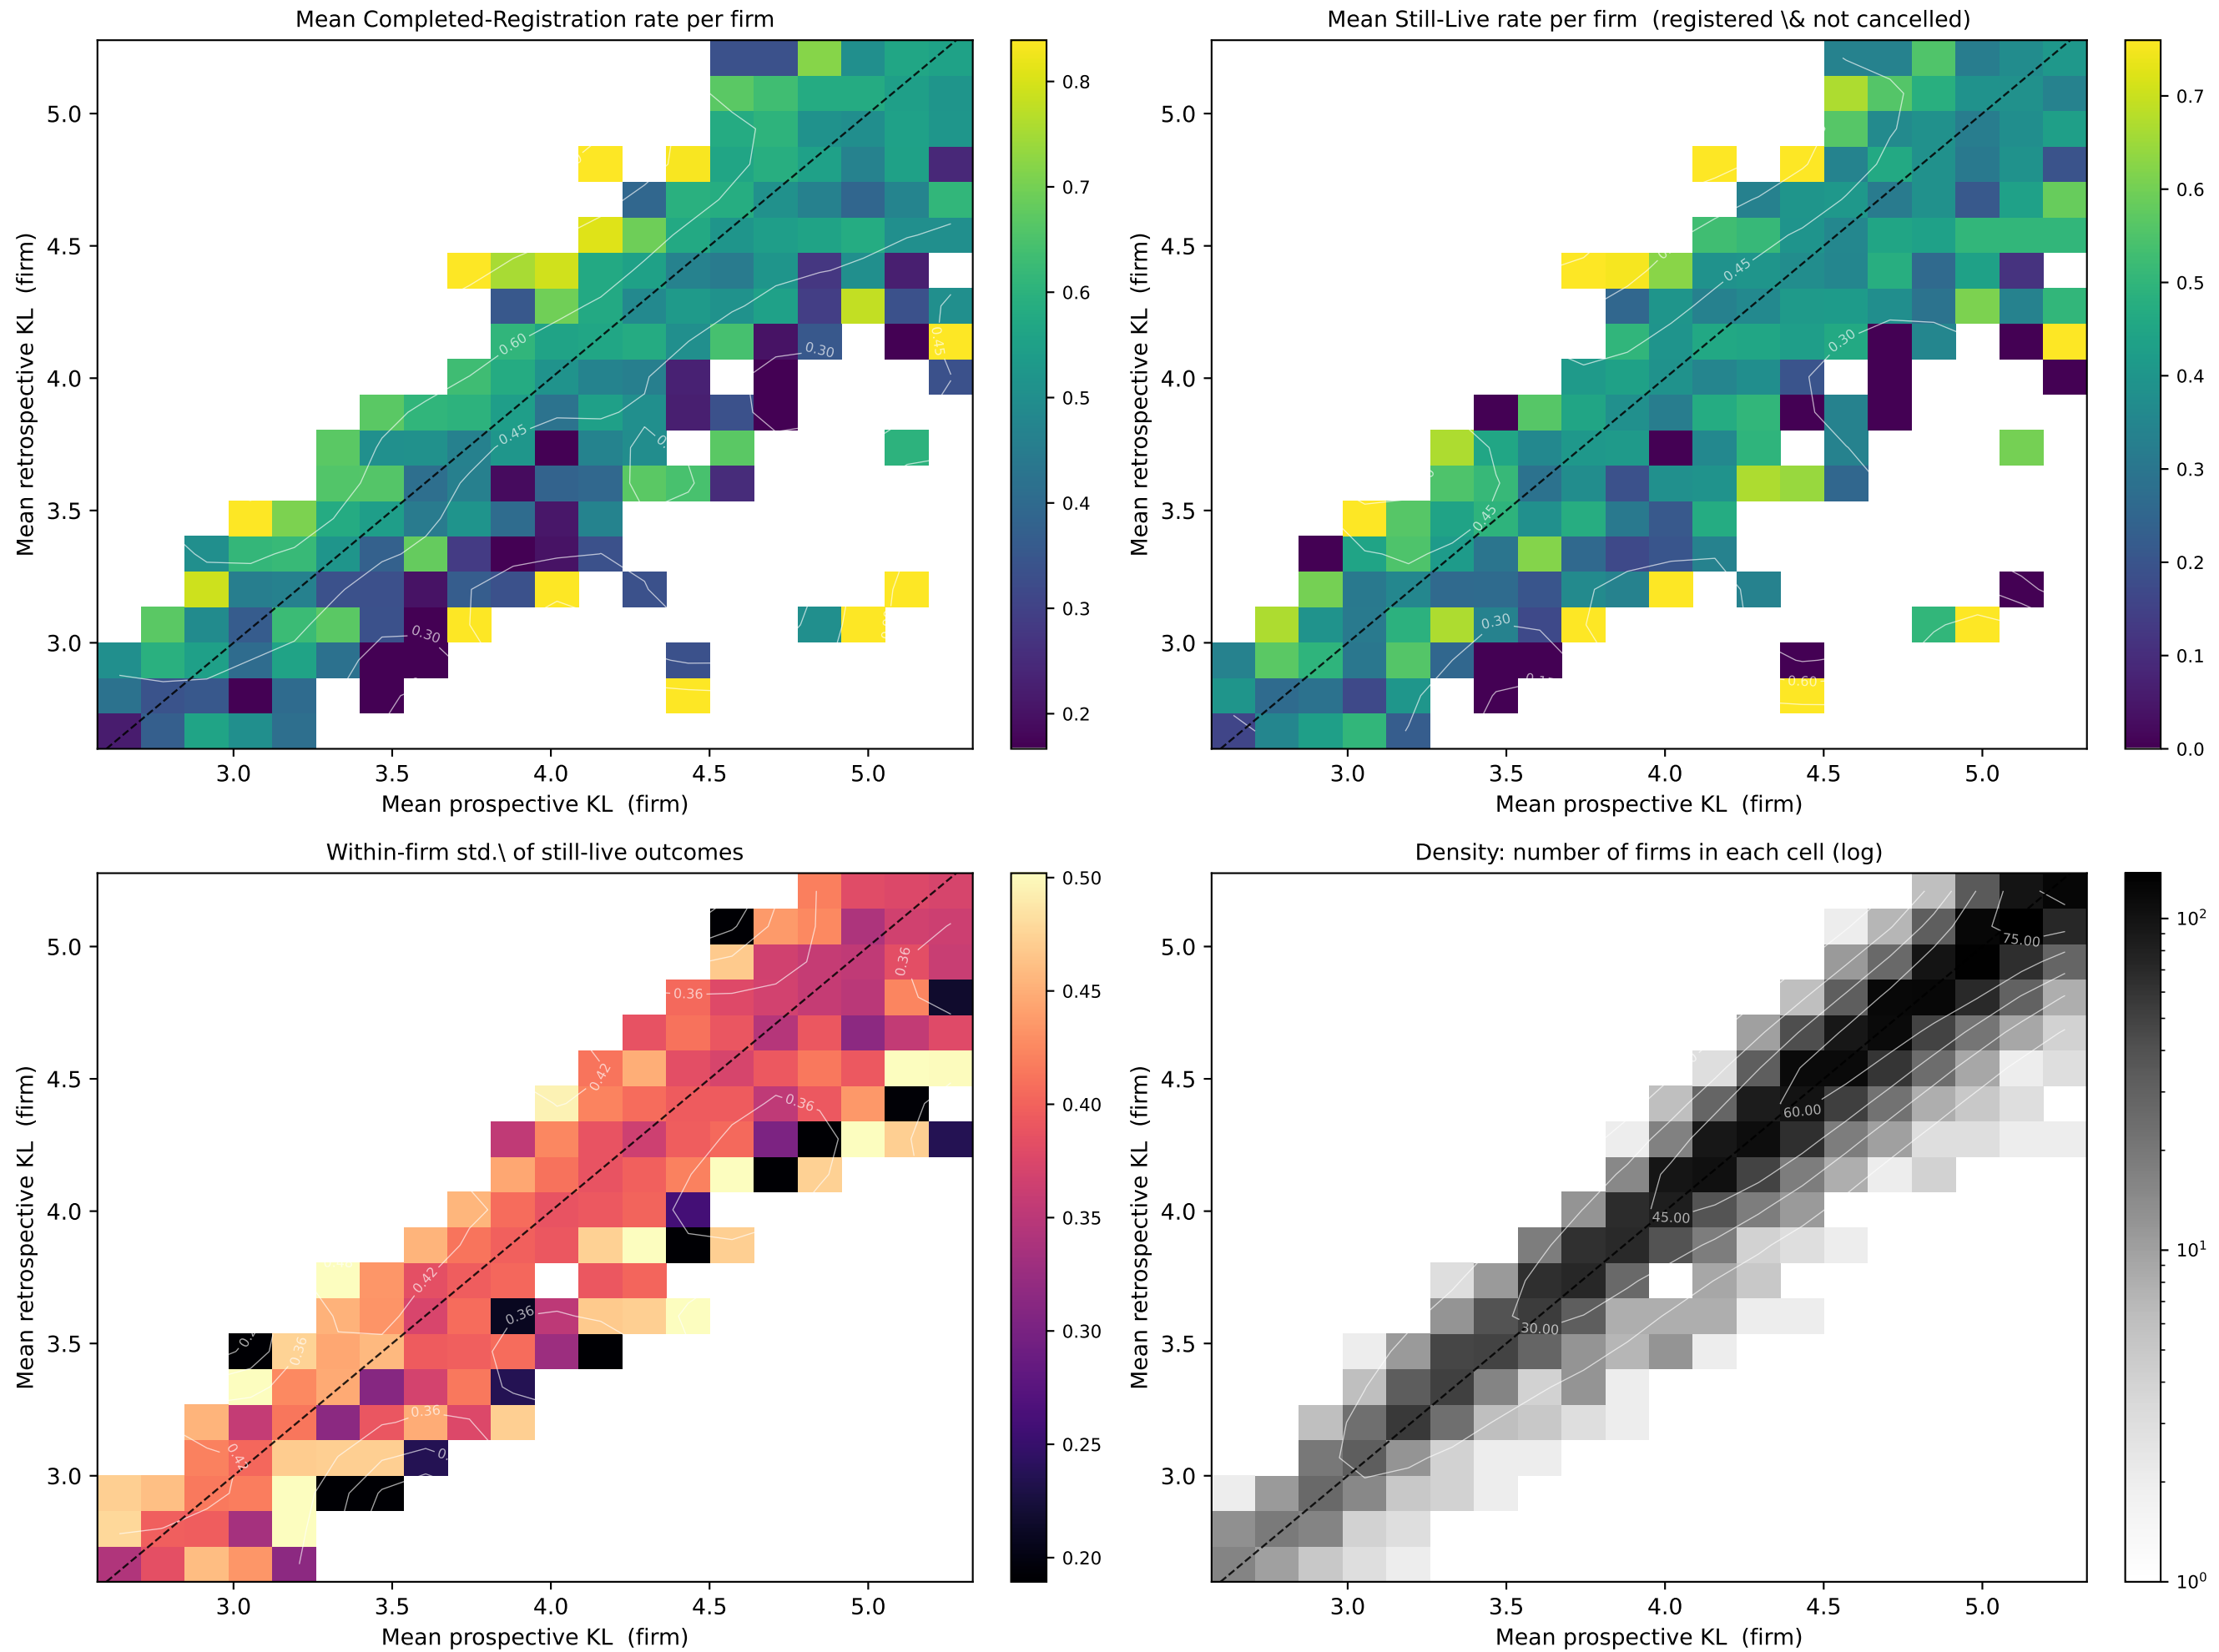

Within-firm std.\ of still-live outcomes

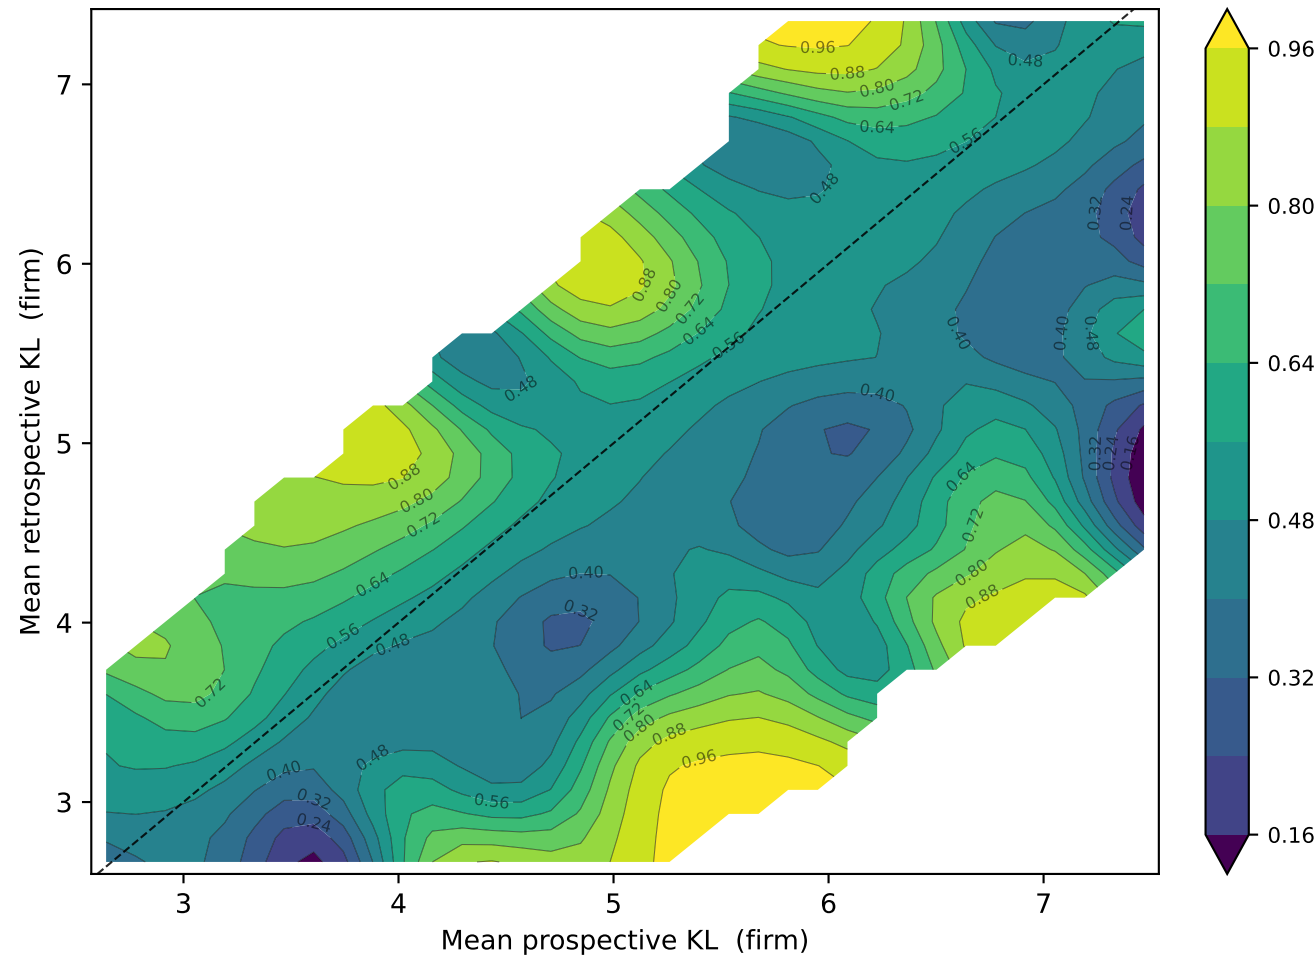

Class 021 — Household Utensils — 134,201 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=8,077 firms

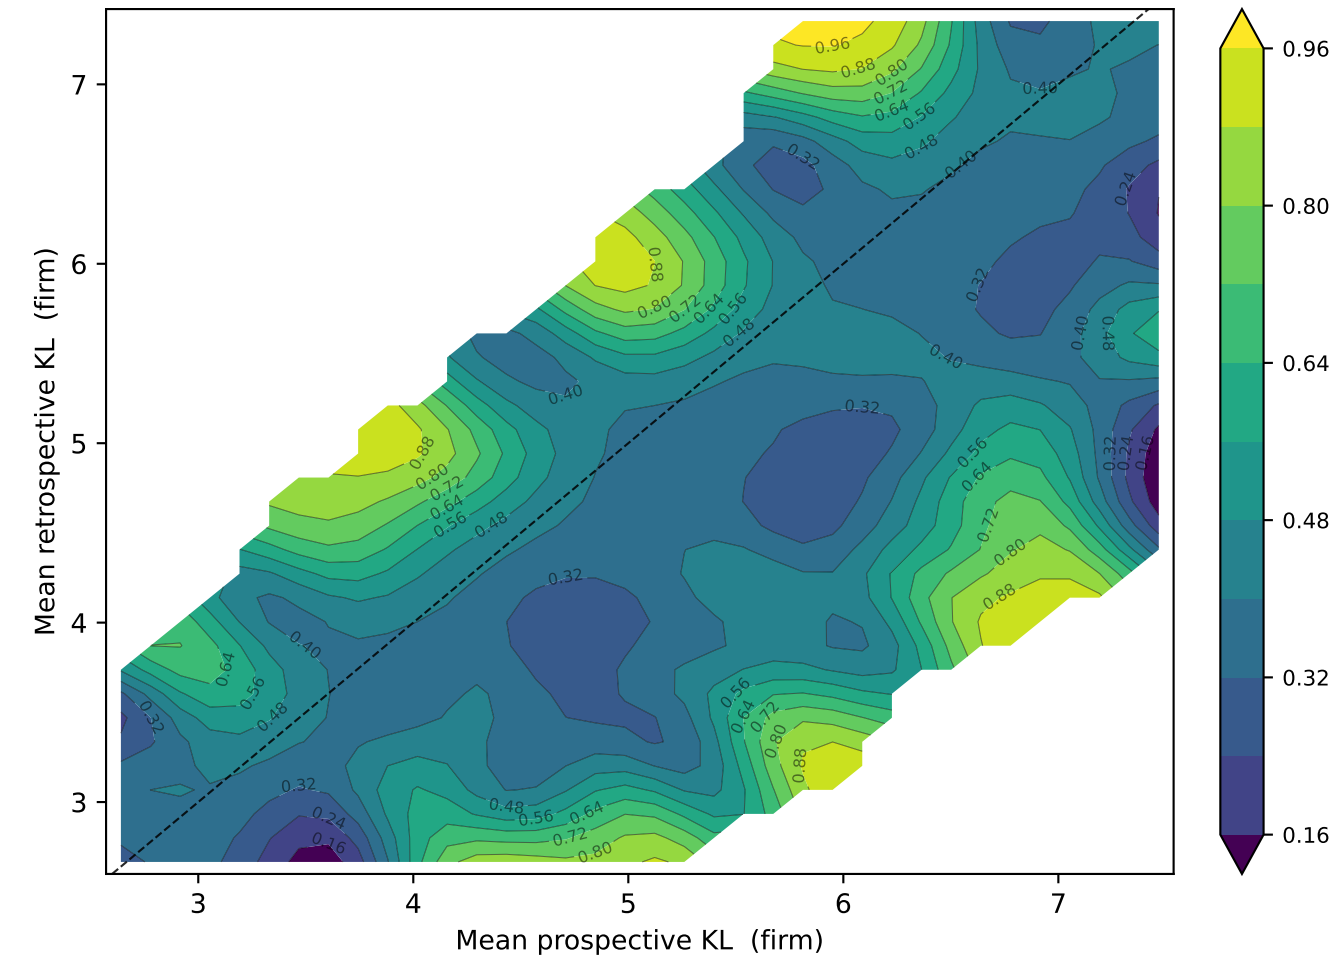

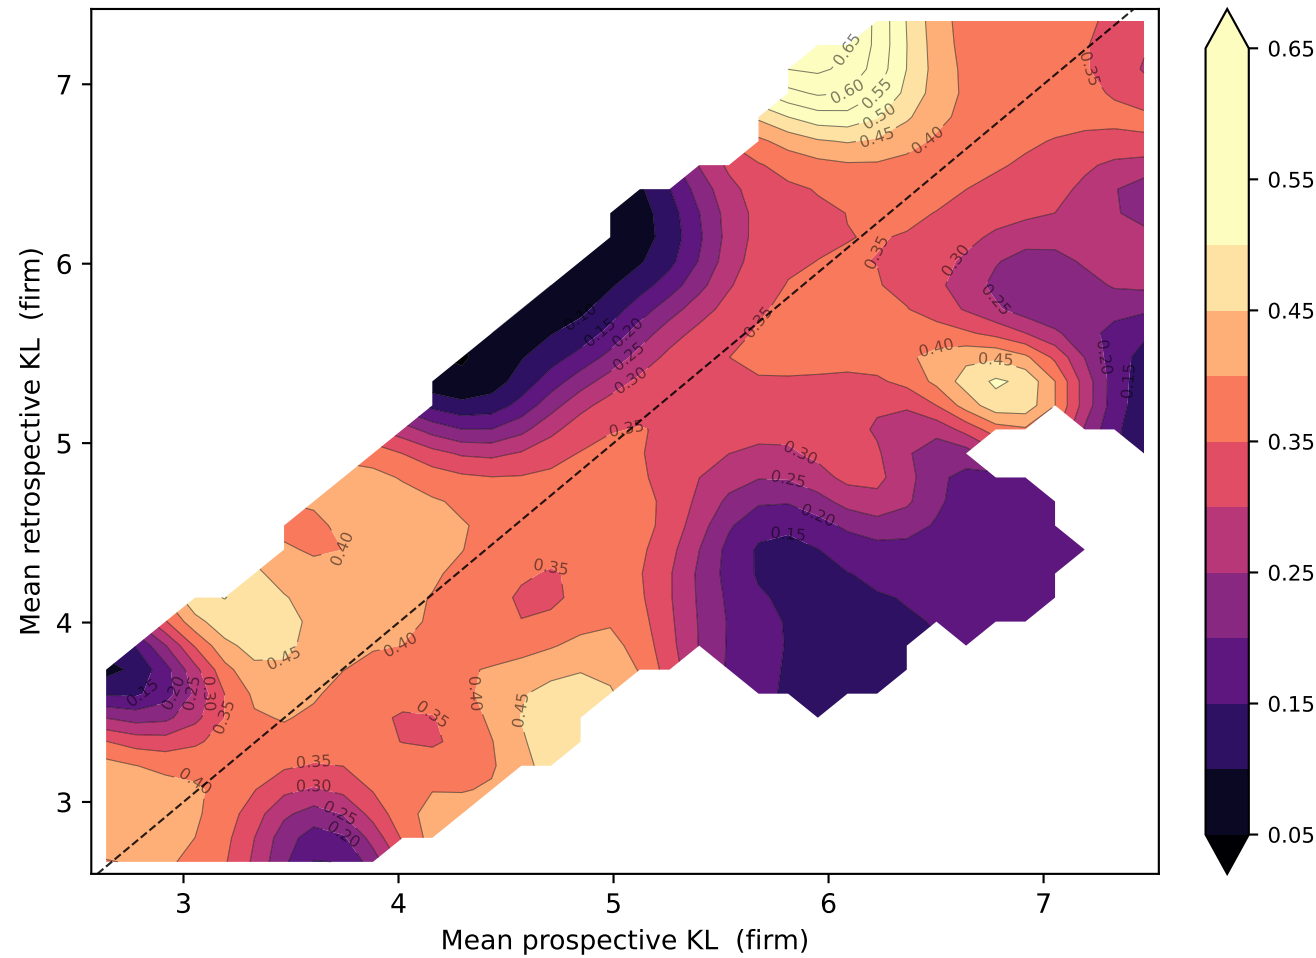

Mean Completed-Registration rate per firm

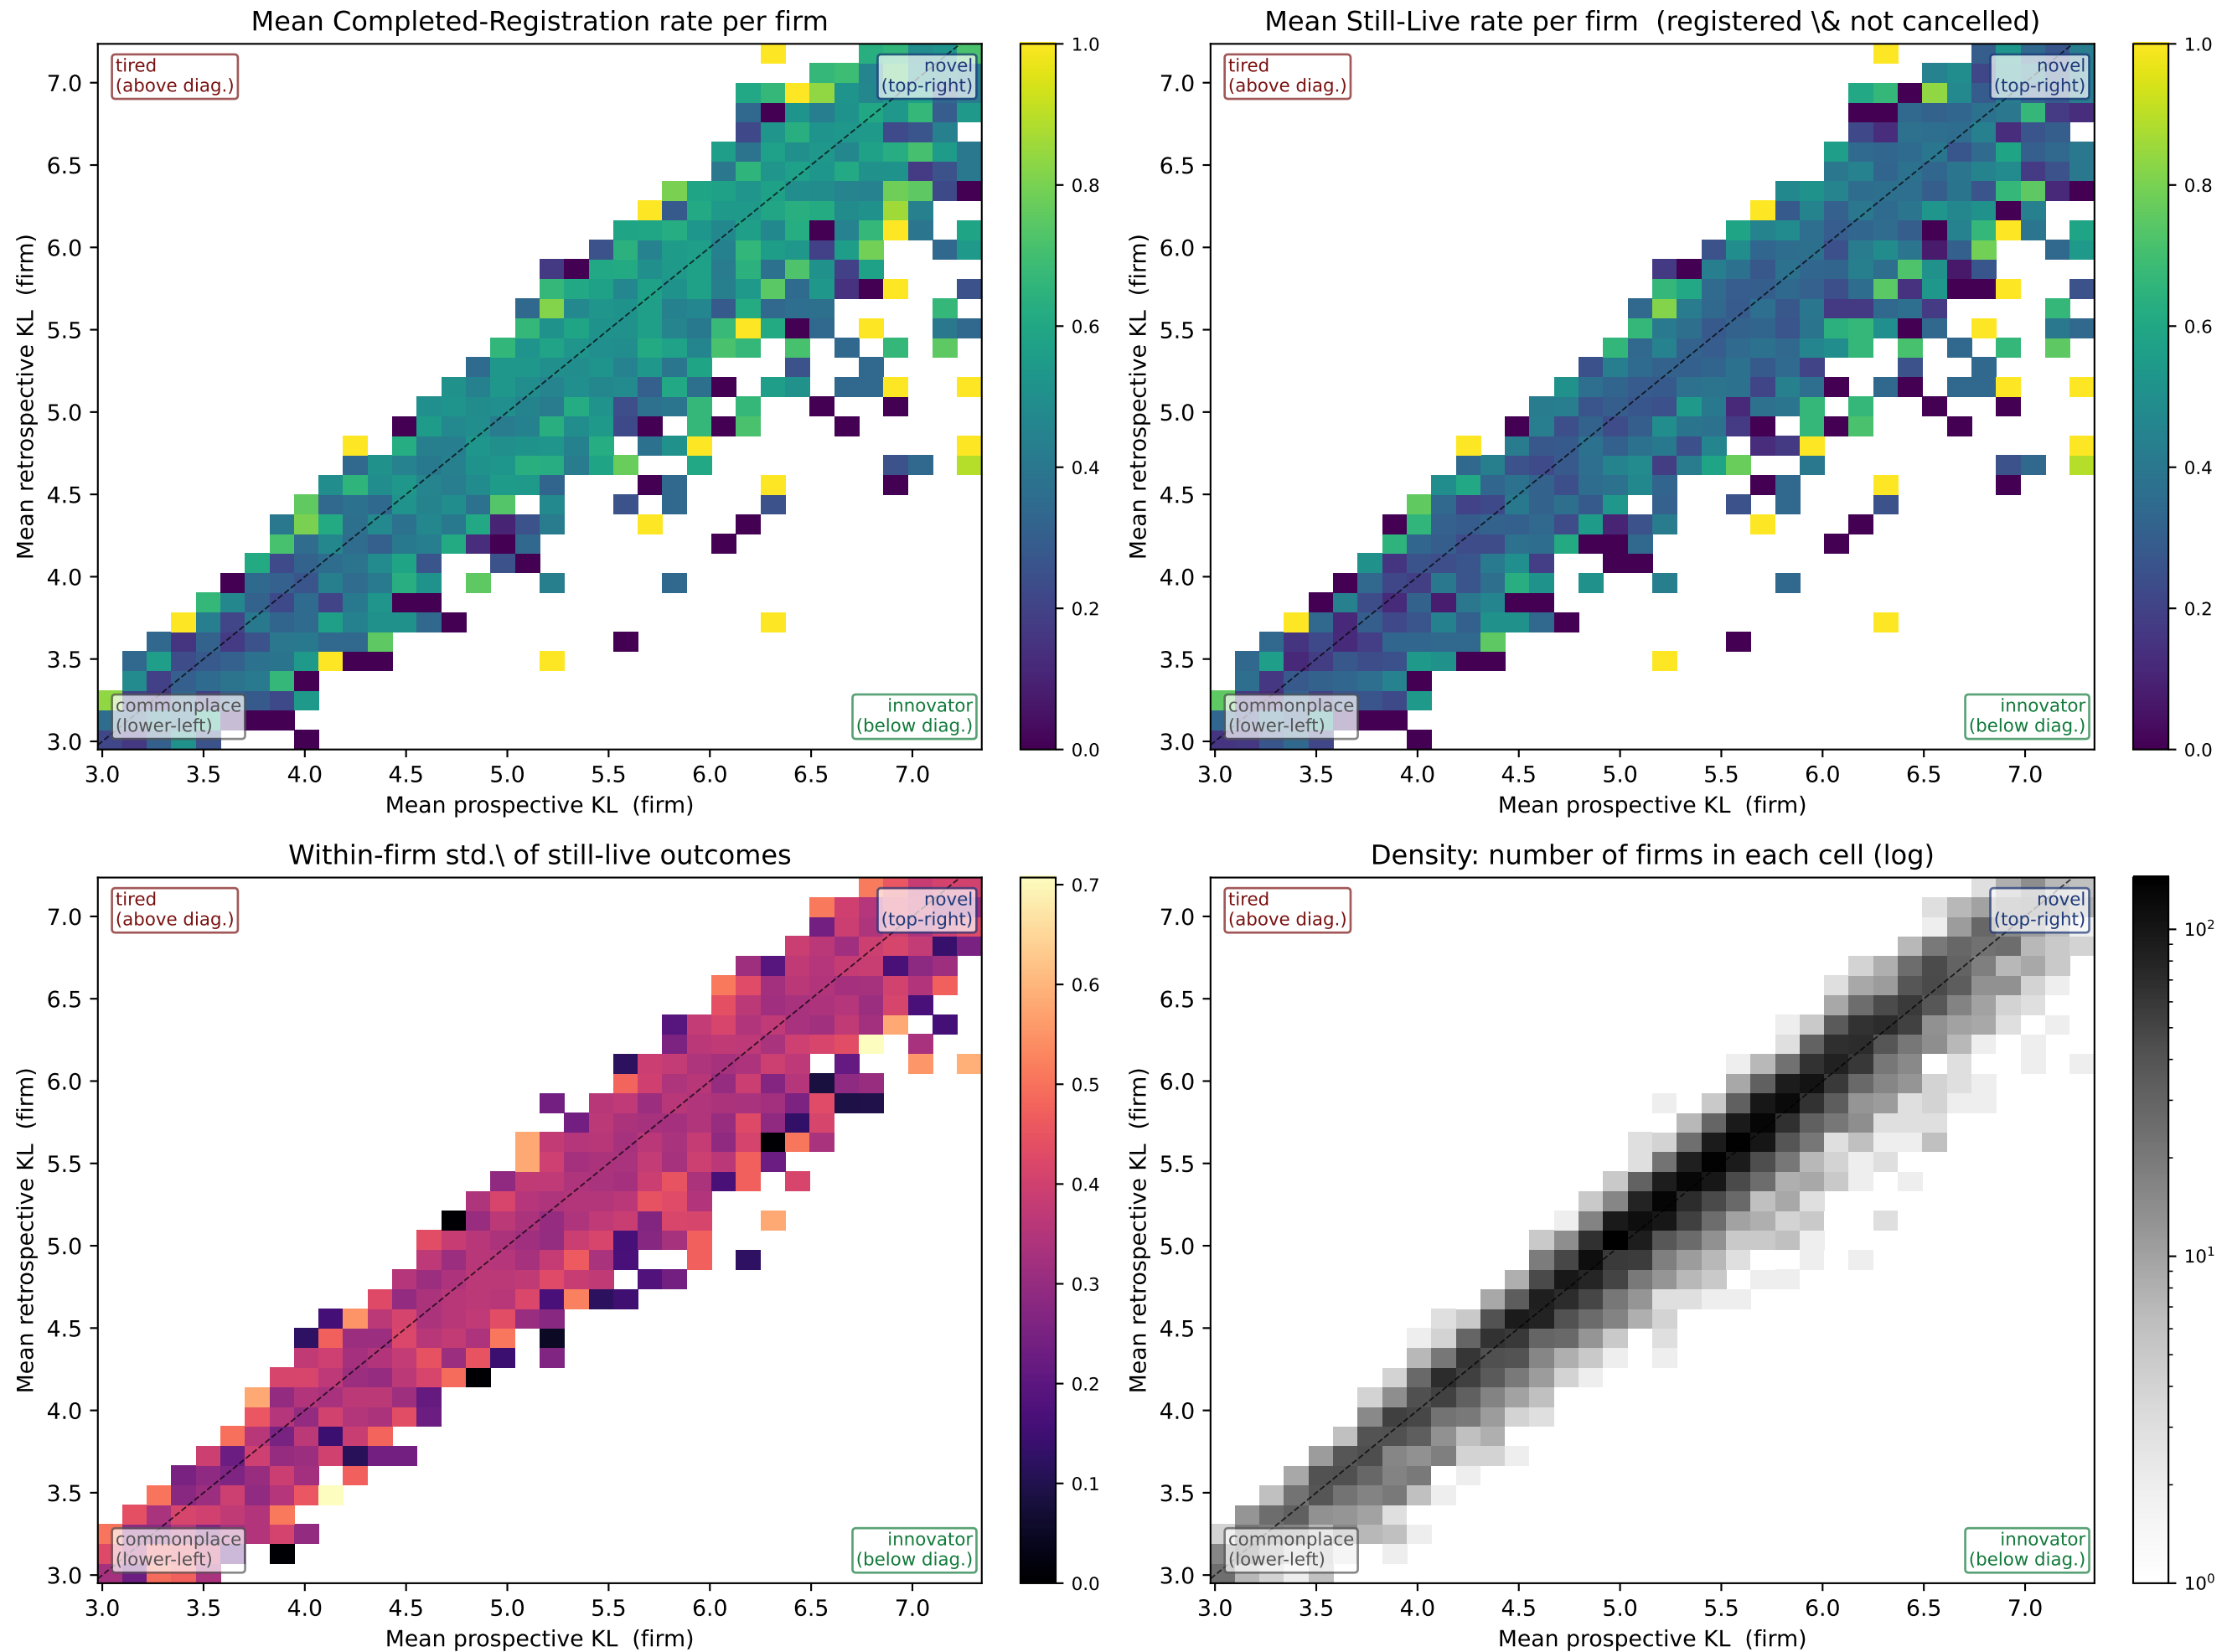

Mean Still-Live rate per firm (registered \& not cancelled)

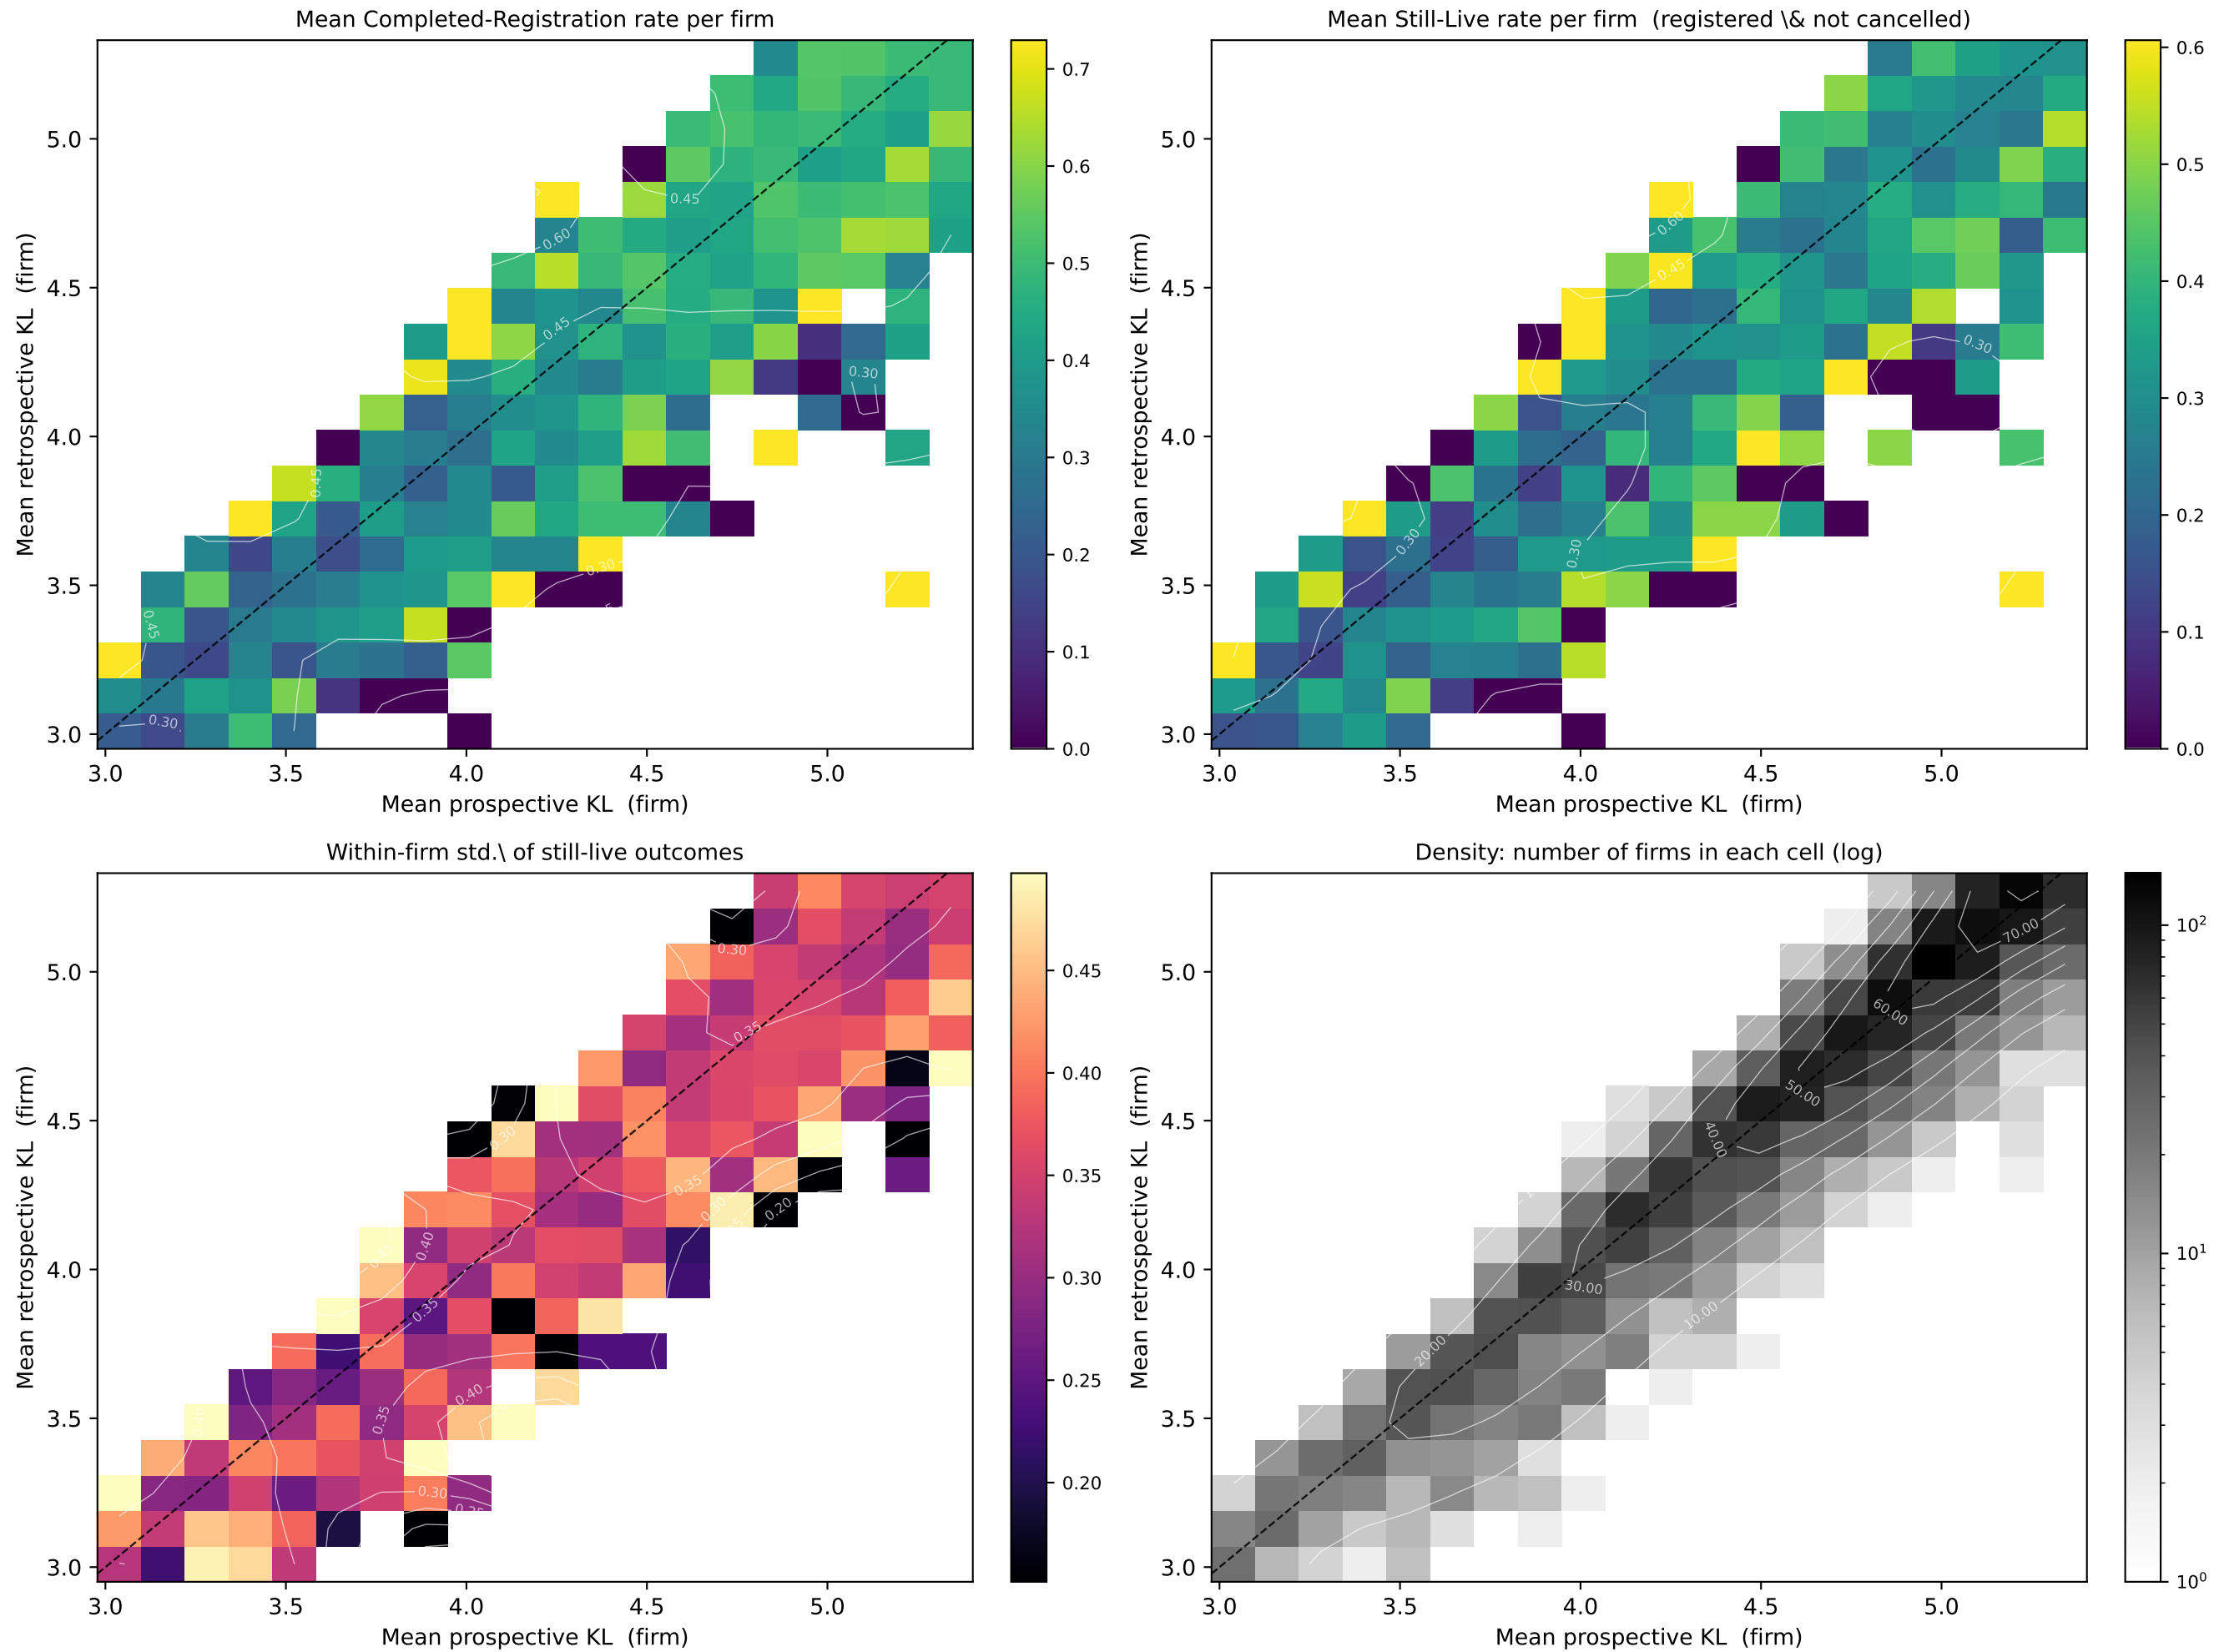

Within-firm std.\ of still-live outcomes

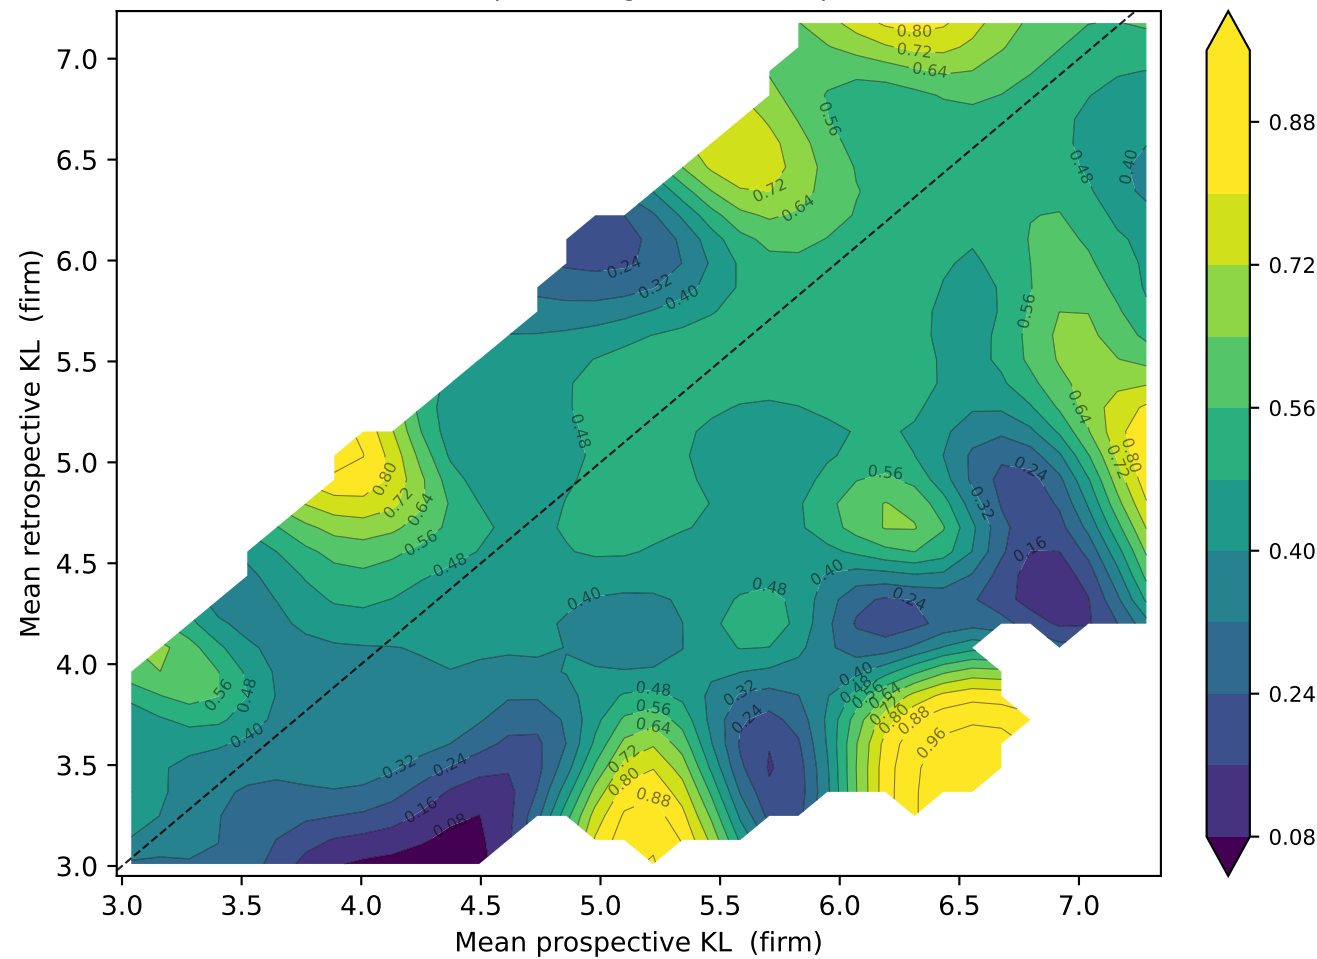

Class 011 — Lighting, HVAC & Appliances — 133,500 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=8,608 firms

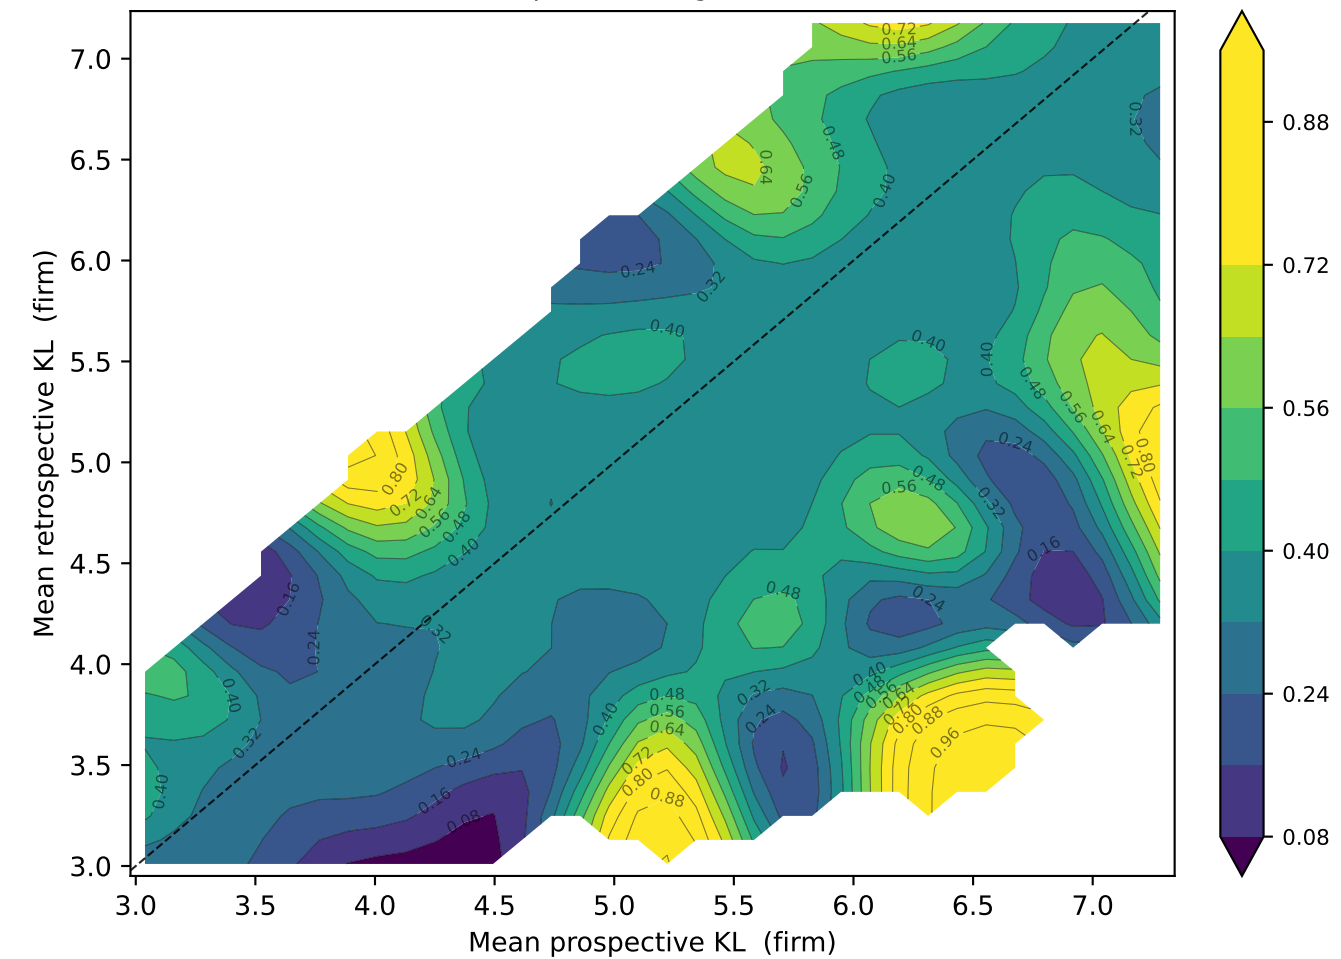

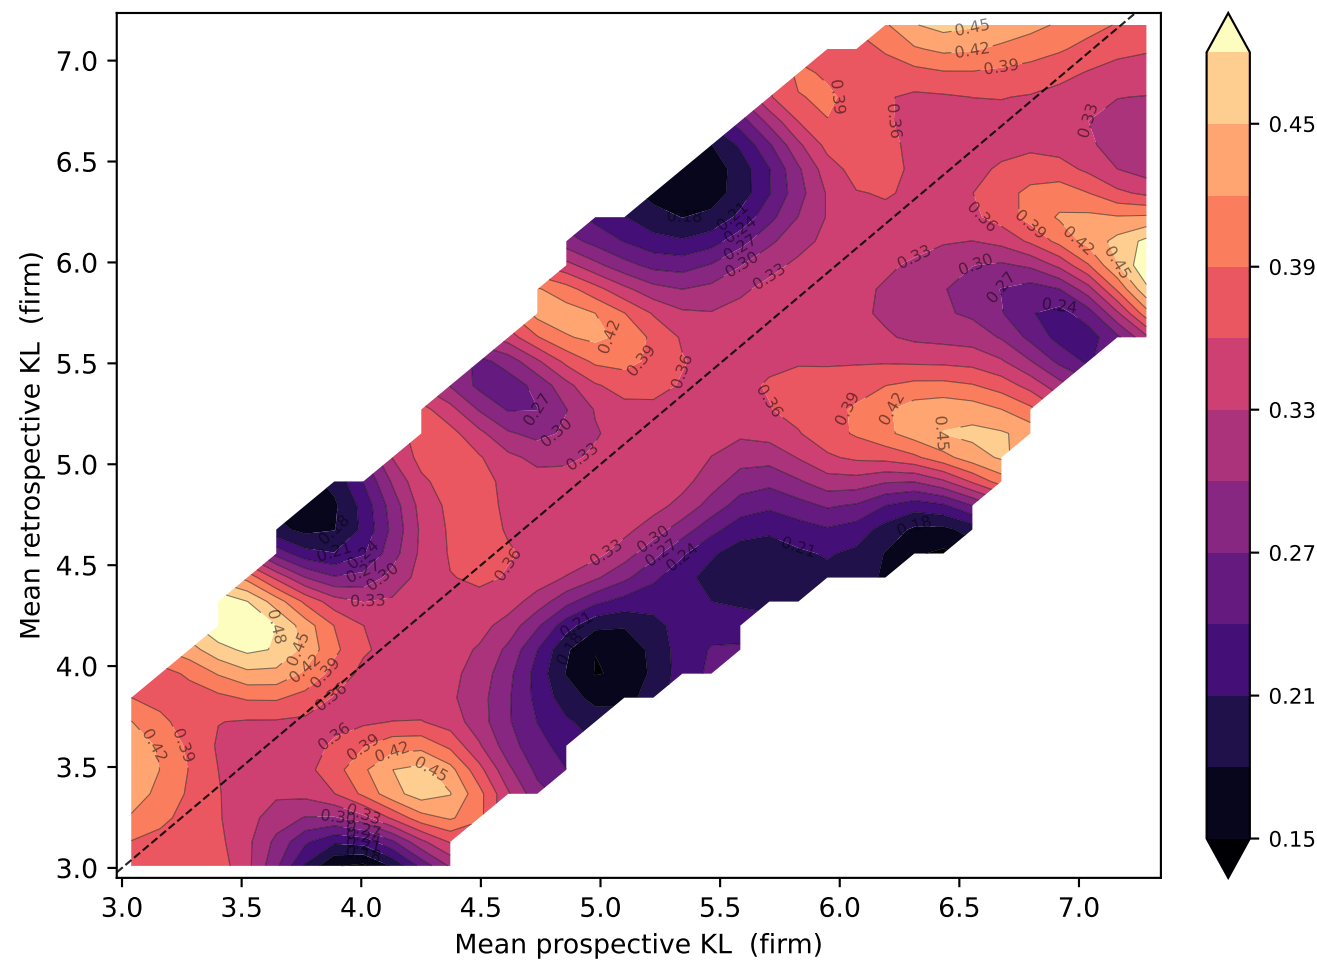

Mean Completed-Registration rate per firm

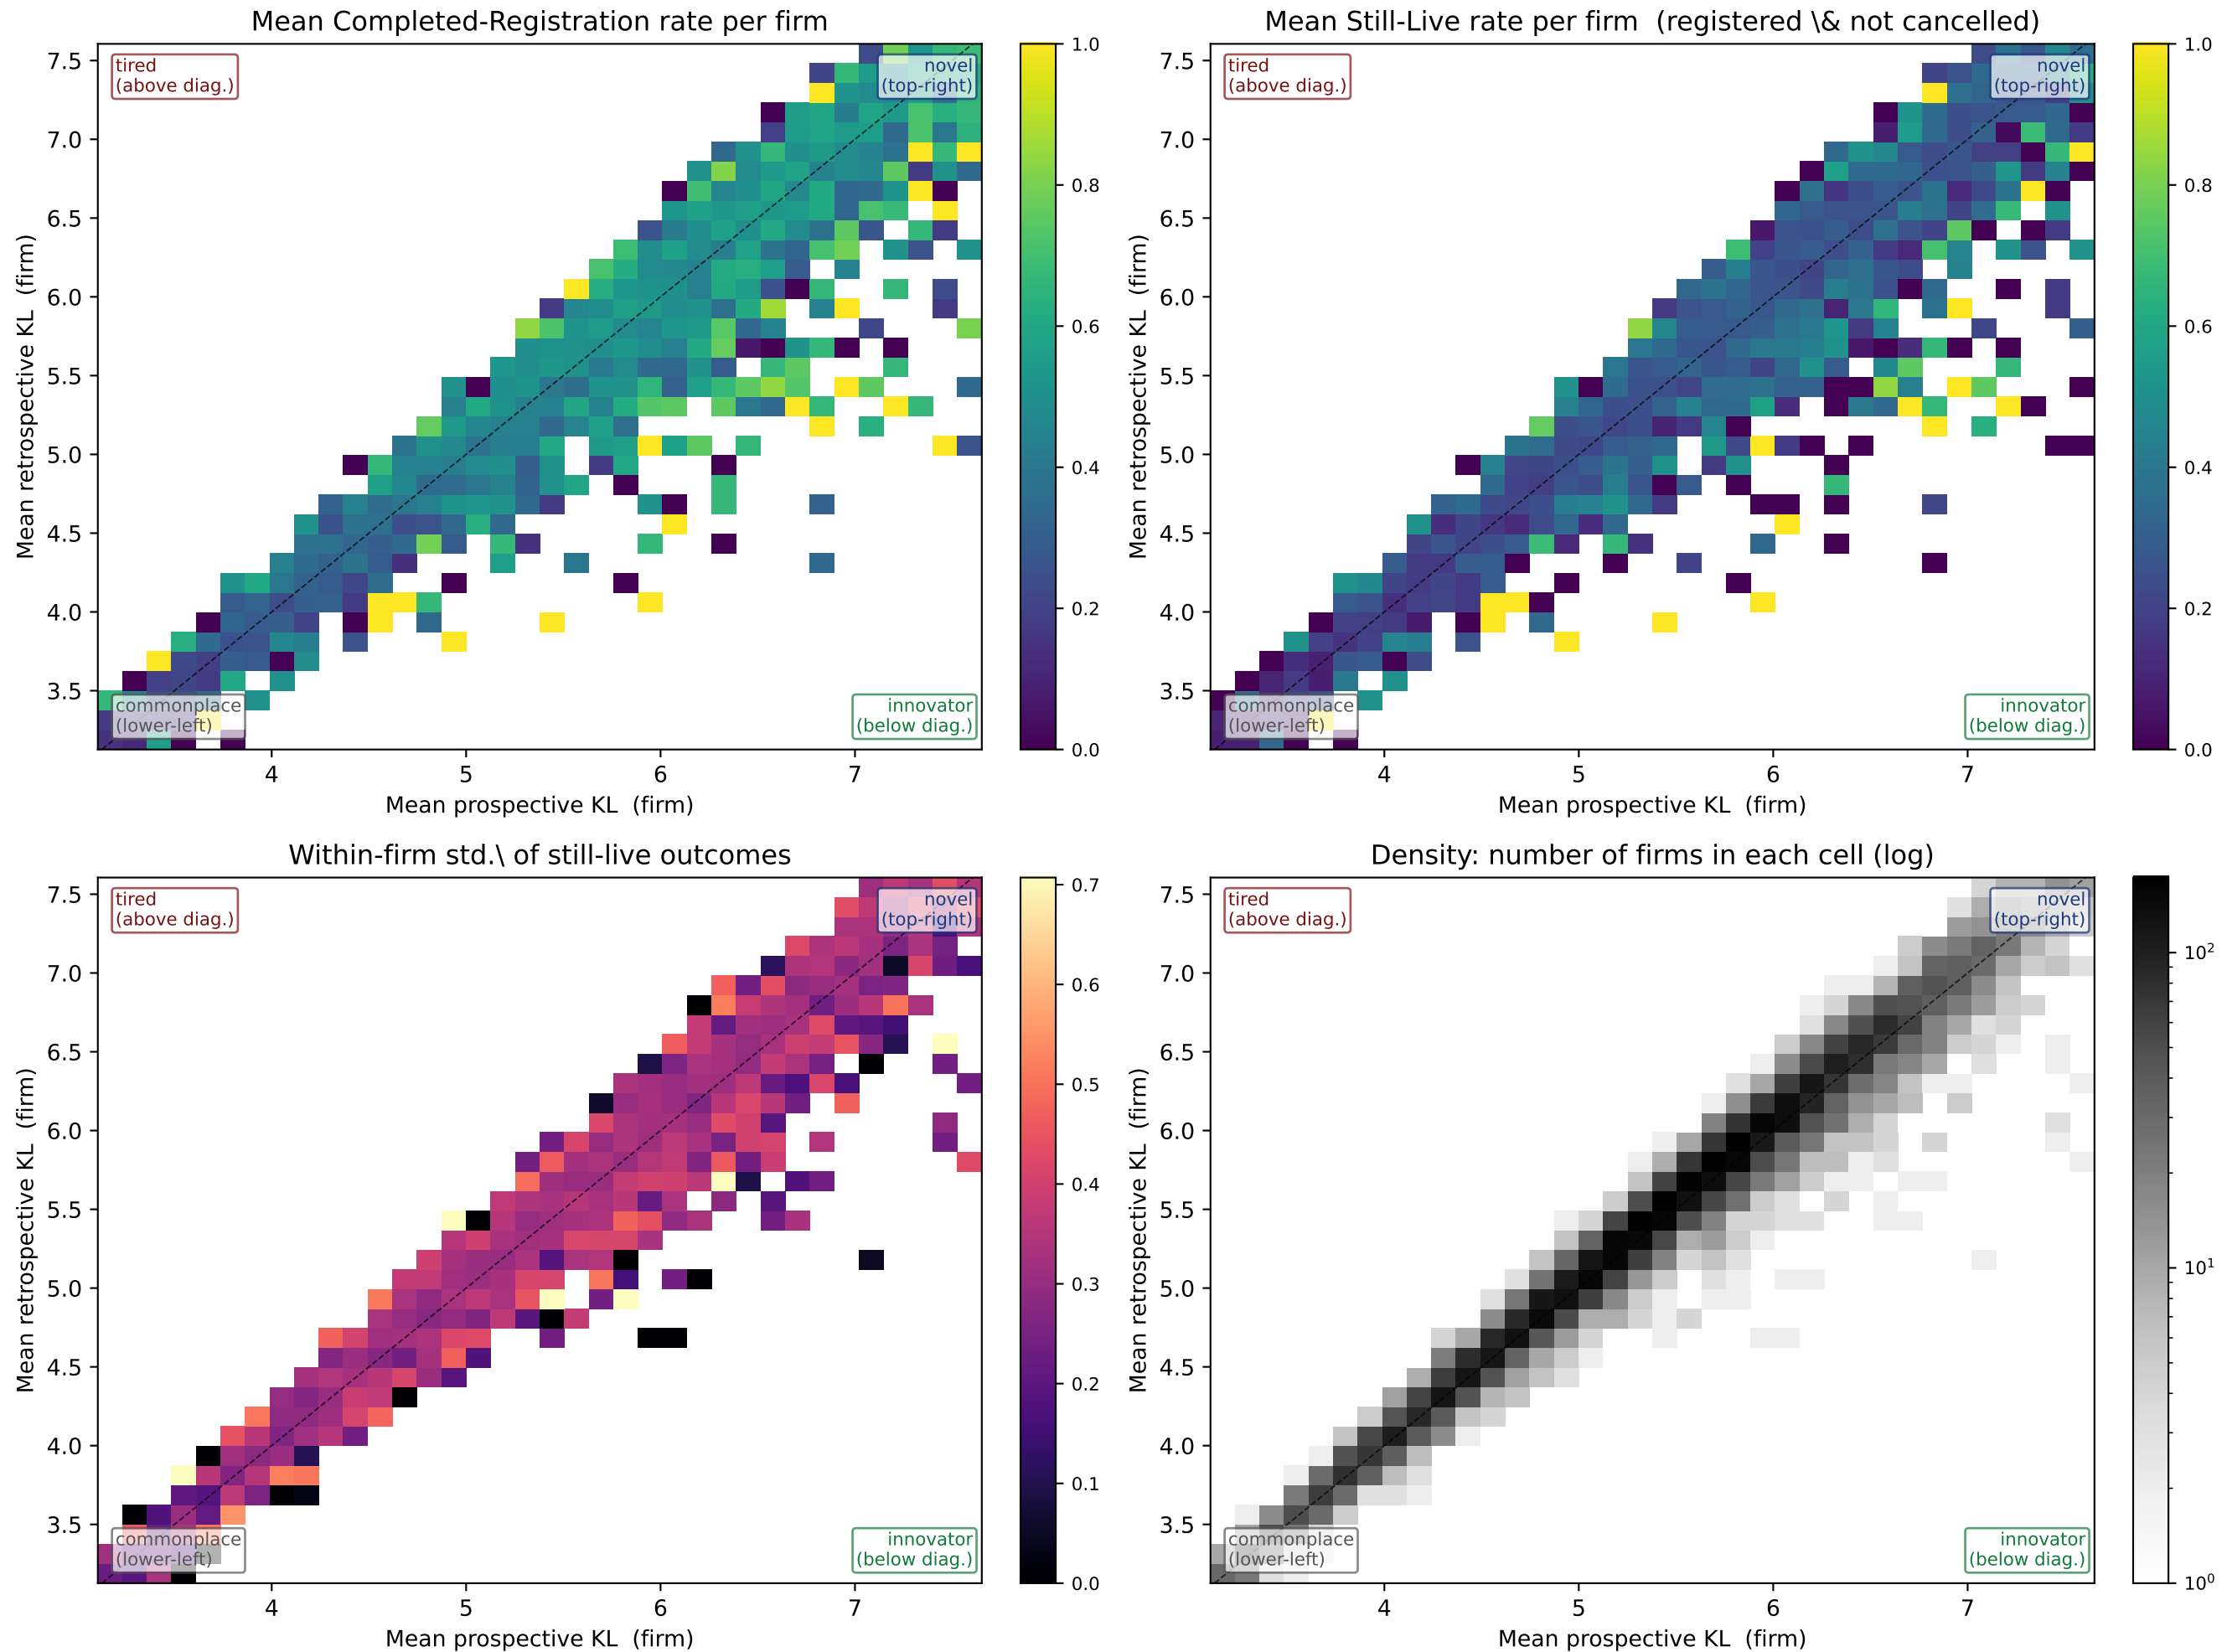

Mean Still-Live rate per firm (registered \& not cancelled)

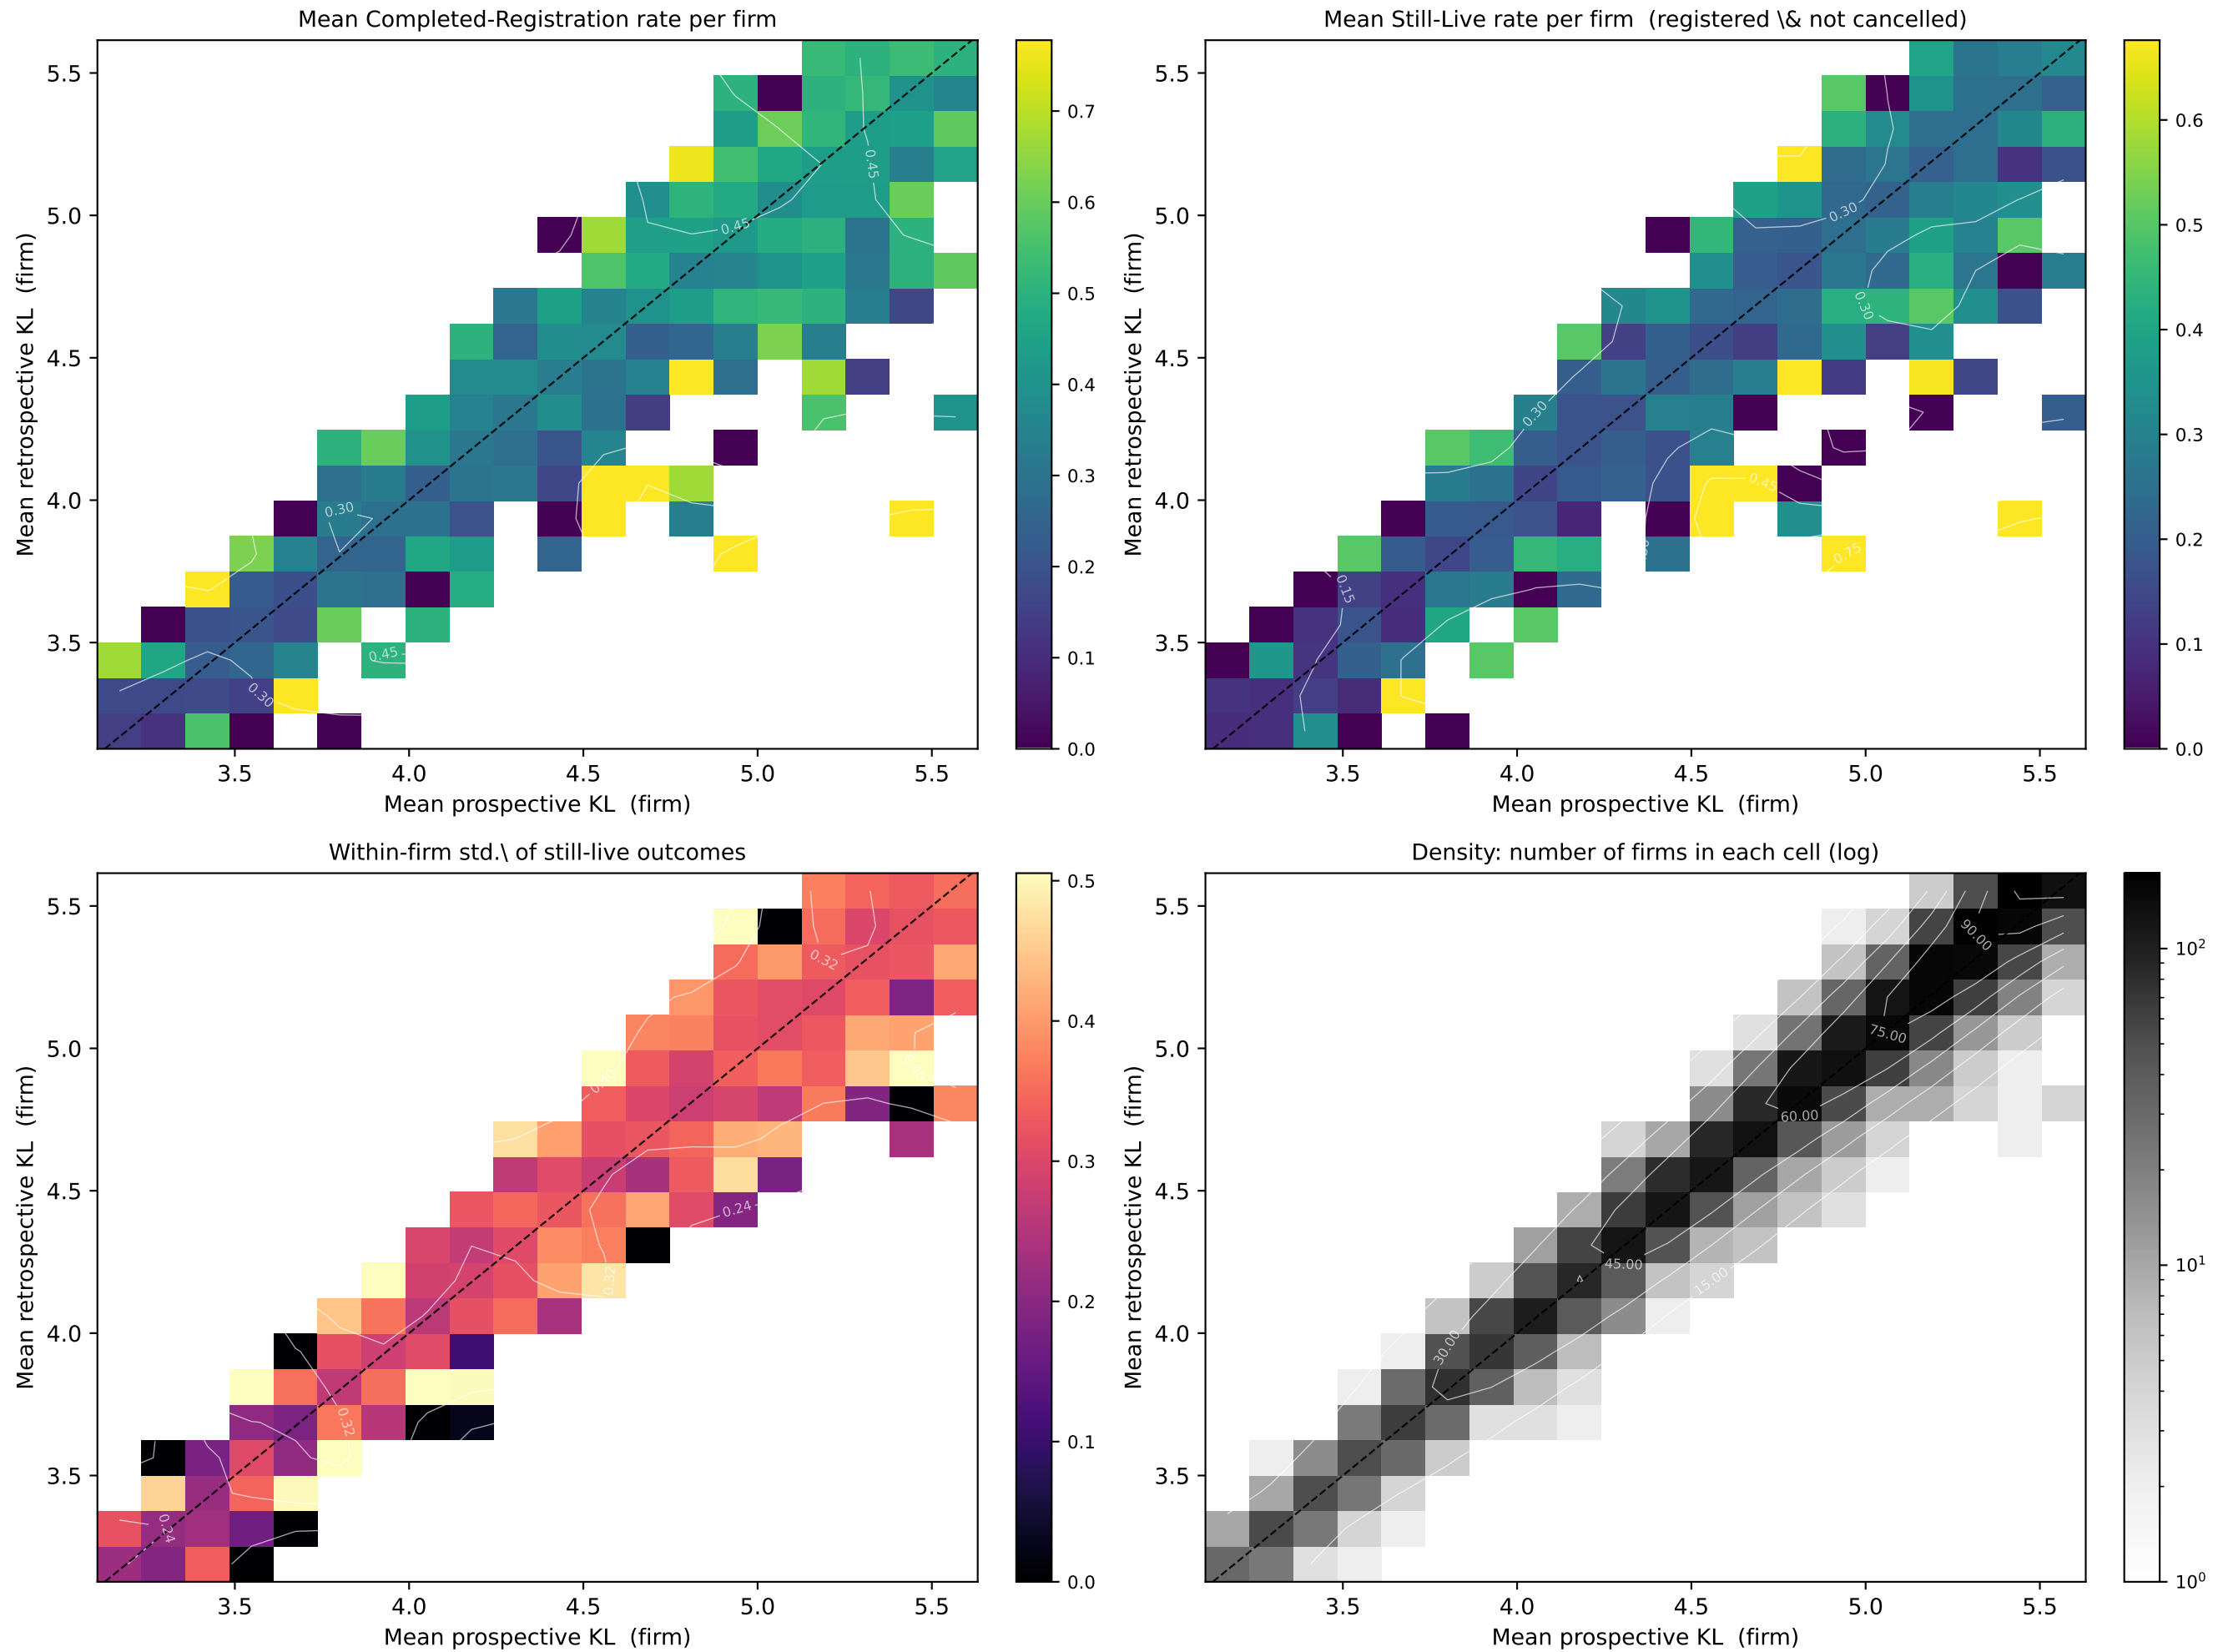

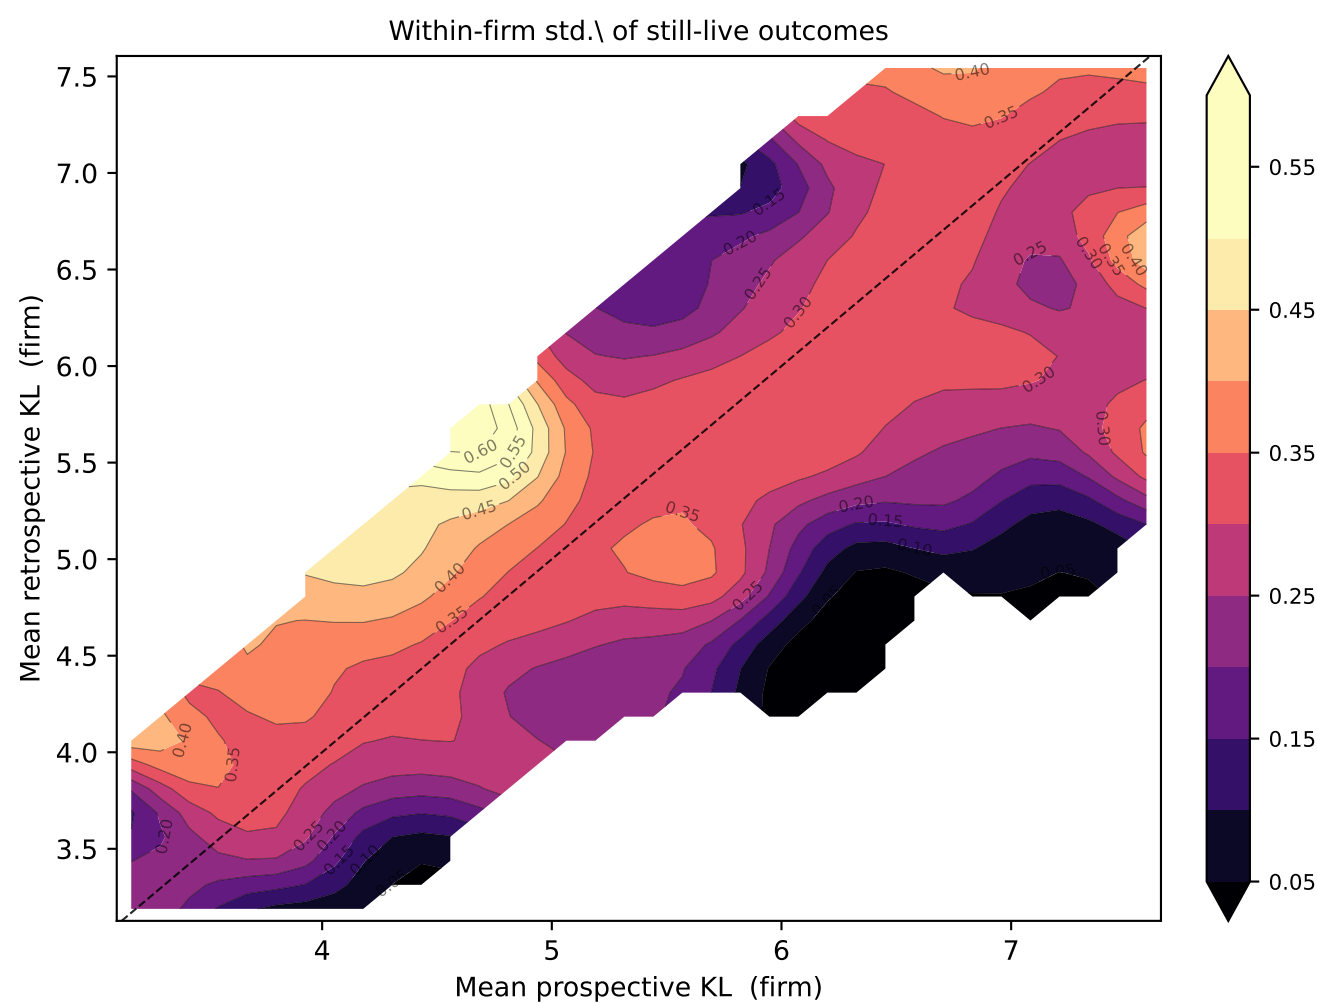

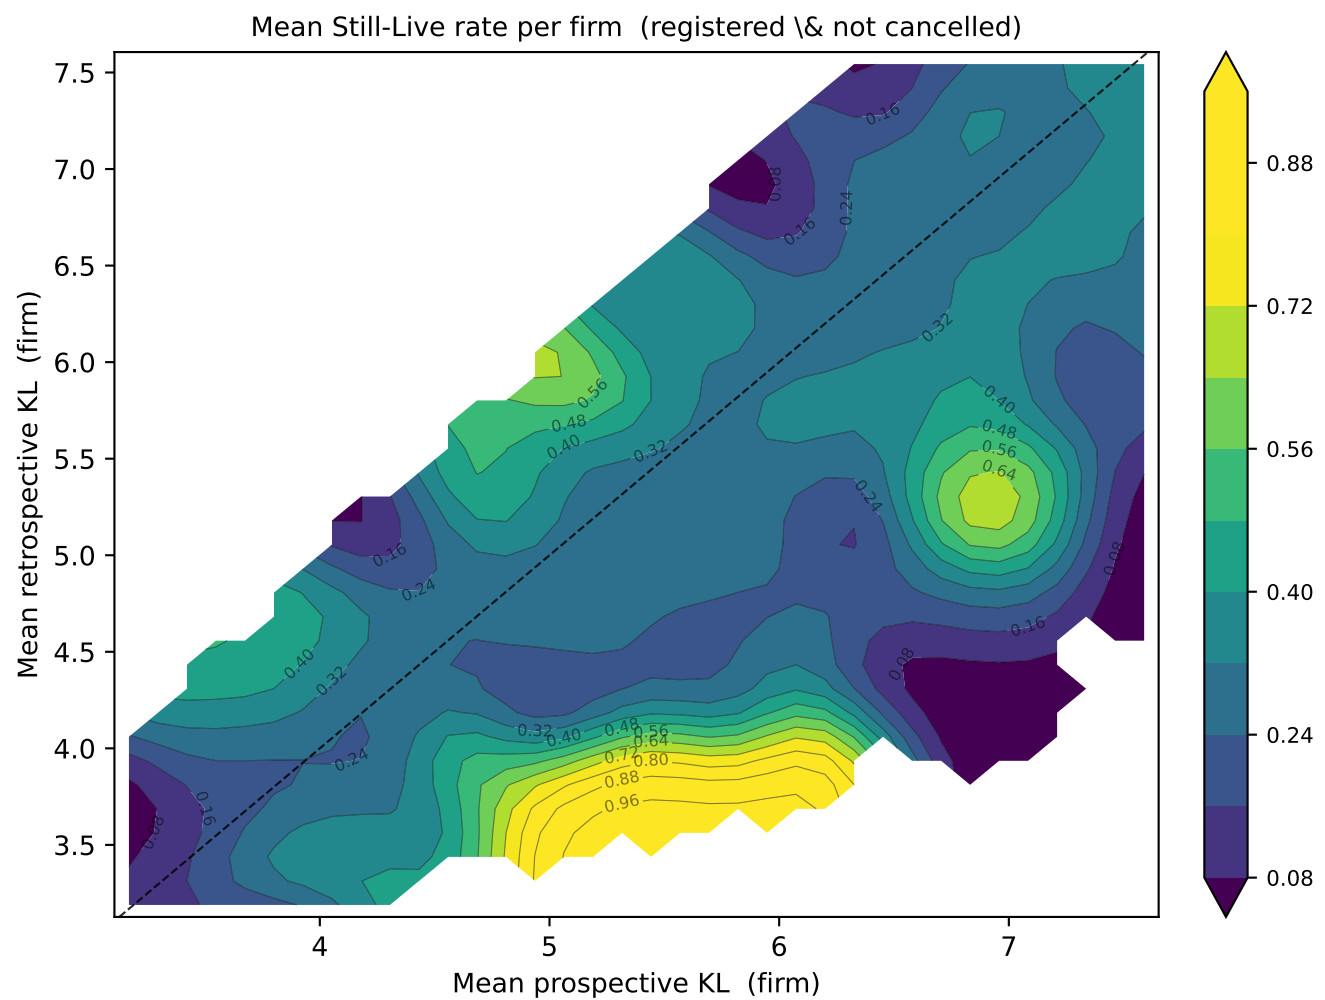

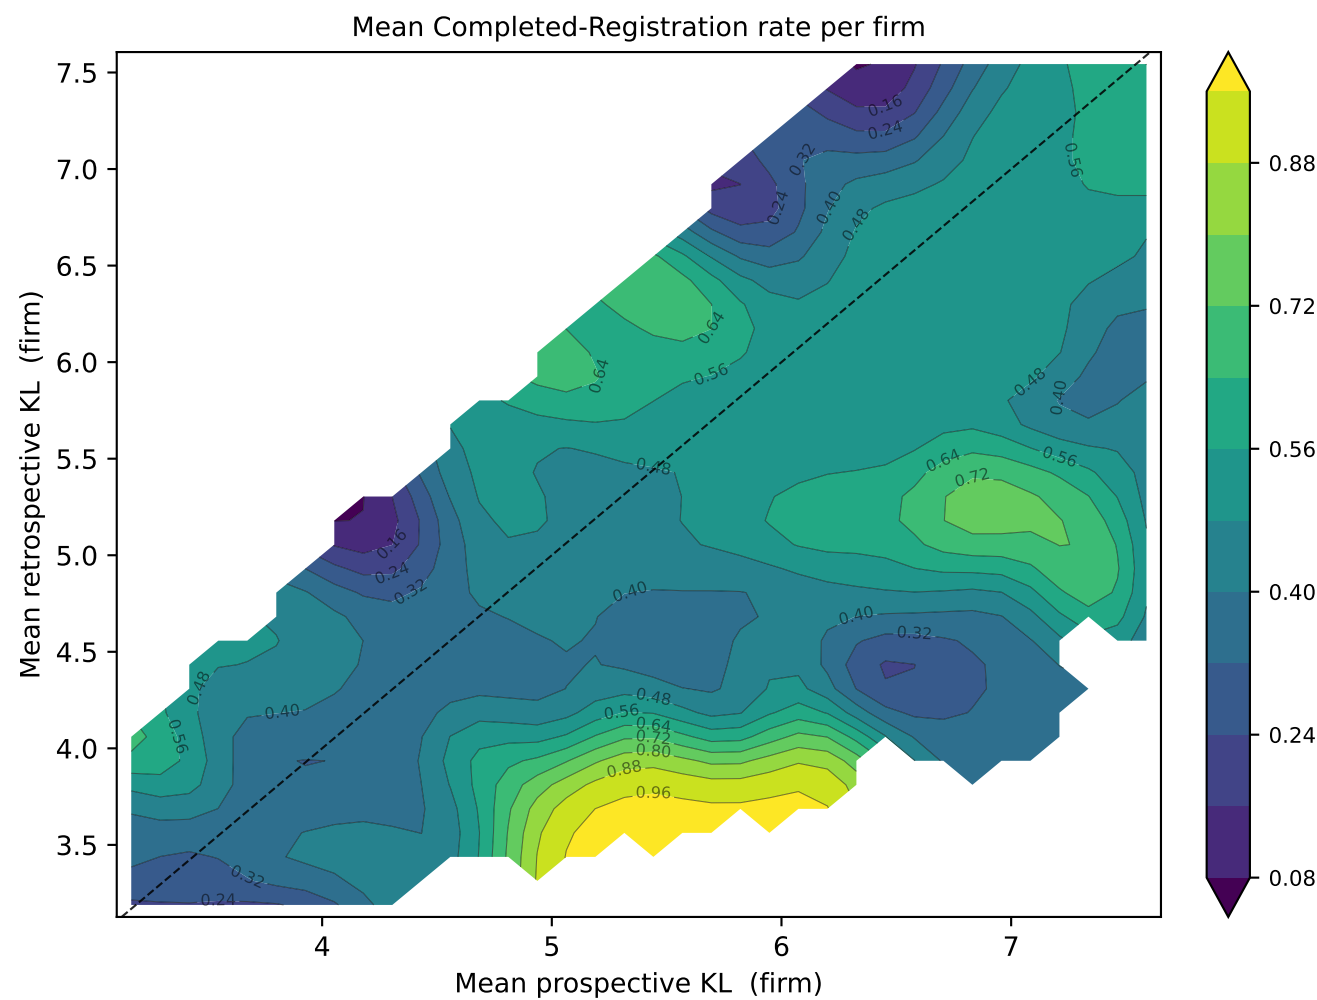

Within-firm std.\ of still-live outcomes

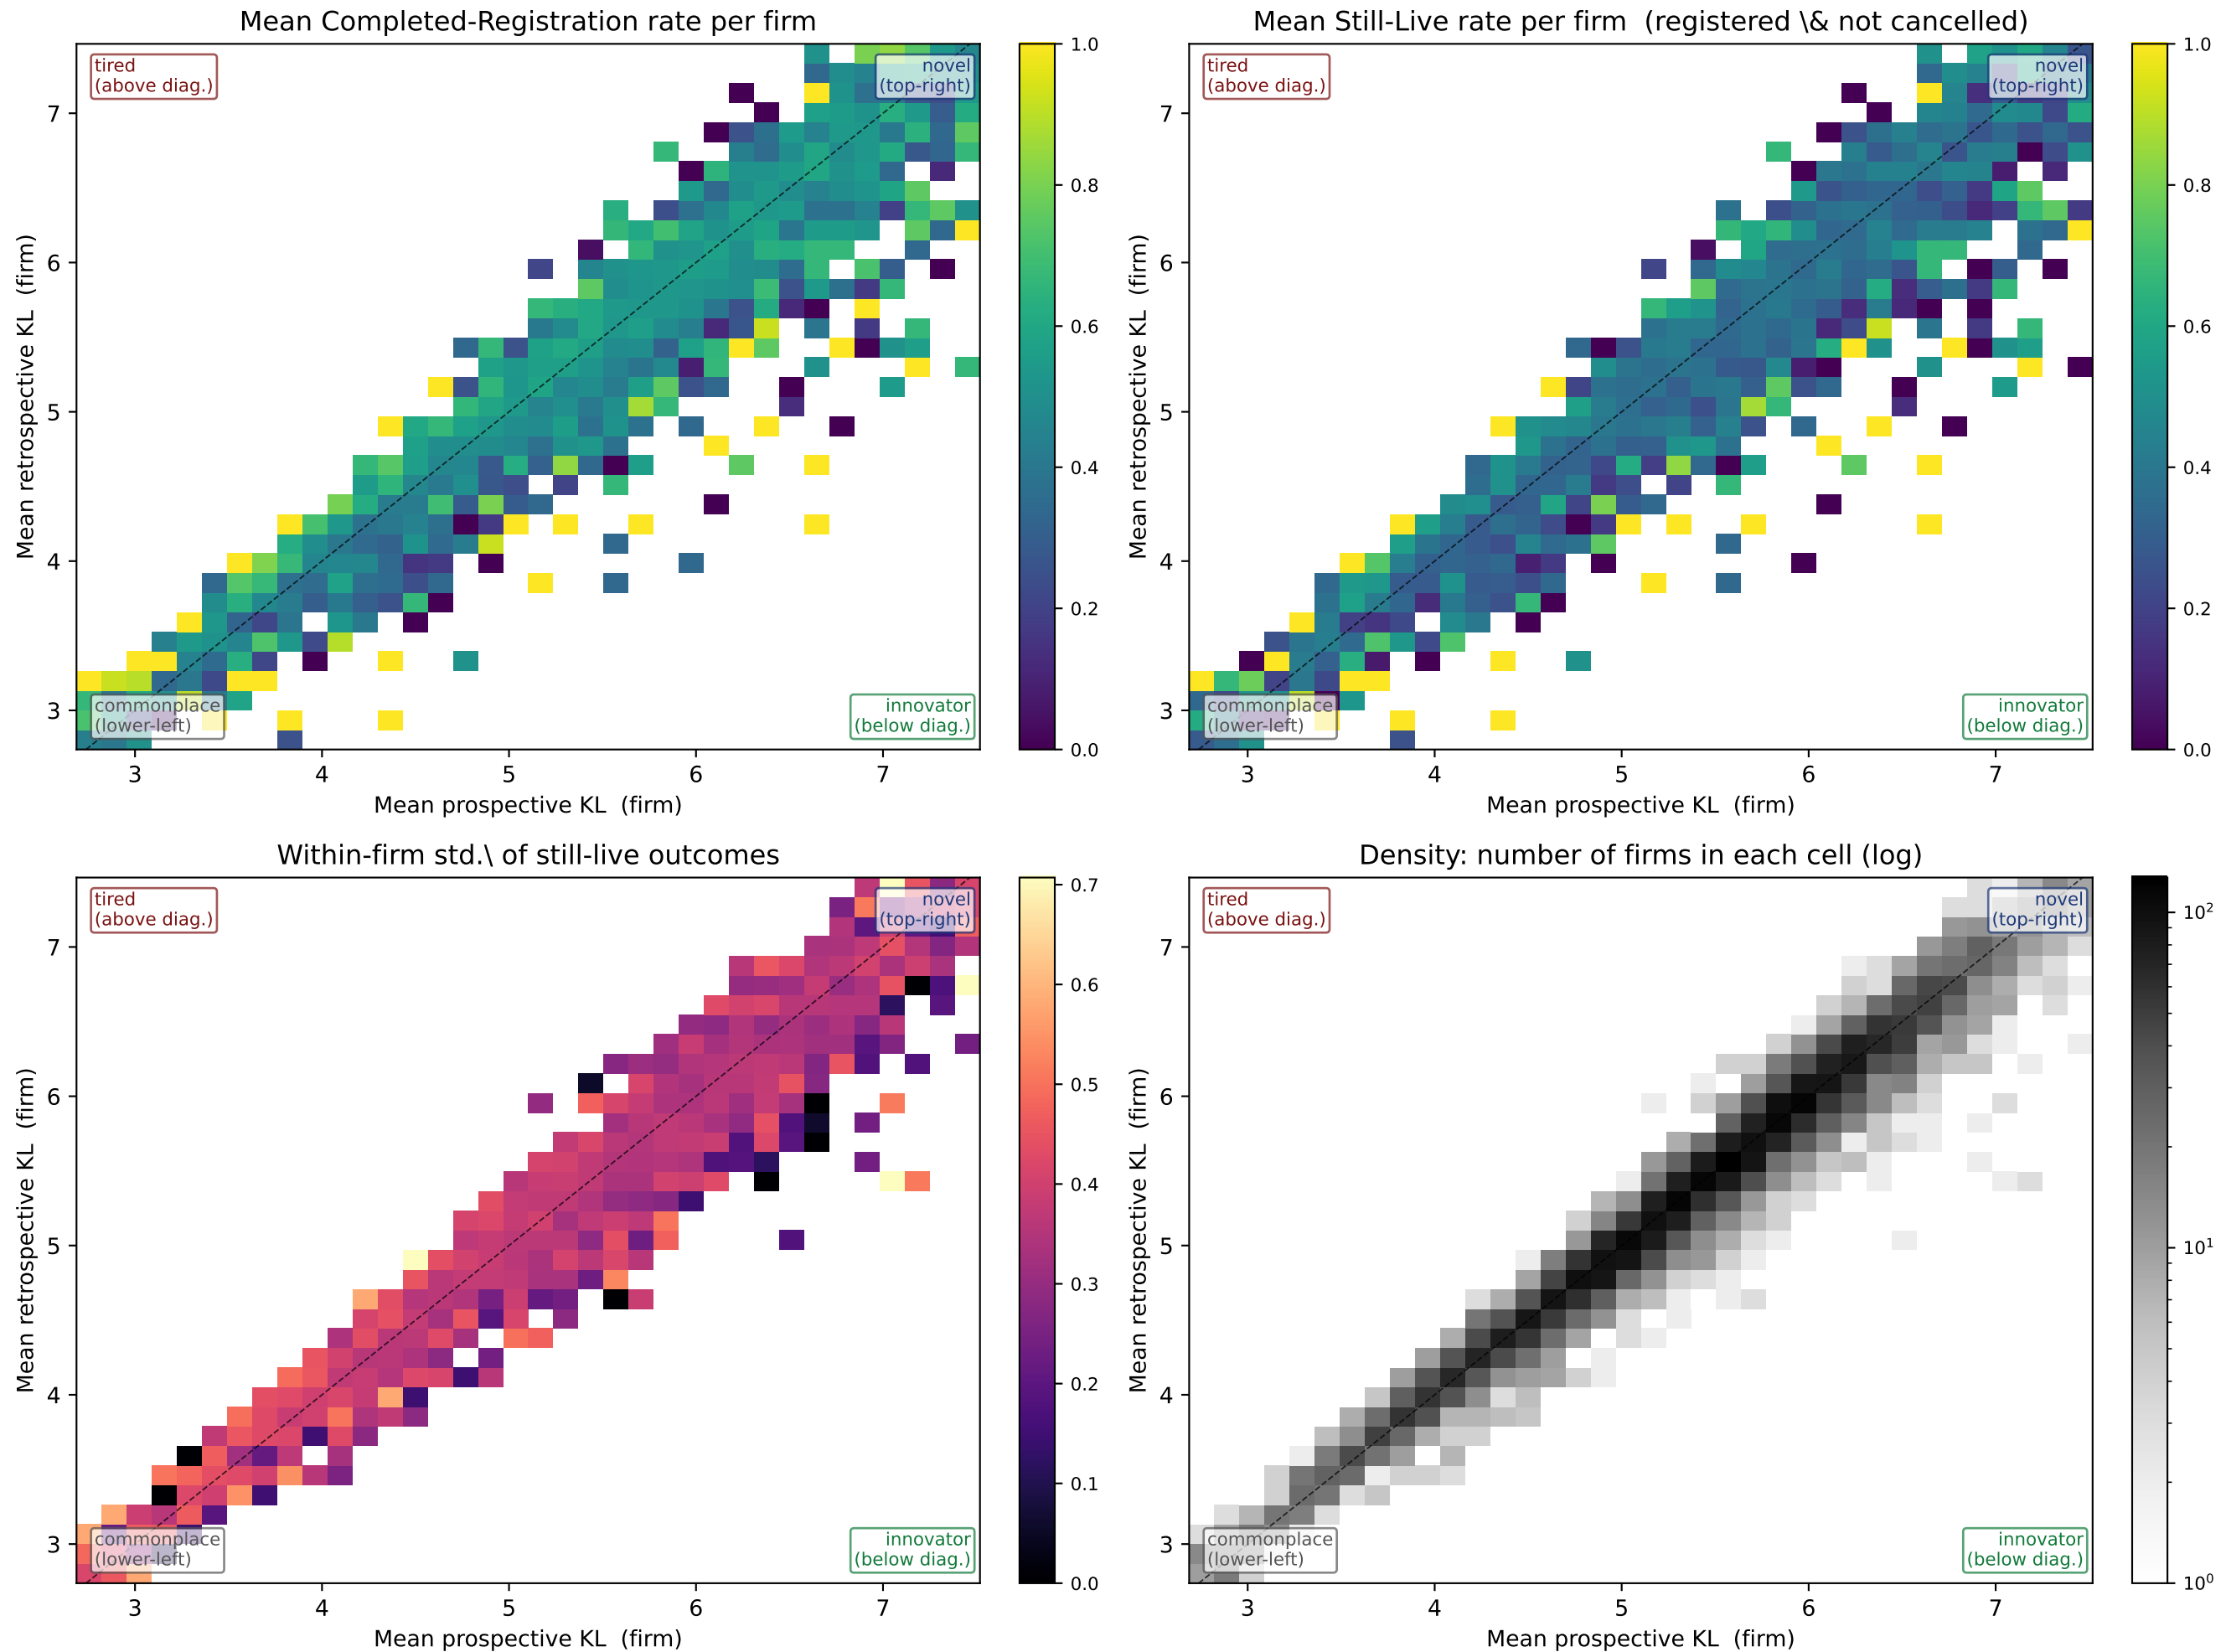

Class 007 — Machines & Power Tools — 129,036 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=9,384 firms

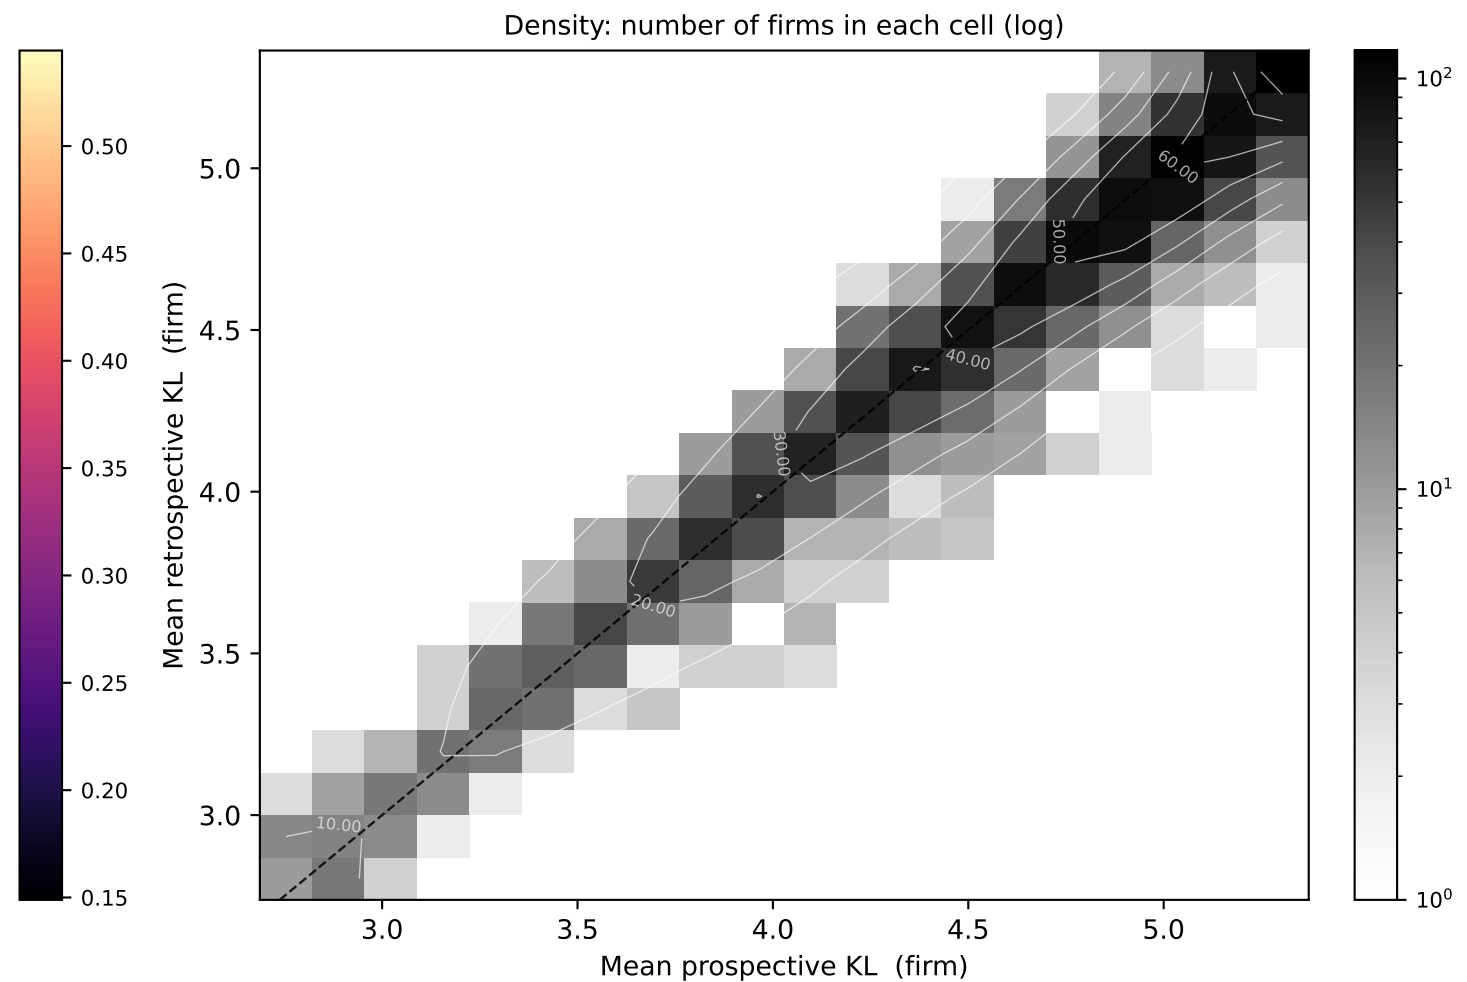

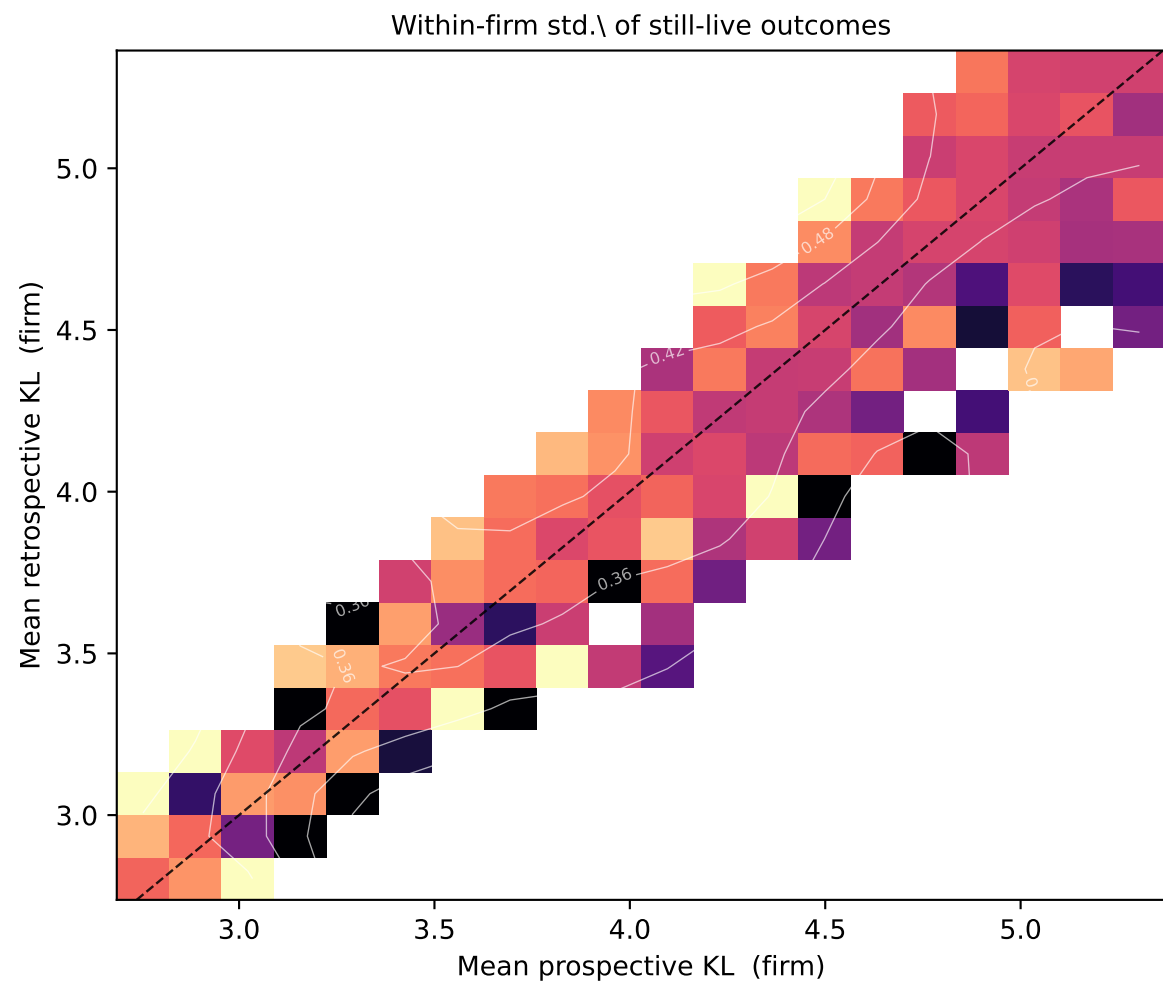

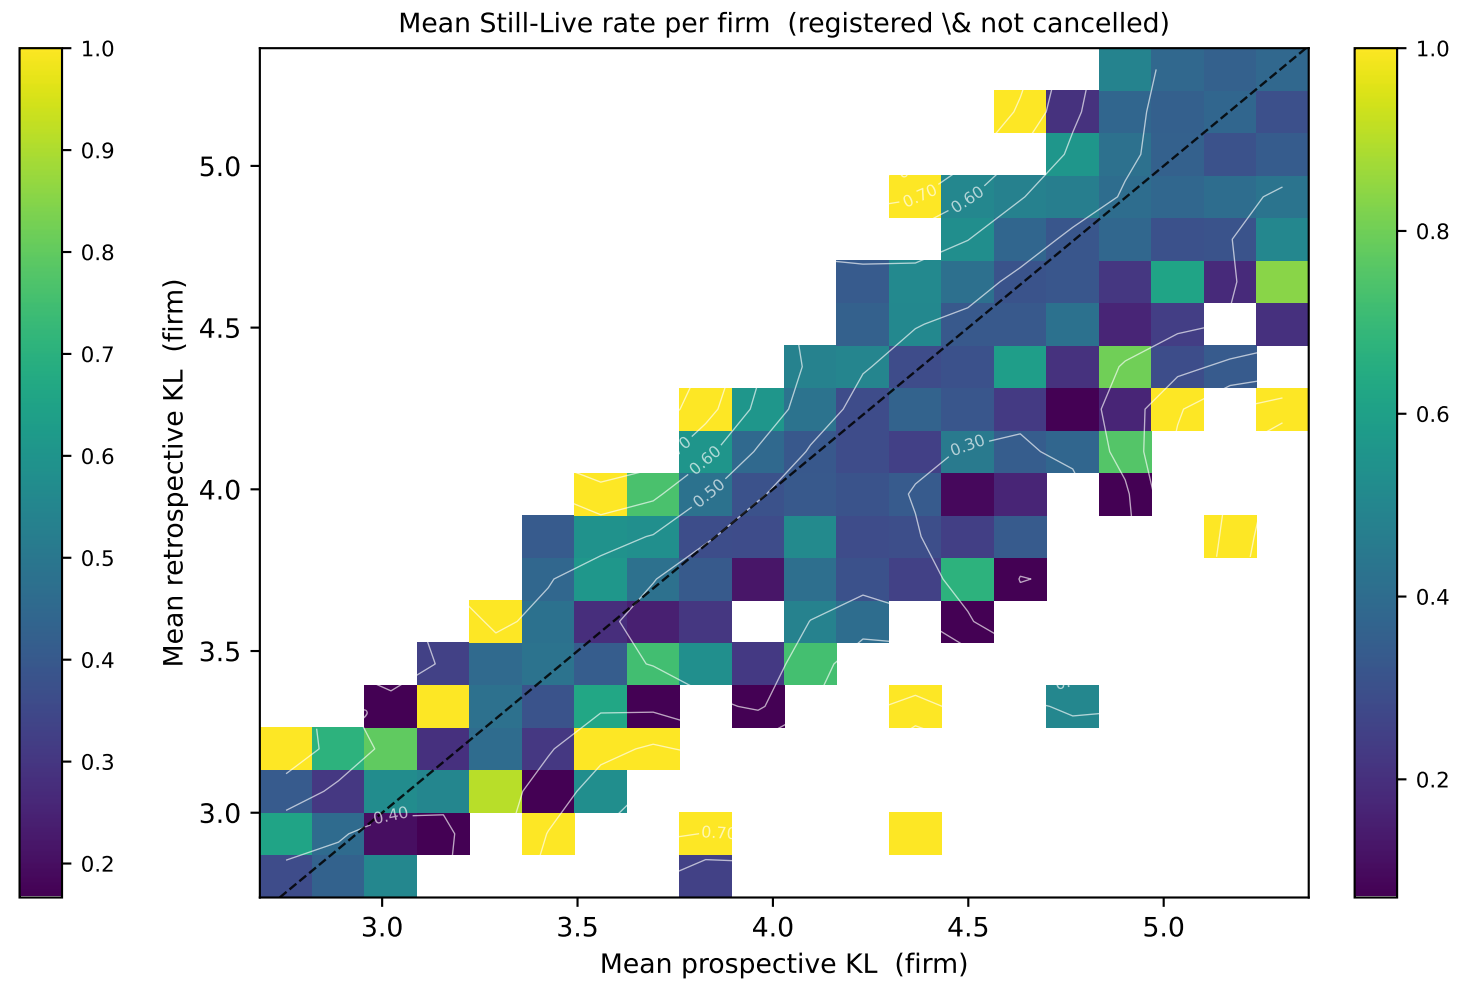

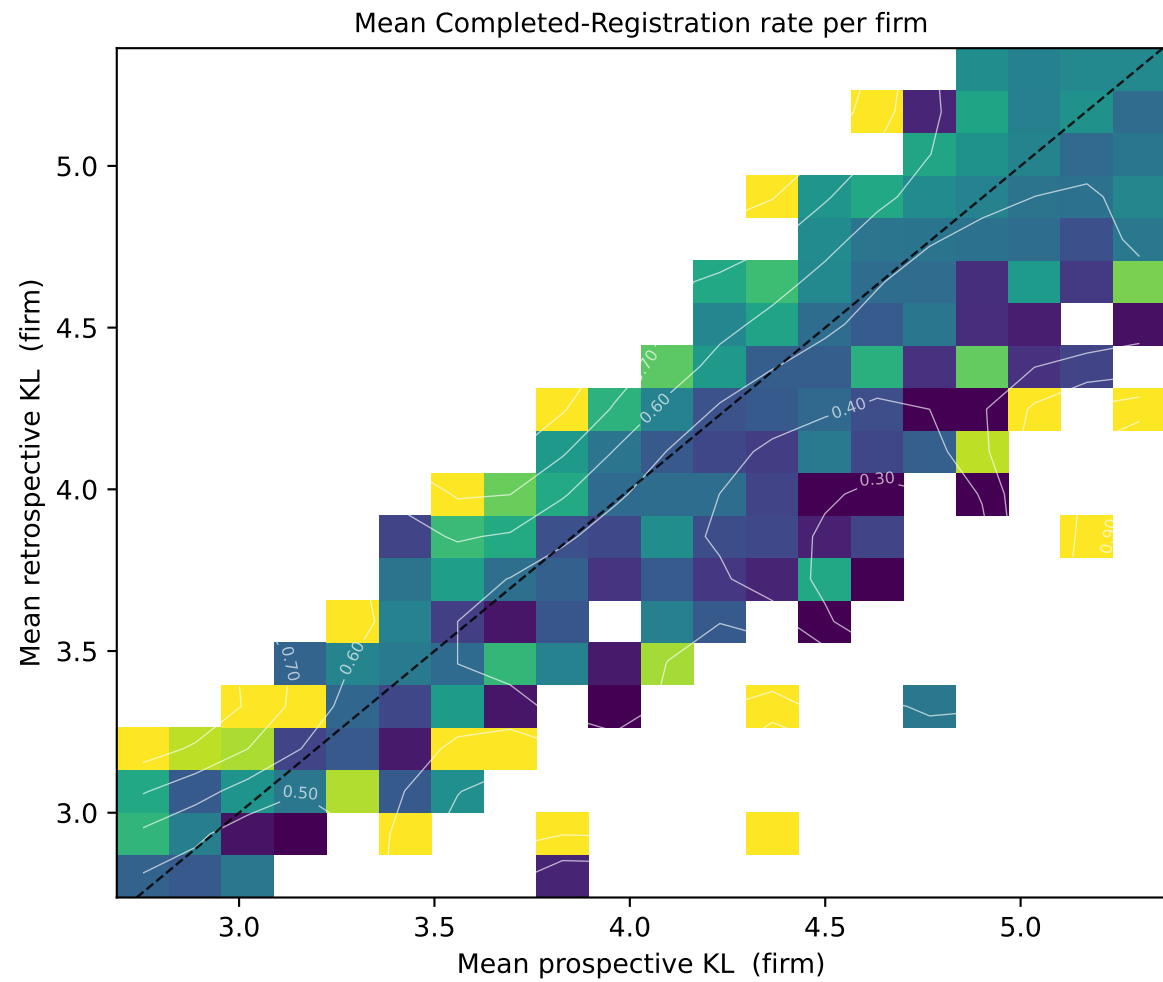

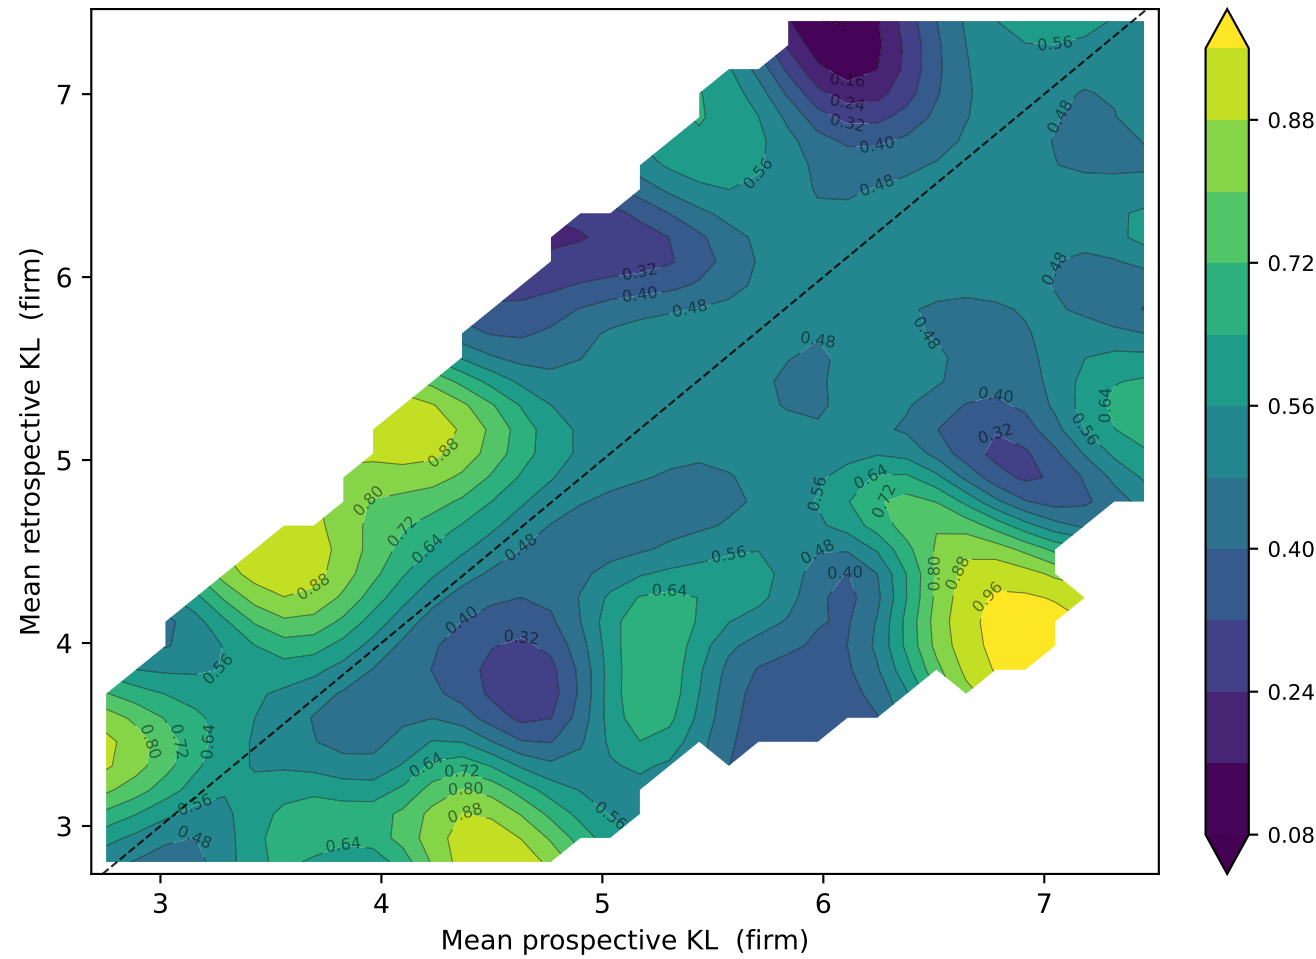

Class 020 — Furniture — 116,138 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=7,149 firms

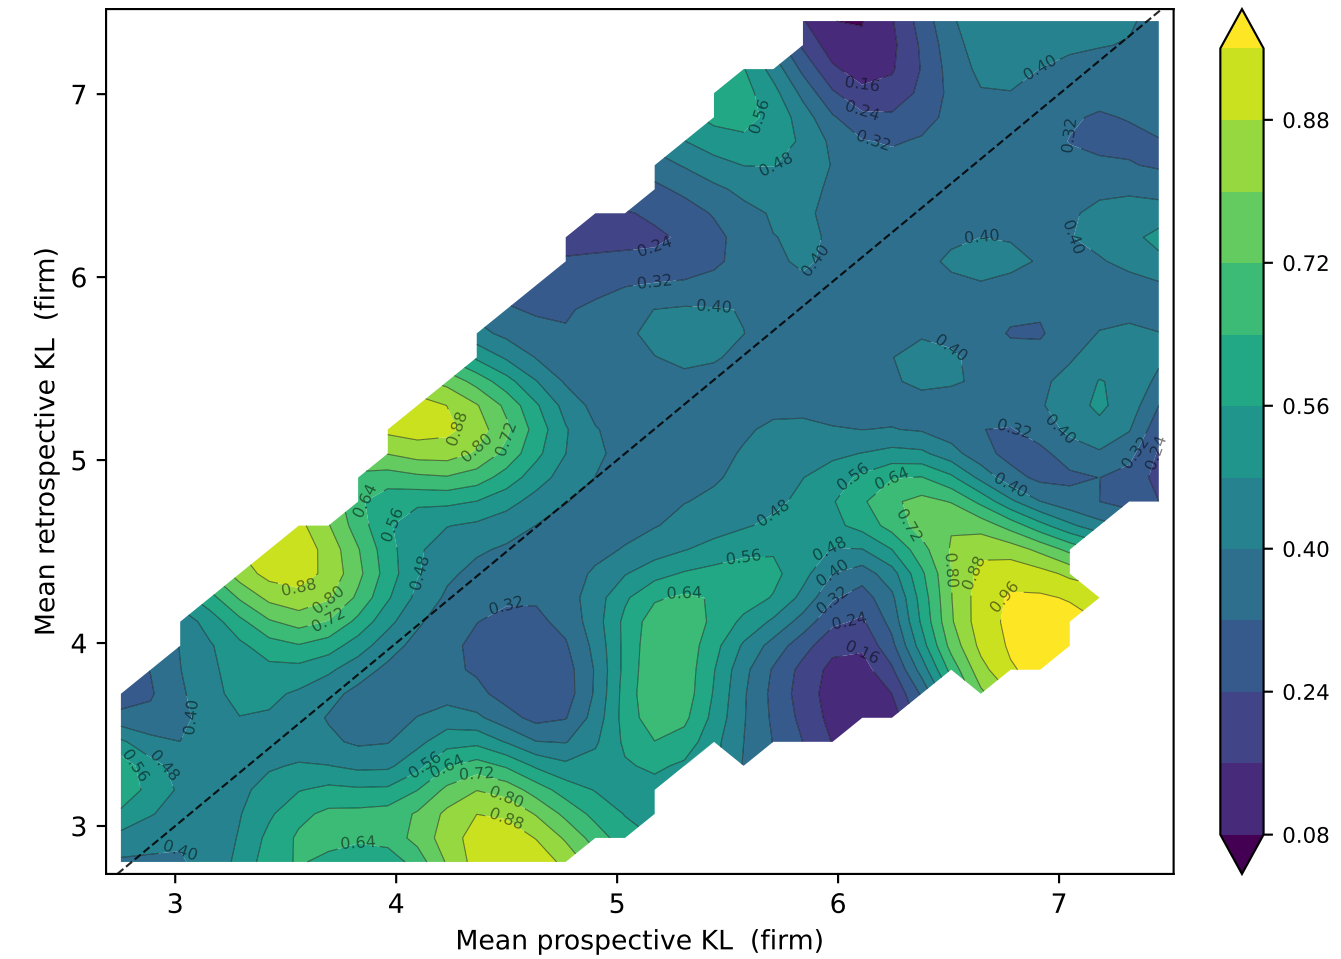

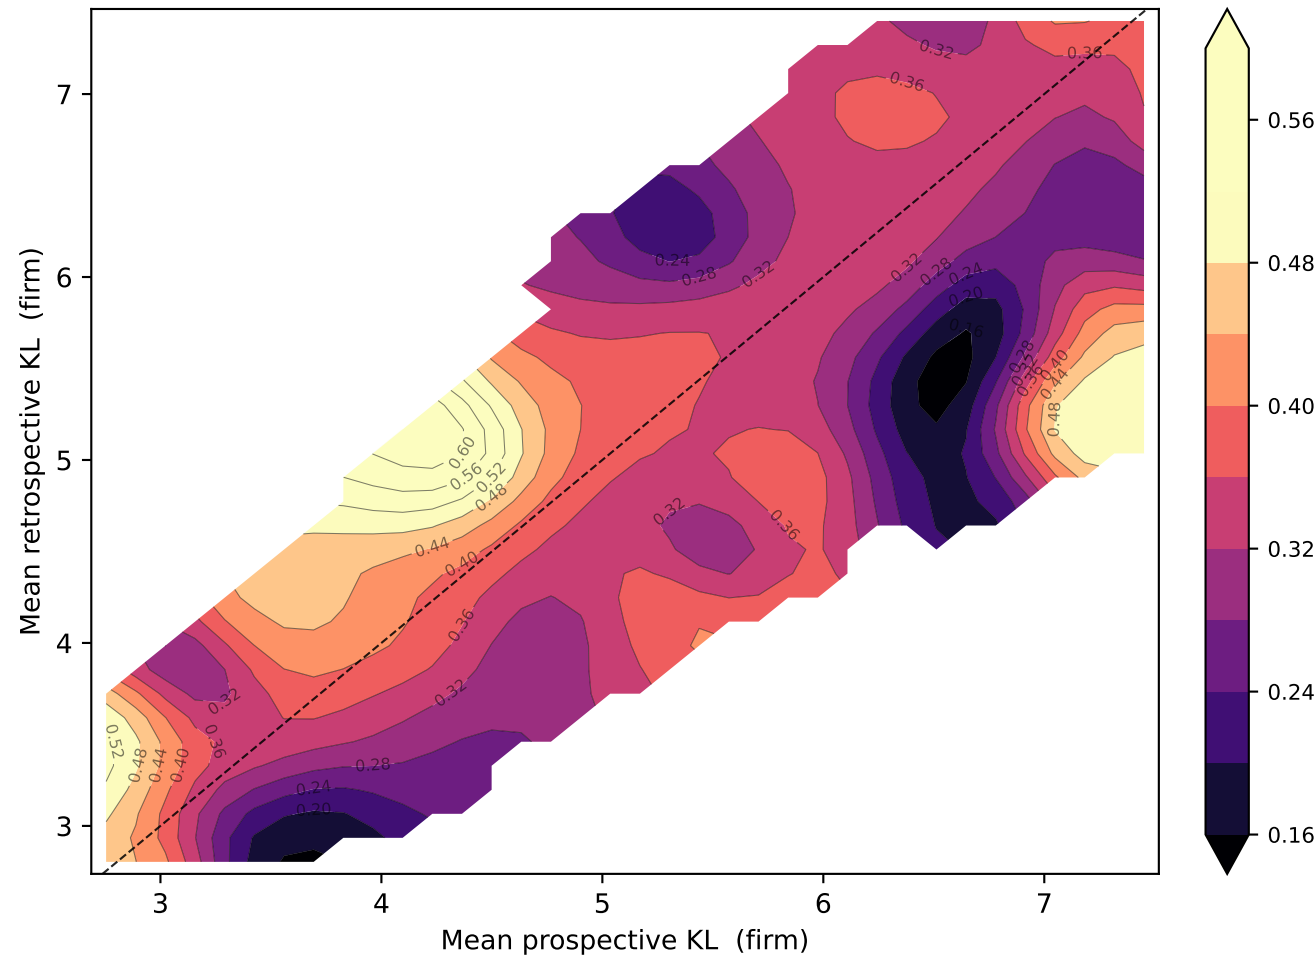

Mean Completed-Registration rate per firm

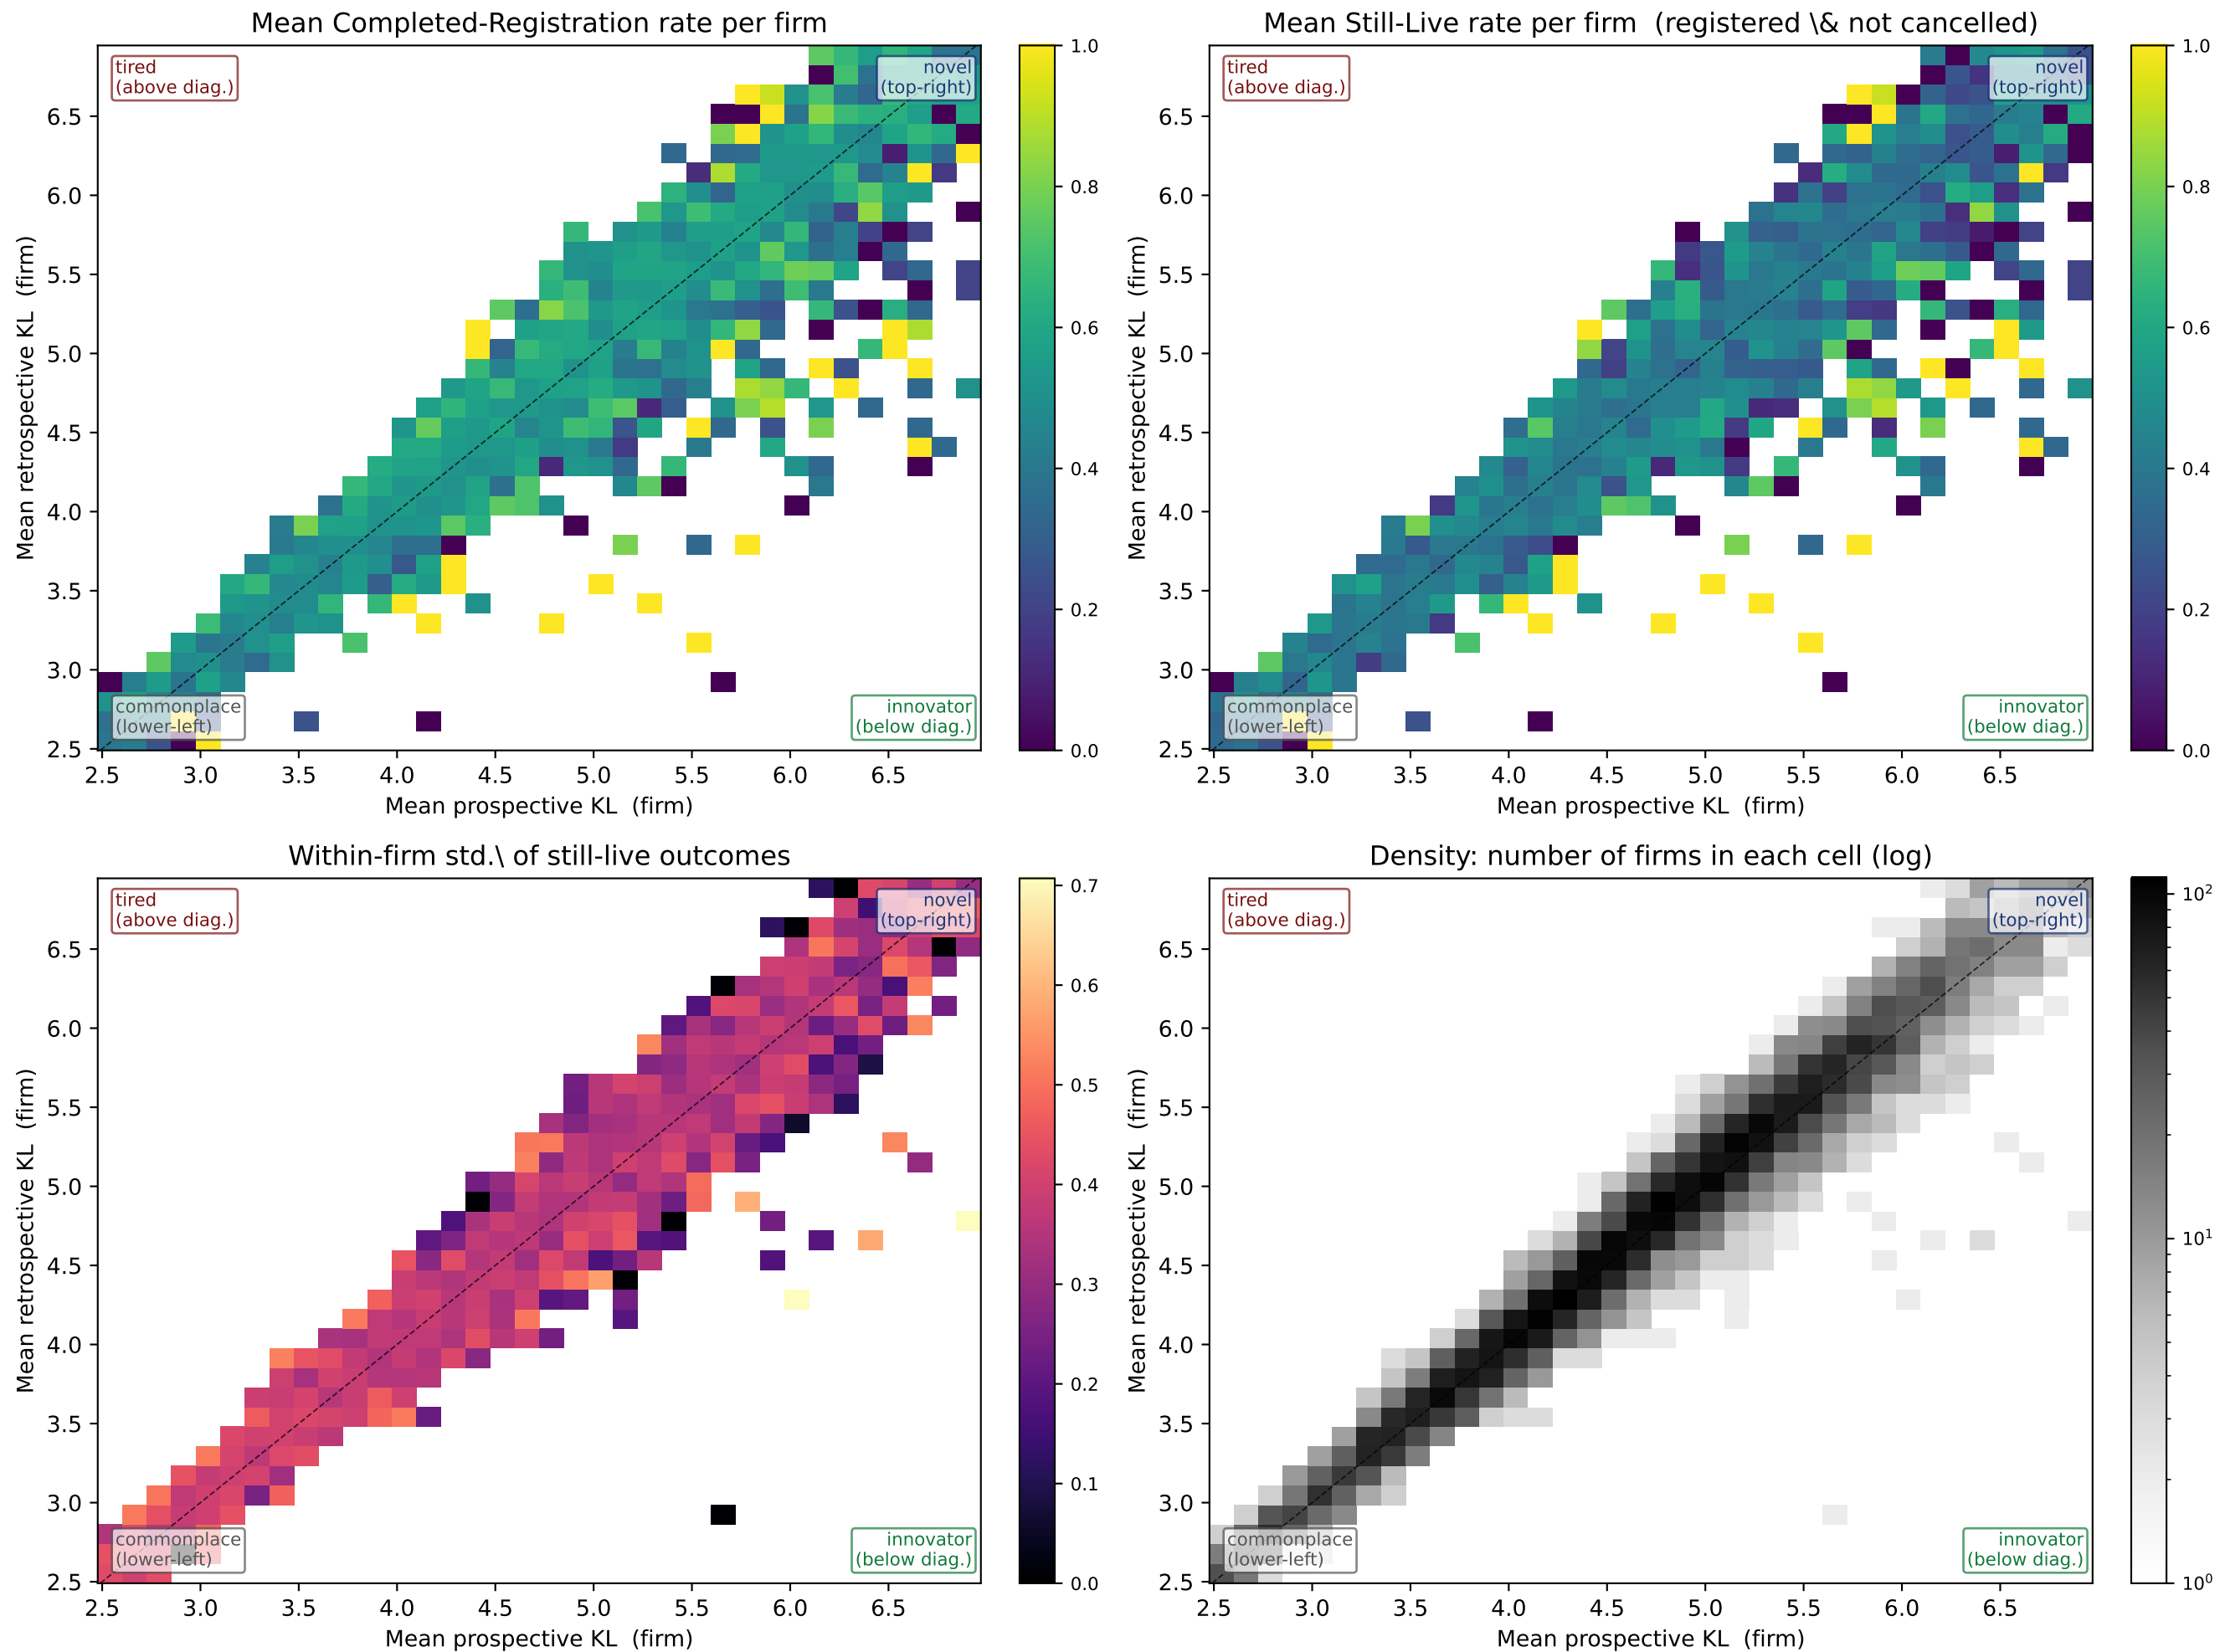

Mean Still-Live rate per firm (registered \& not cancelled)

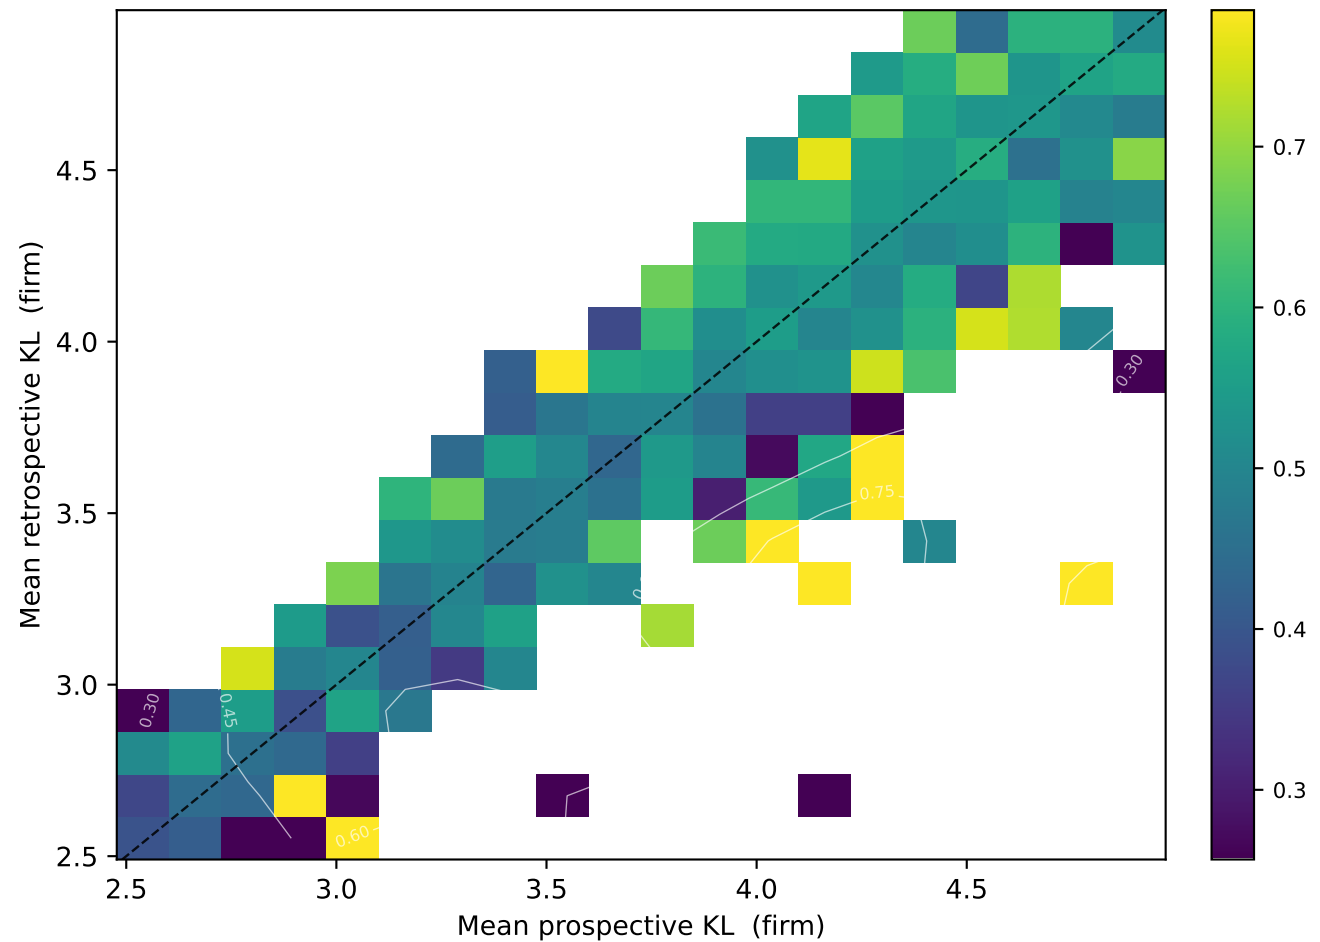

Within-firm std.\ of still-live outcomes

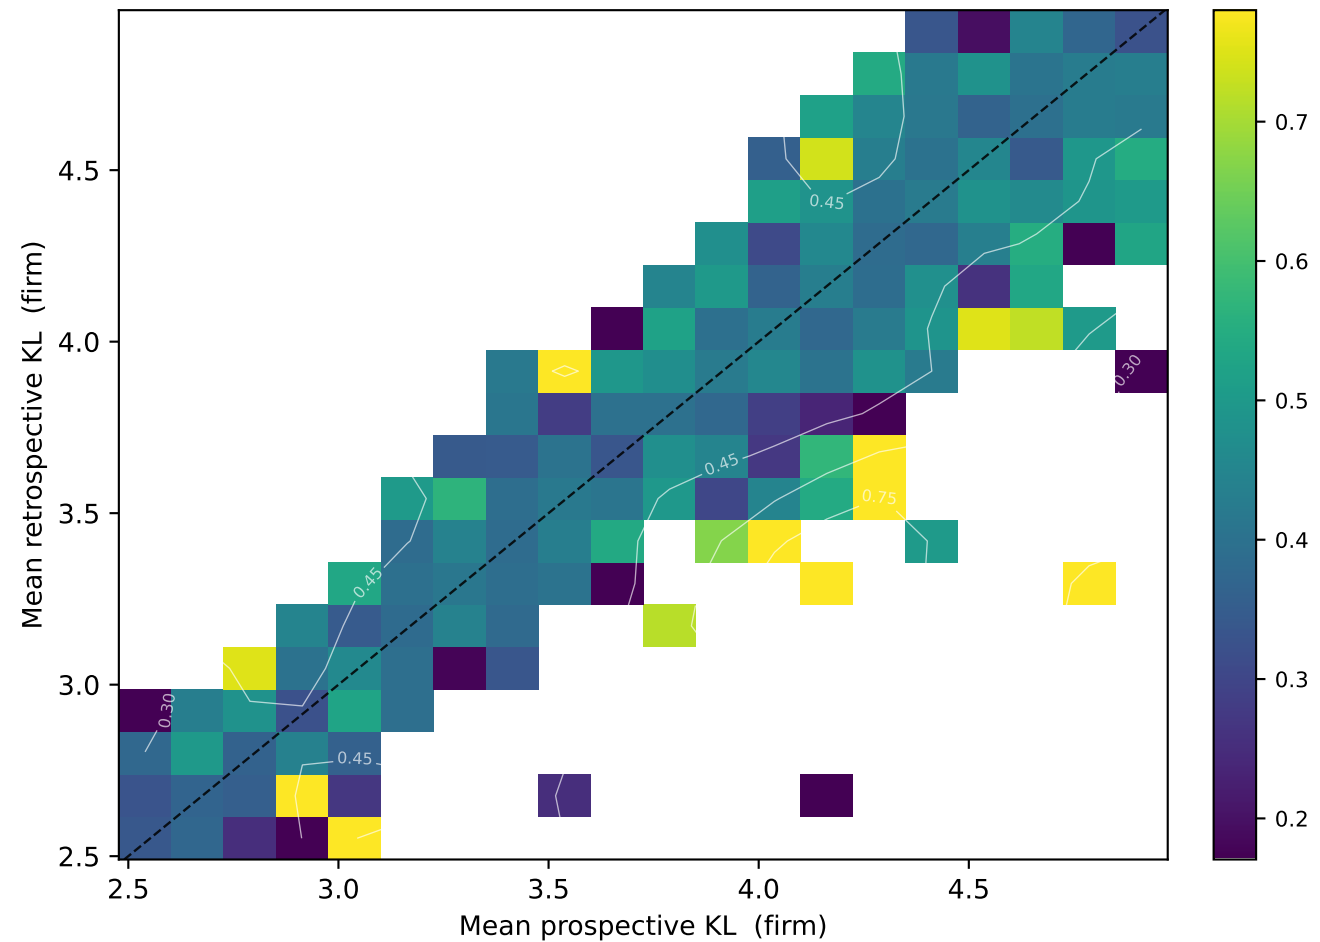

Class 029 — Meat, Dairy & Prepared Foods — 111,531 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=7,937 firms

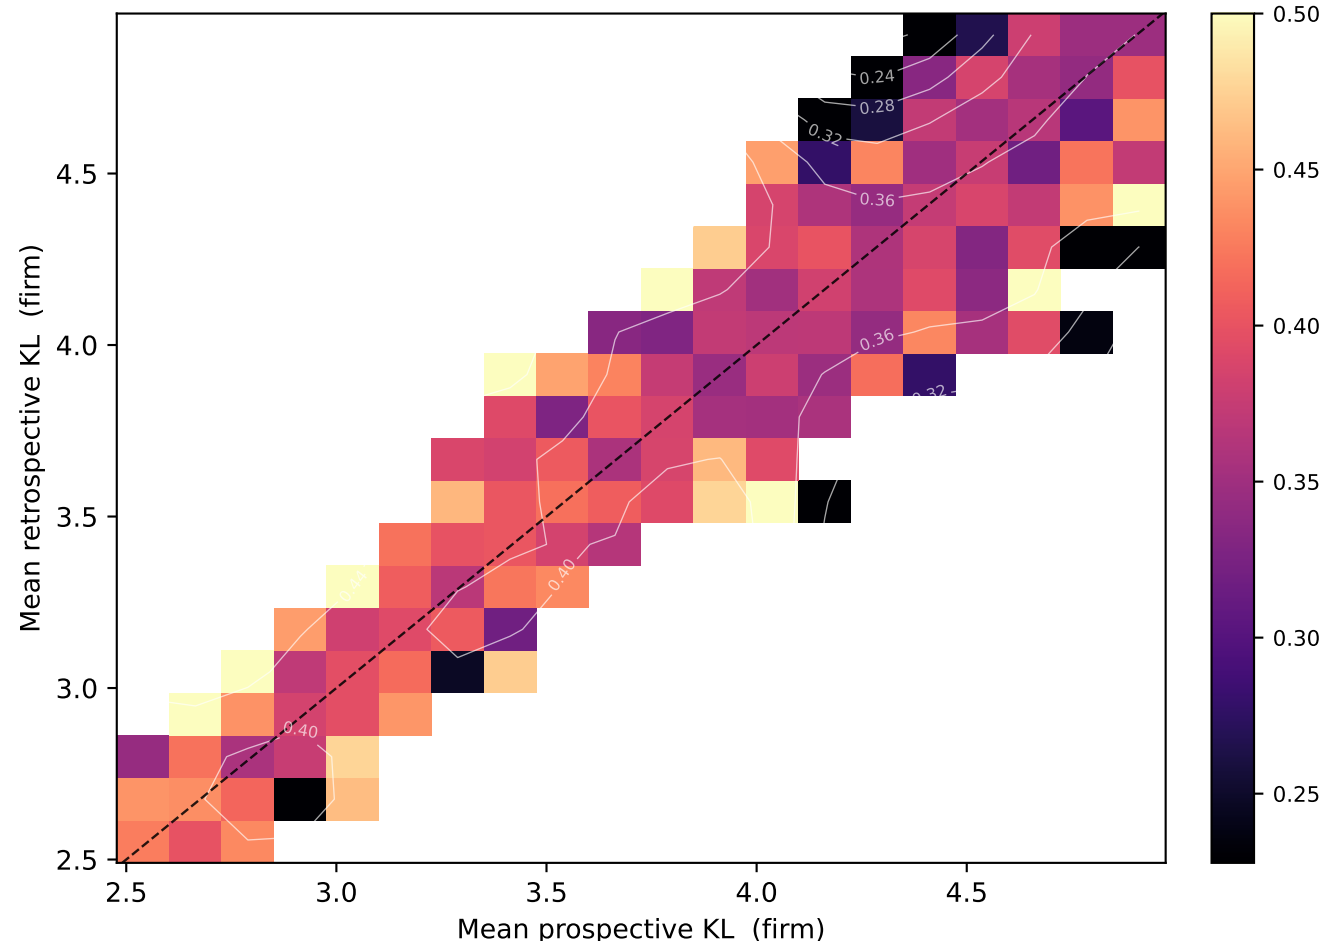

Mean Completed-Registration rate per firm

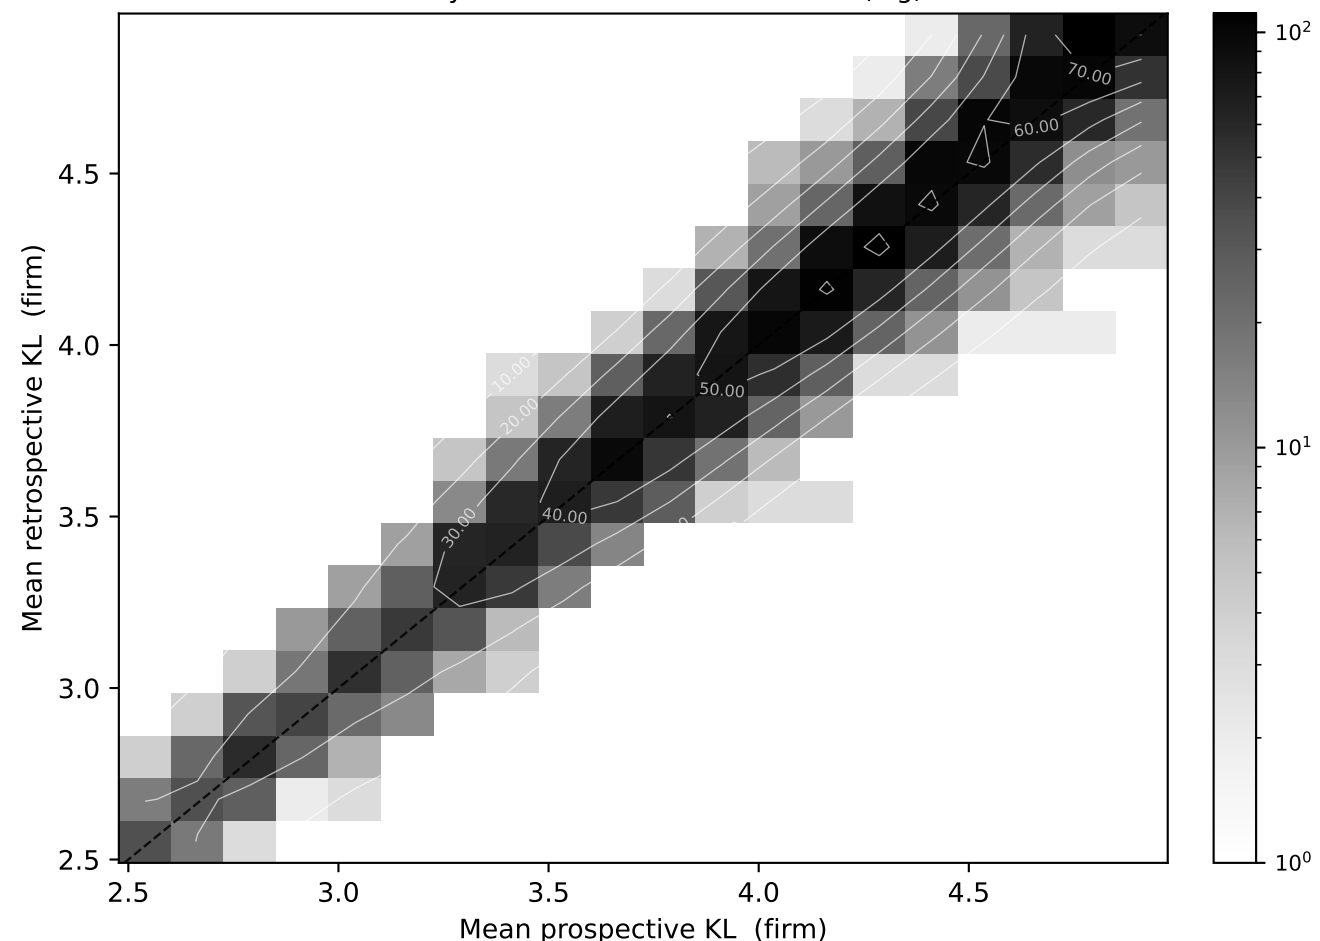

Mean Still-Live rate per firm (registered \& not cancelled)

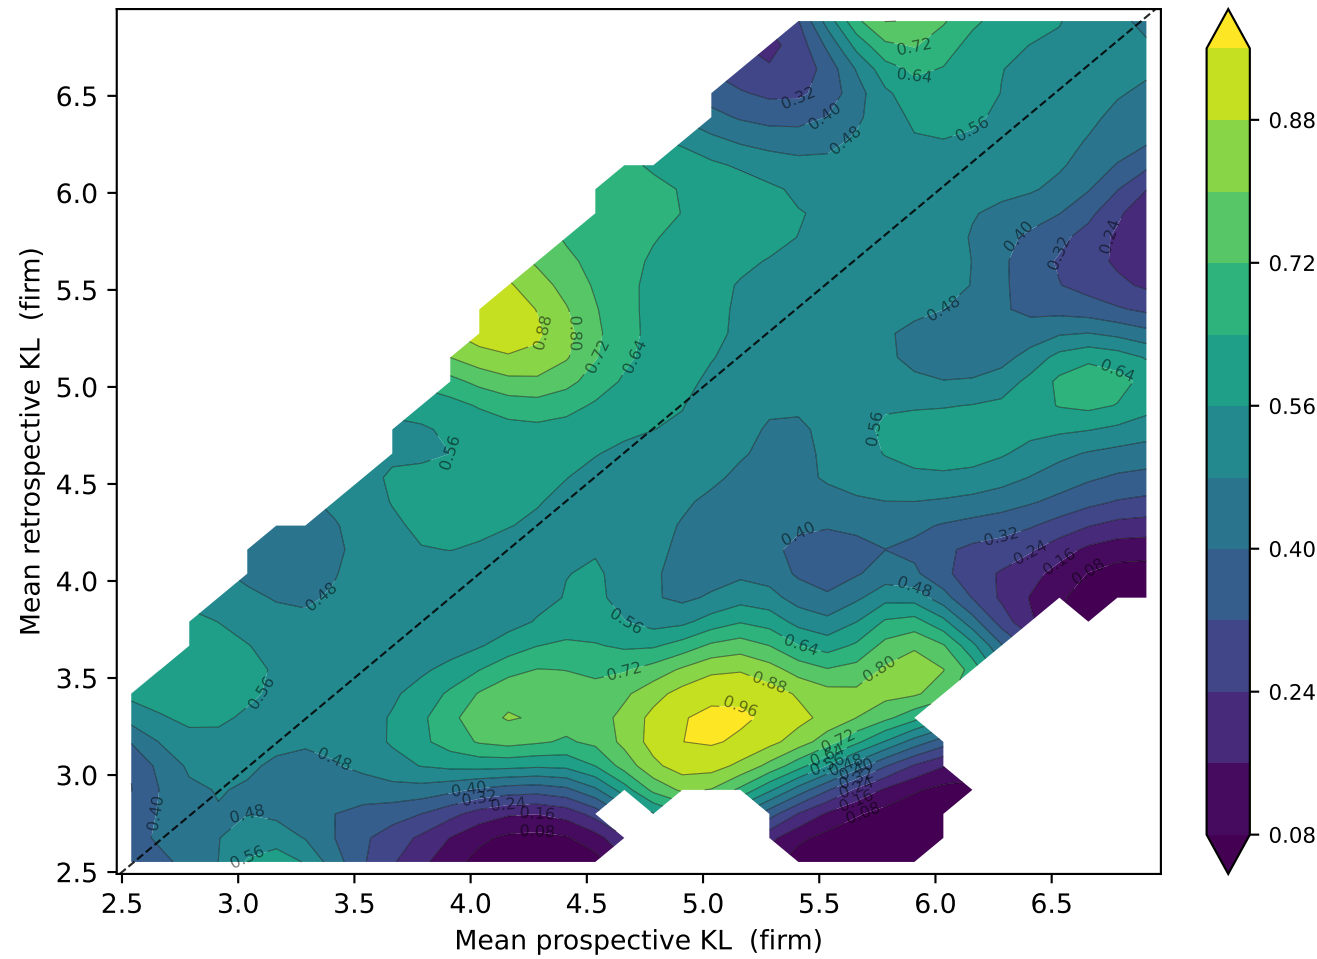

Within-firm std.\ of still-live outcomes

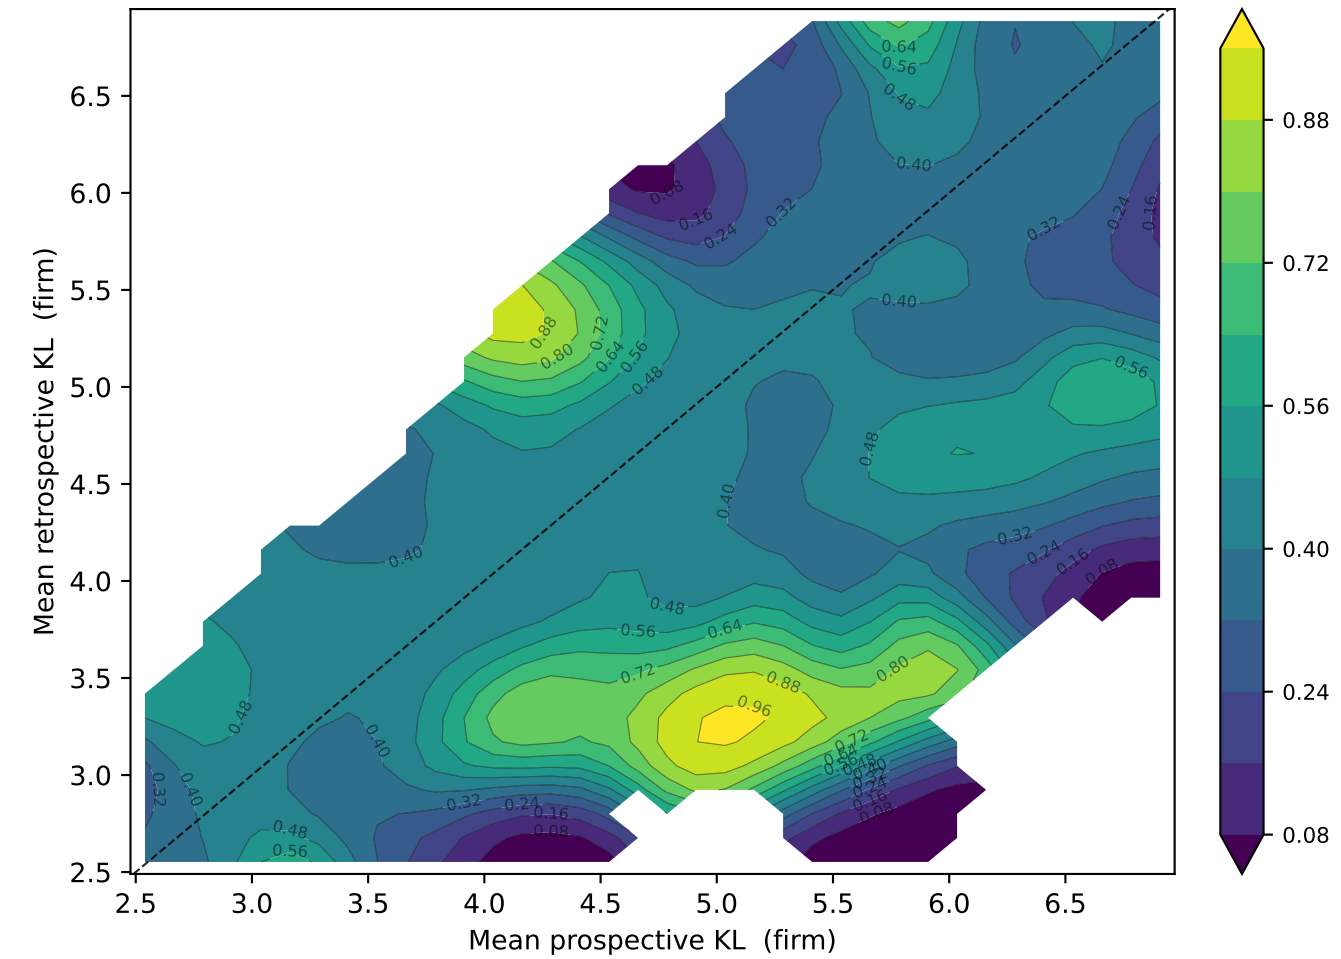

Density: number of firms in each cell (log)

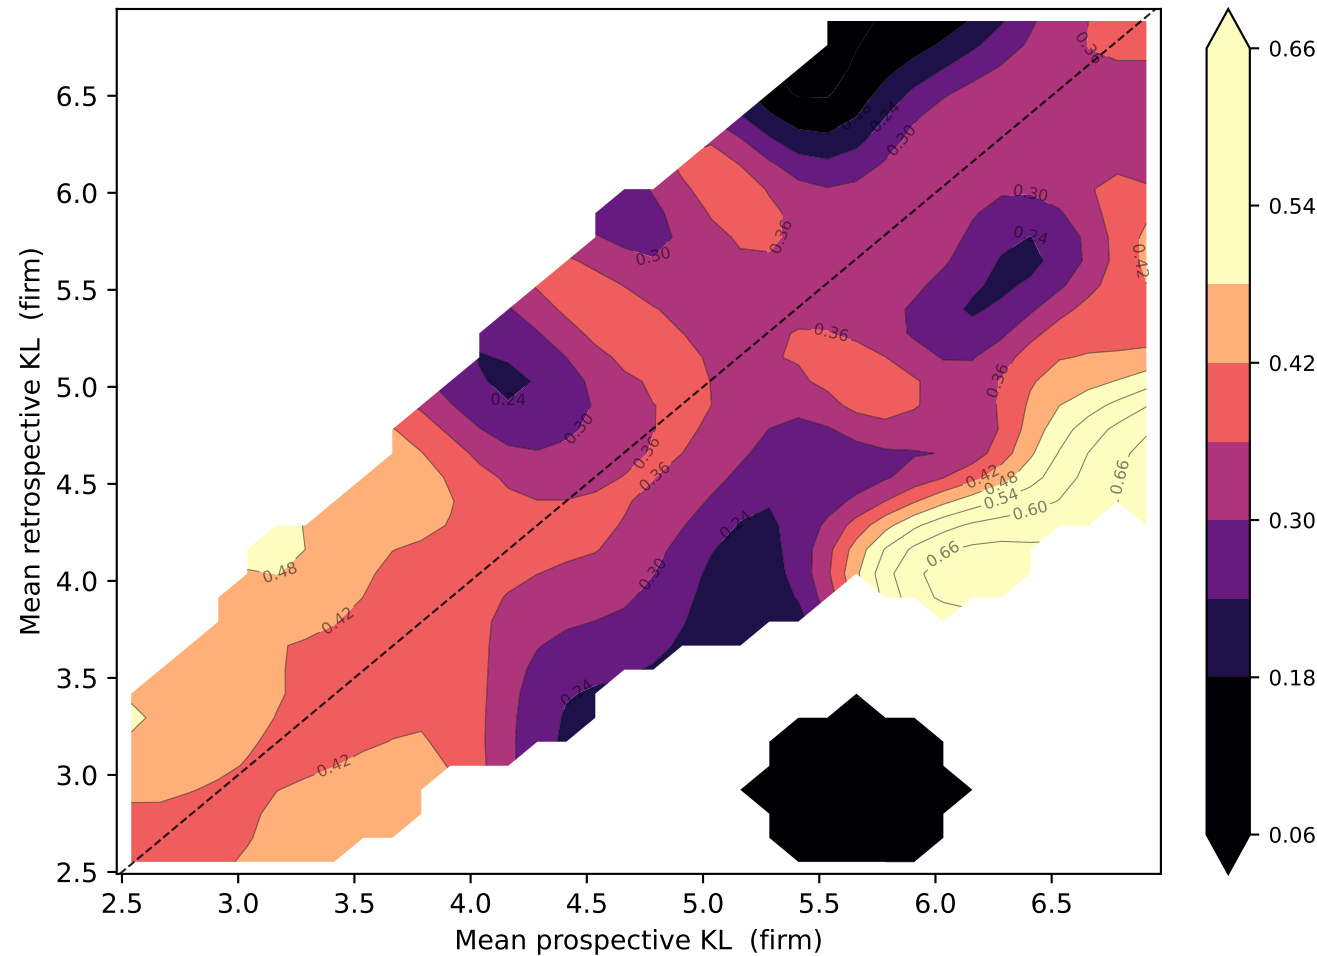

Mean Completed-Registration rate per firm

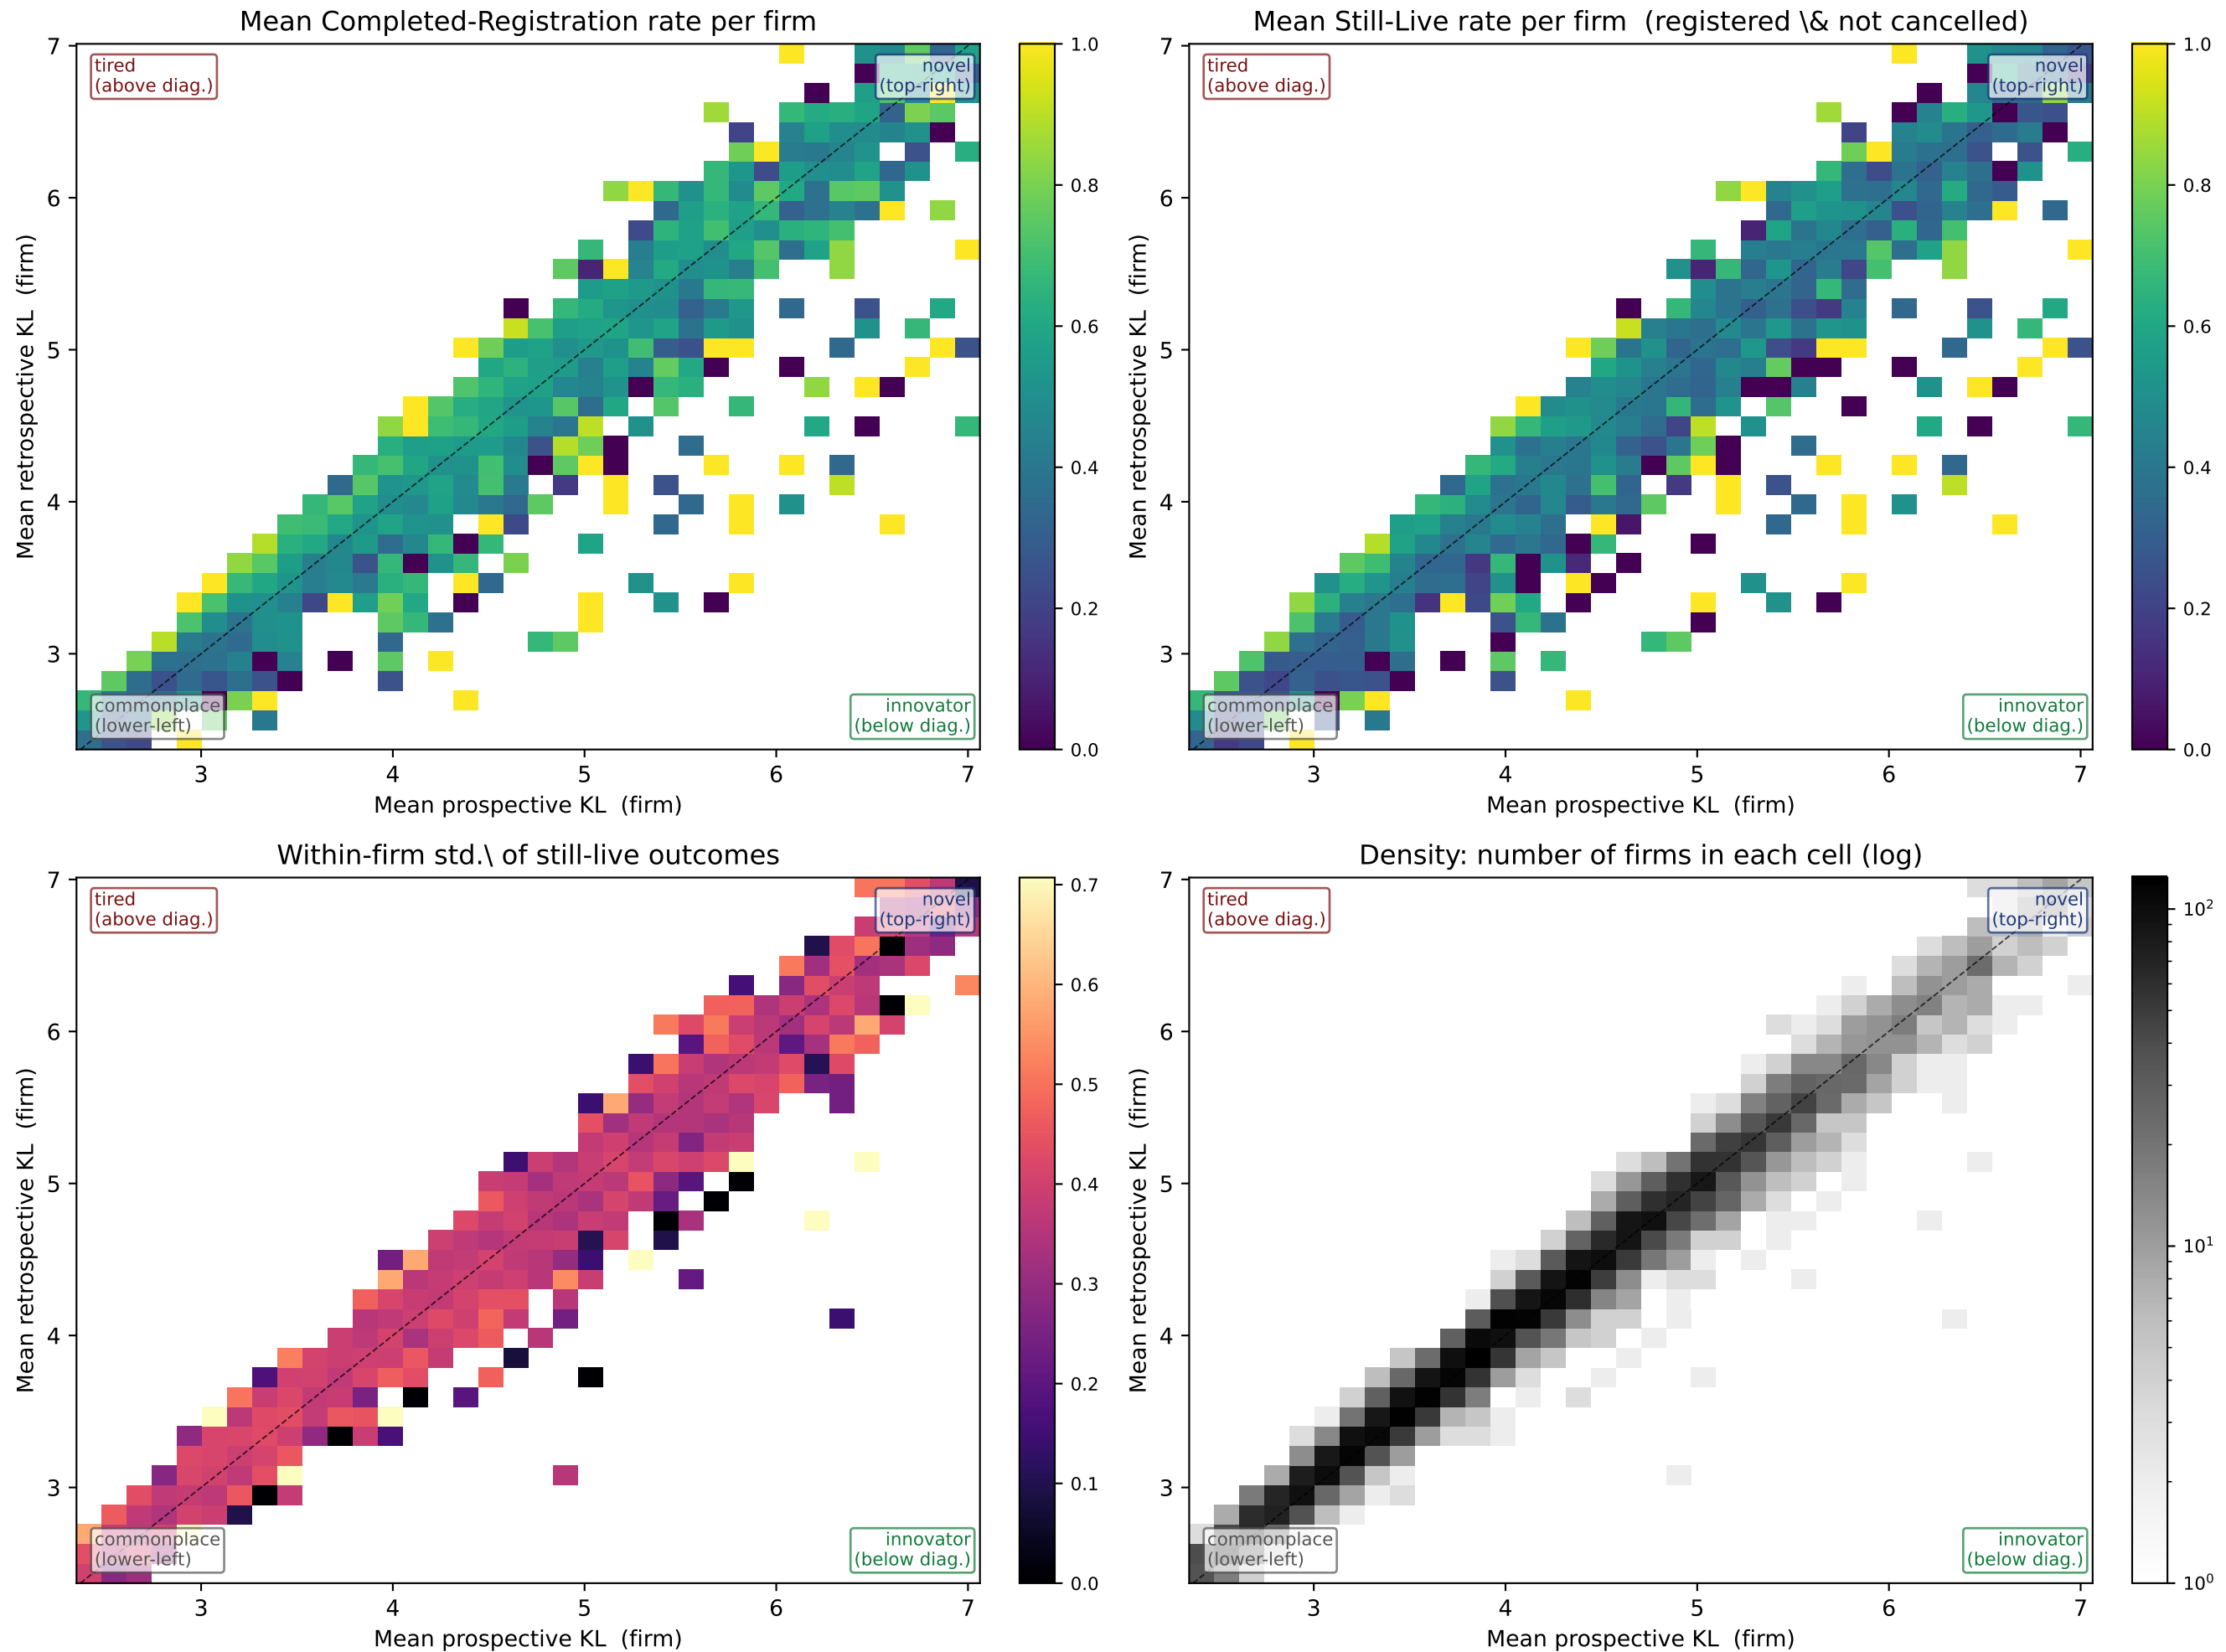

Mean Still-Live rate per firm (registered \& not cancelled)

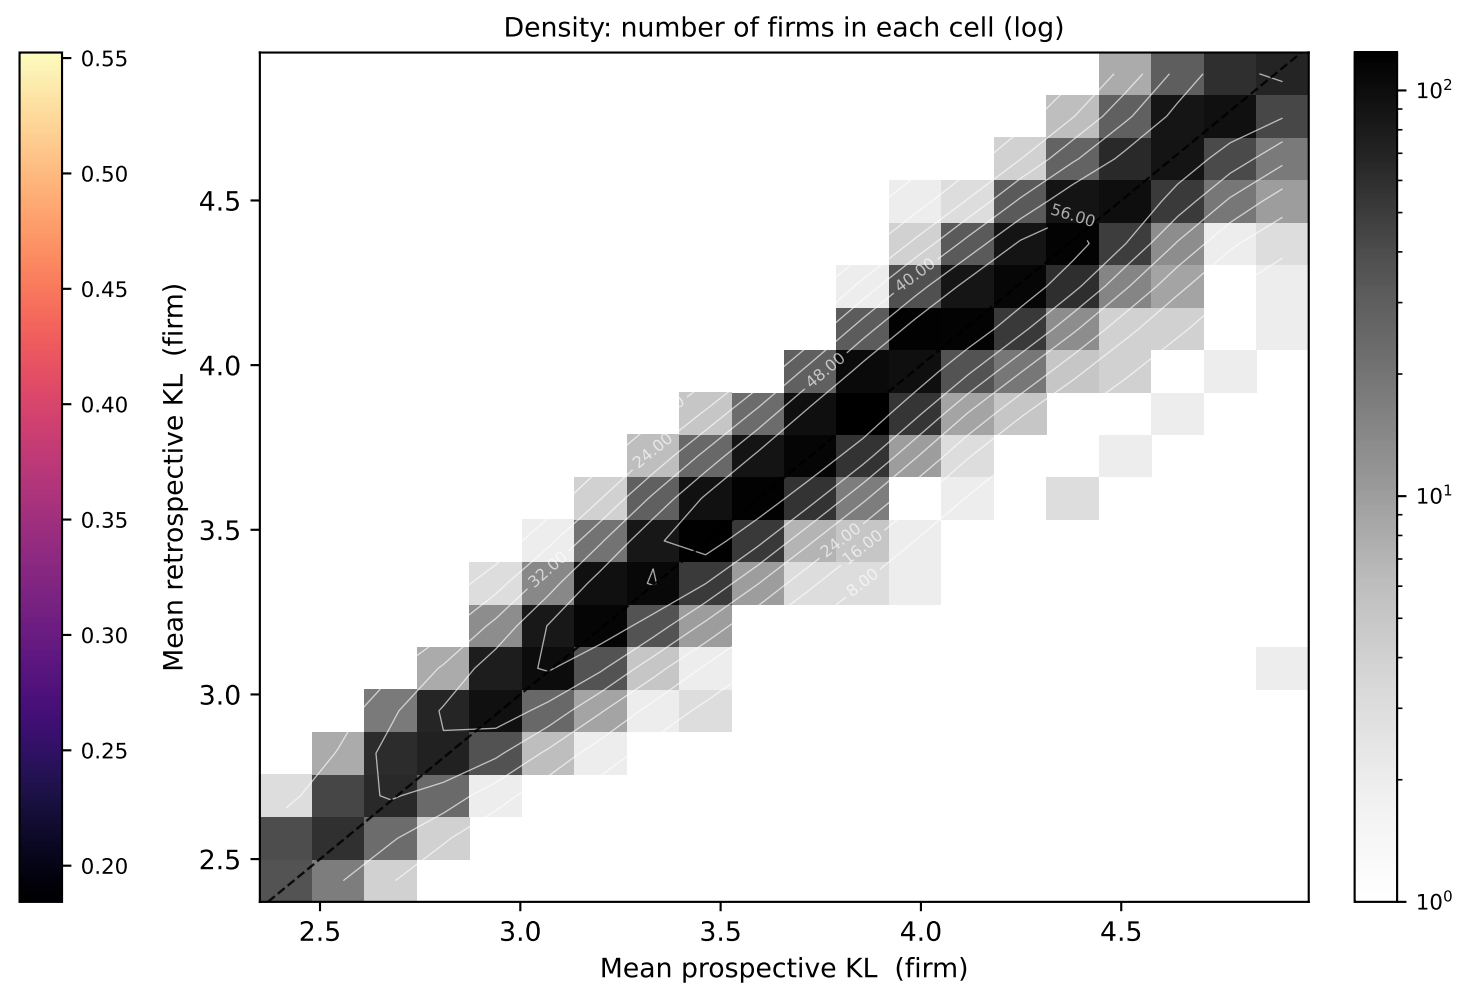

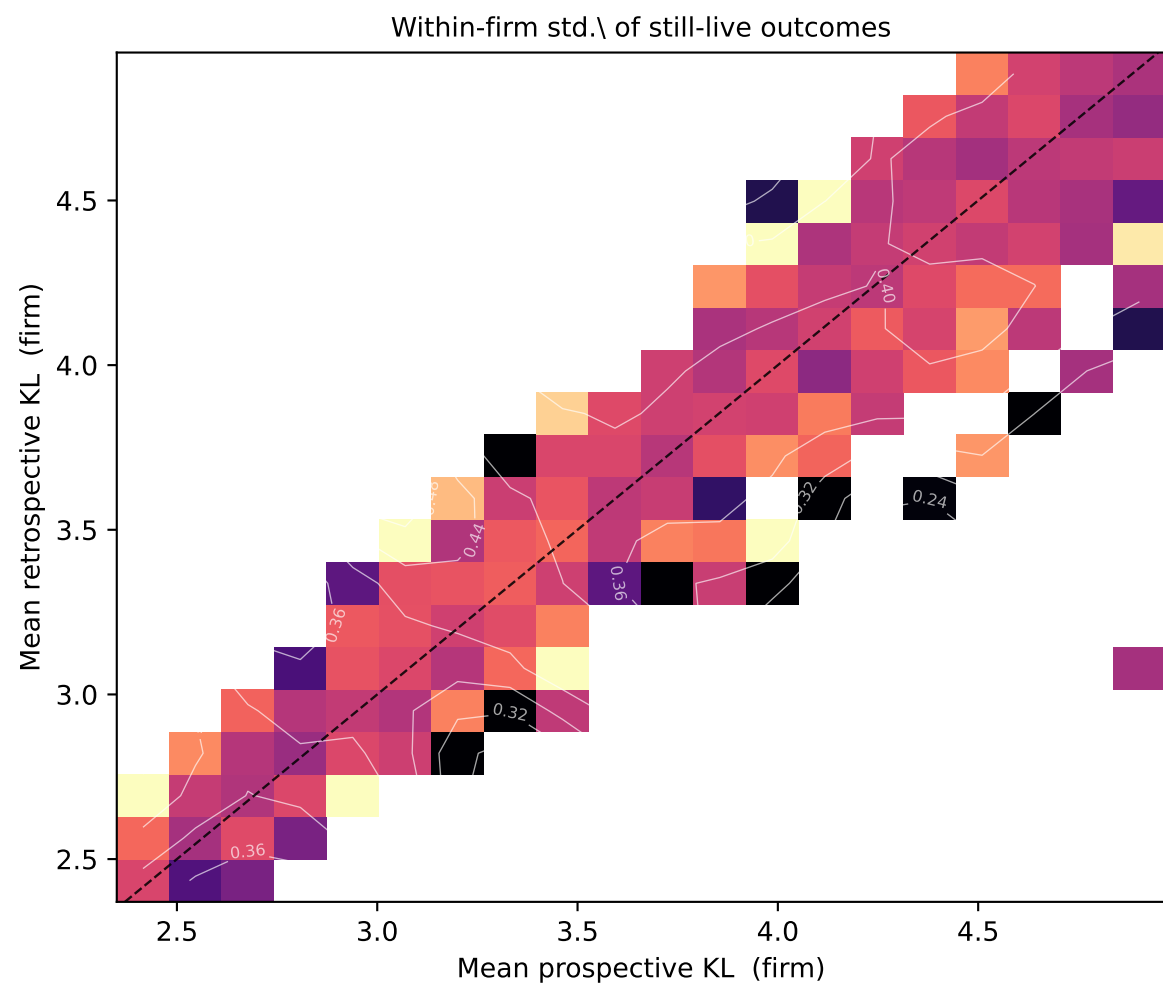

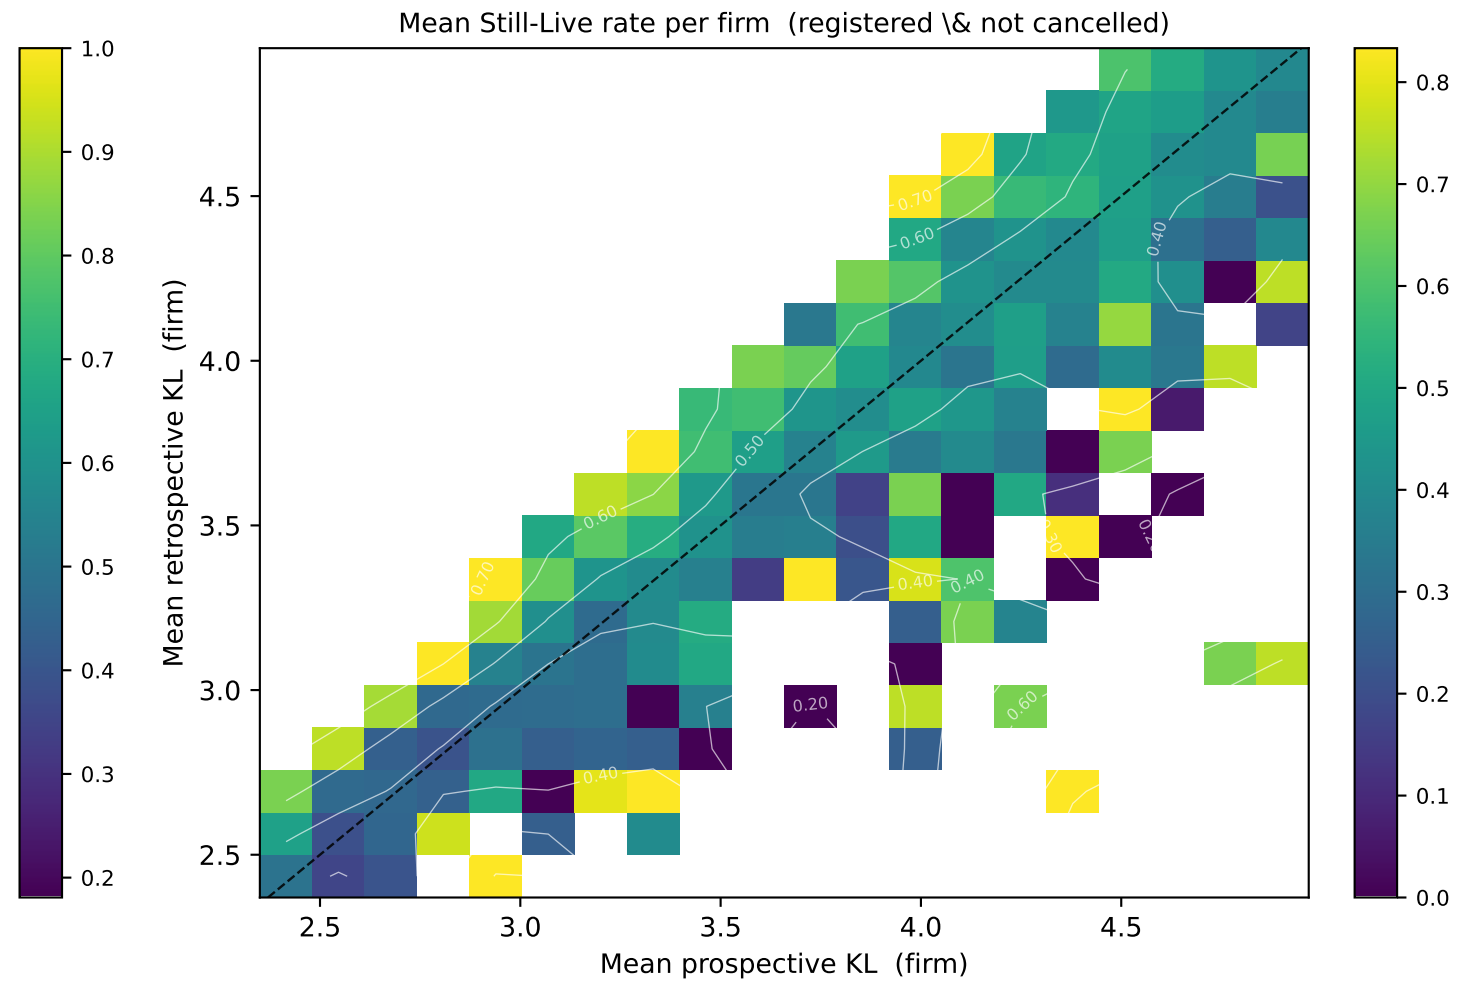

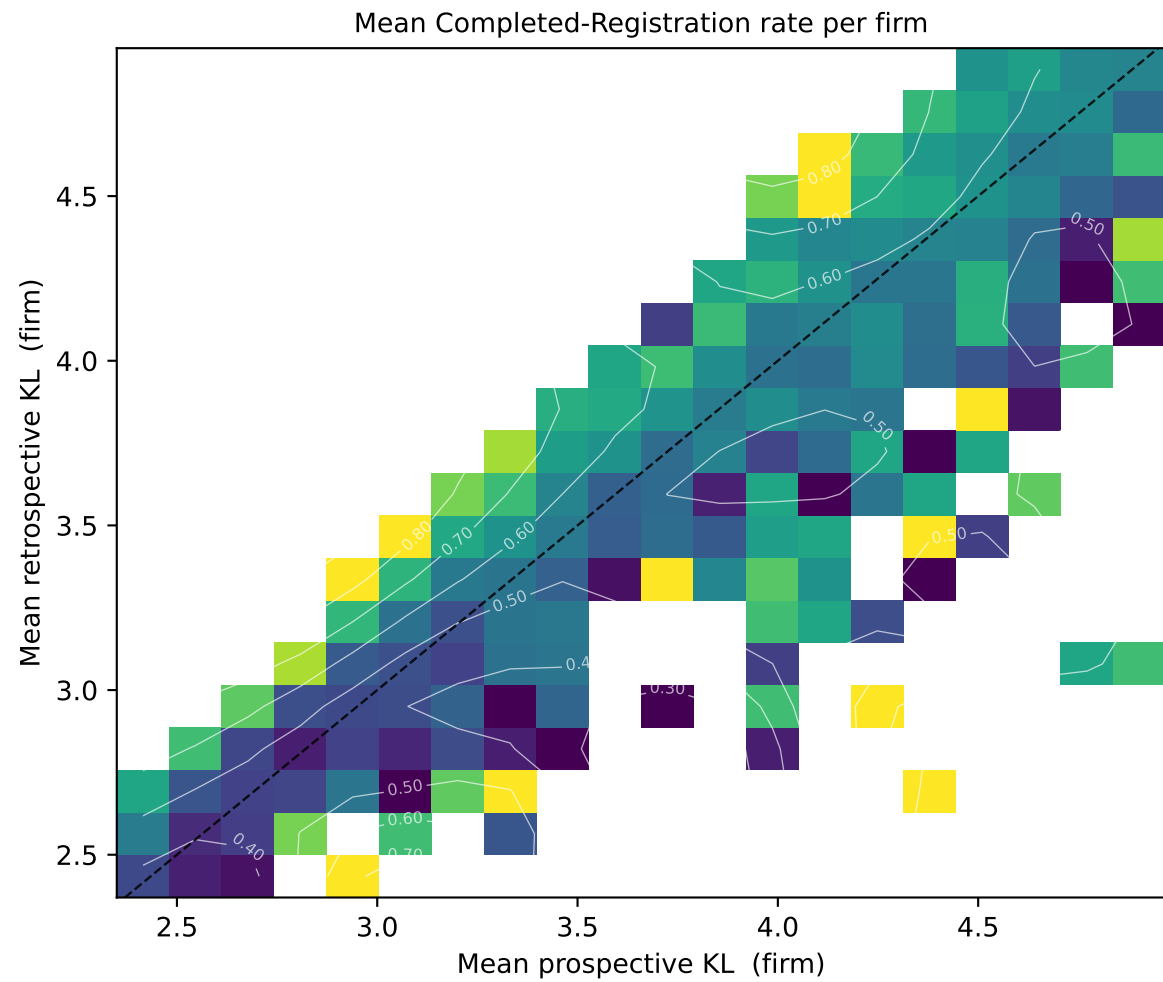

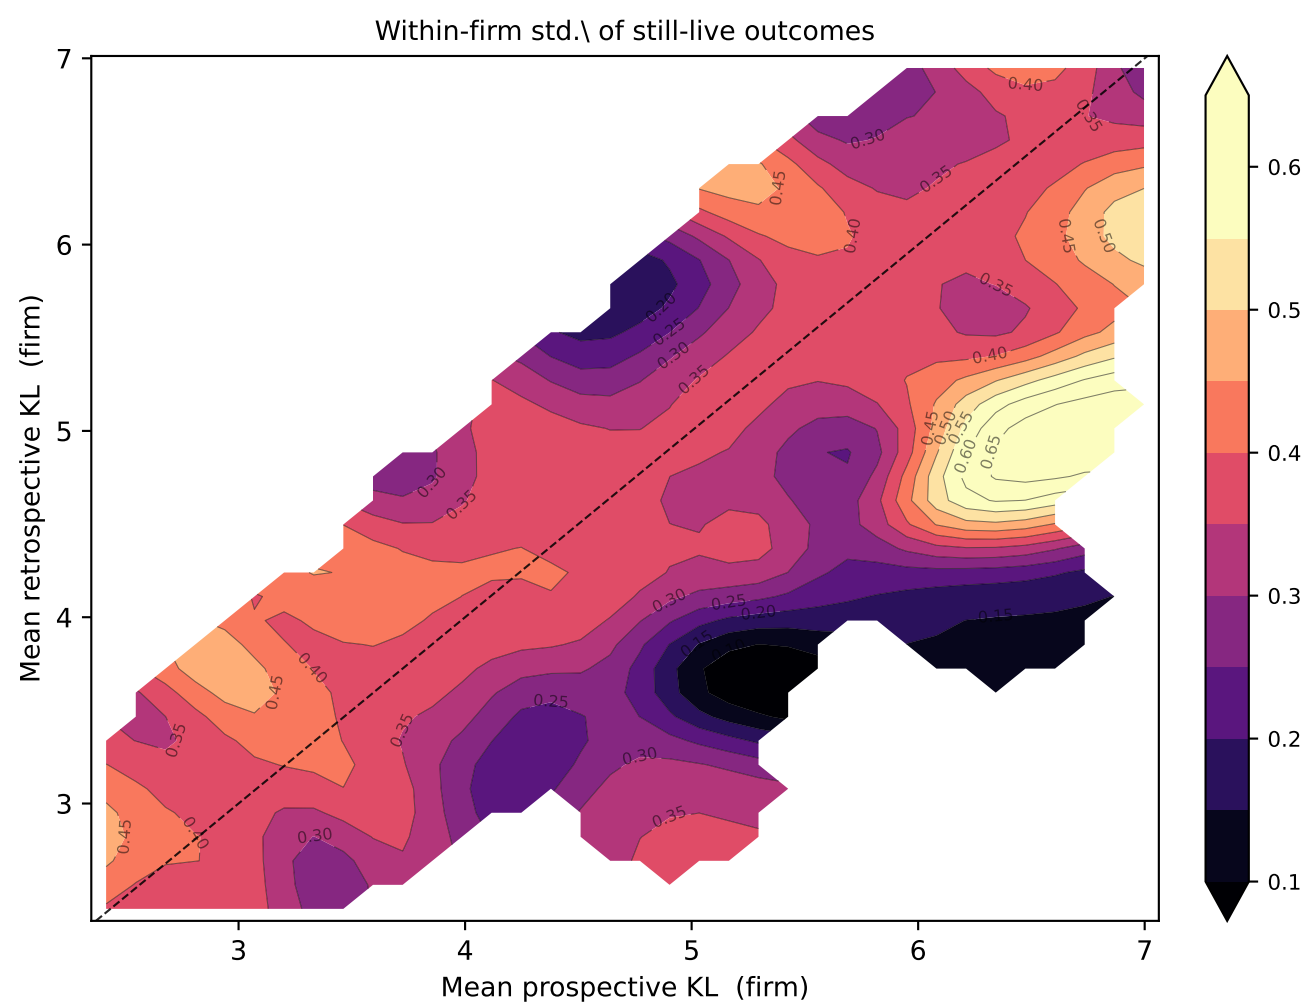

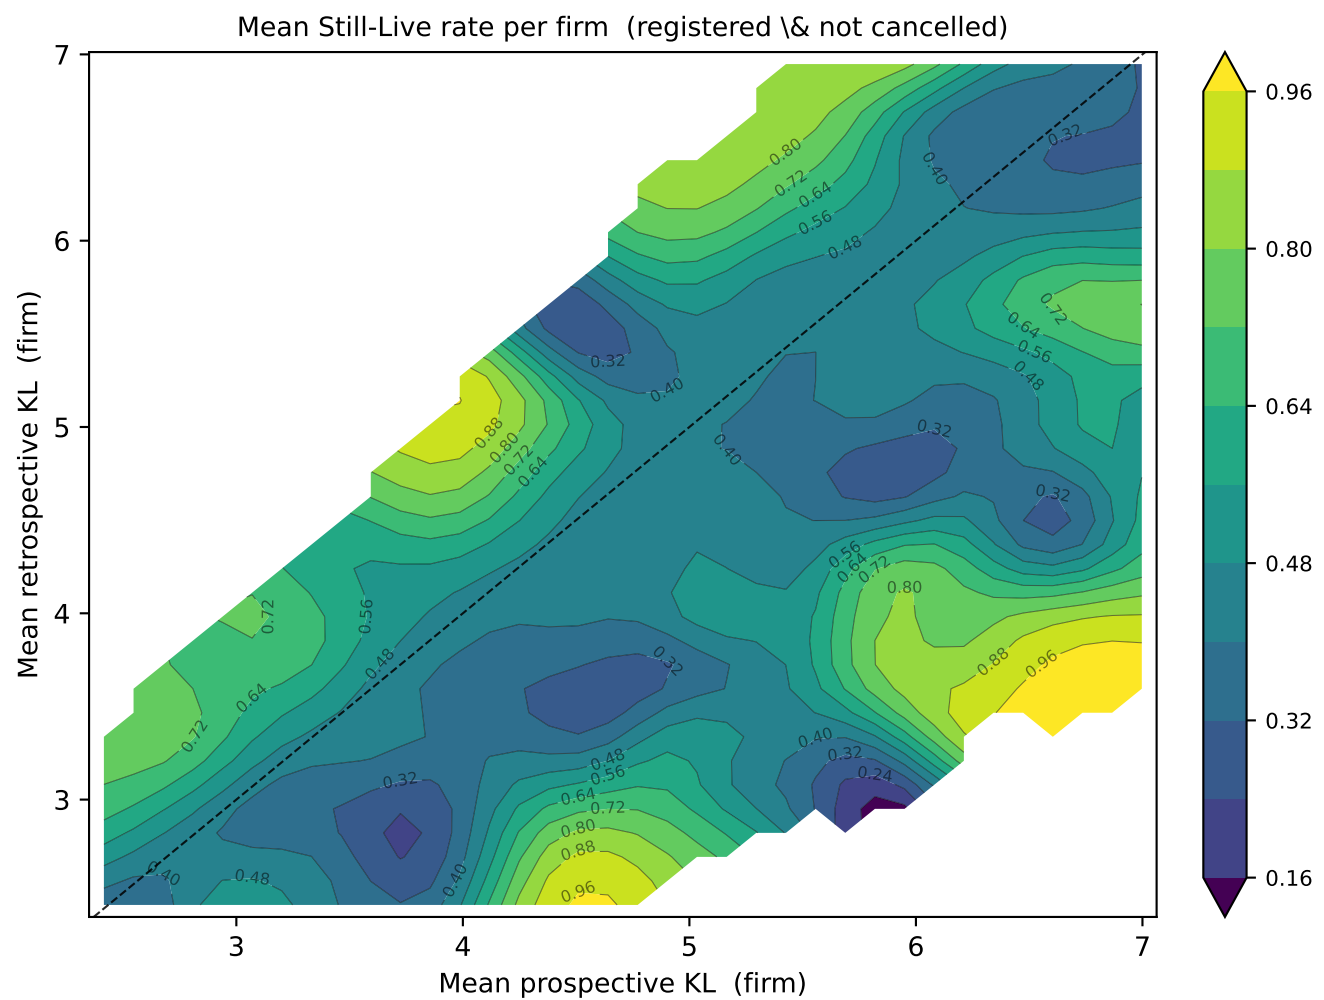

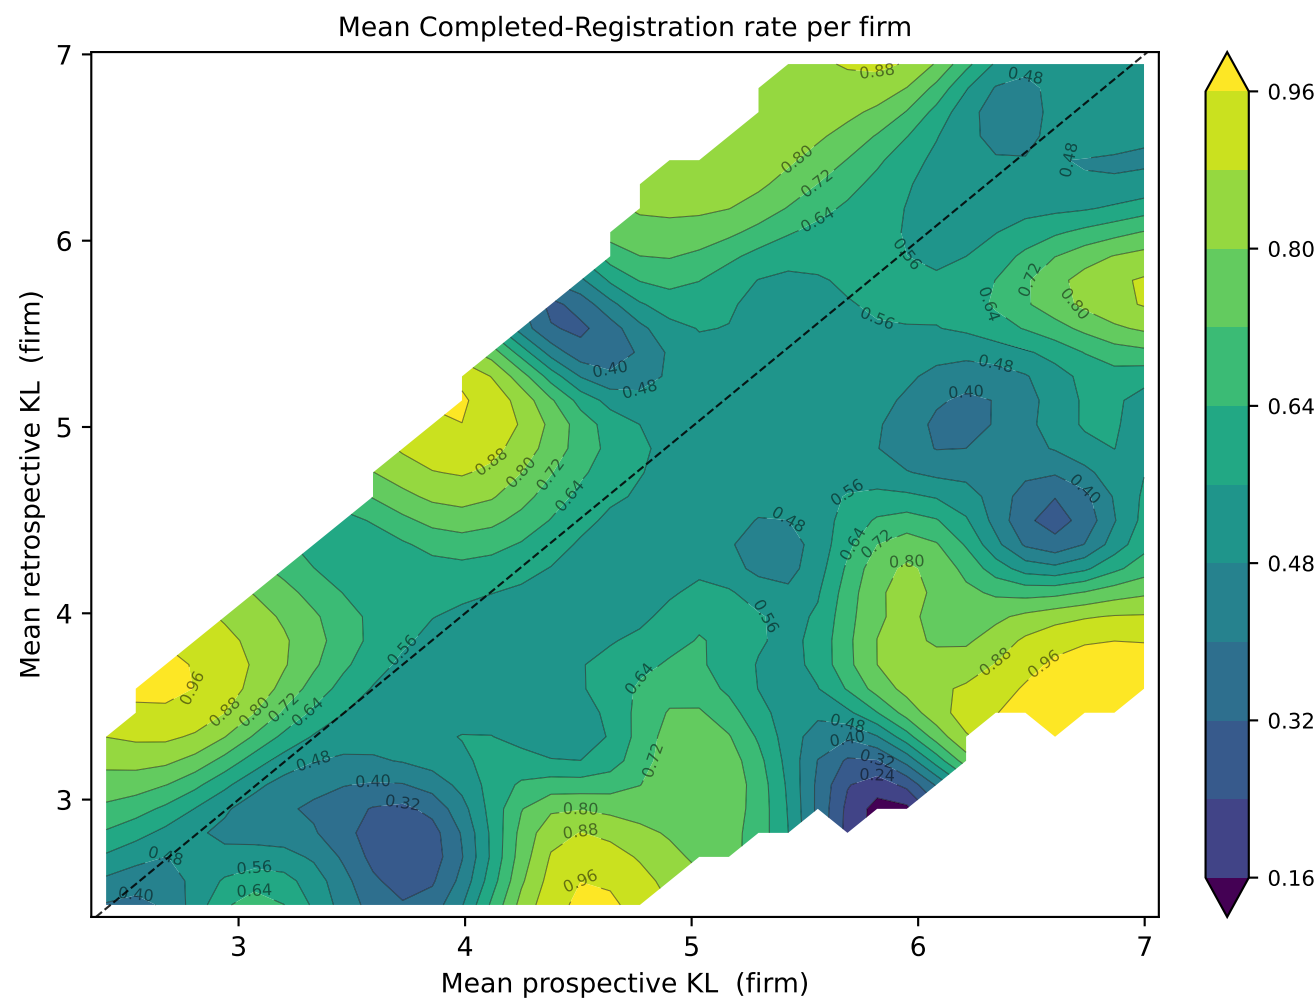

Within-firm std.\ of still-live outcomes

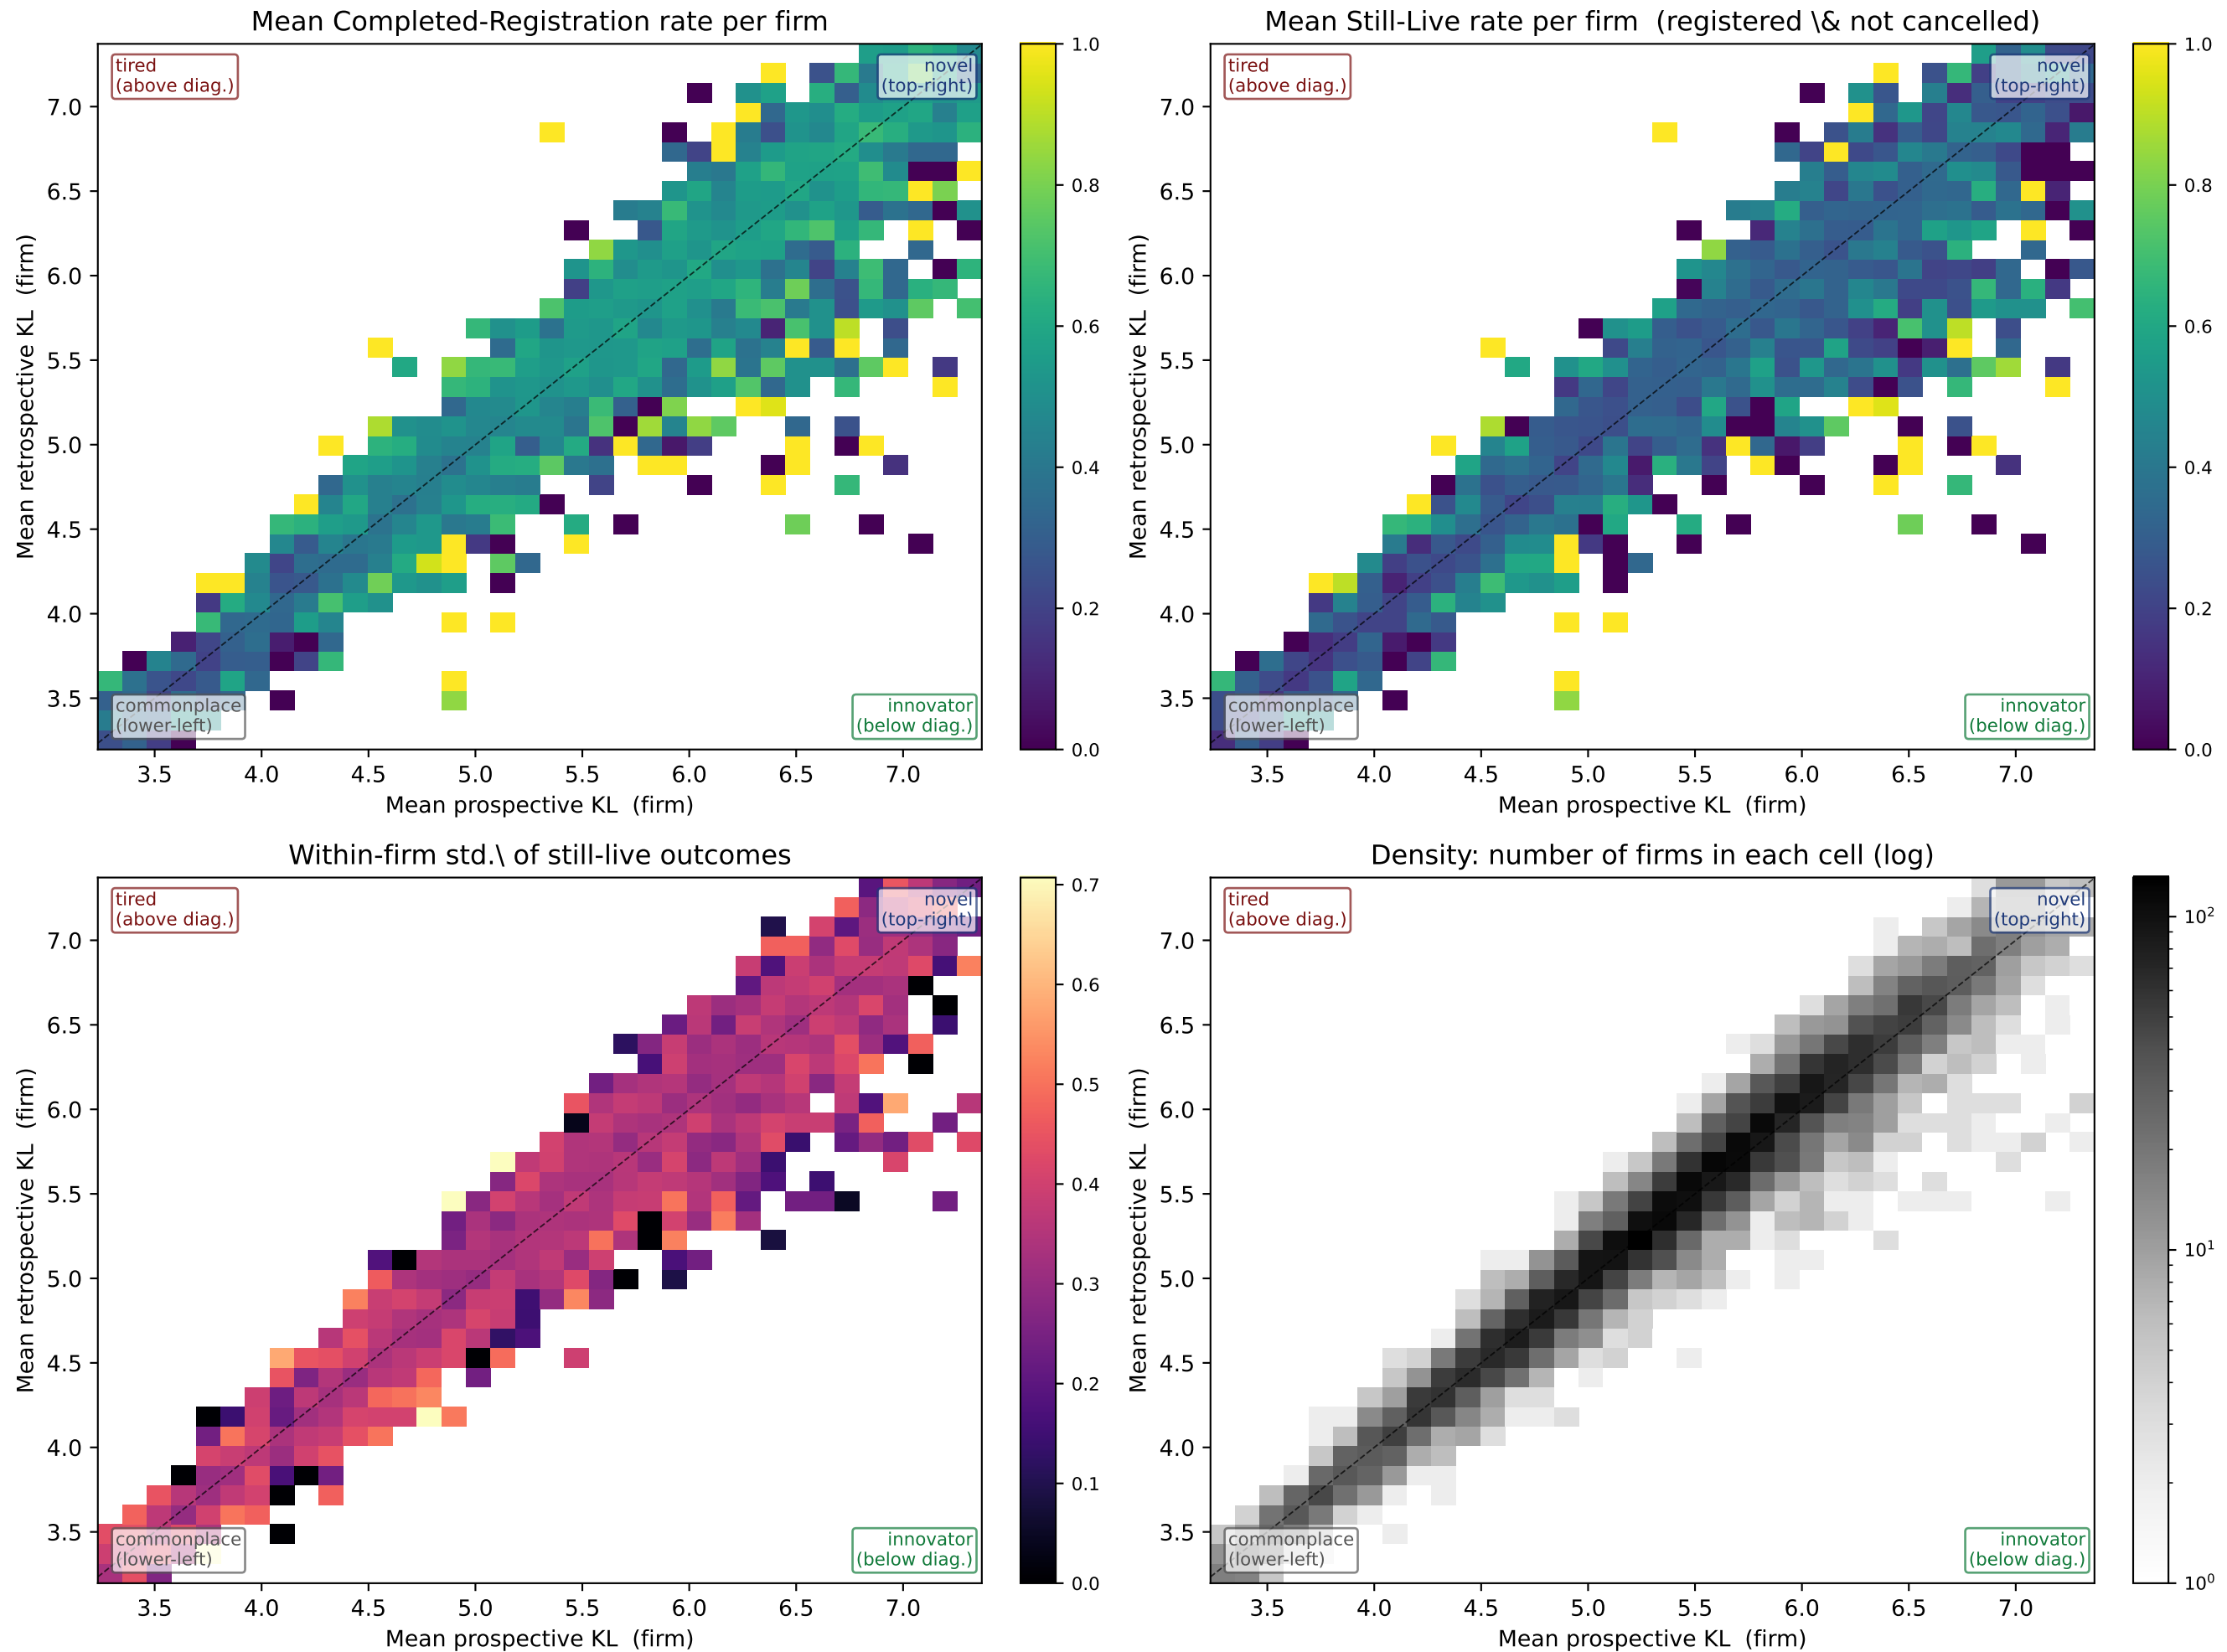

Class 018 — Leather & Luggage — 109,273 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=6,698 firms

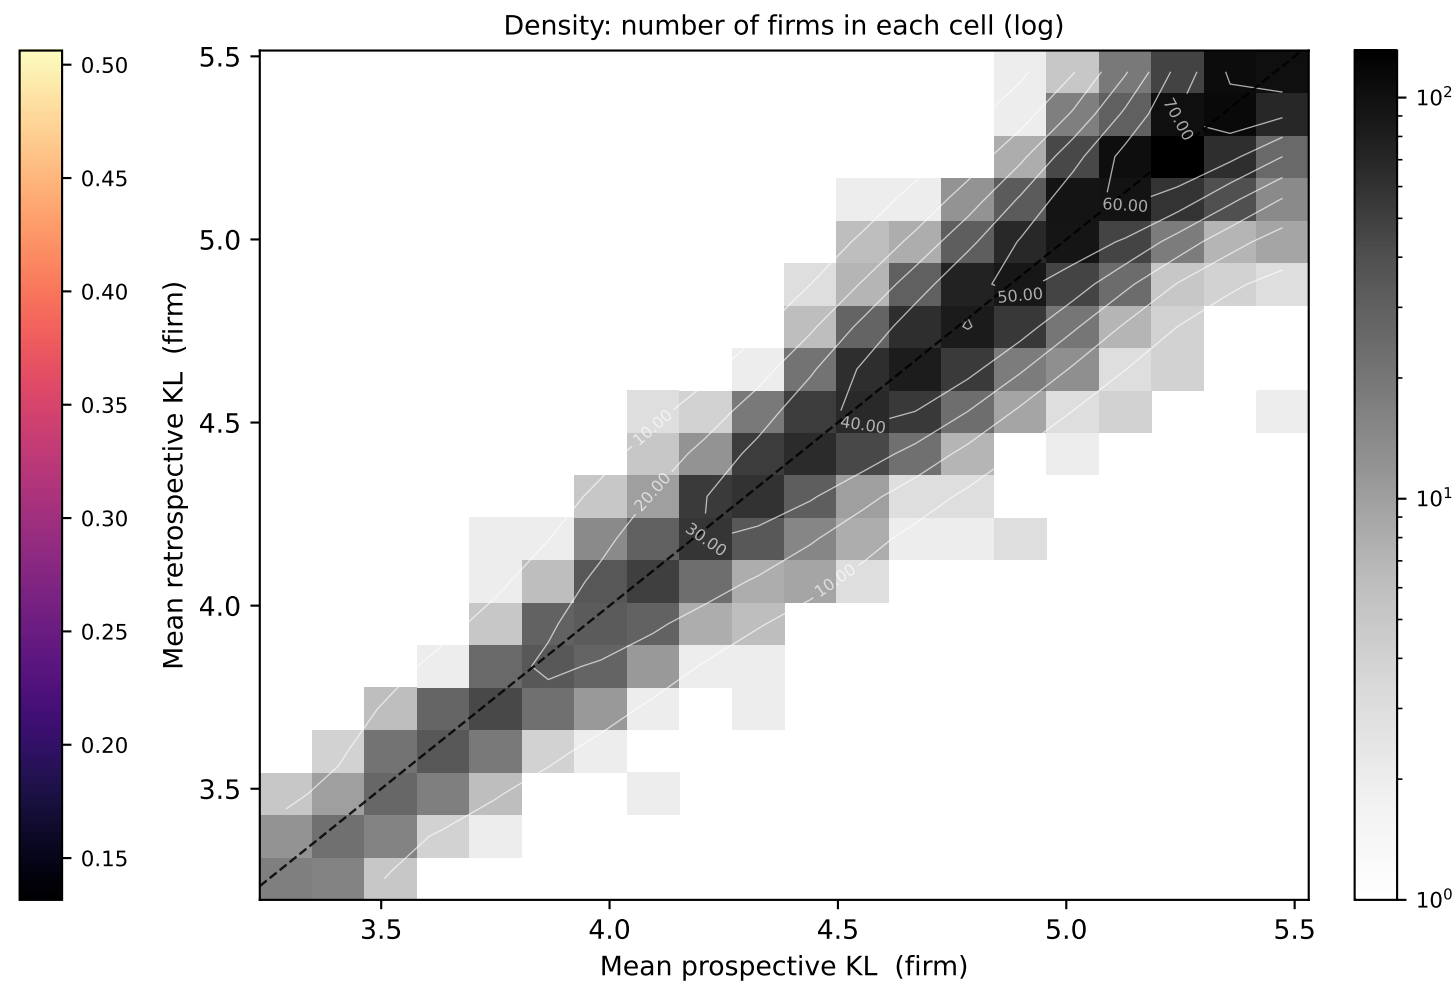

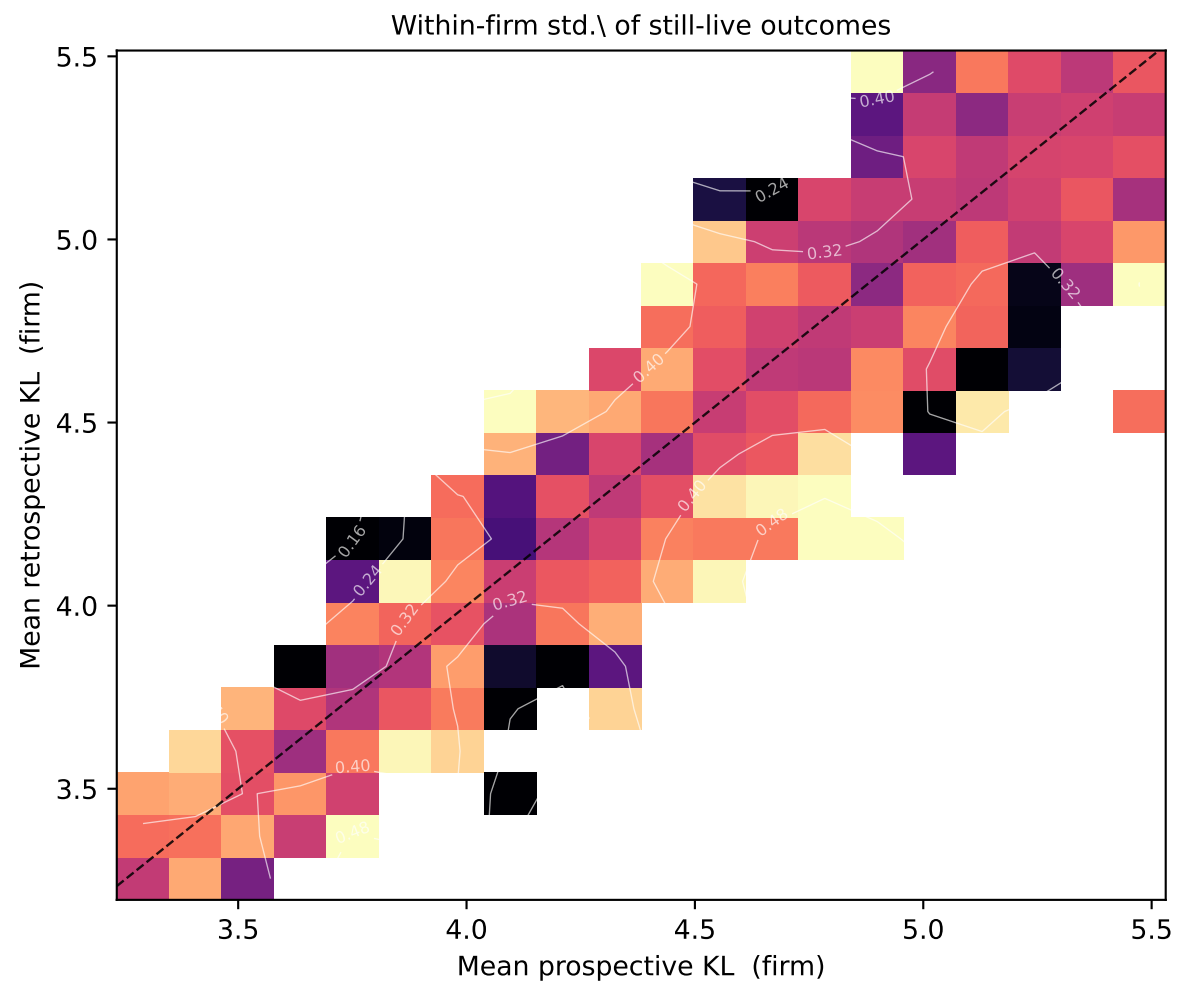

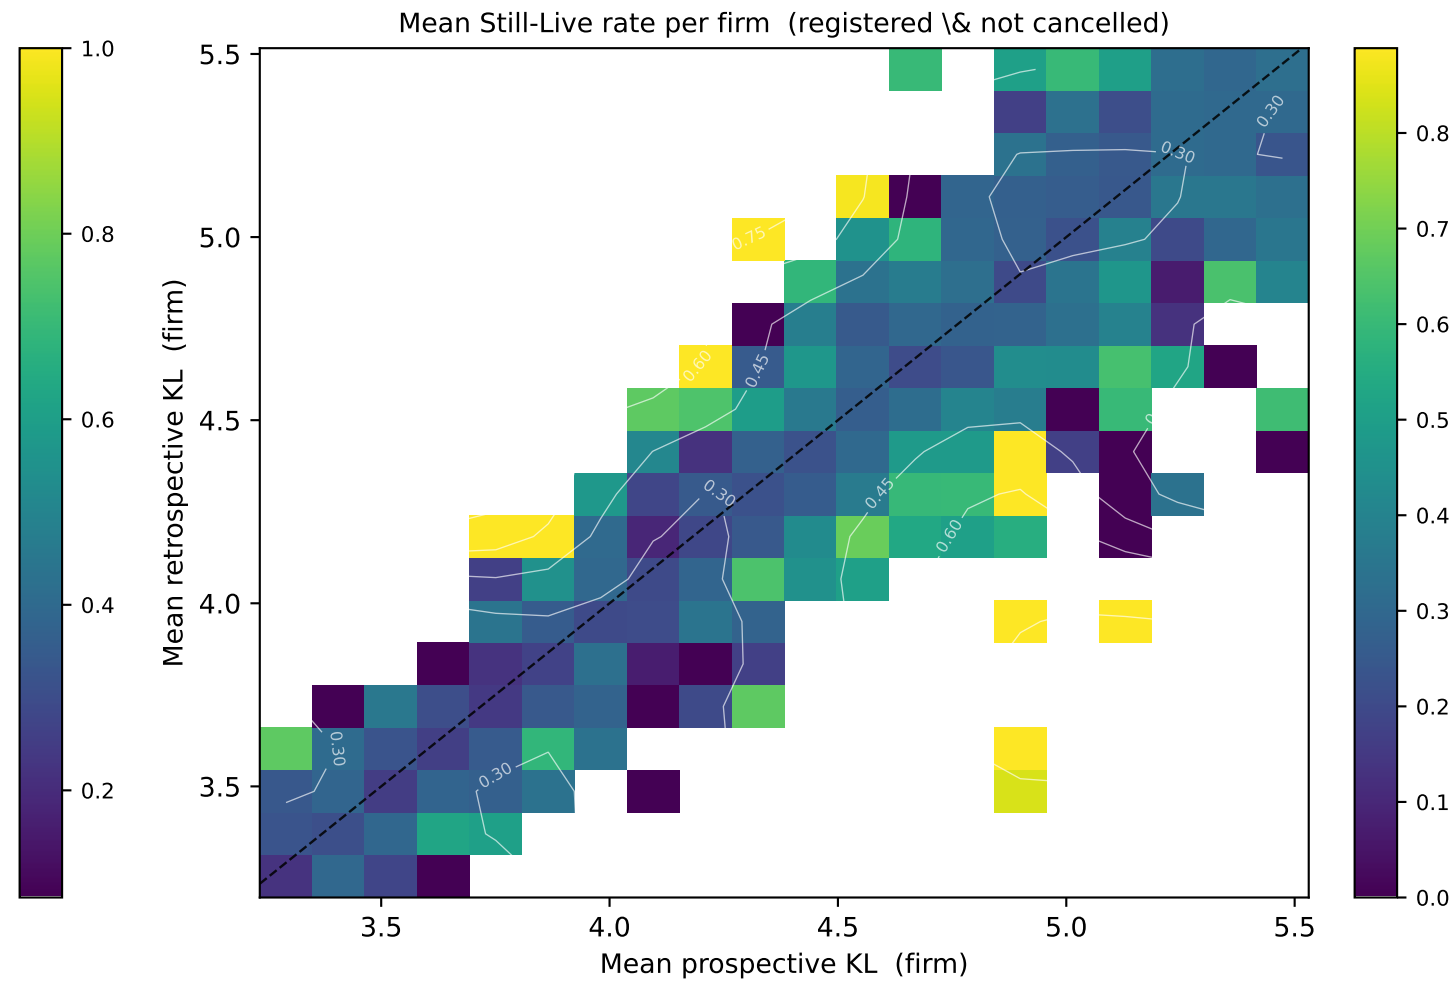

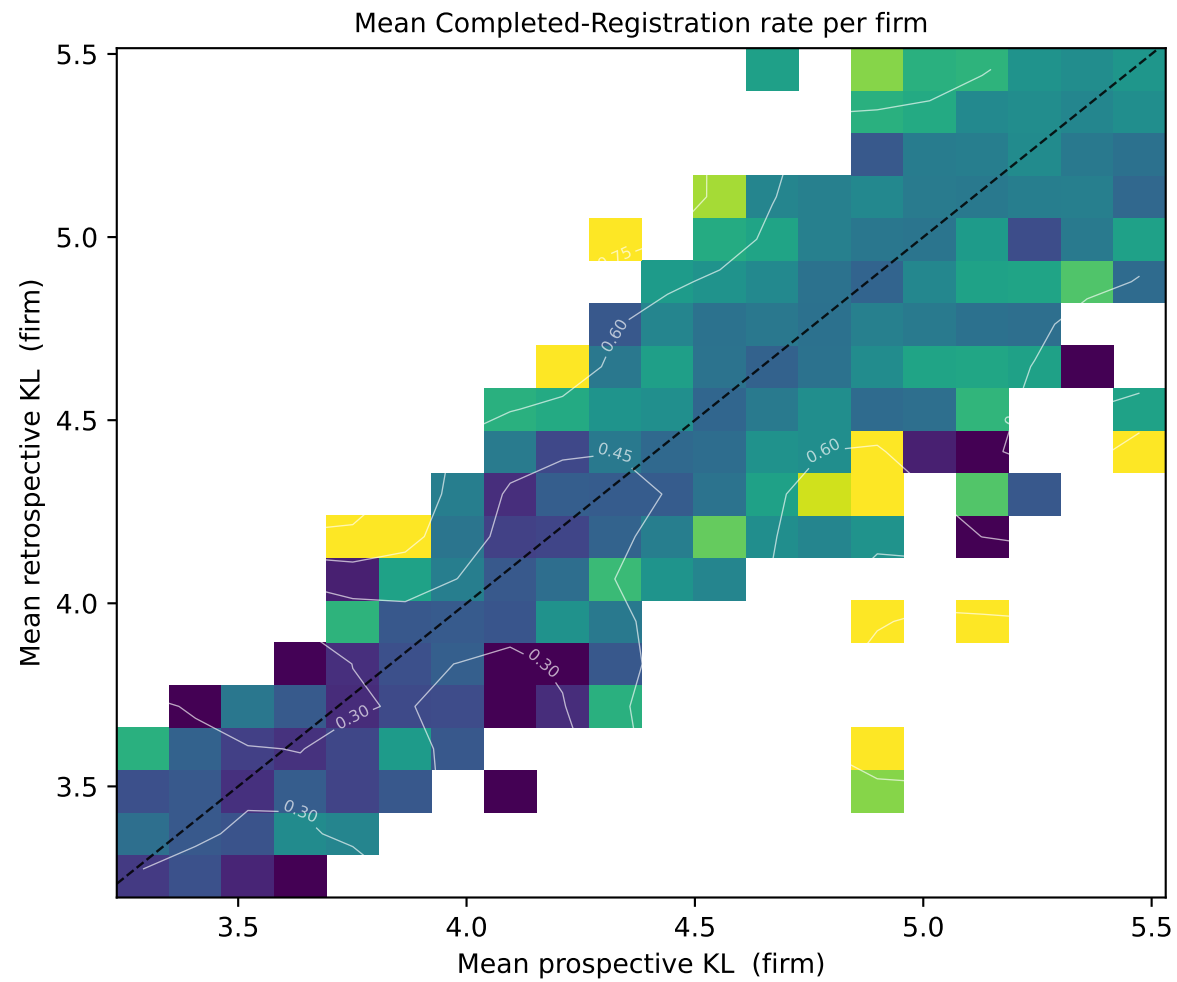

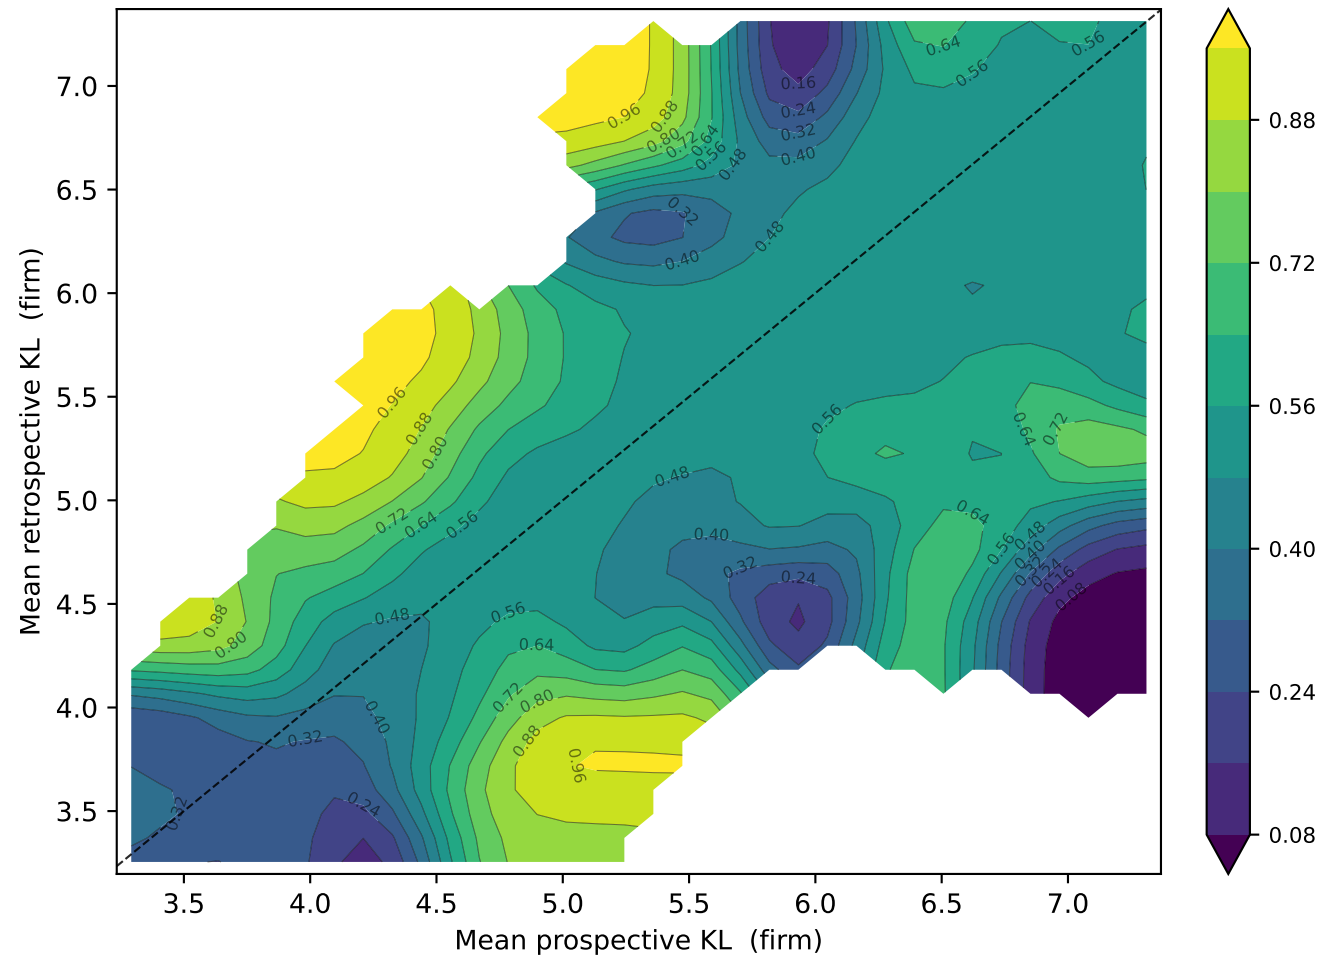

Class 001 — Chemicals & Industrial — 105,811 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=7,981 firms

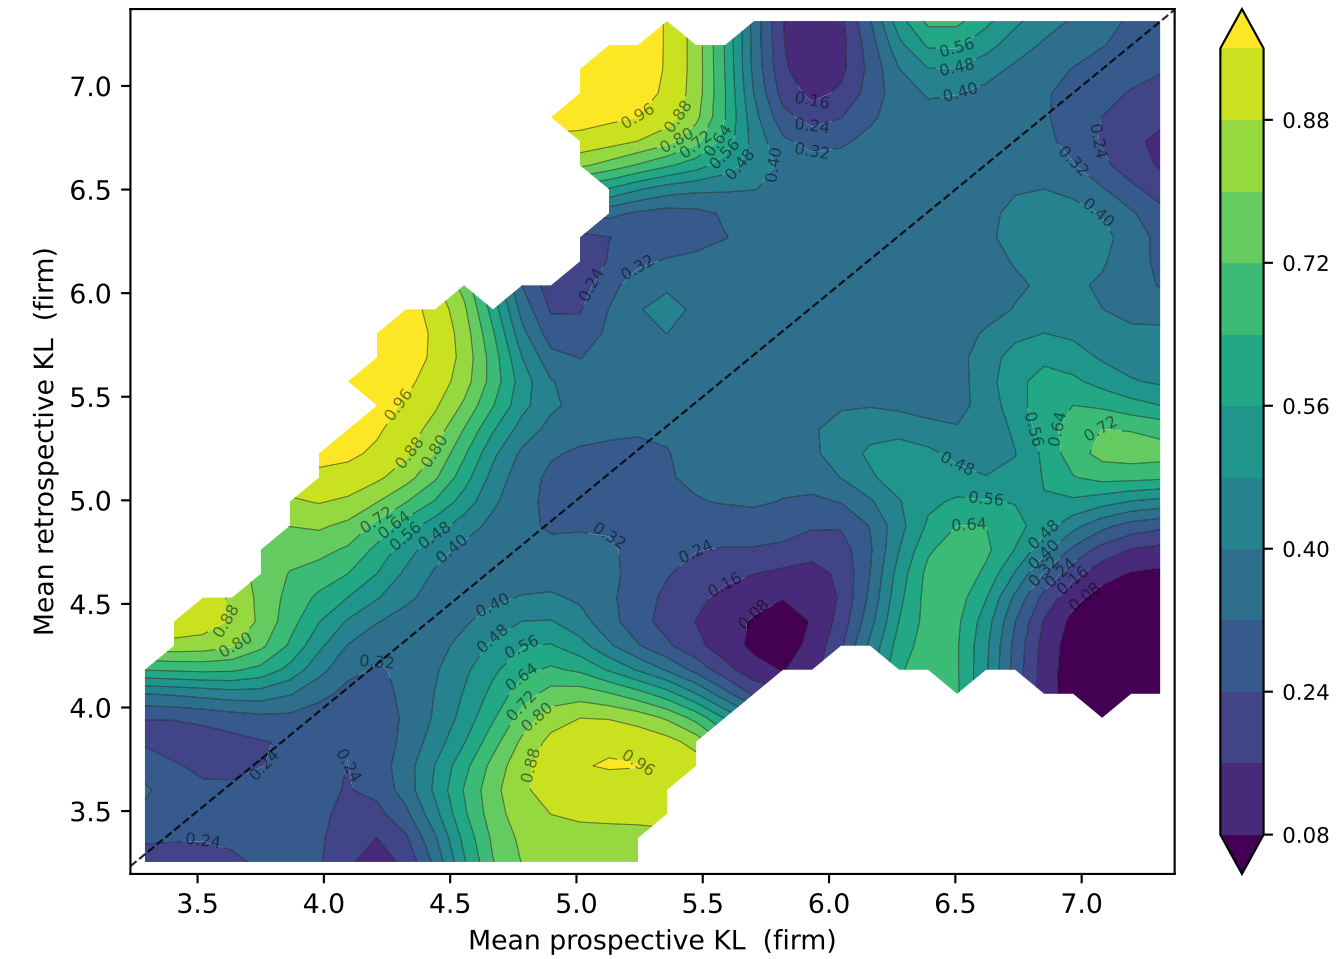

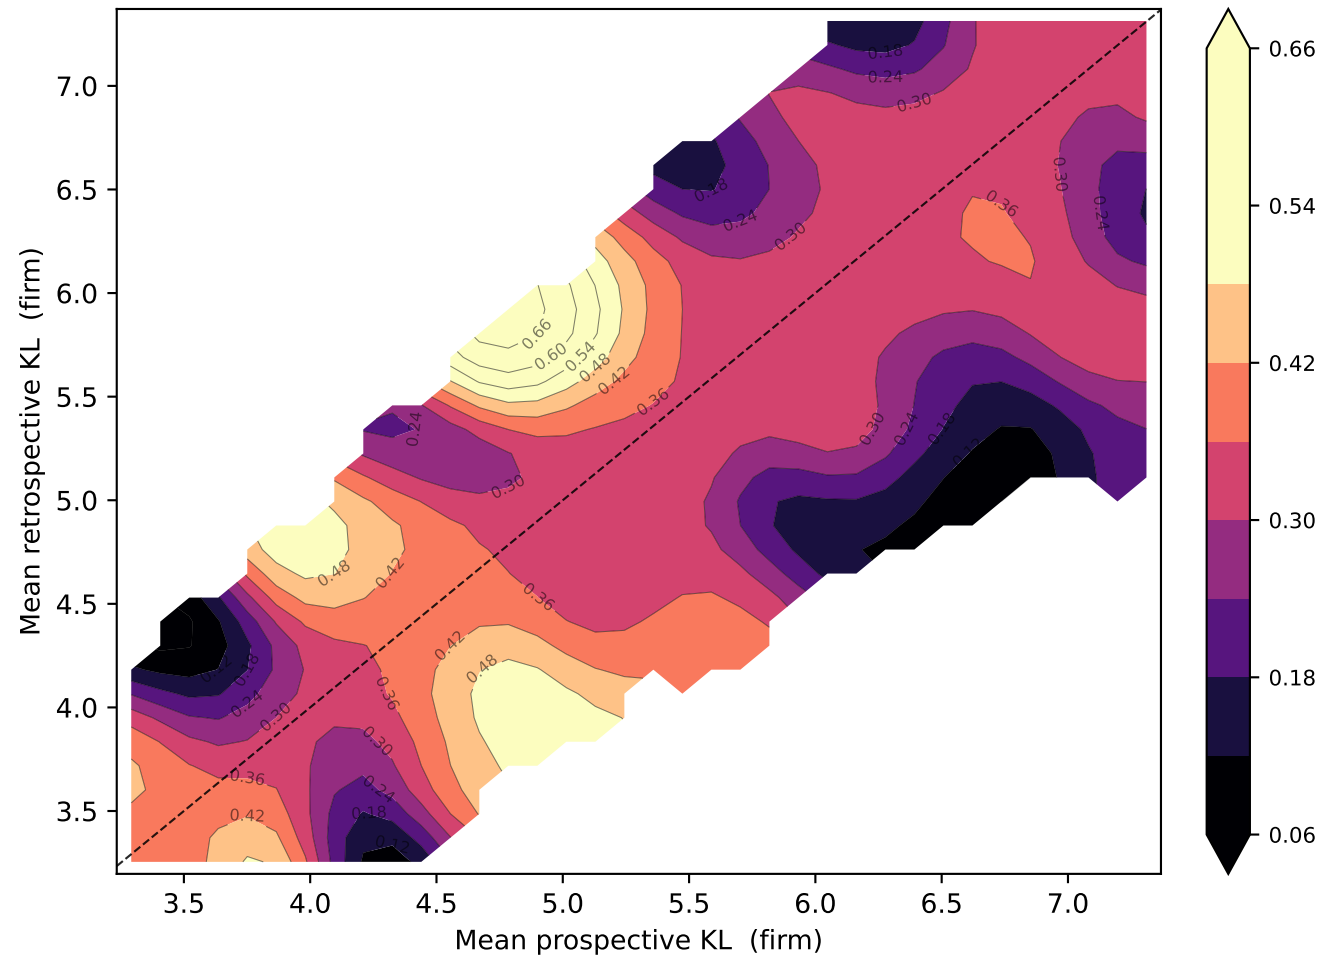

Mean Completed-Registration rate per firm

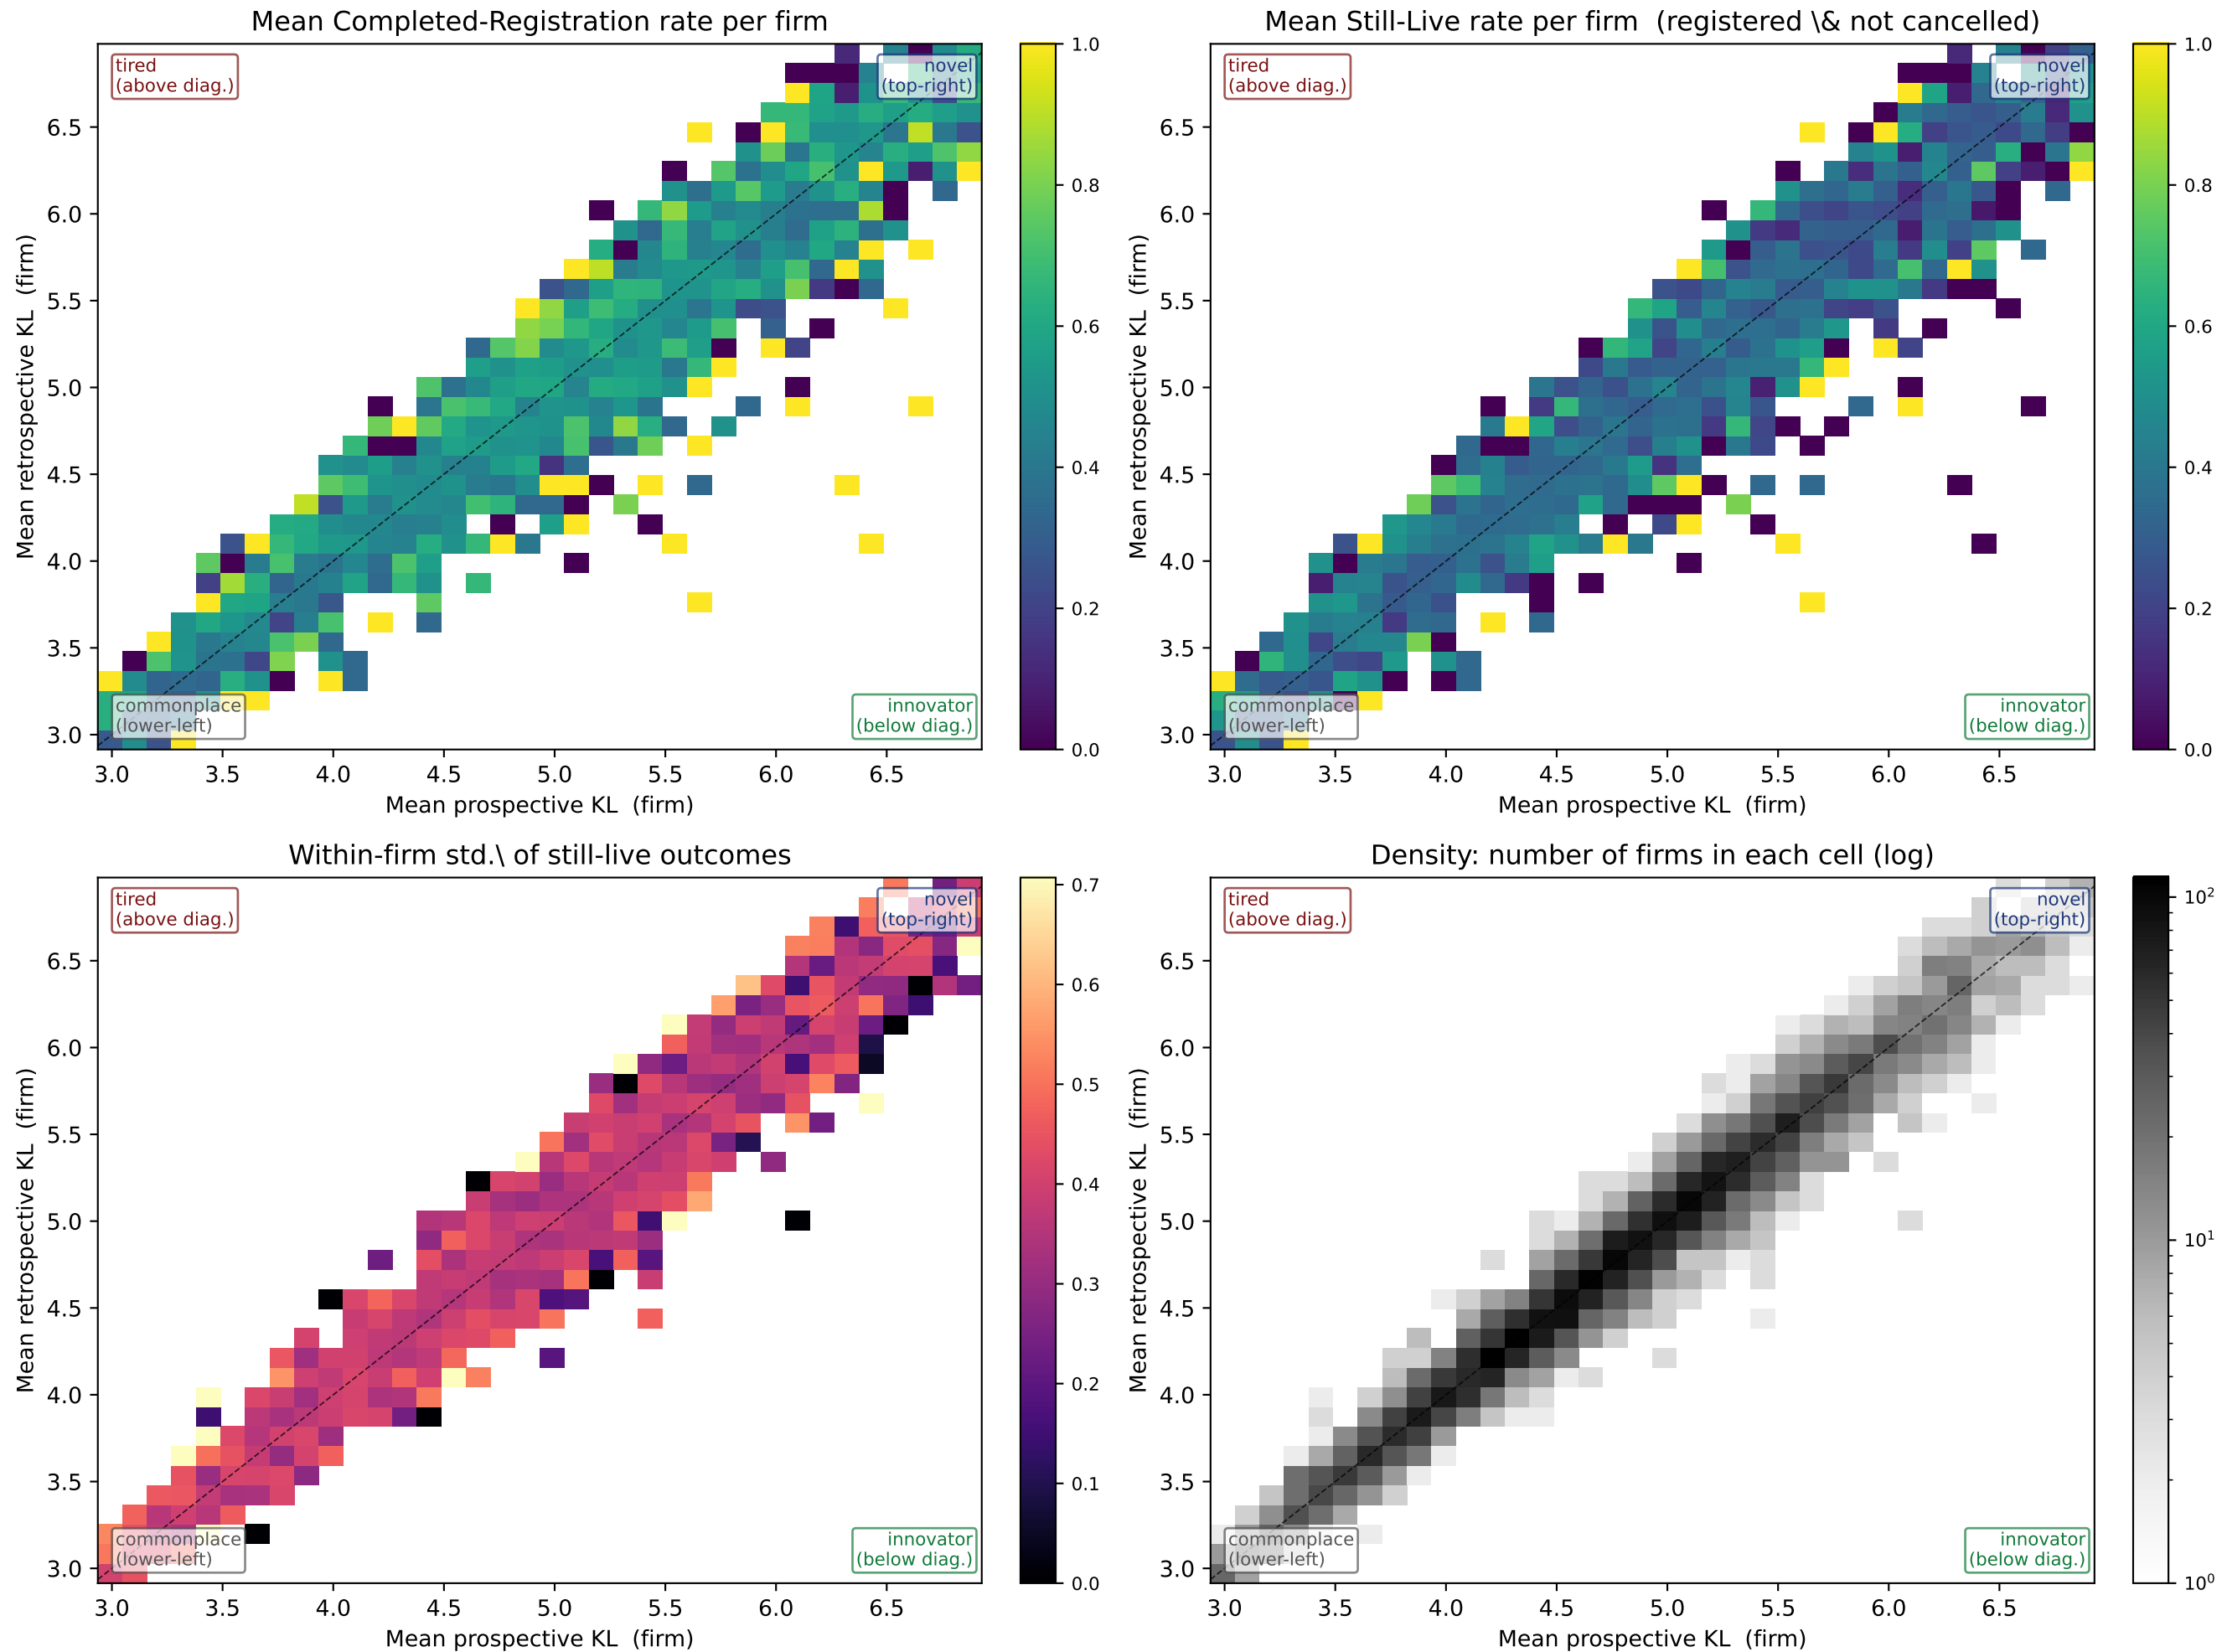

Mean Still-Live rate per firm (registered \& not cancelled)

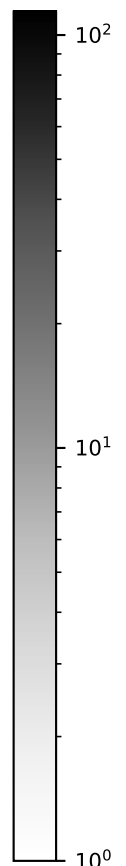

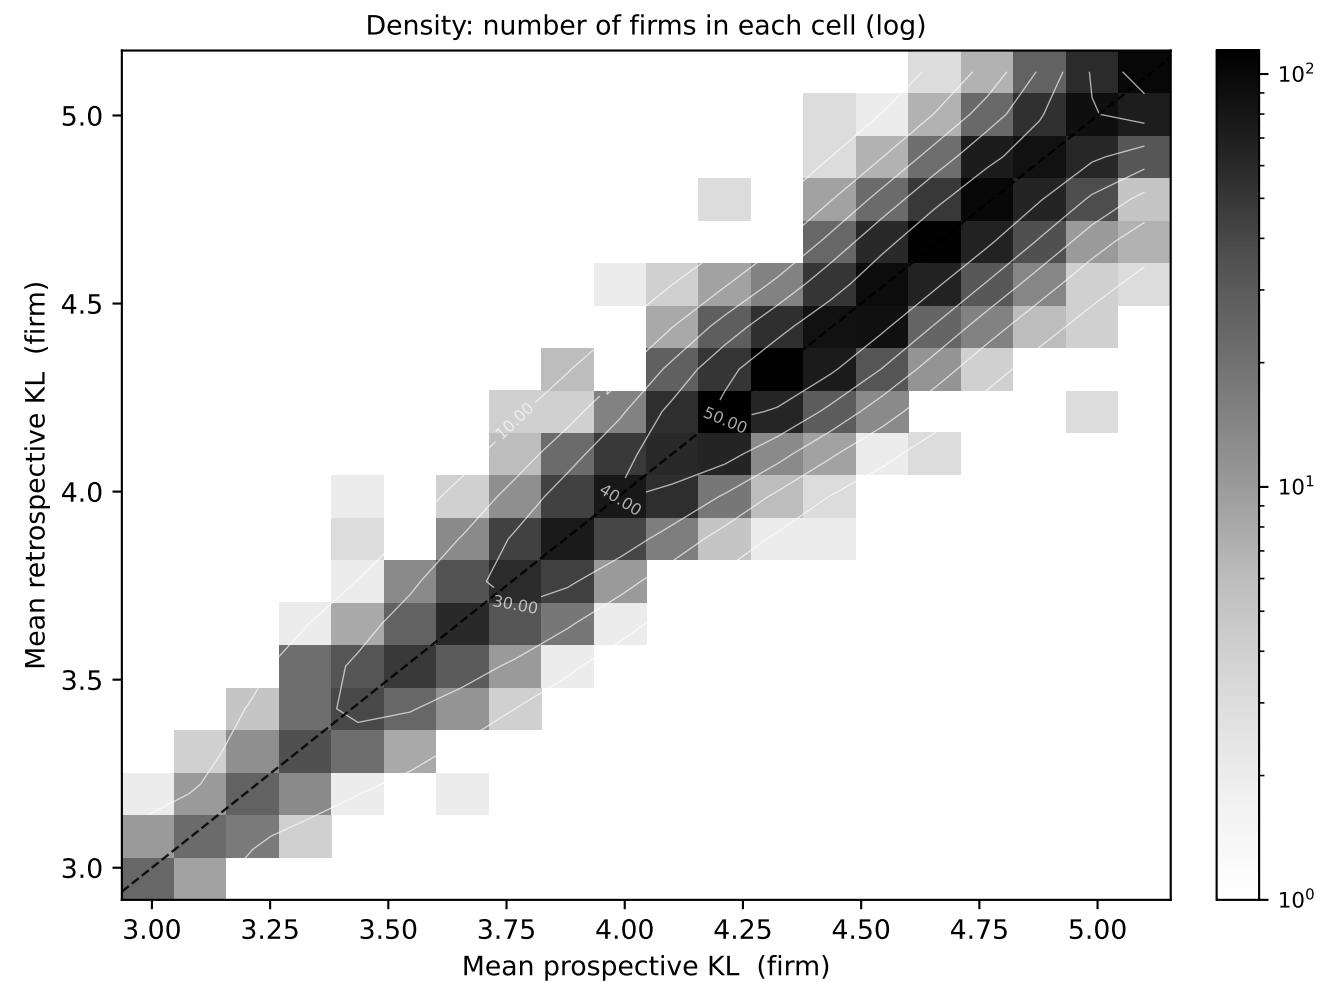

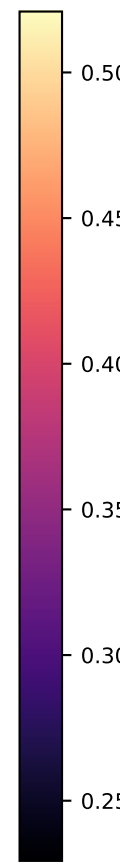

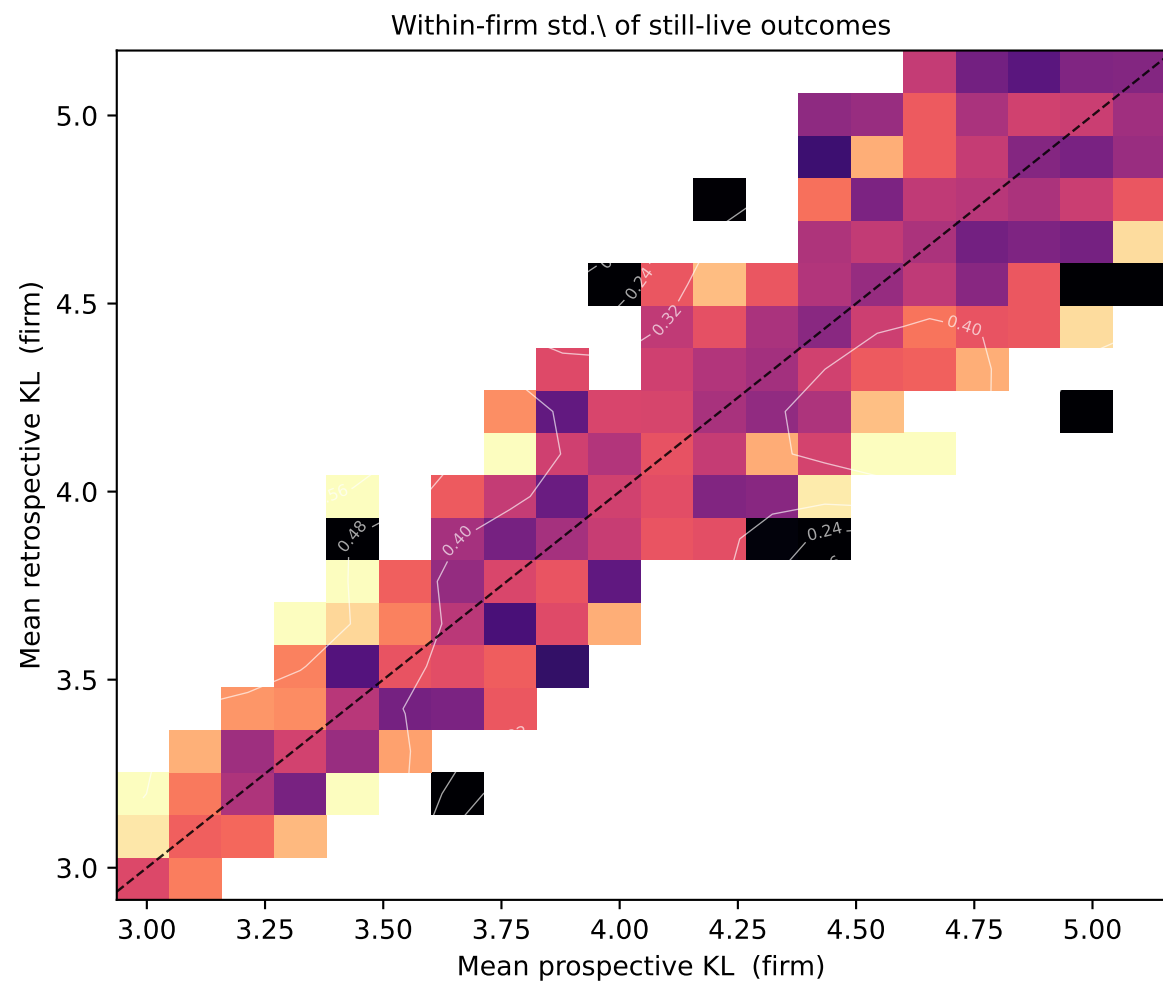

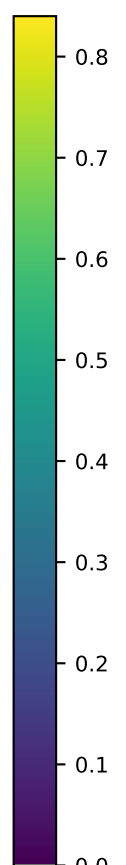

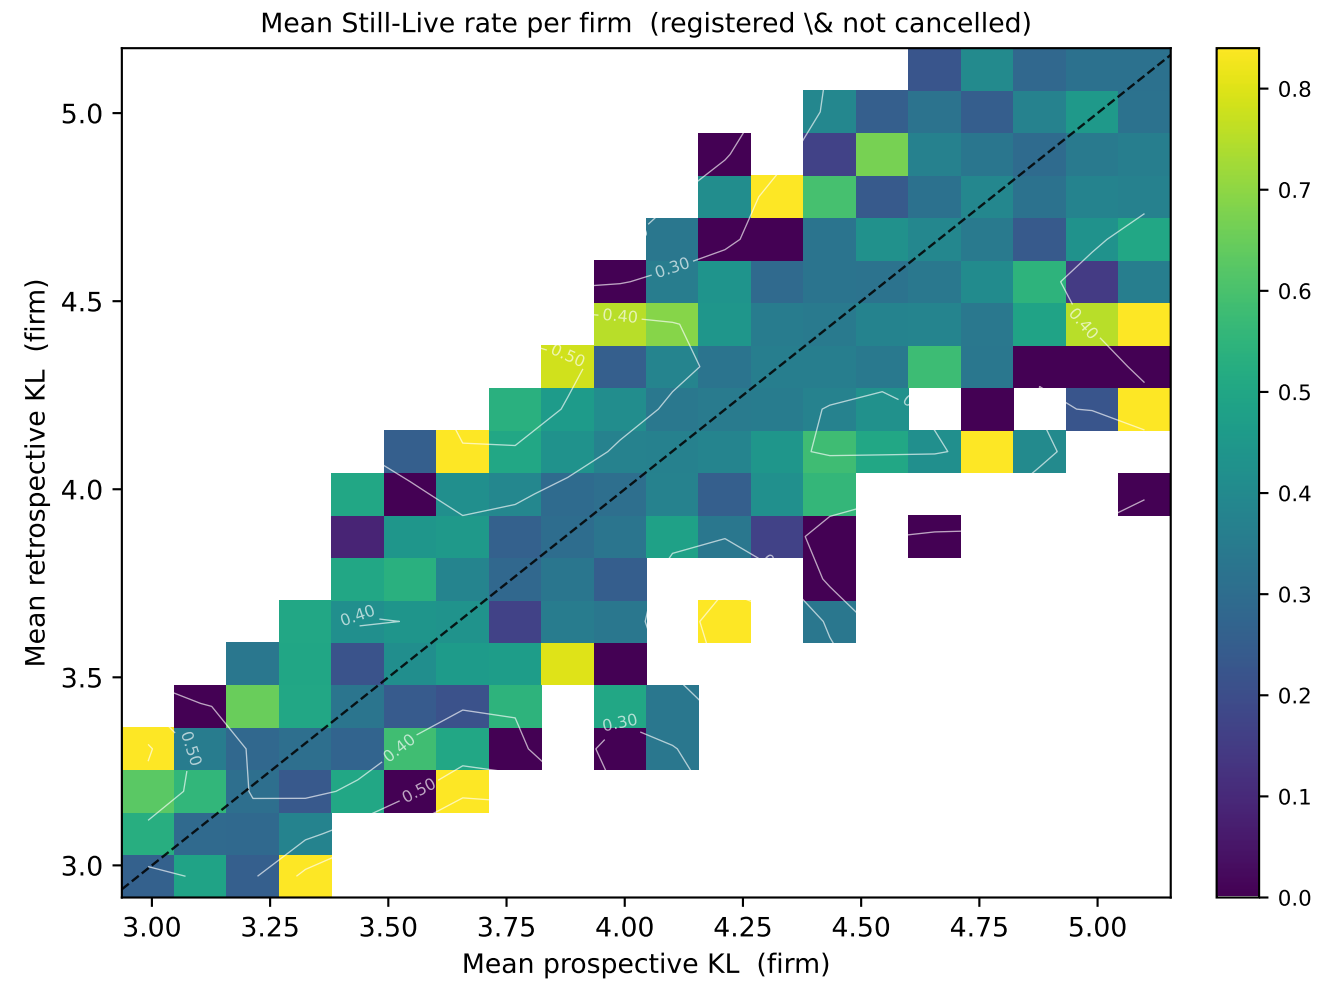

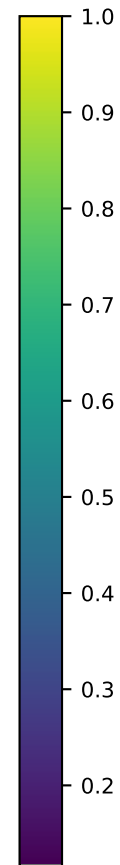

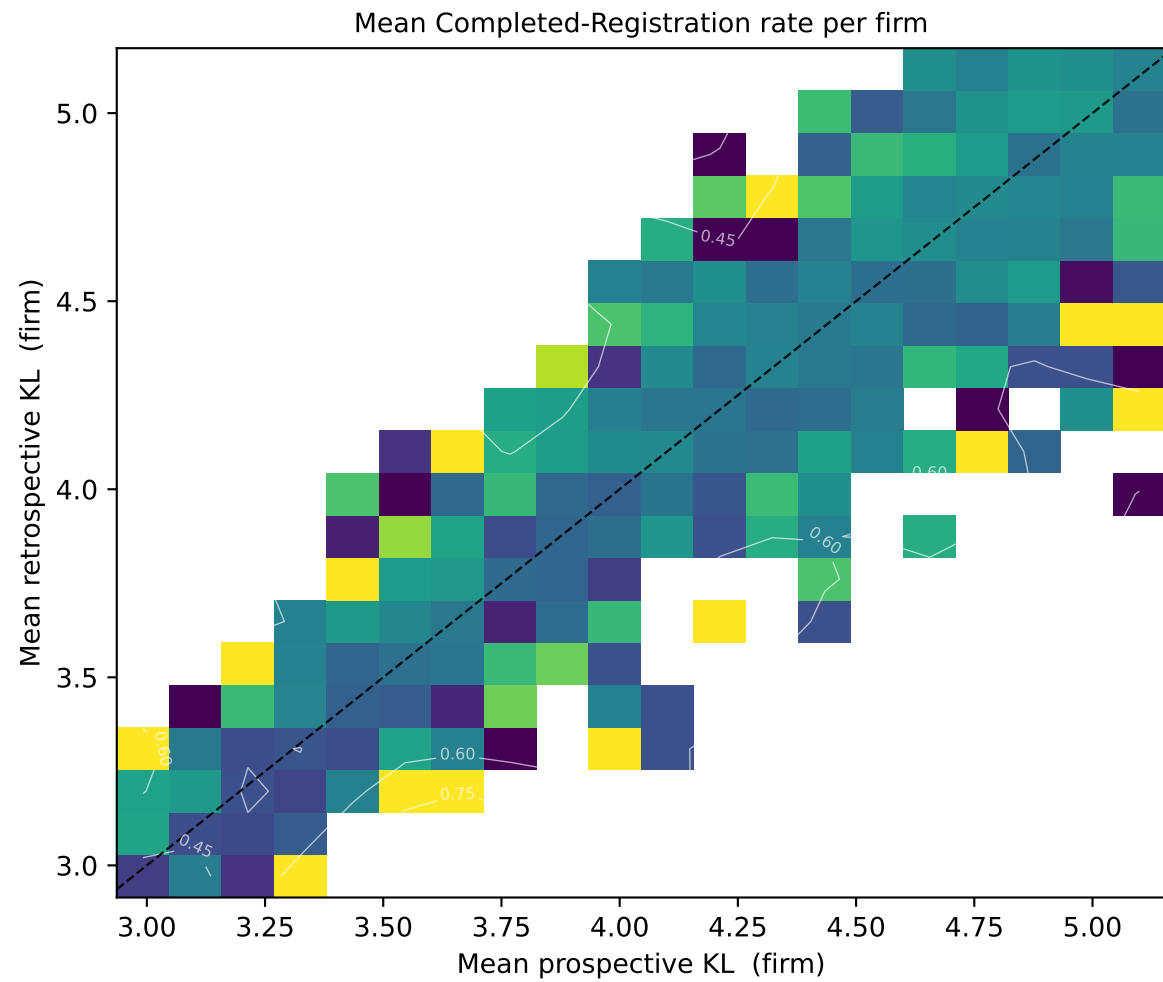

Within-firm std.\ of still-live outcomes

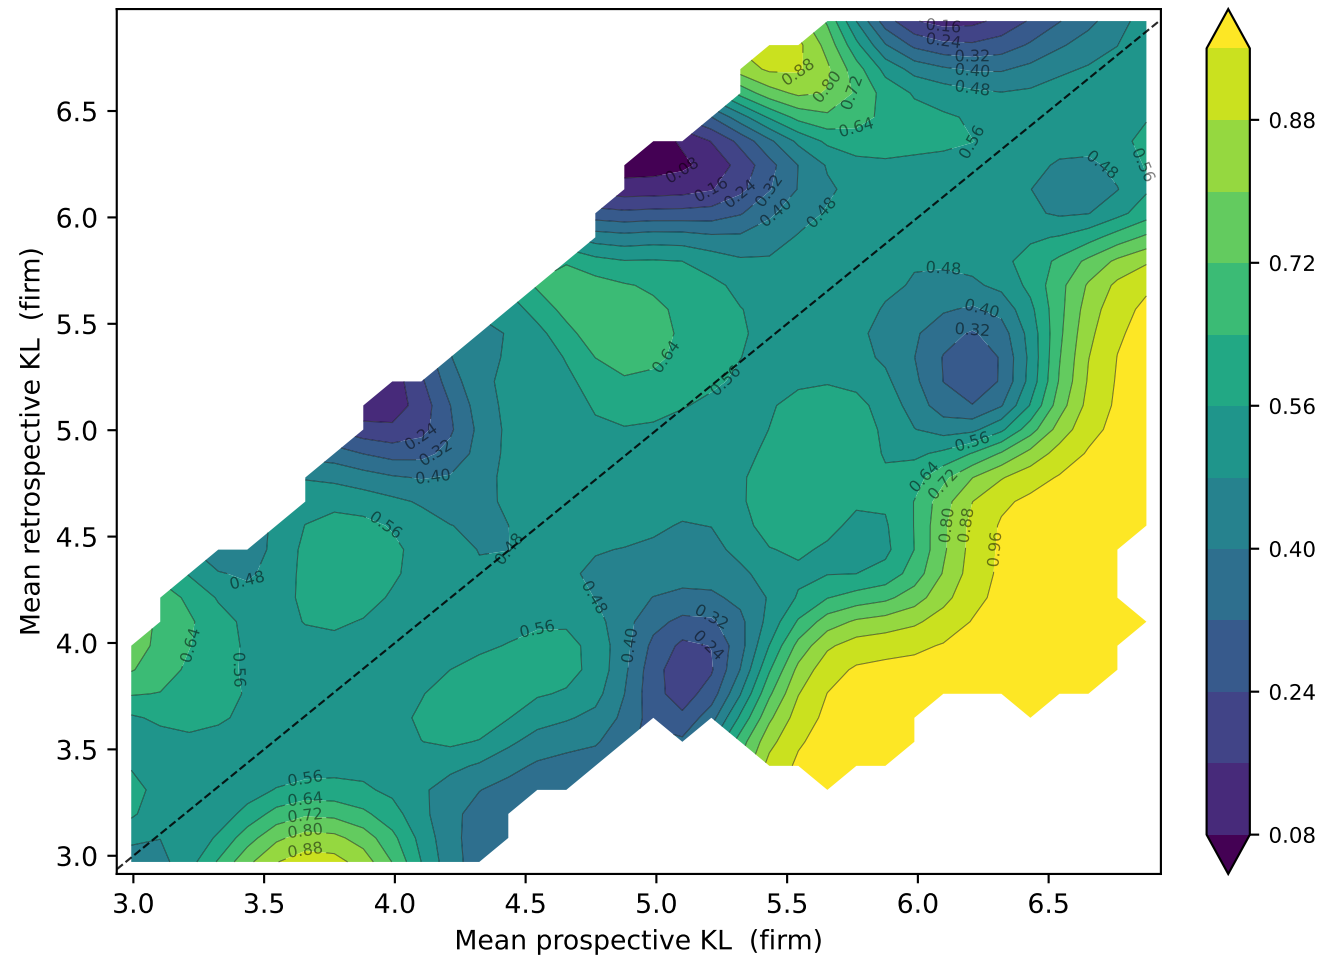

Class 043 — Restaurants & Hotels — 101,192 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=6,253 firms

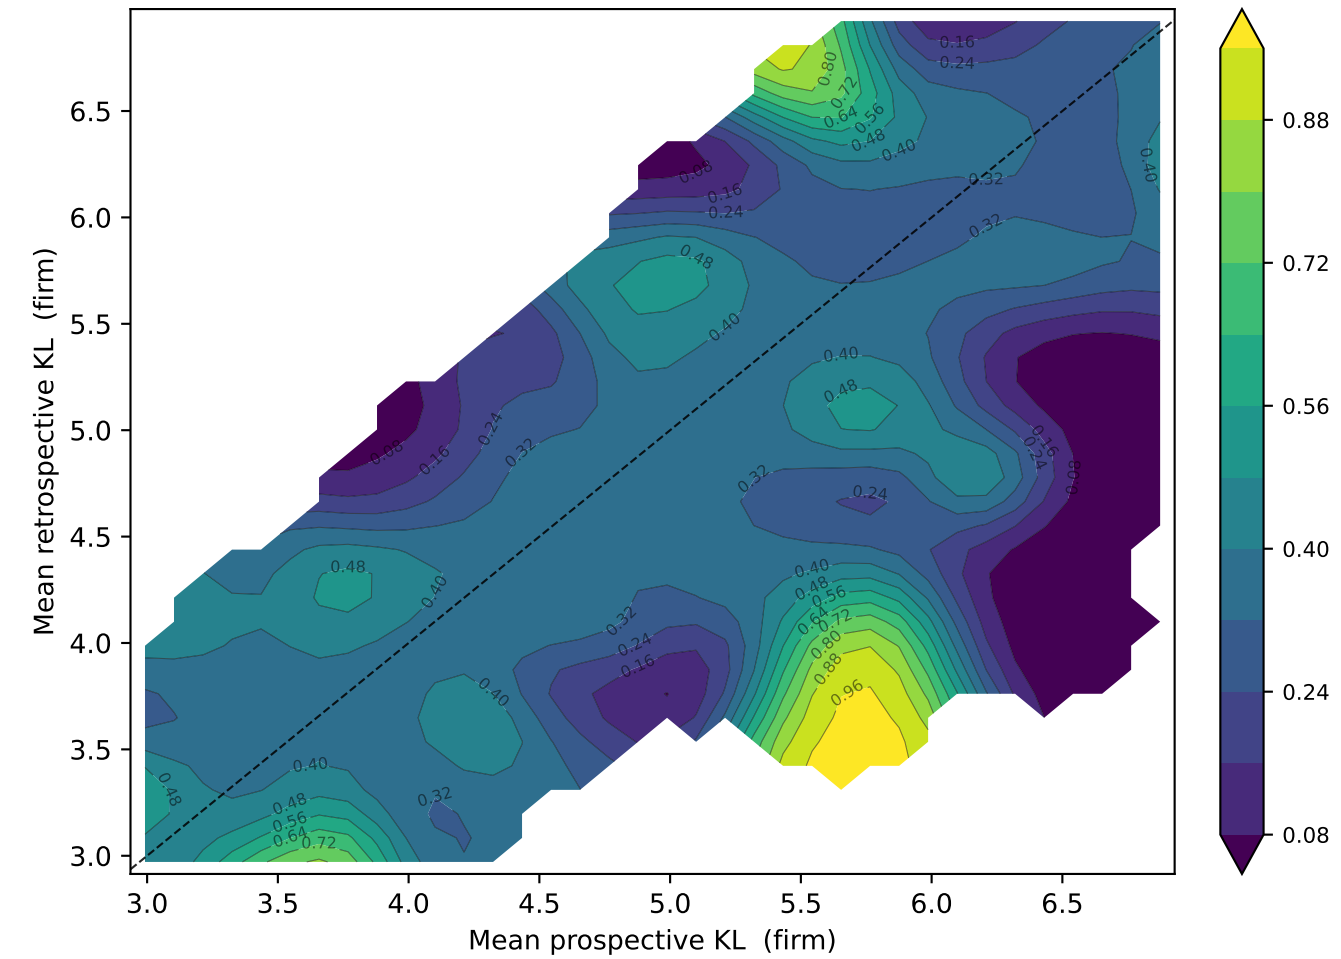

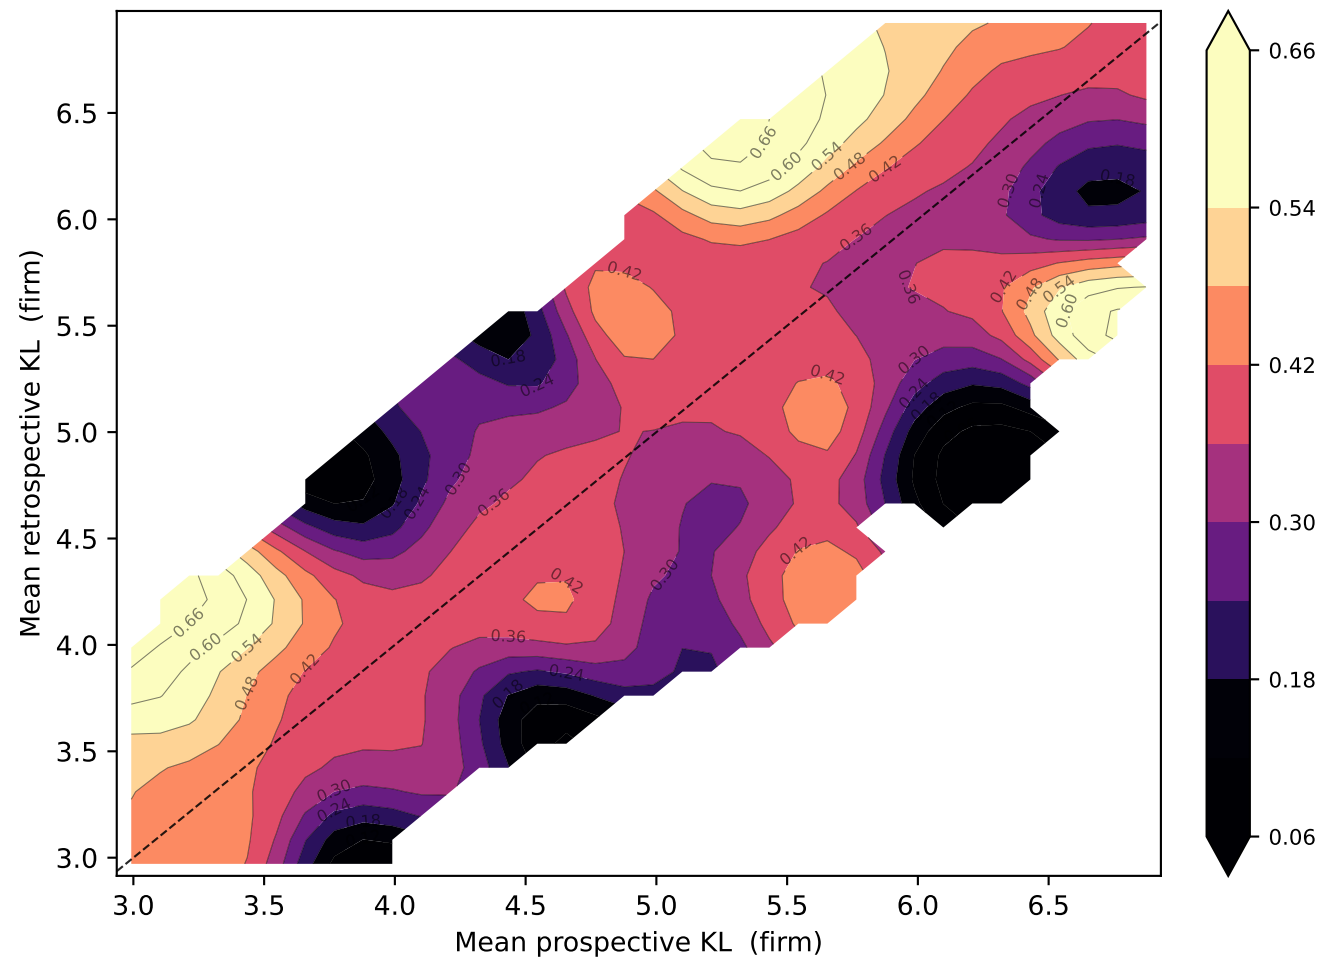

Mean Completed-Registration rate per firm

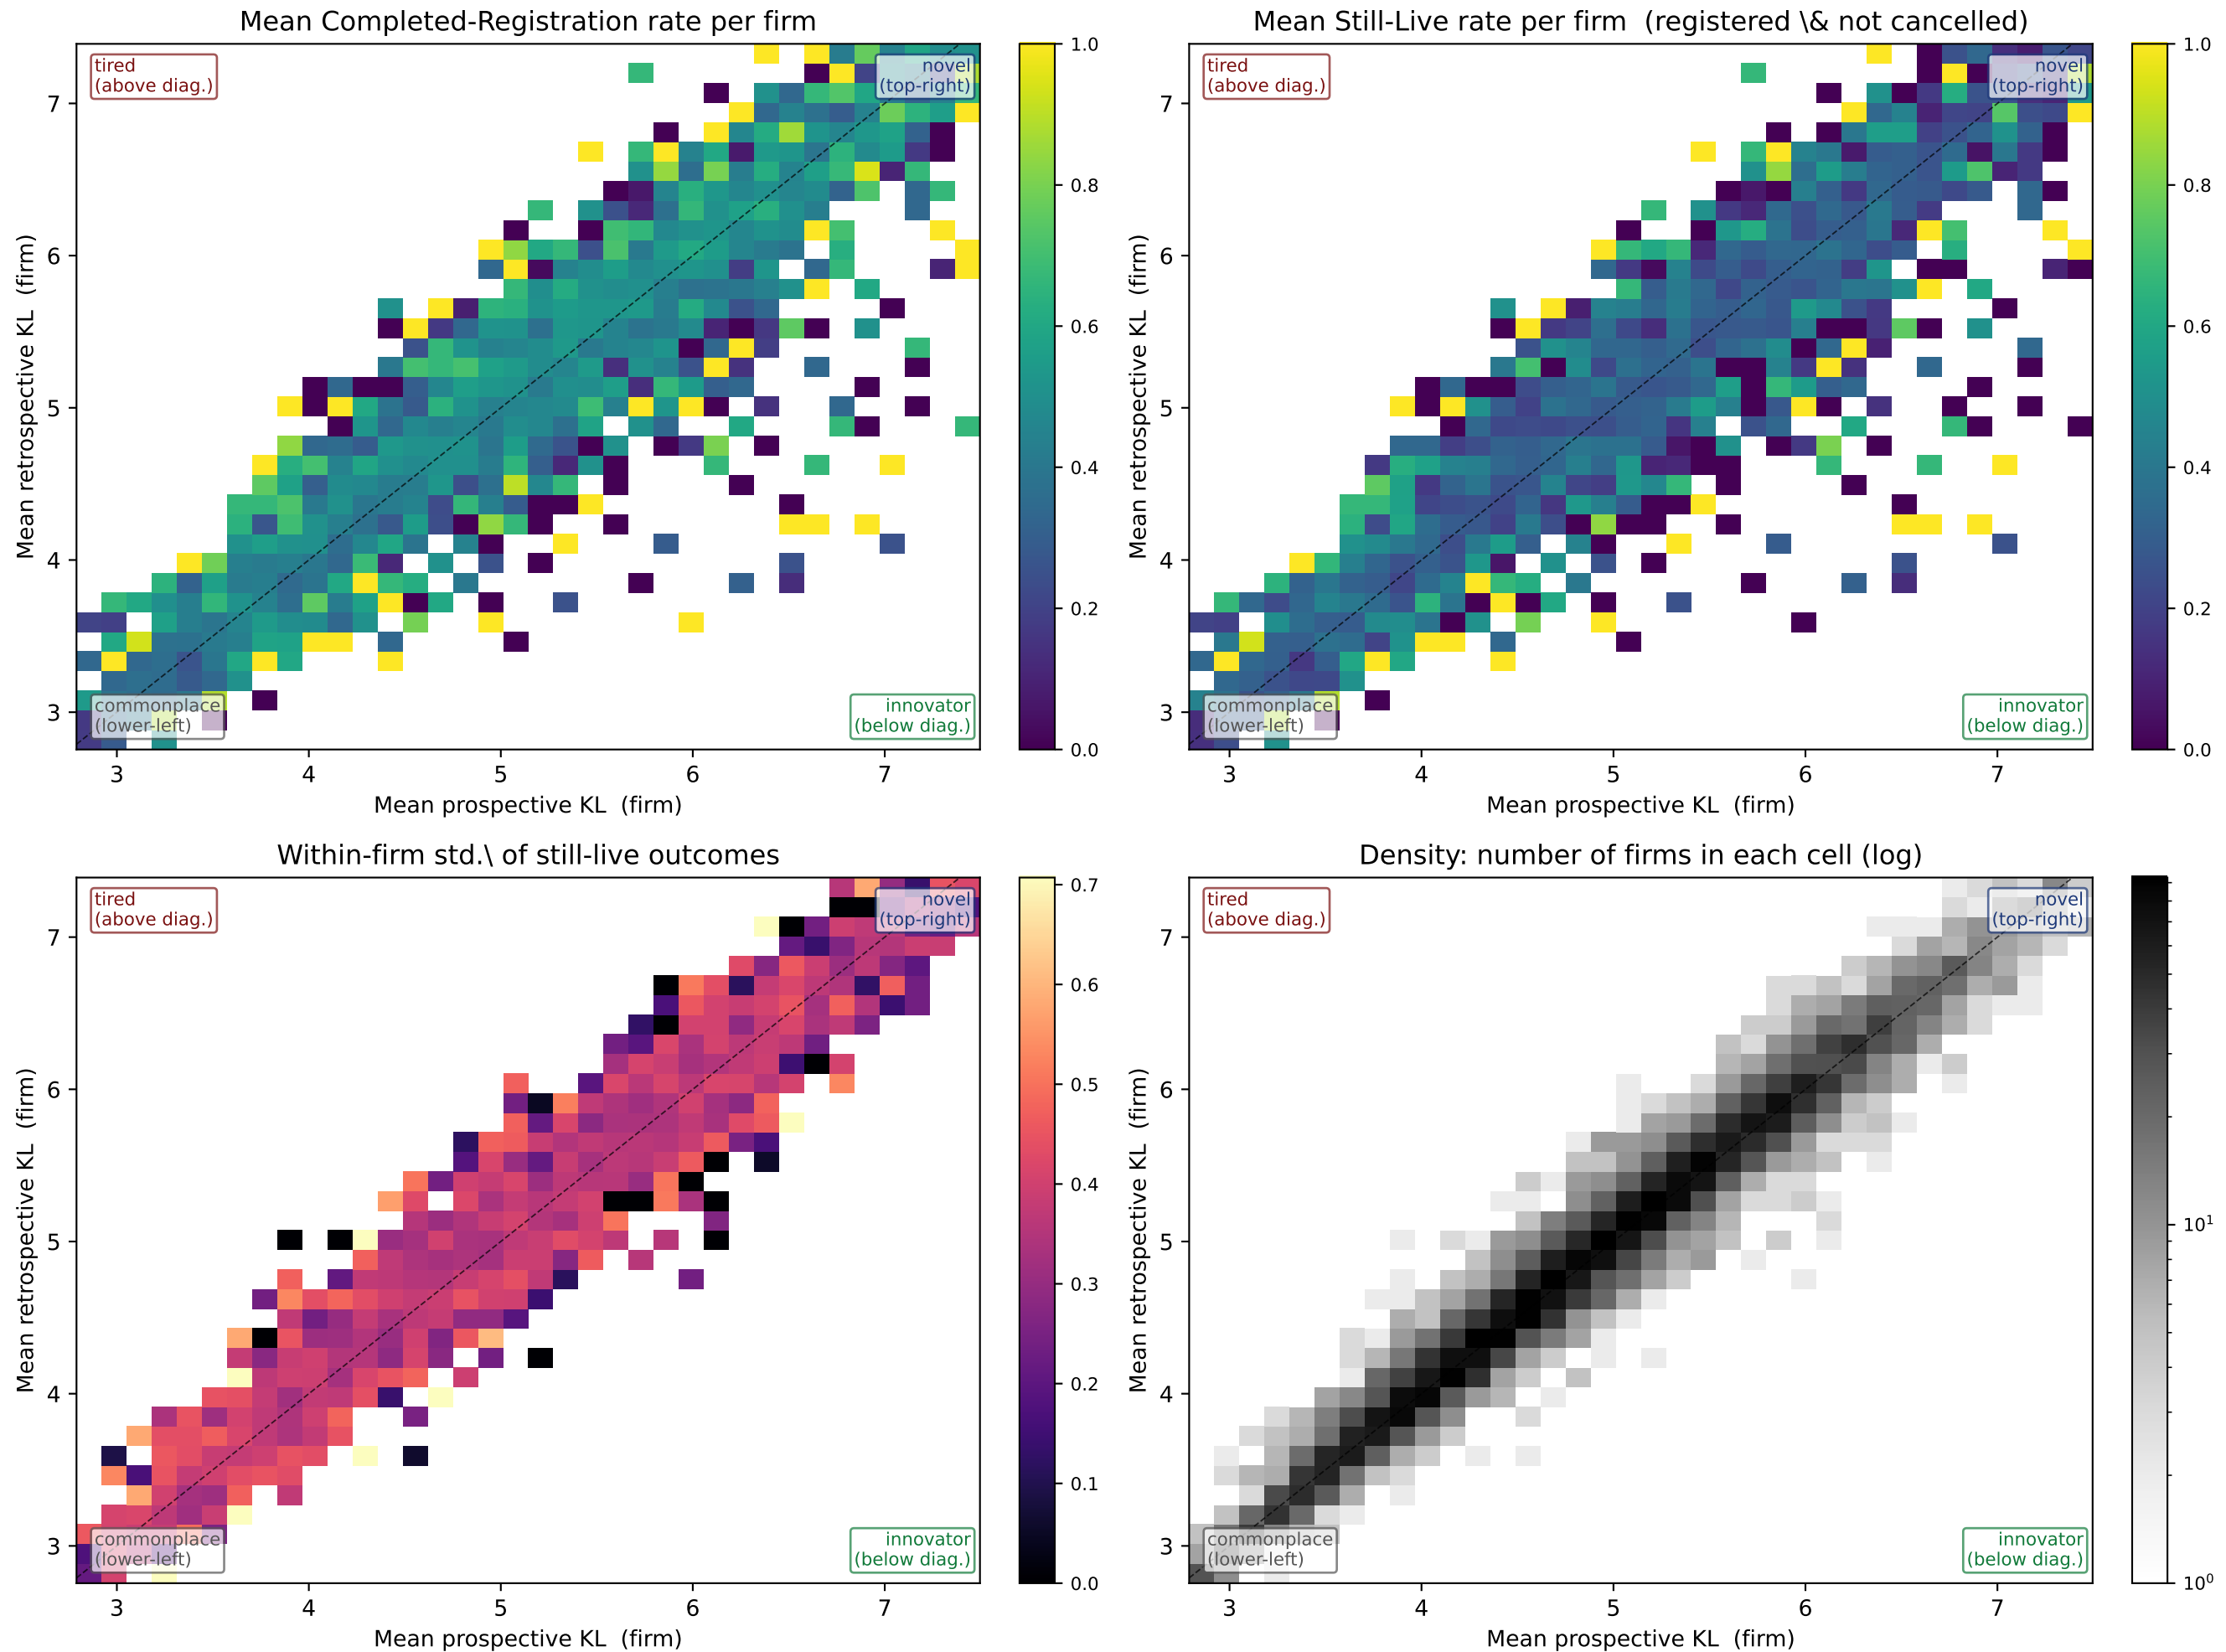

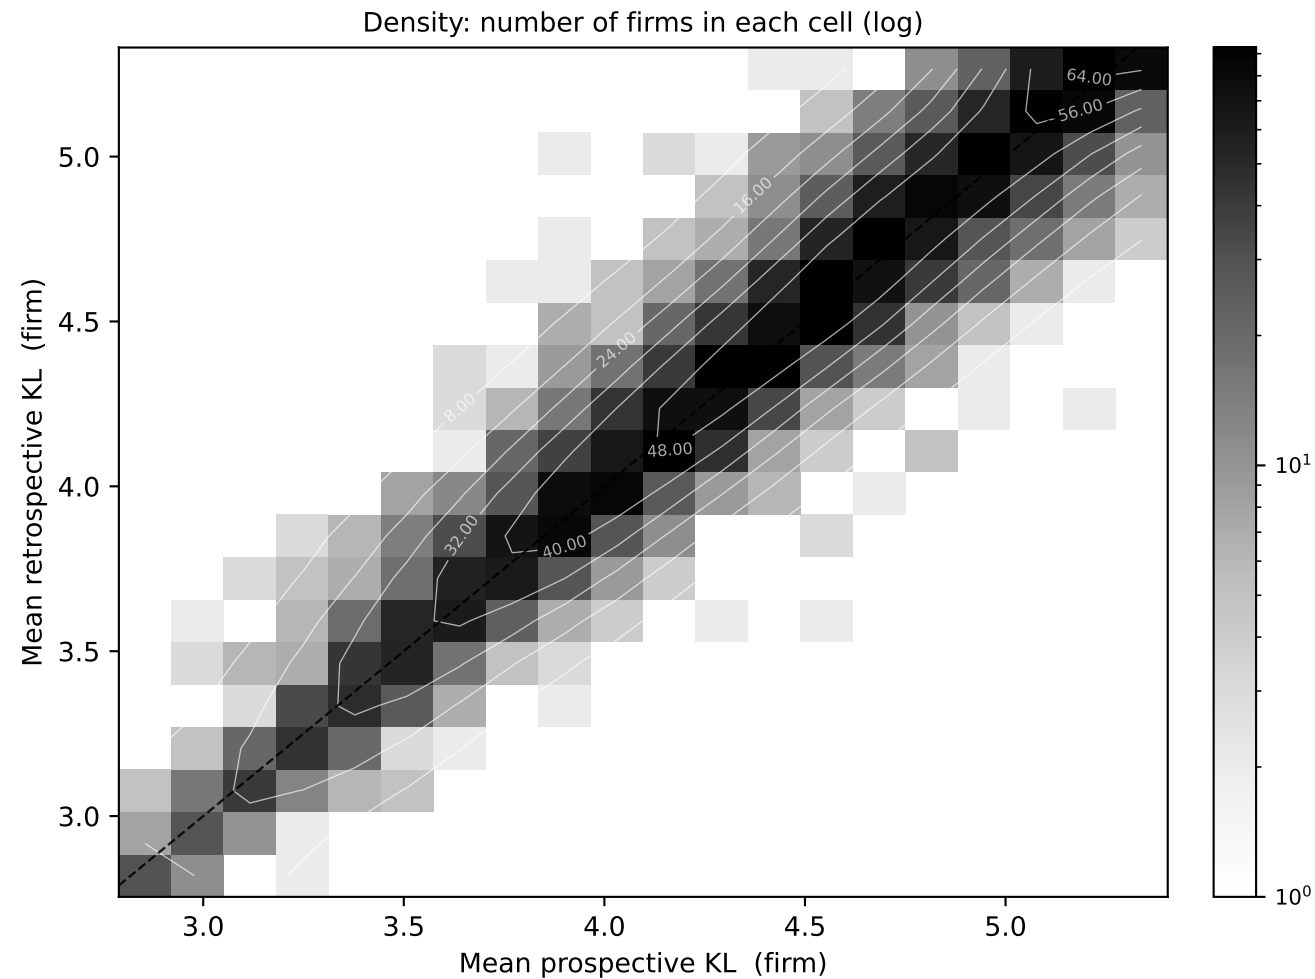

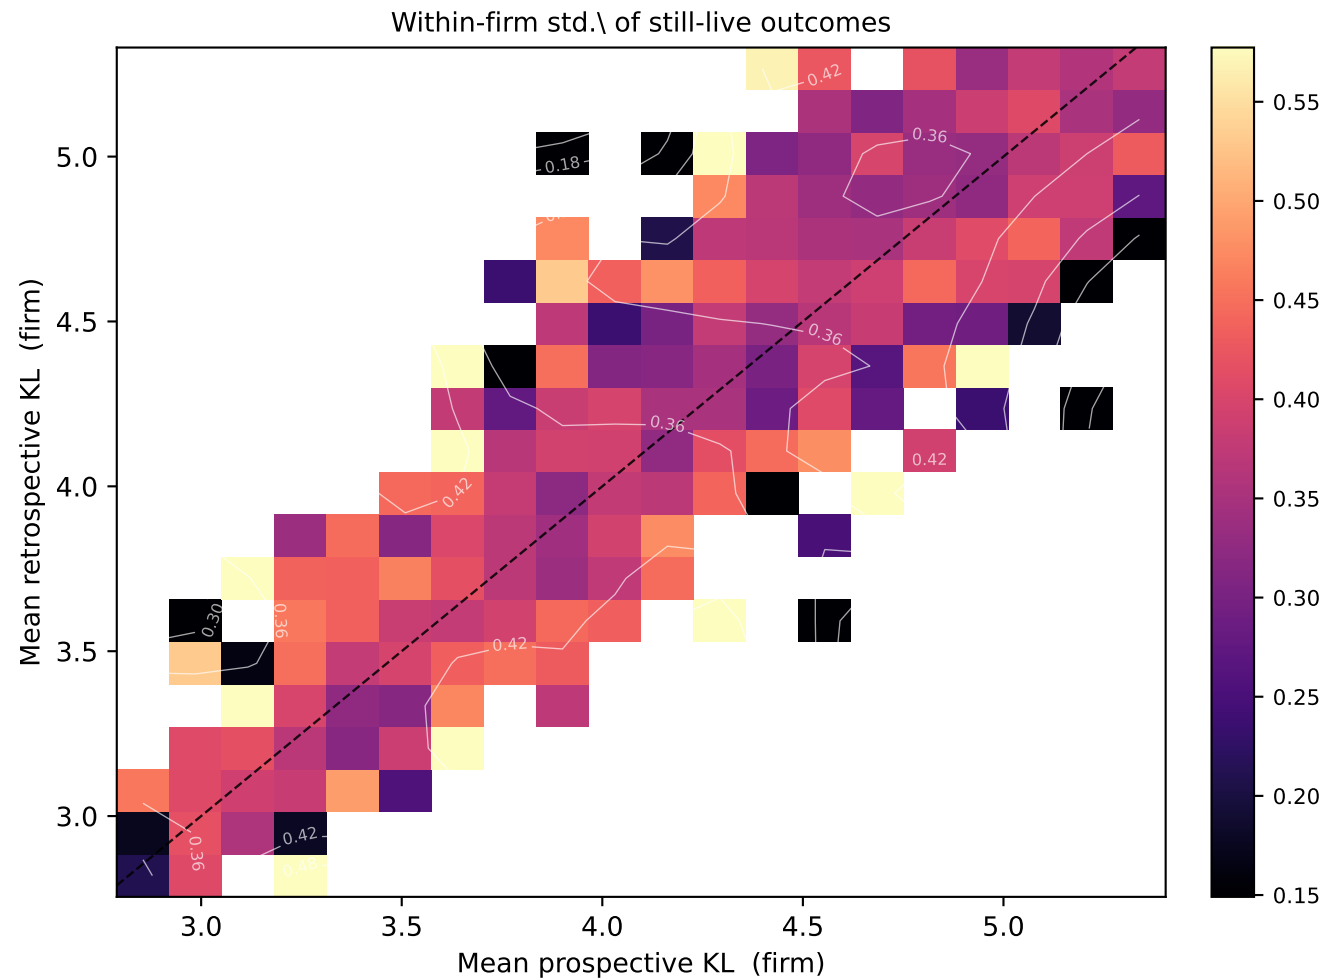

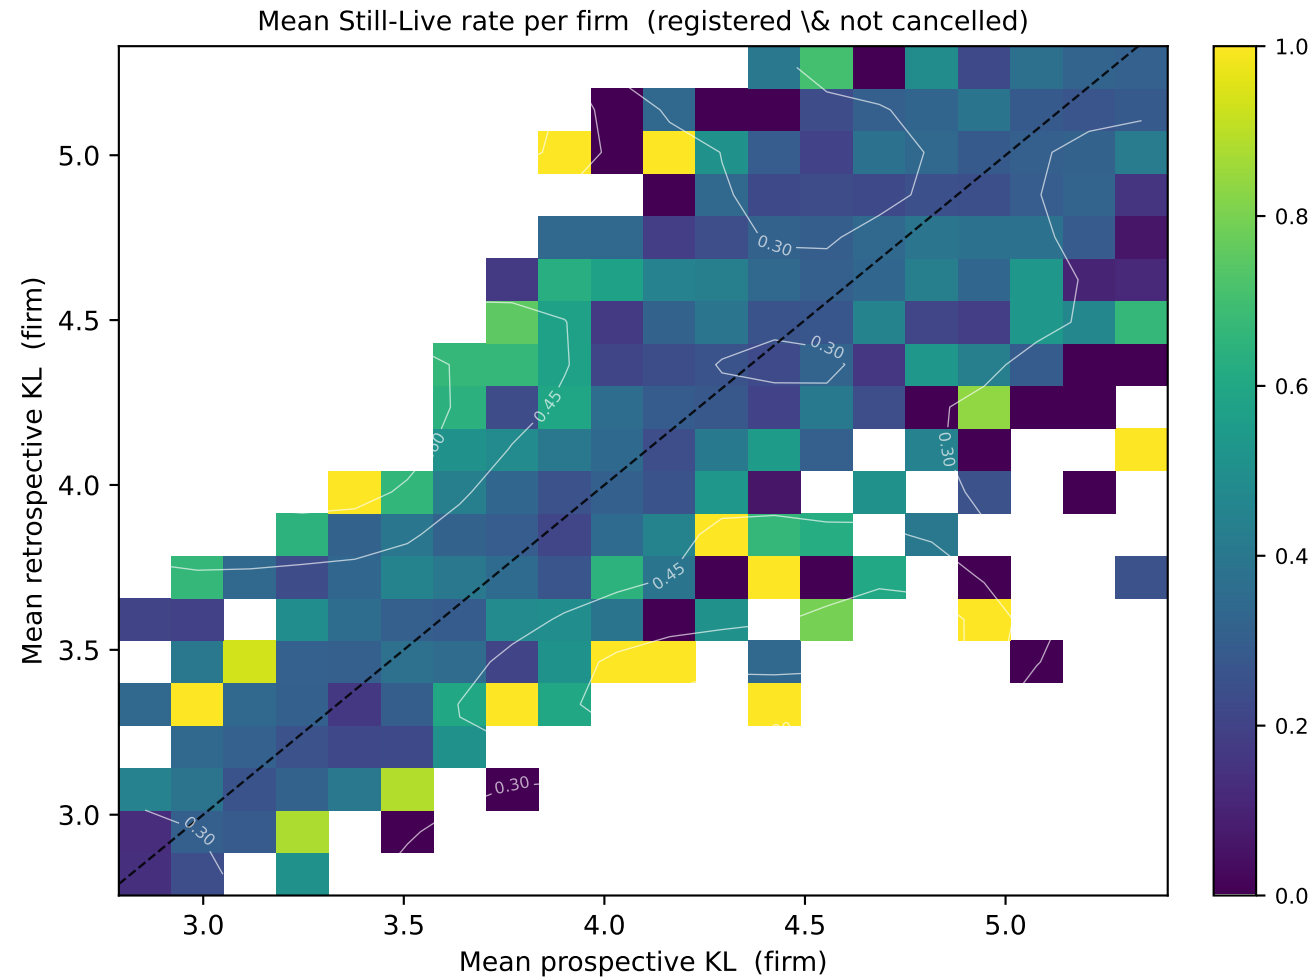

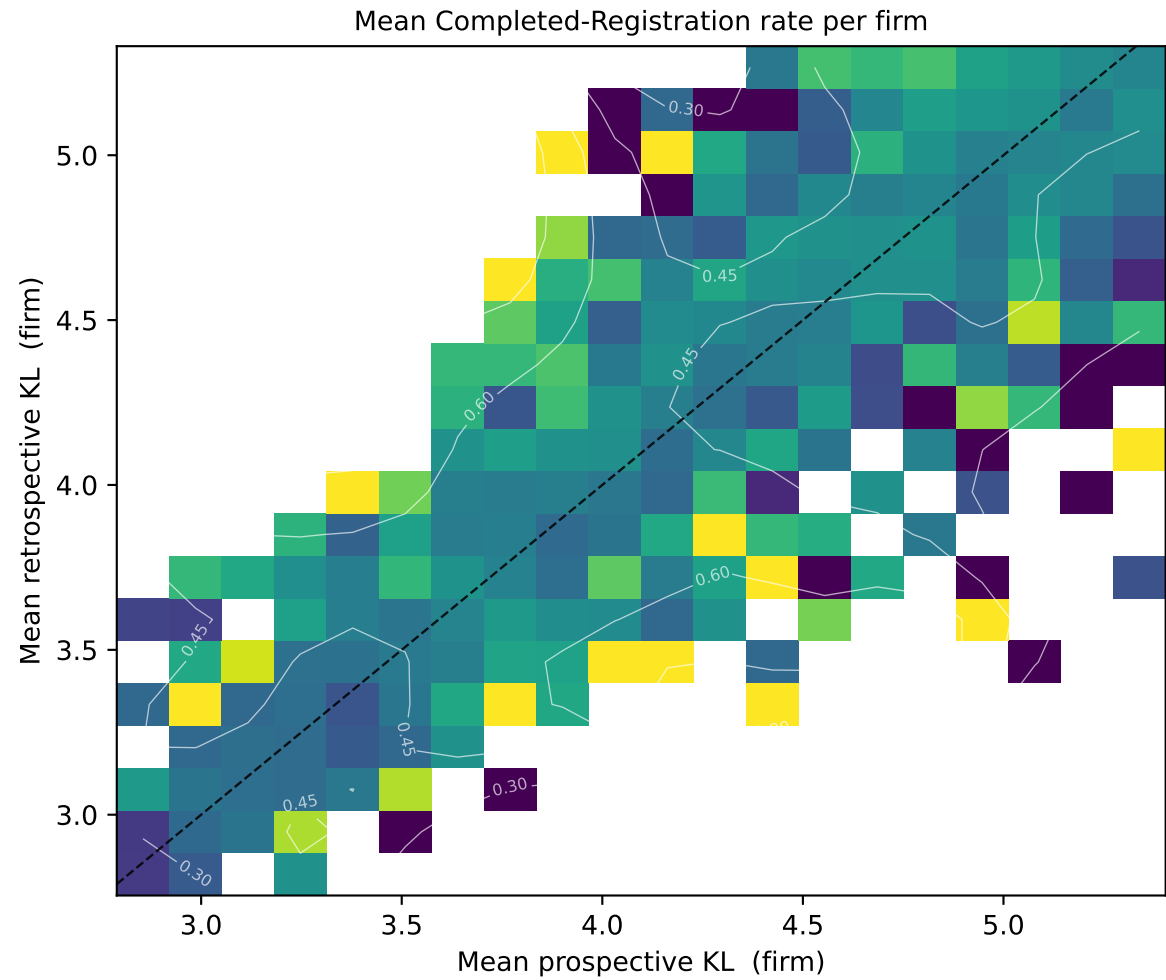

Mean Still-Live rate per firm (registered \& not cancelled)

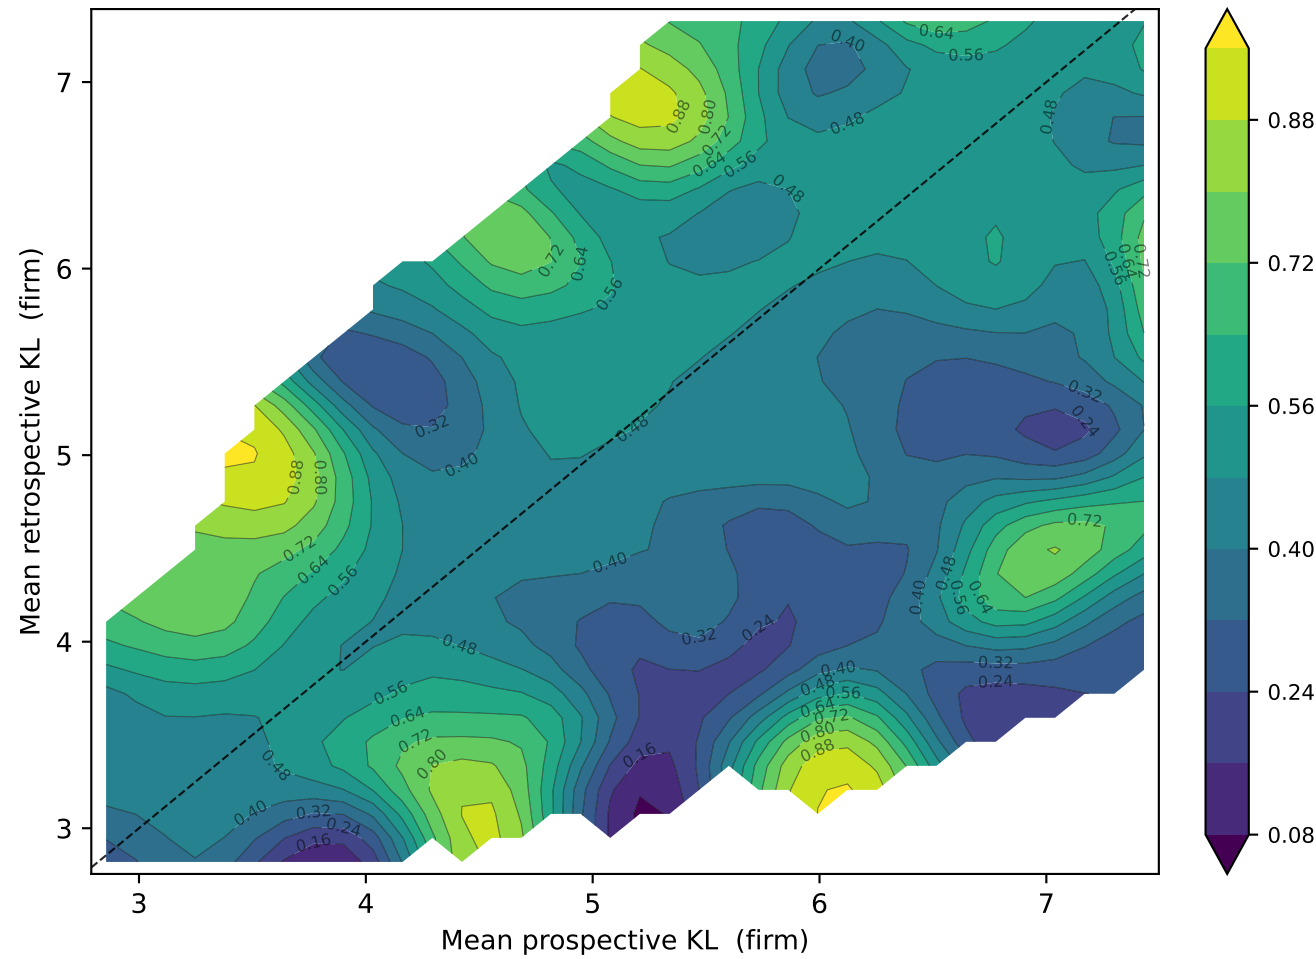

Within-firm std.\ of still-live outcomes

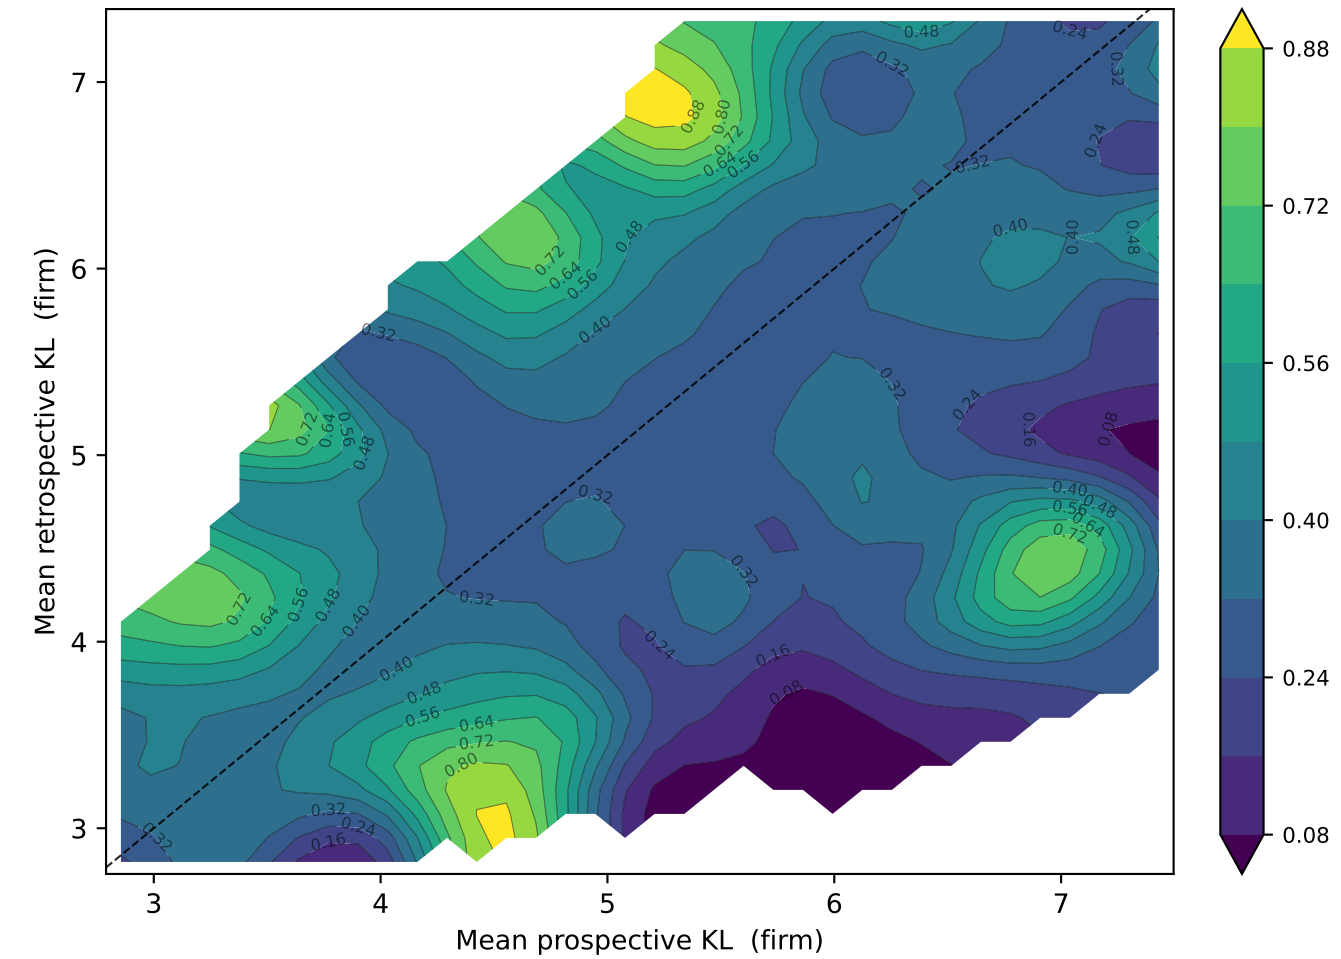

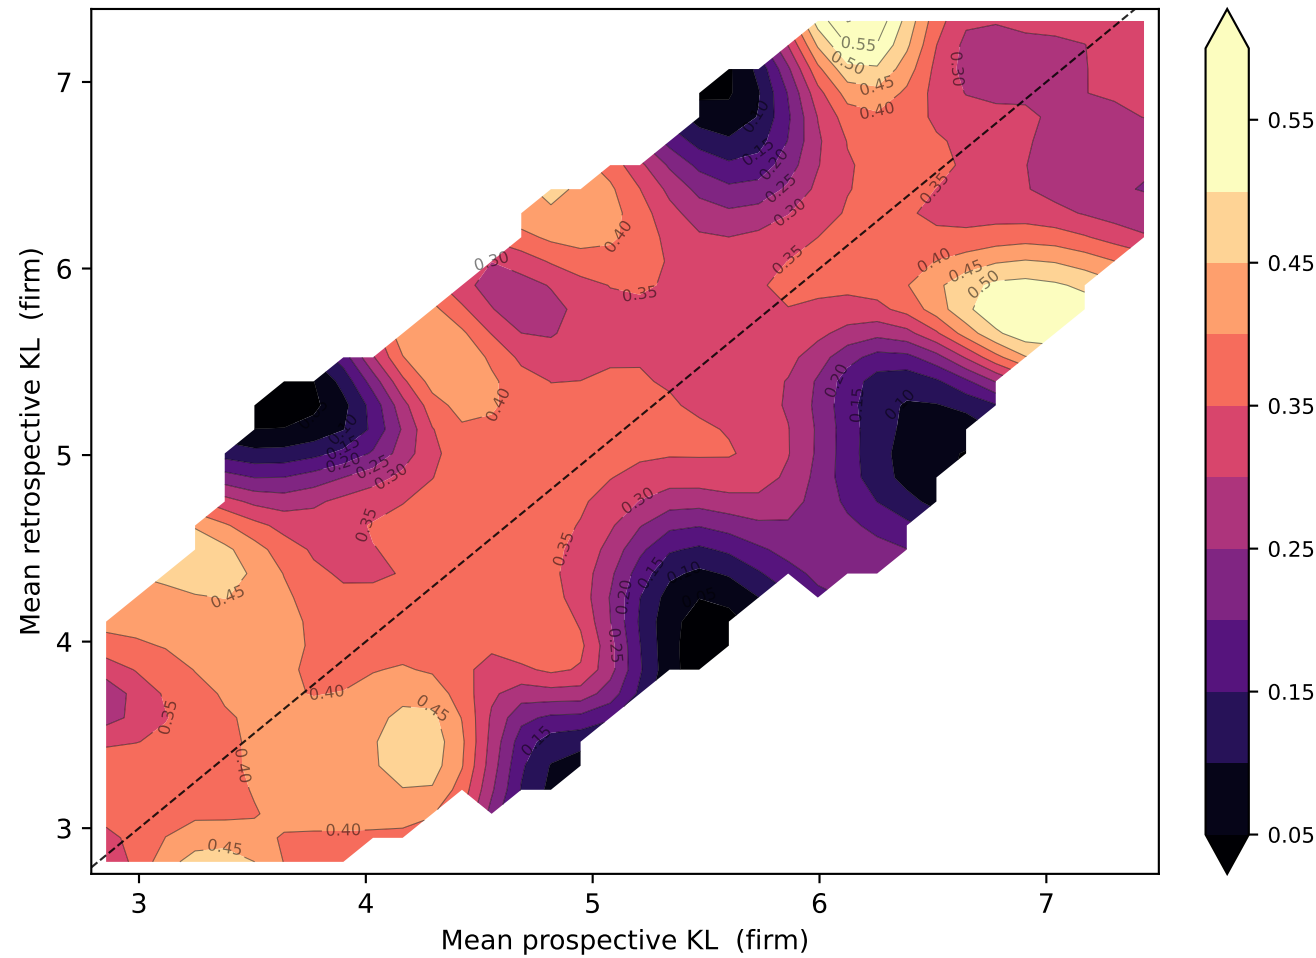

Mean Completed-Registration rate per firm

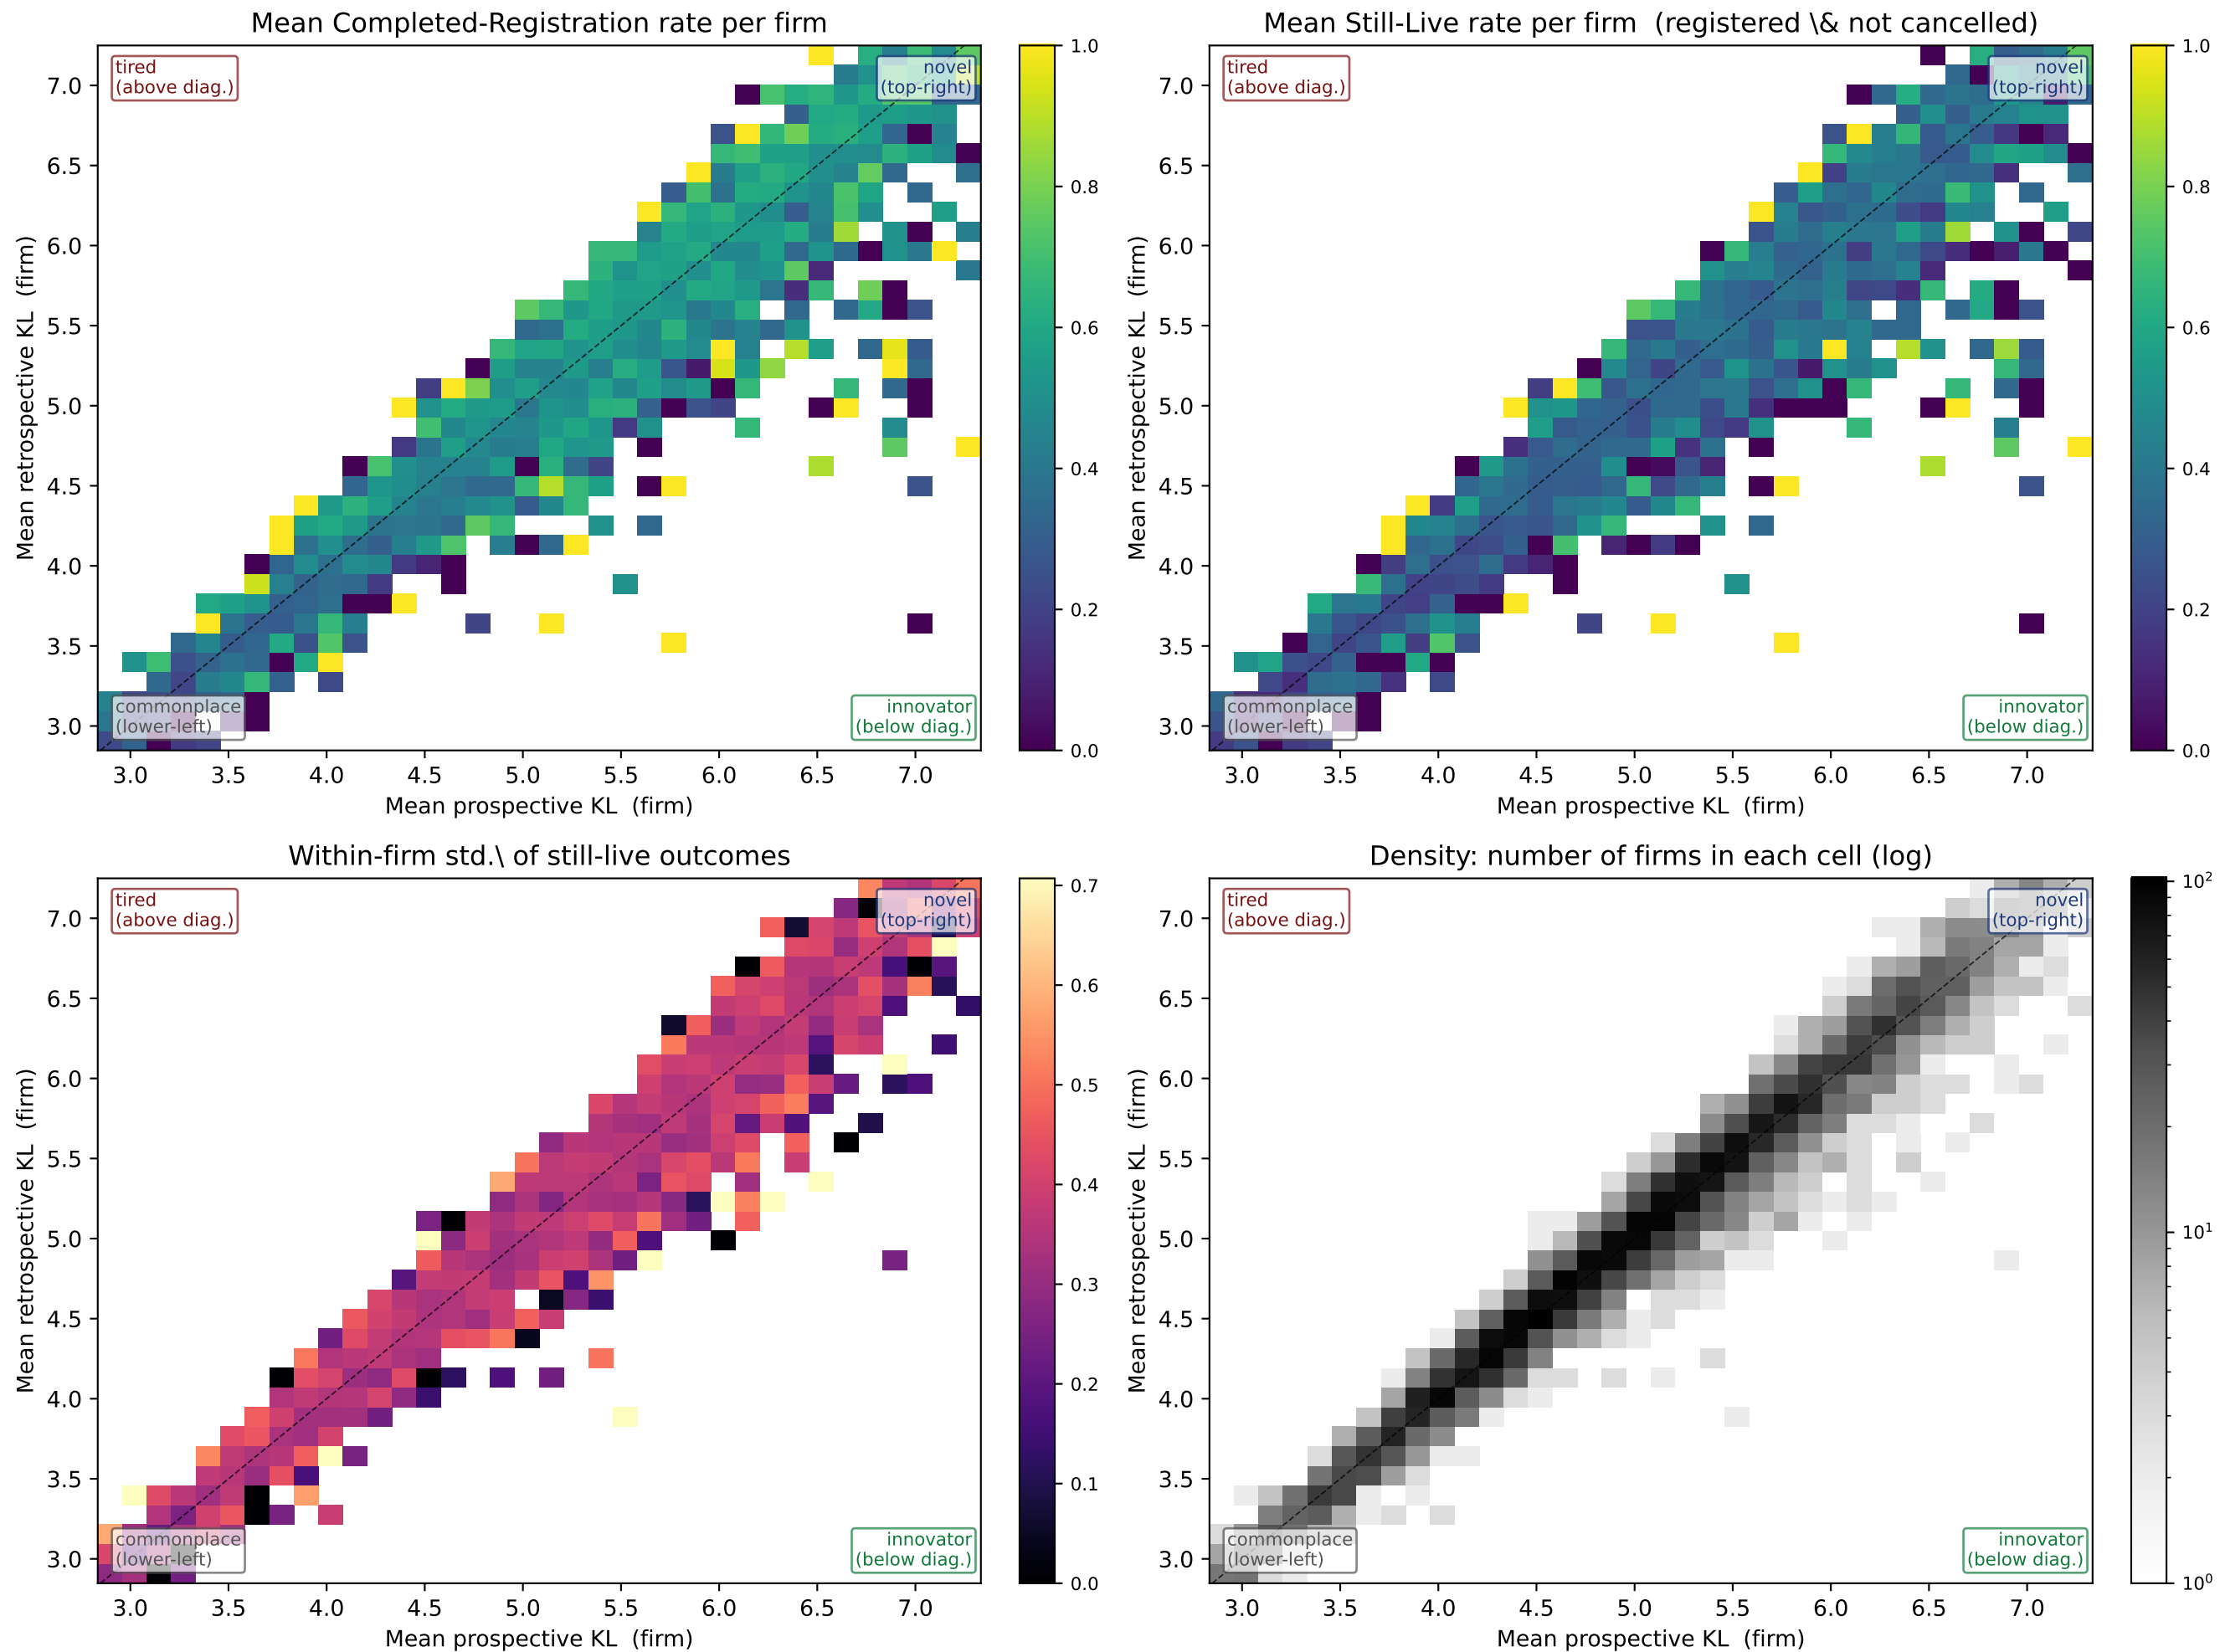

Mean Still-Live rate per firm (registered \& not cancelled)

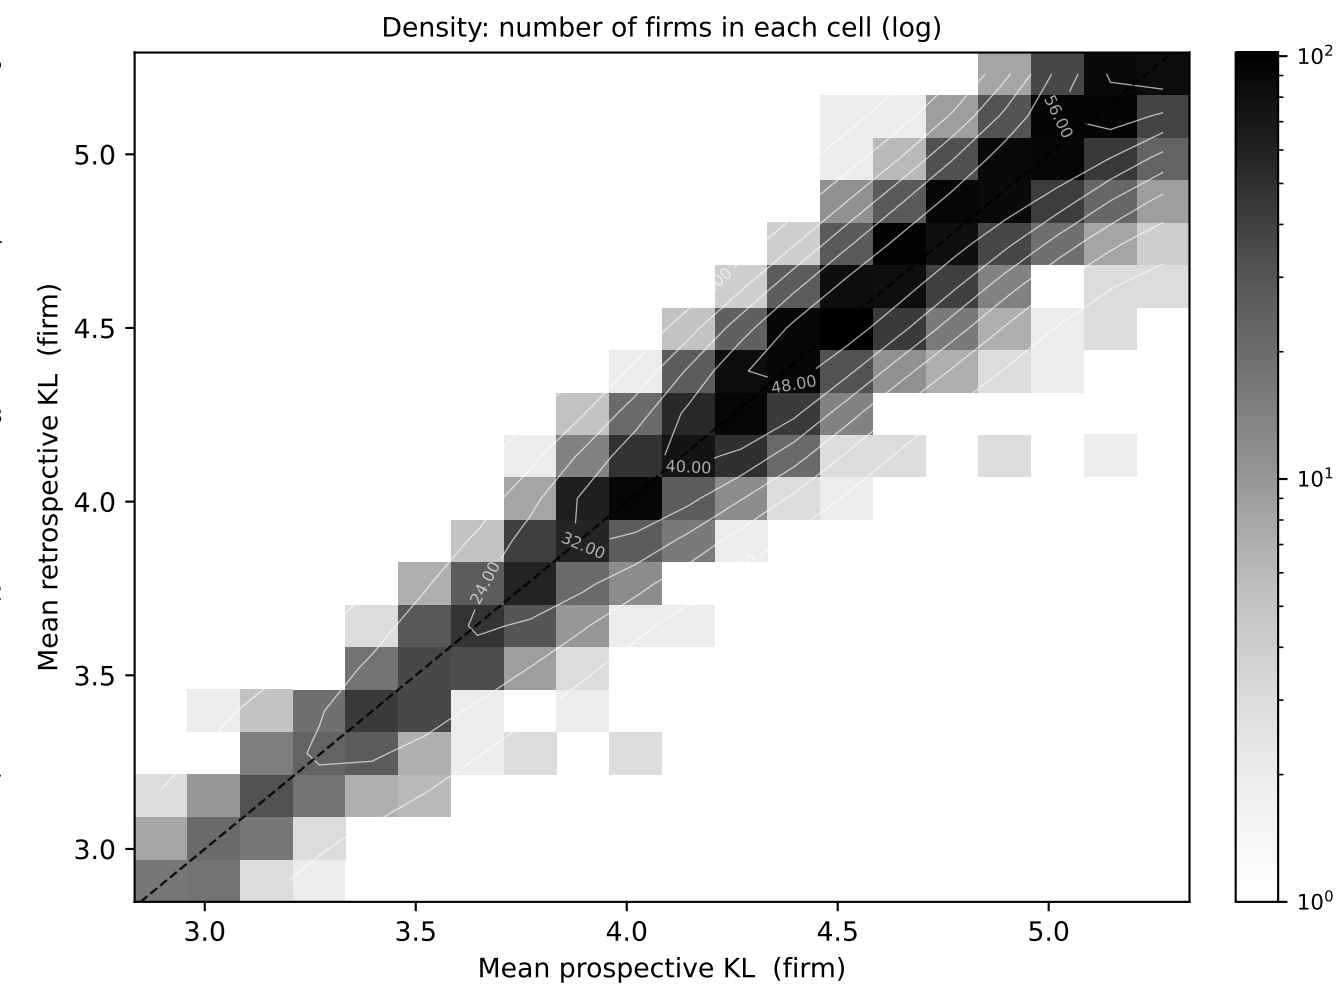

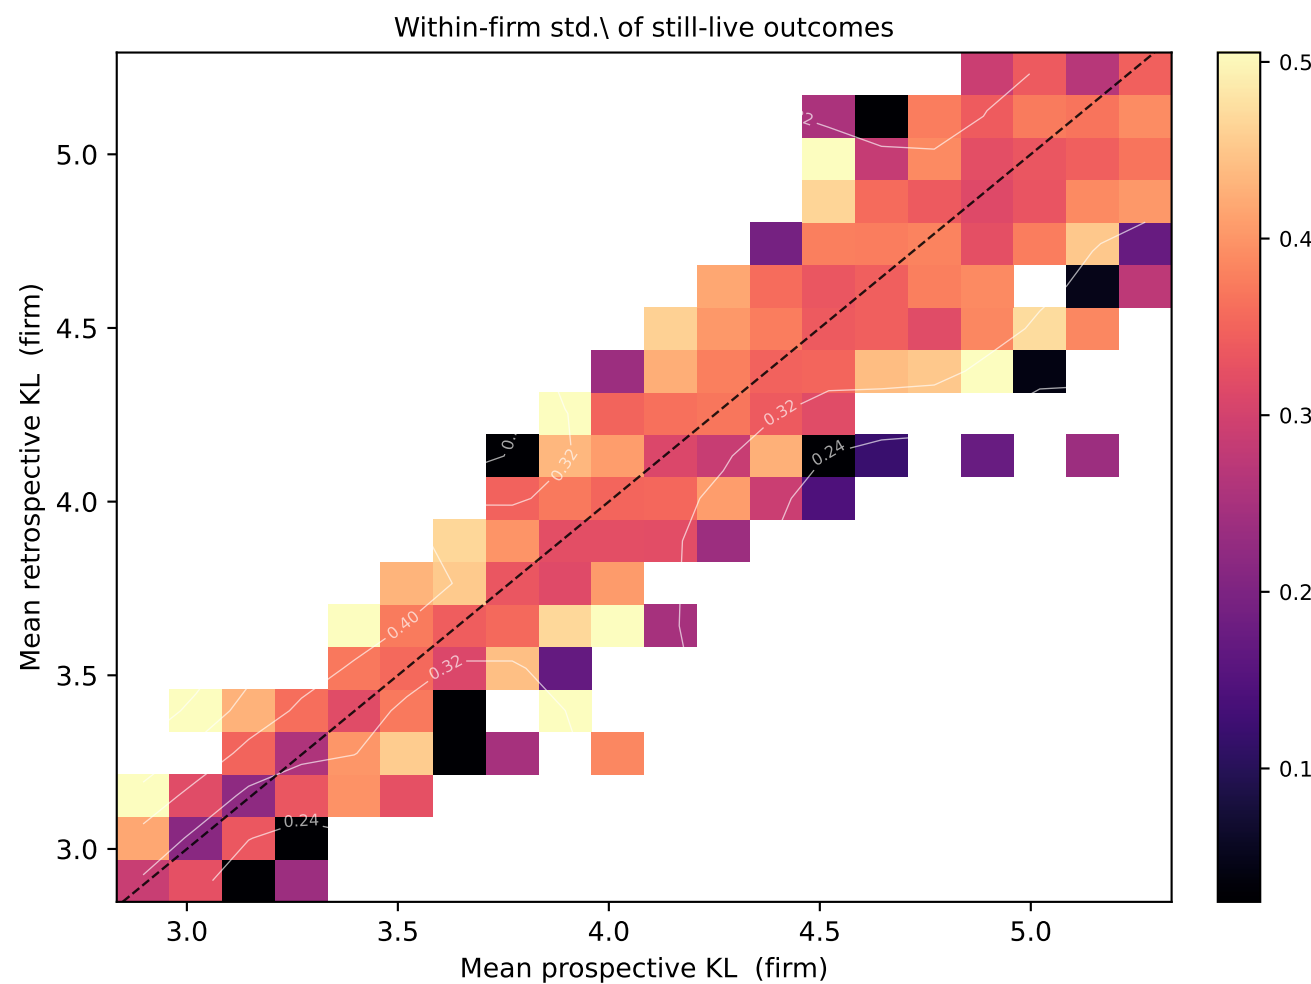

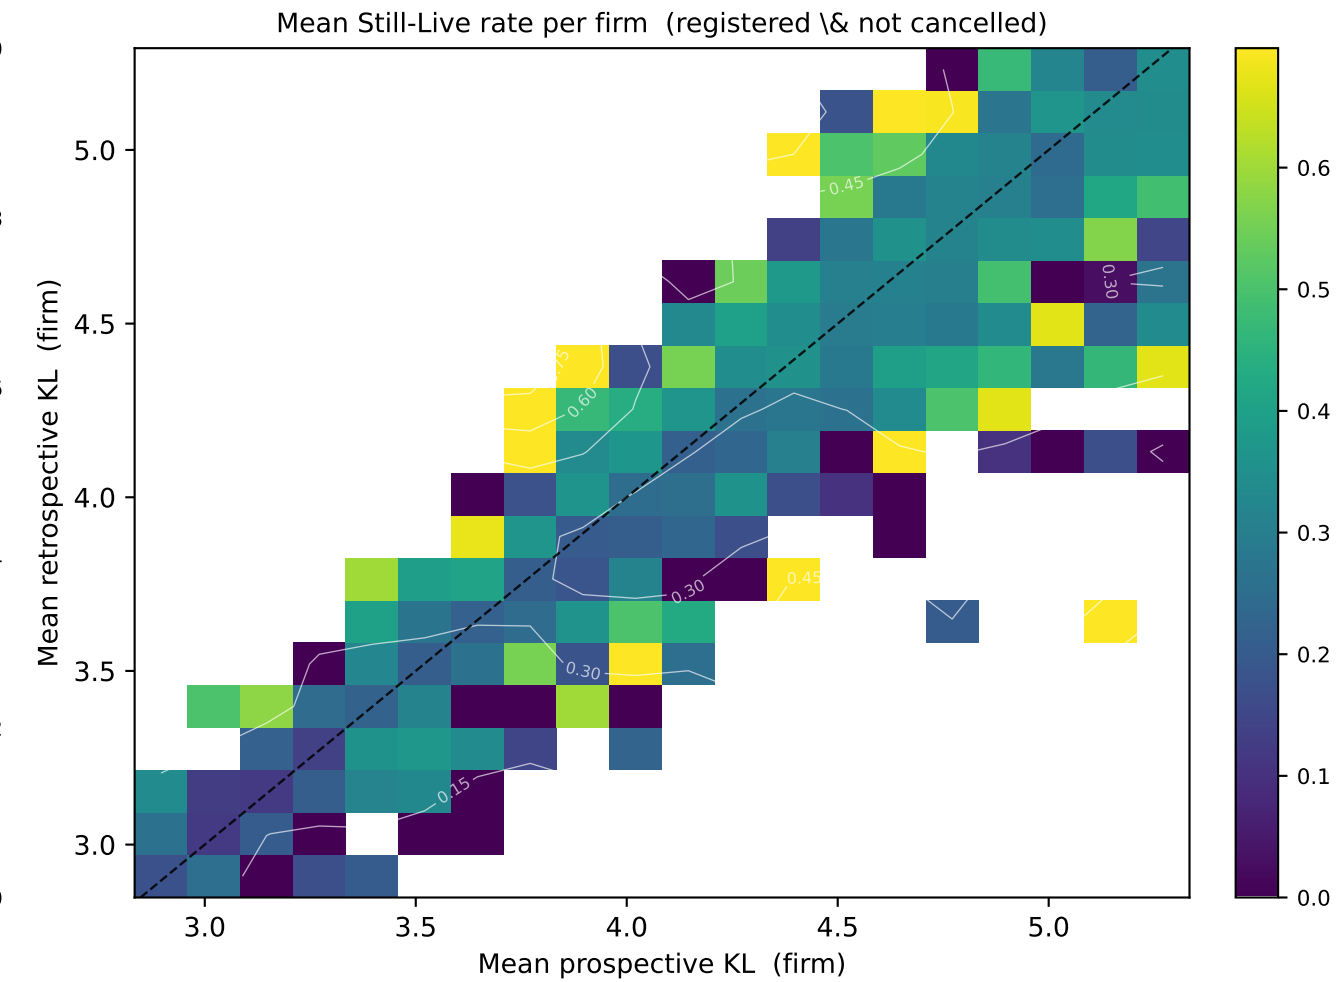

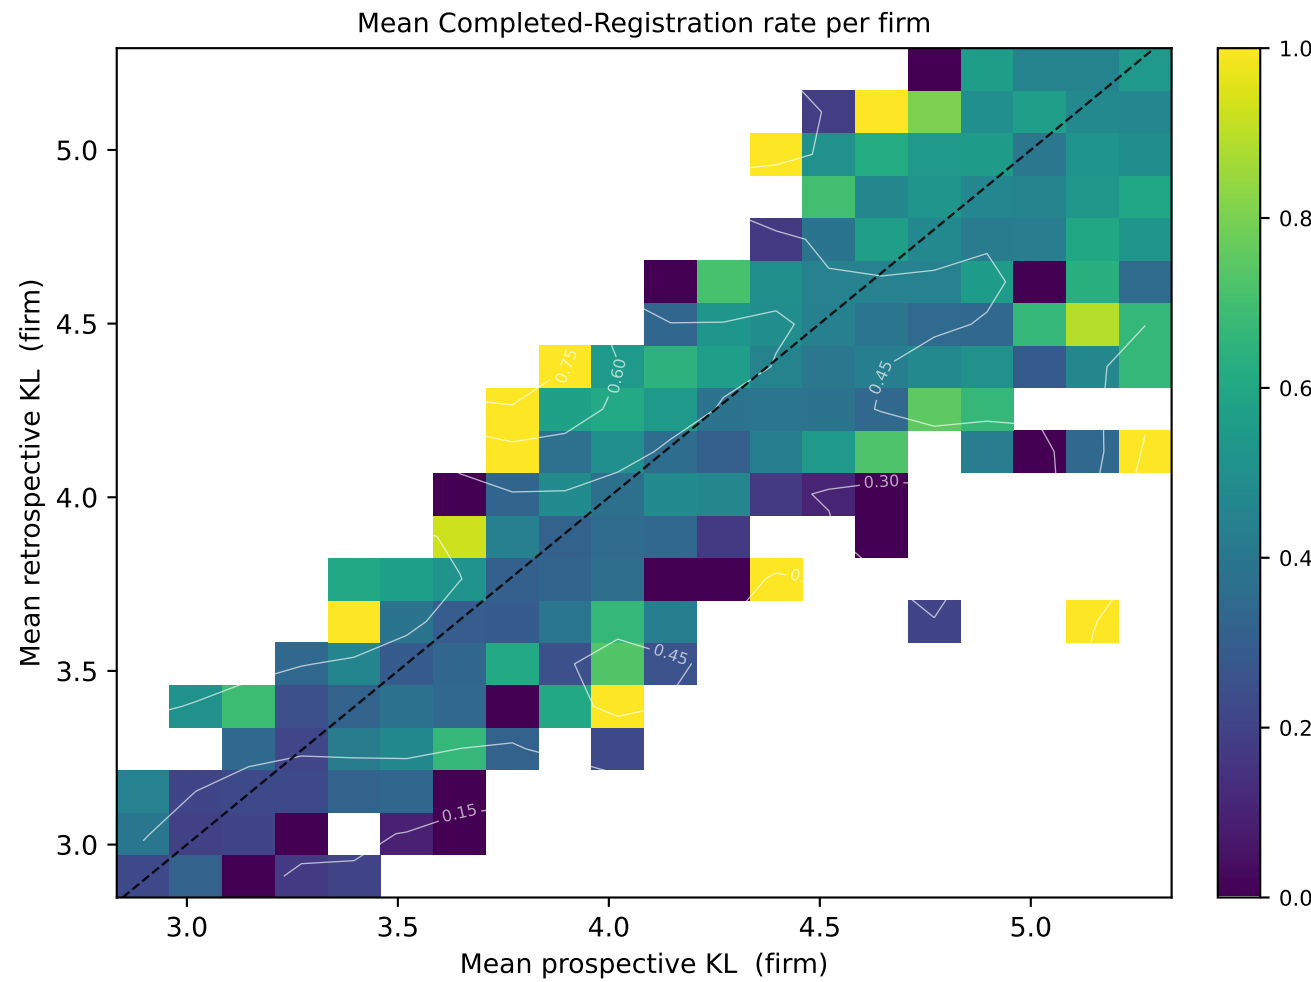

Within-firm std.\ of still-live outcomes

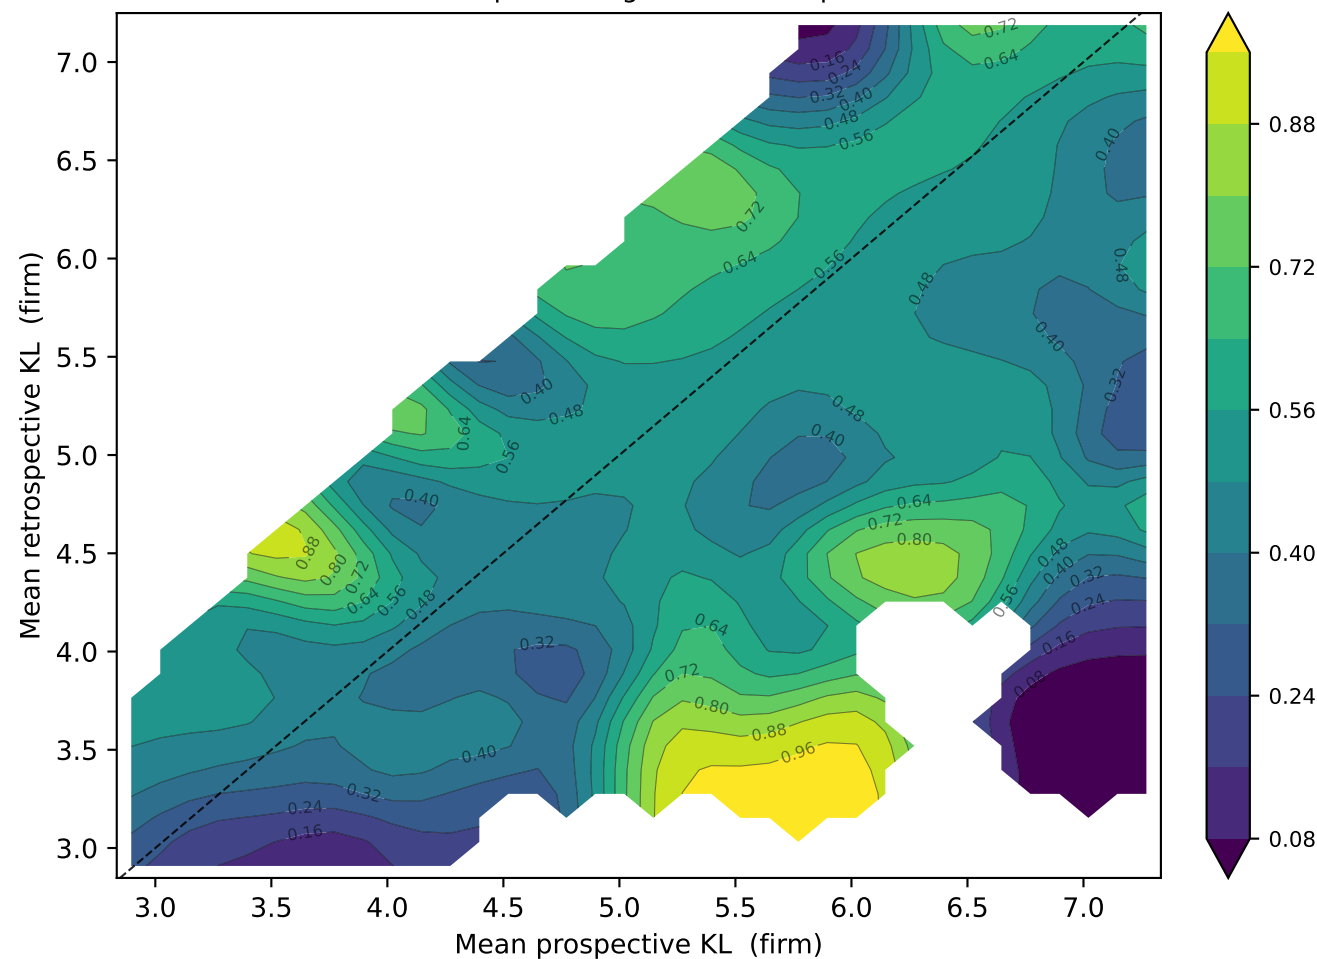

Class 012 — Vehicles — 98,860 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=6,359 firms

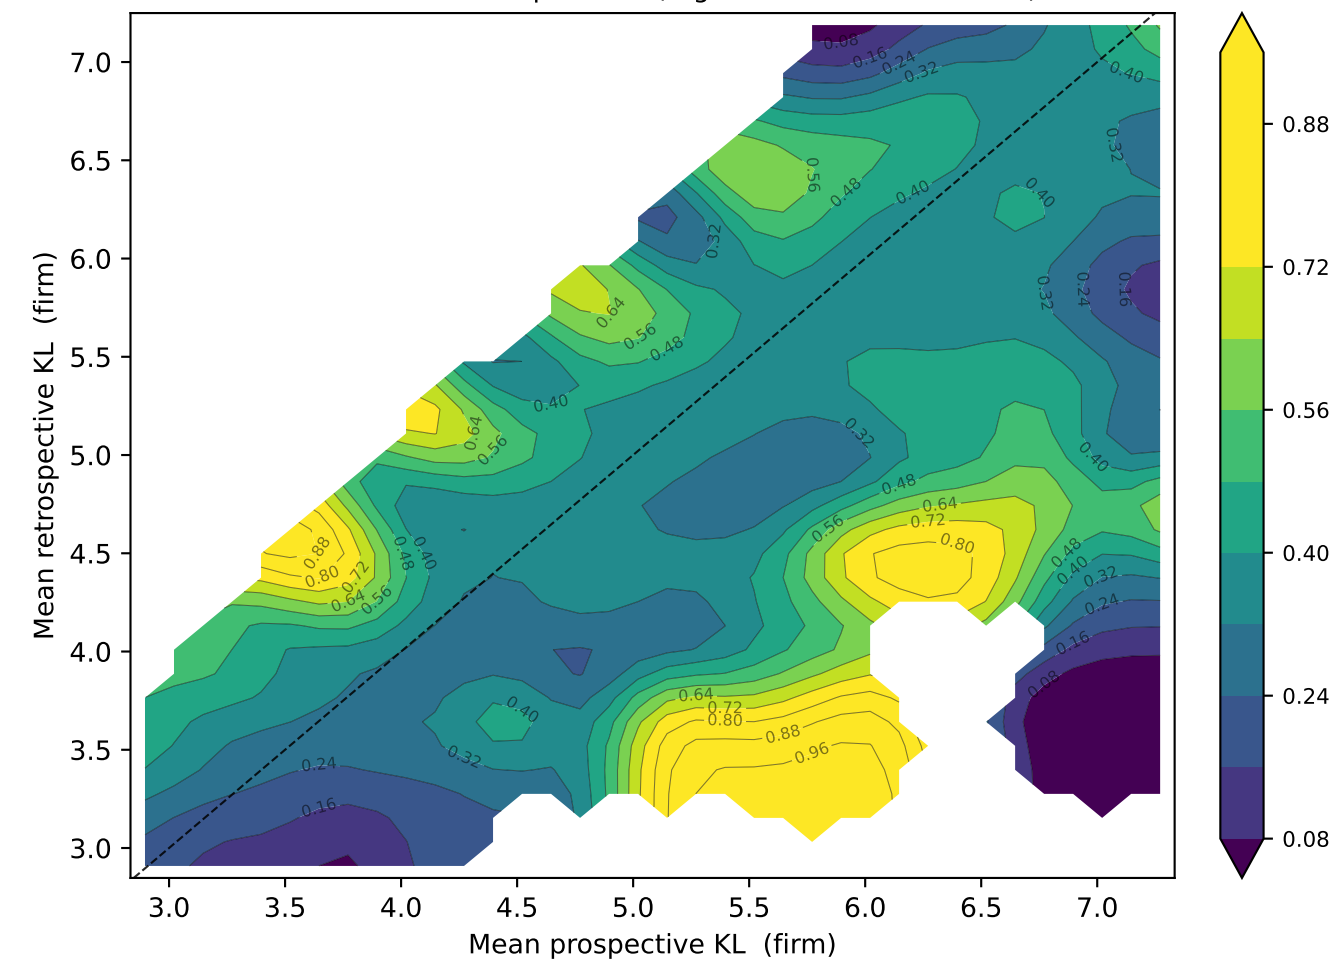

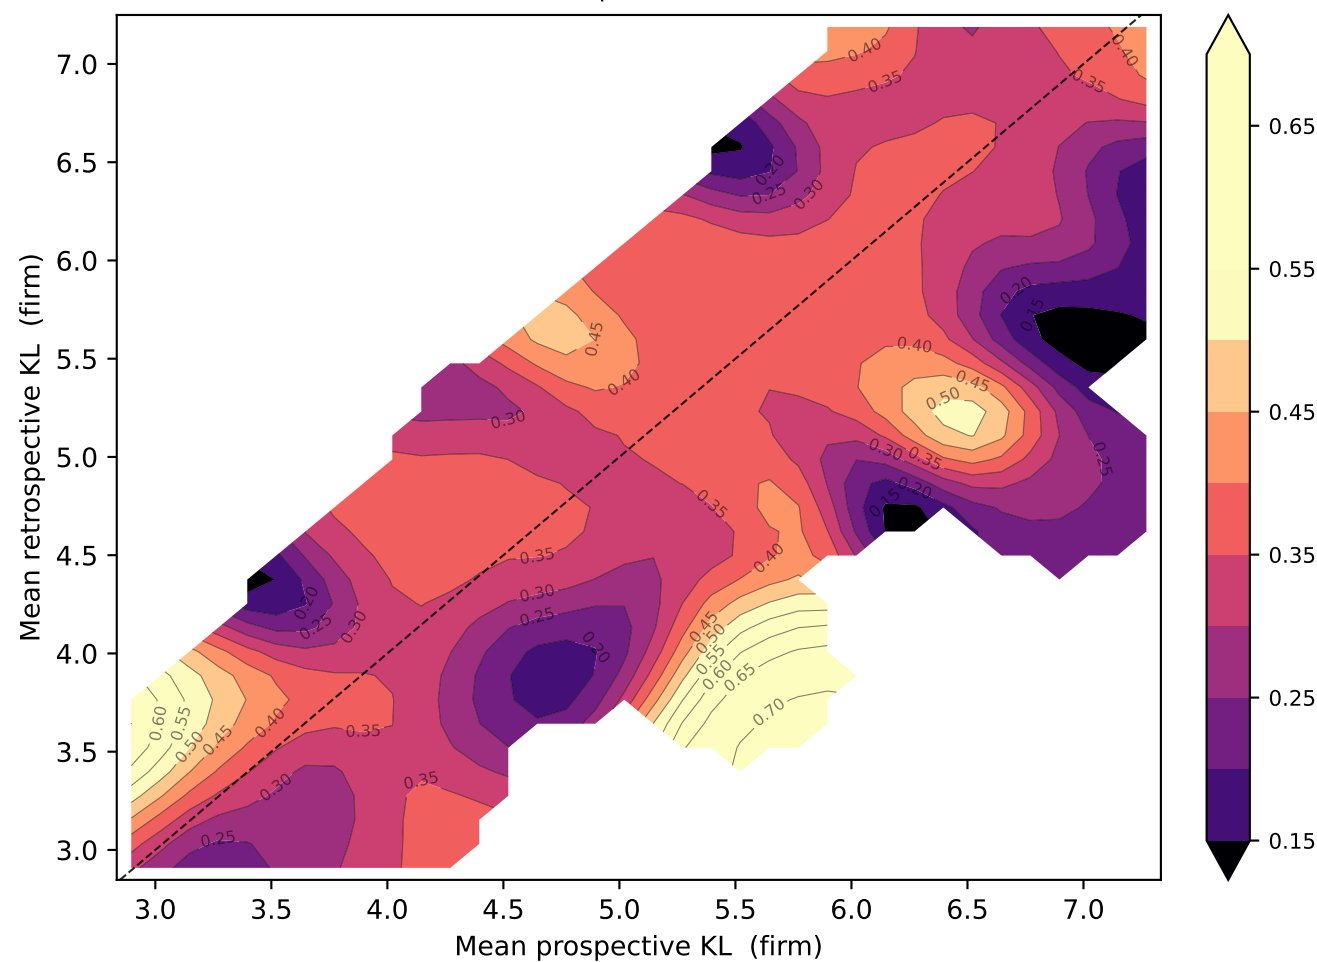

Mean Completed-Registration rate per firm

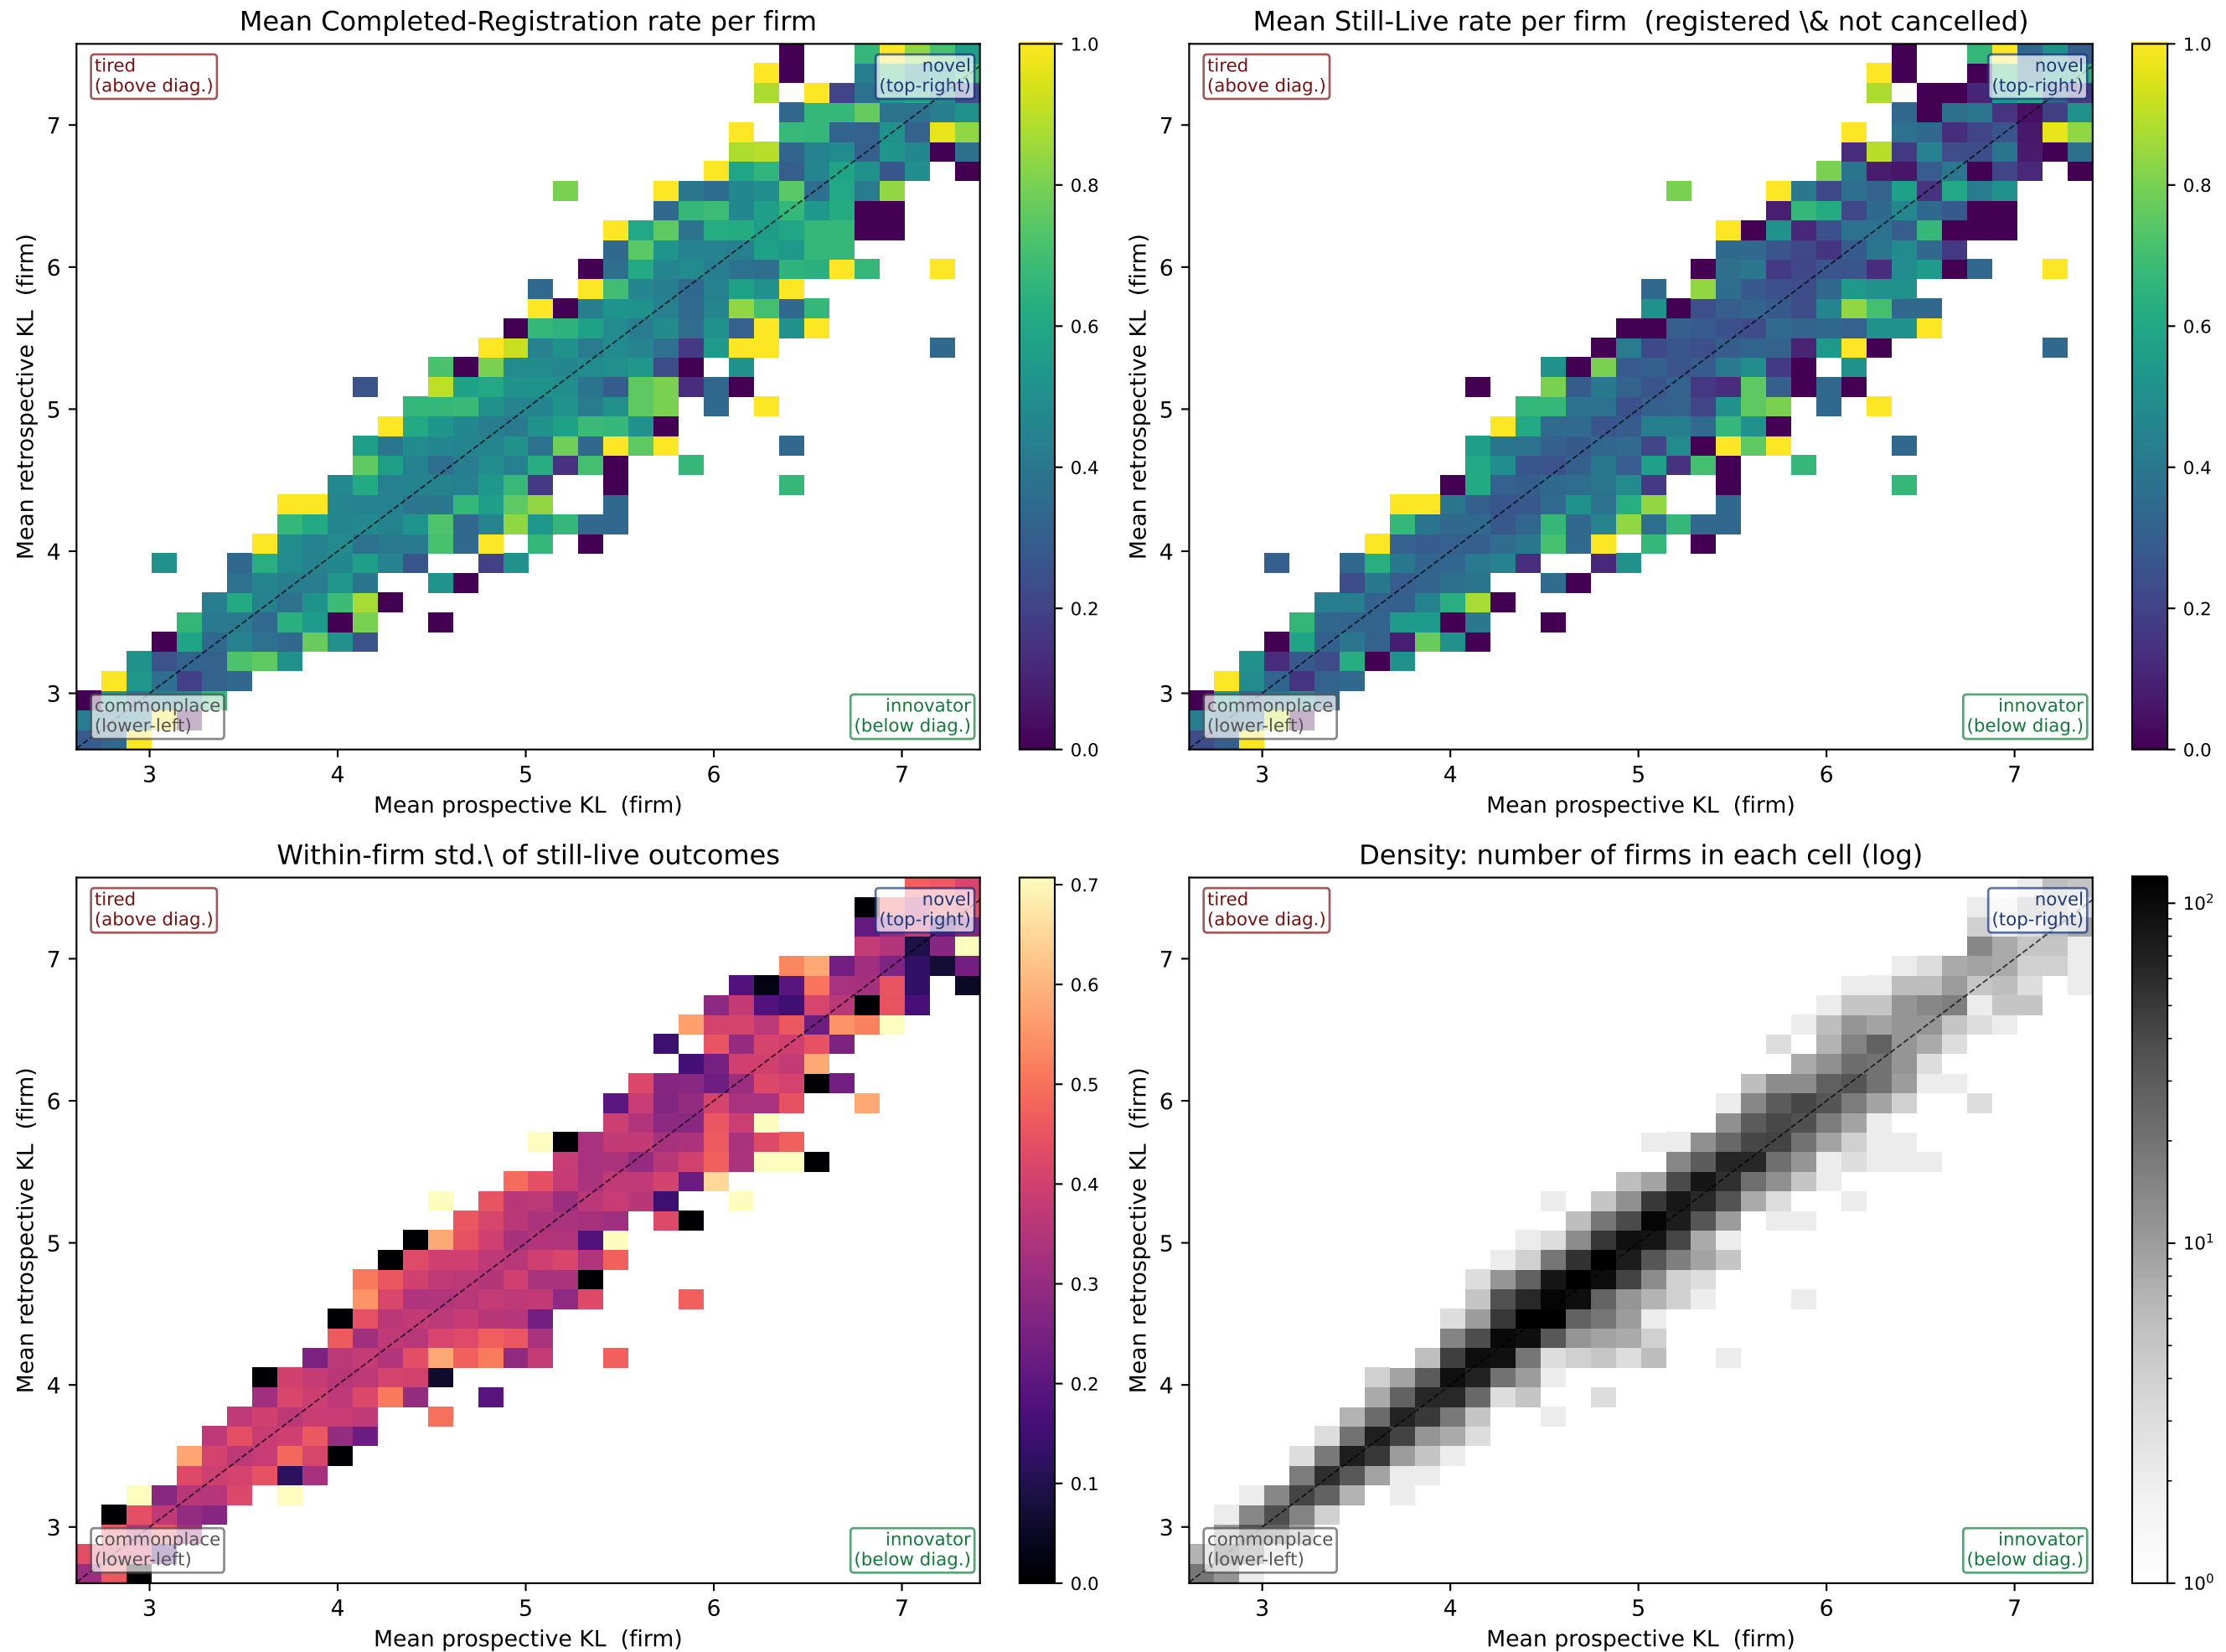

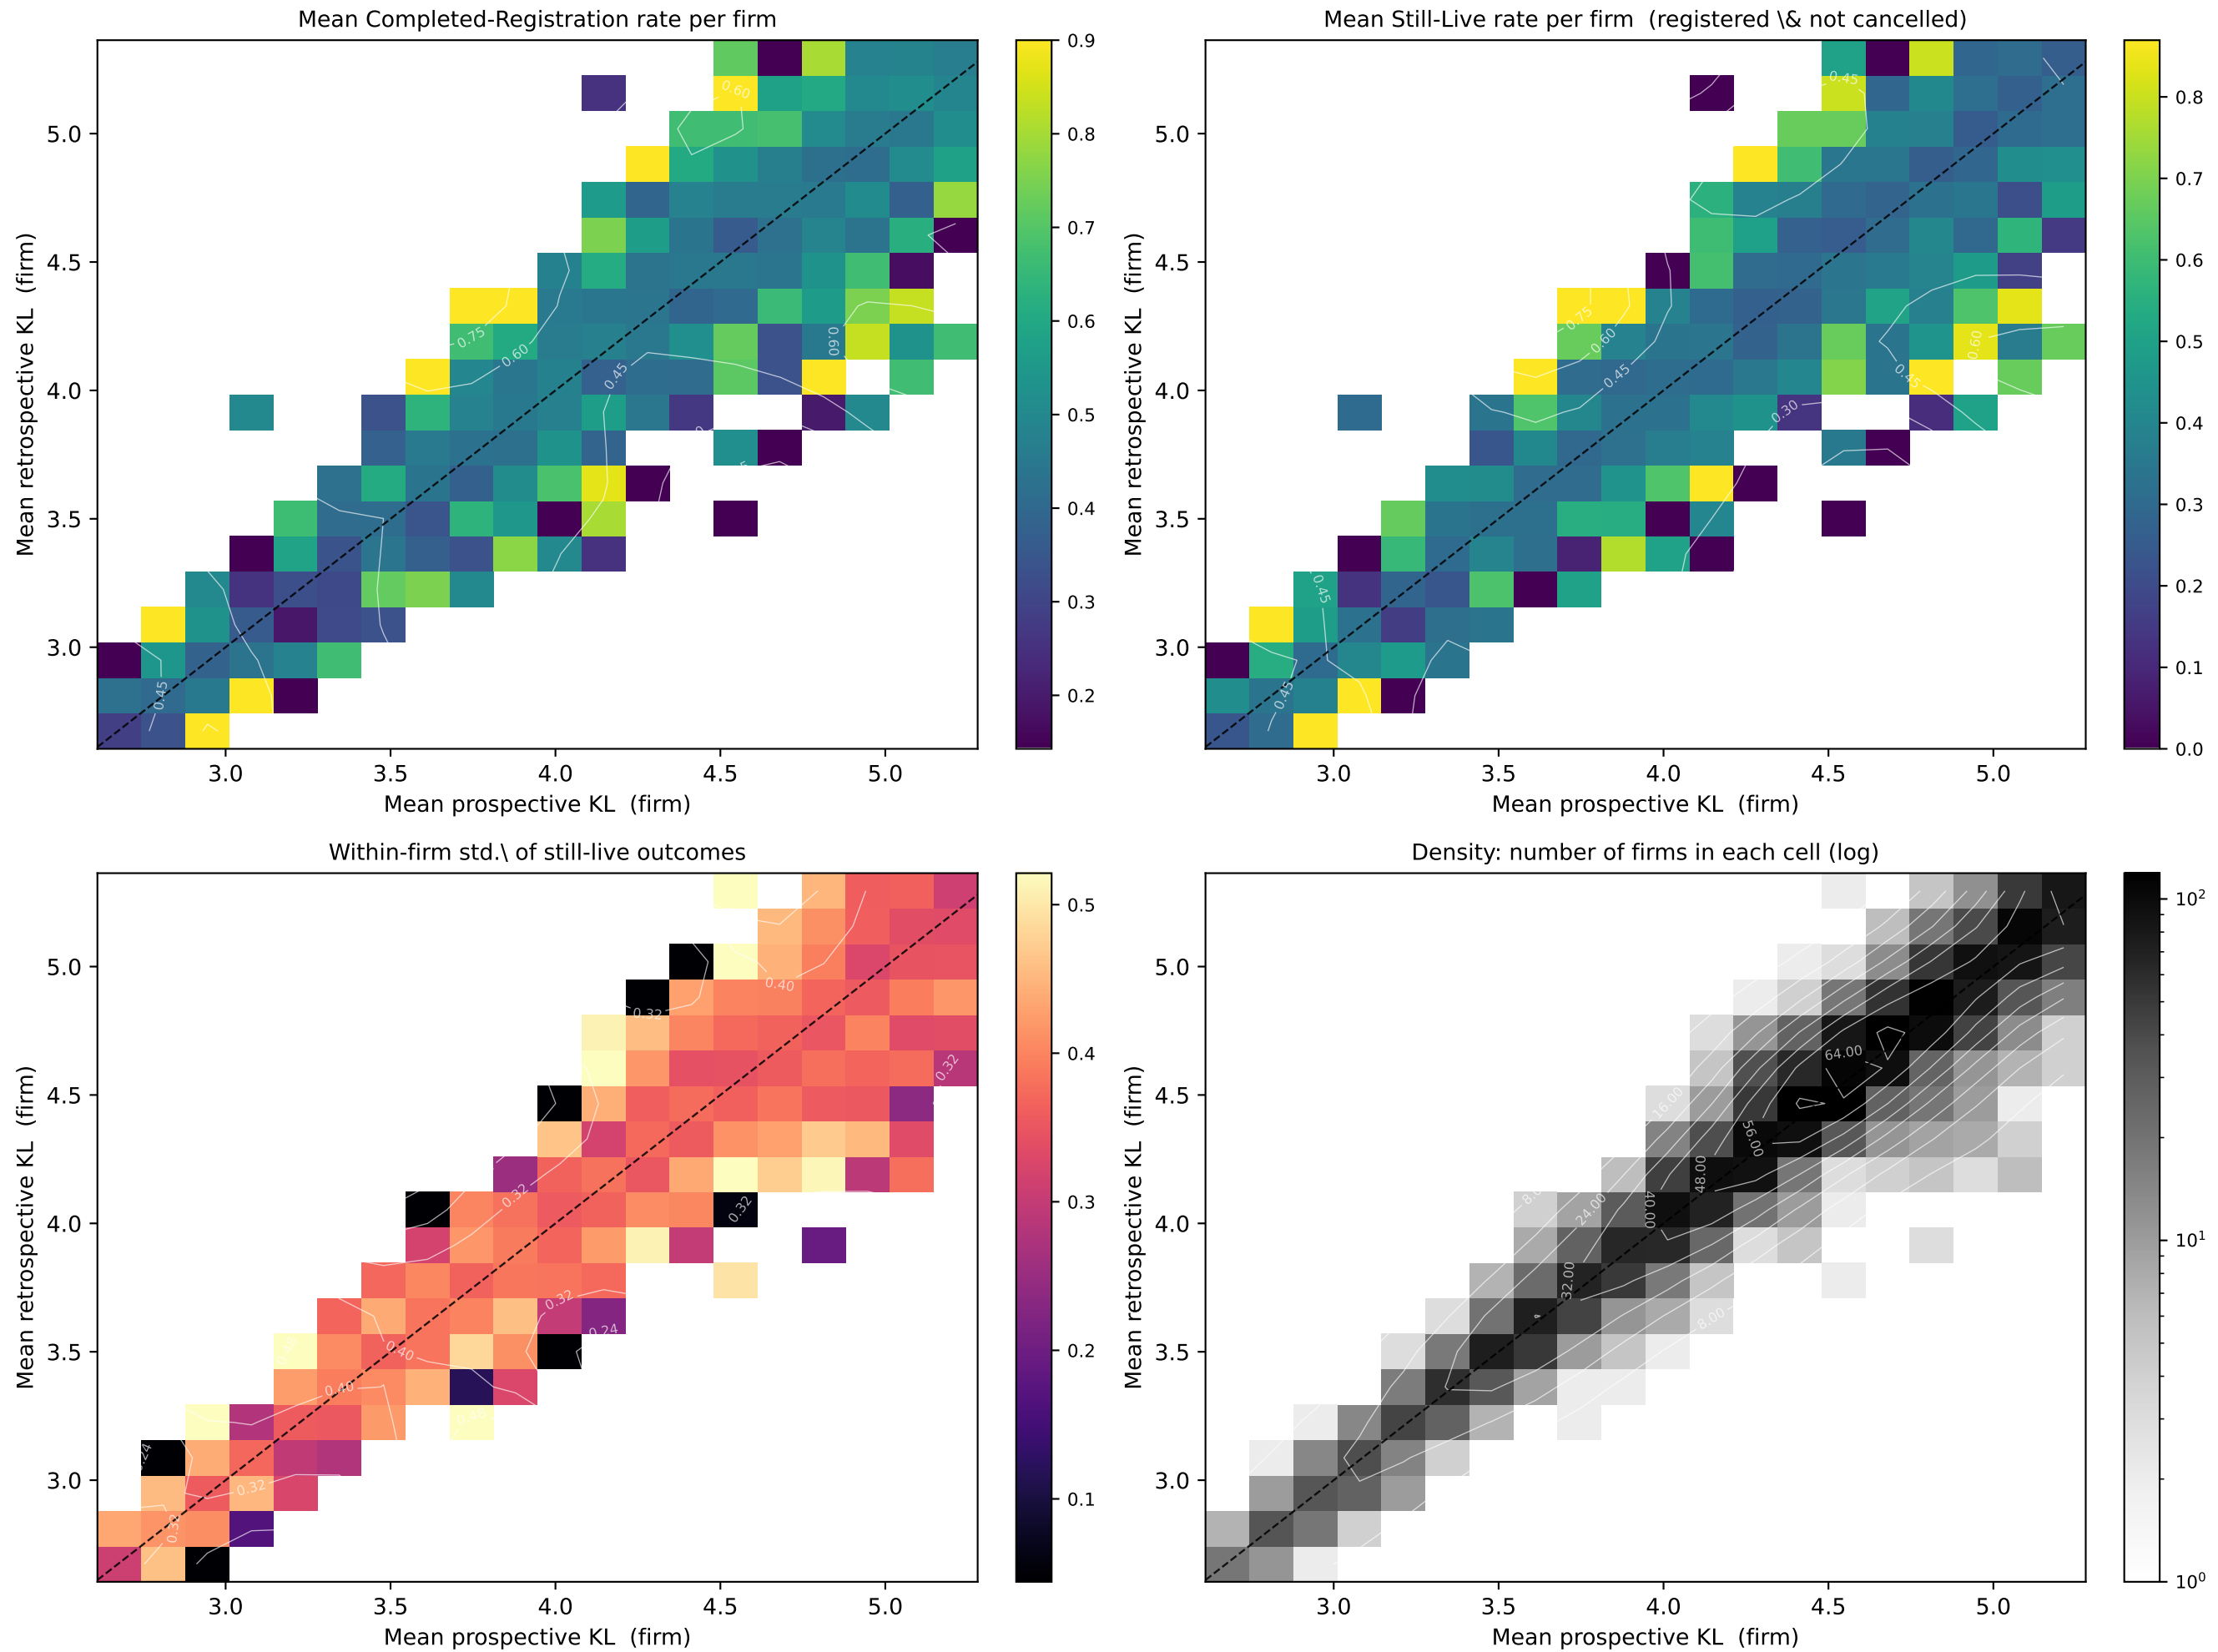

Mean Still-Live rate per firm (registered \& not cancelled)

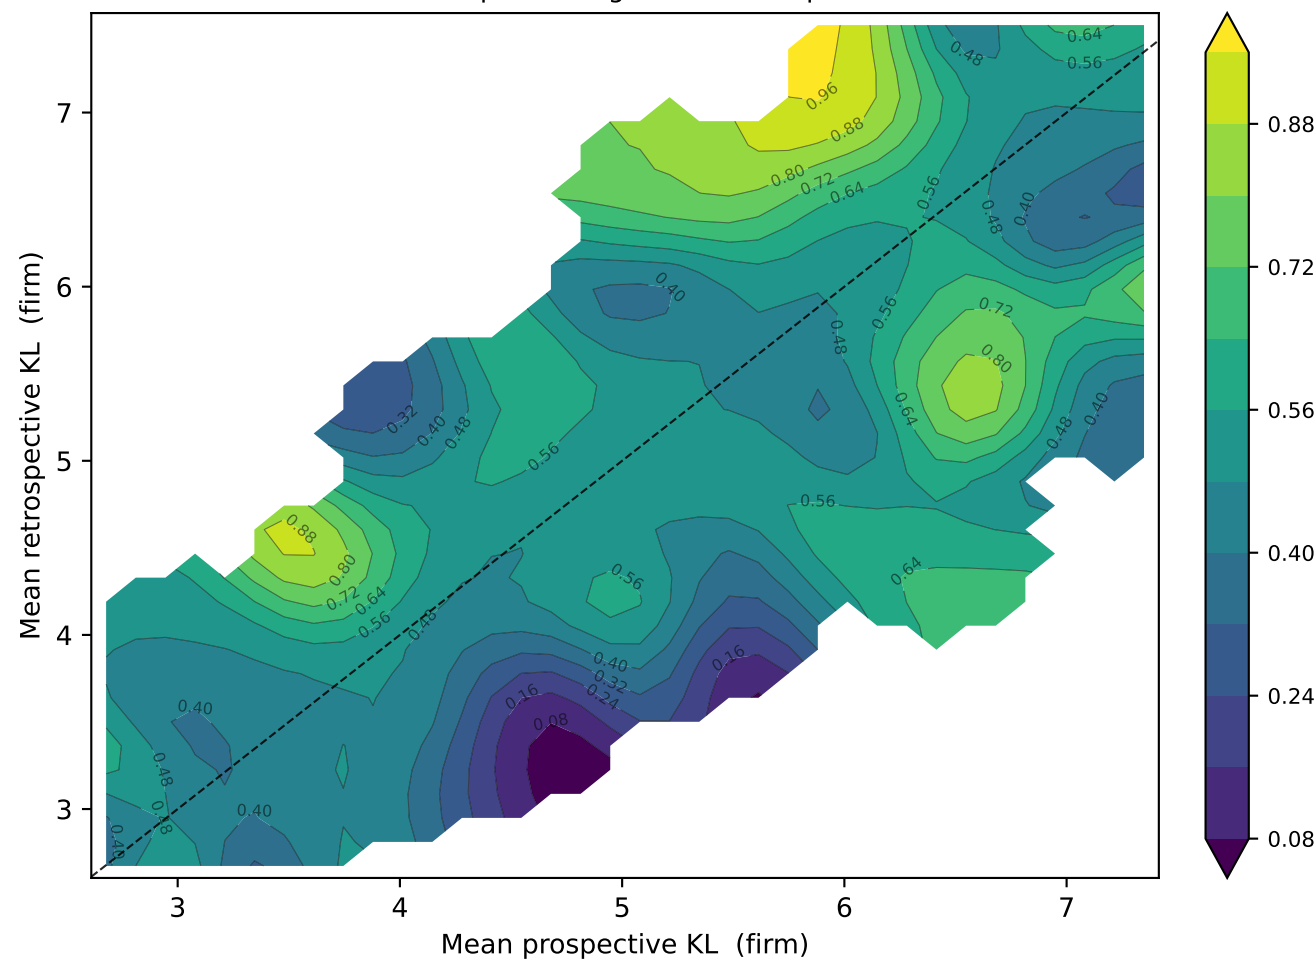

Within-firm std.\ of still-live outcomes

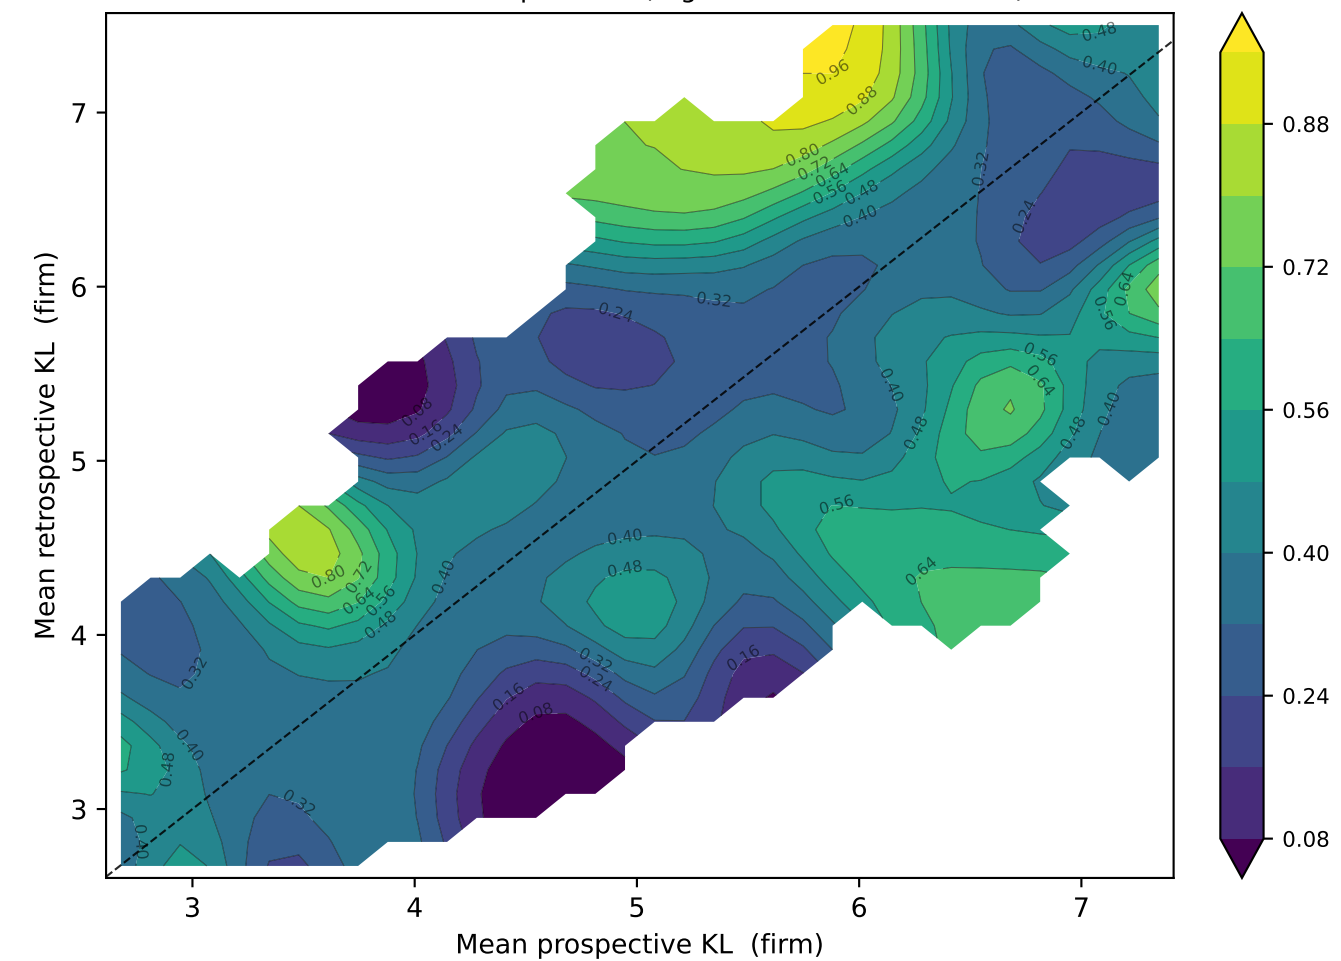

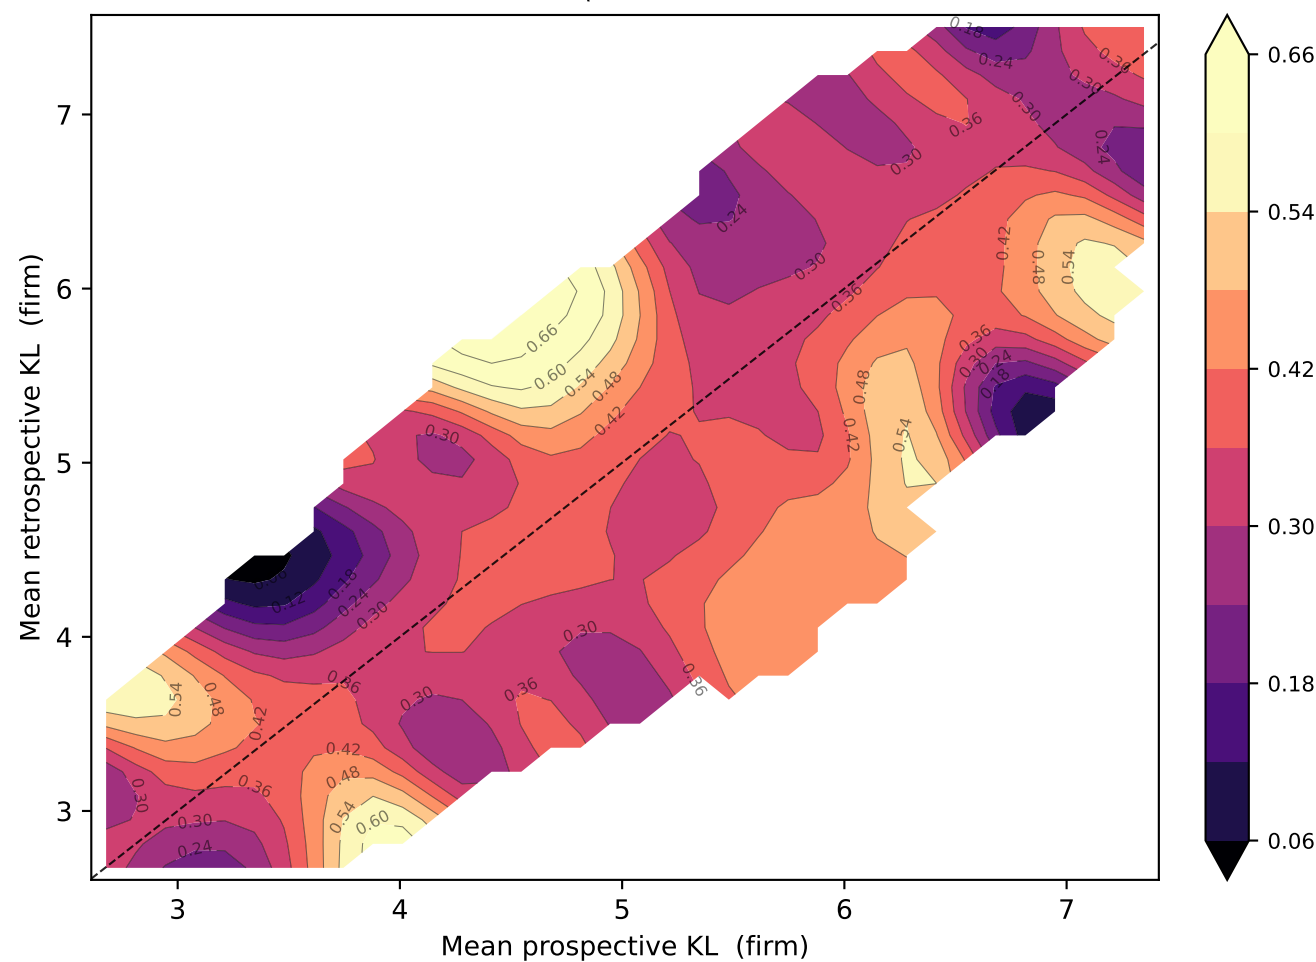

Mean Completed-Registration rate per firm

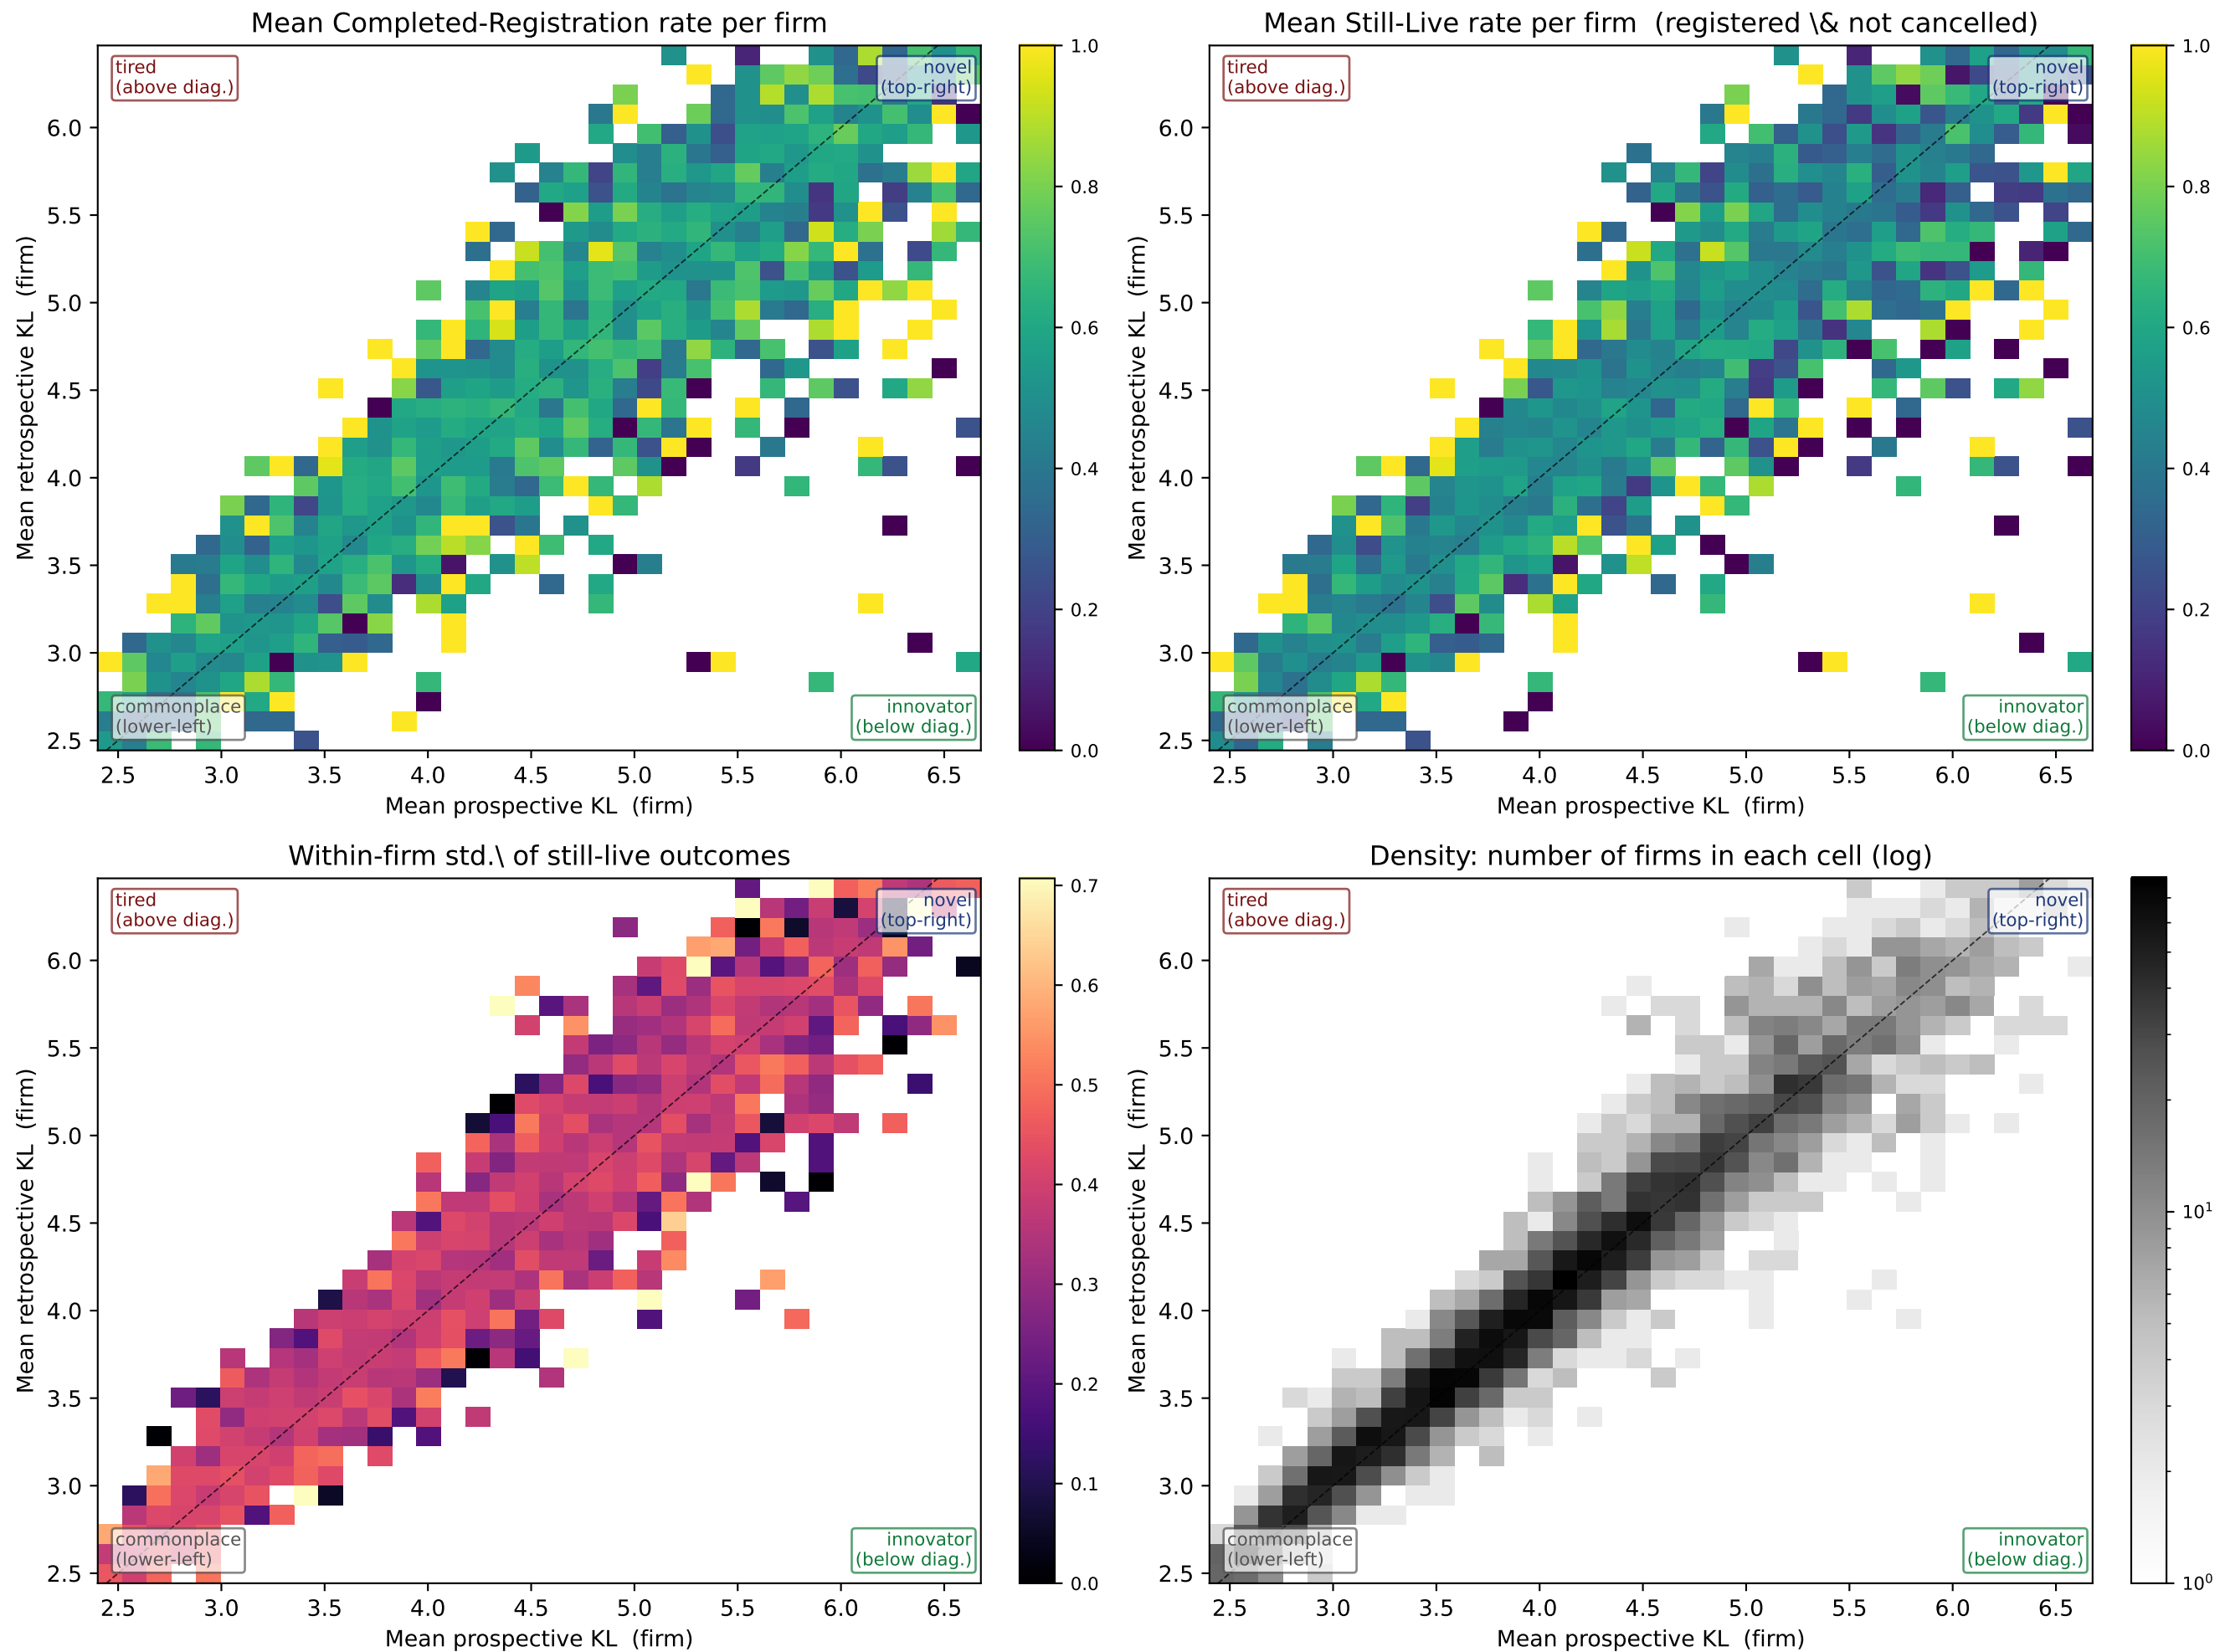

Mean Still-Live rate per firm (registered \& not cancelled)

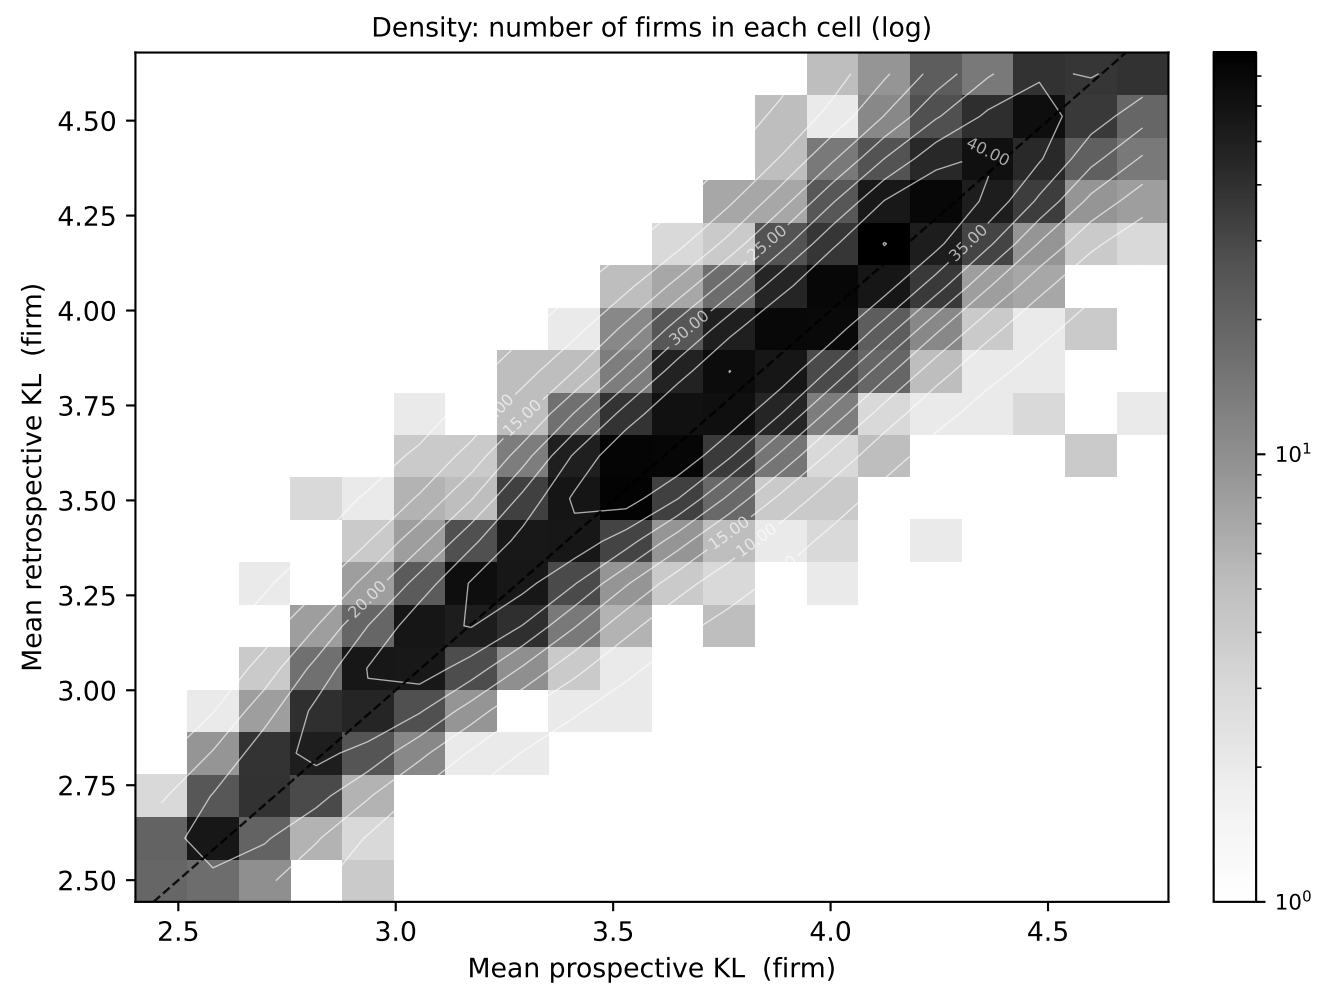

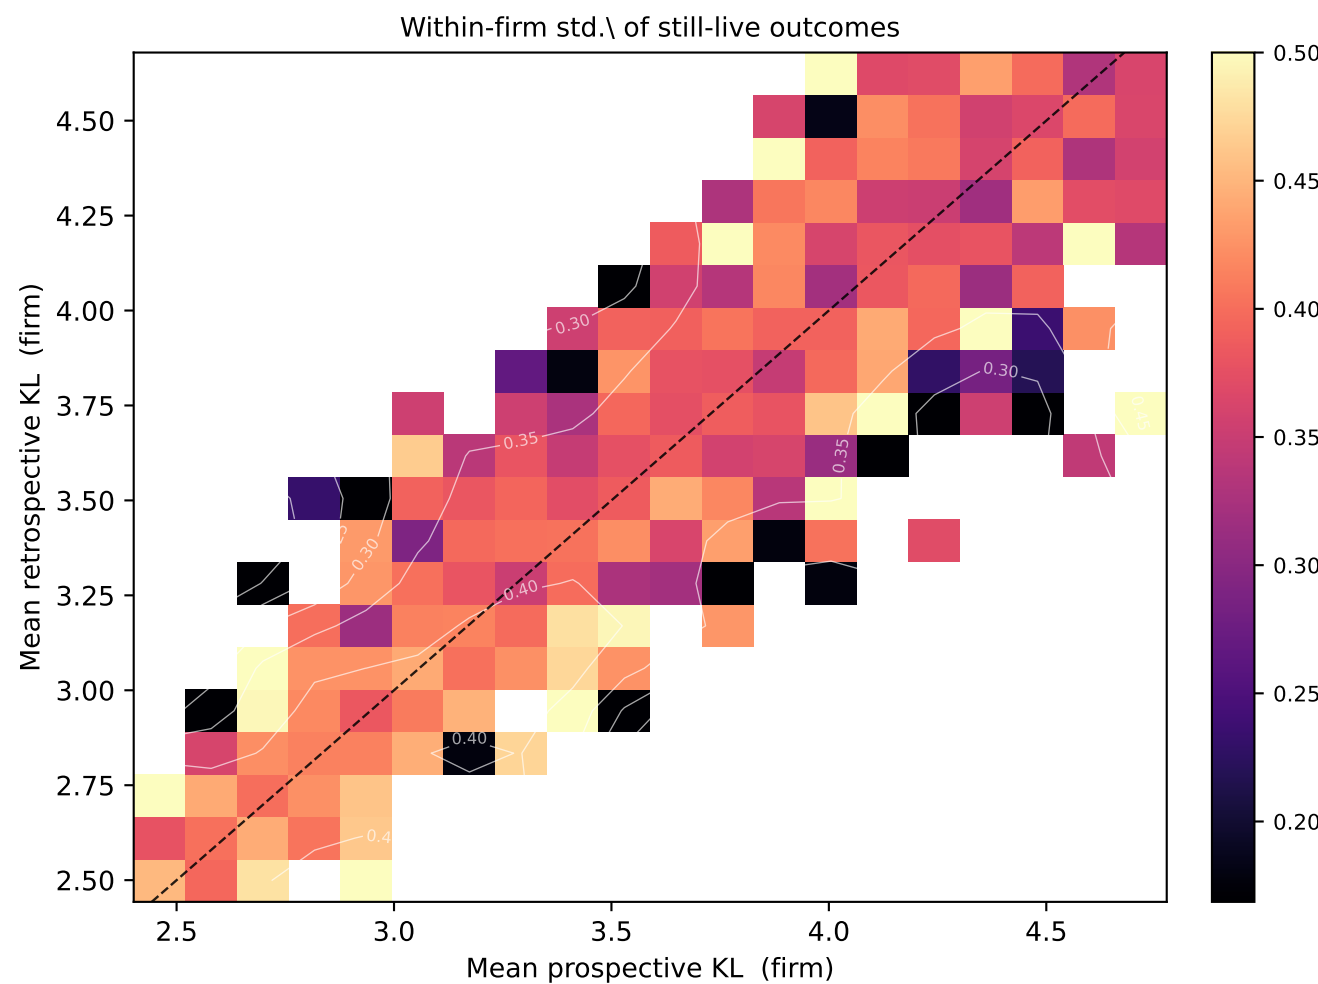

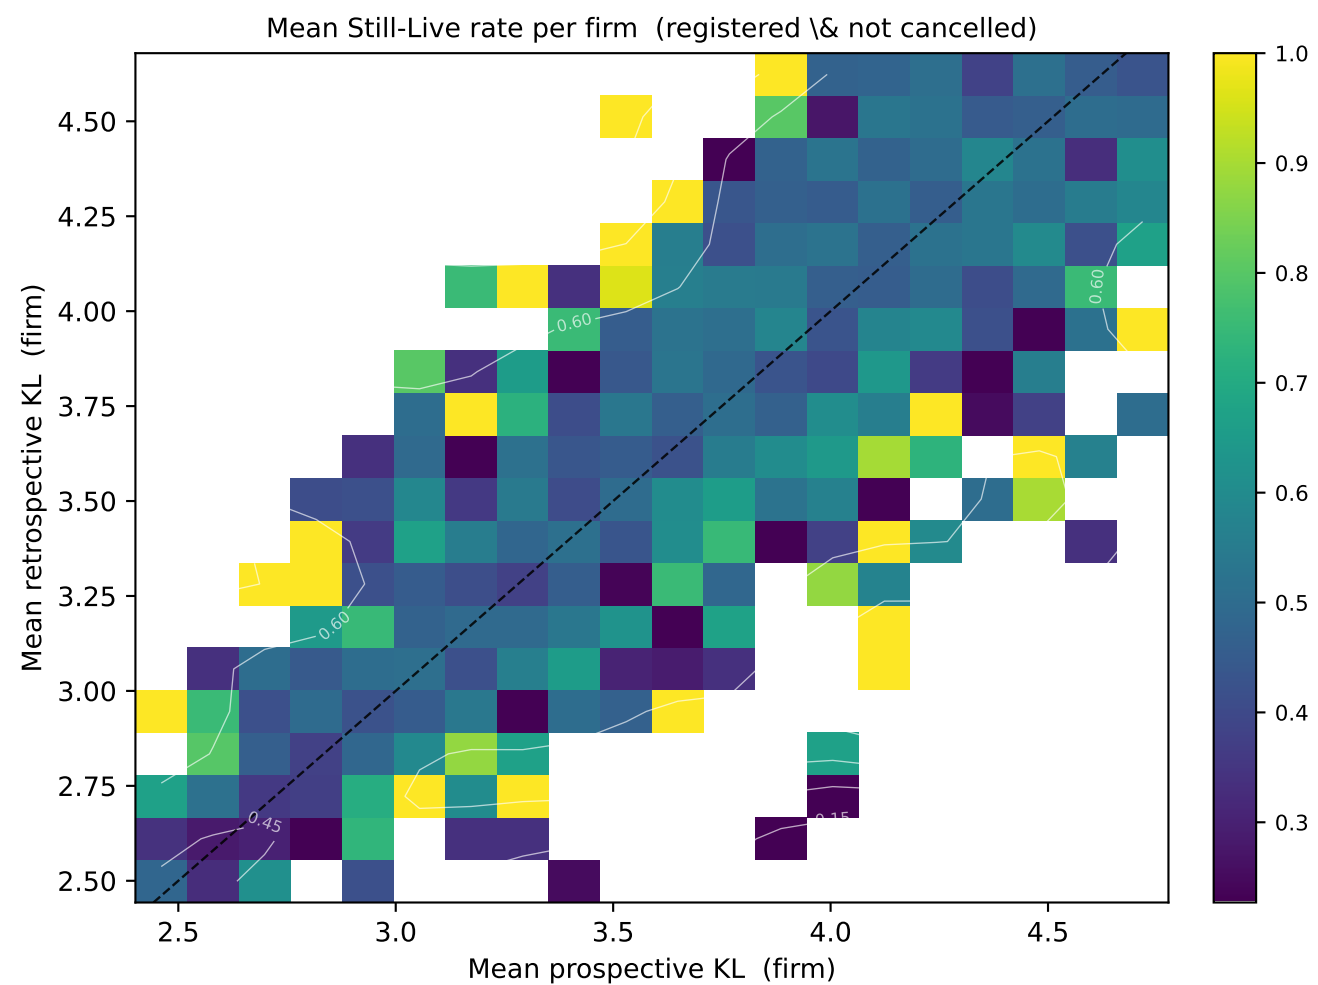

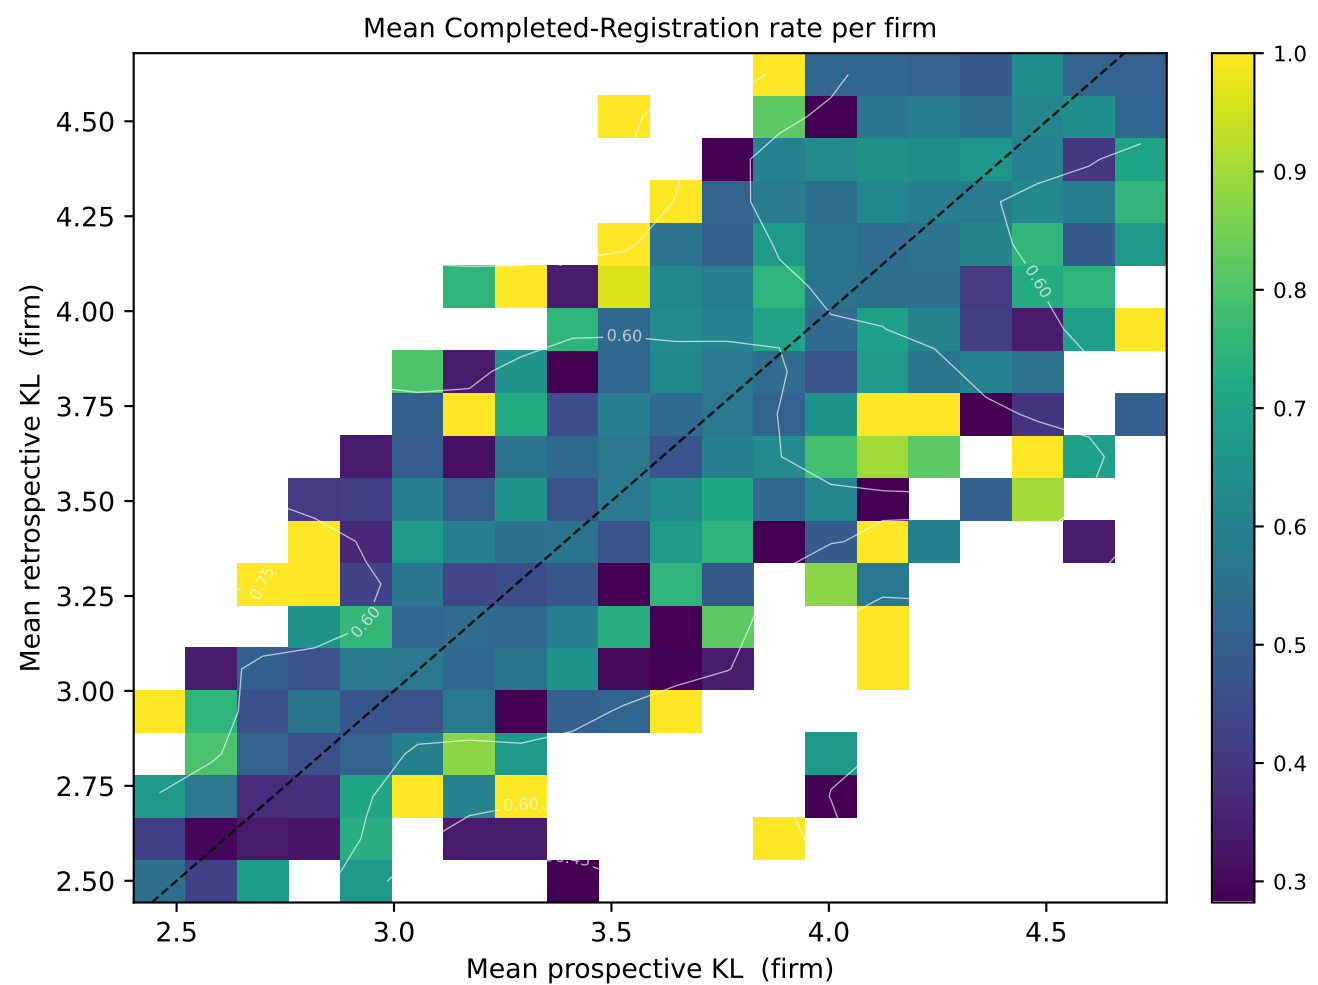

Within-firm std.\ of still-live outcomes

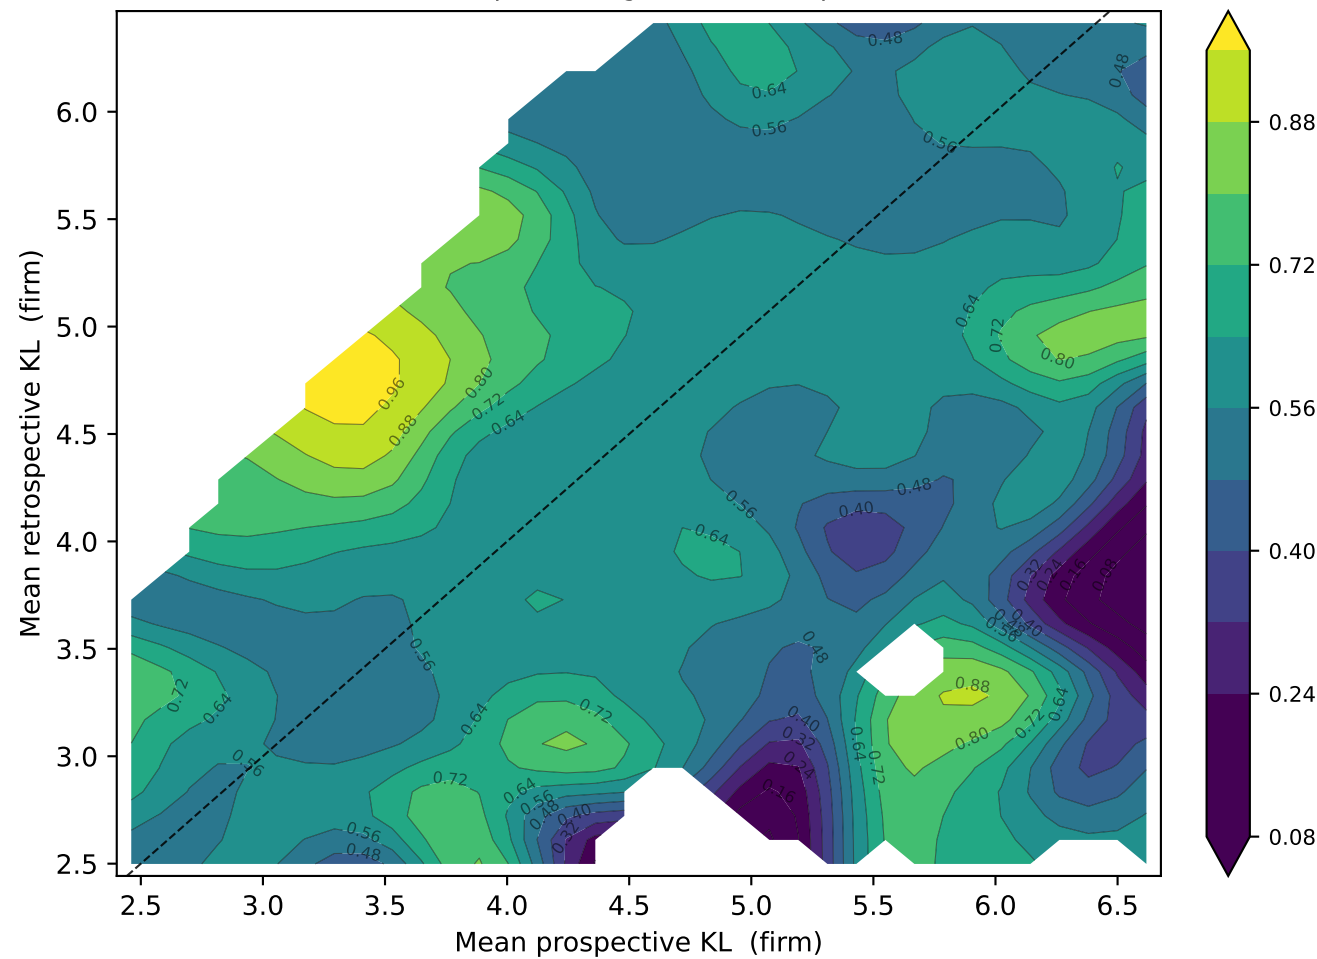

Class 032 — Beer & Soft Drinks — 82,848 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=5,912 firms

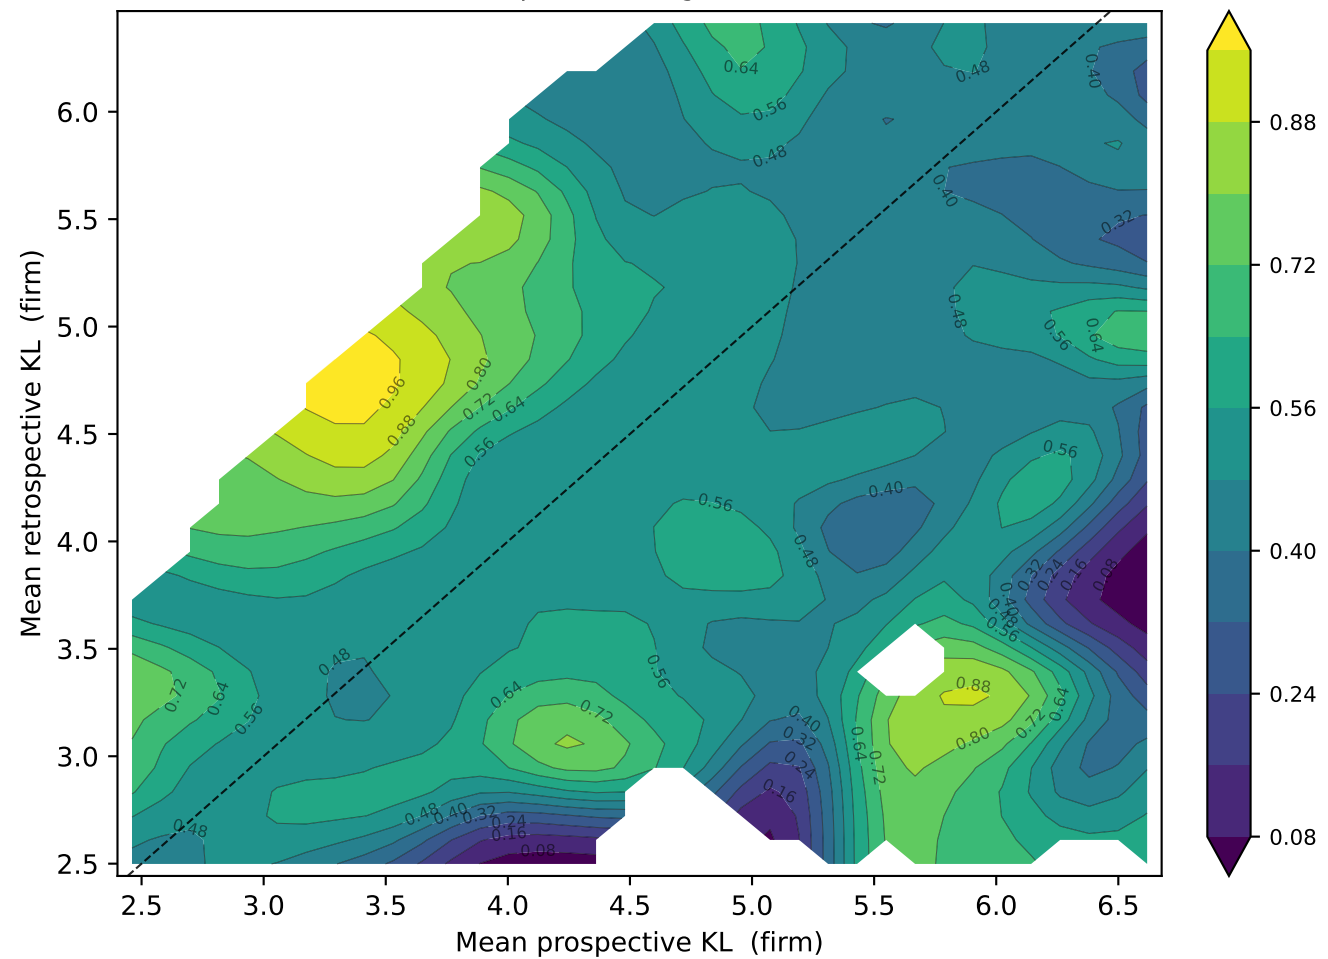

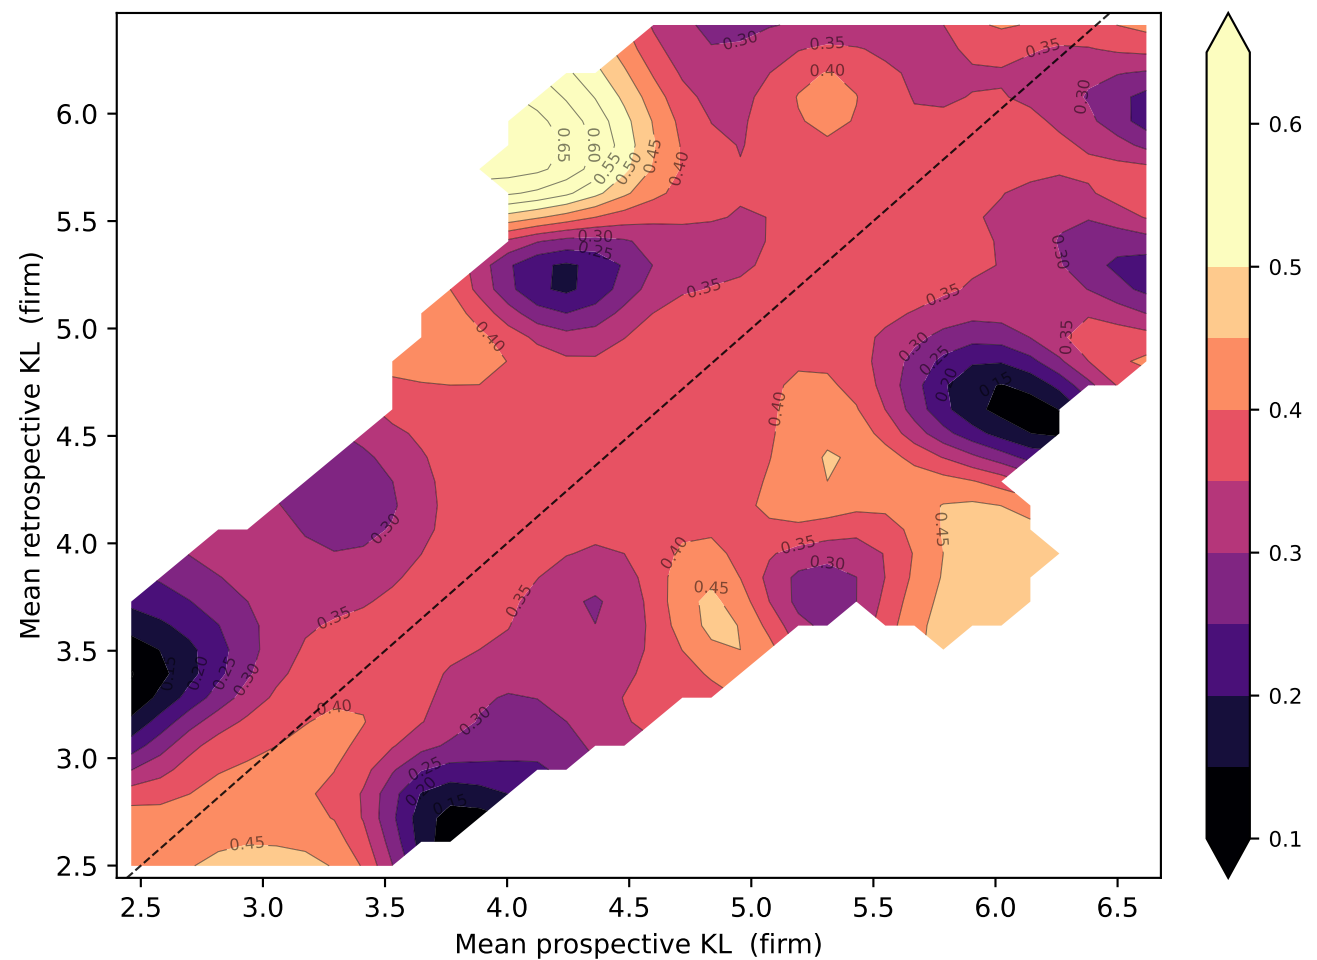

Mean Completed-Registration rate per firm

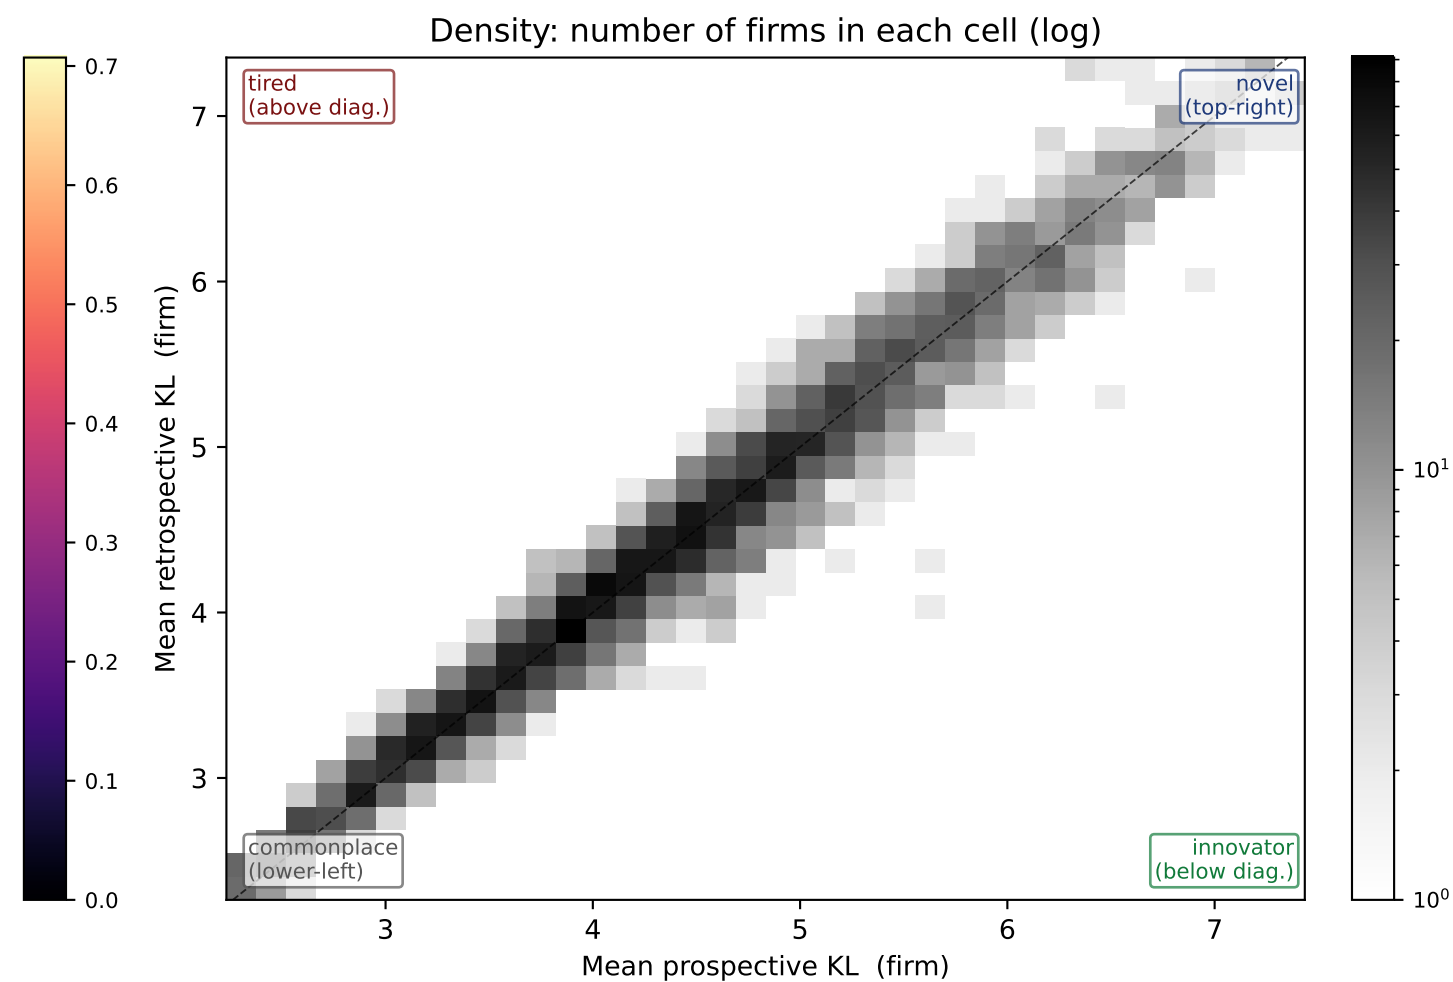

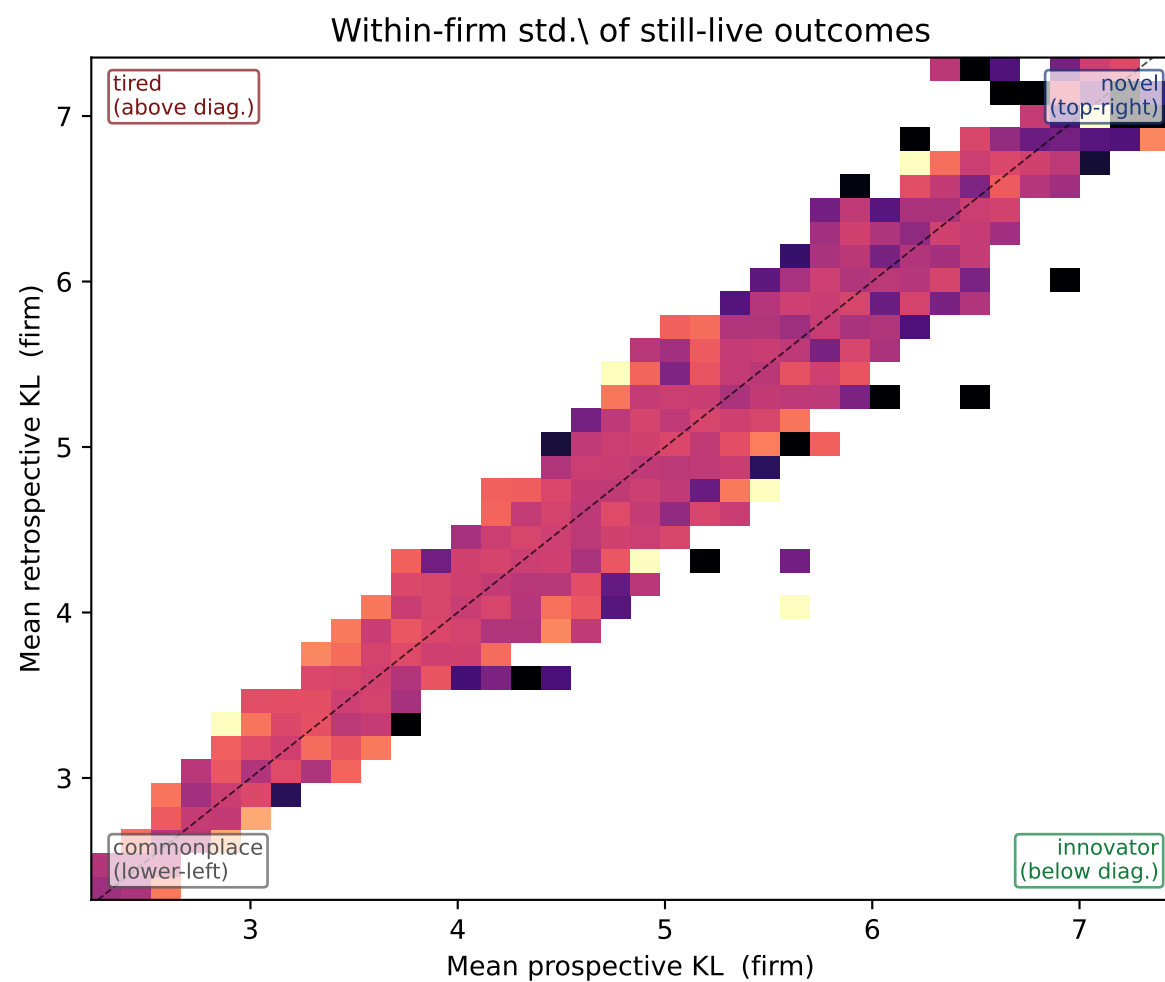

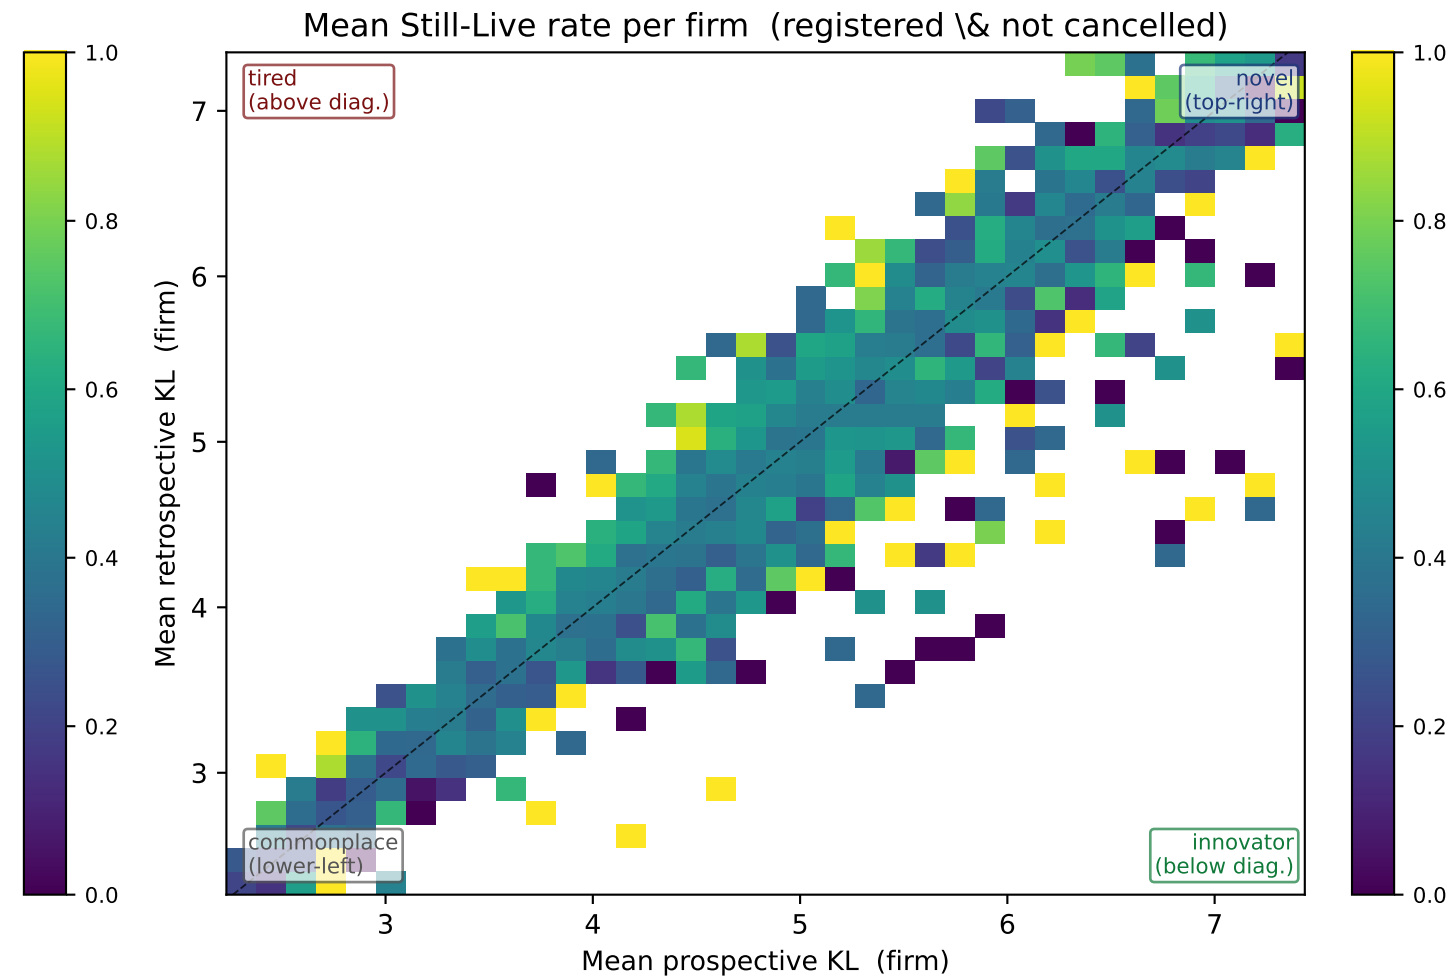

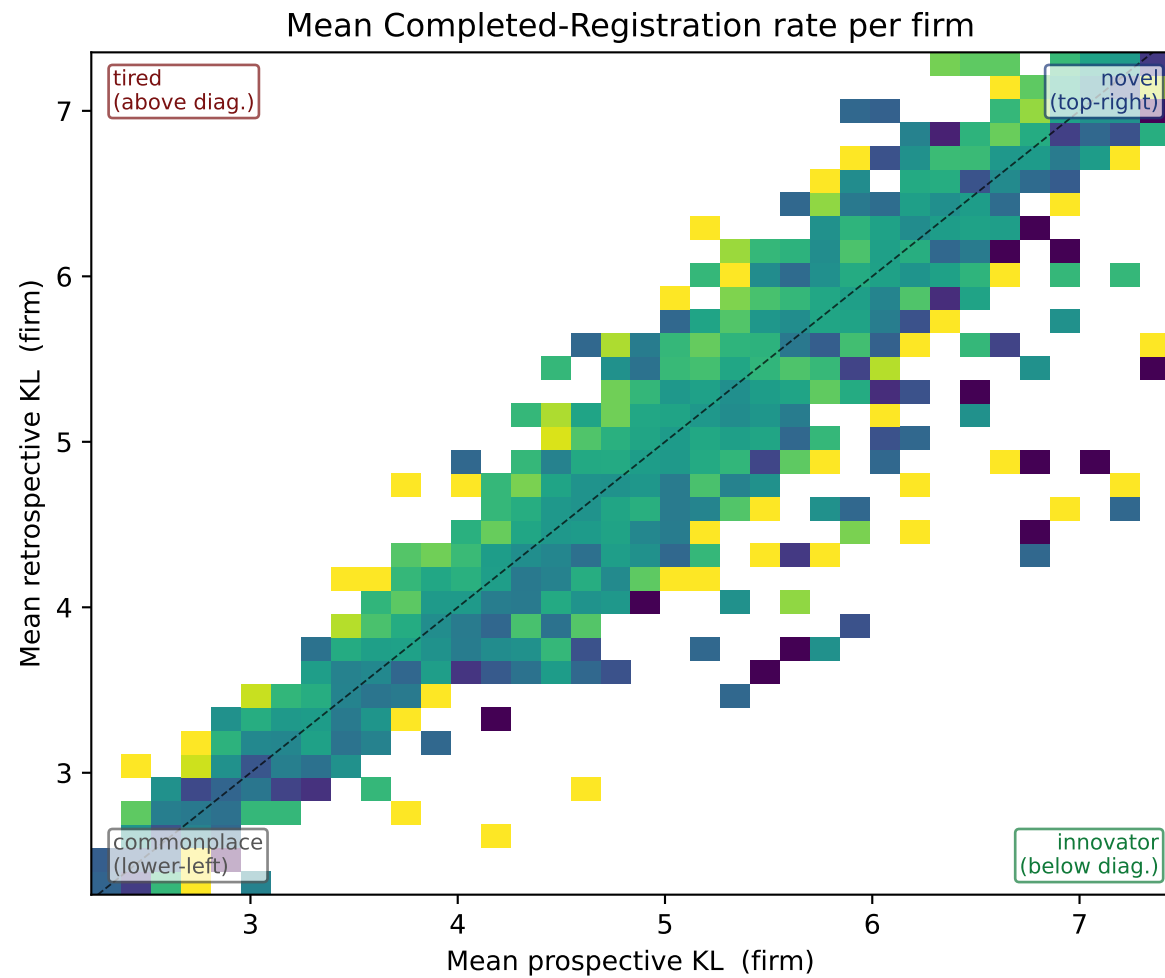

Mean Still-Live rate per firm (registered \& not cancelled)

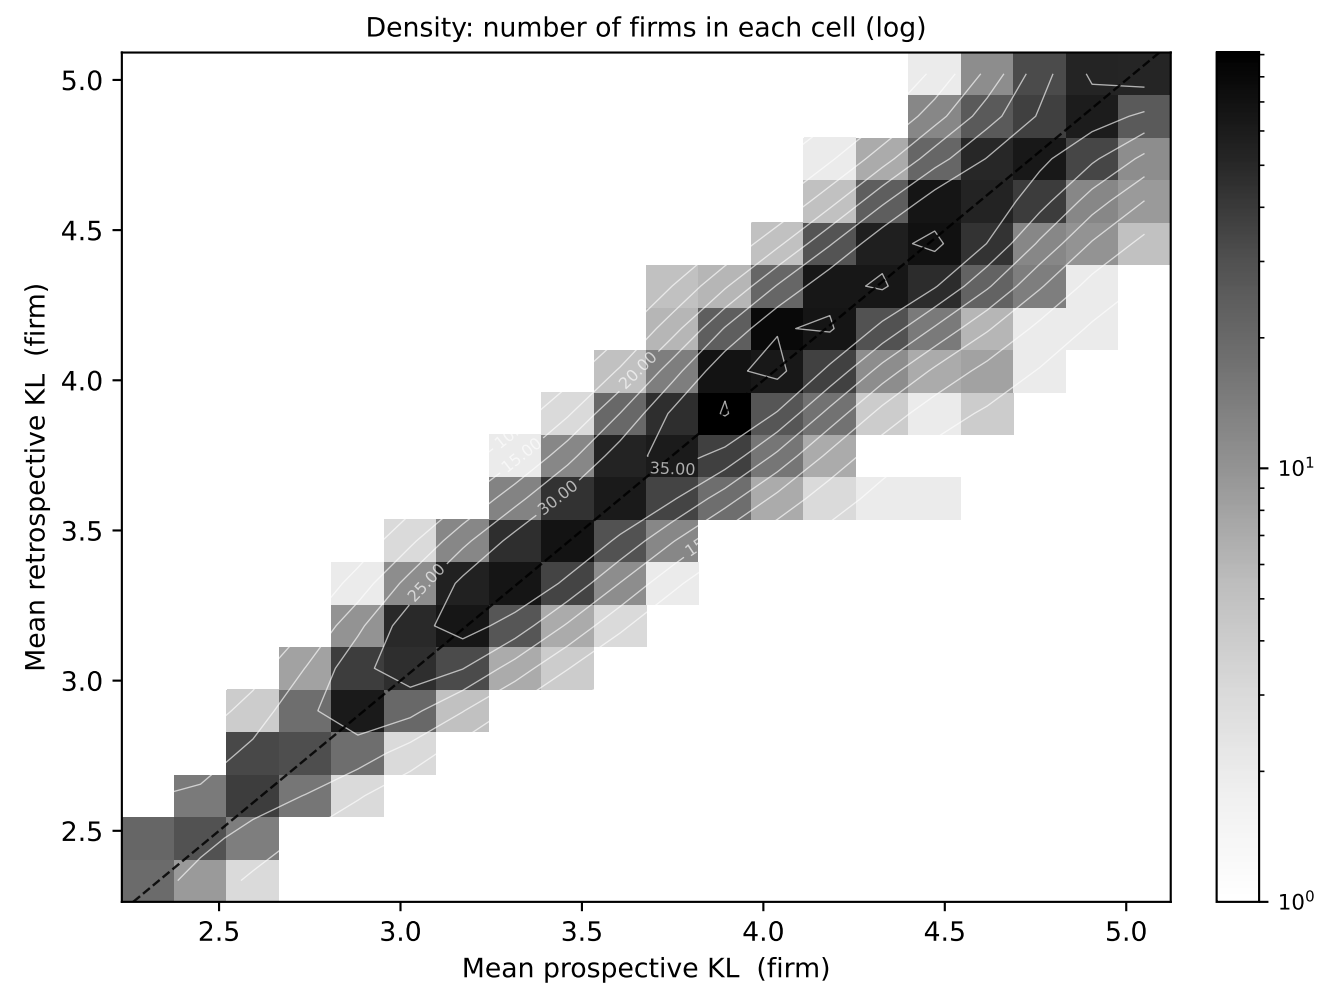

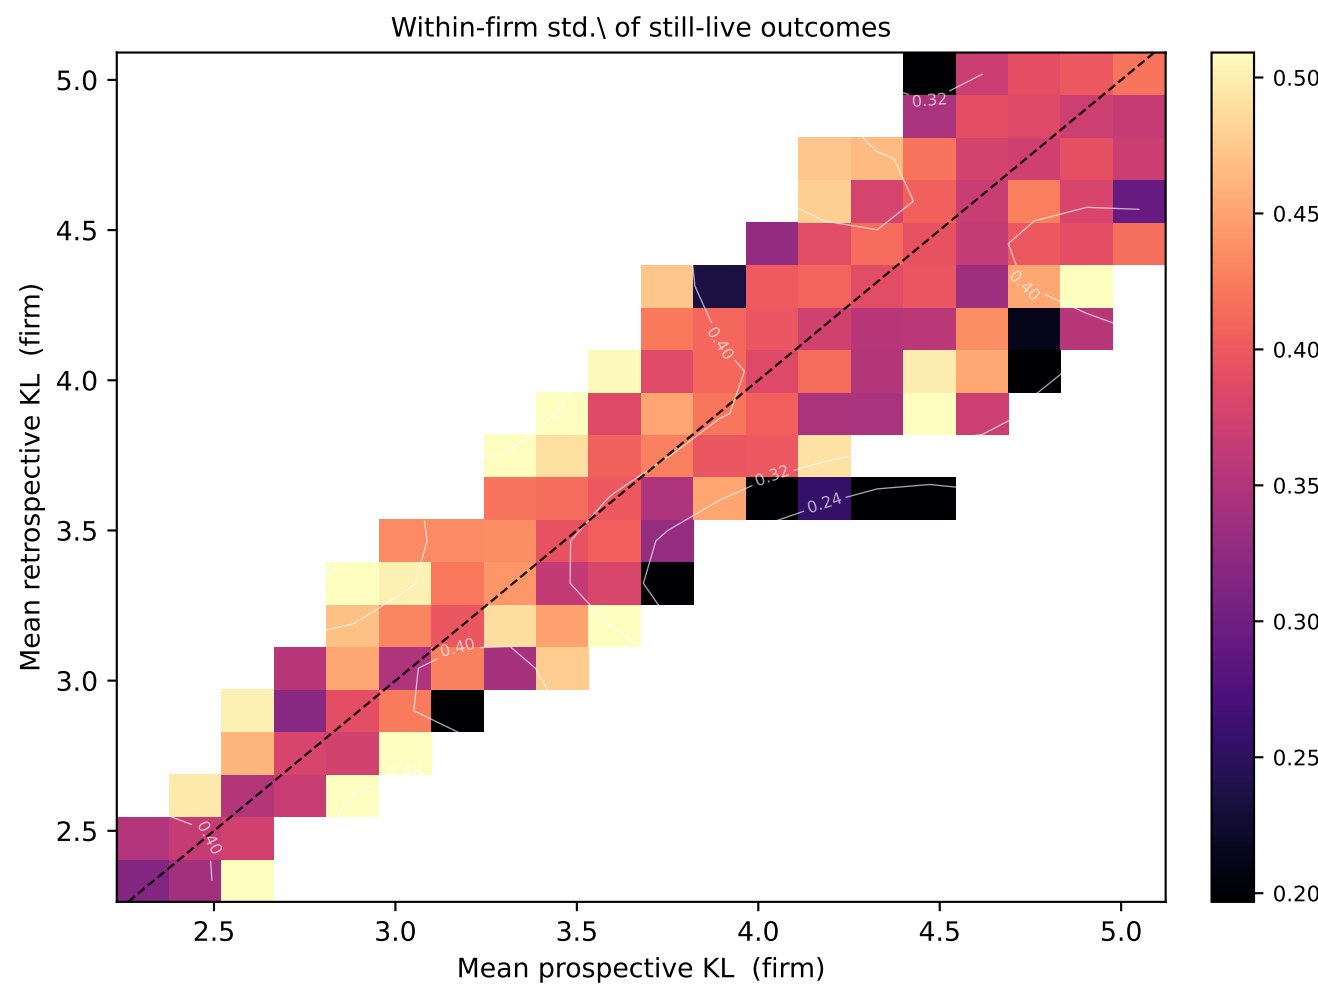

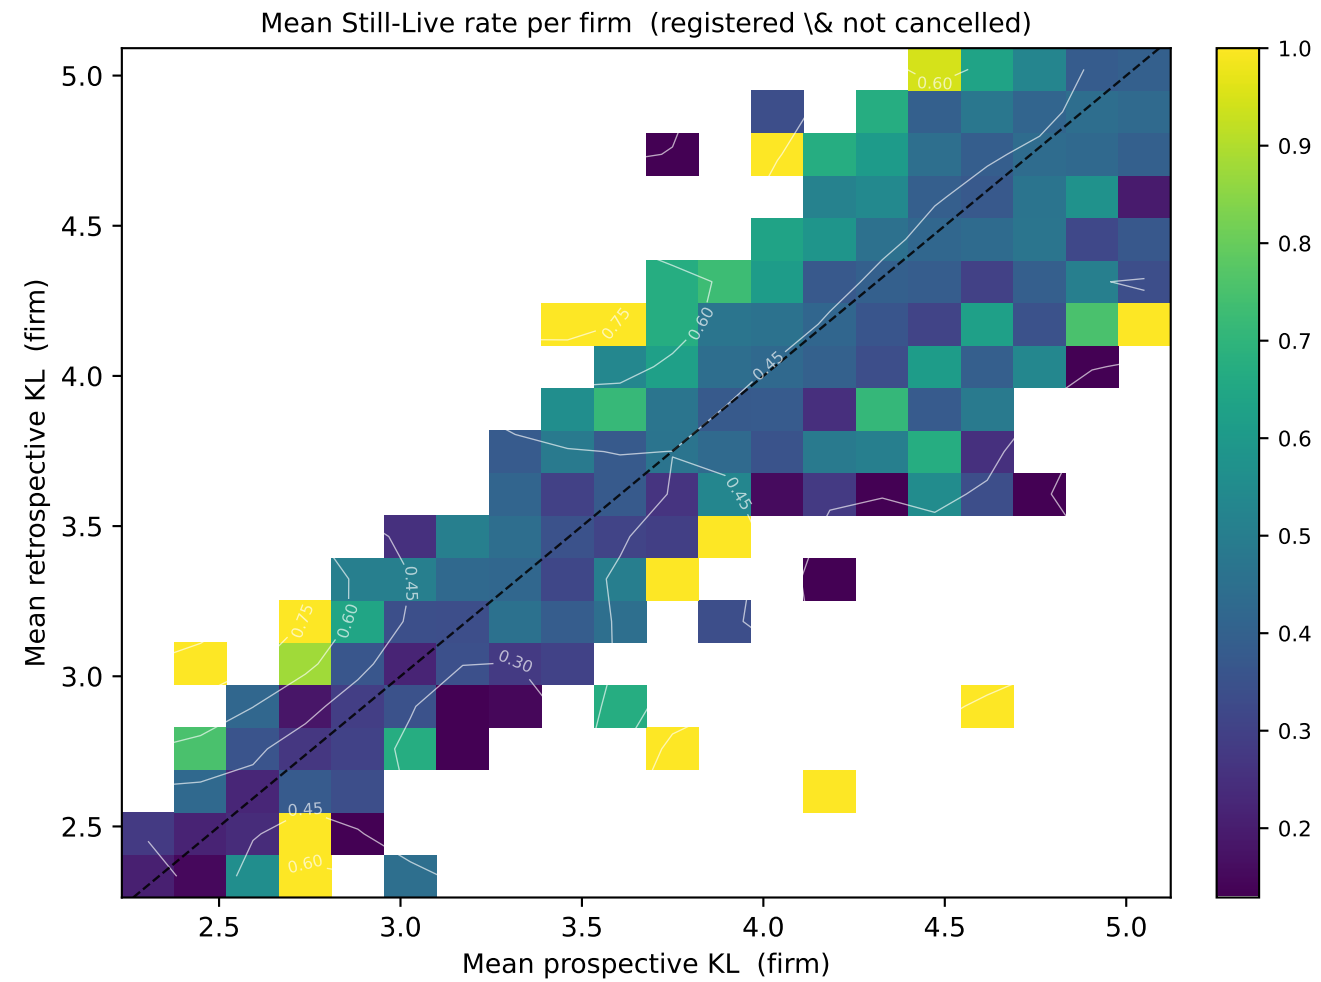

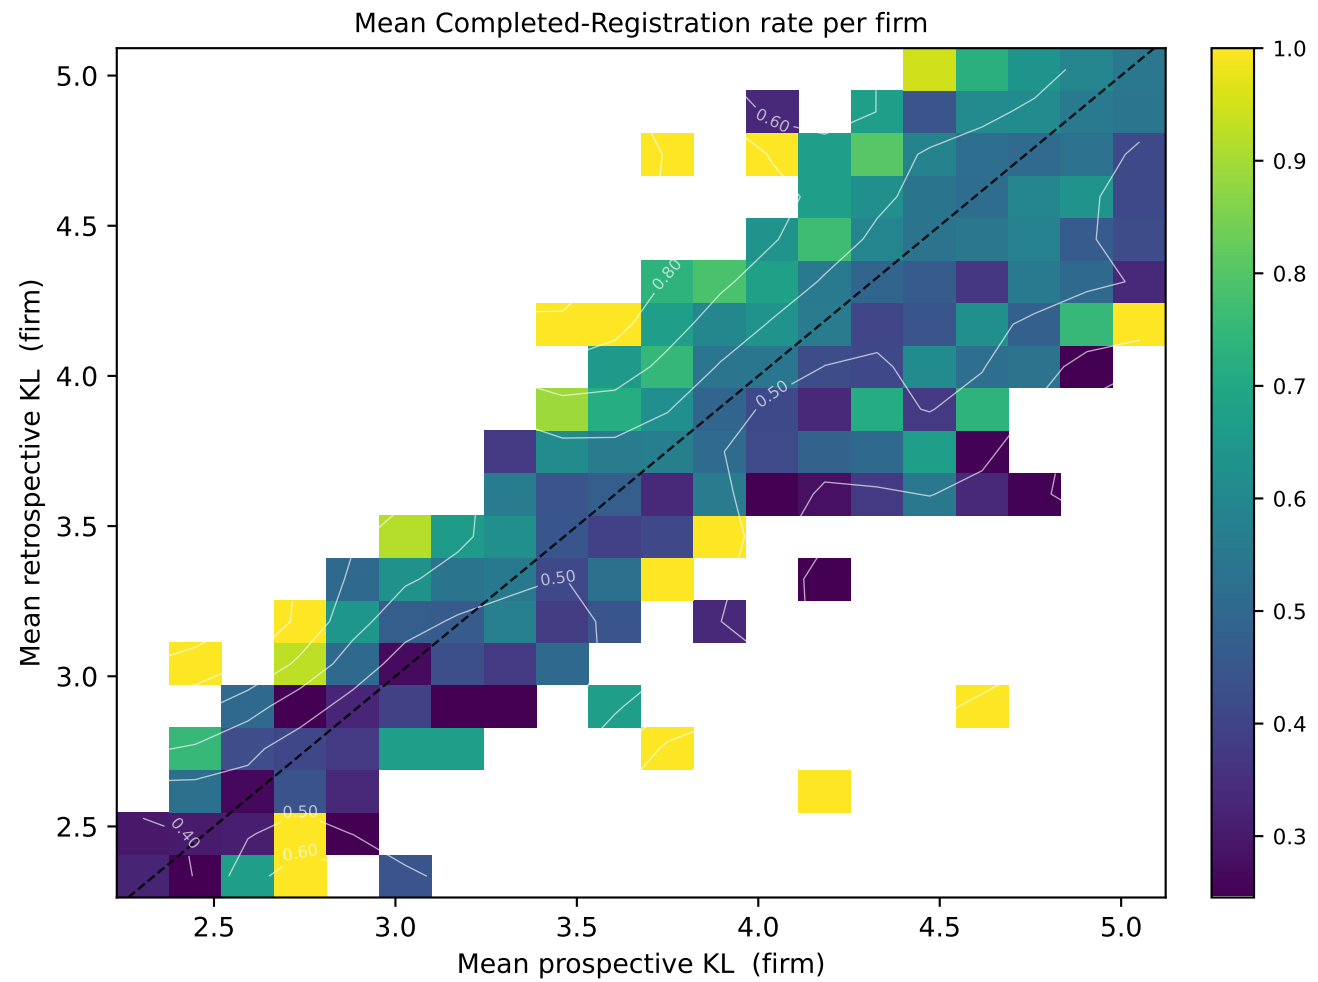

Within-firm std.\ of still-live outcomes

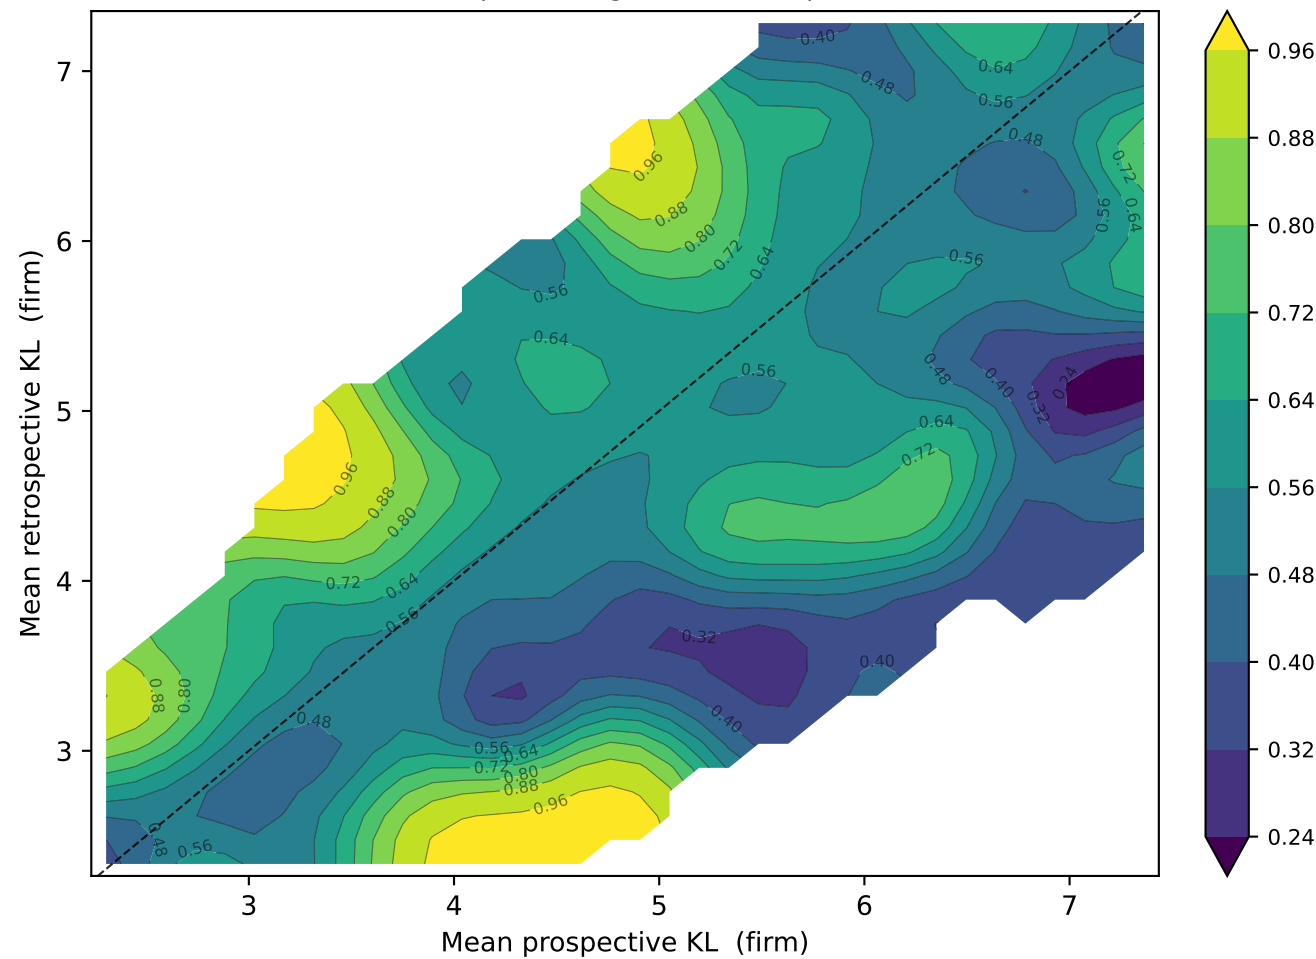

Class 014 — Jewelry & Watches — 81,368 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=4,587 firms

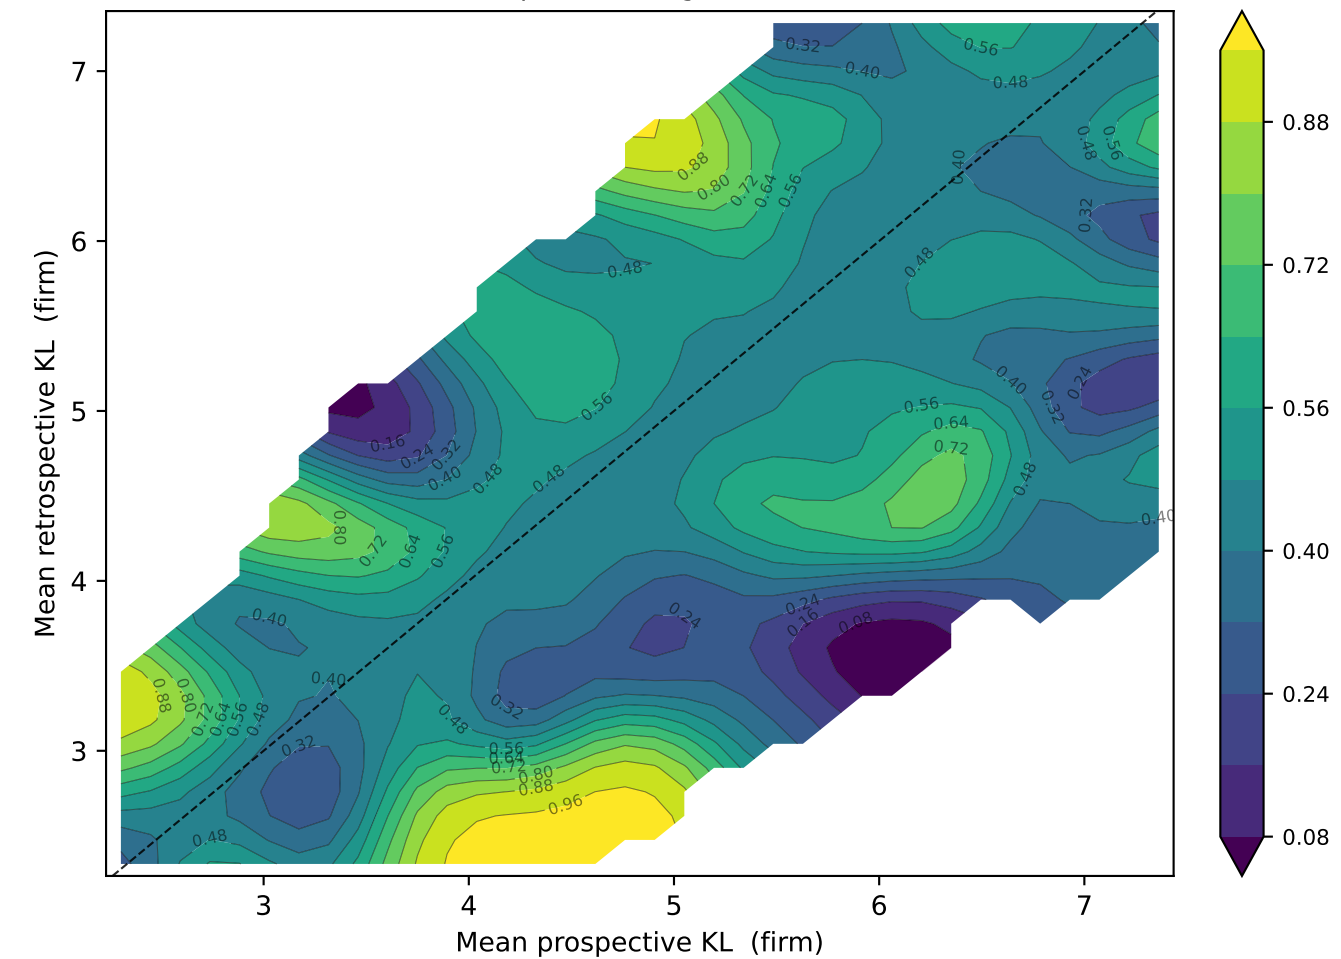

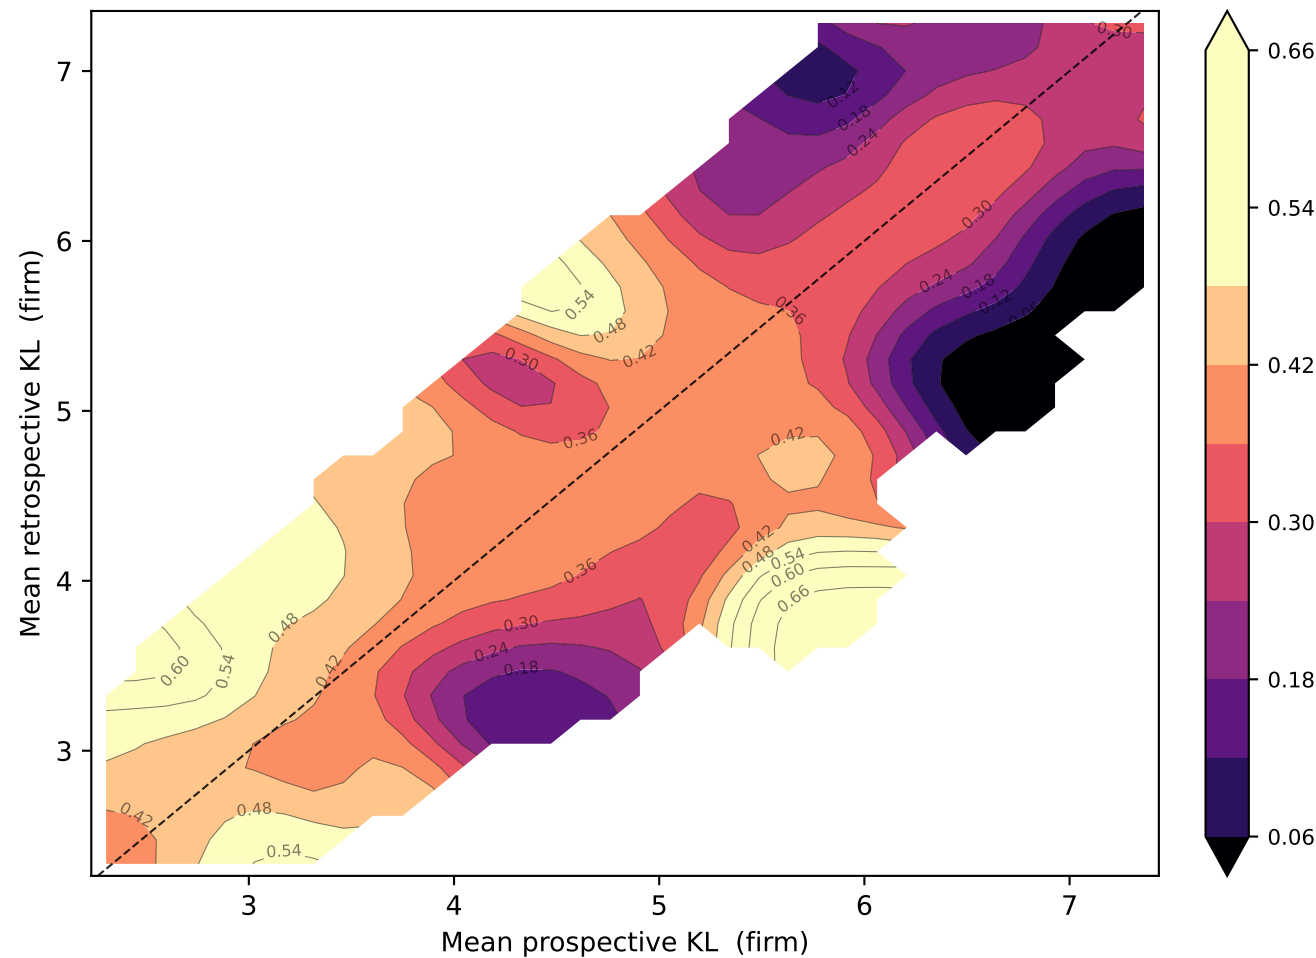

Mean Completed-Registration rate per firm

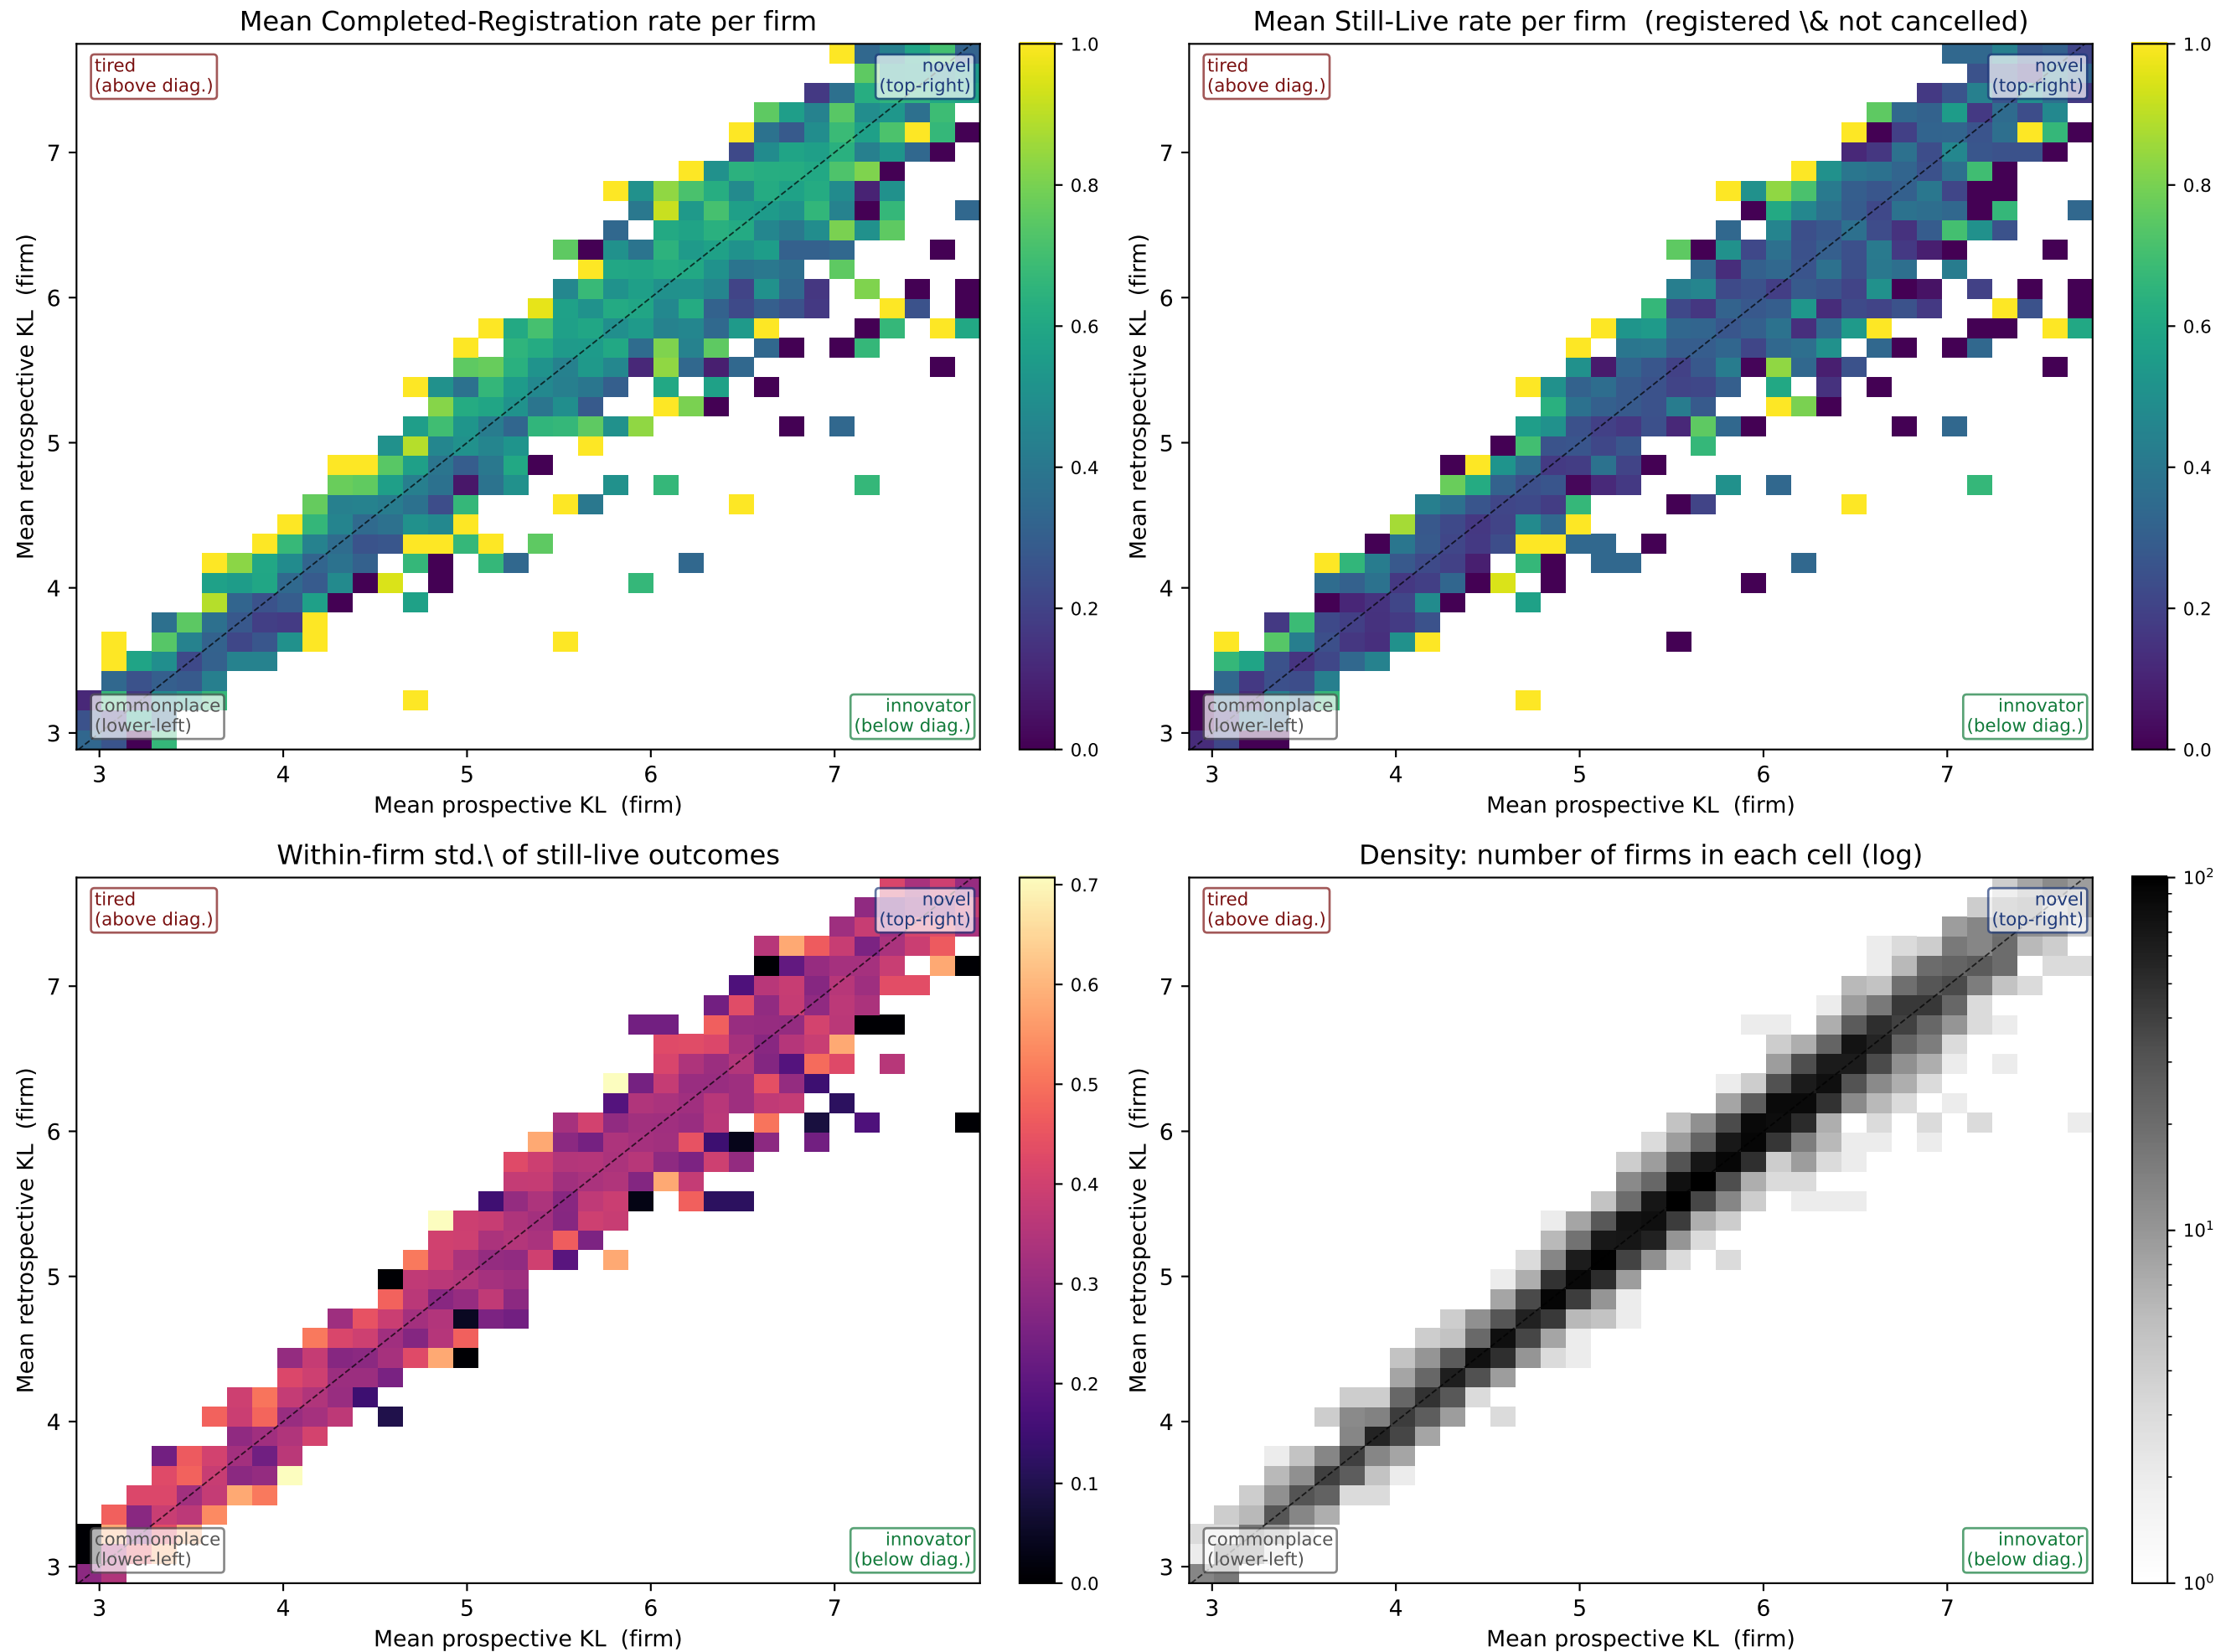

Mean Still-Live rate per firm (registered \& not cancelled)

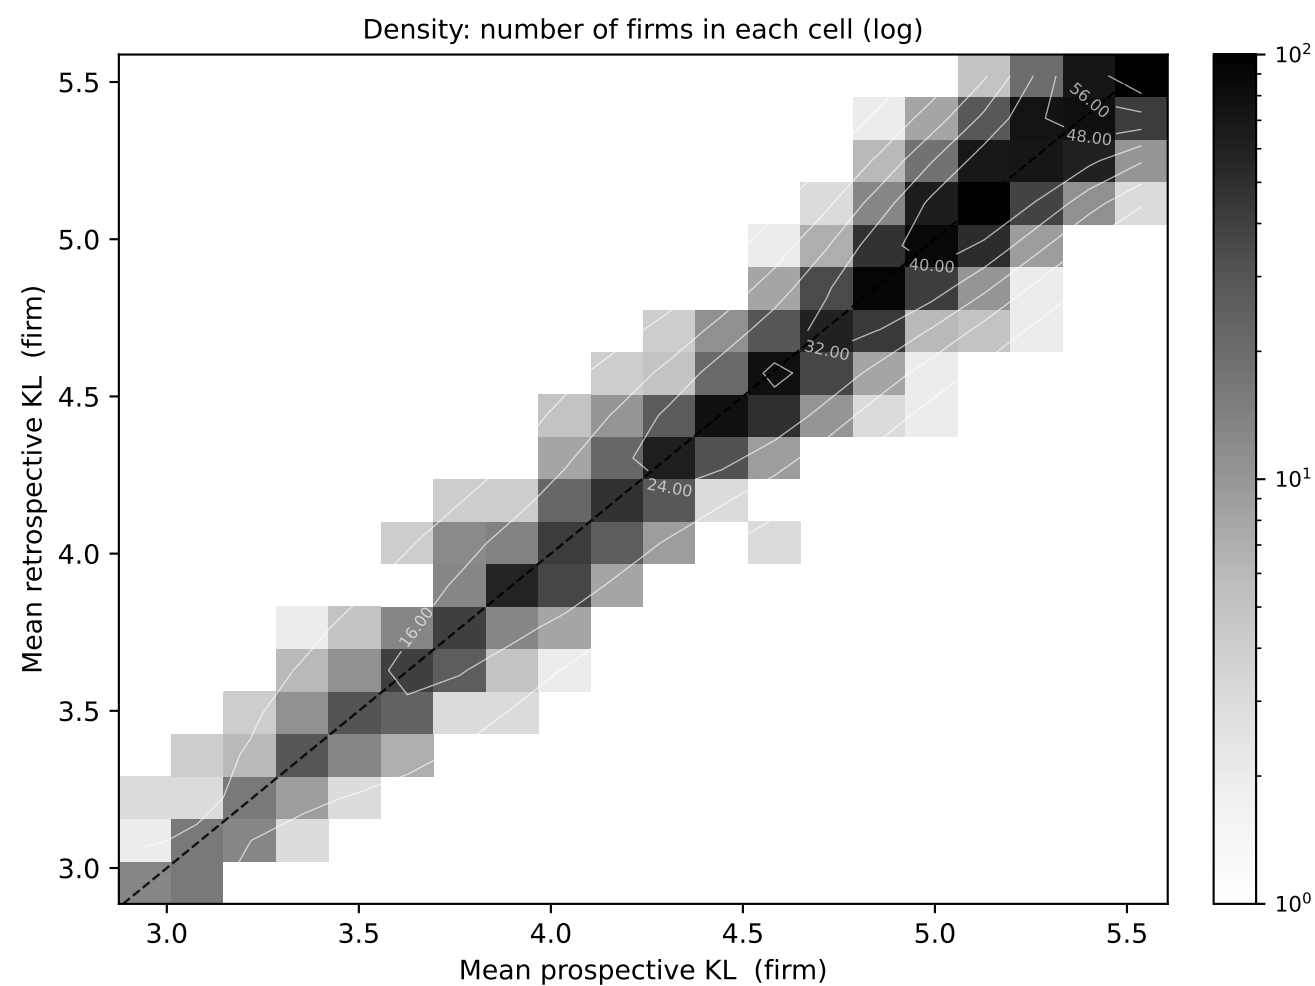

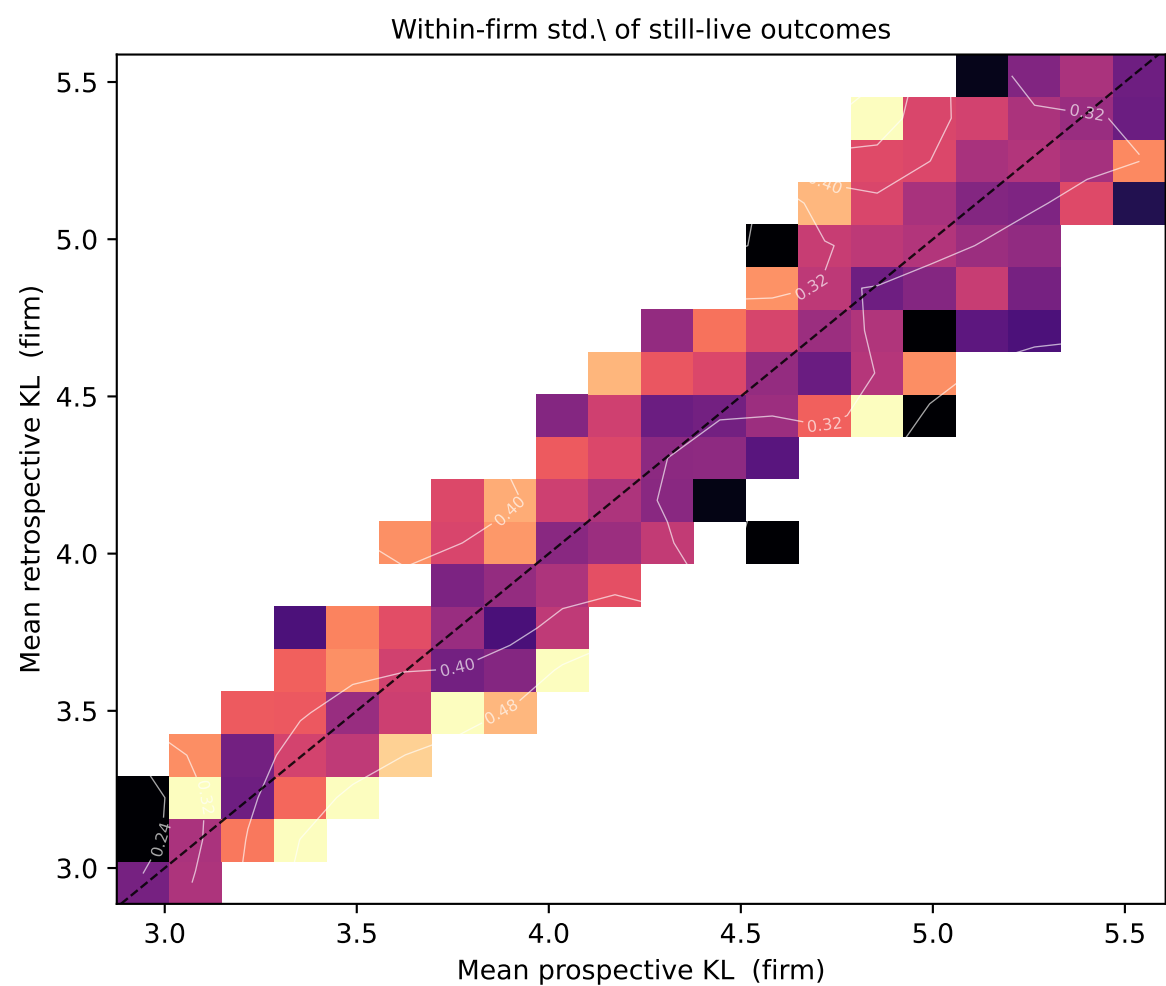

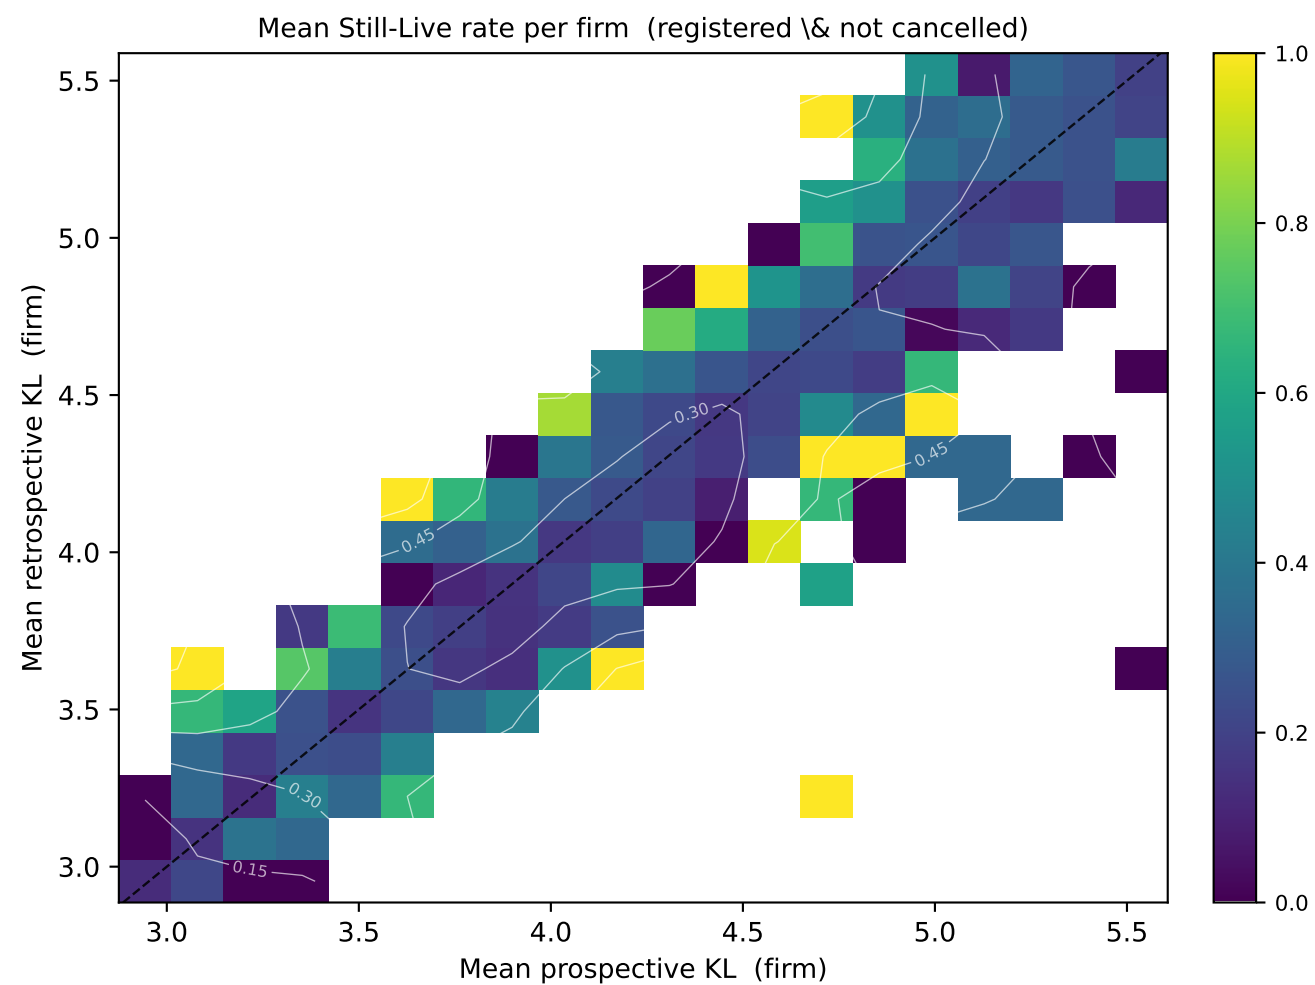

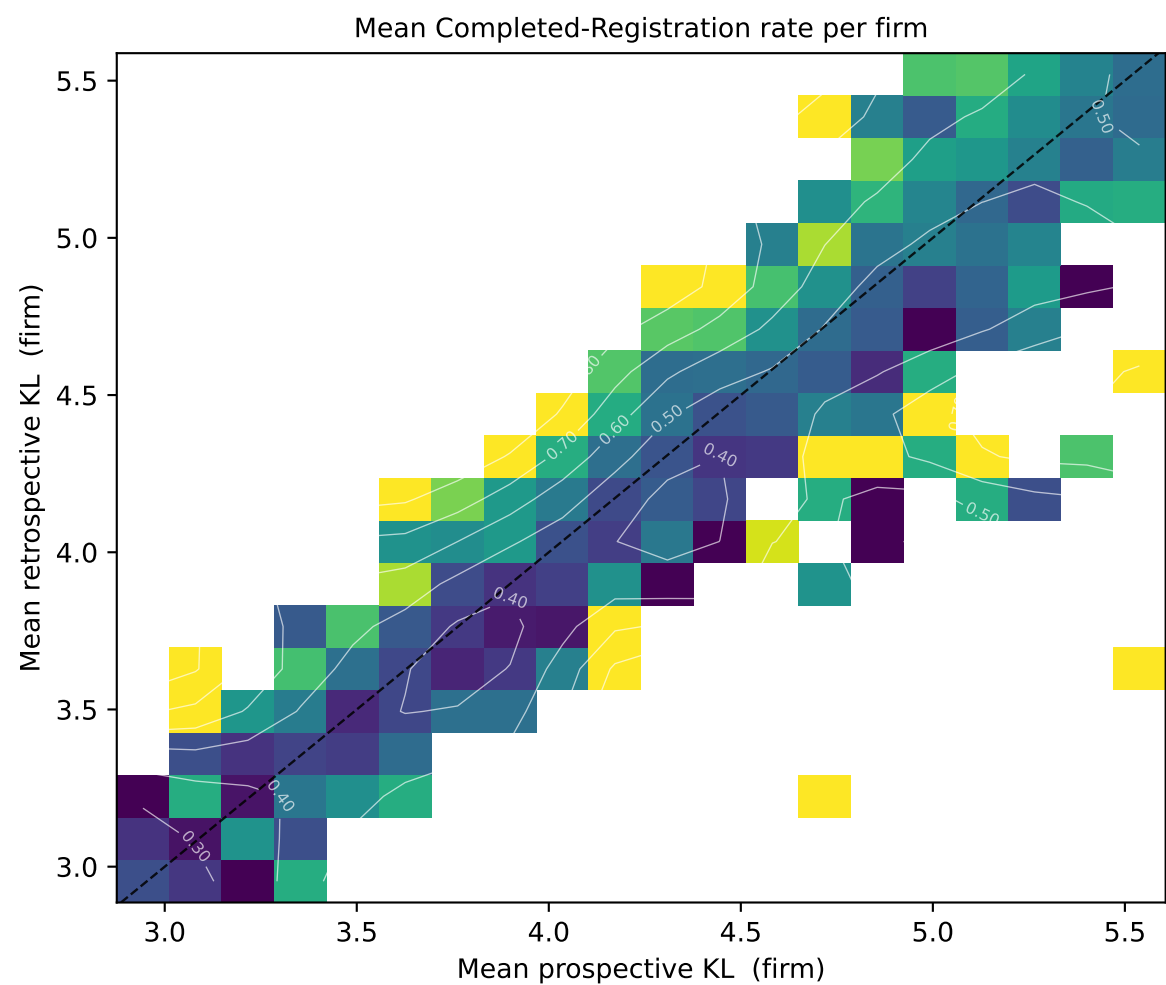

Within-firm std.\ of still-live outcomes

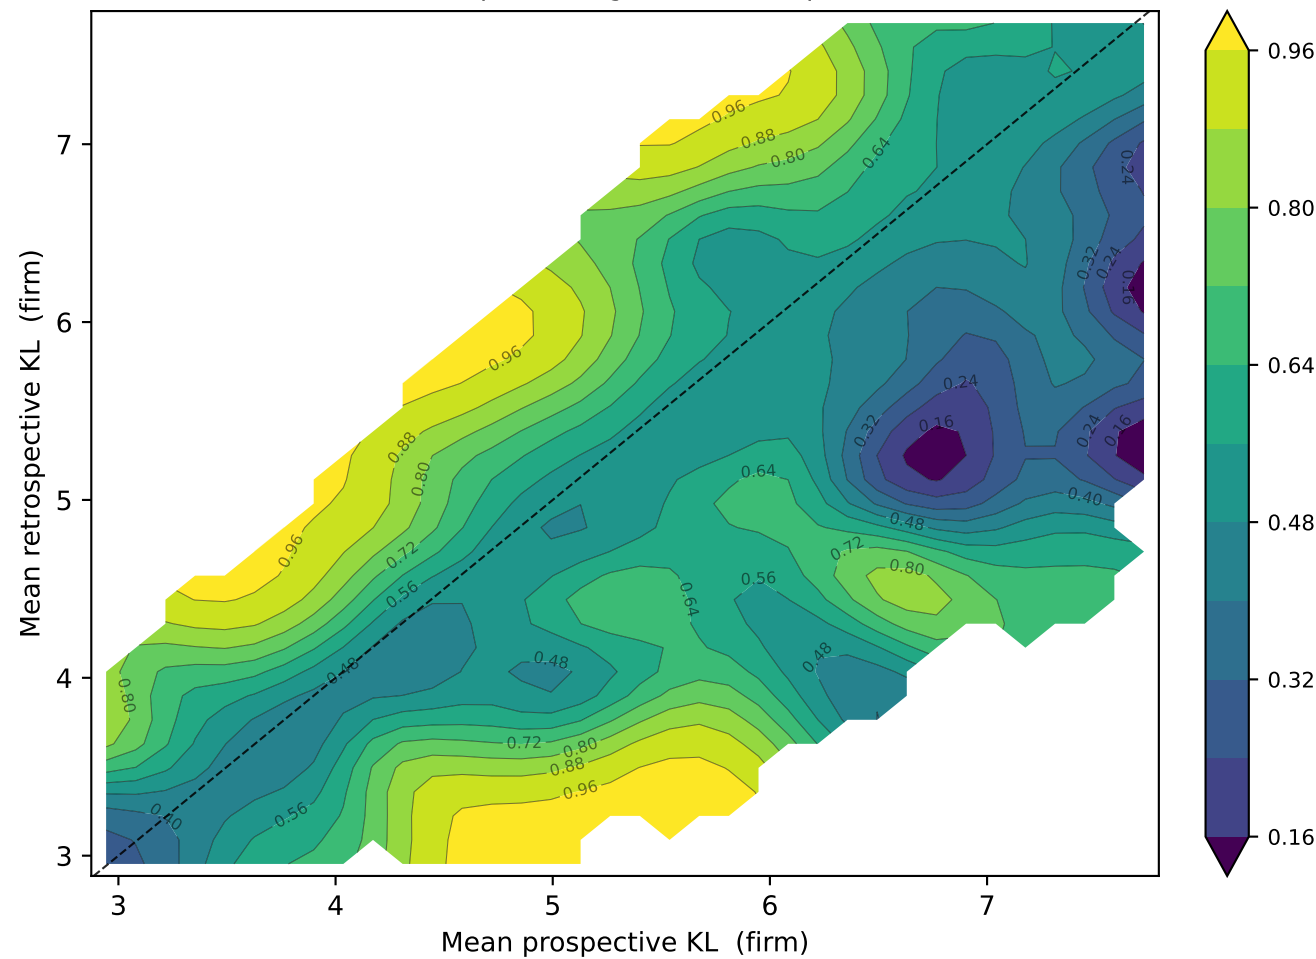

Class 006 — Common Metals — 78,165 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=5,574 firms

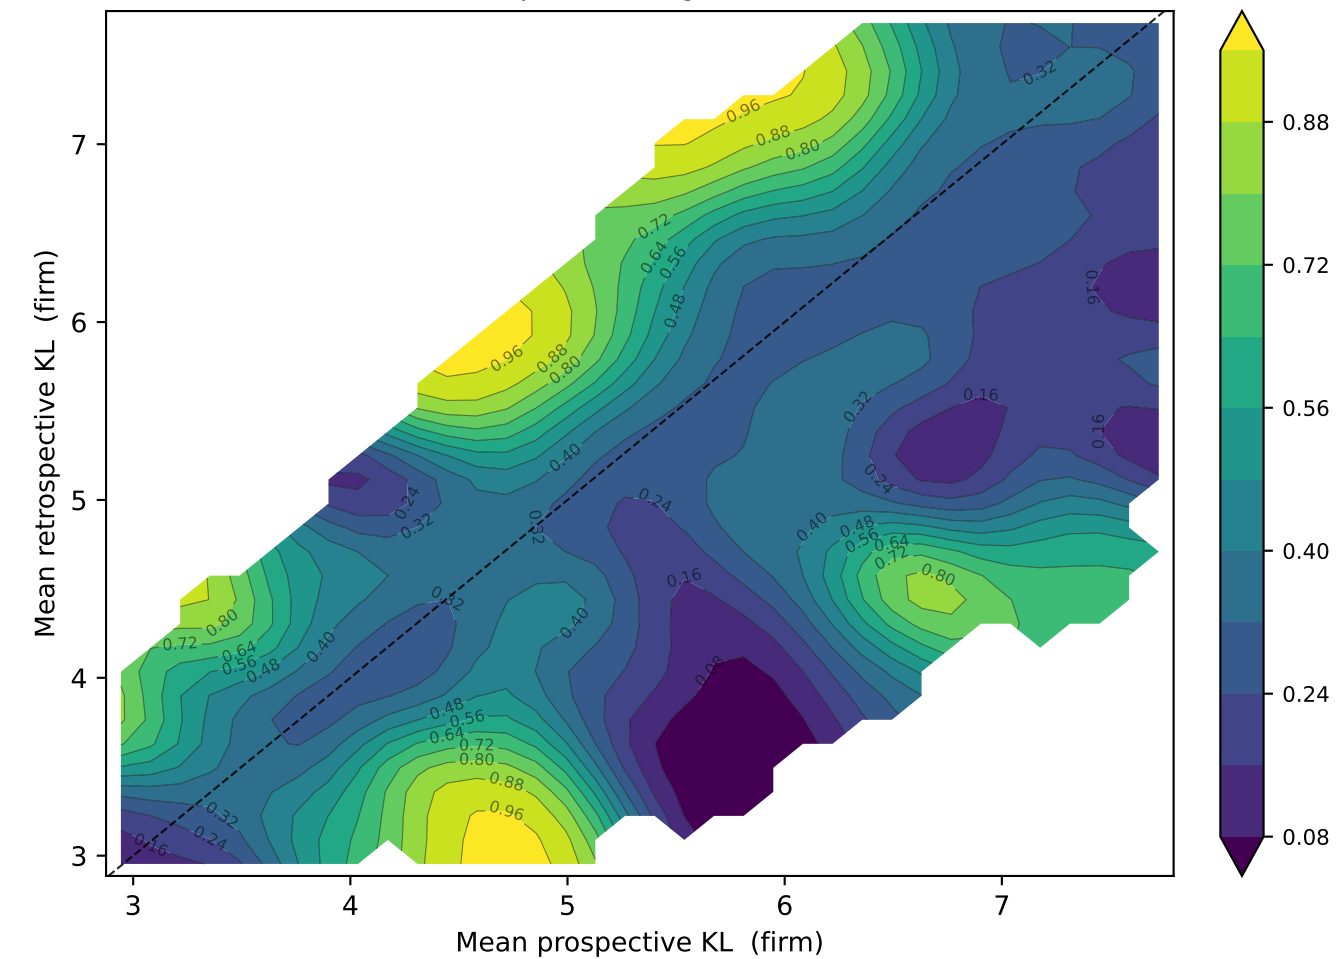

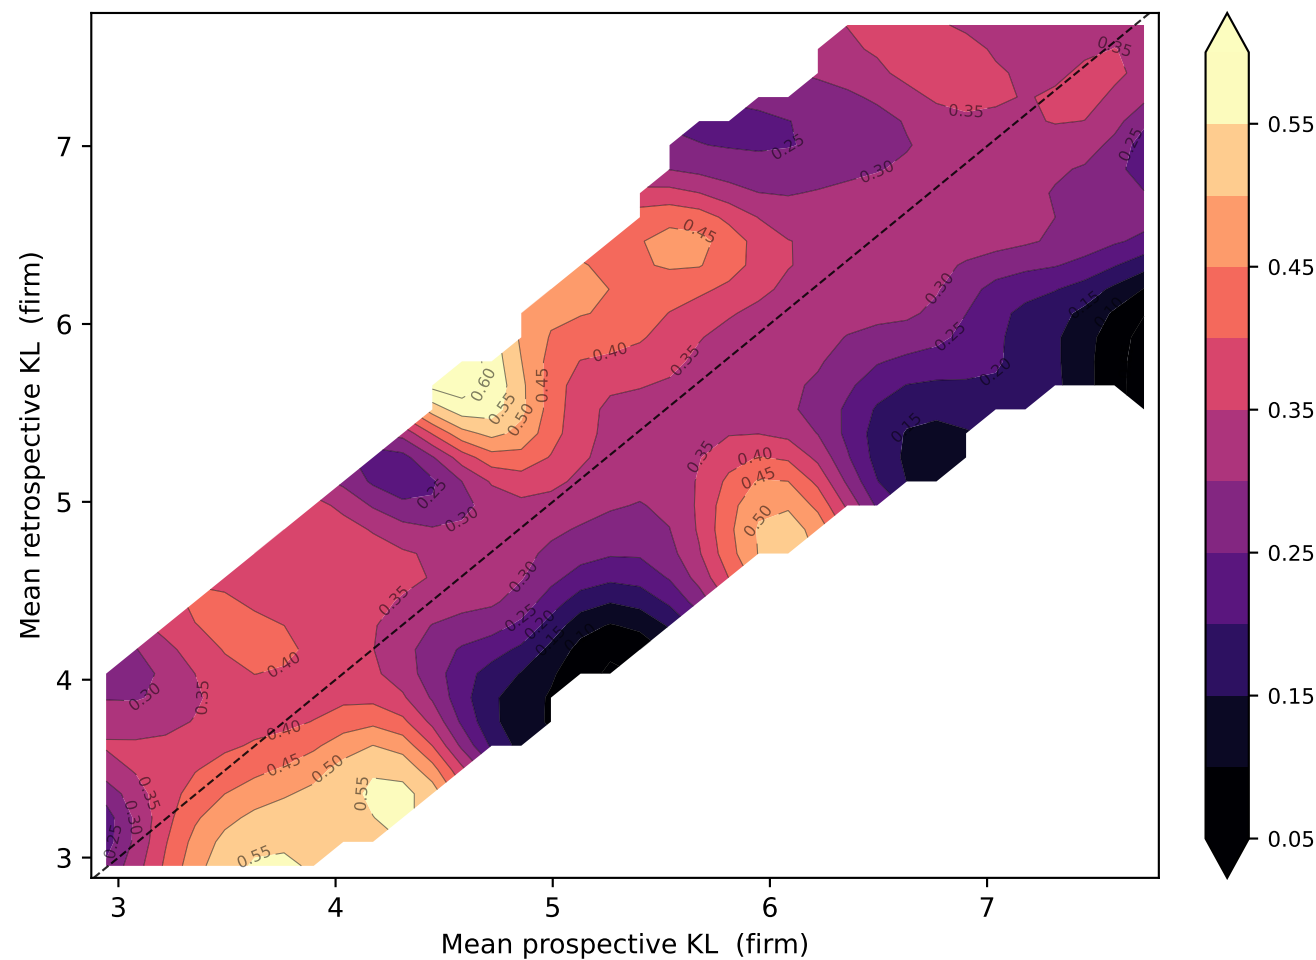

Mean Completed-Registration rate per firm

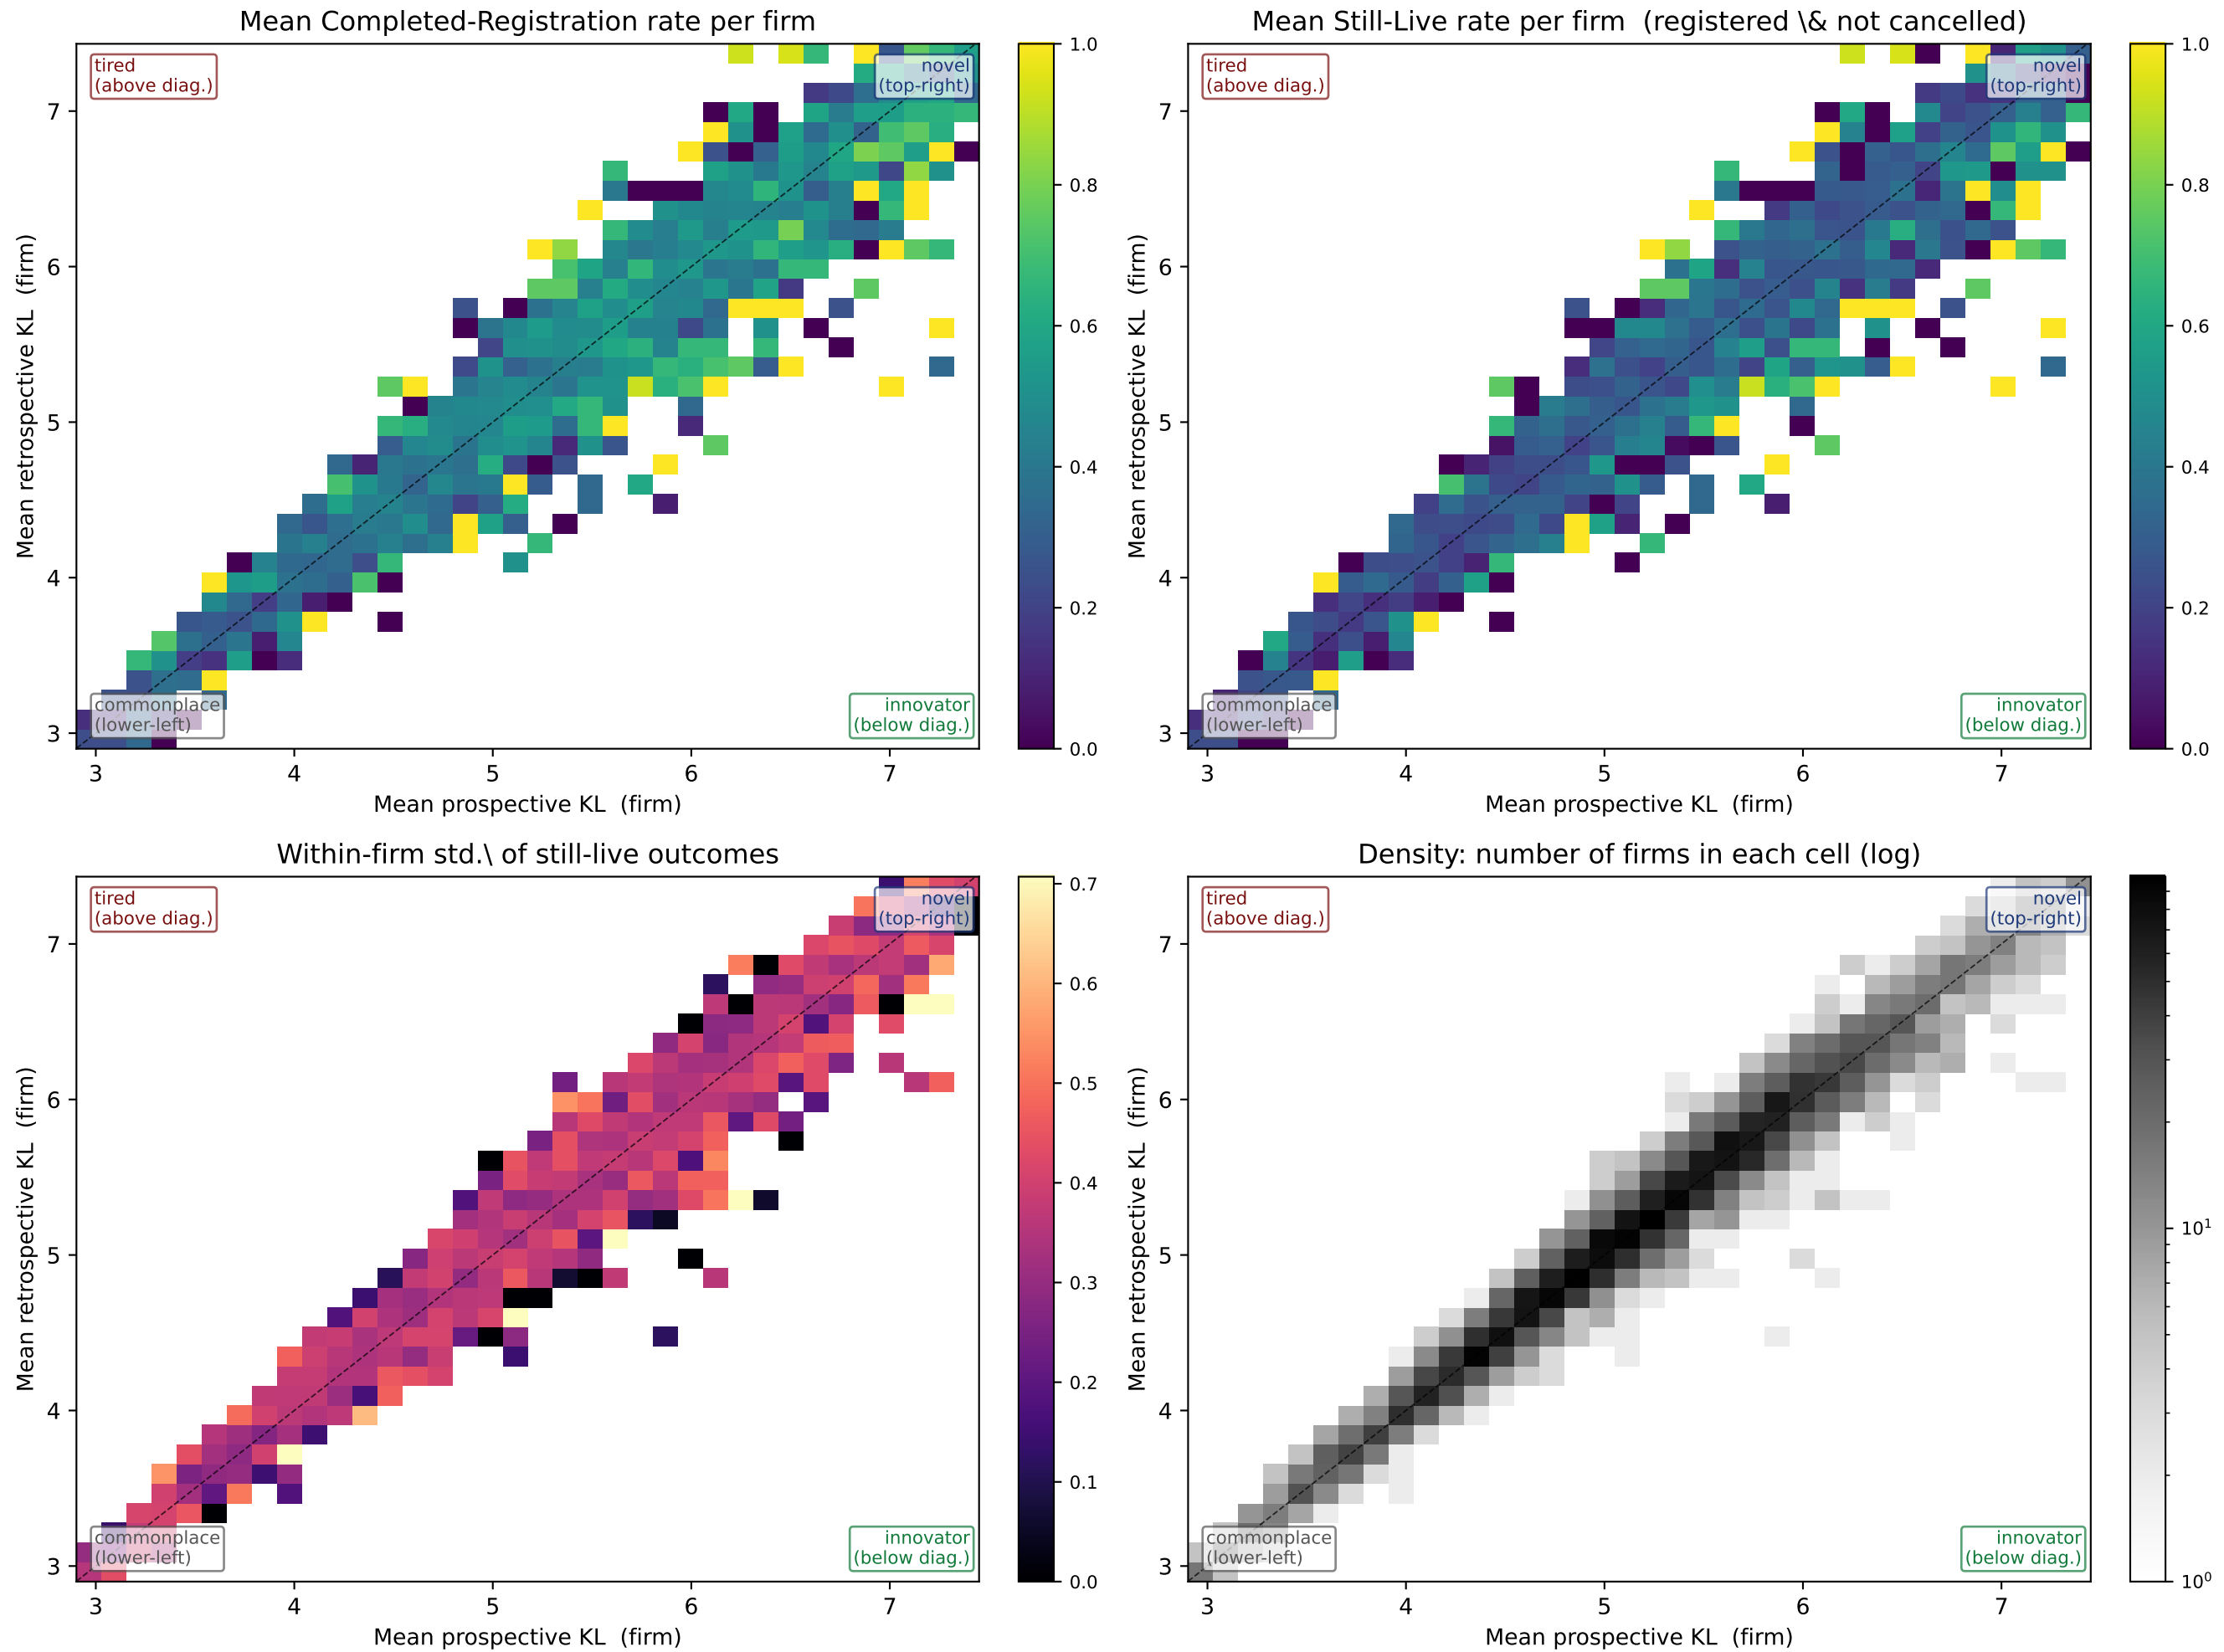

Mean Still-Live rate per firm (registered \& not cancelled)

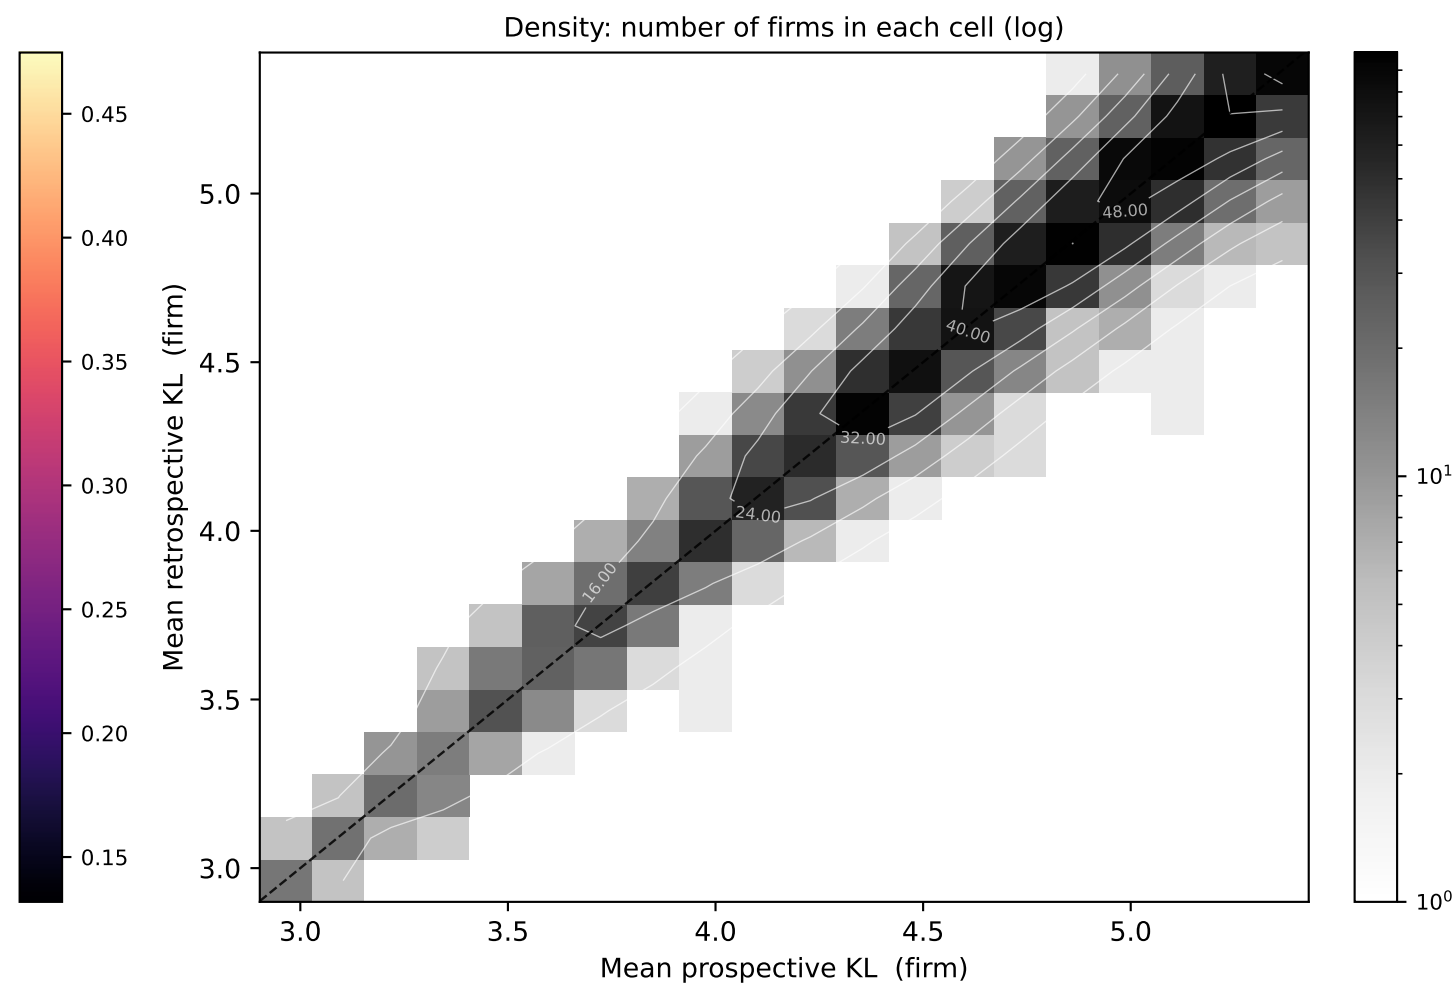

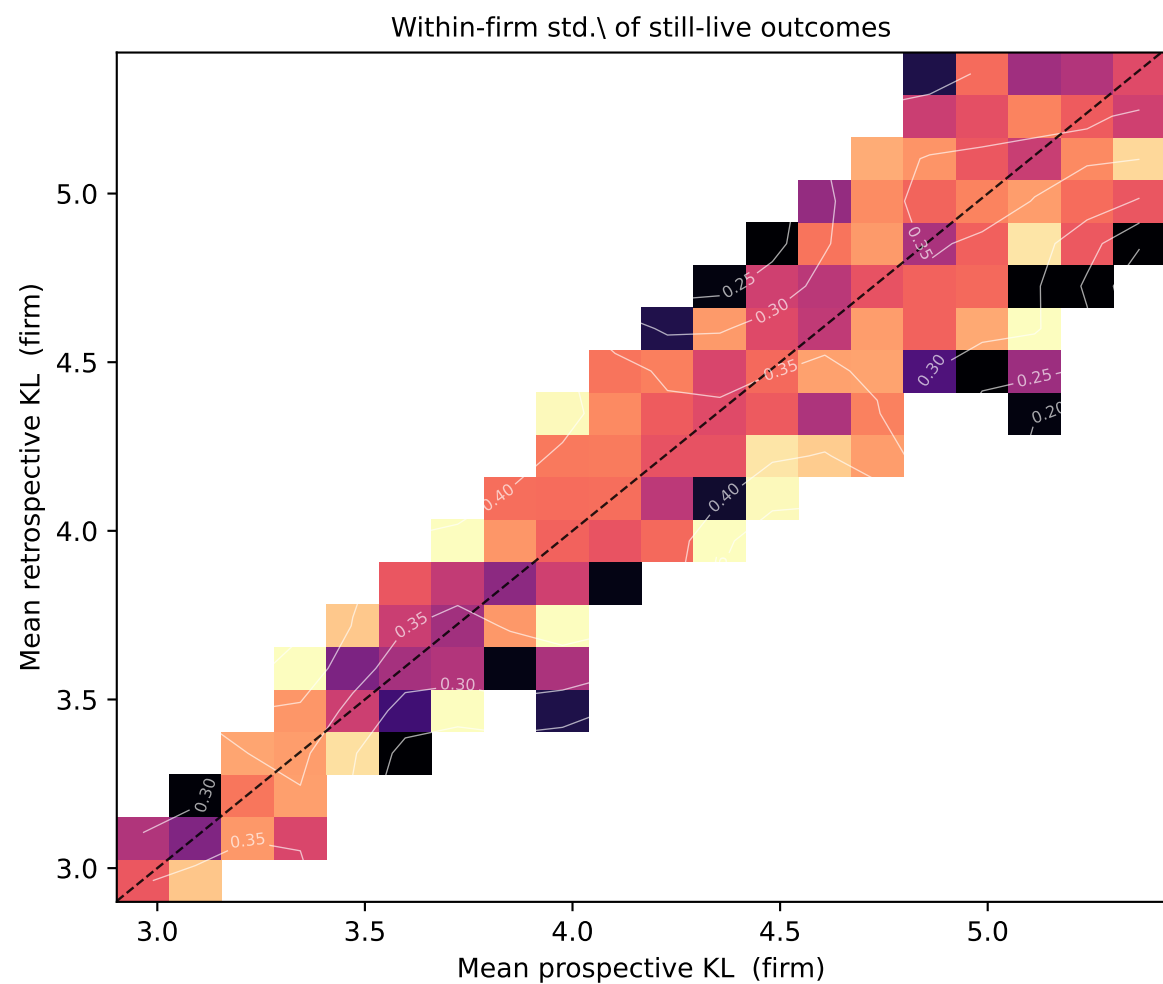

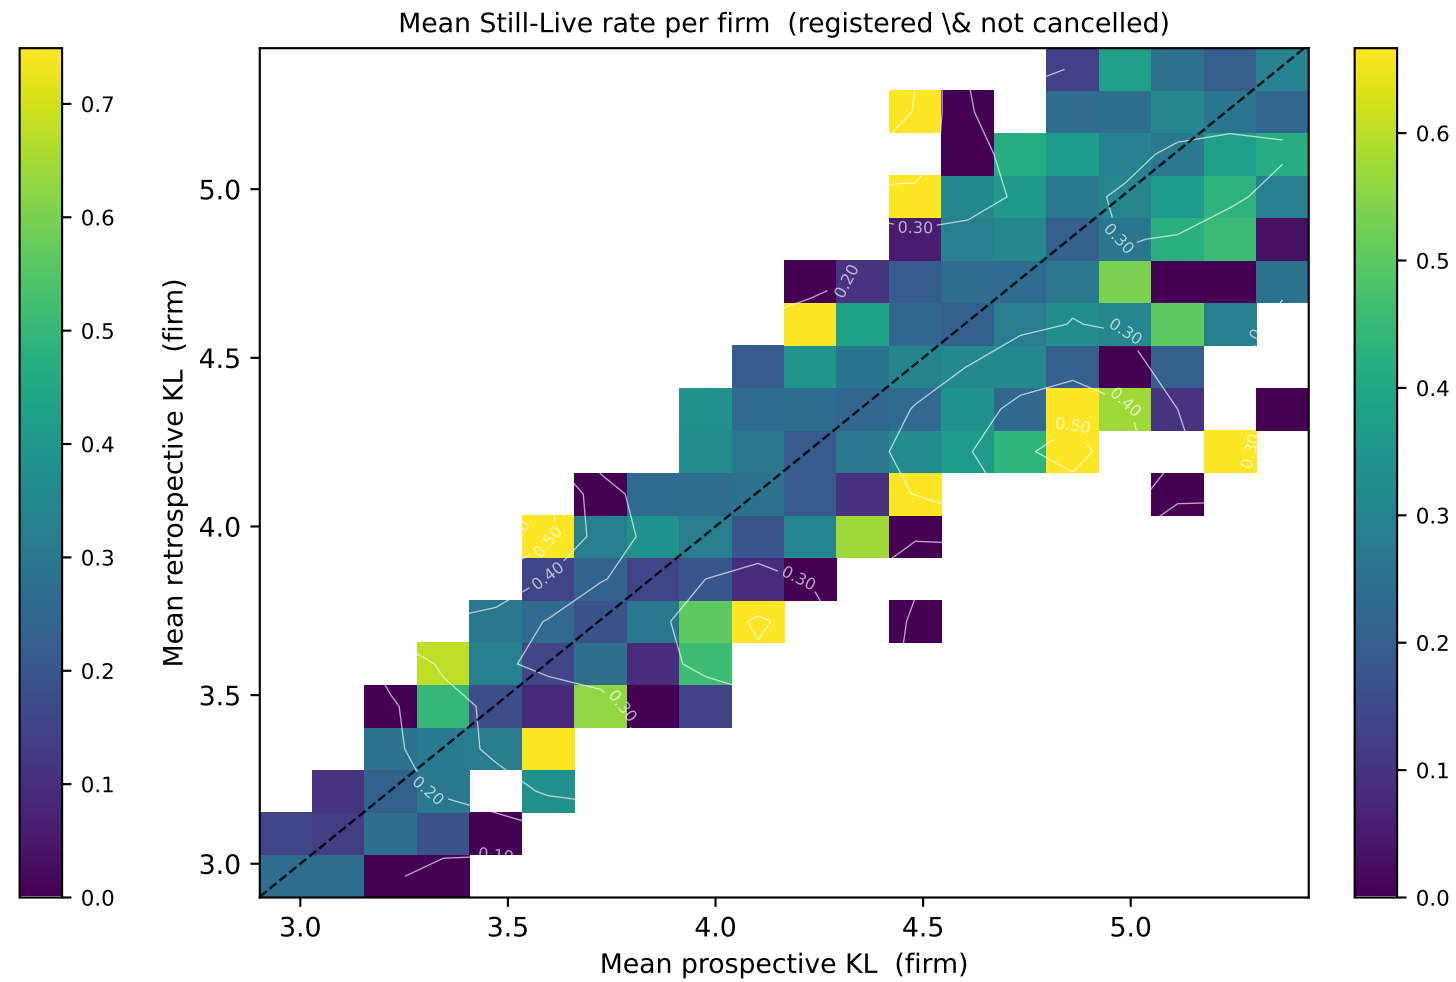

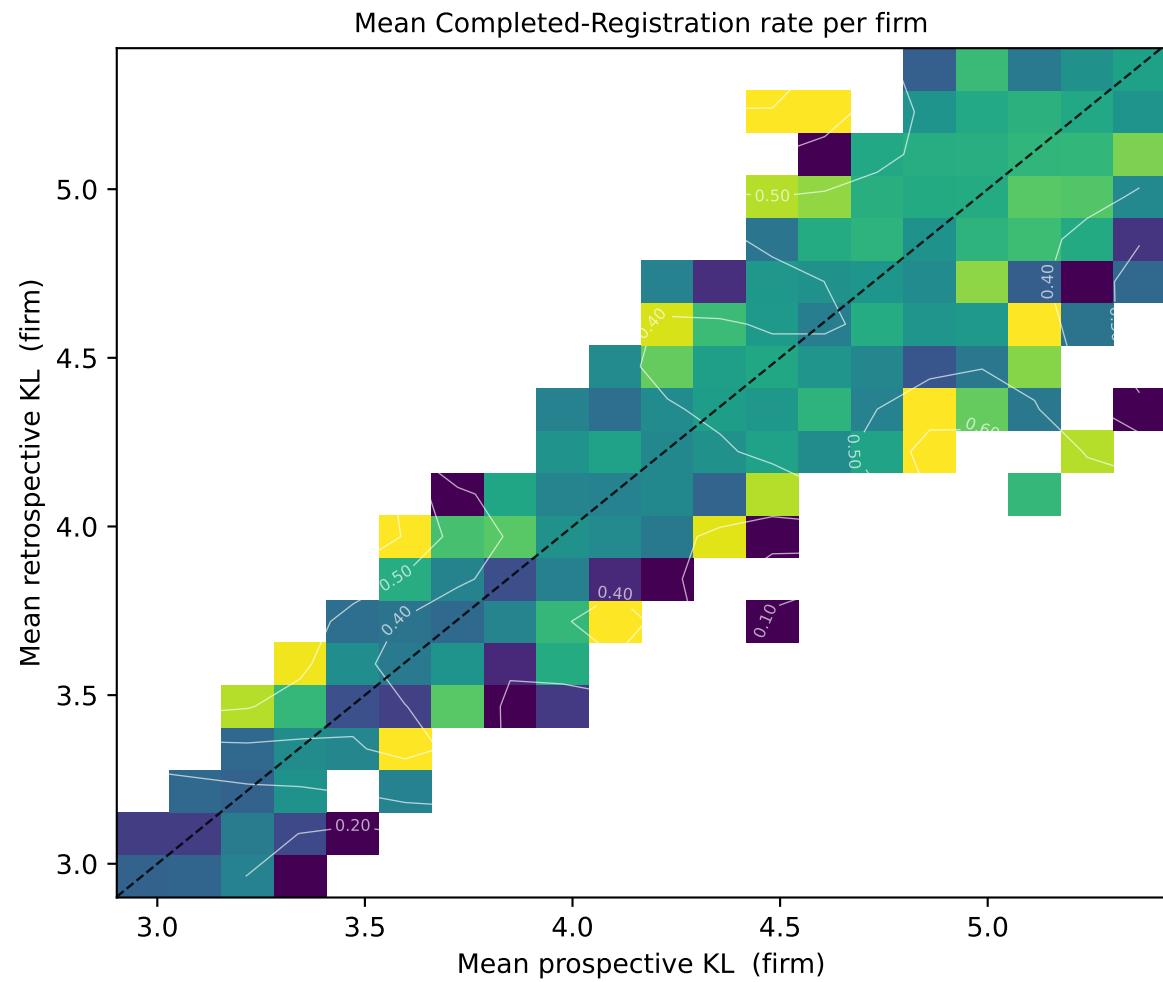

Within-firm std.\ of still-live outcomes

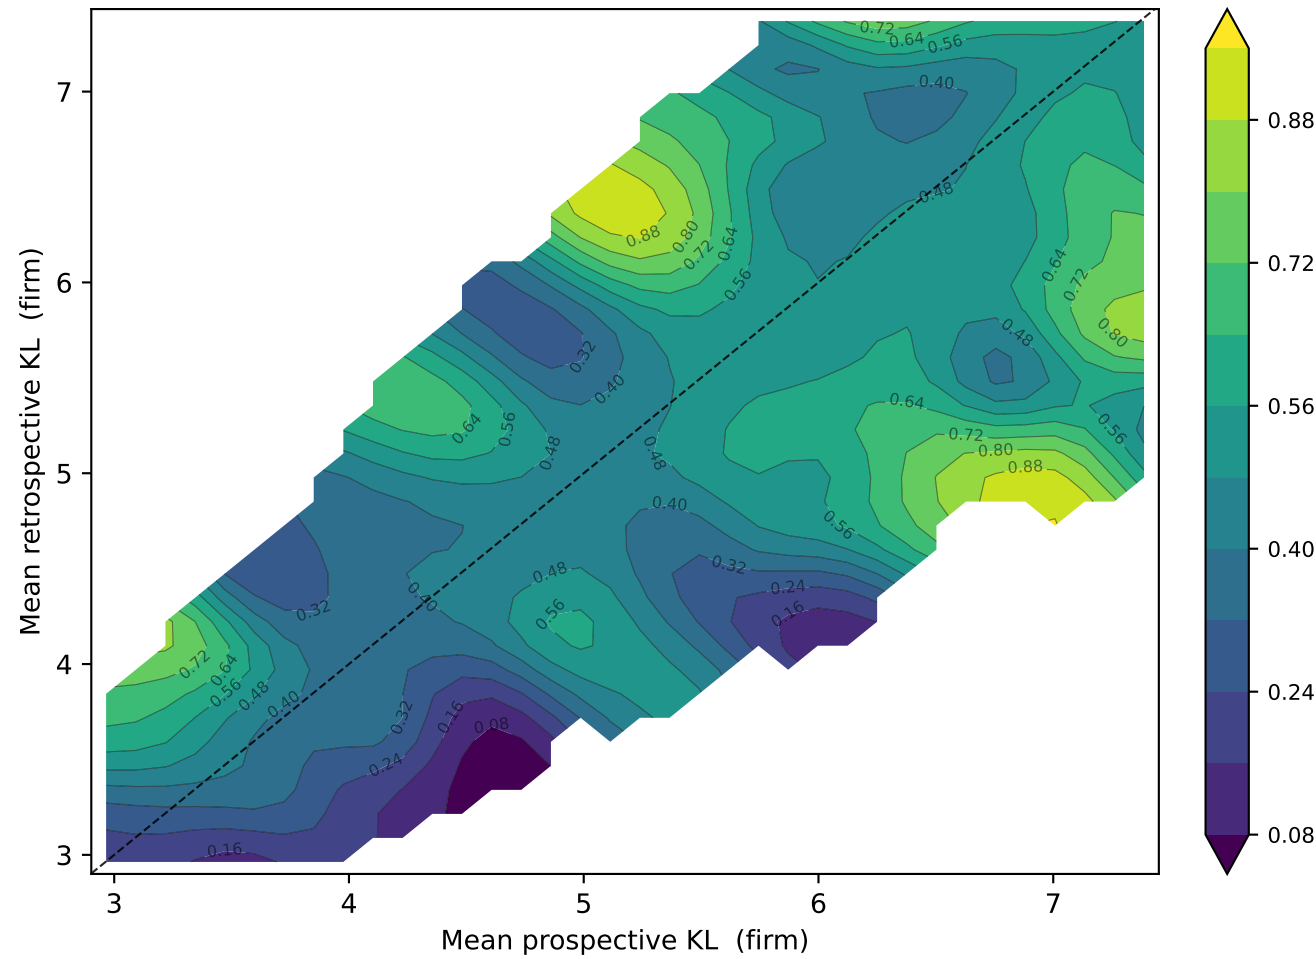

Class 040 — Materials Treatment — 75,249 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=5,140 firms

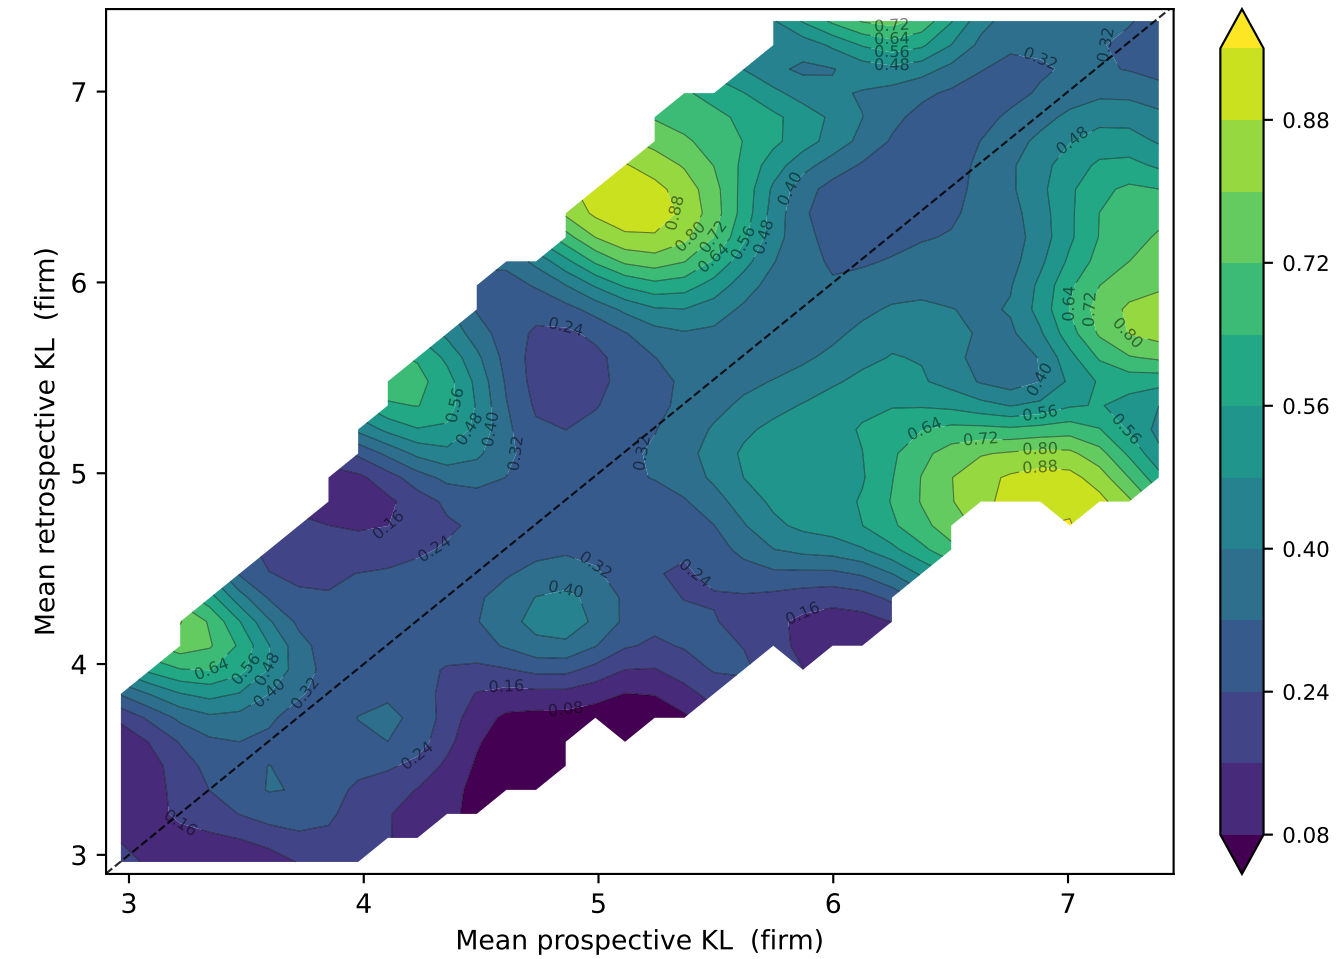

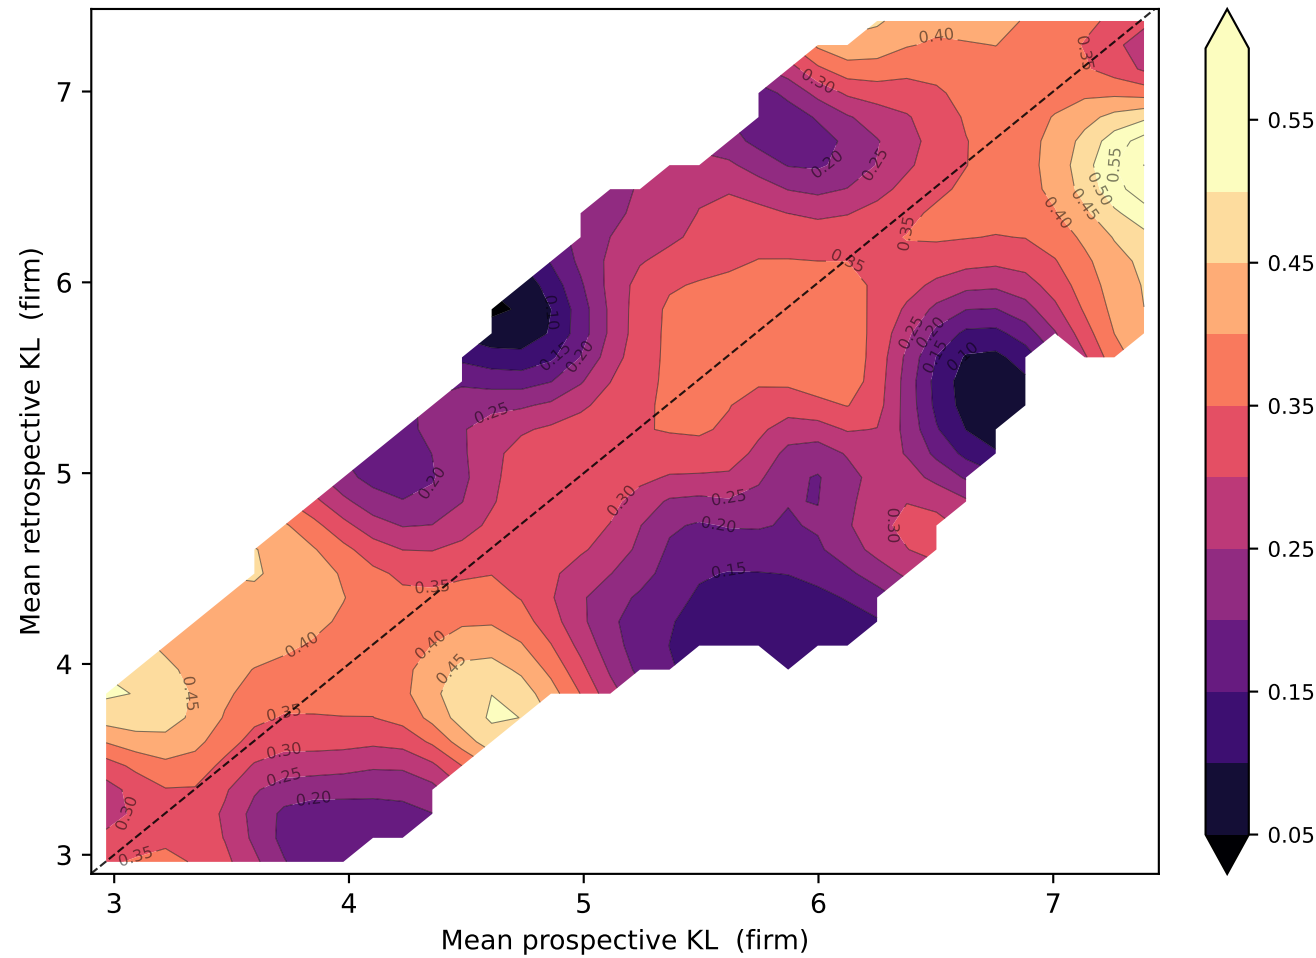

Mean Completed-Registration rate per firm

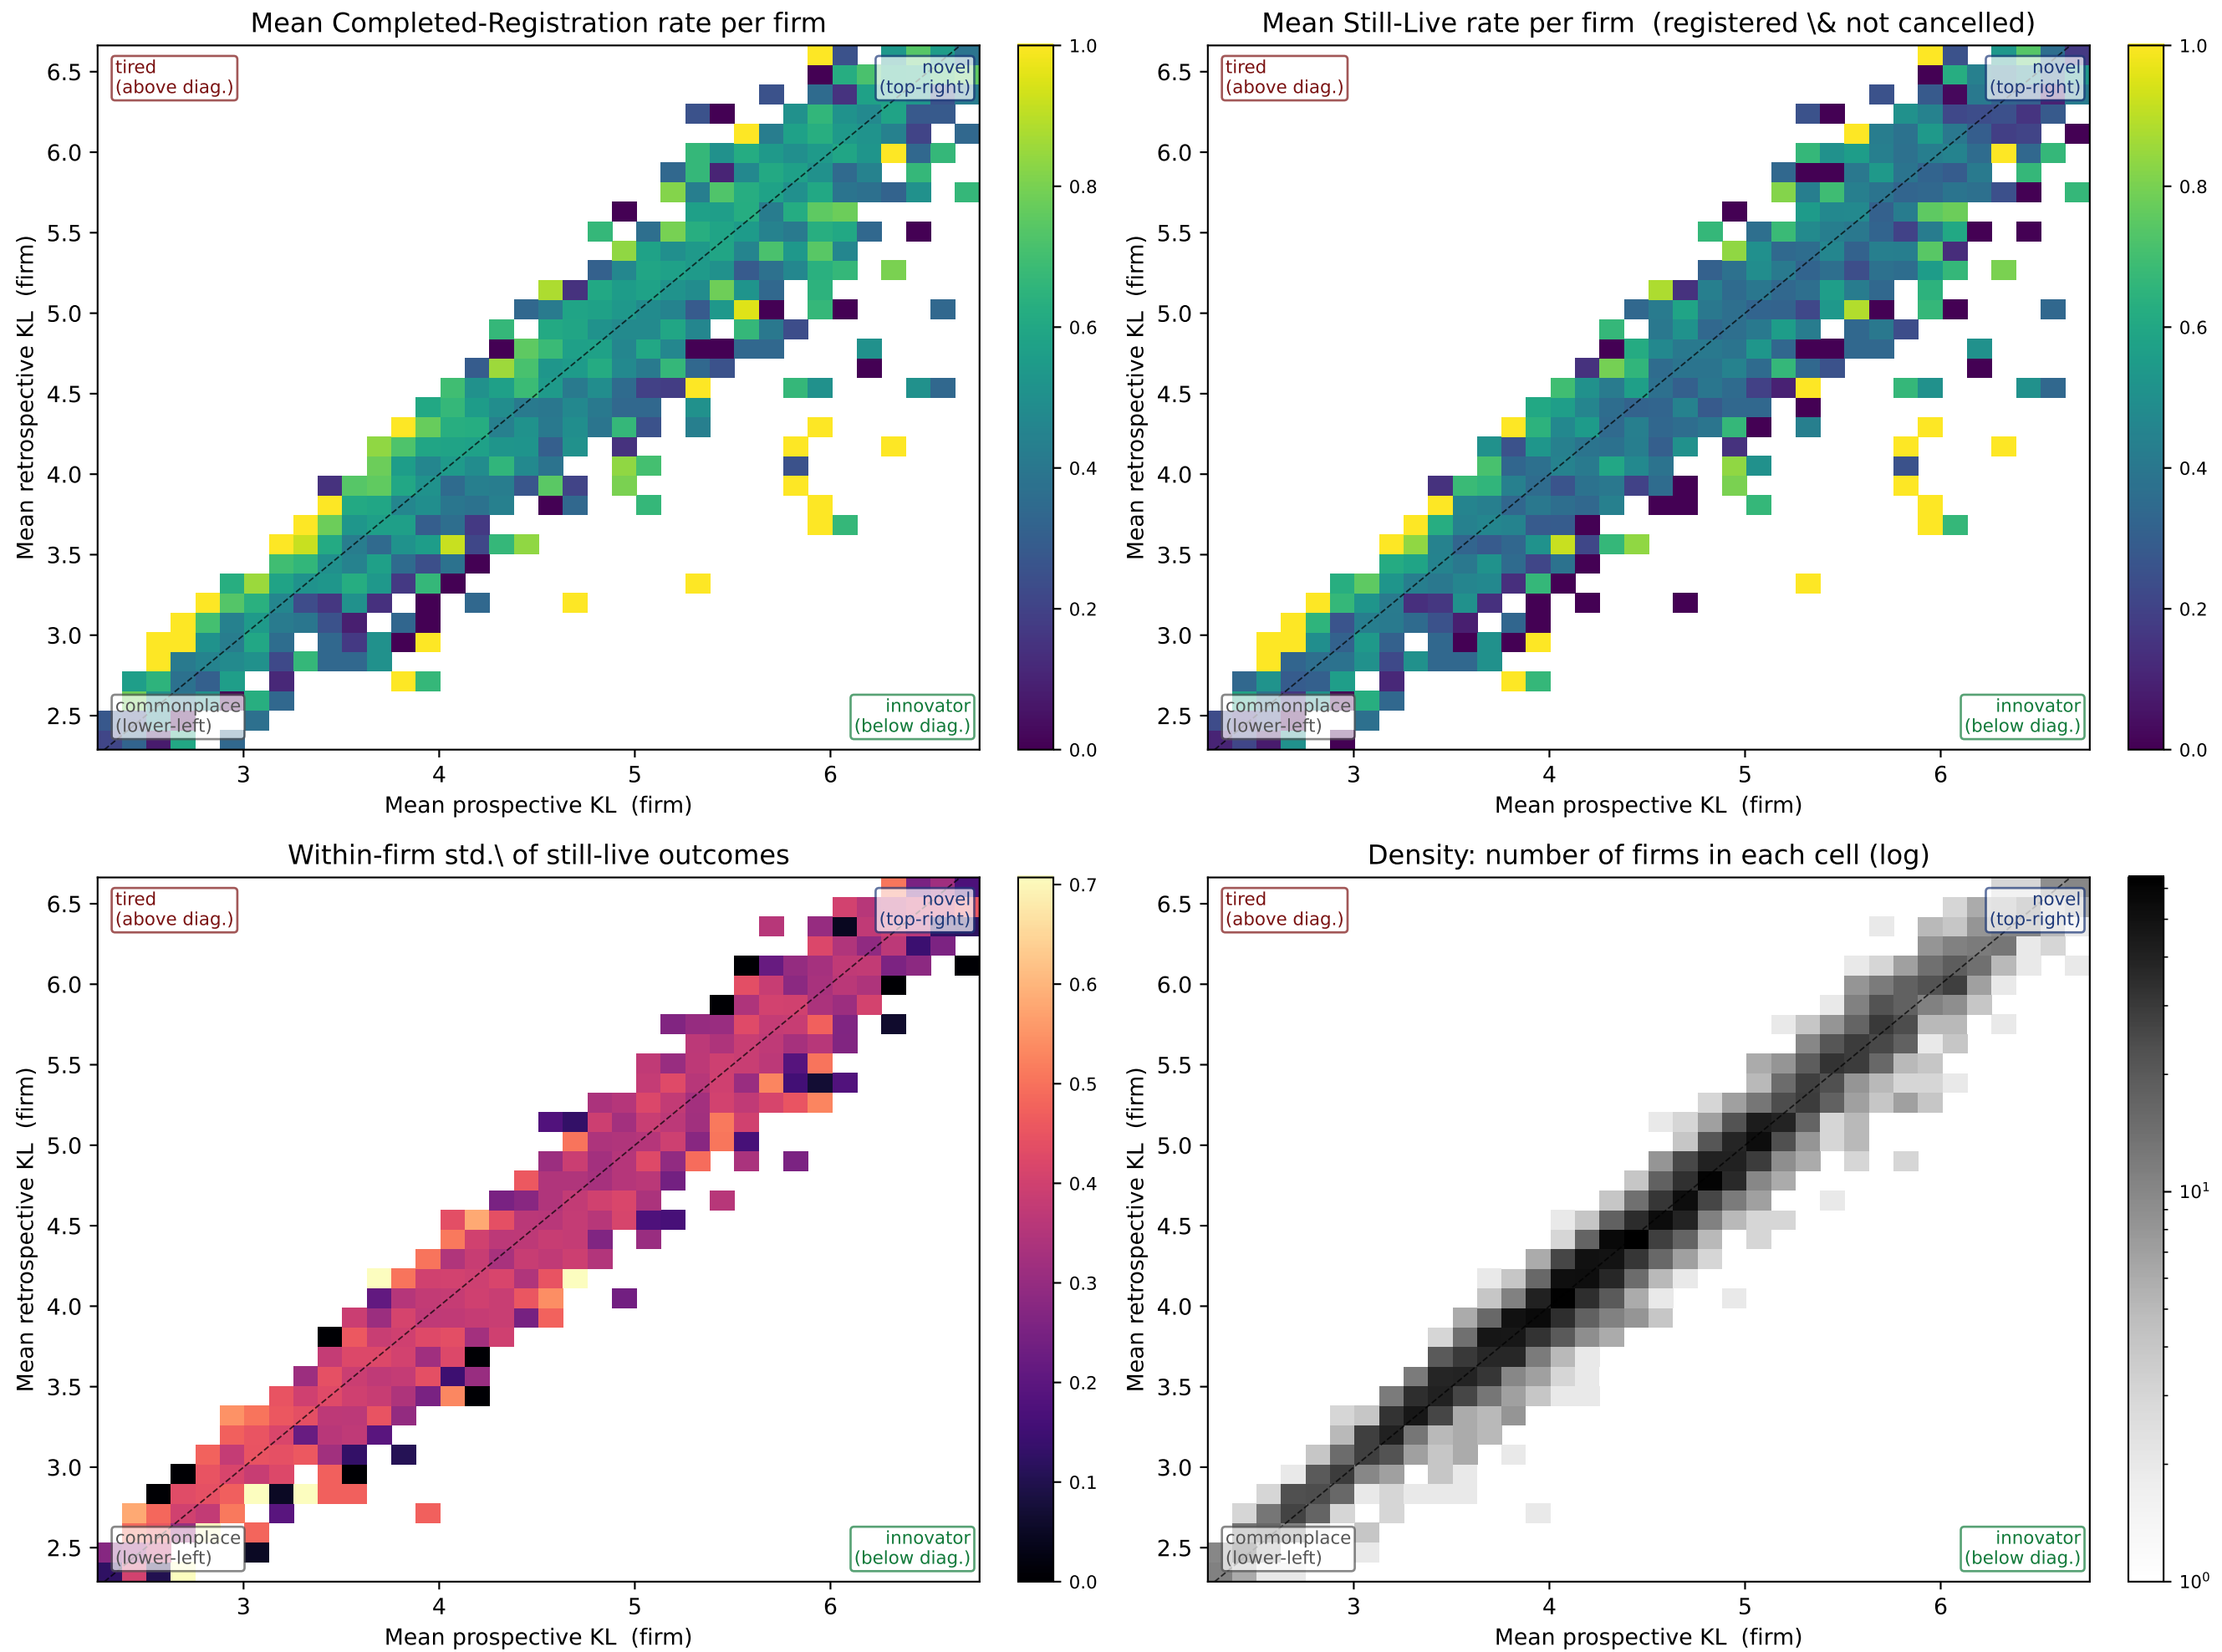

Mean Still-Live rate per firm (registered \& not cancelled)

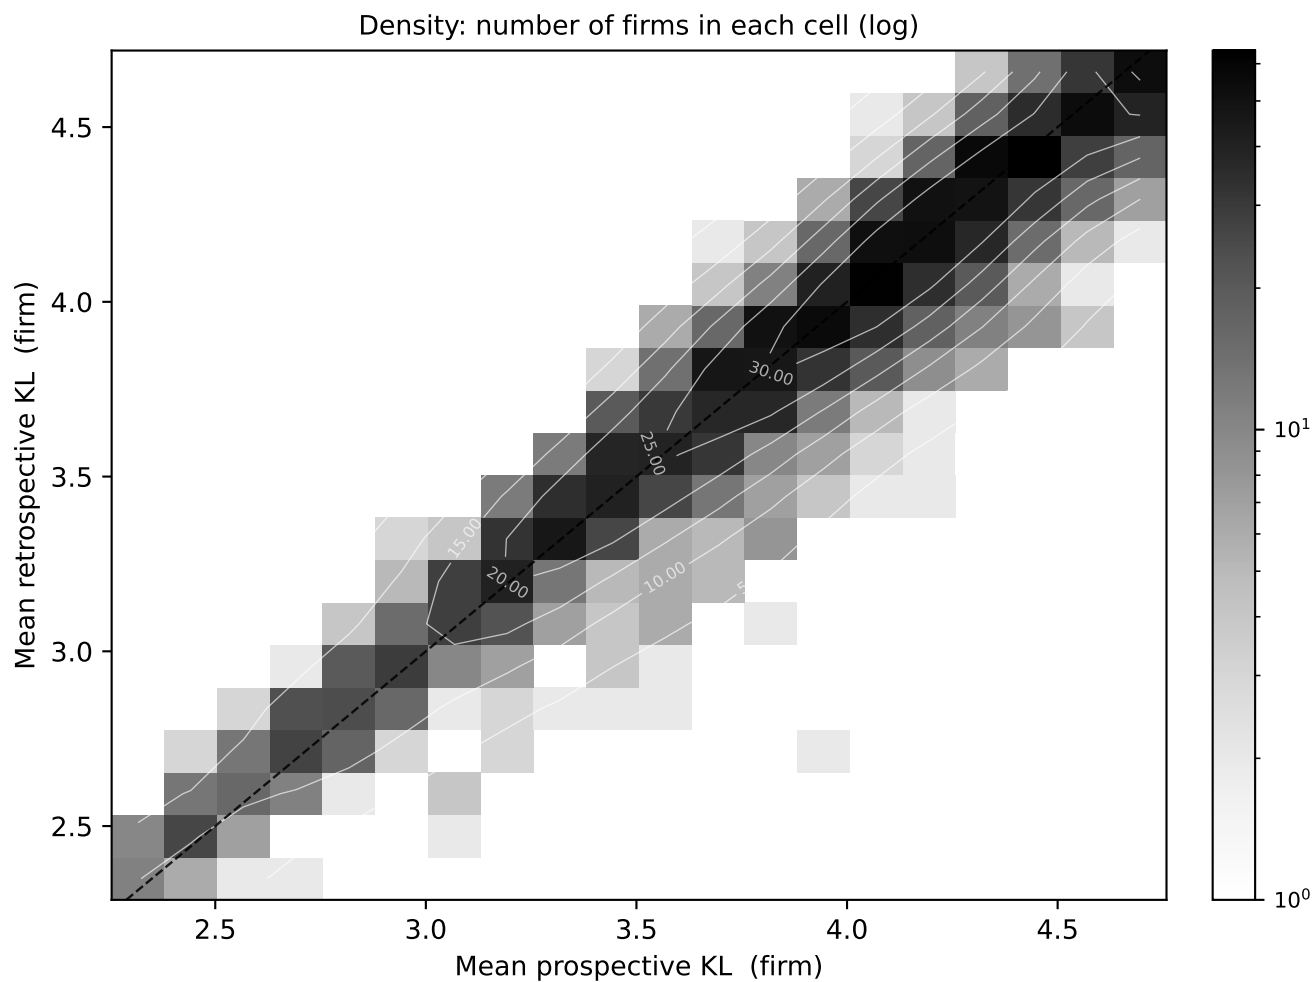

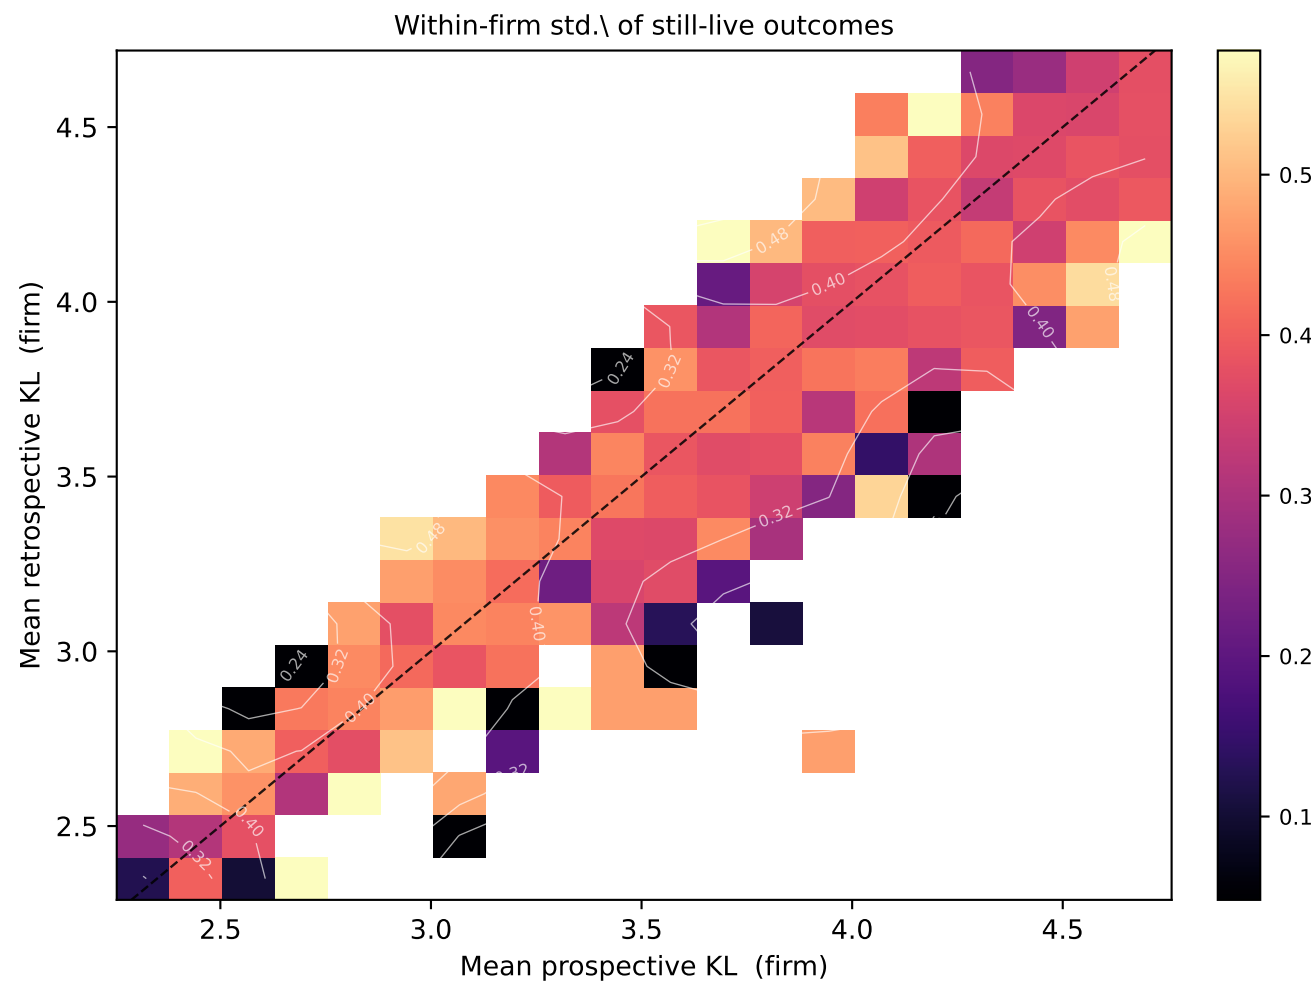

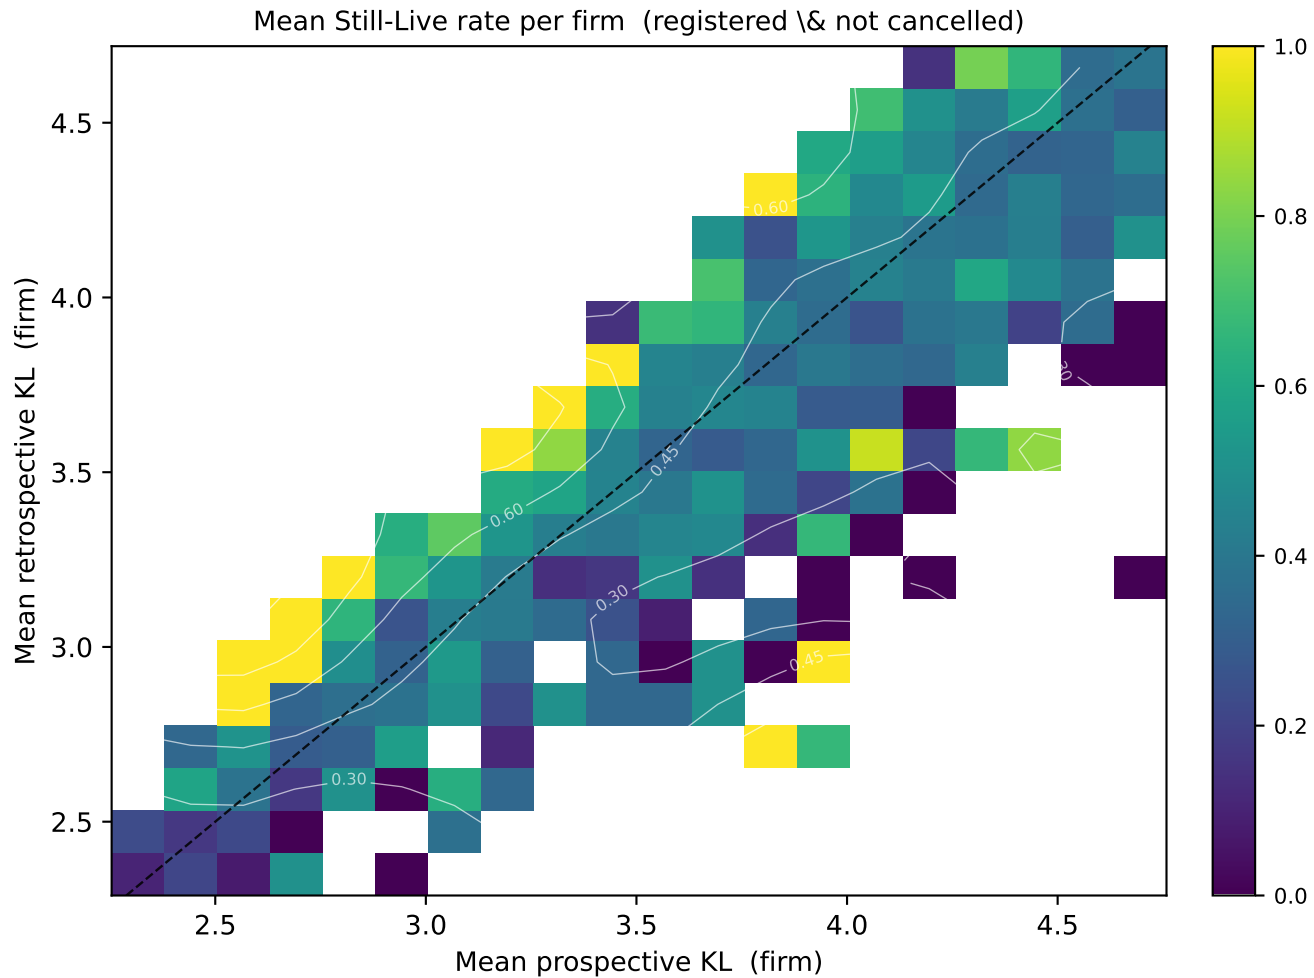

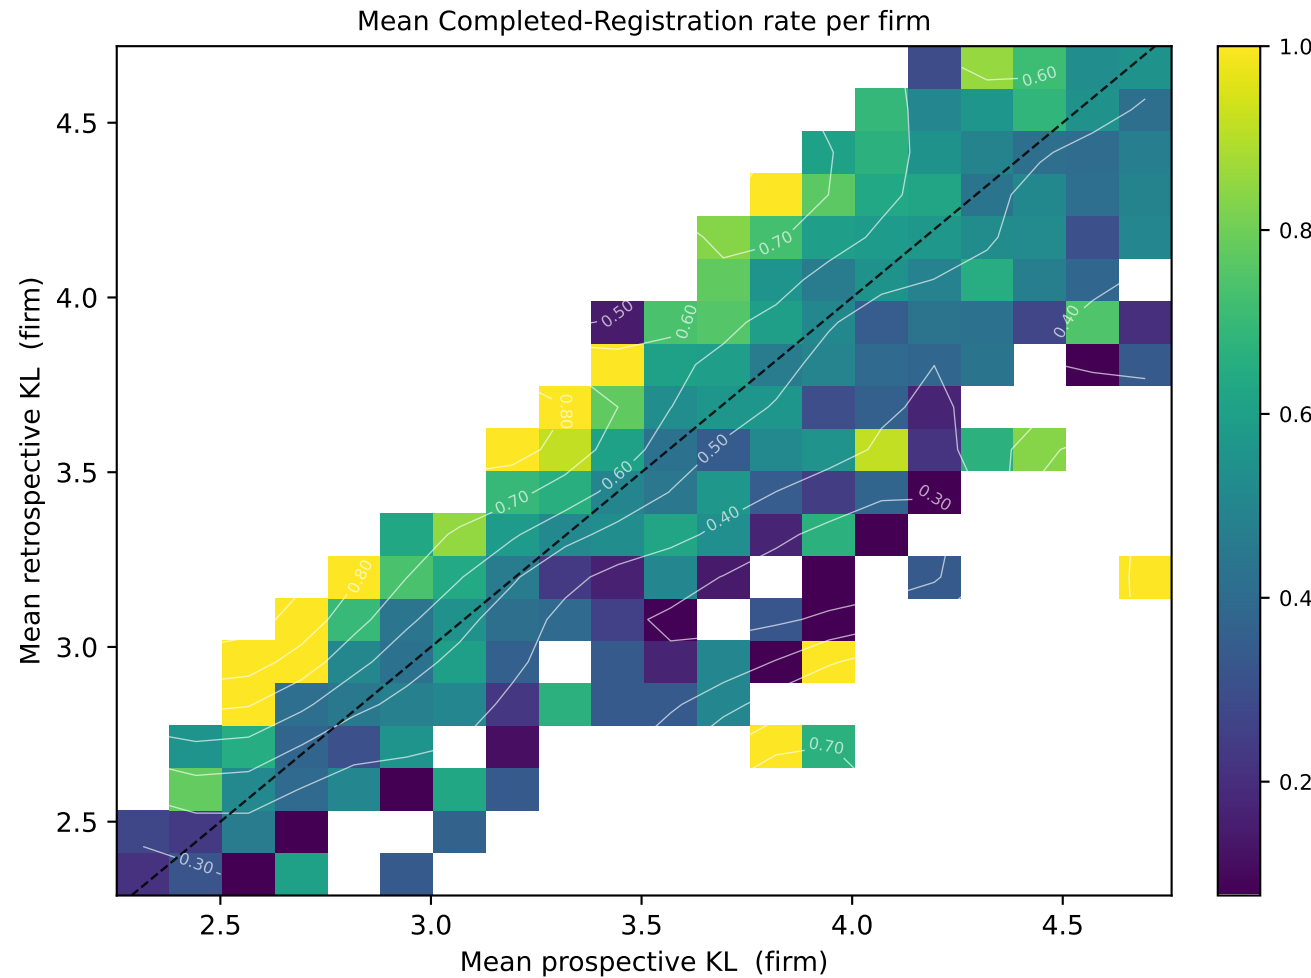

Within-firm std.\ of still-live outcomes

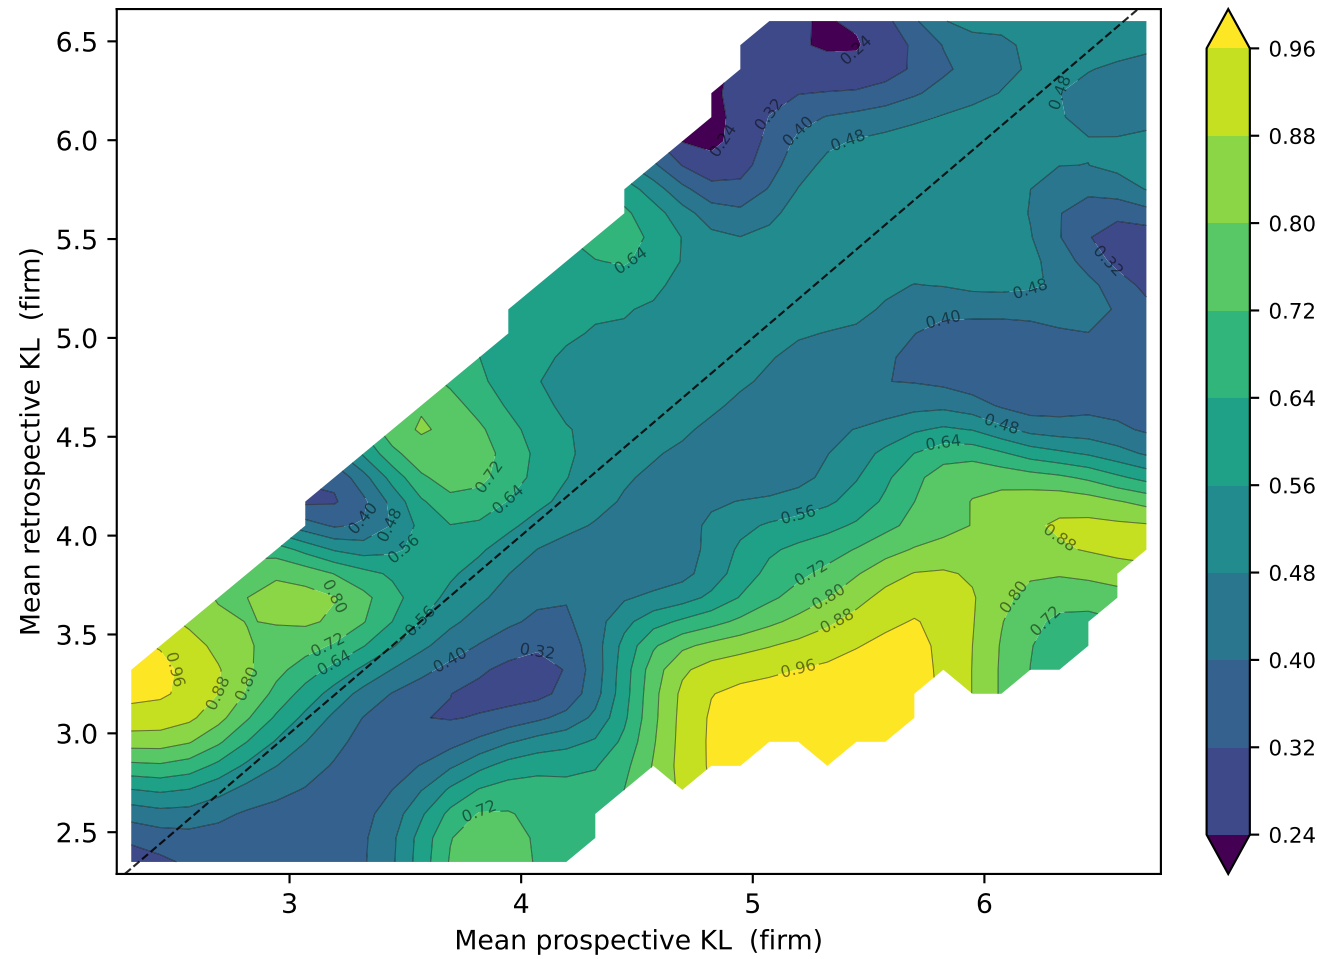

Class 024 — Textiles & Bedding — 65,983 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=4,178 firms

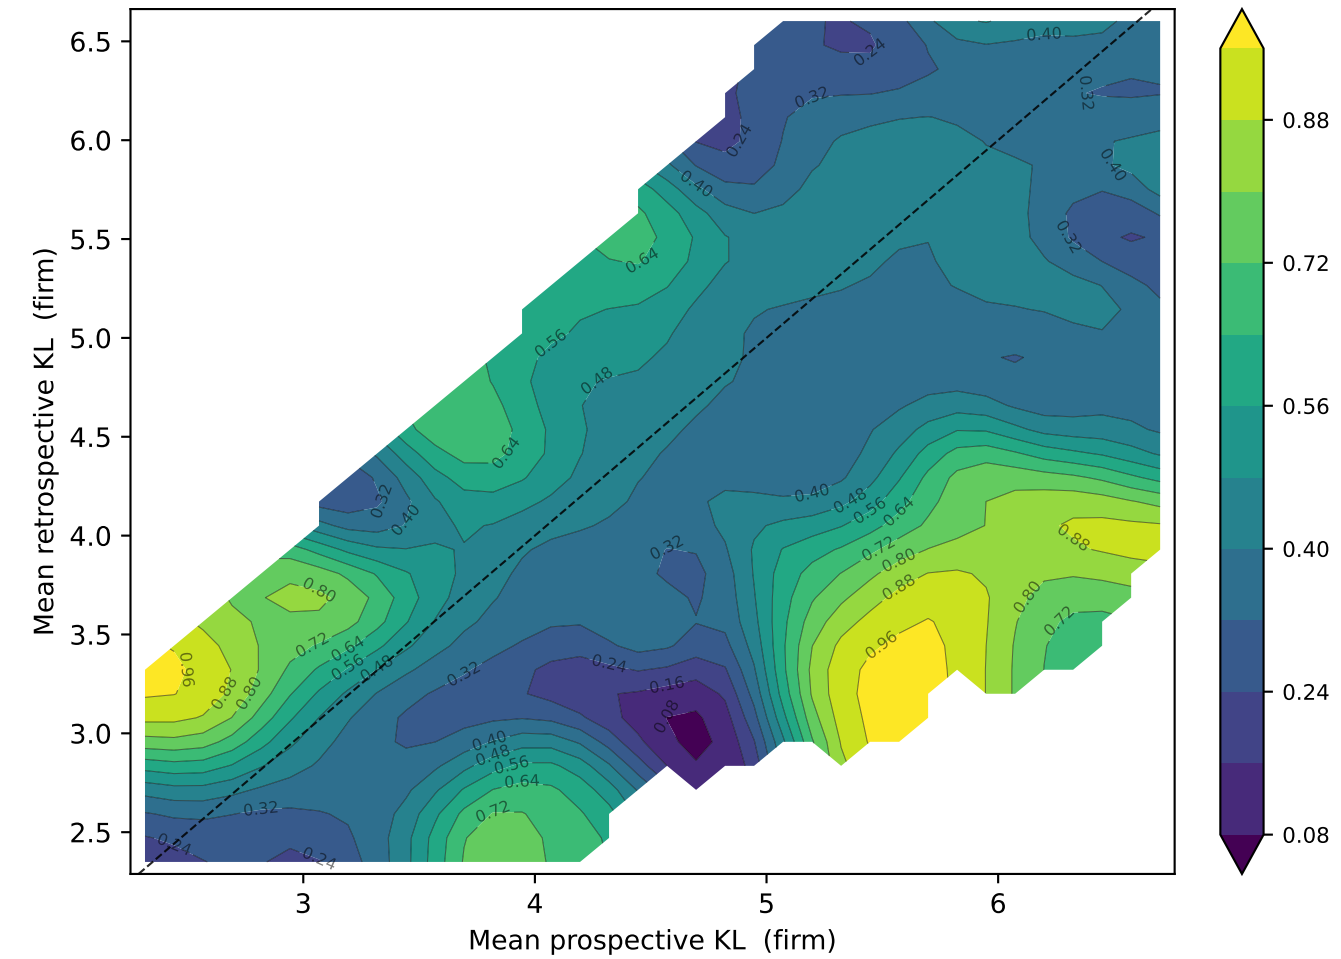

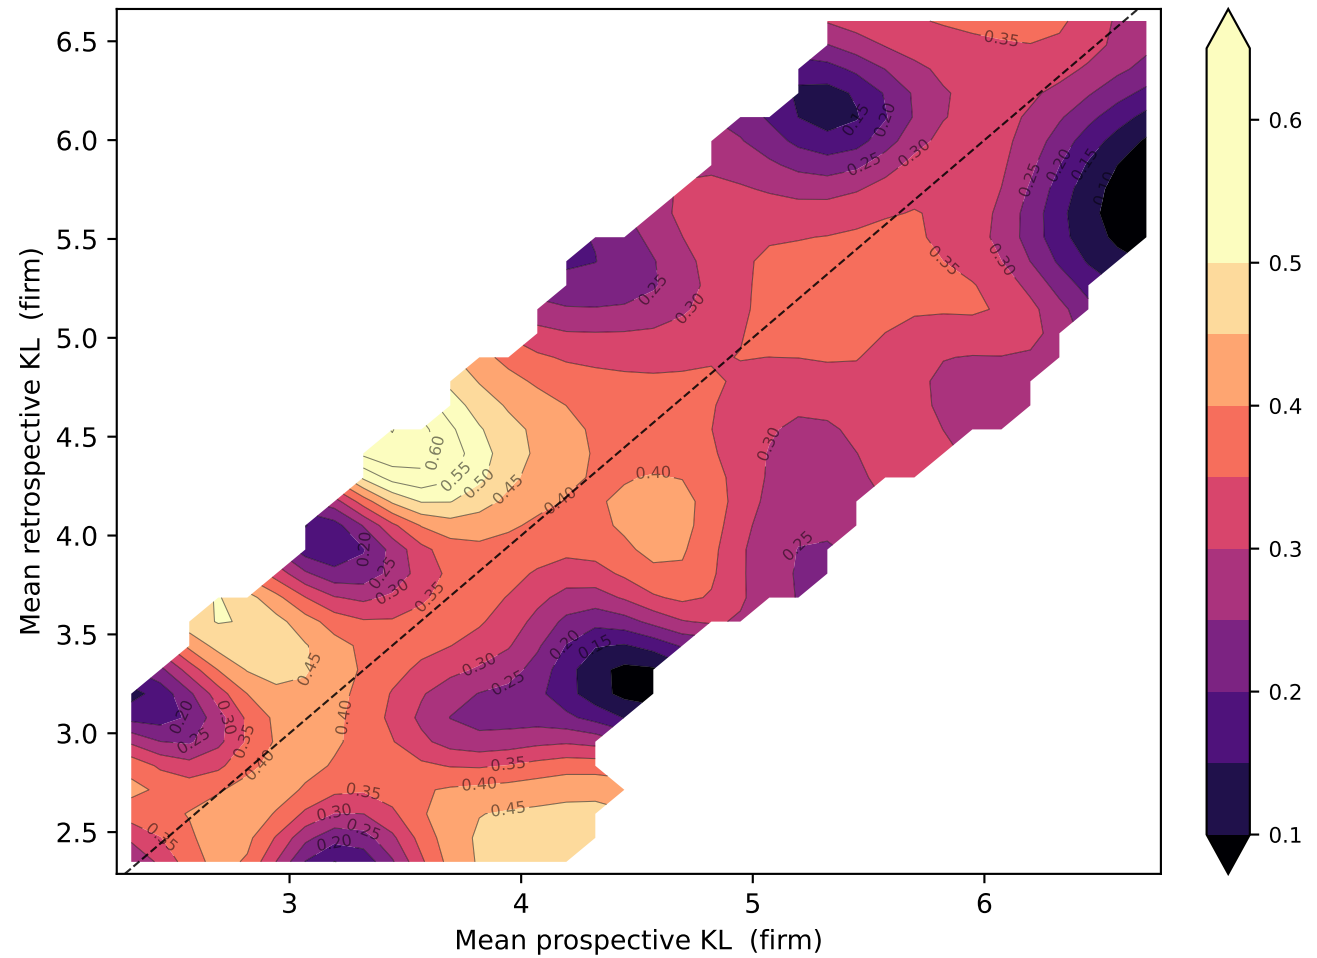

Mean Completed-Registration rate per firm

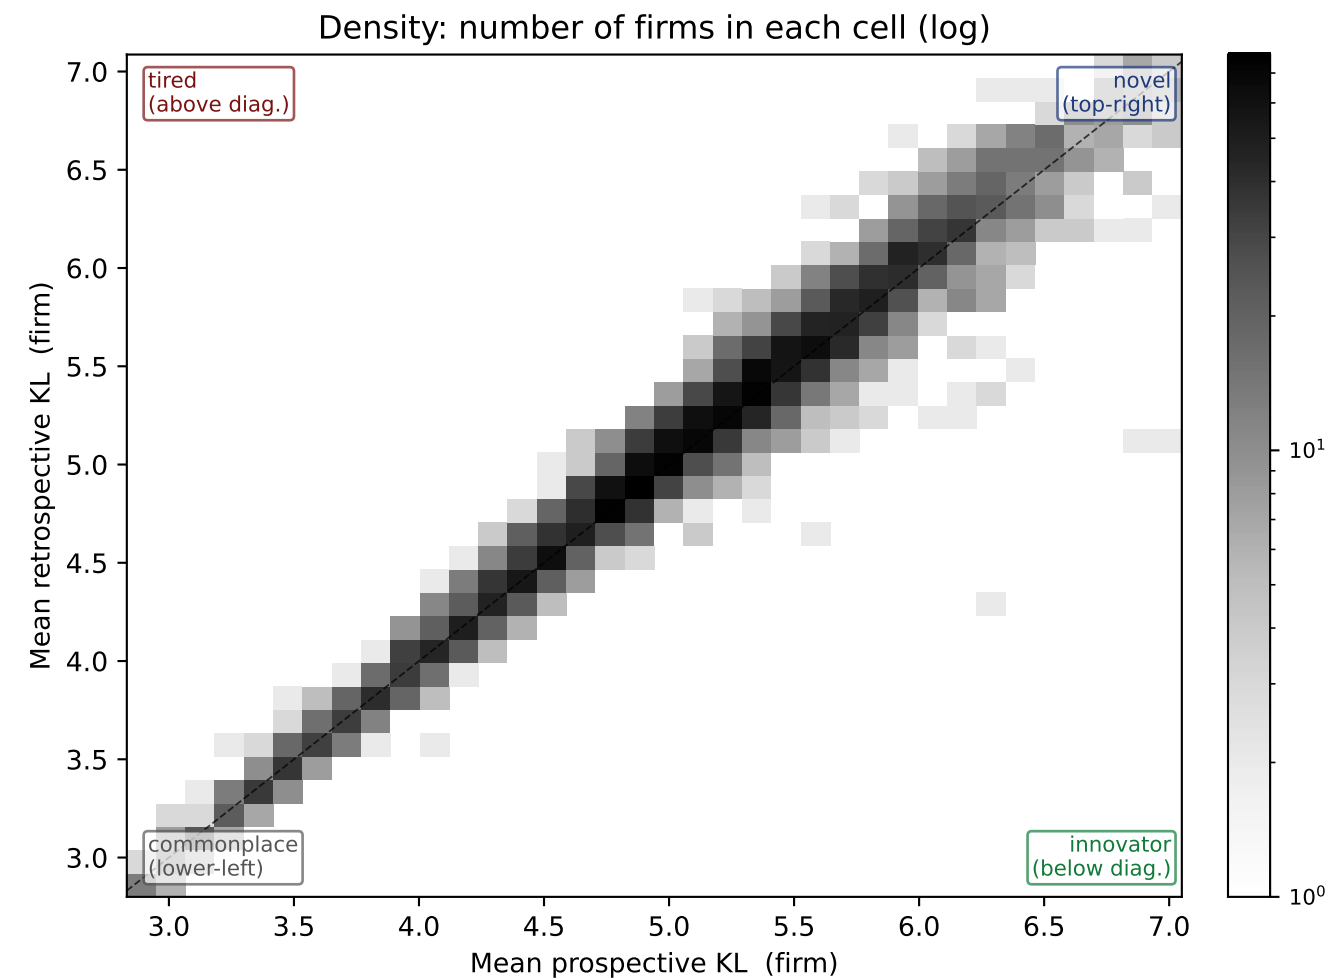

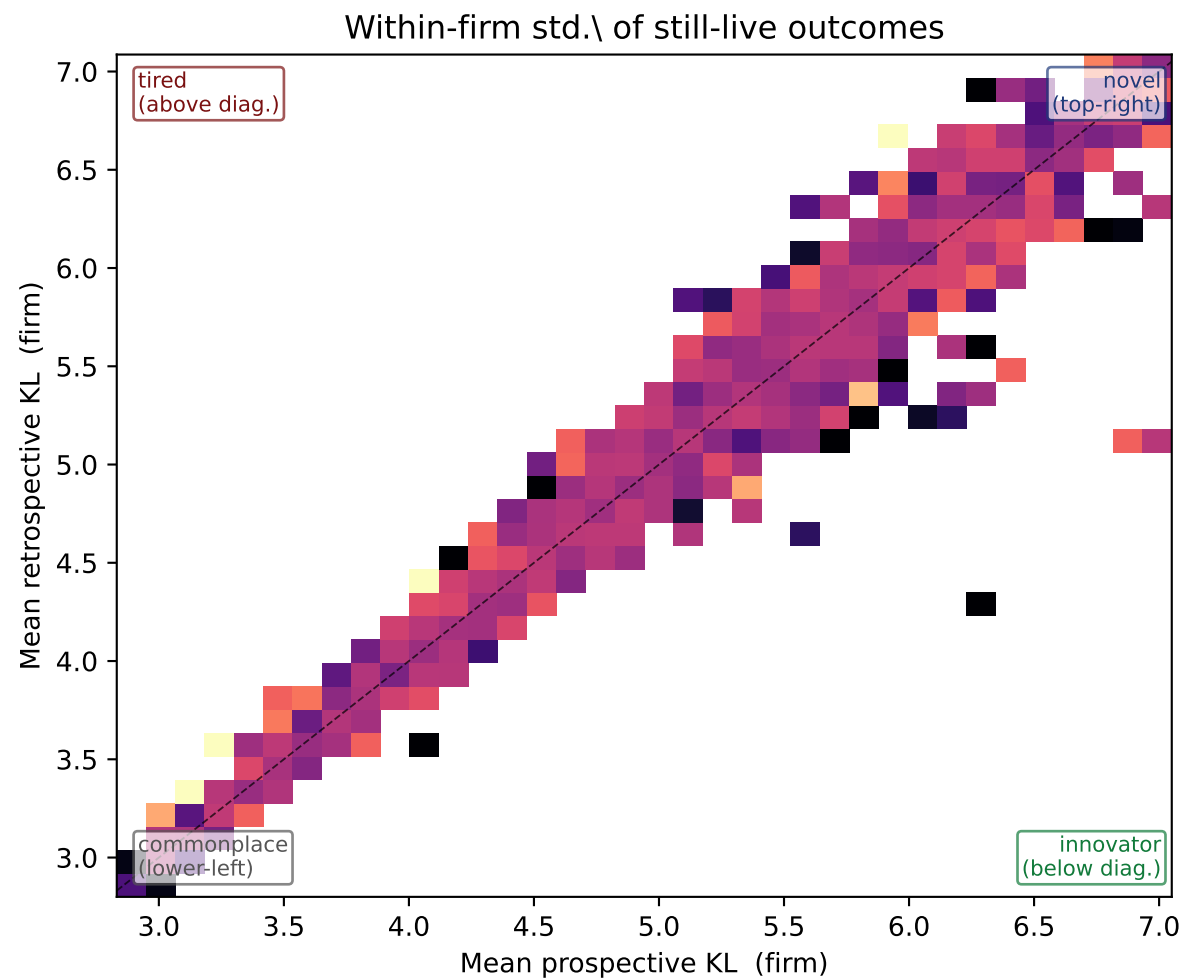

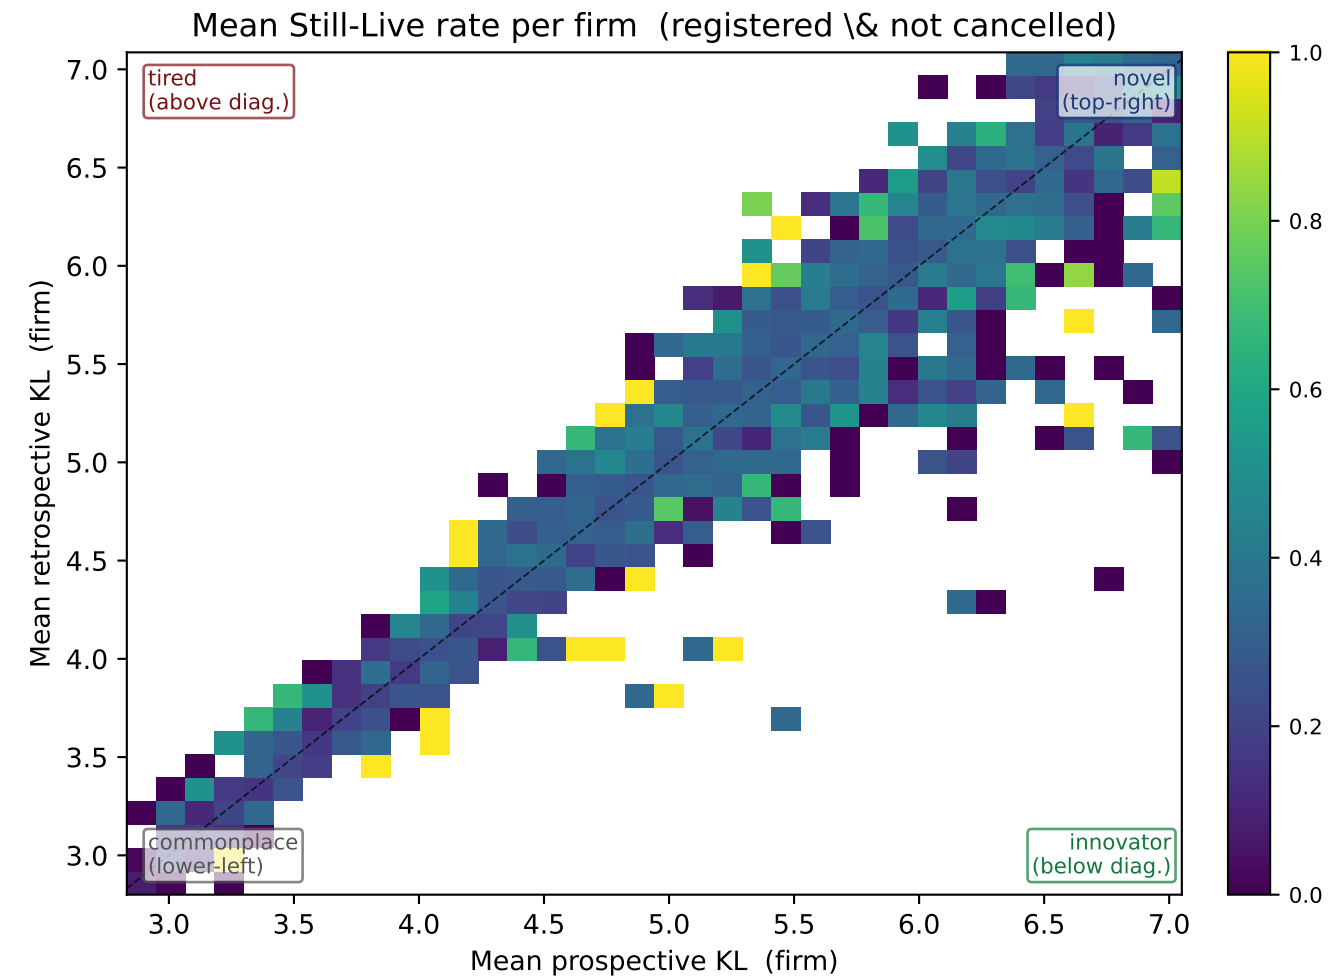

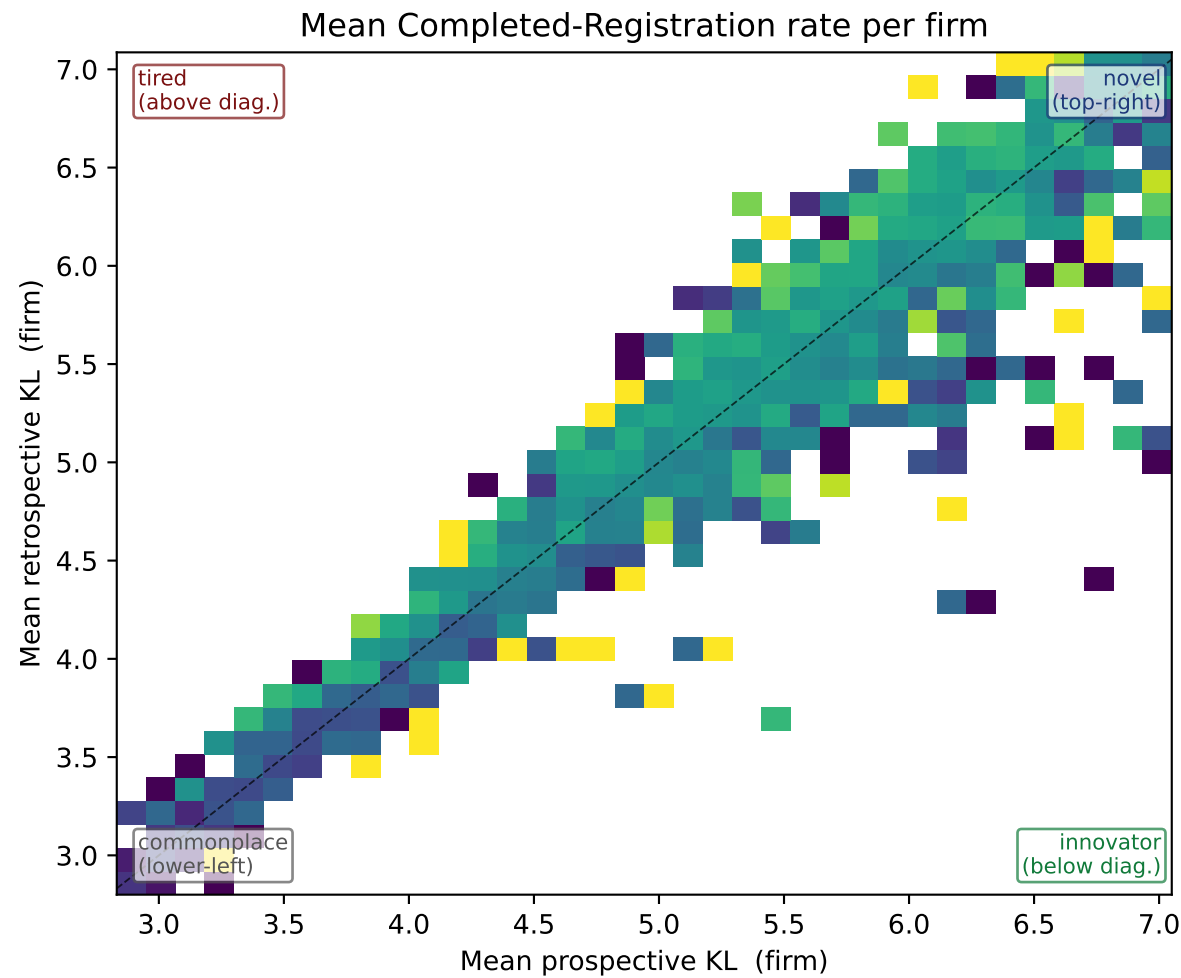

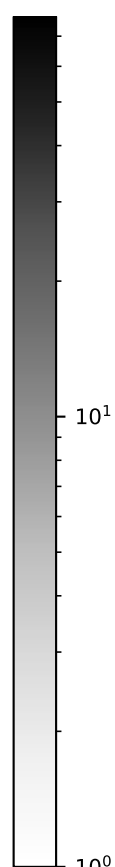

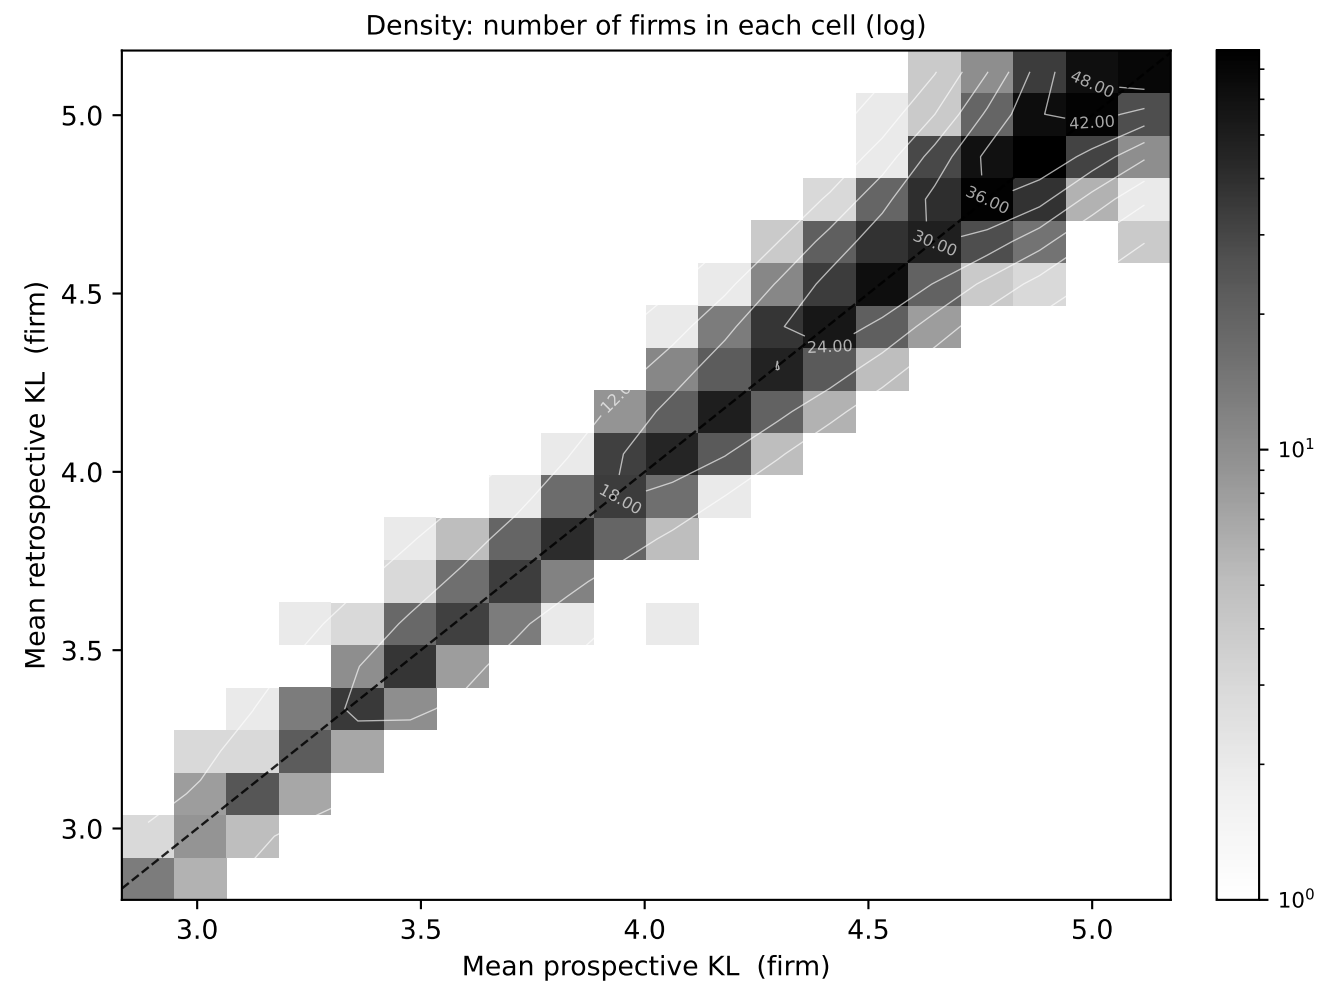

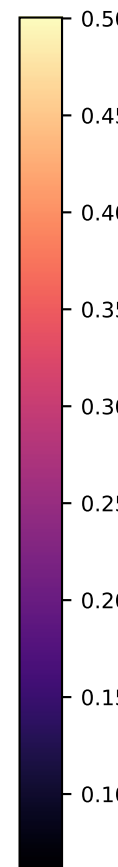

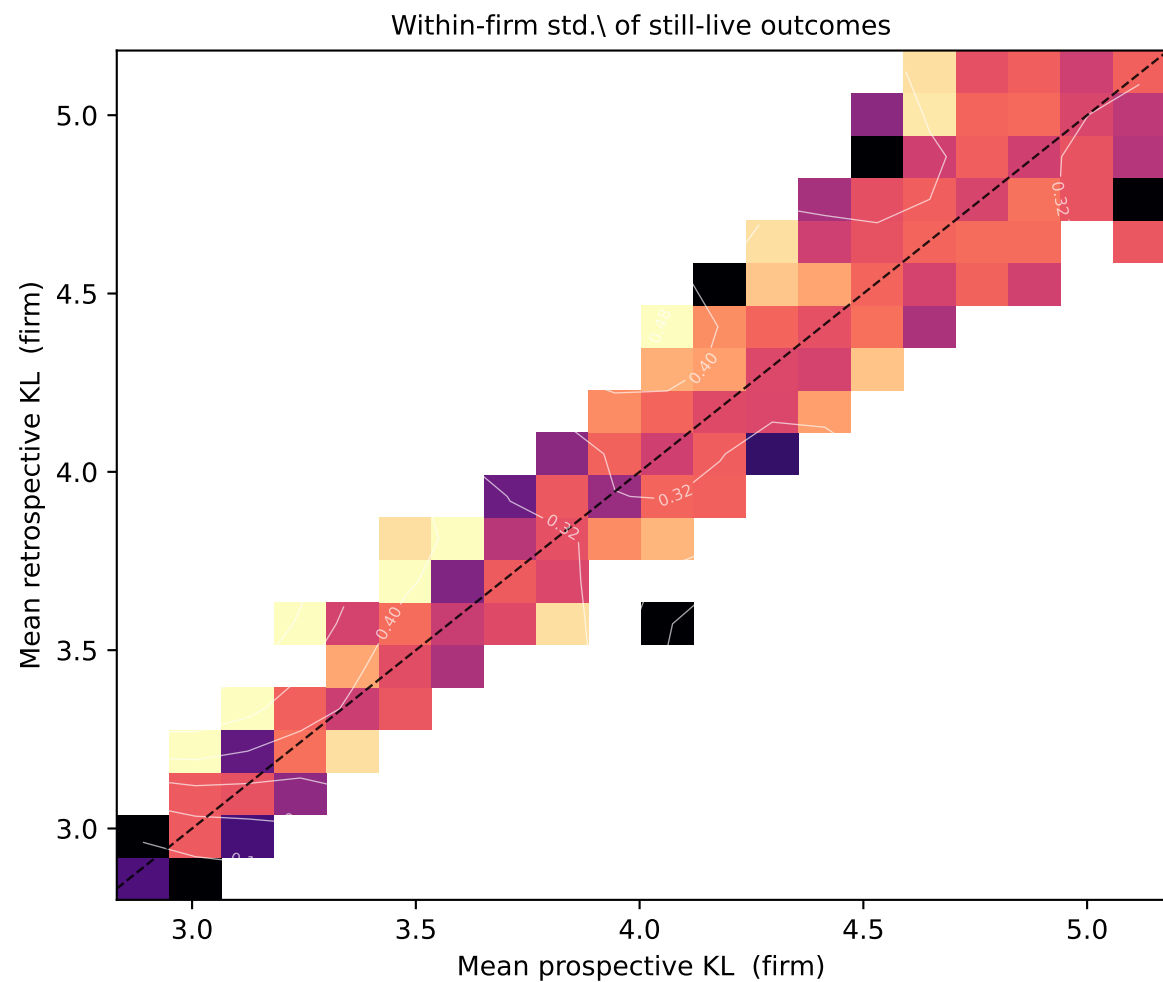

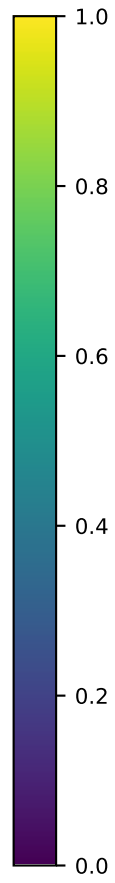

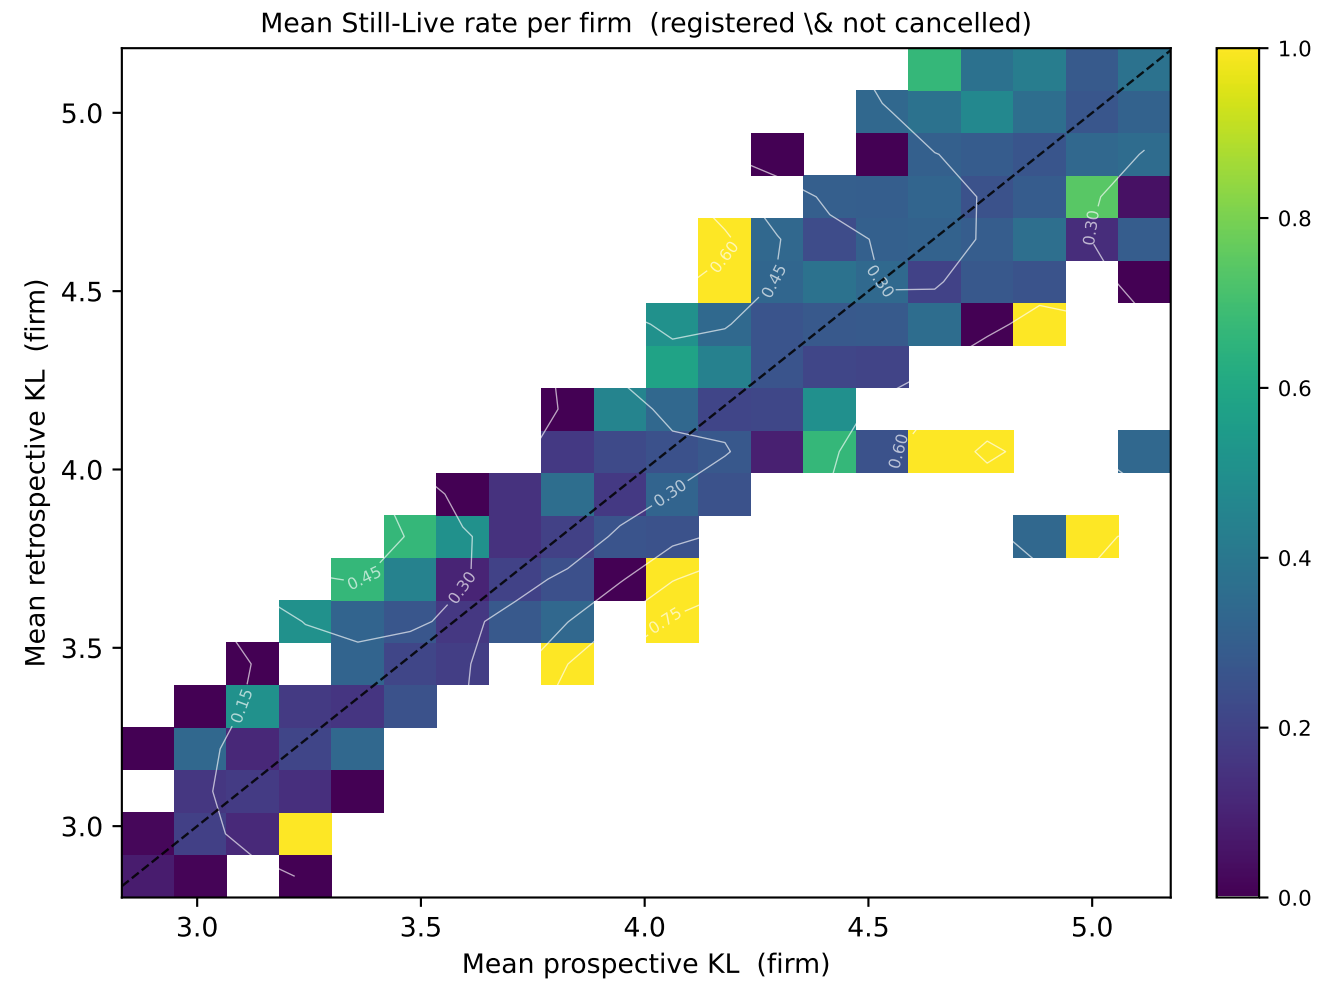

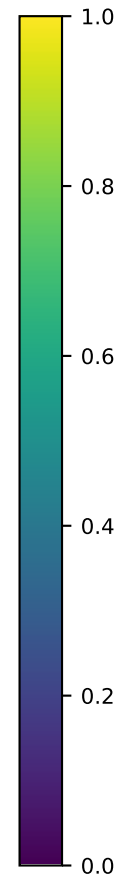

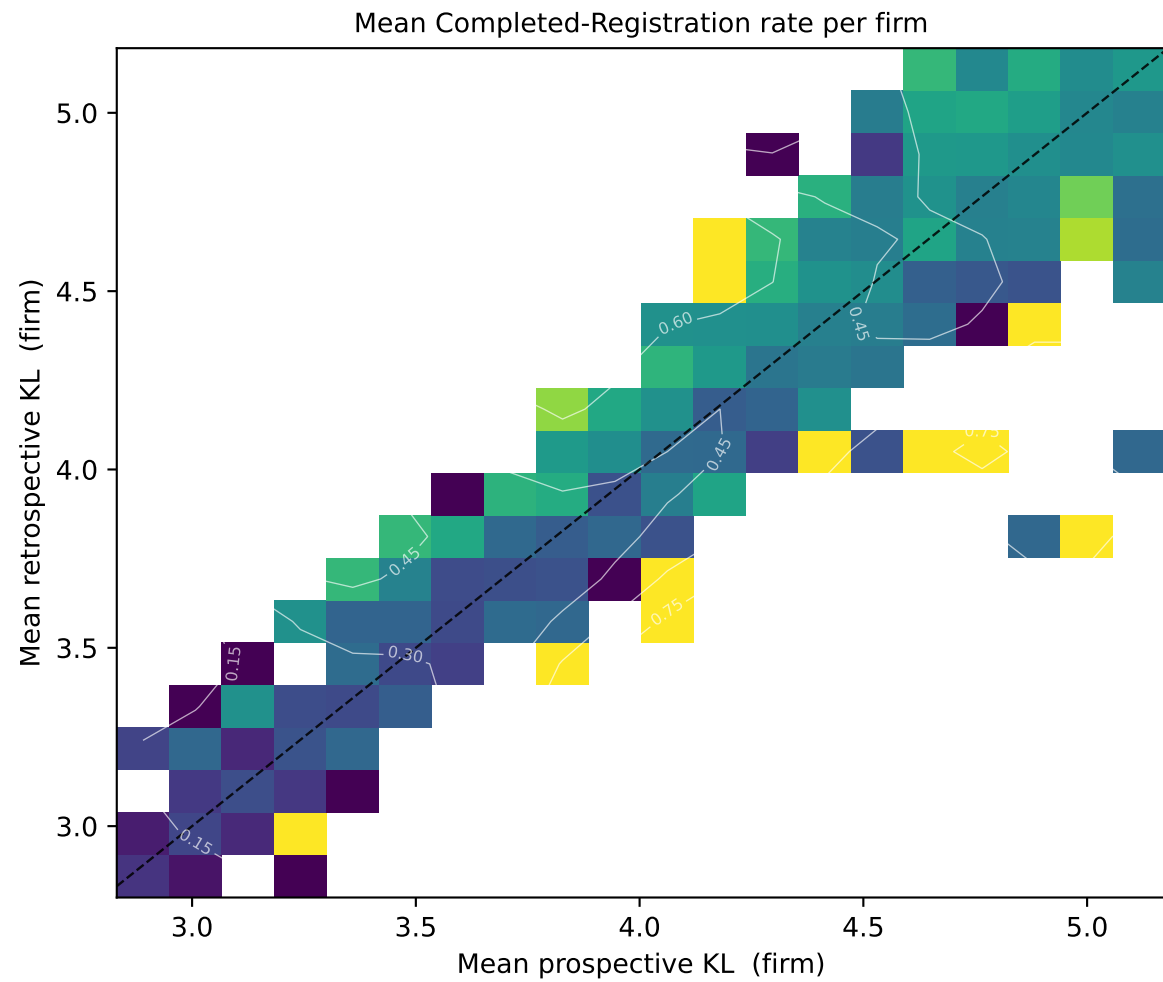

Mean Still-Live rate per firm (registered \& not cancelled)

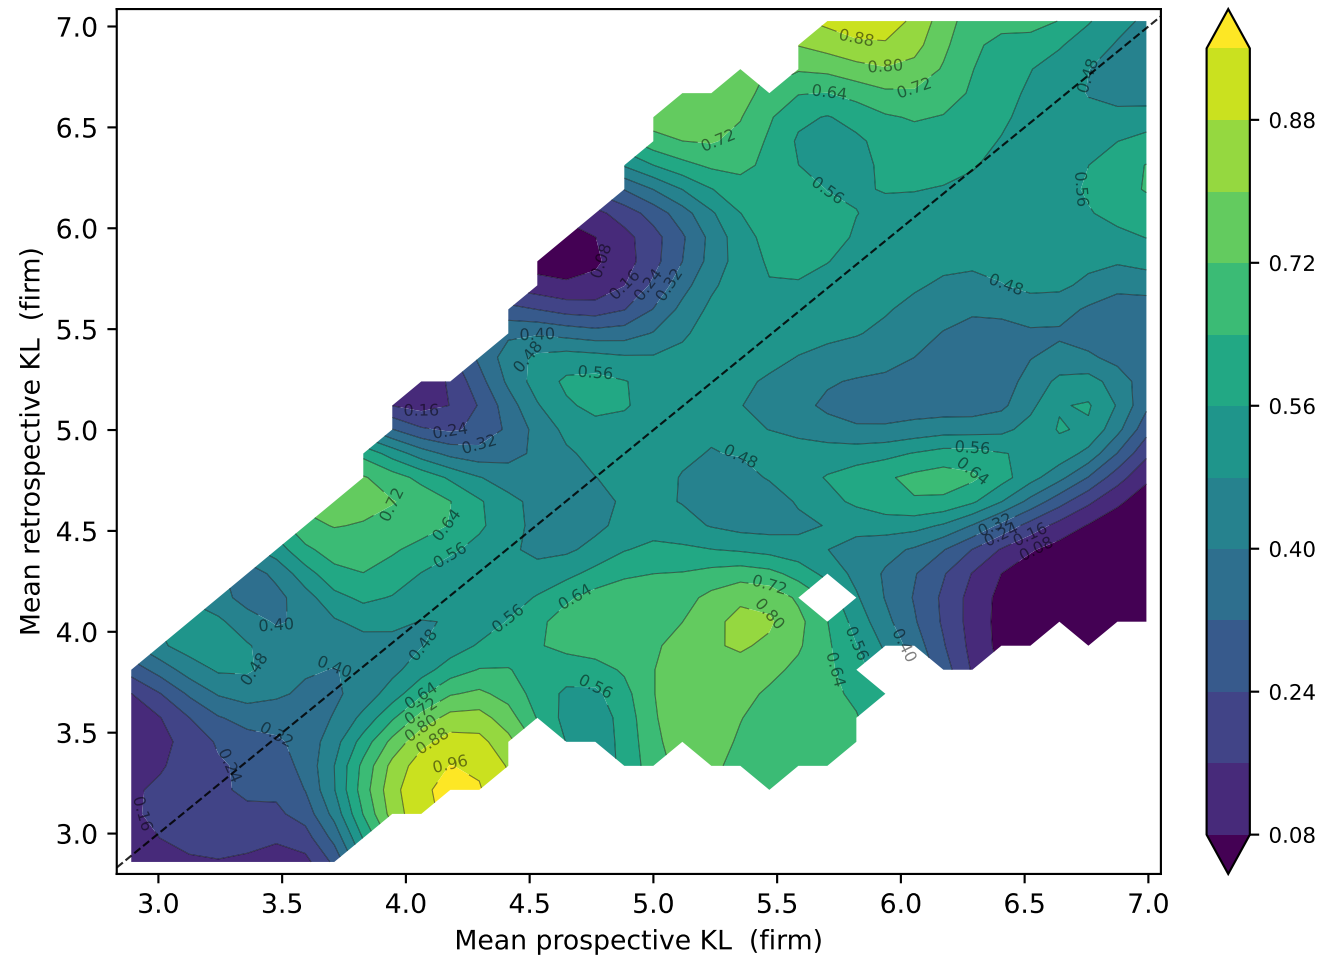

Within-firm std.\ of still-live outcomes

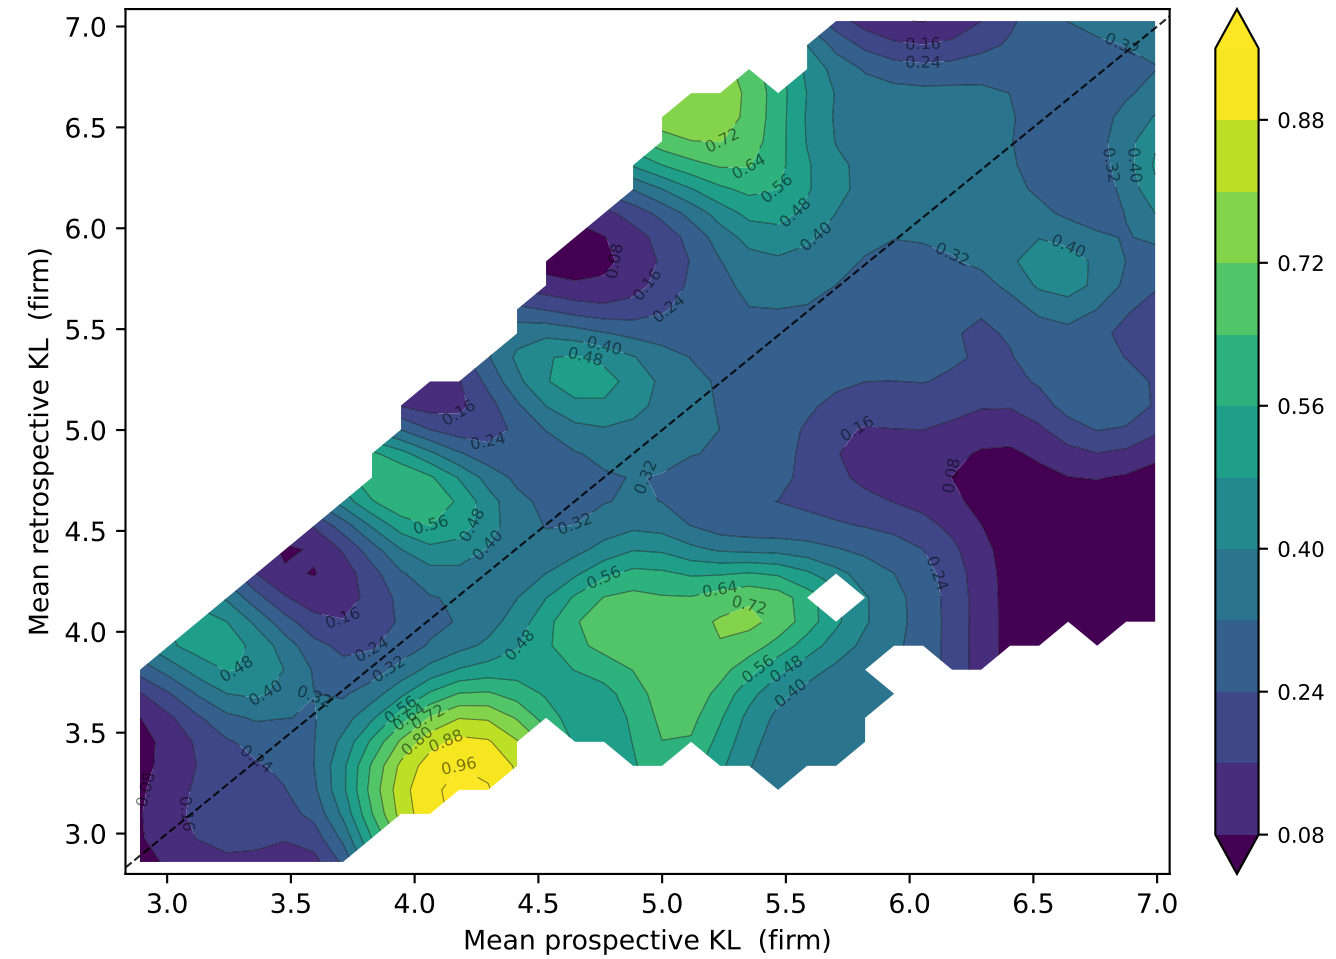

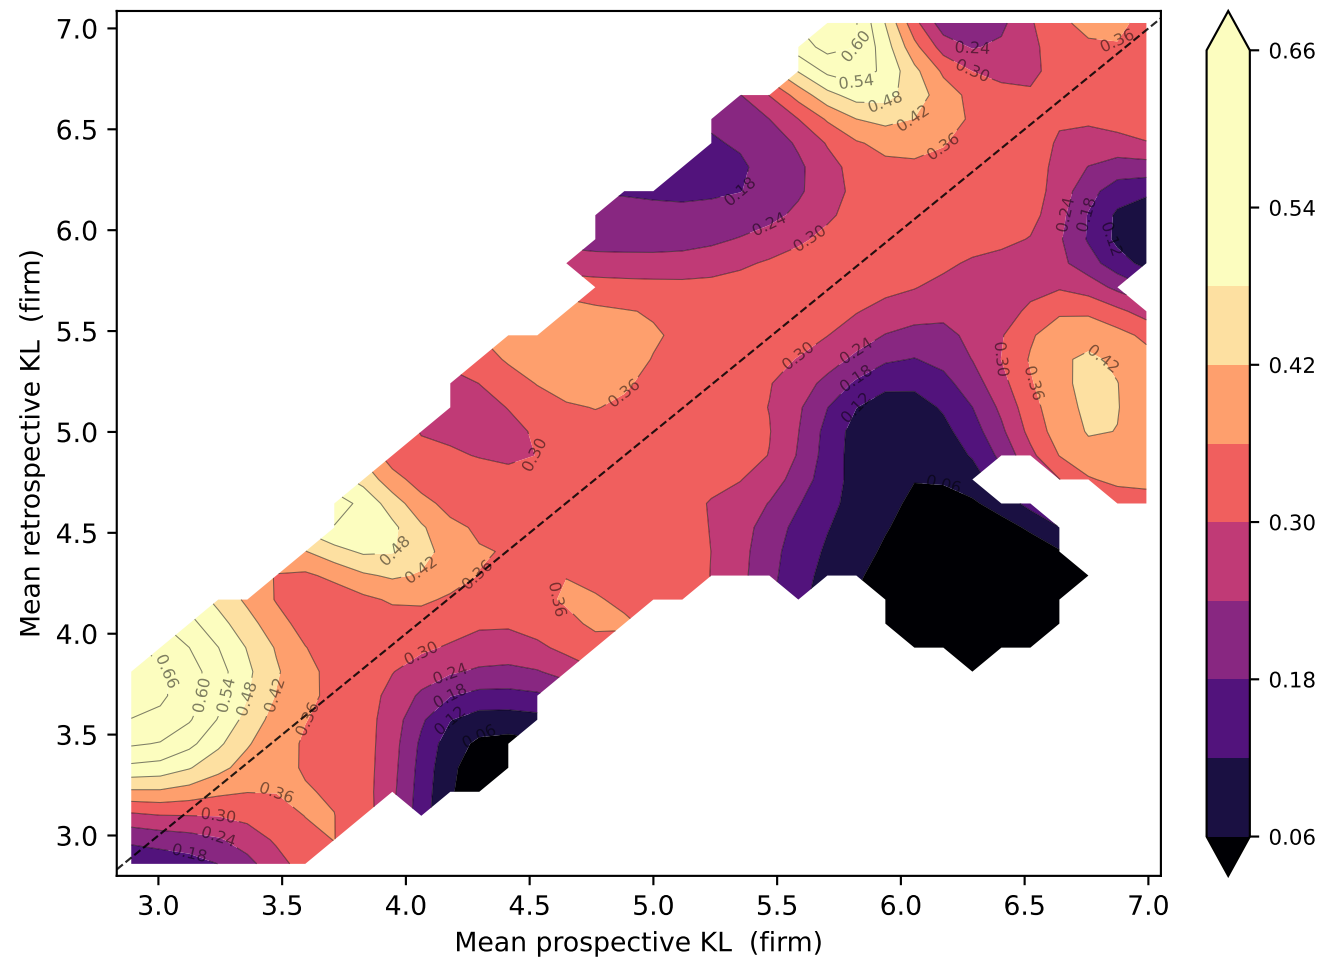

Mean Completed-Registration rate per firm

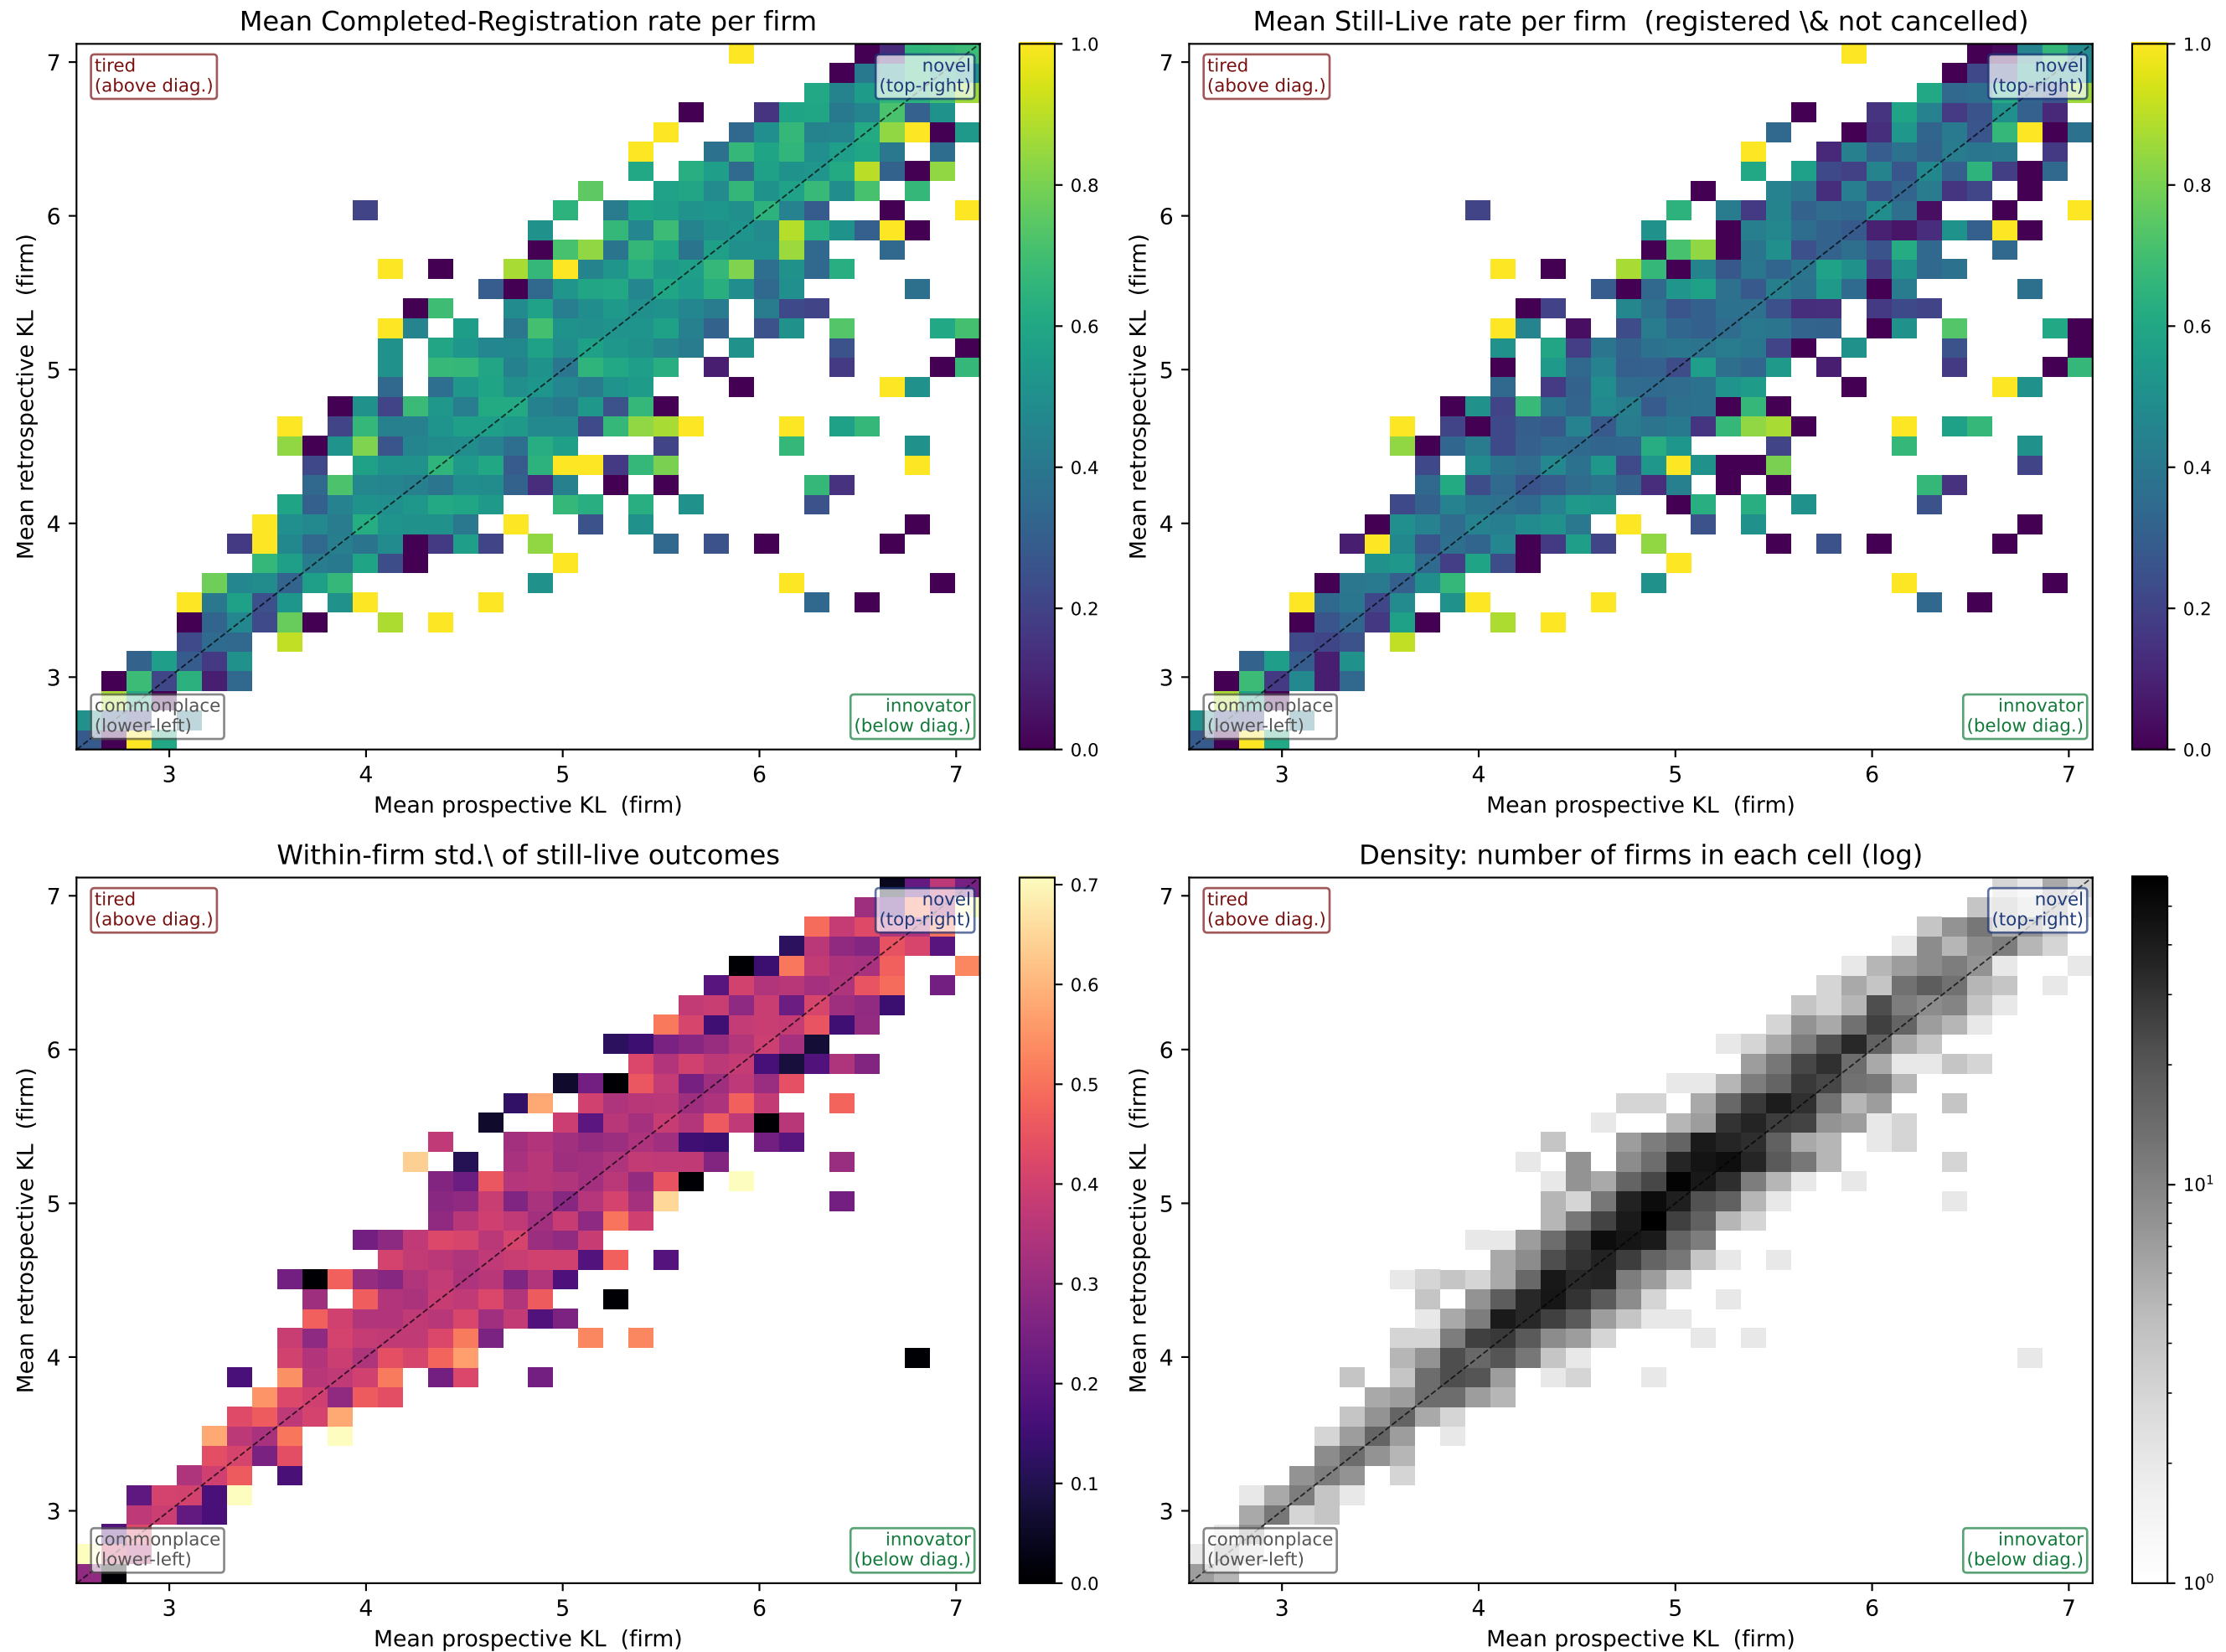

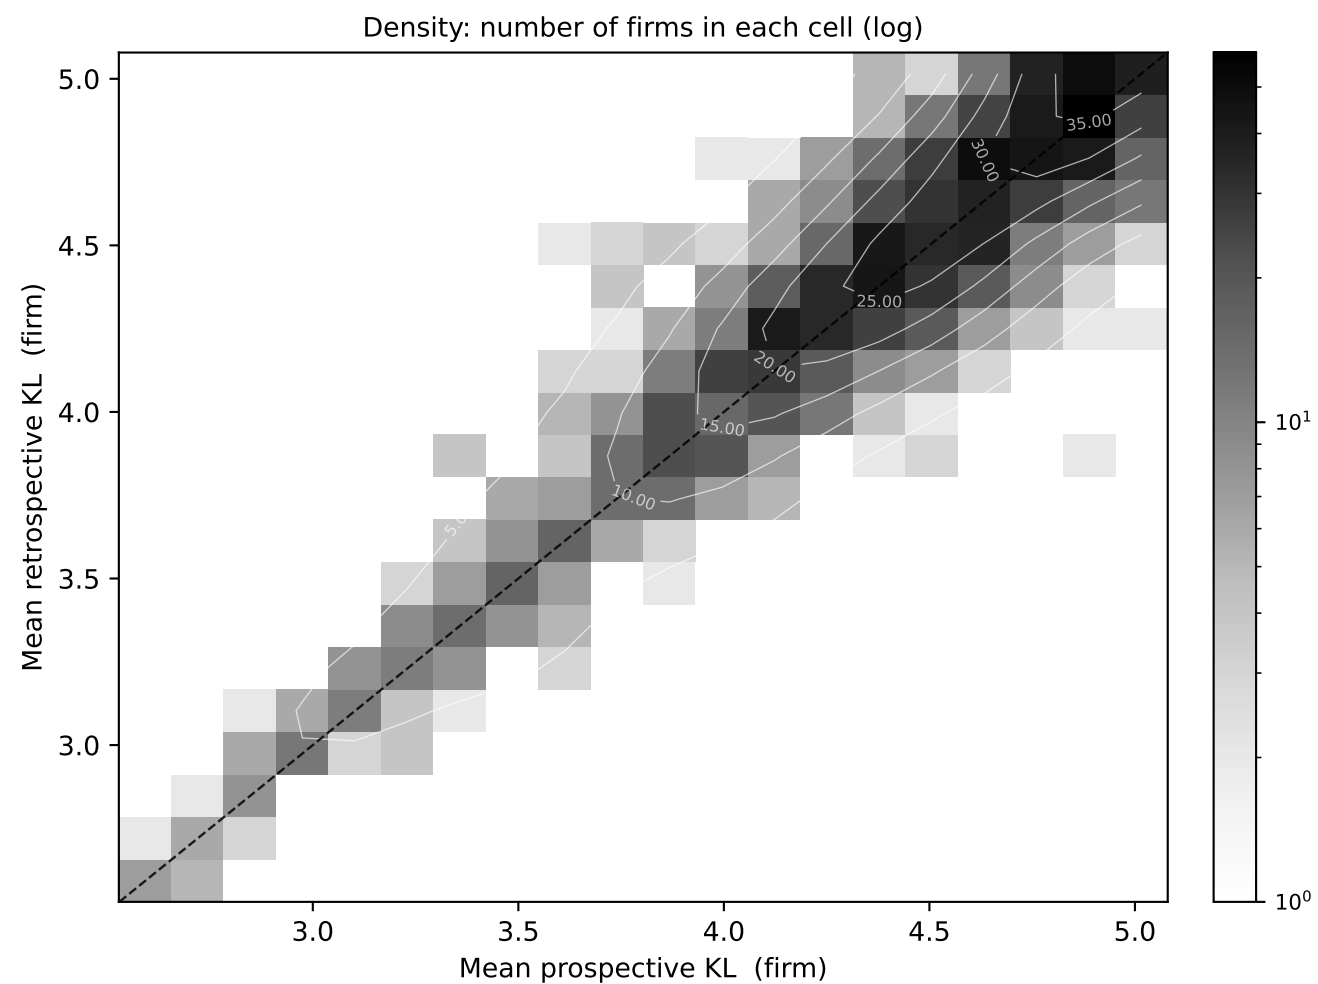

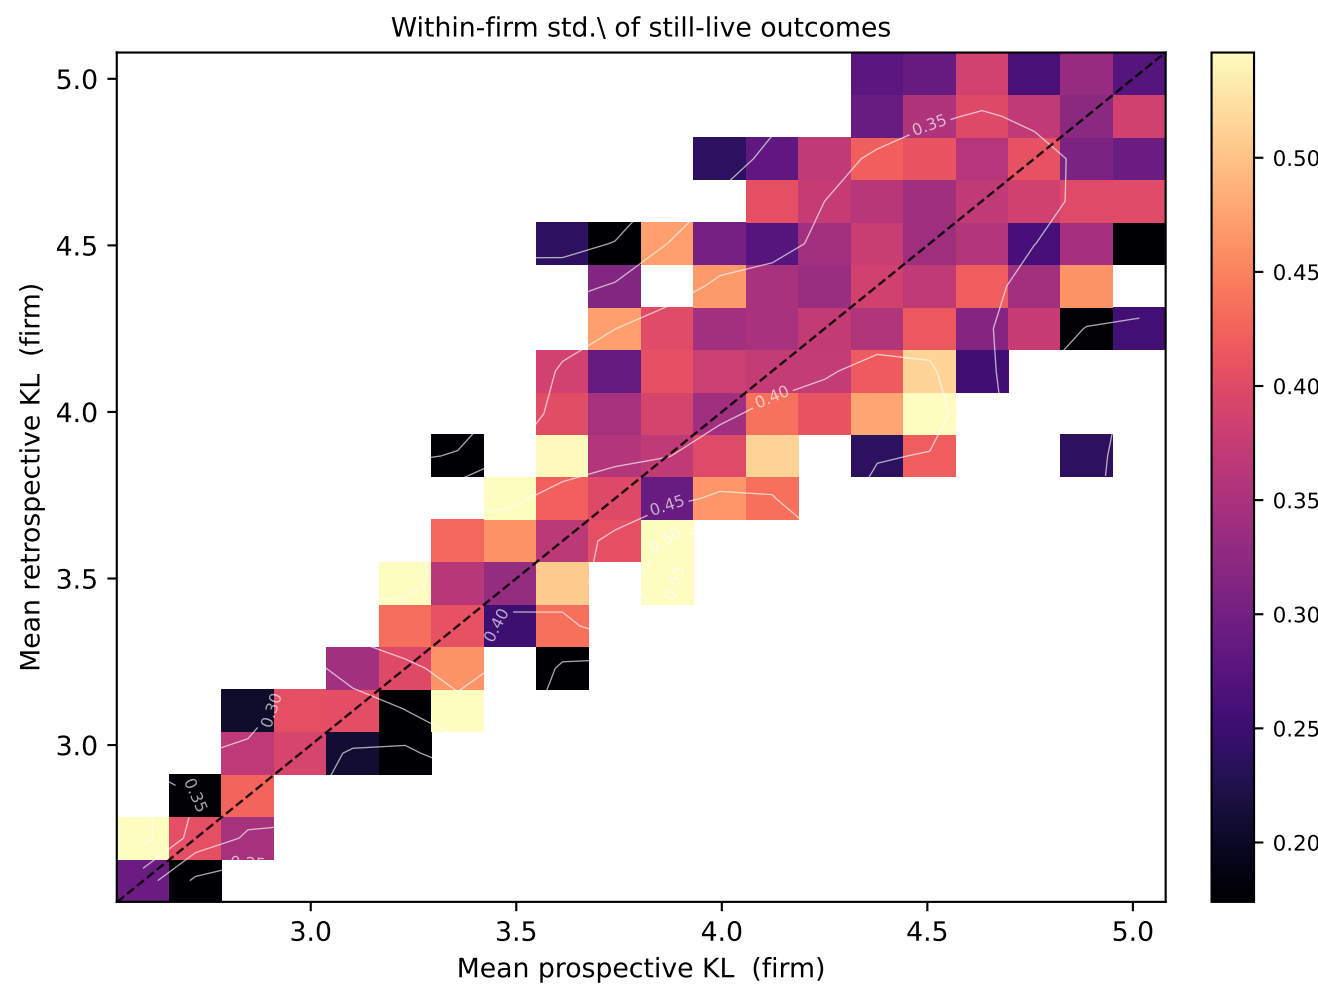

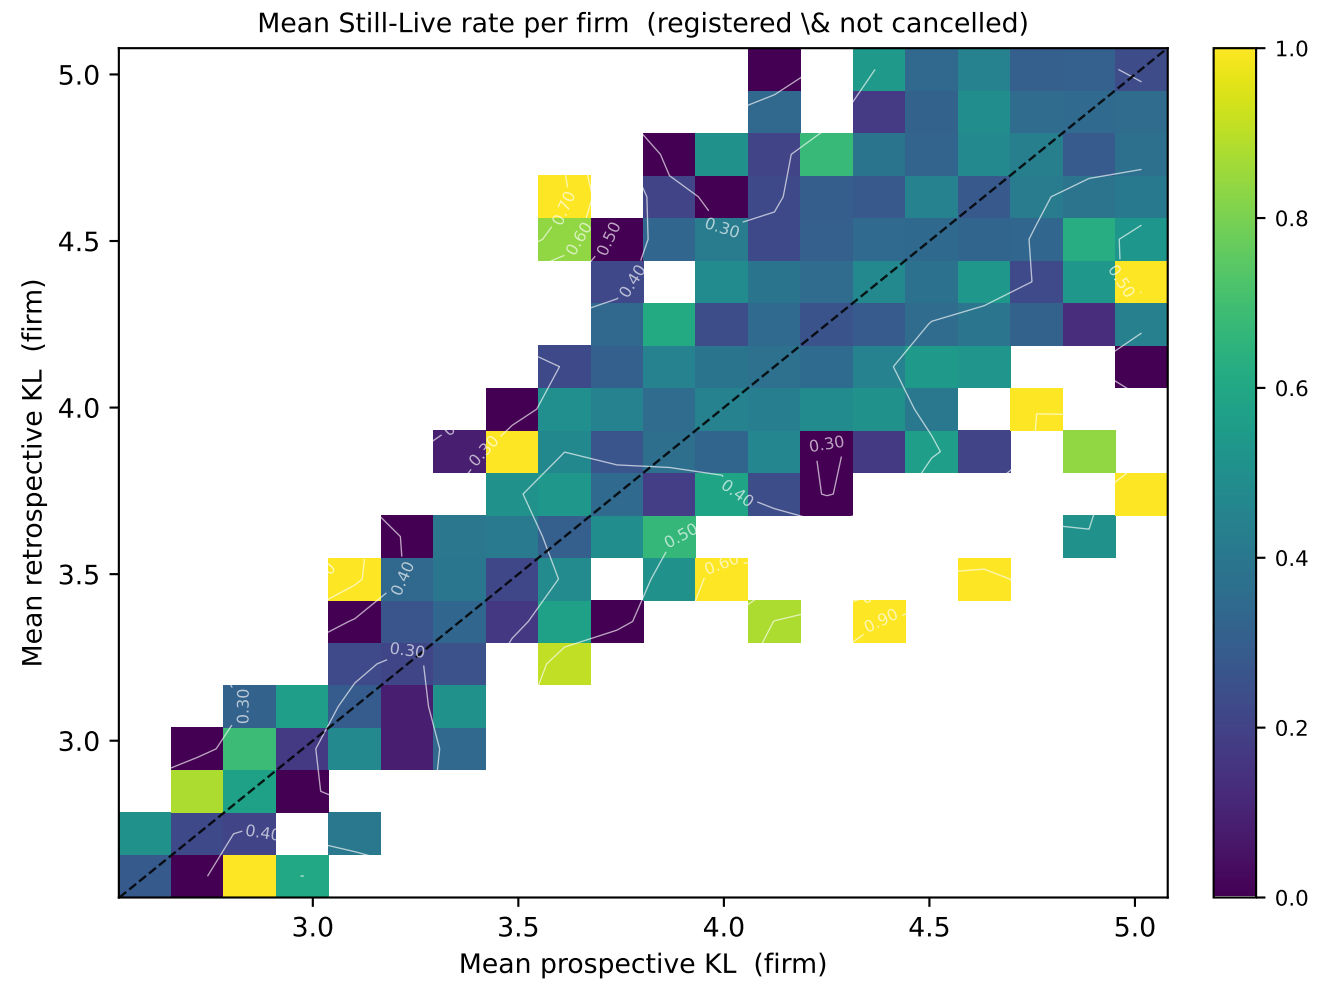

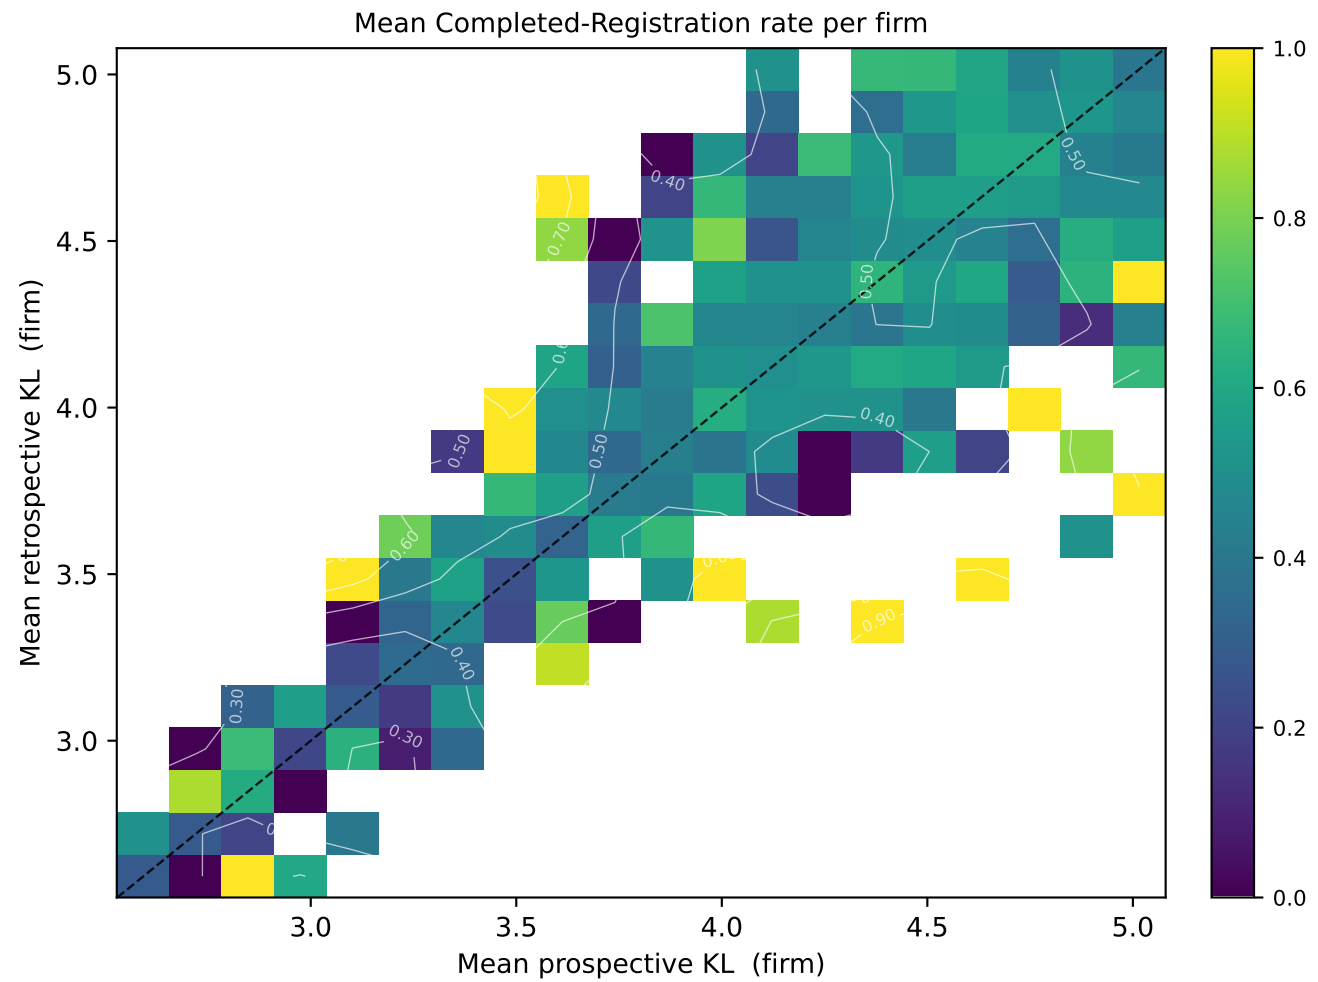

Mean Still-Live rate per firm (registered \& not cancelled)

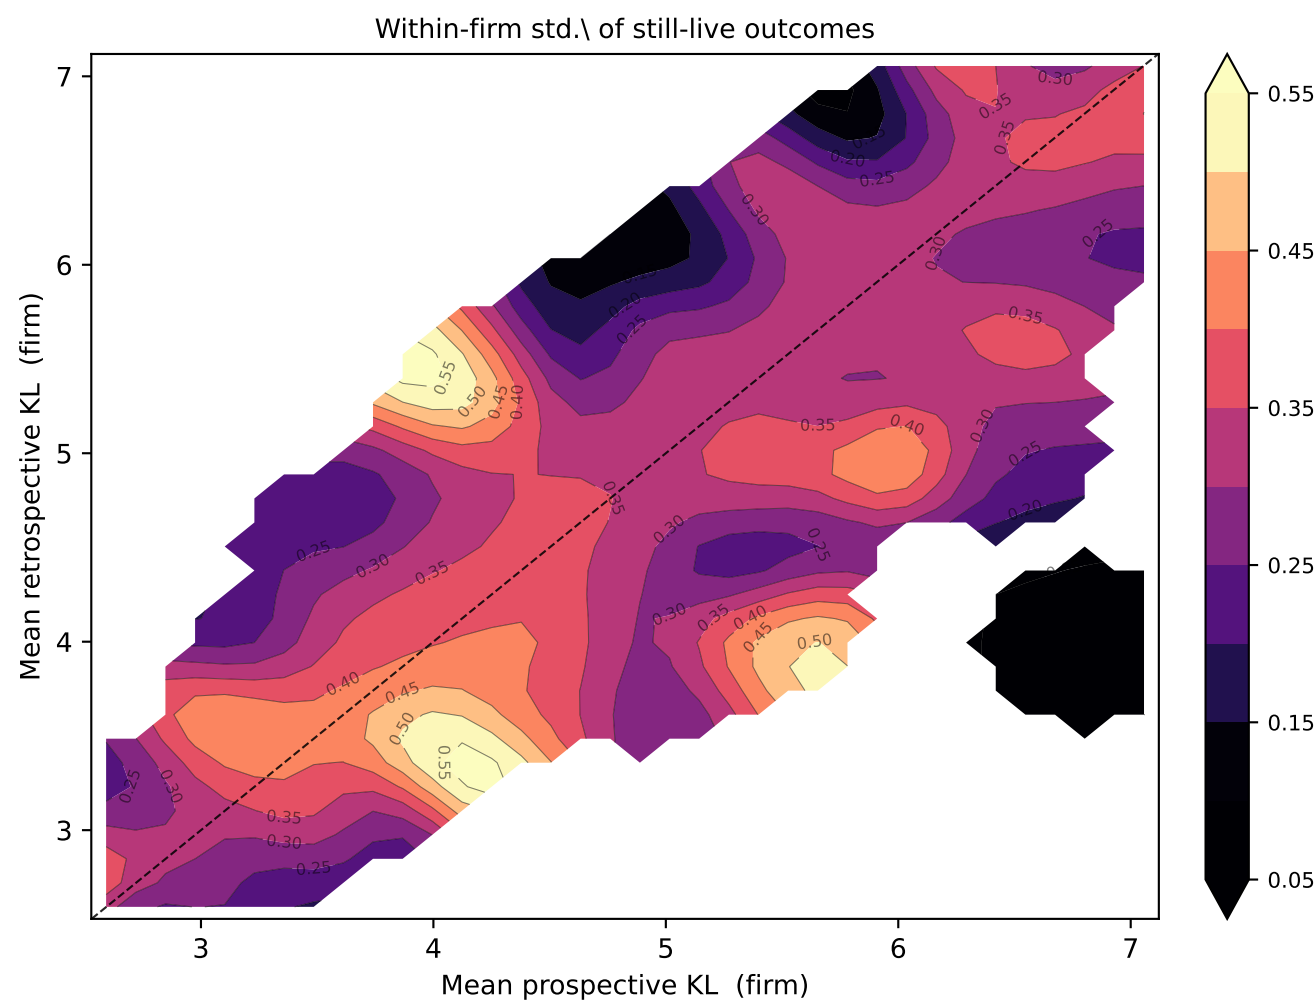

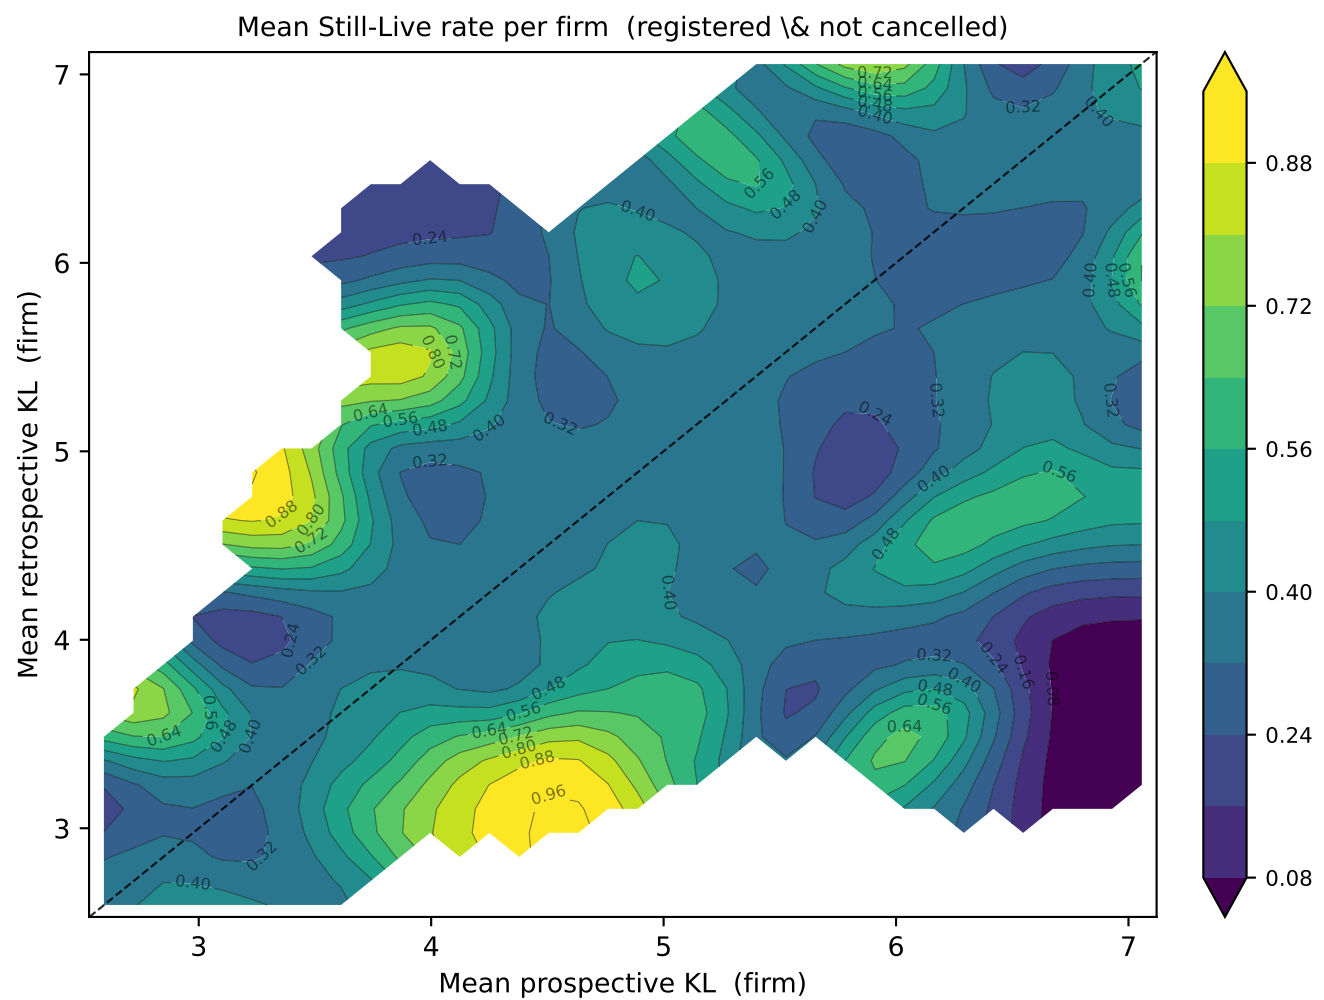

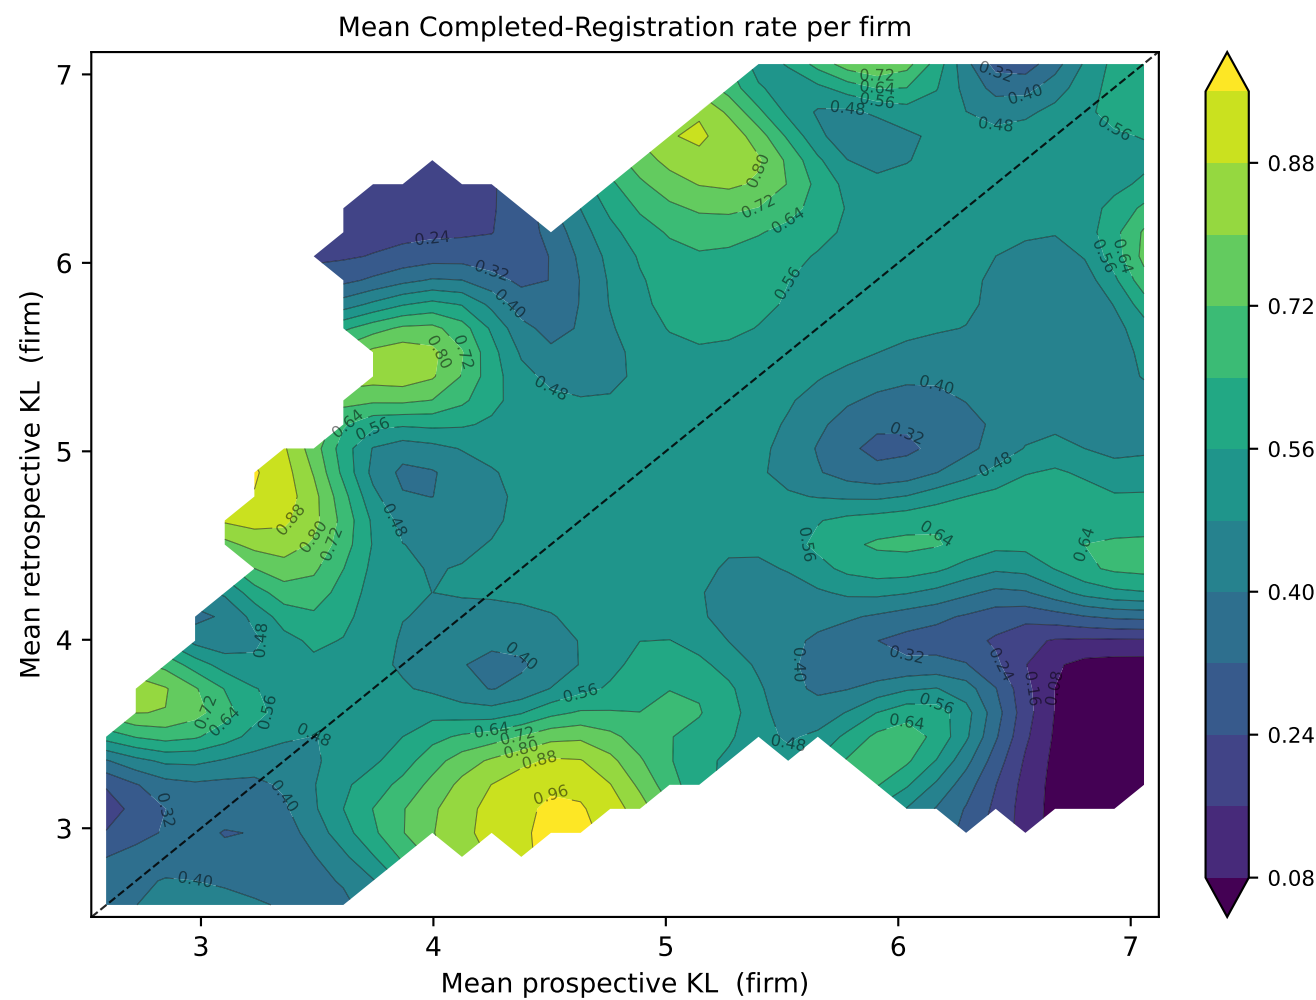

Within-firm std.\ of still-live outcomes

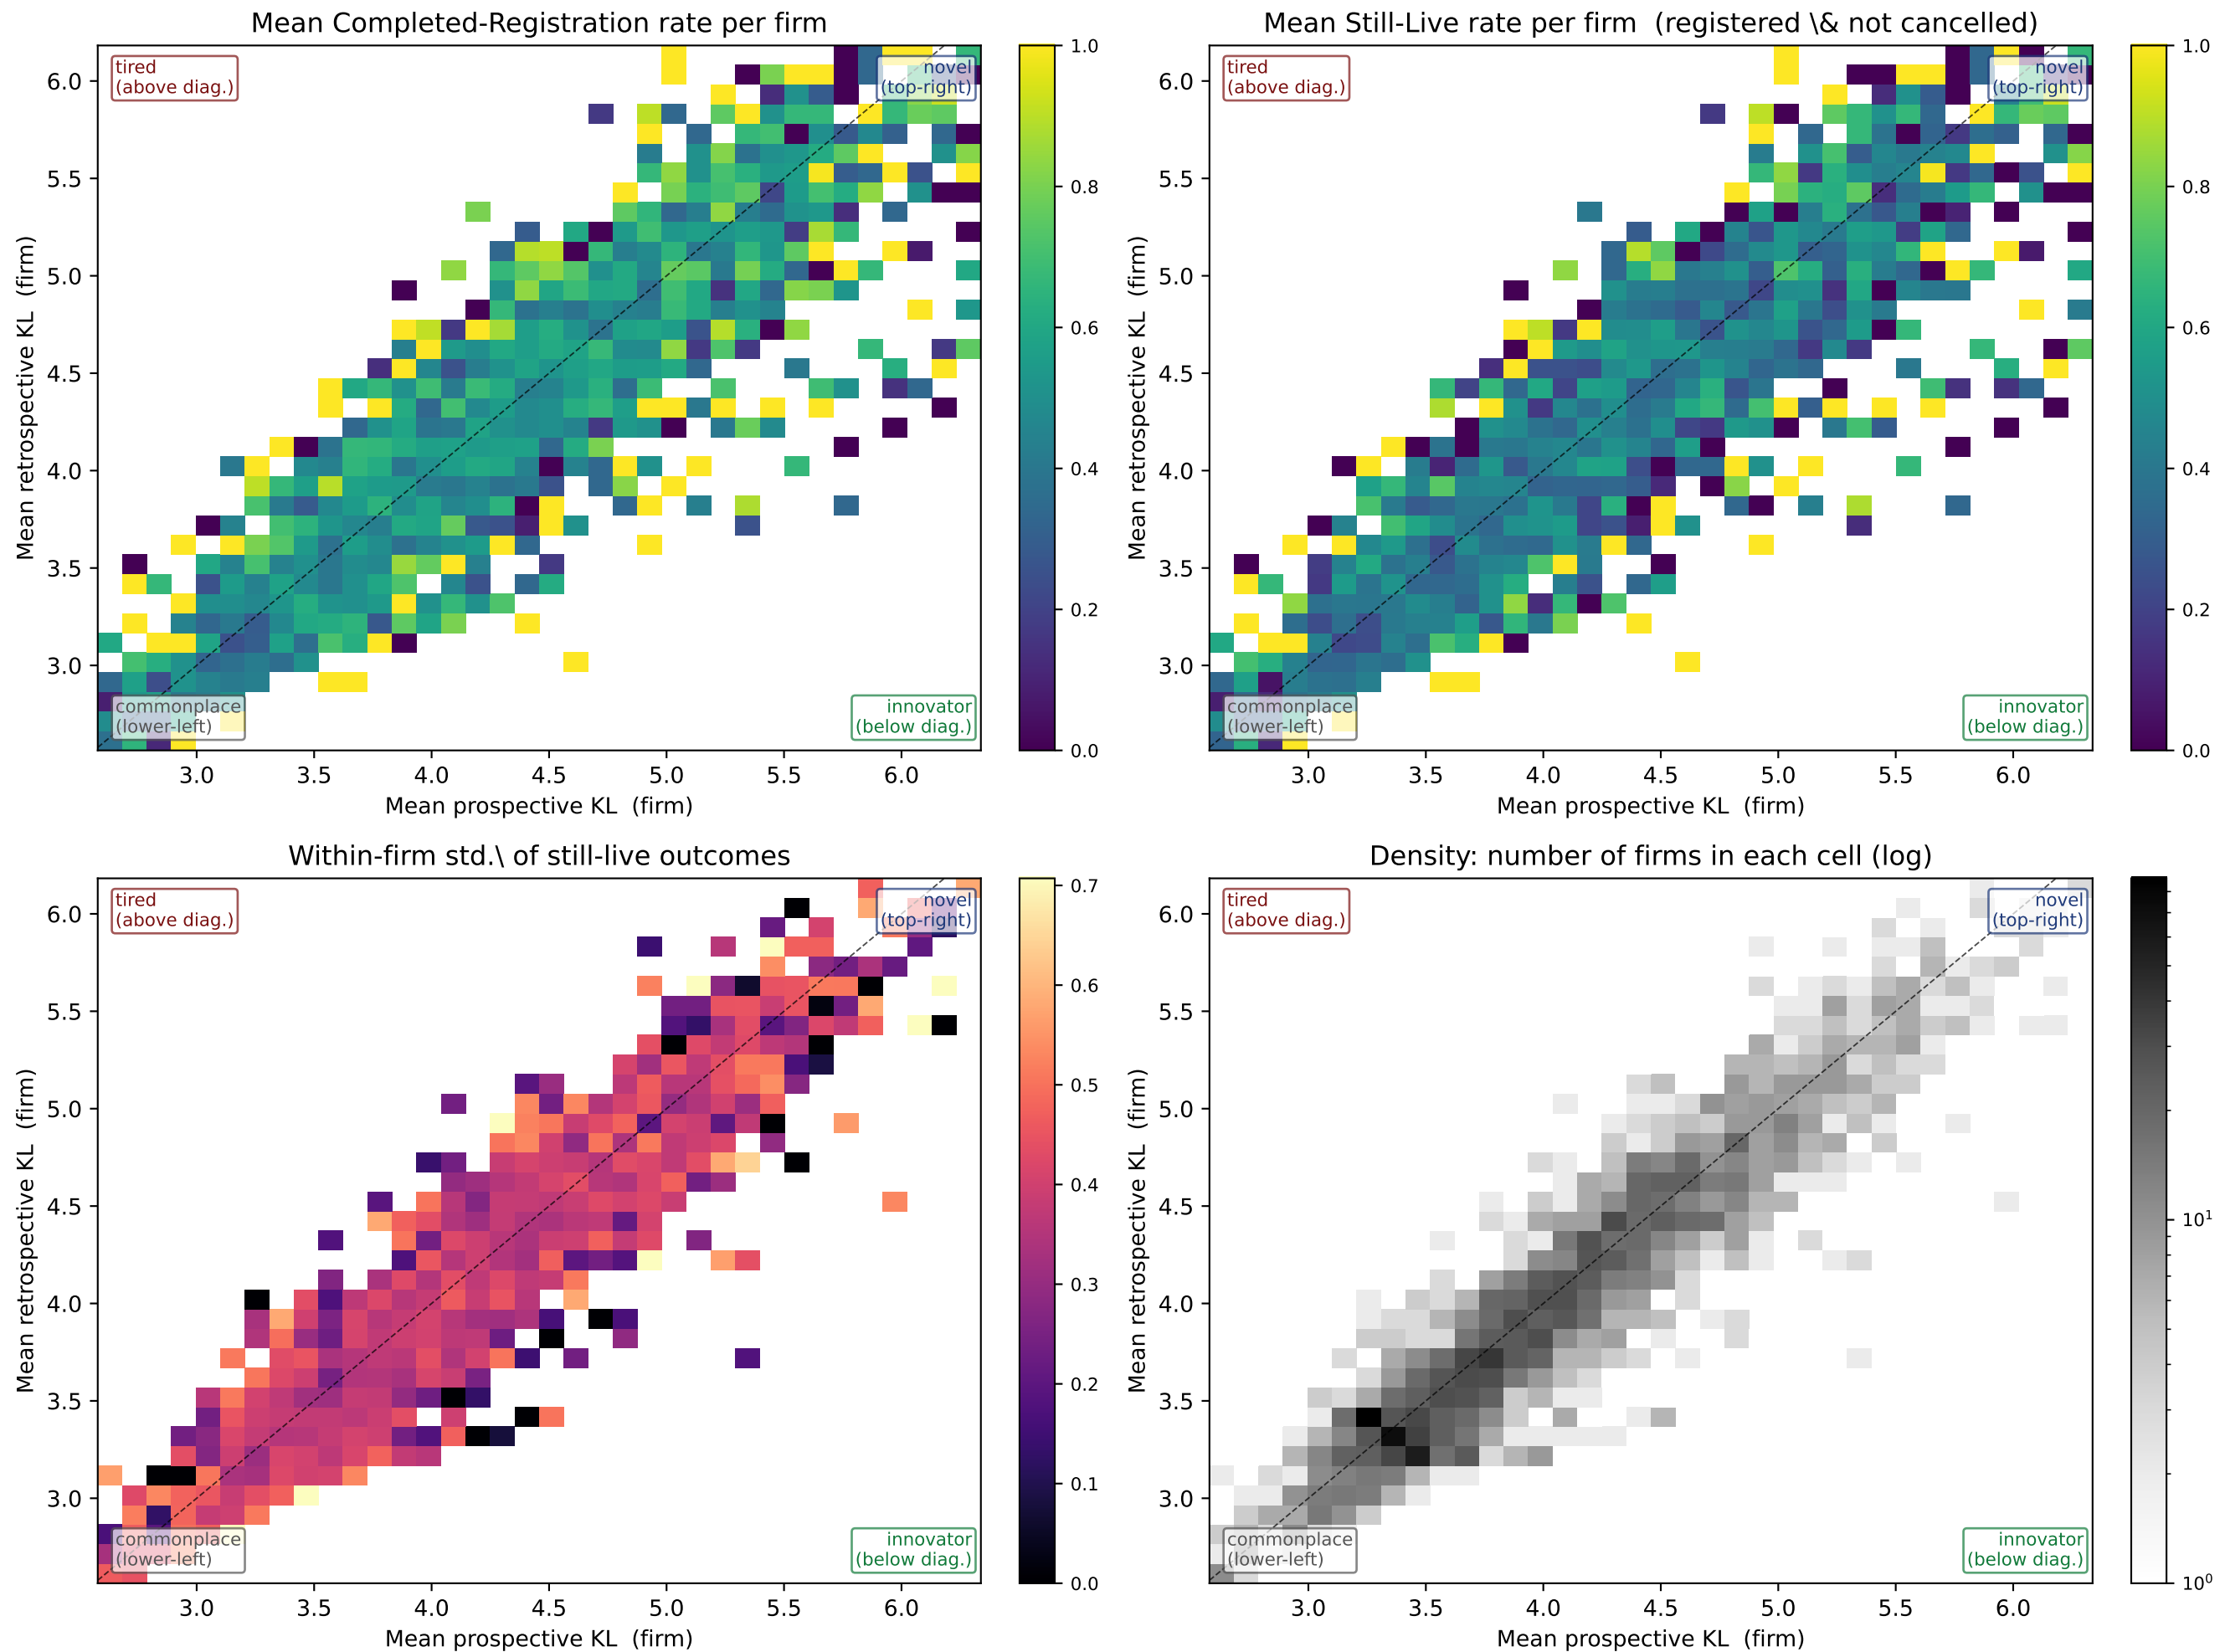

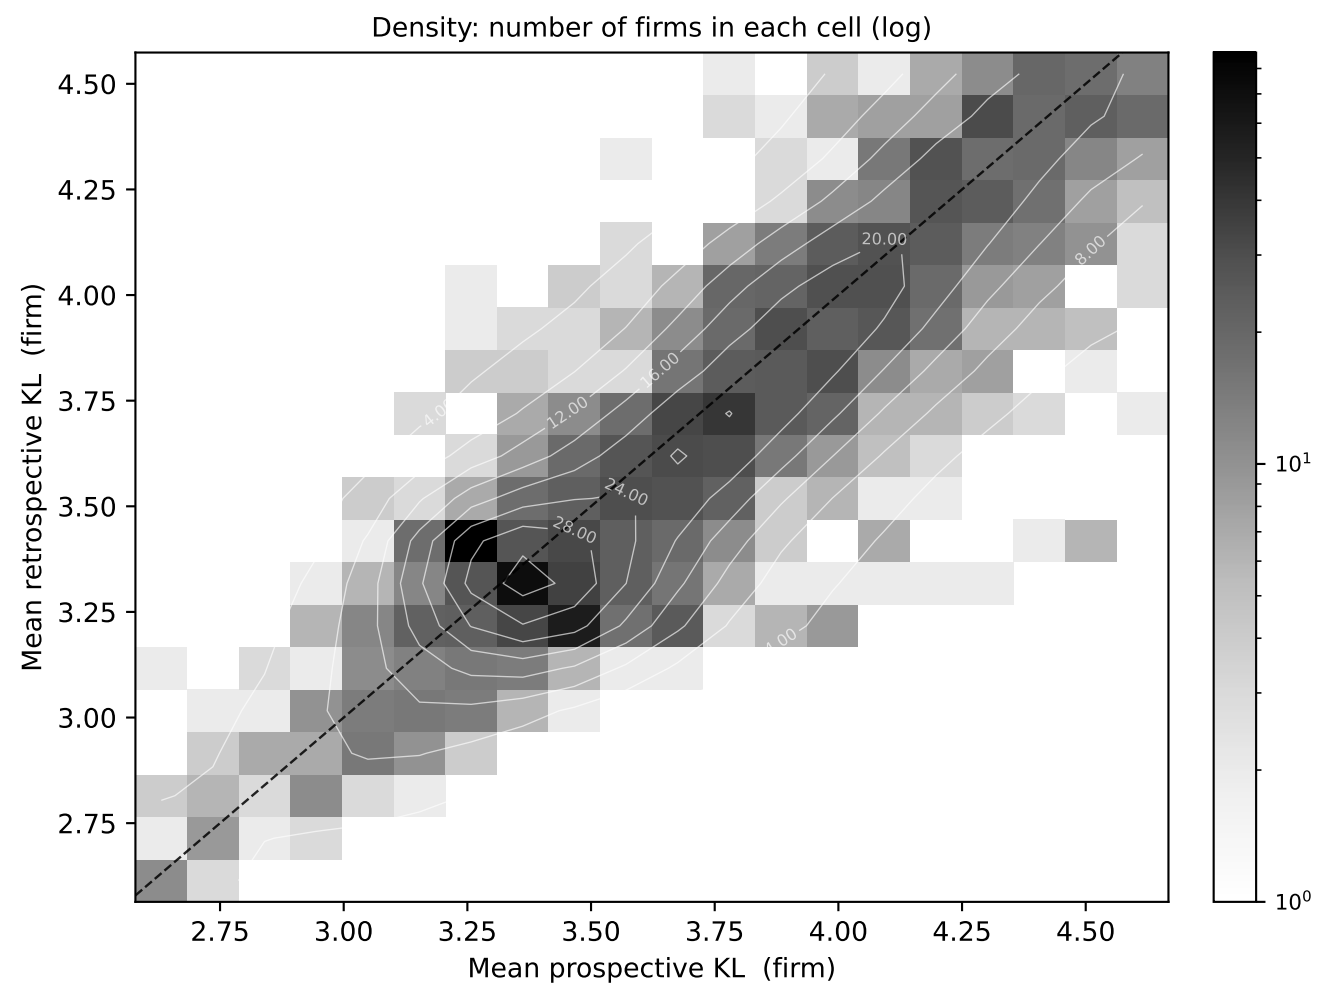

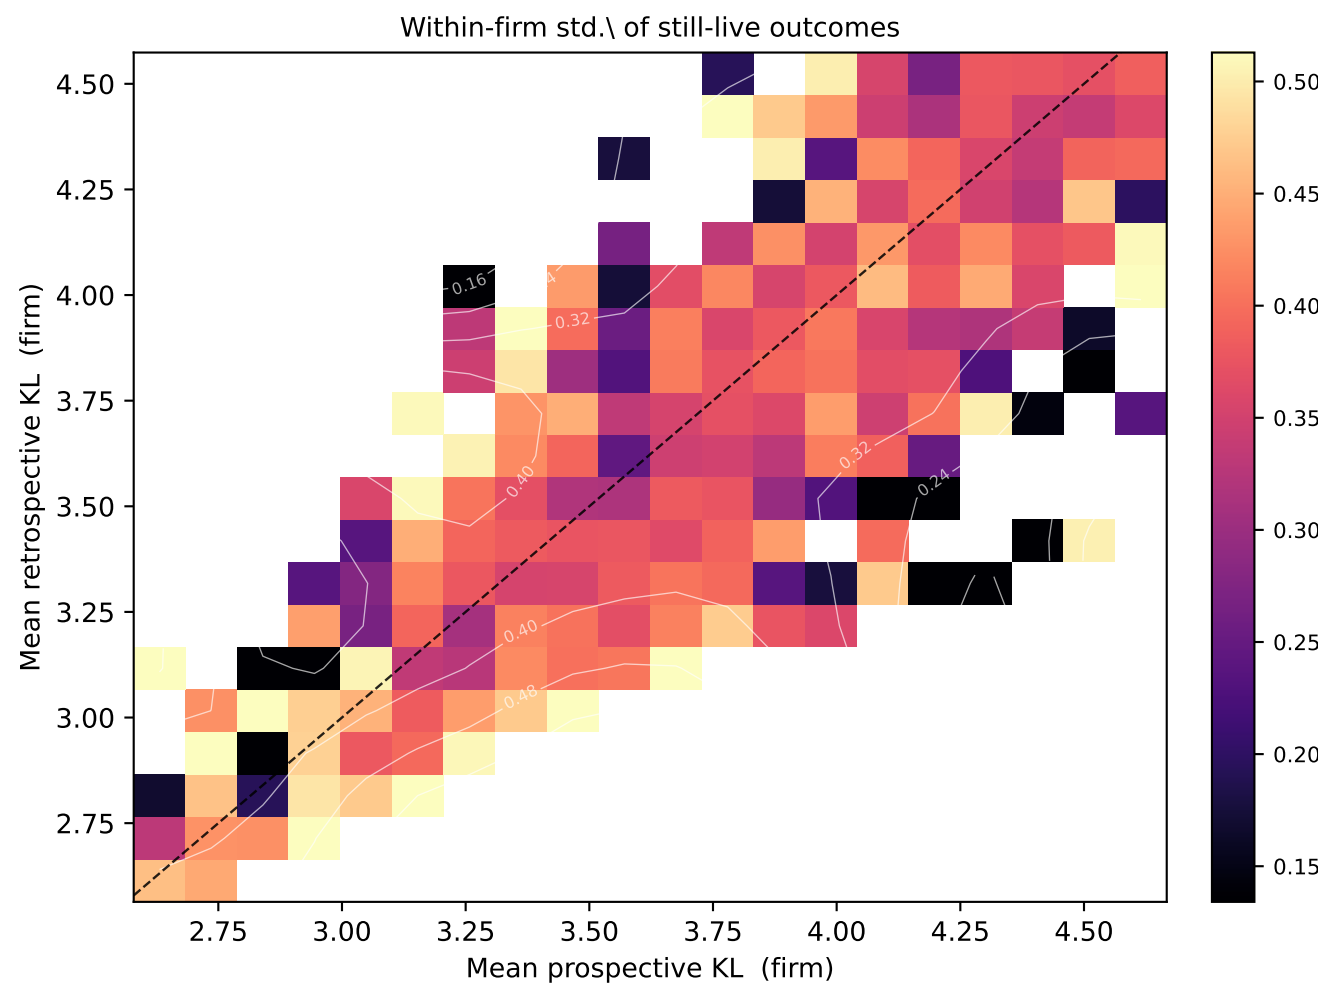

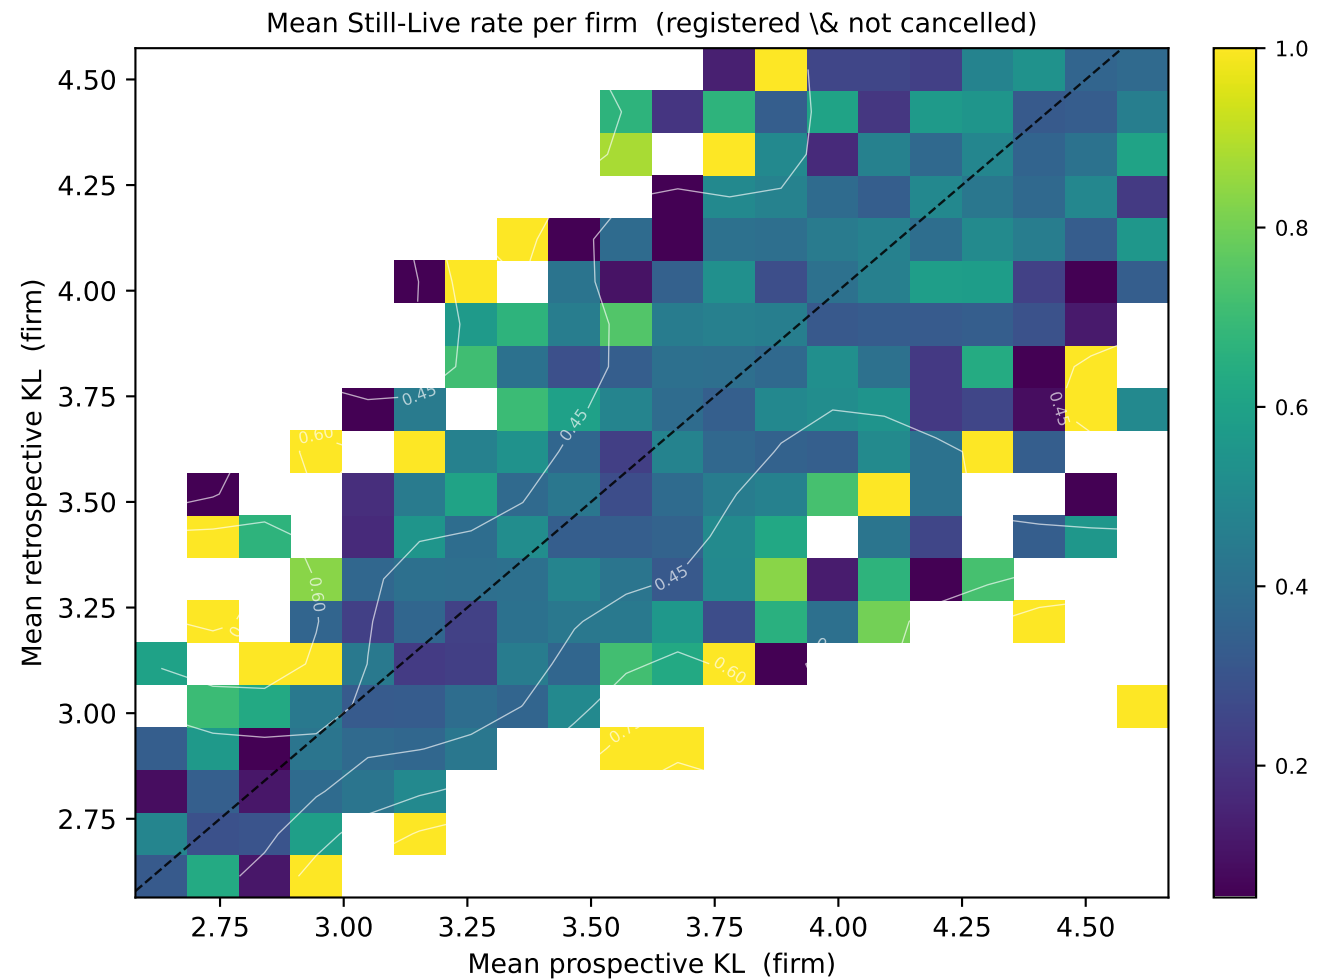

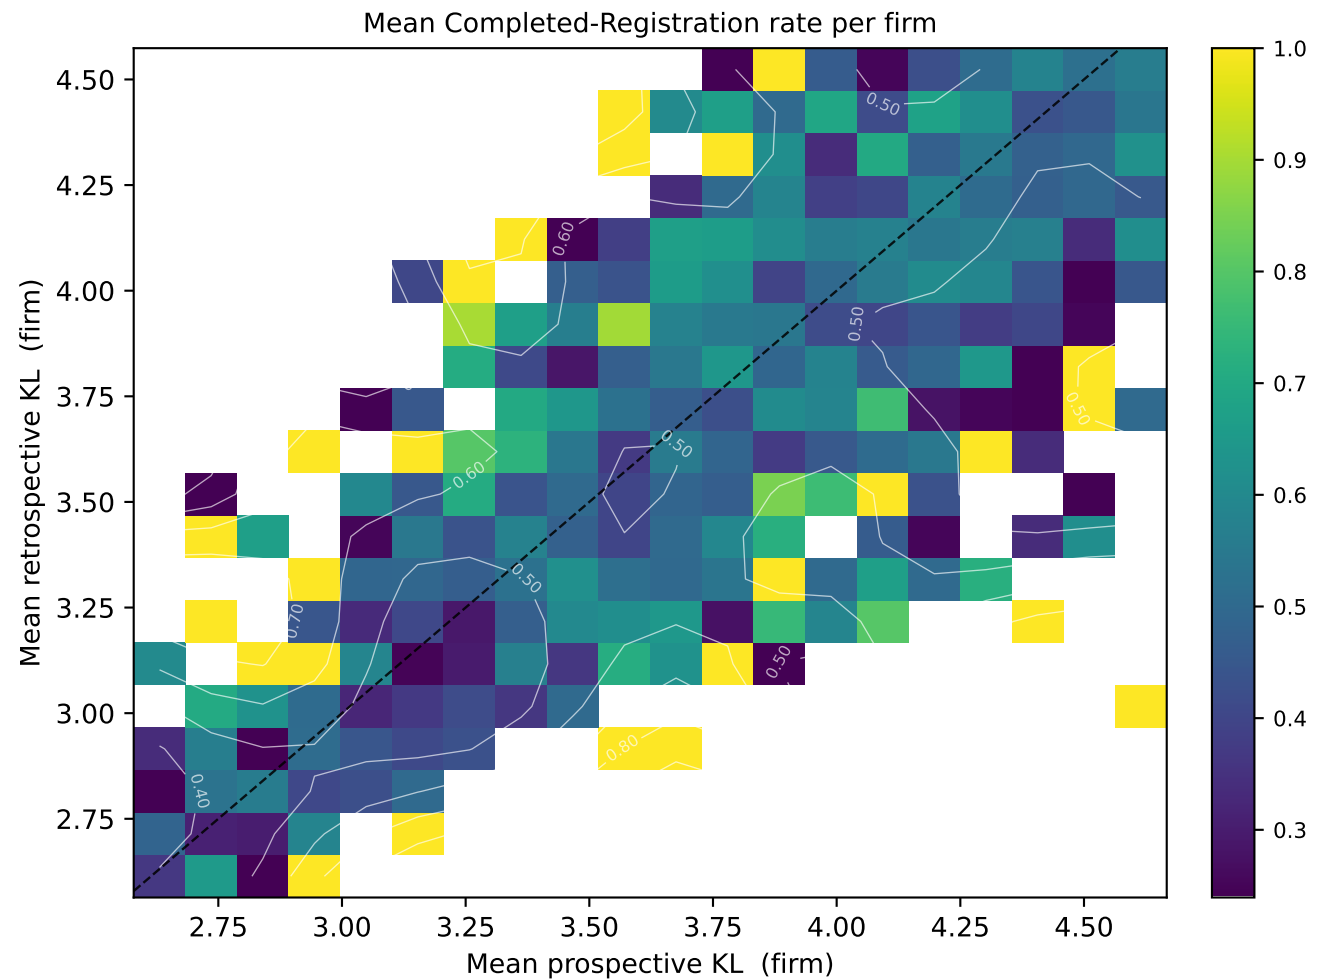

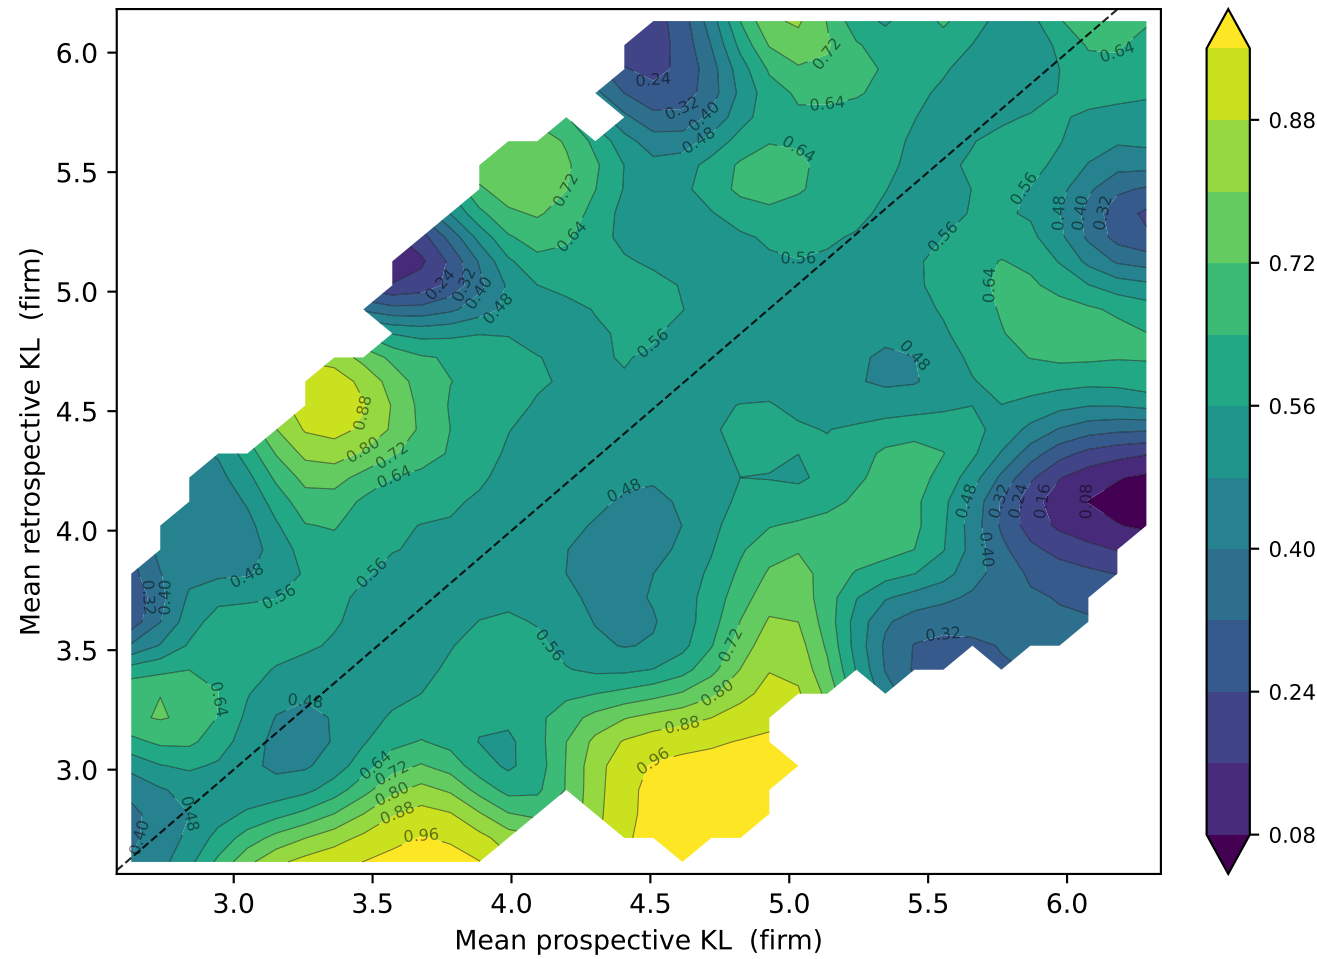

Class 033 — Wine & Spirits — 51,066 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=3,390 firms

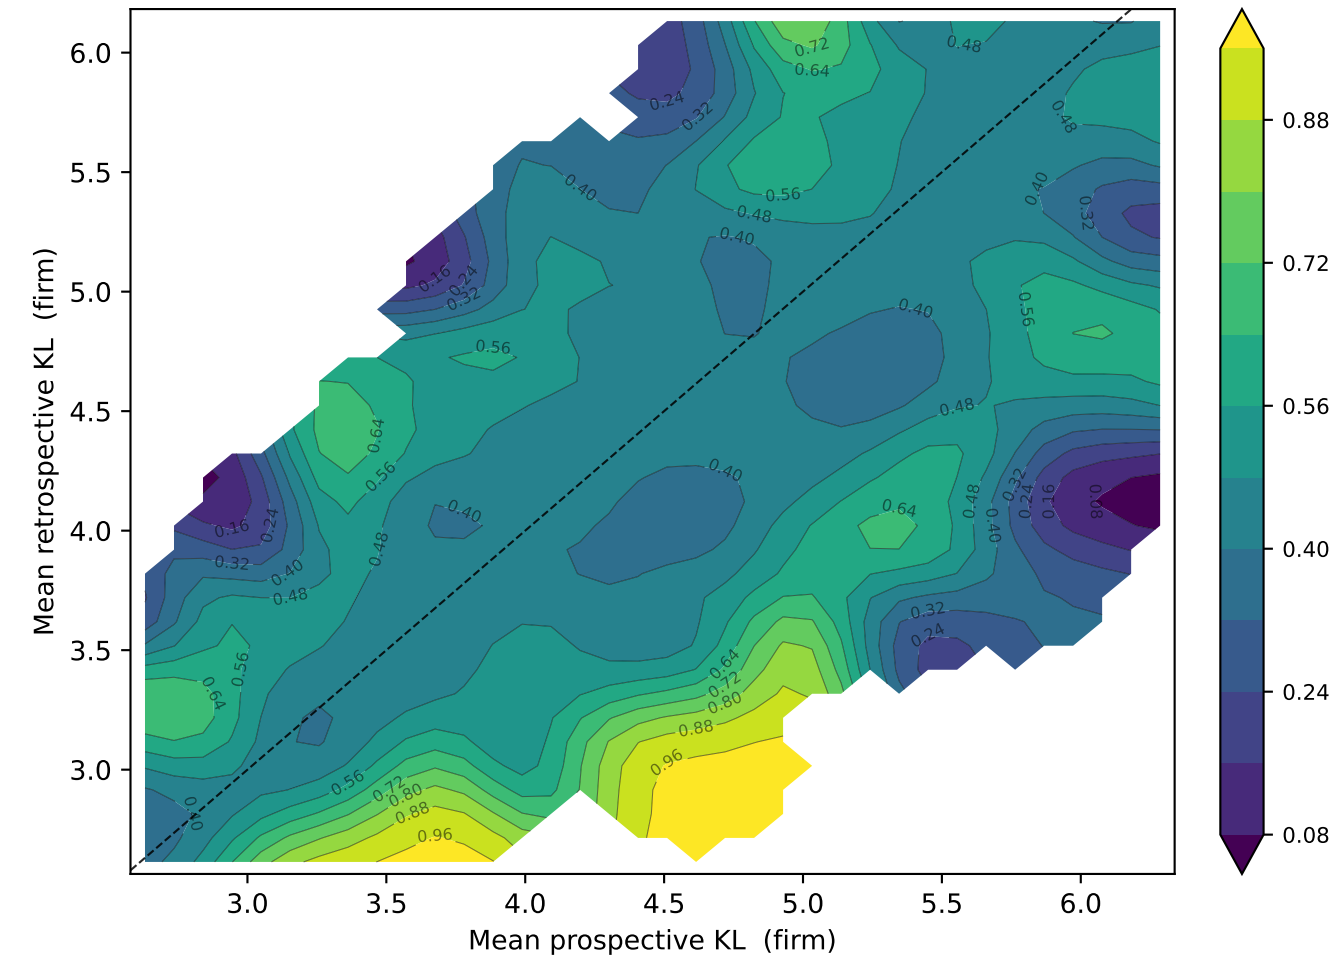

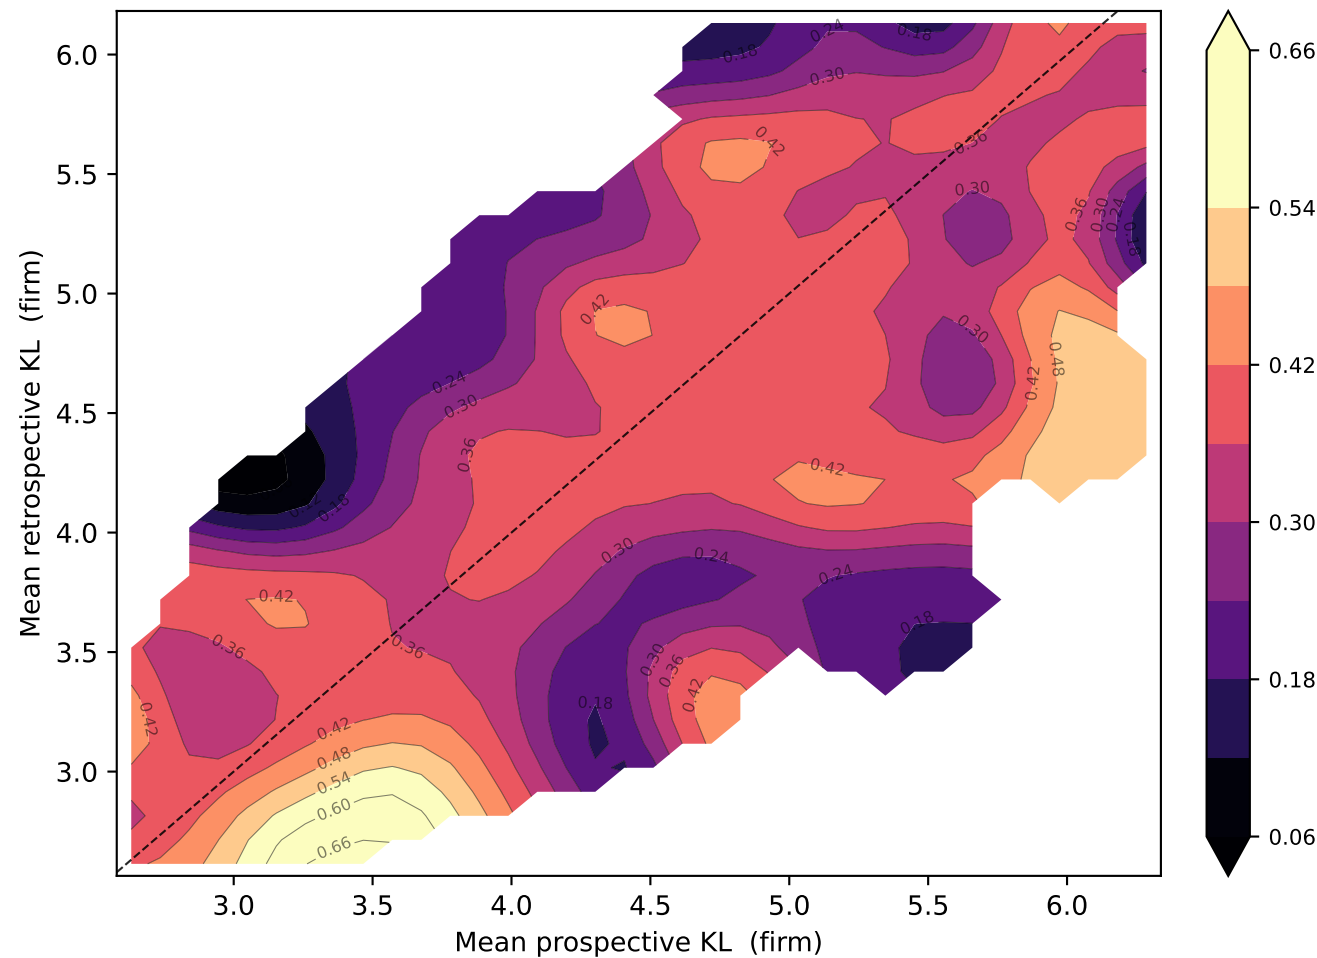

Mean Completed-Registration rate per firm

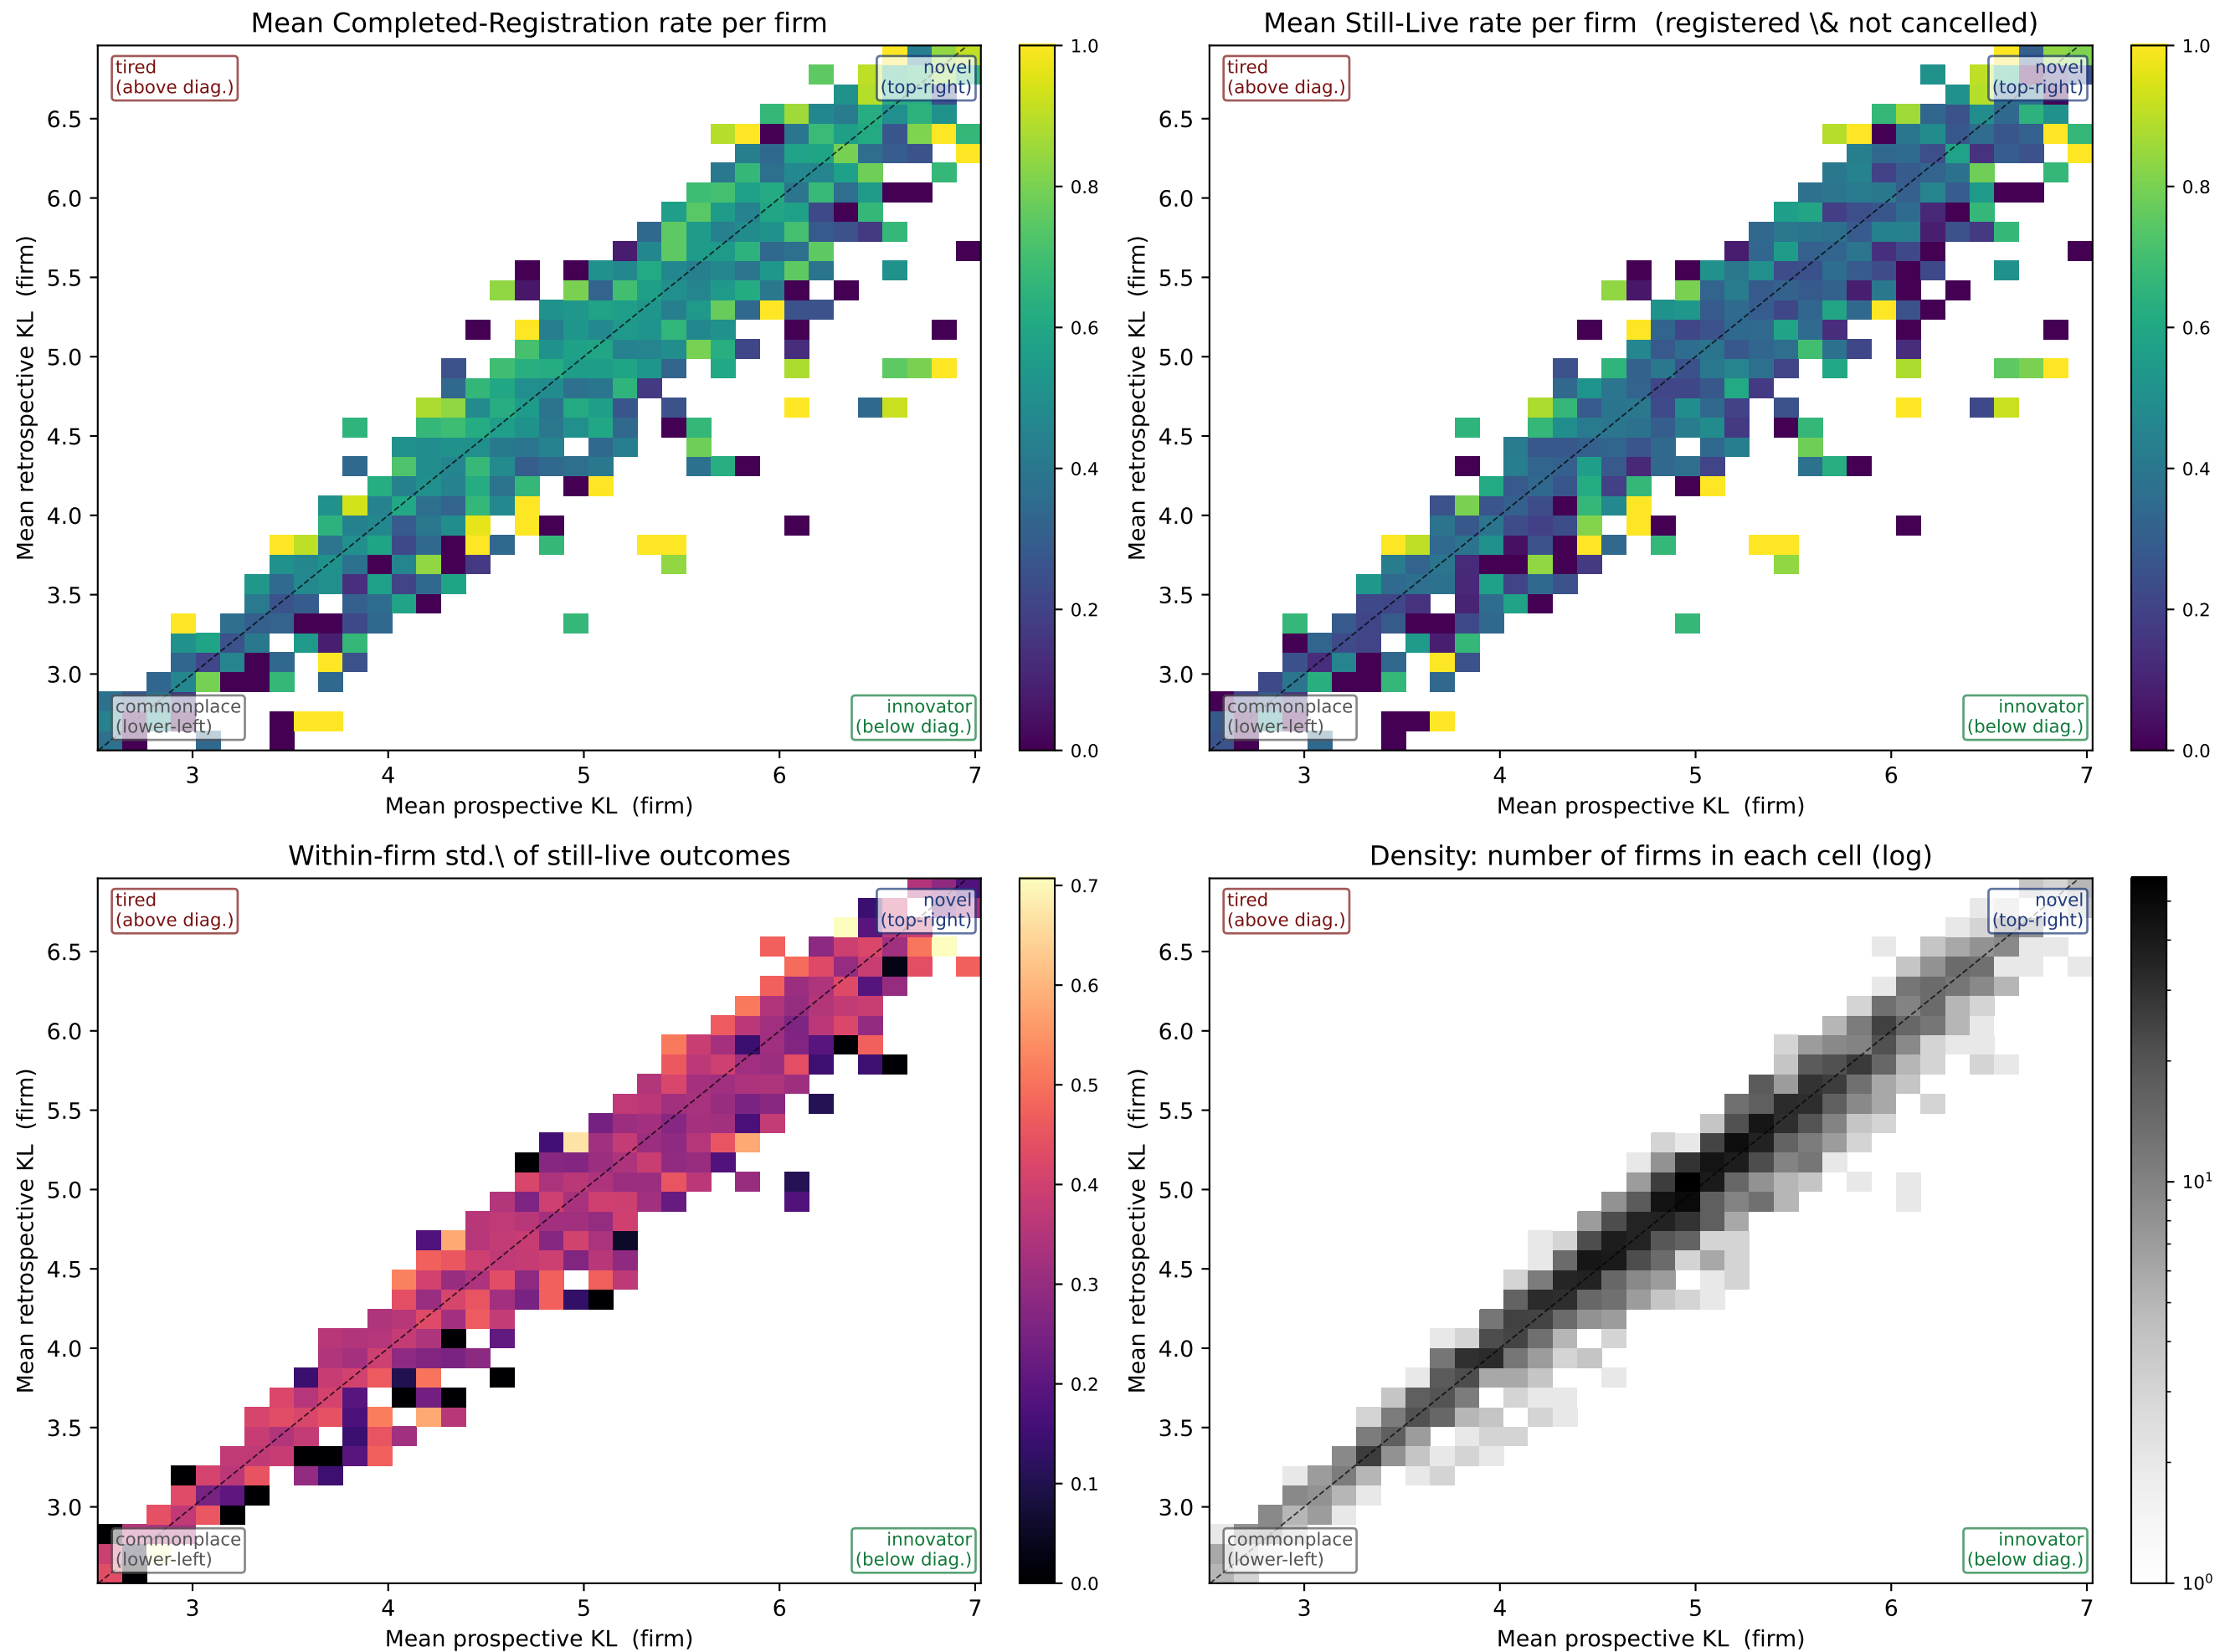

Mean Still-Live rate per firm (registered \& not cancelled)

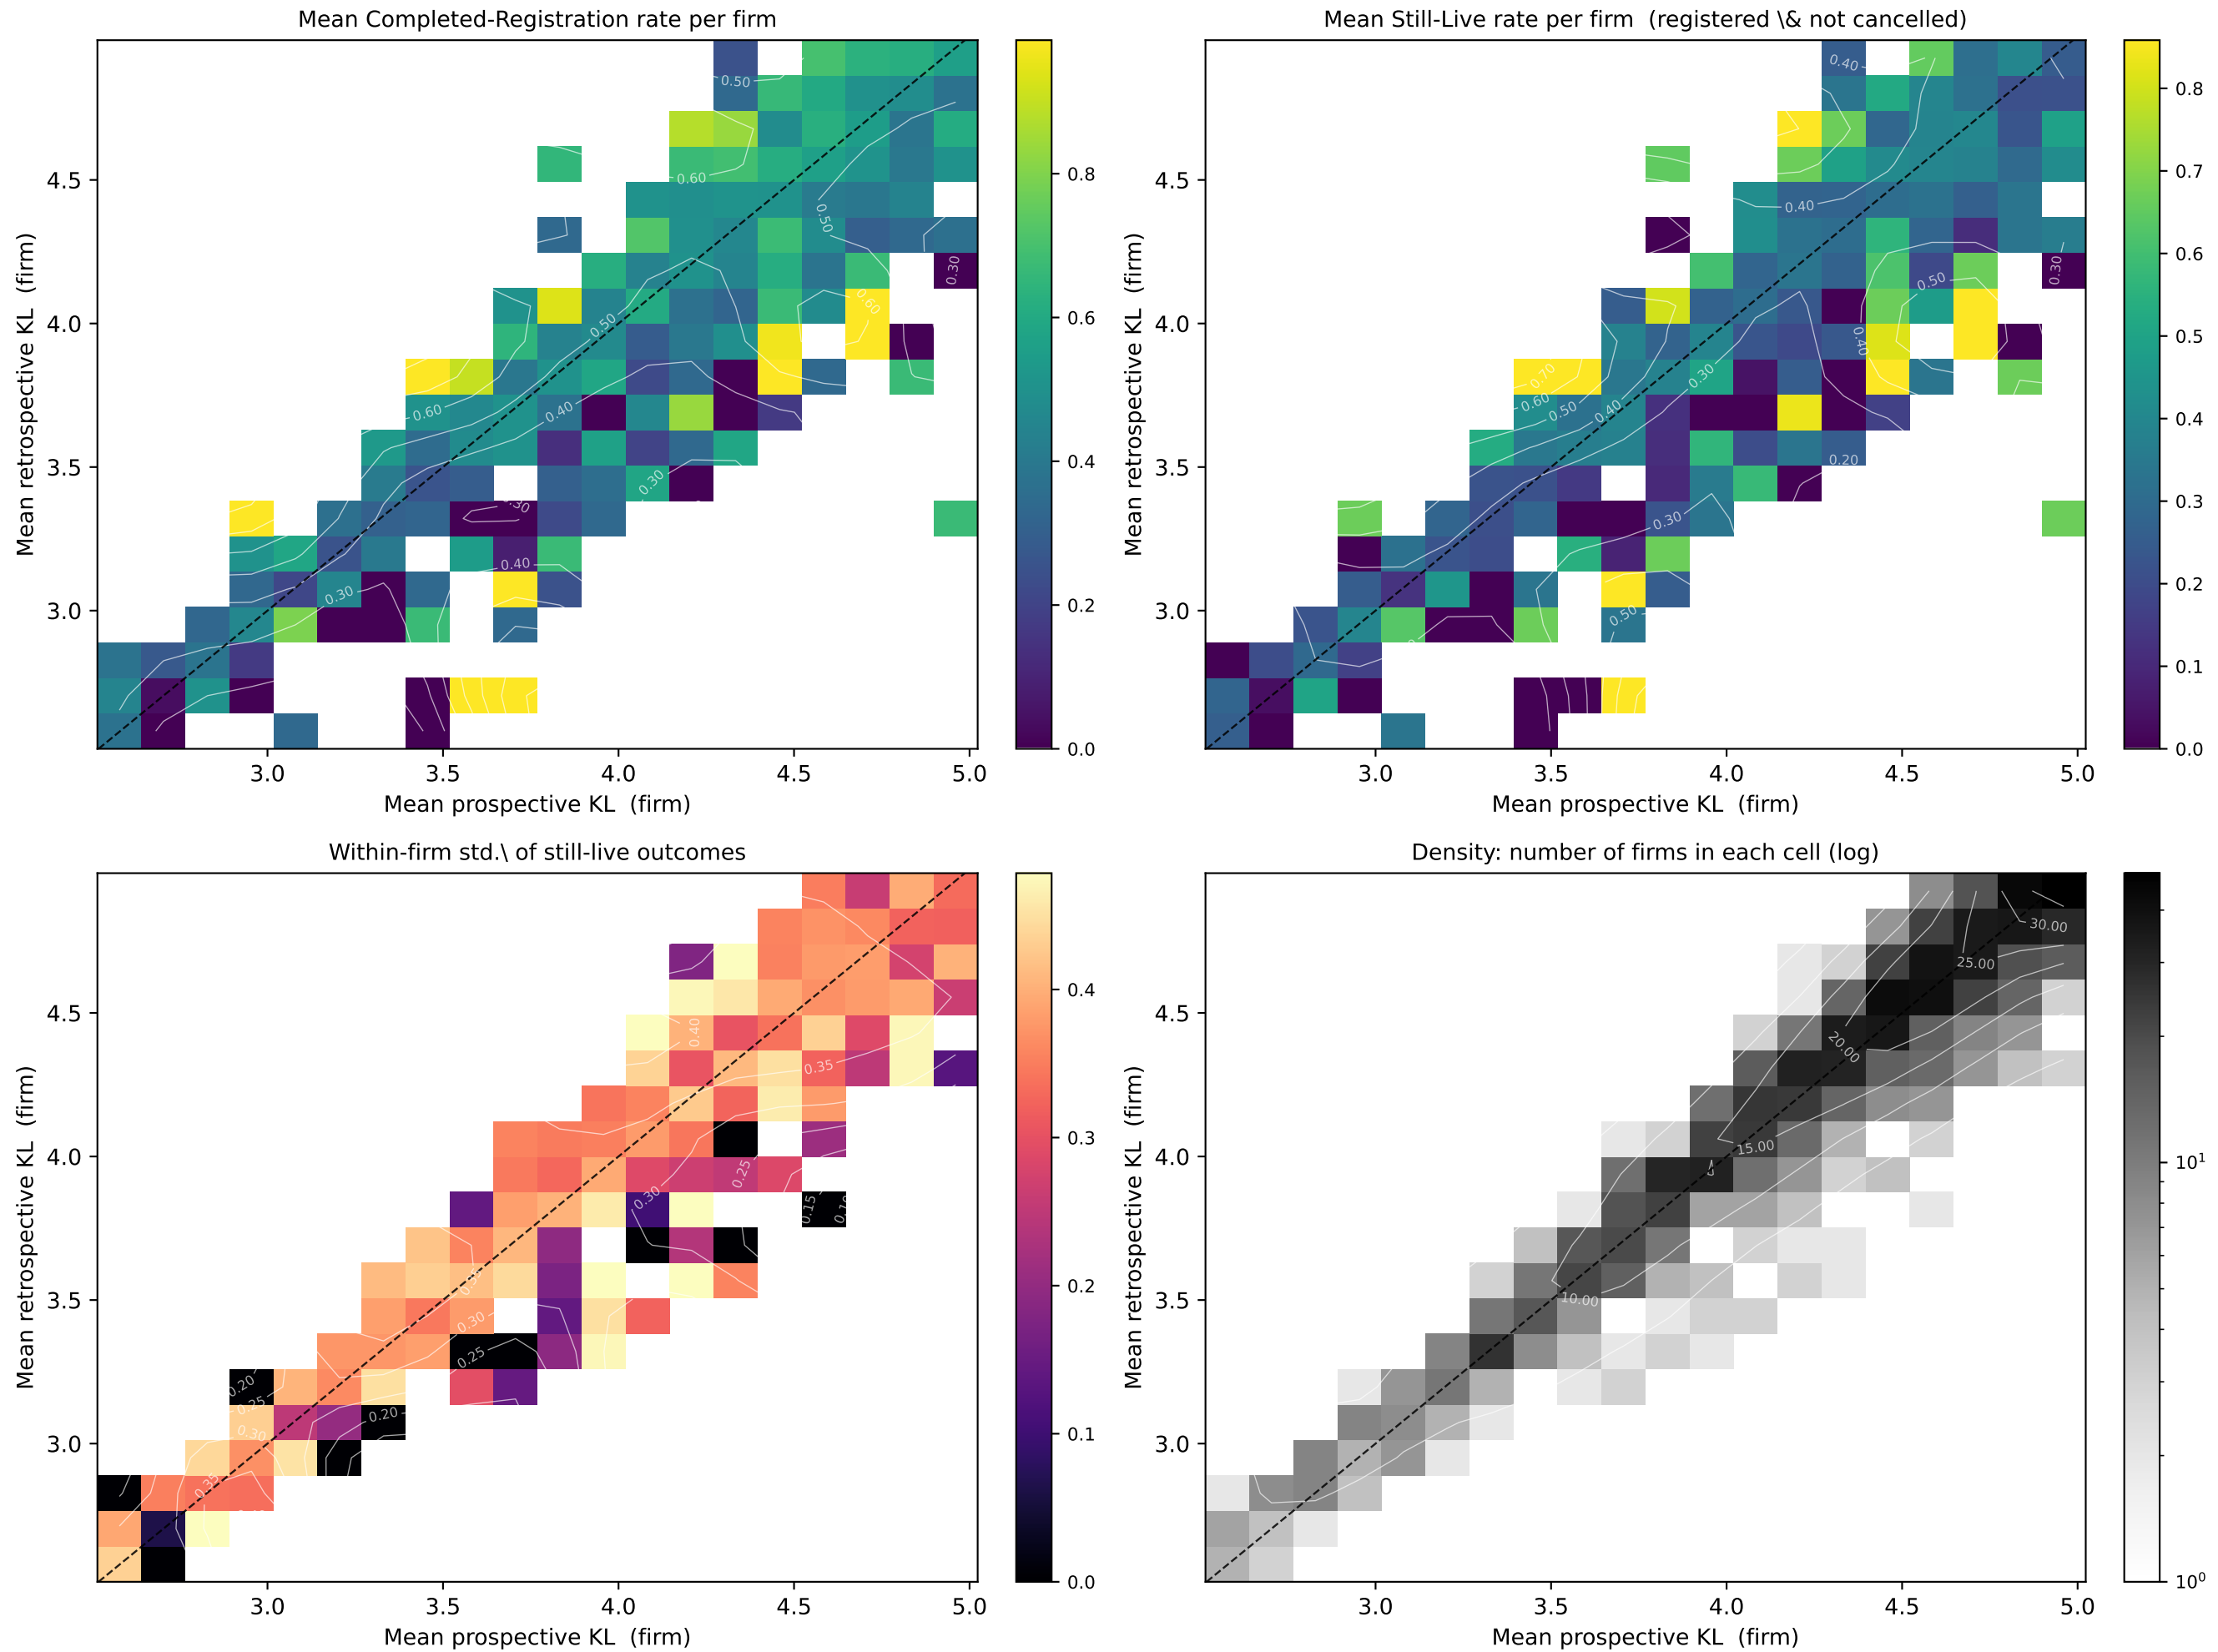

Within-firm std.\ of still-live outcomes

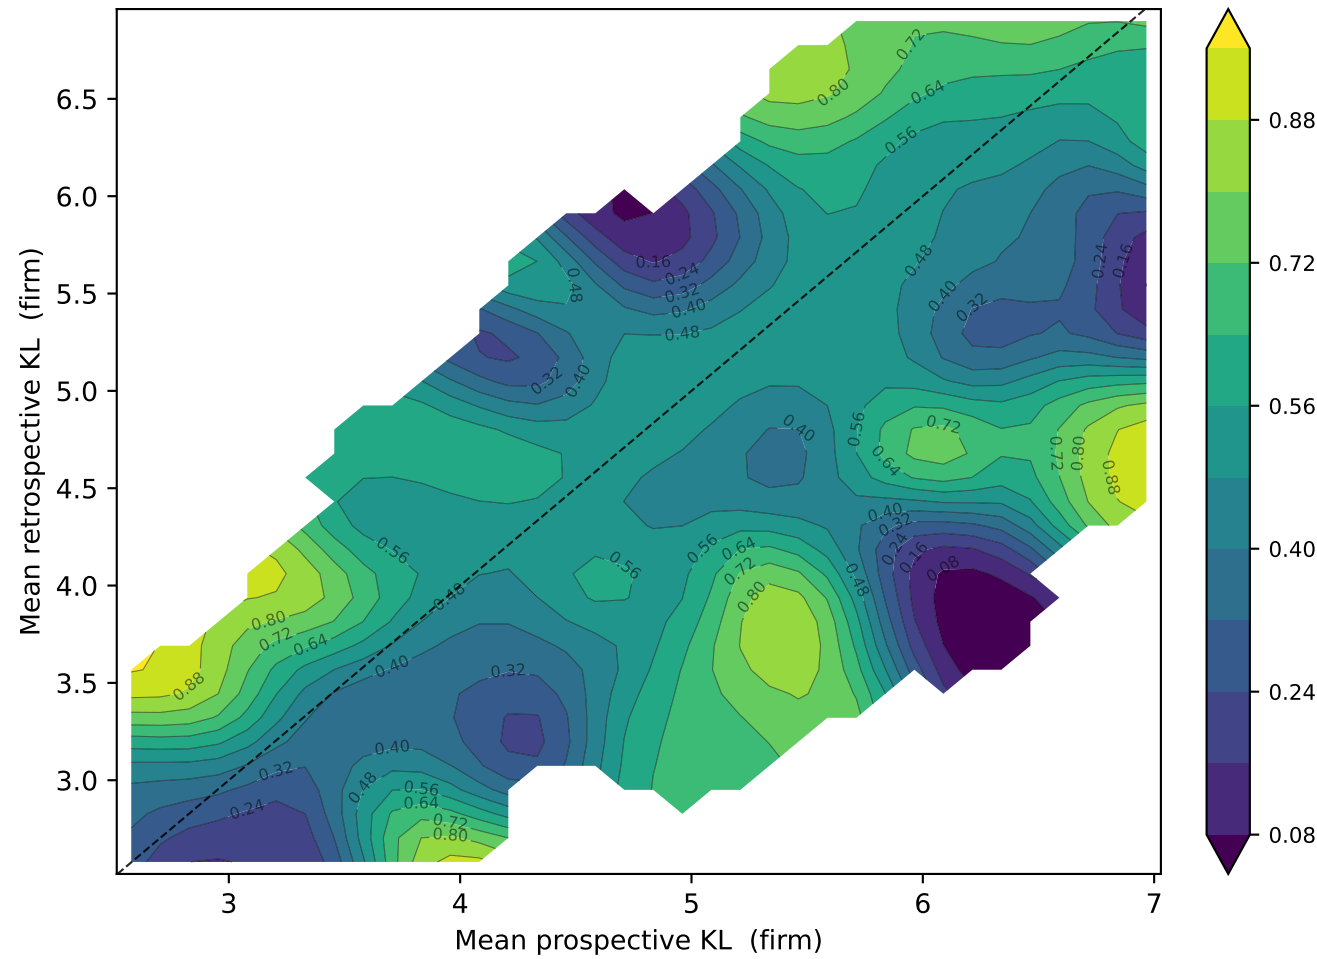

Class 008 — Hand Tools — 48,328 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=2,916 firms

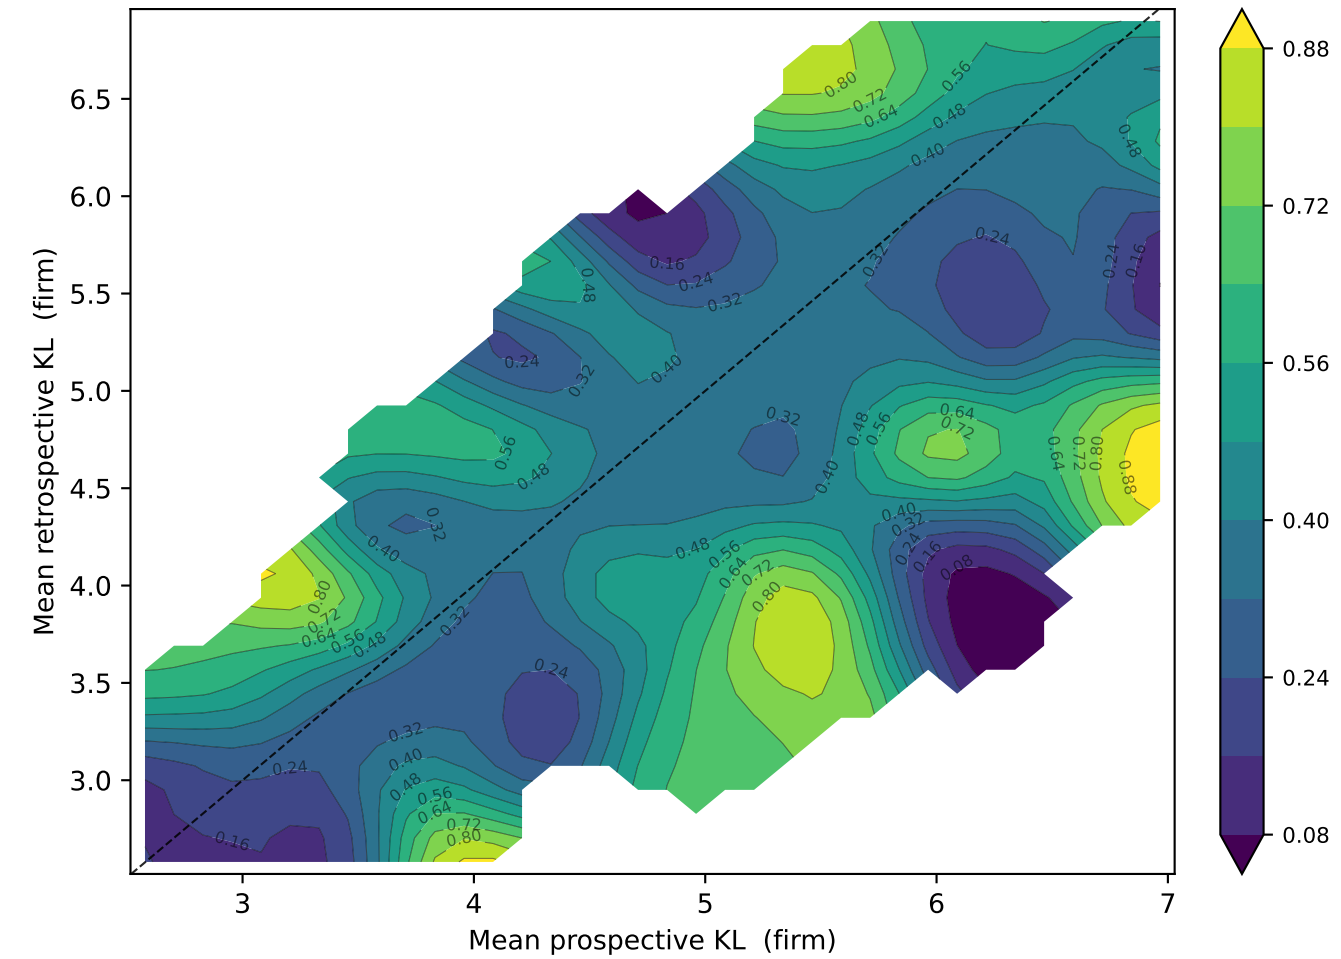

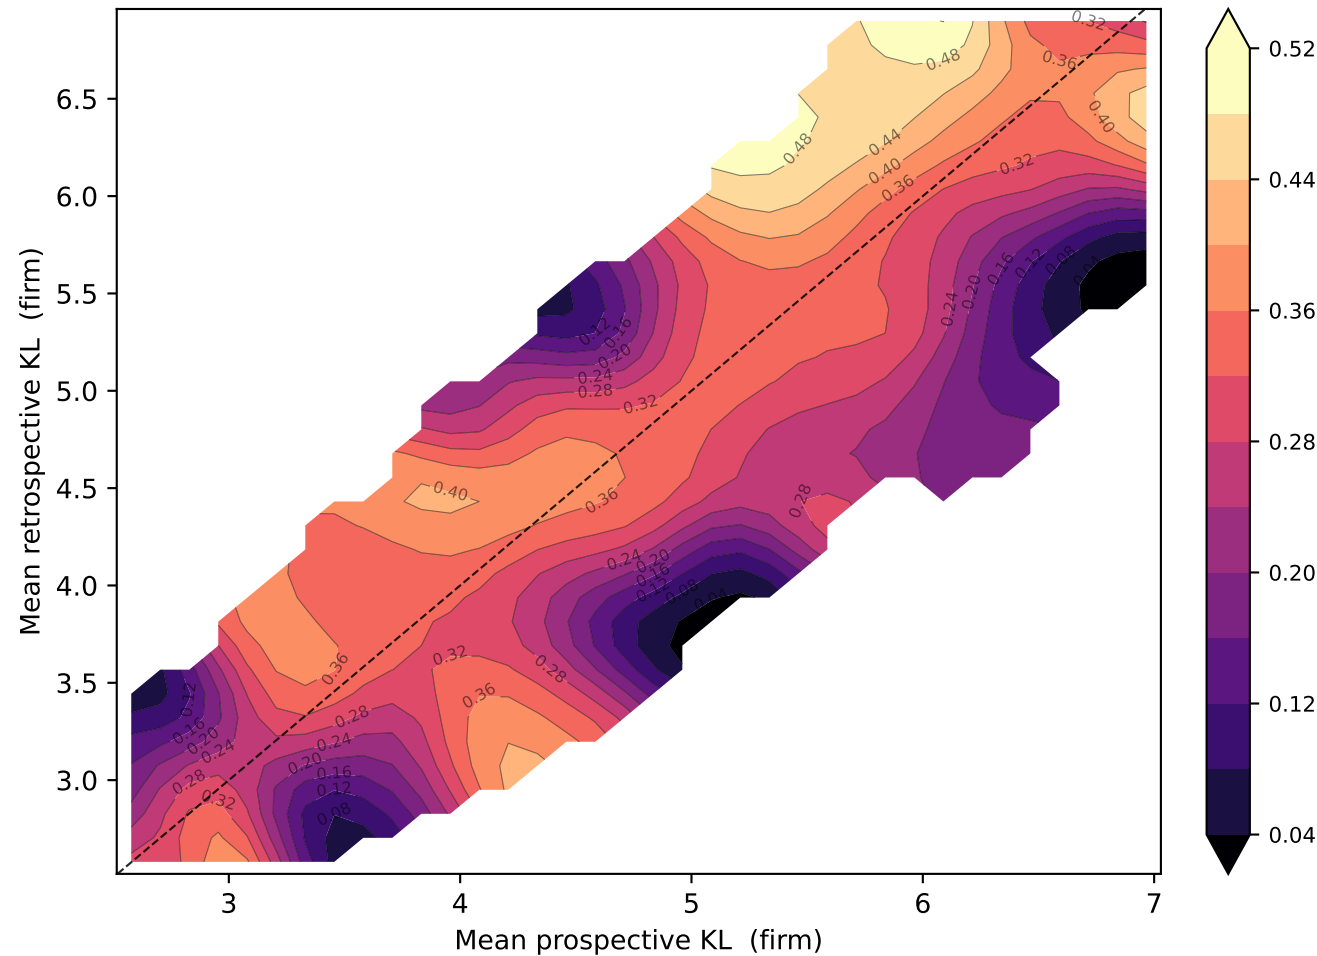

Mean Completed-Registration rate per firm

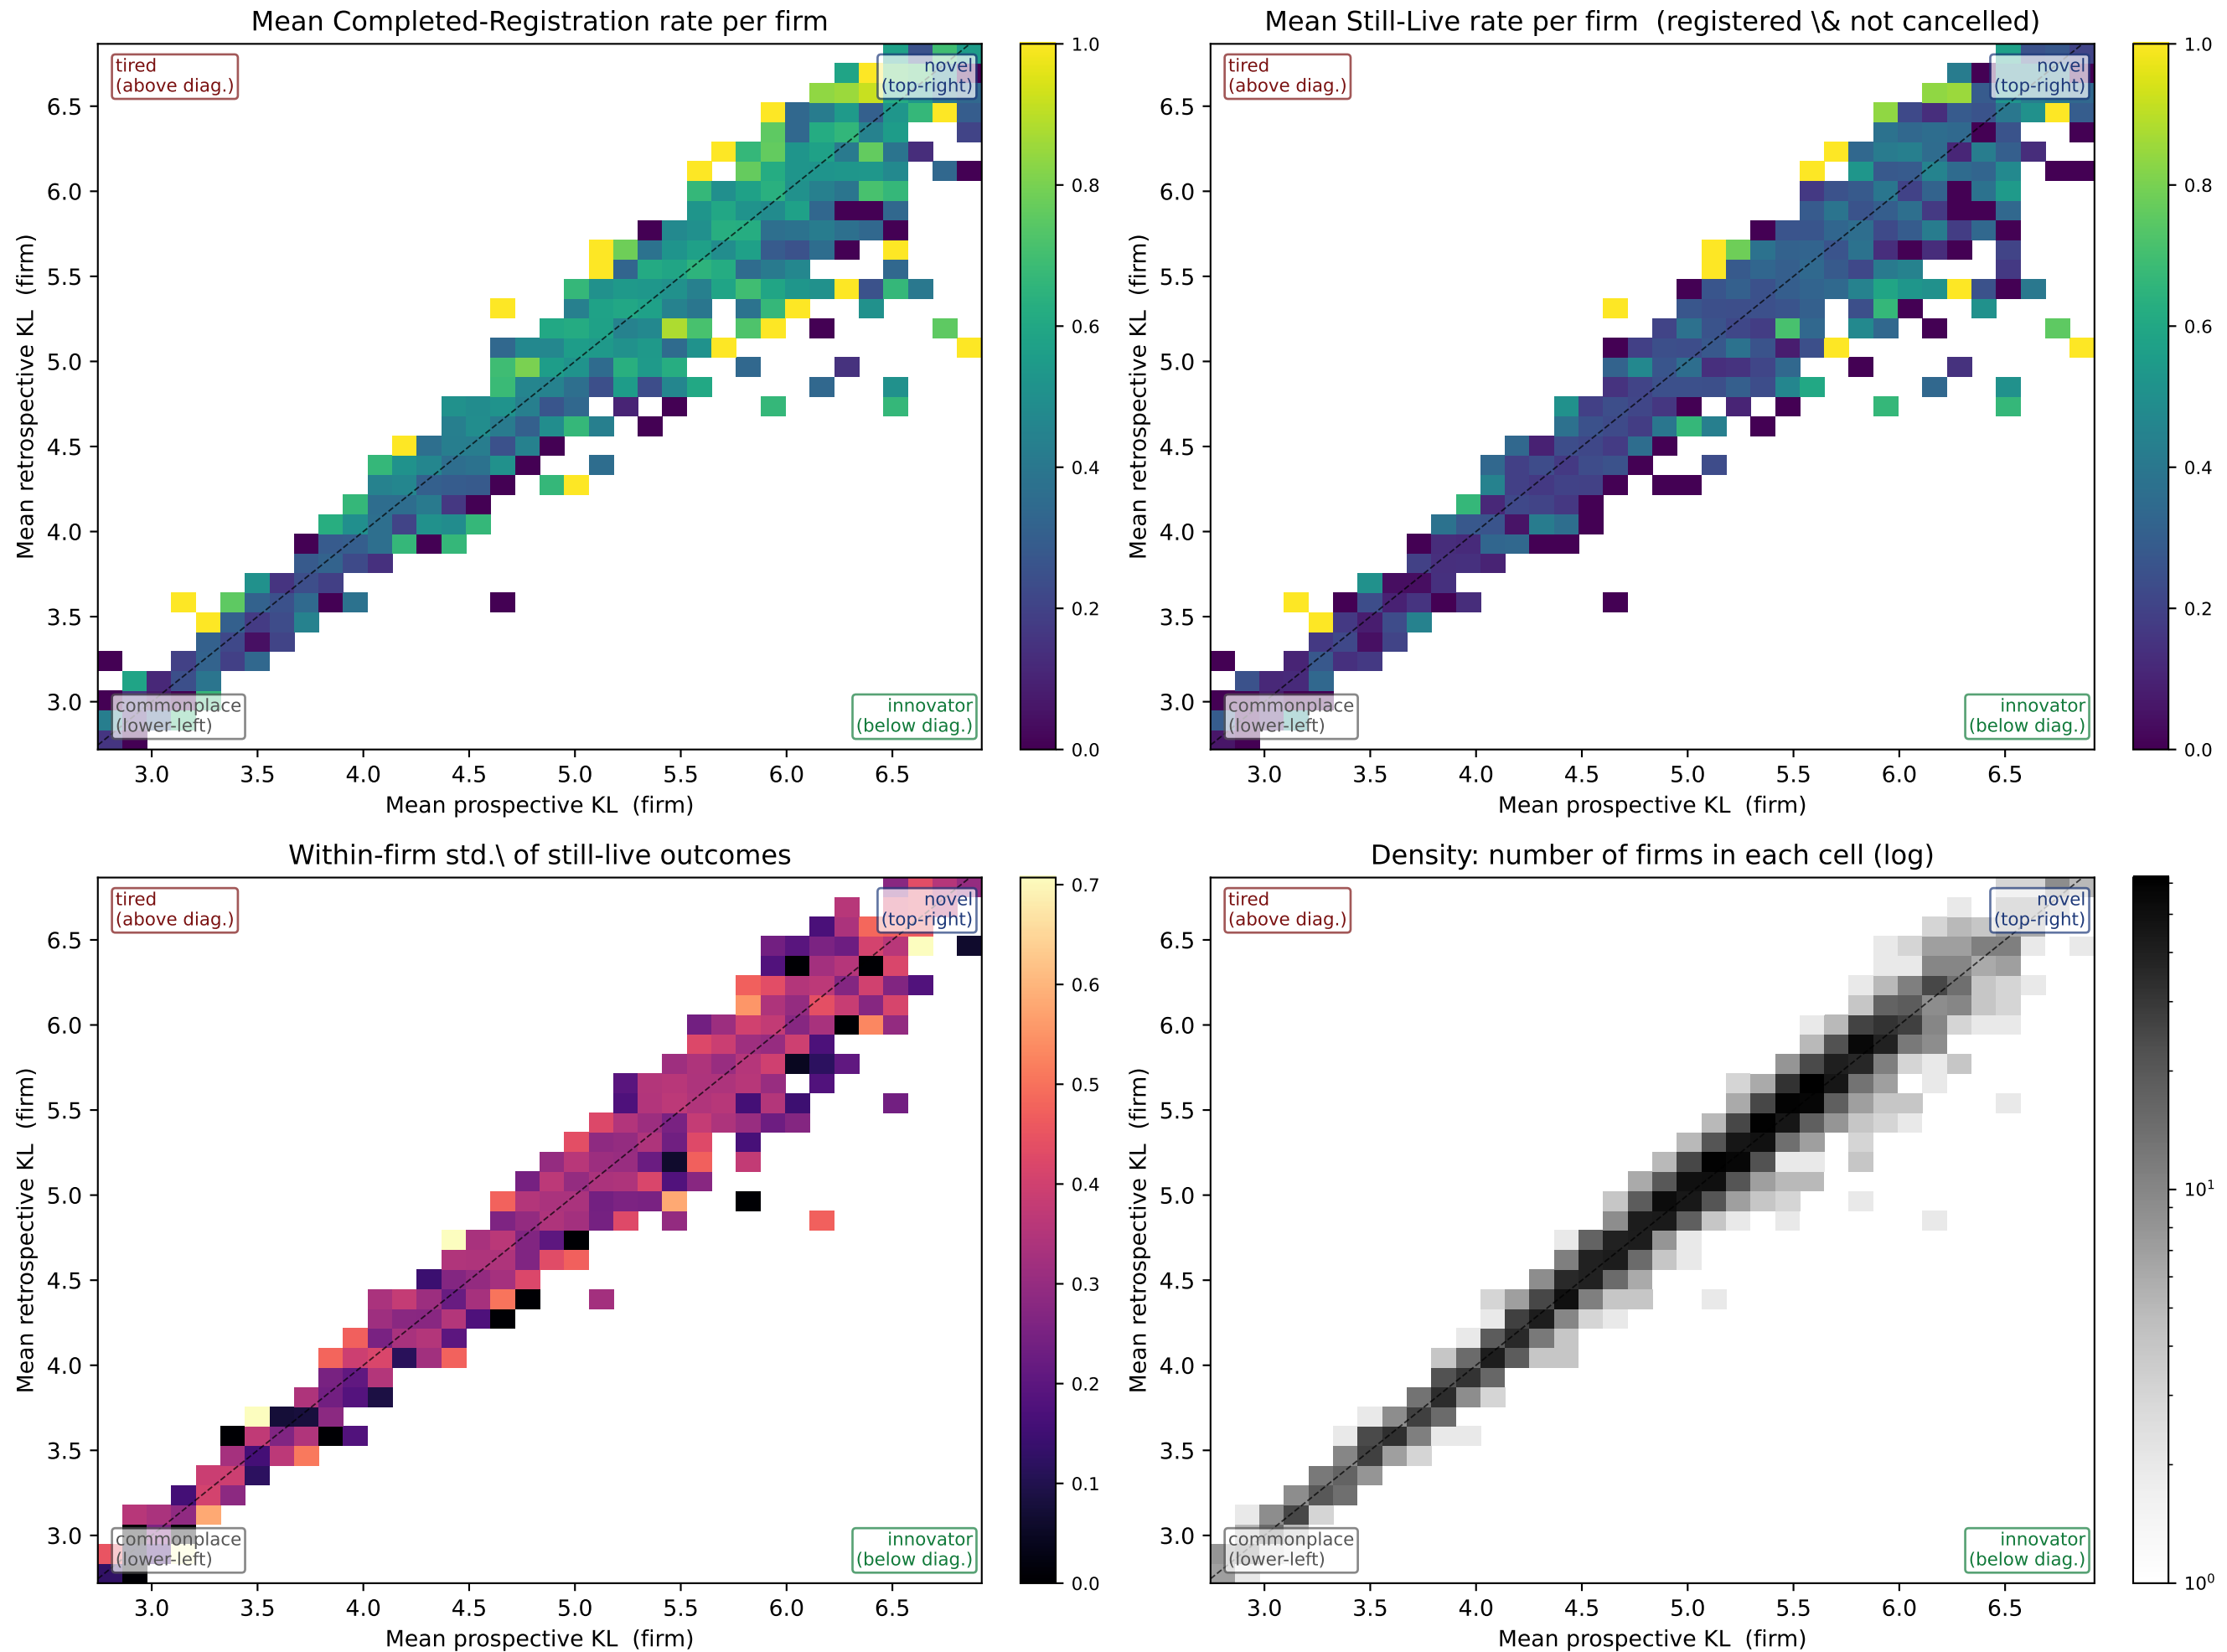

Mean Still-Live rate per firm (registered \& not cancelled)

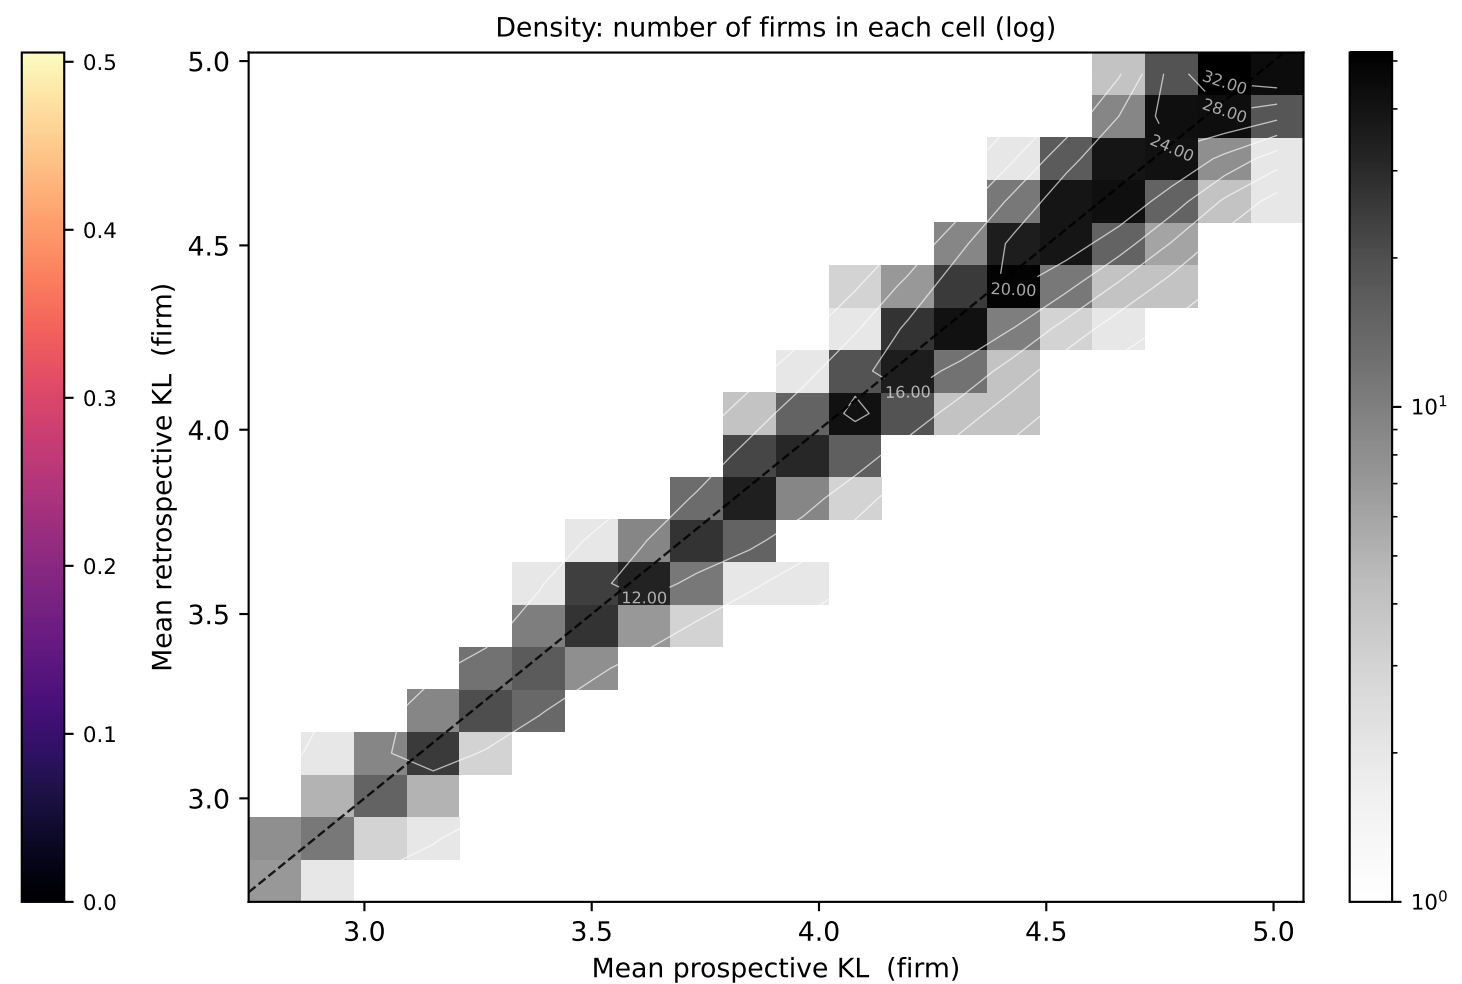

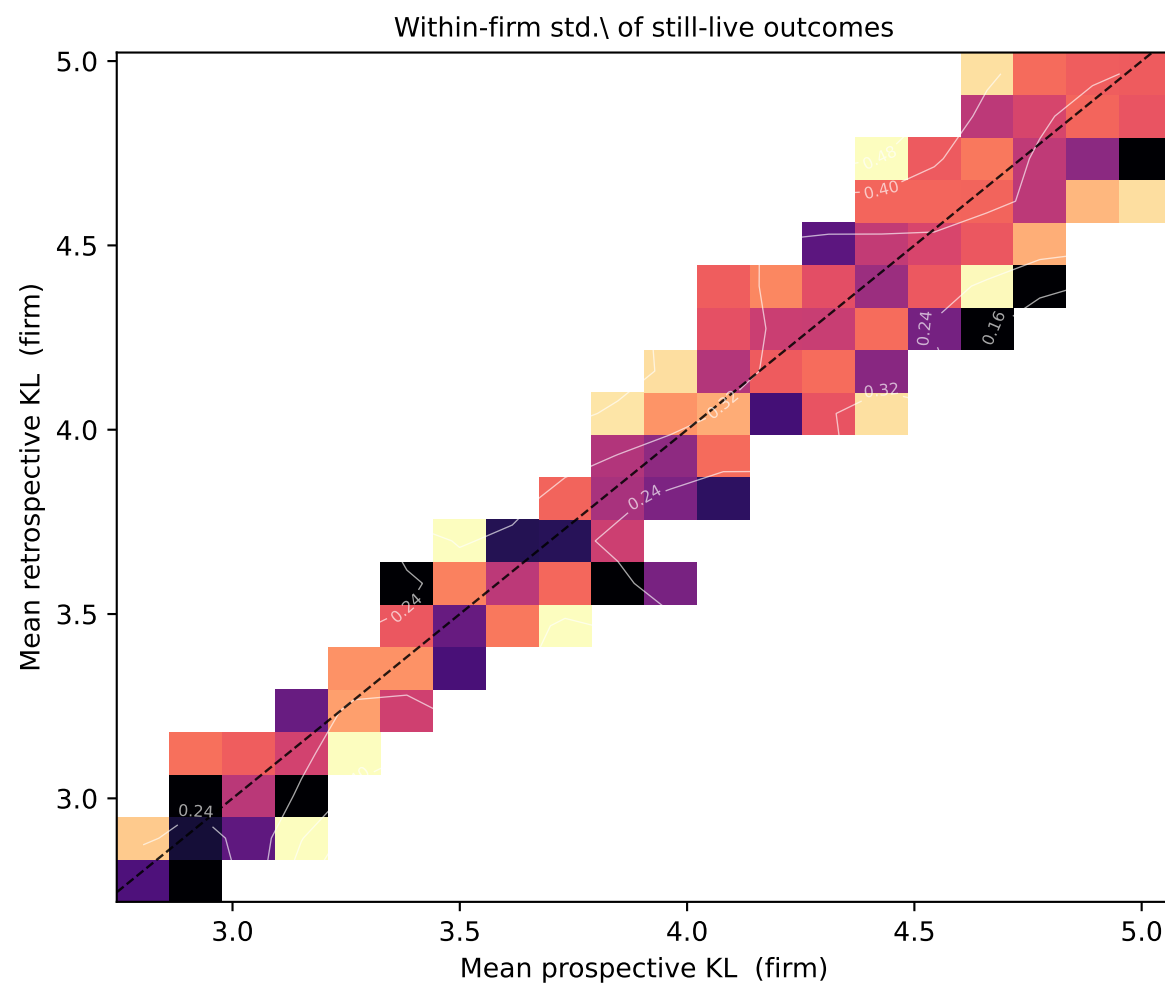

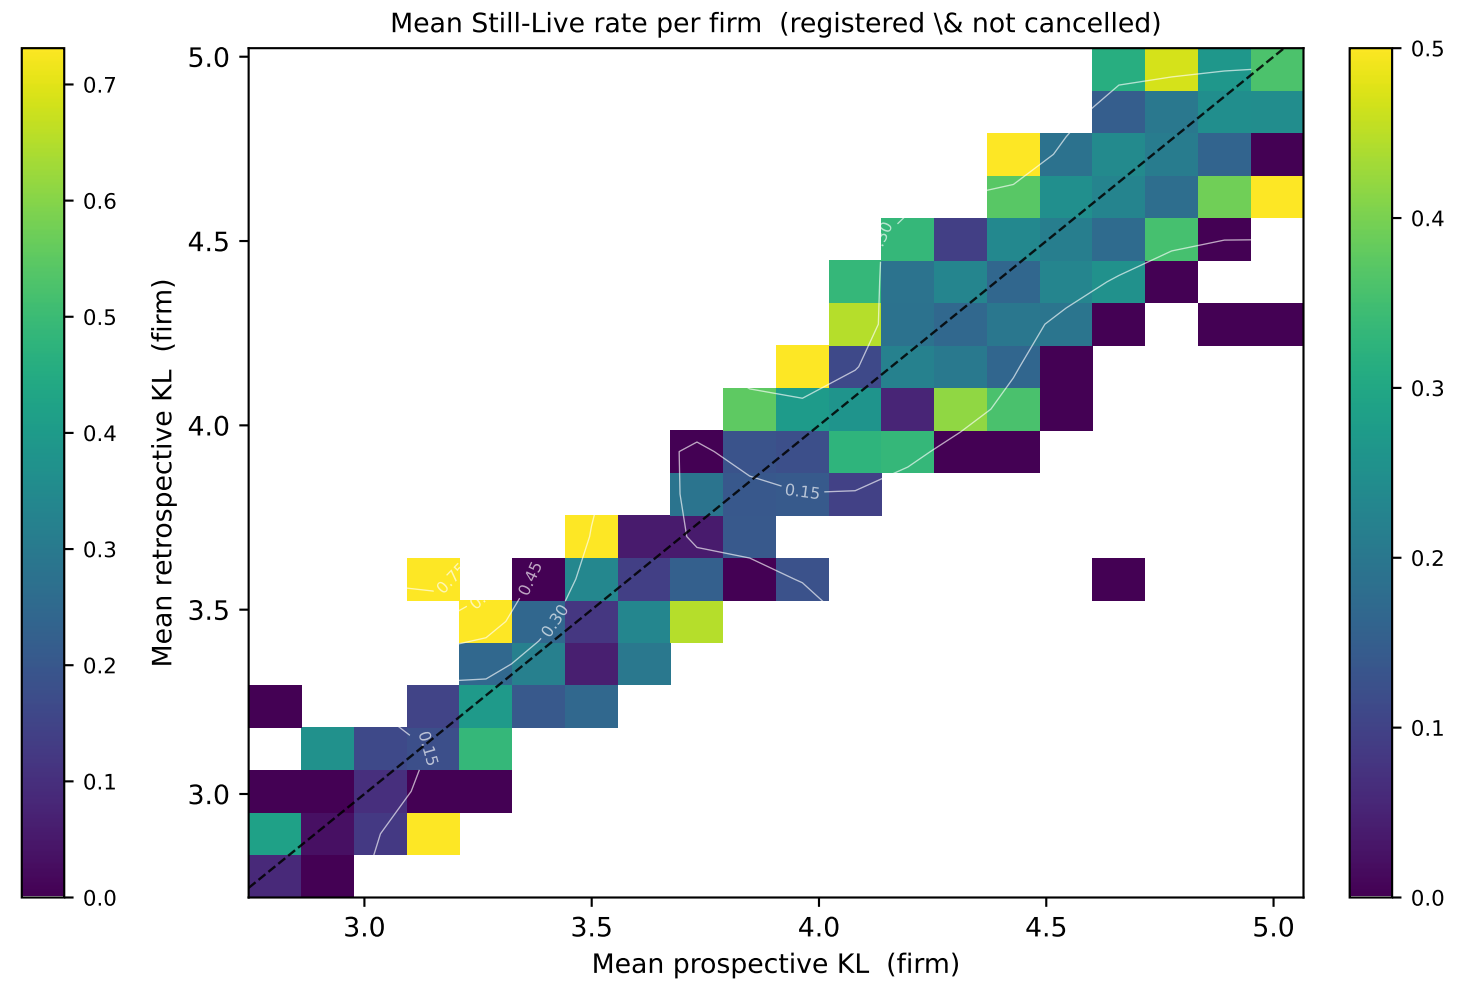

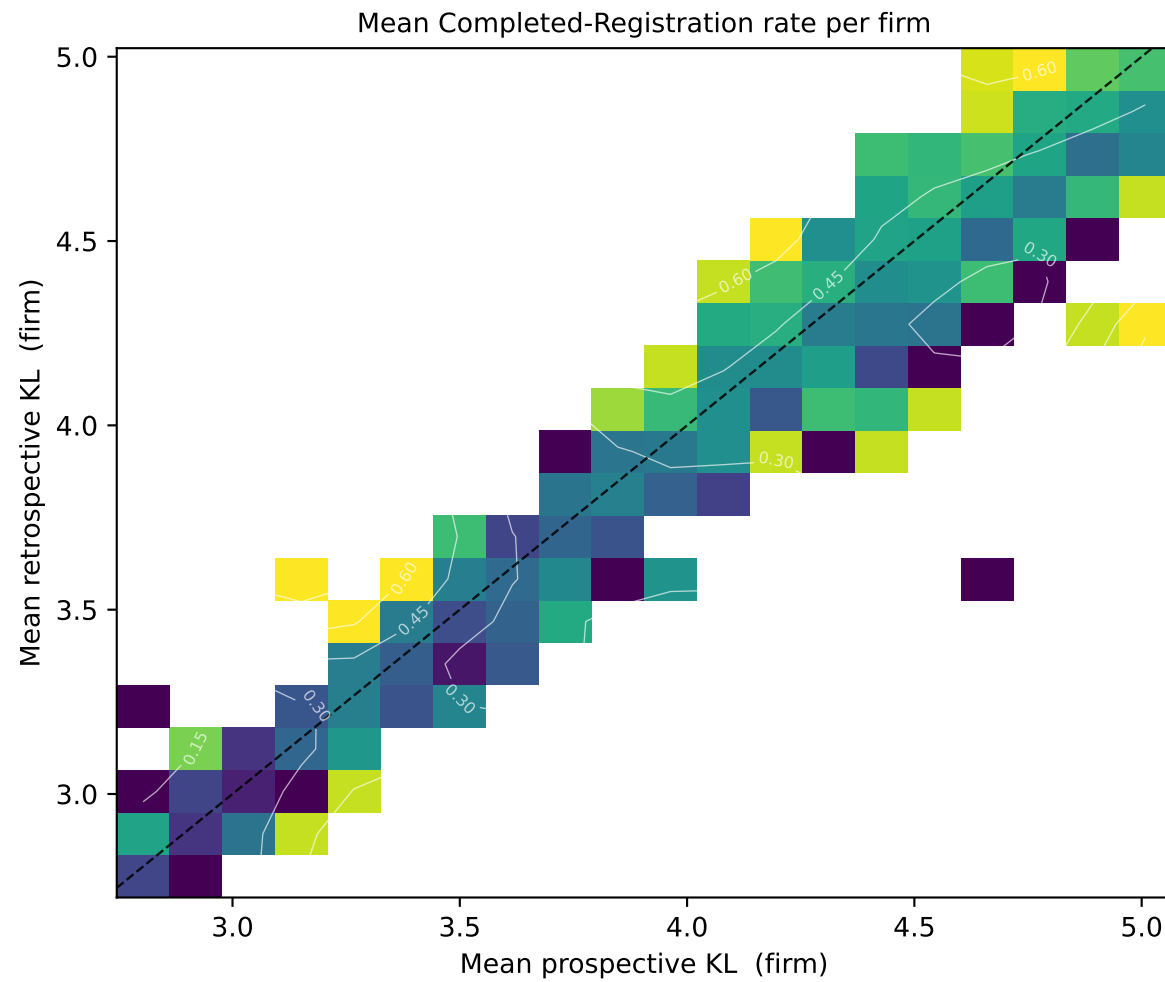

Within-firm std.\ of still-live outcomes

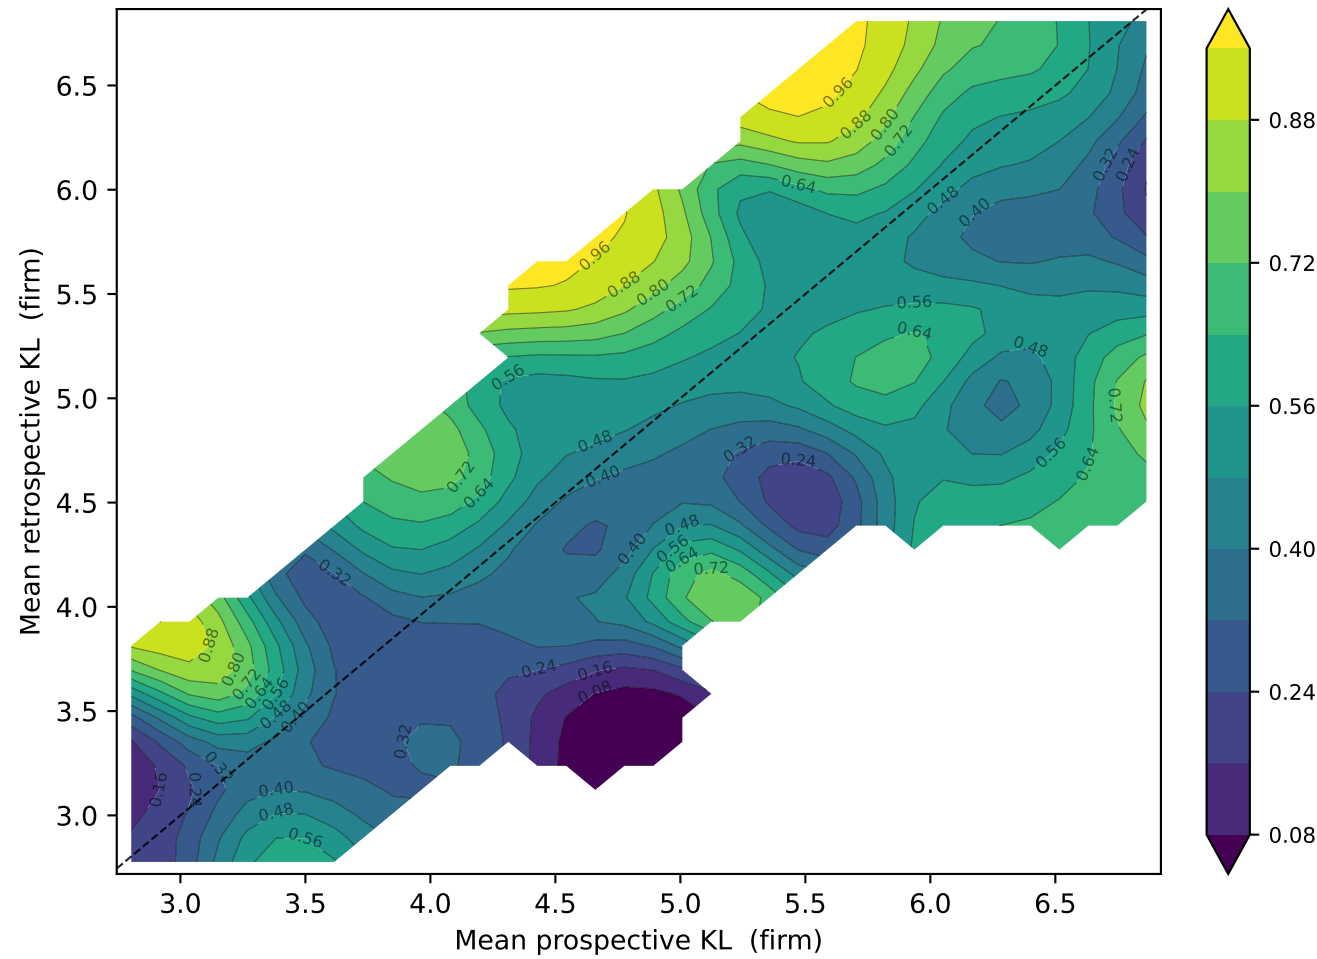

Class 017 — Rubber & Insulators — 42,609 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=3,162 firms

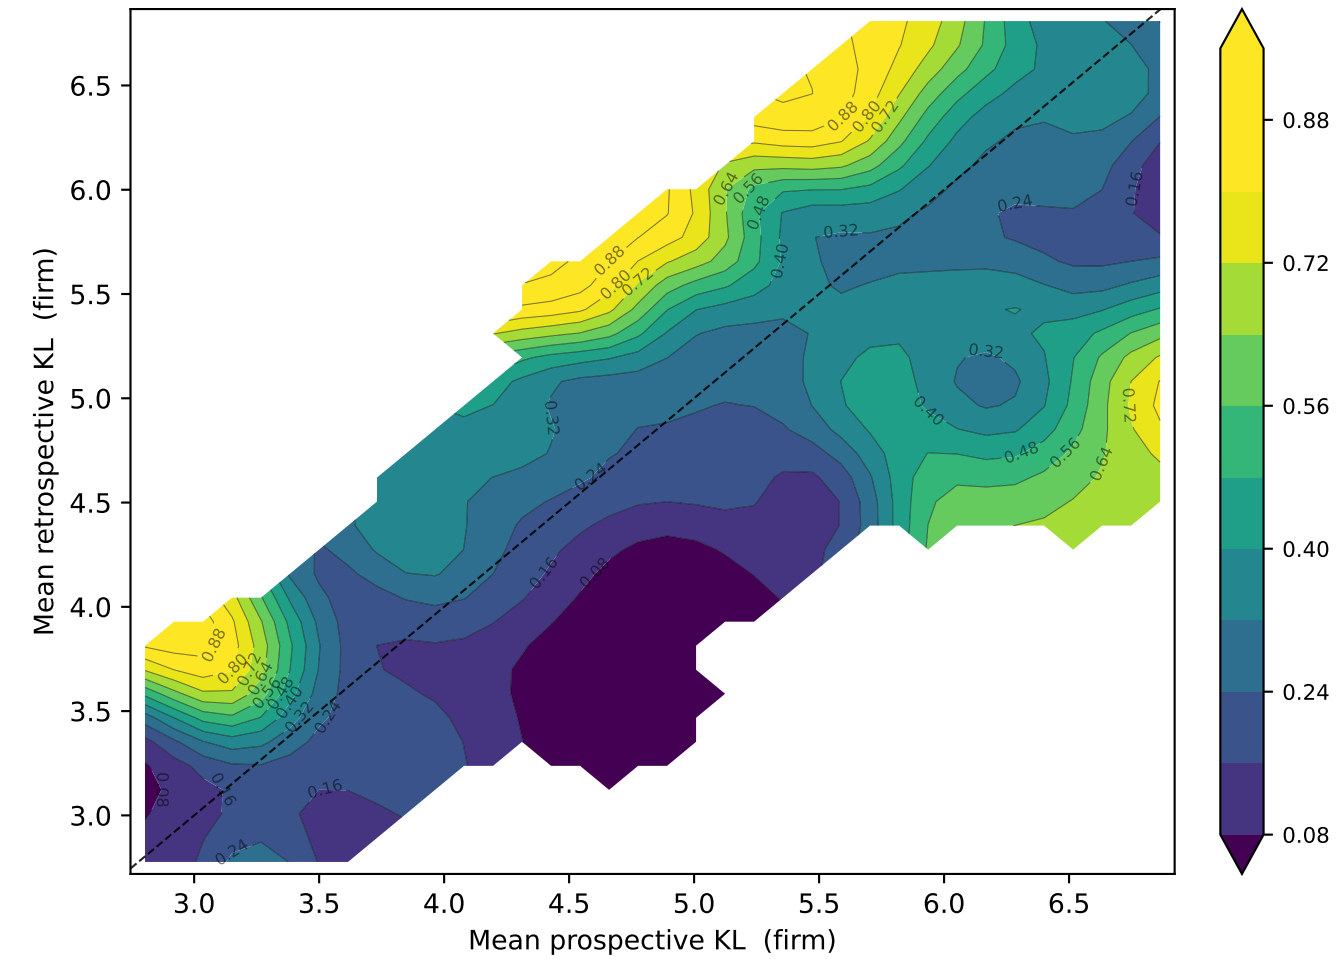

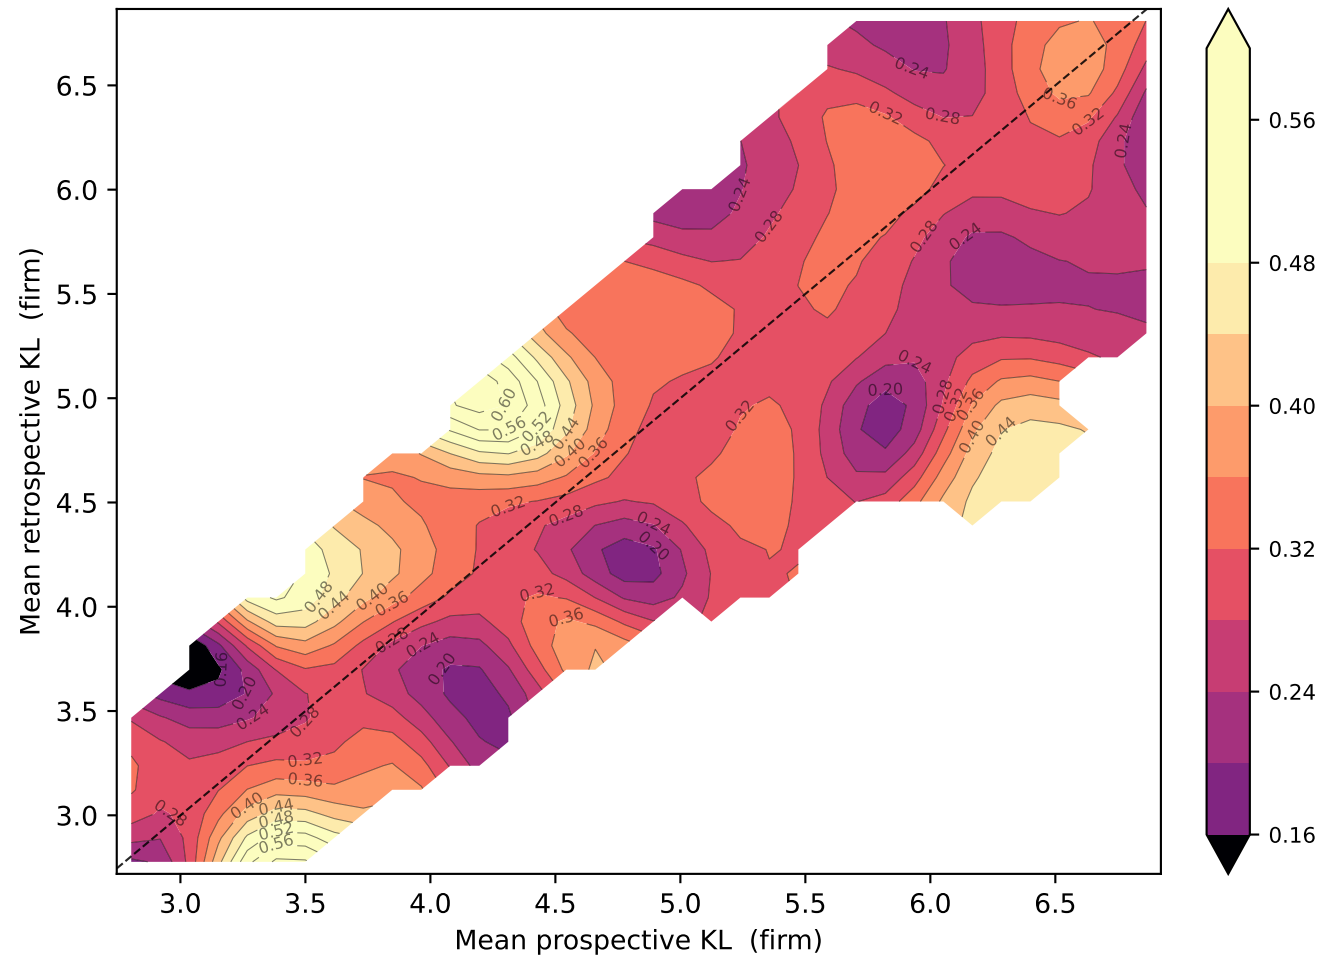

Mean Completed-Registration rate per firm

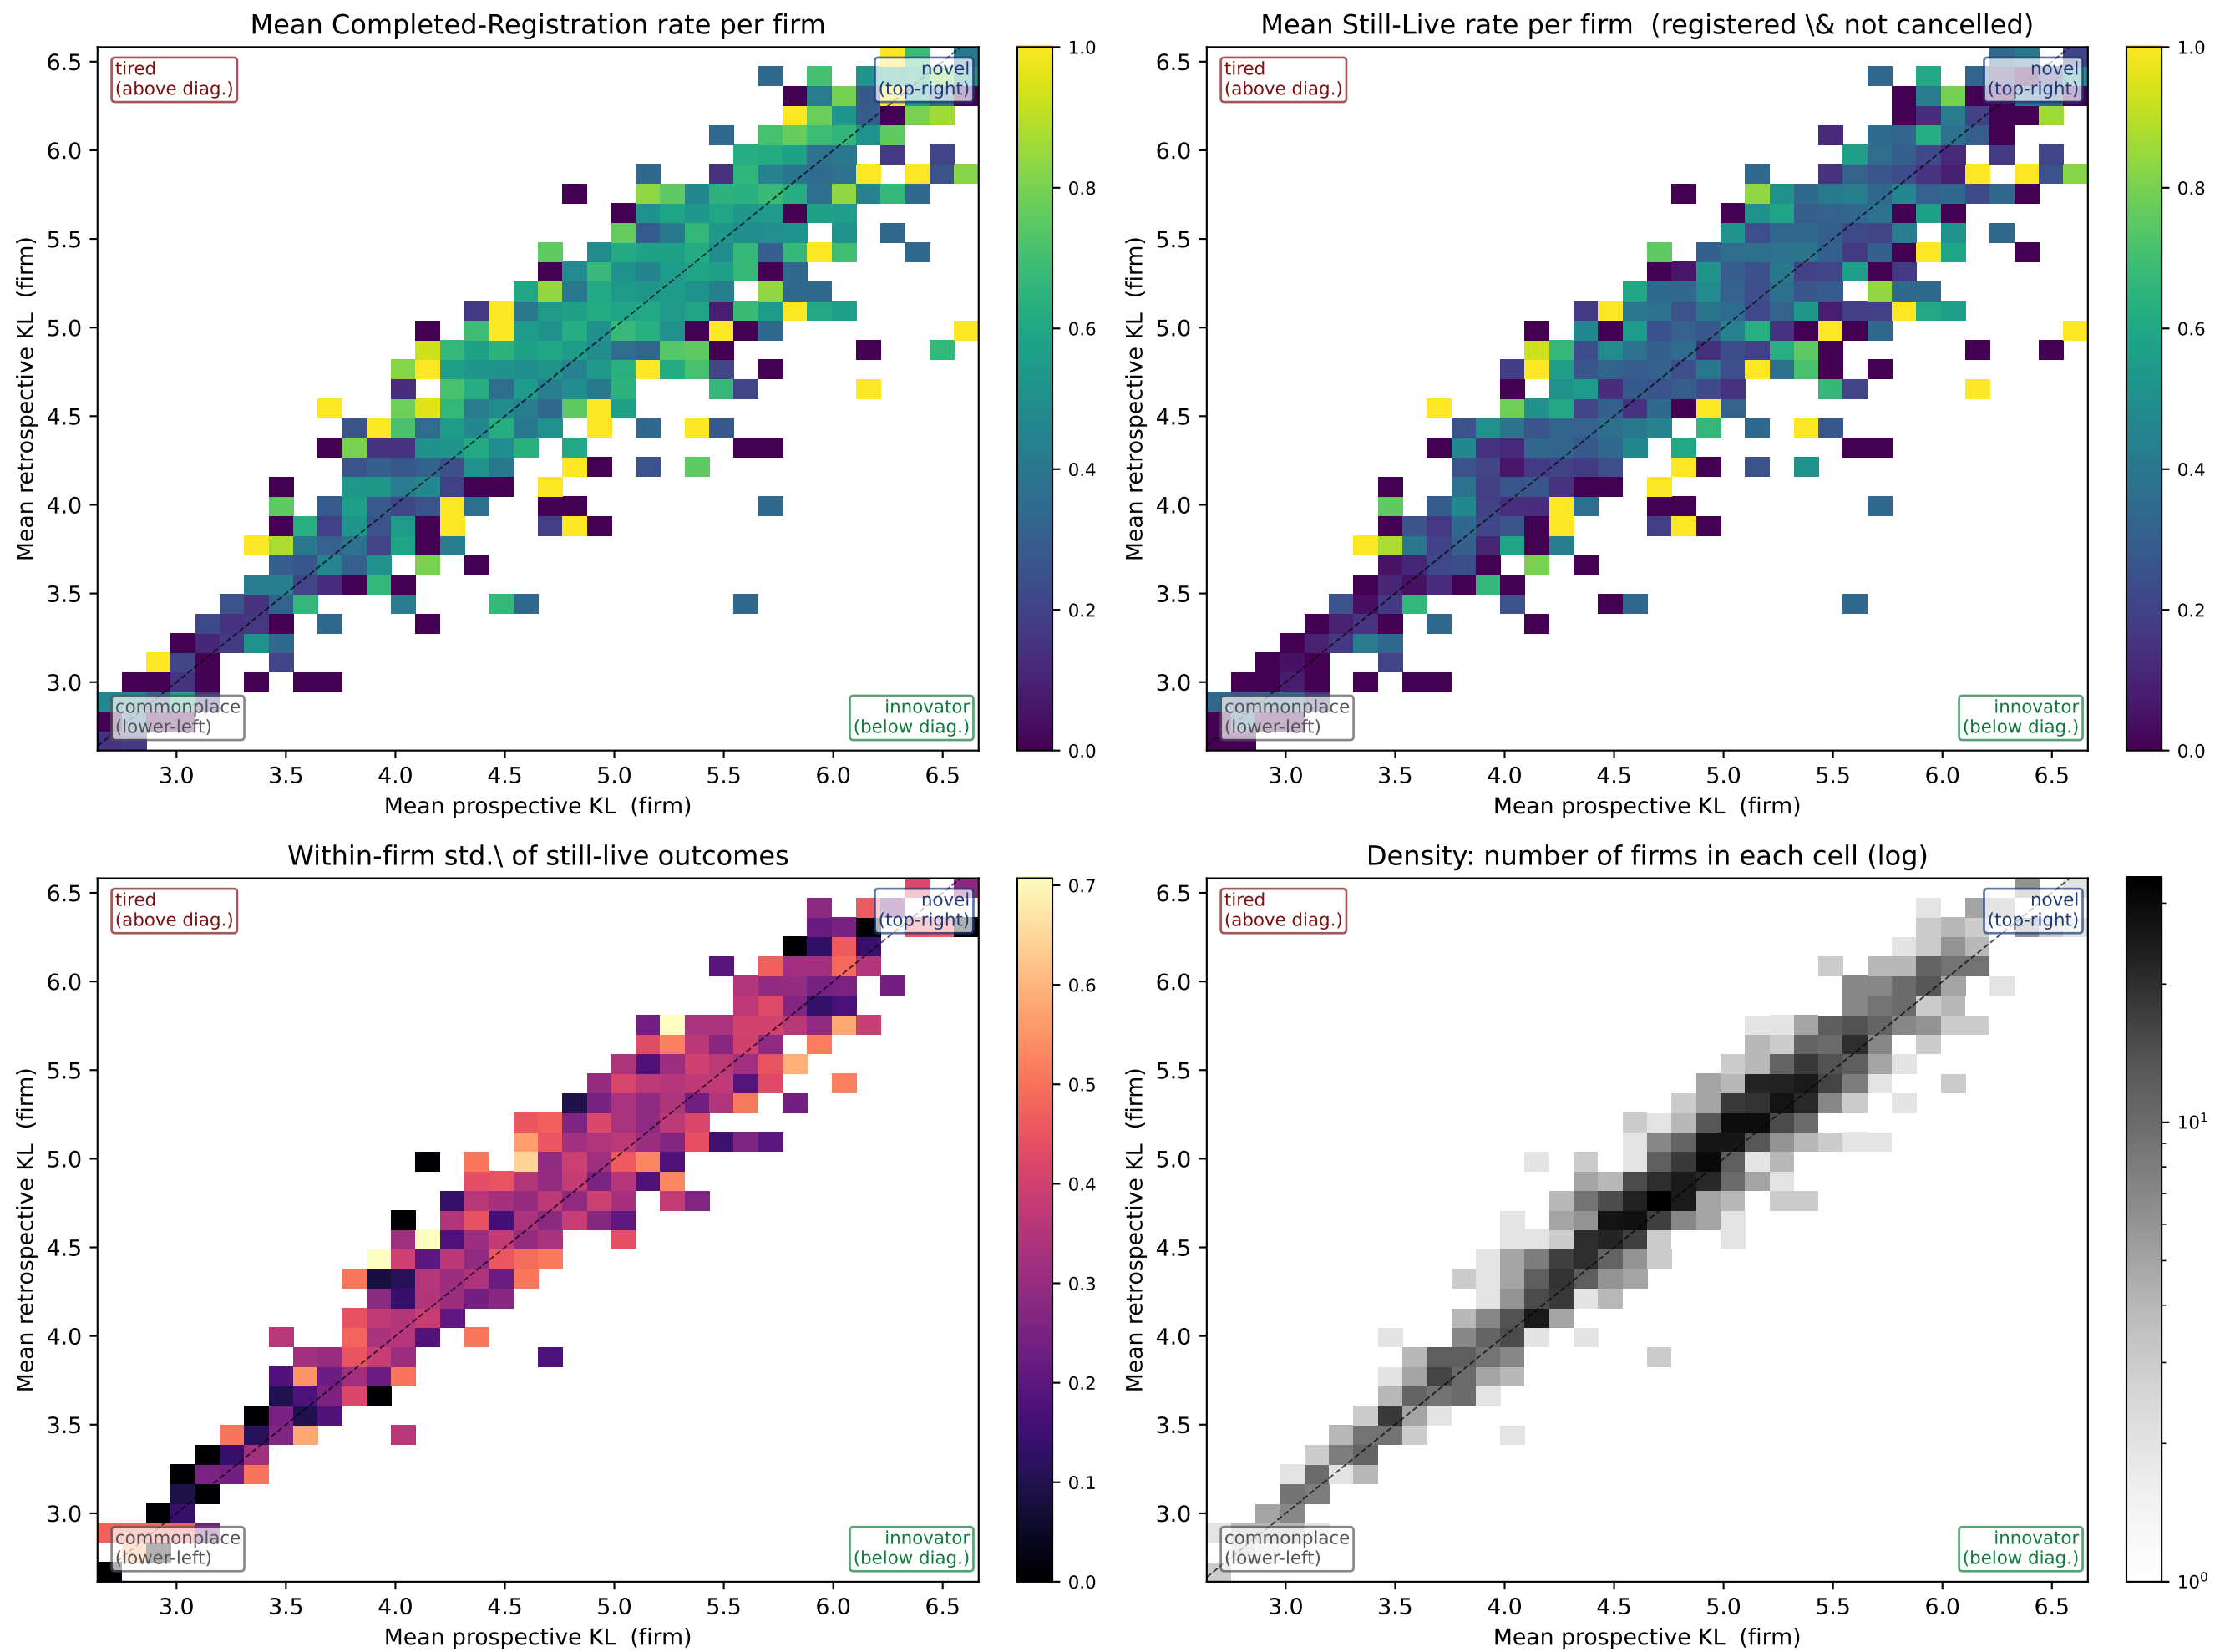

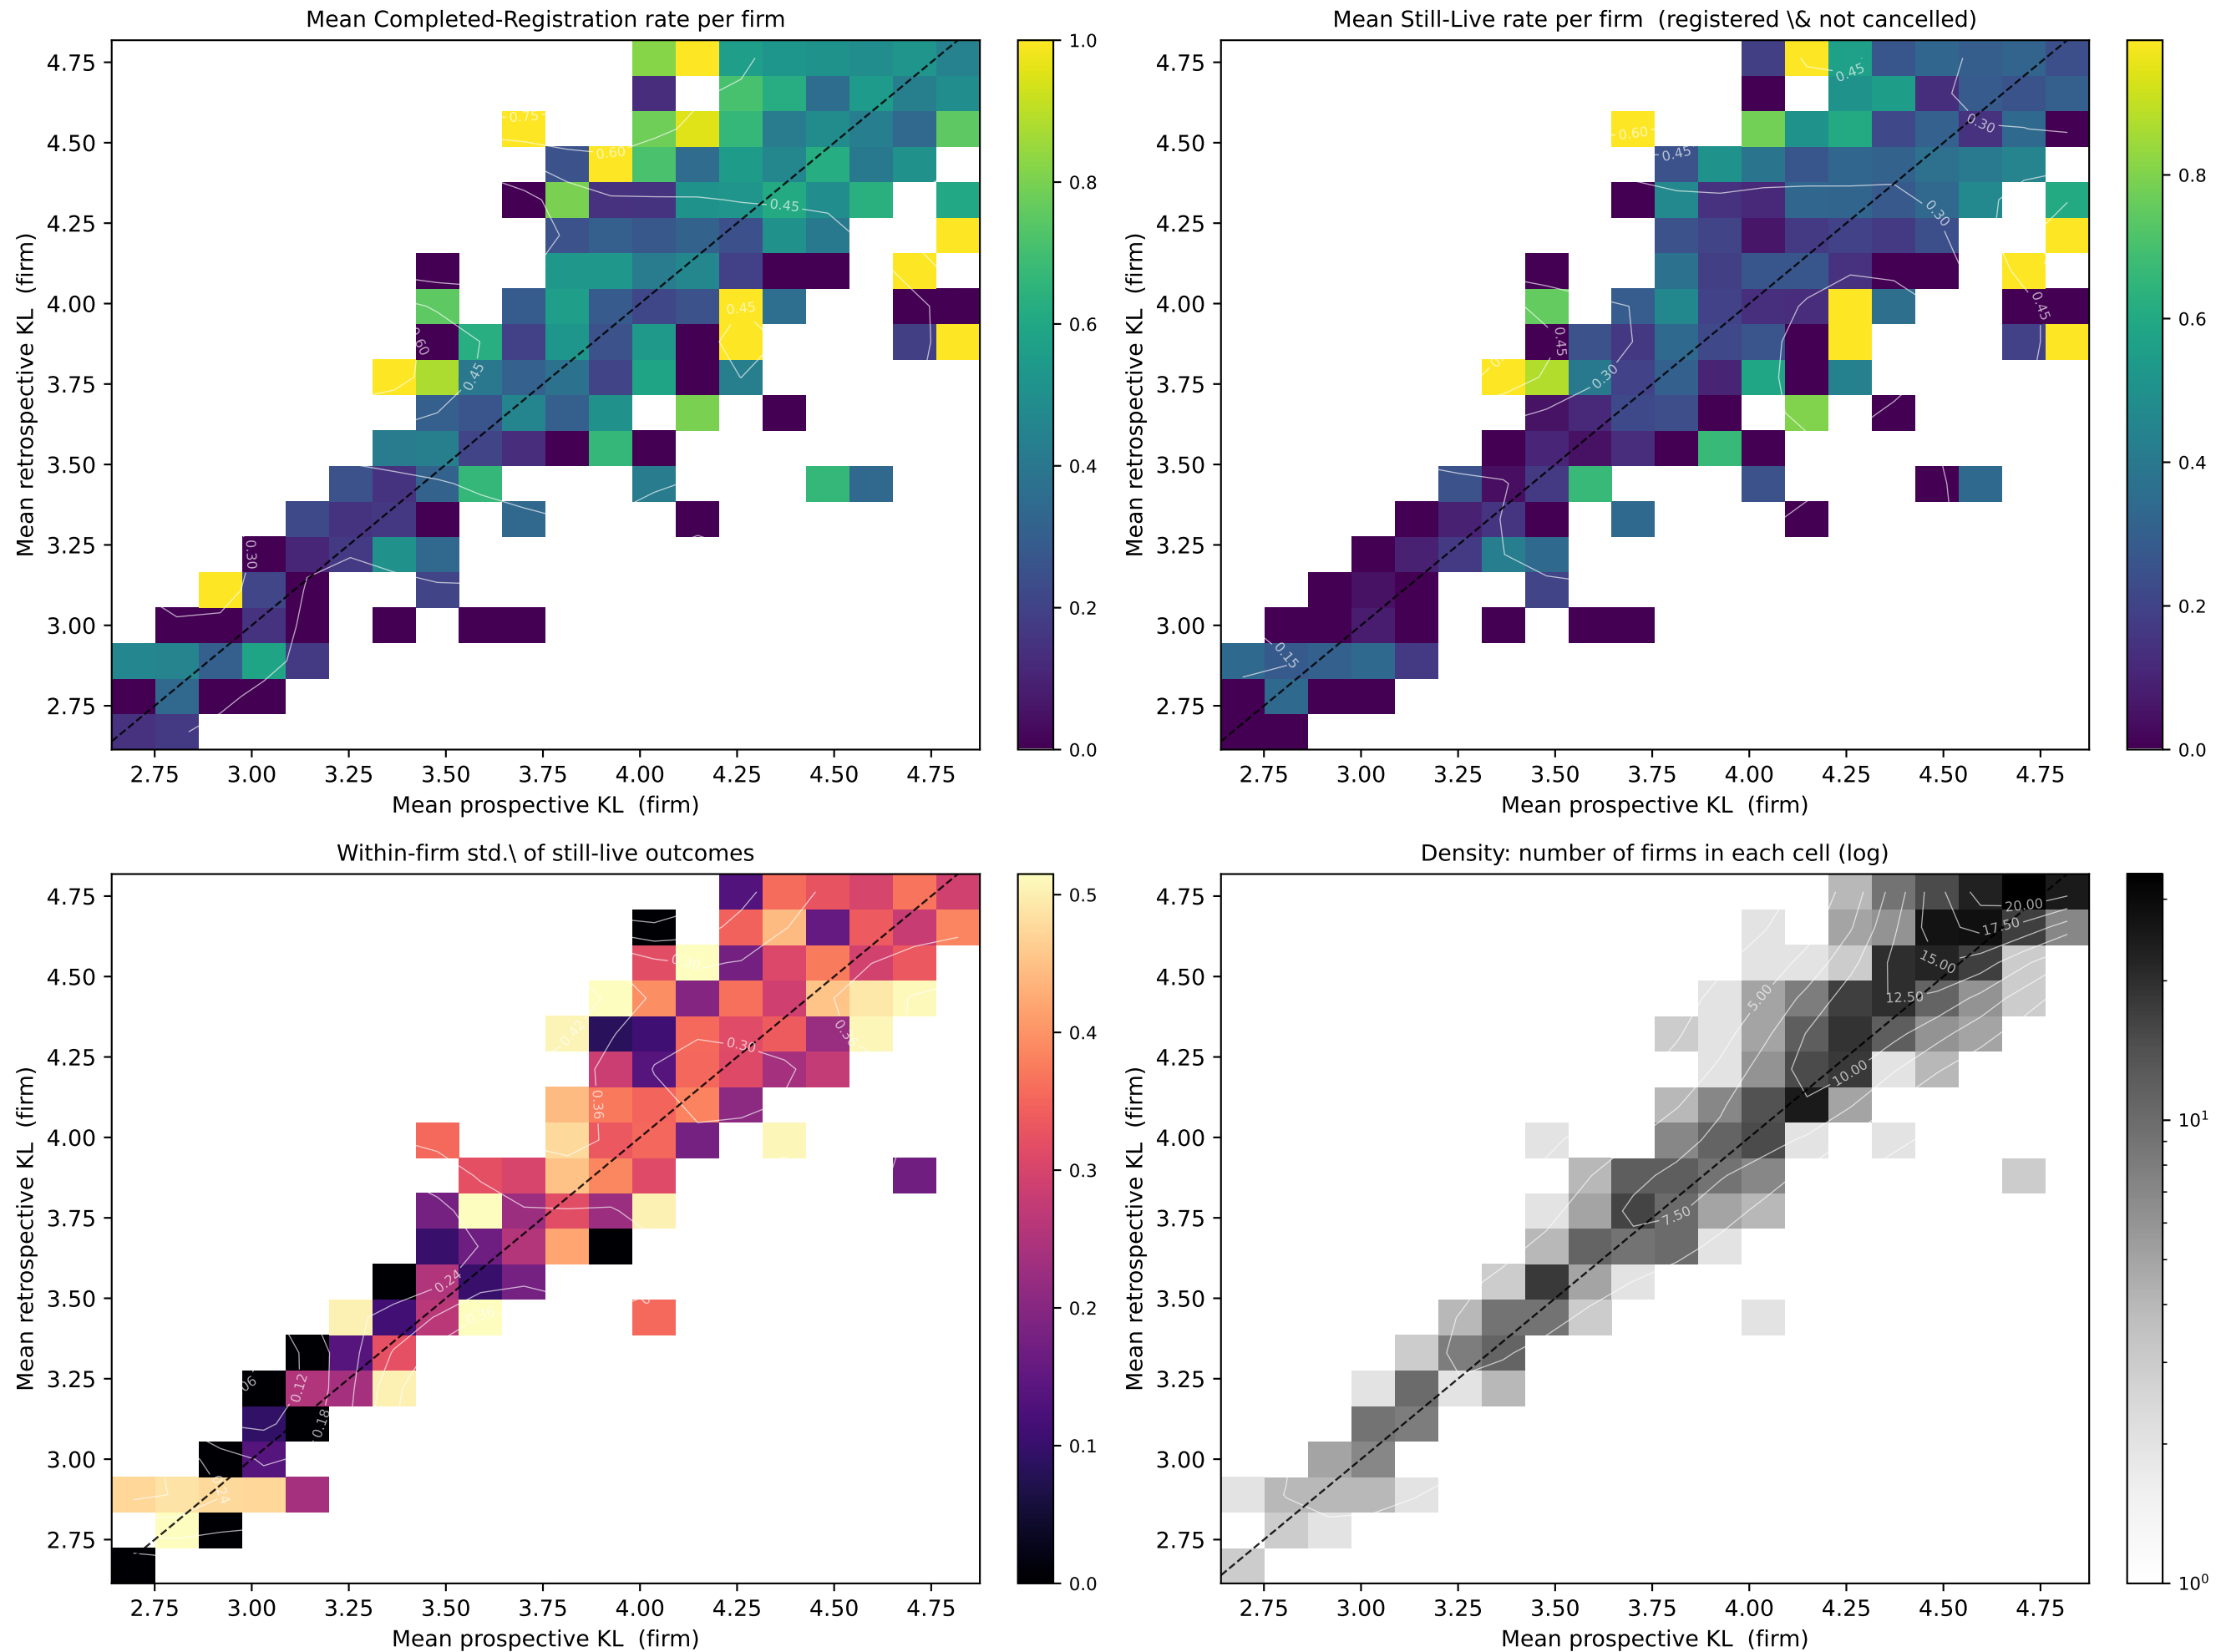

Mean Still-Live rate per firm (registered \& not cancelled)

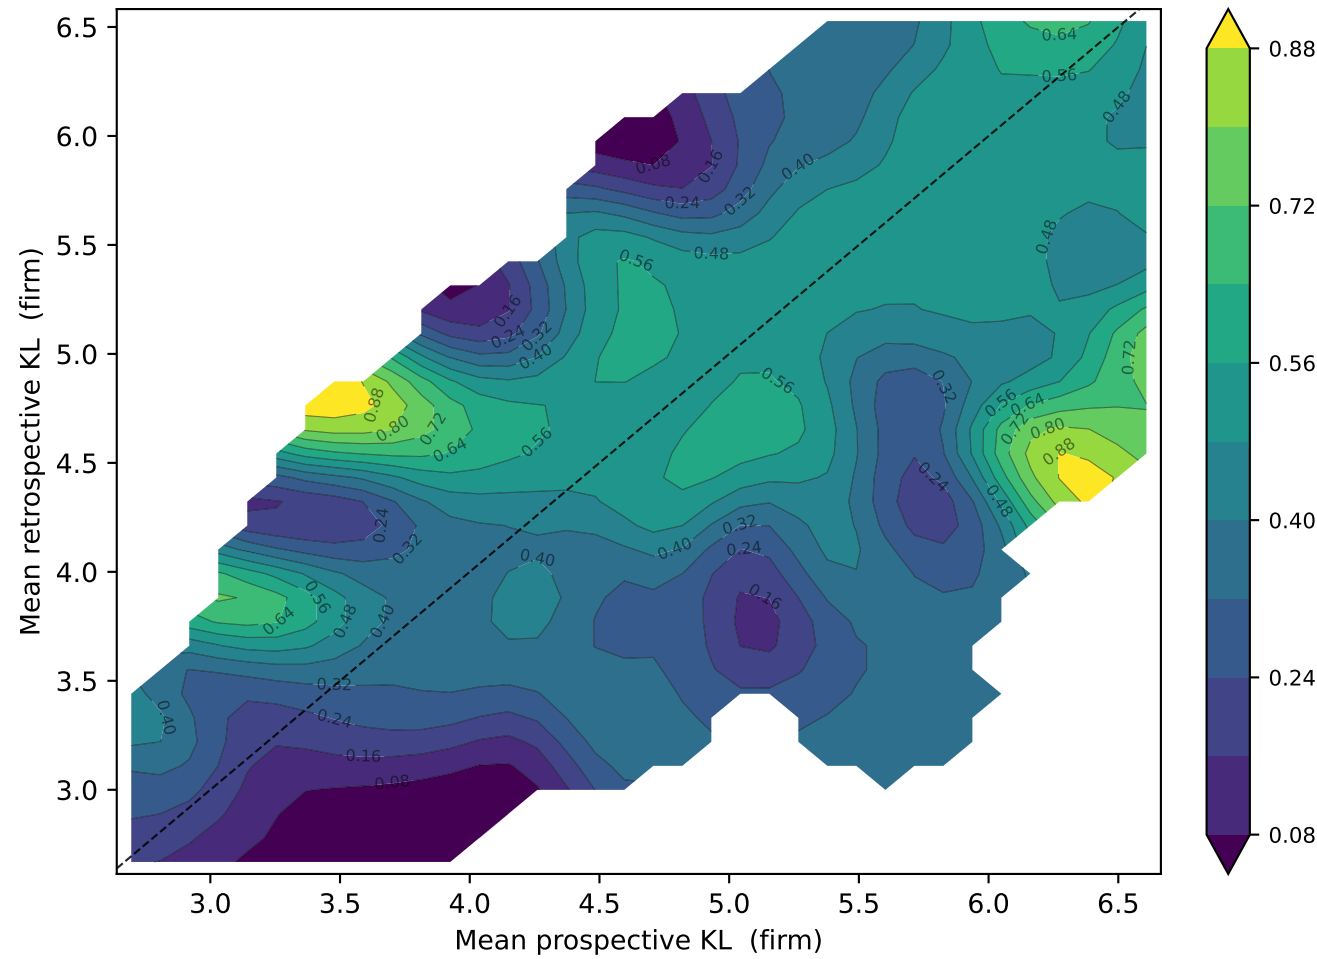

Within-firm std.\ of still-live outcomes

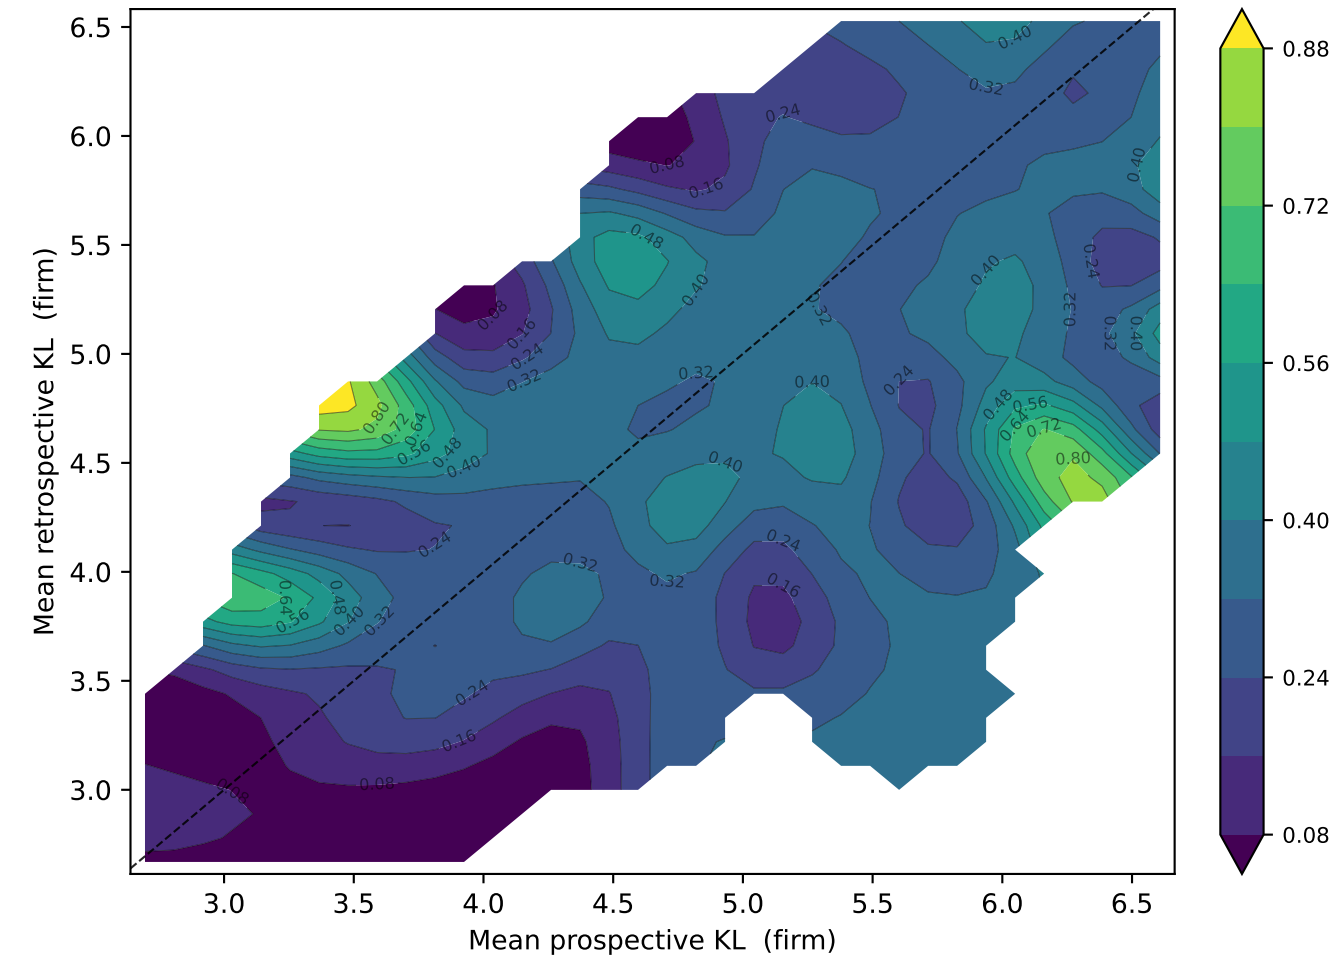

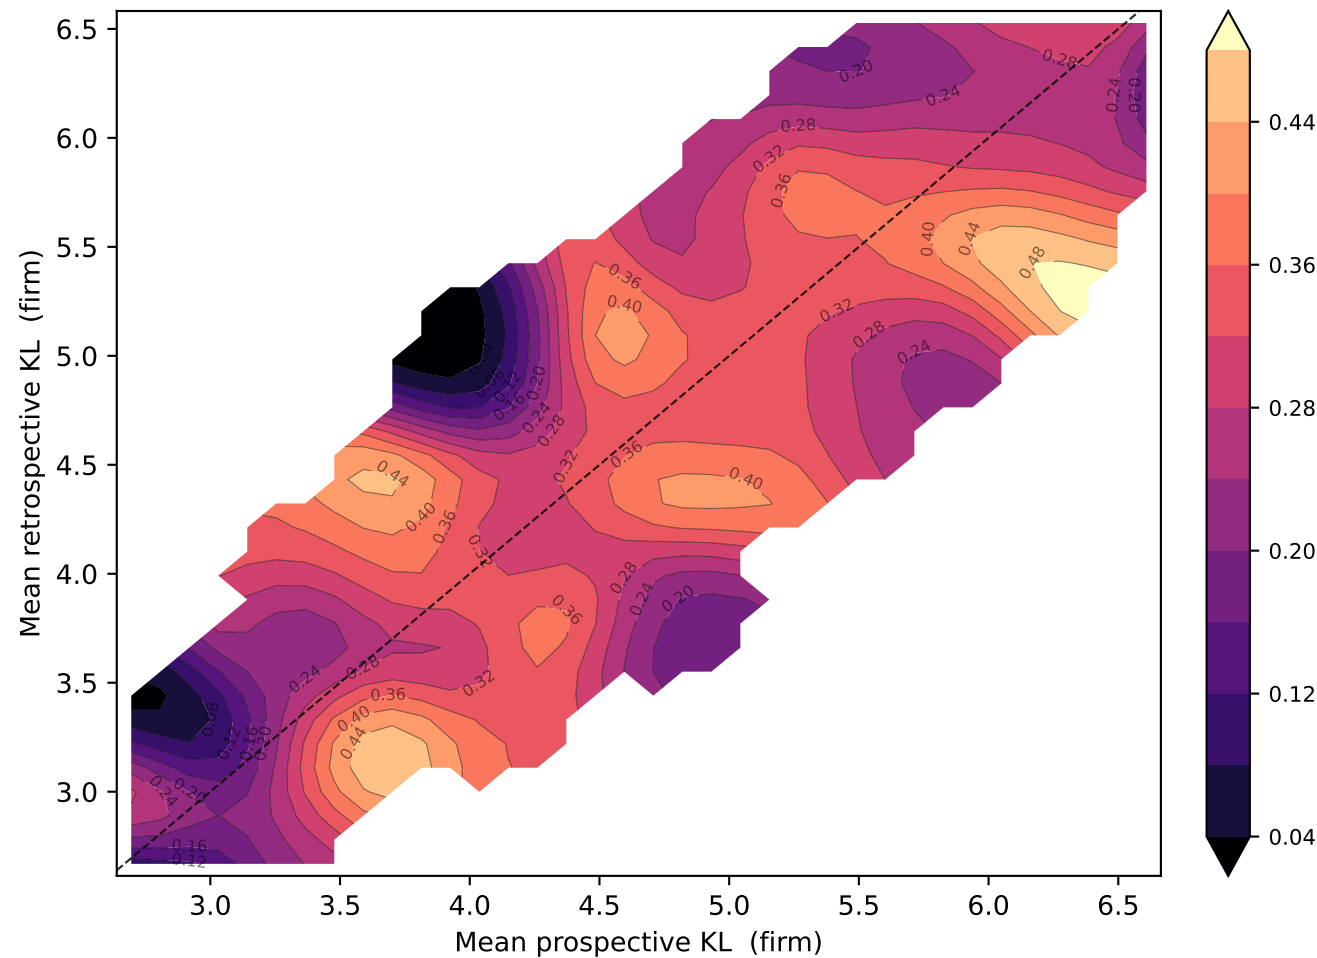

Mean Completed-Registration rate per firm

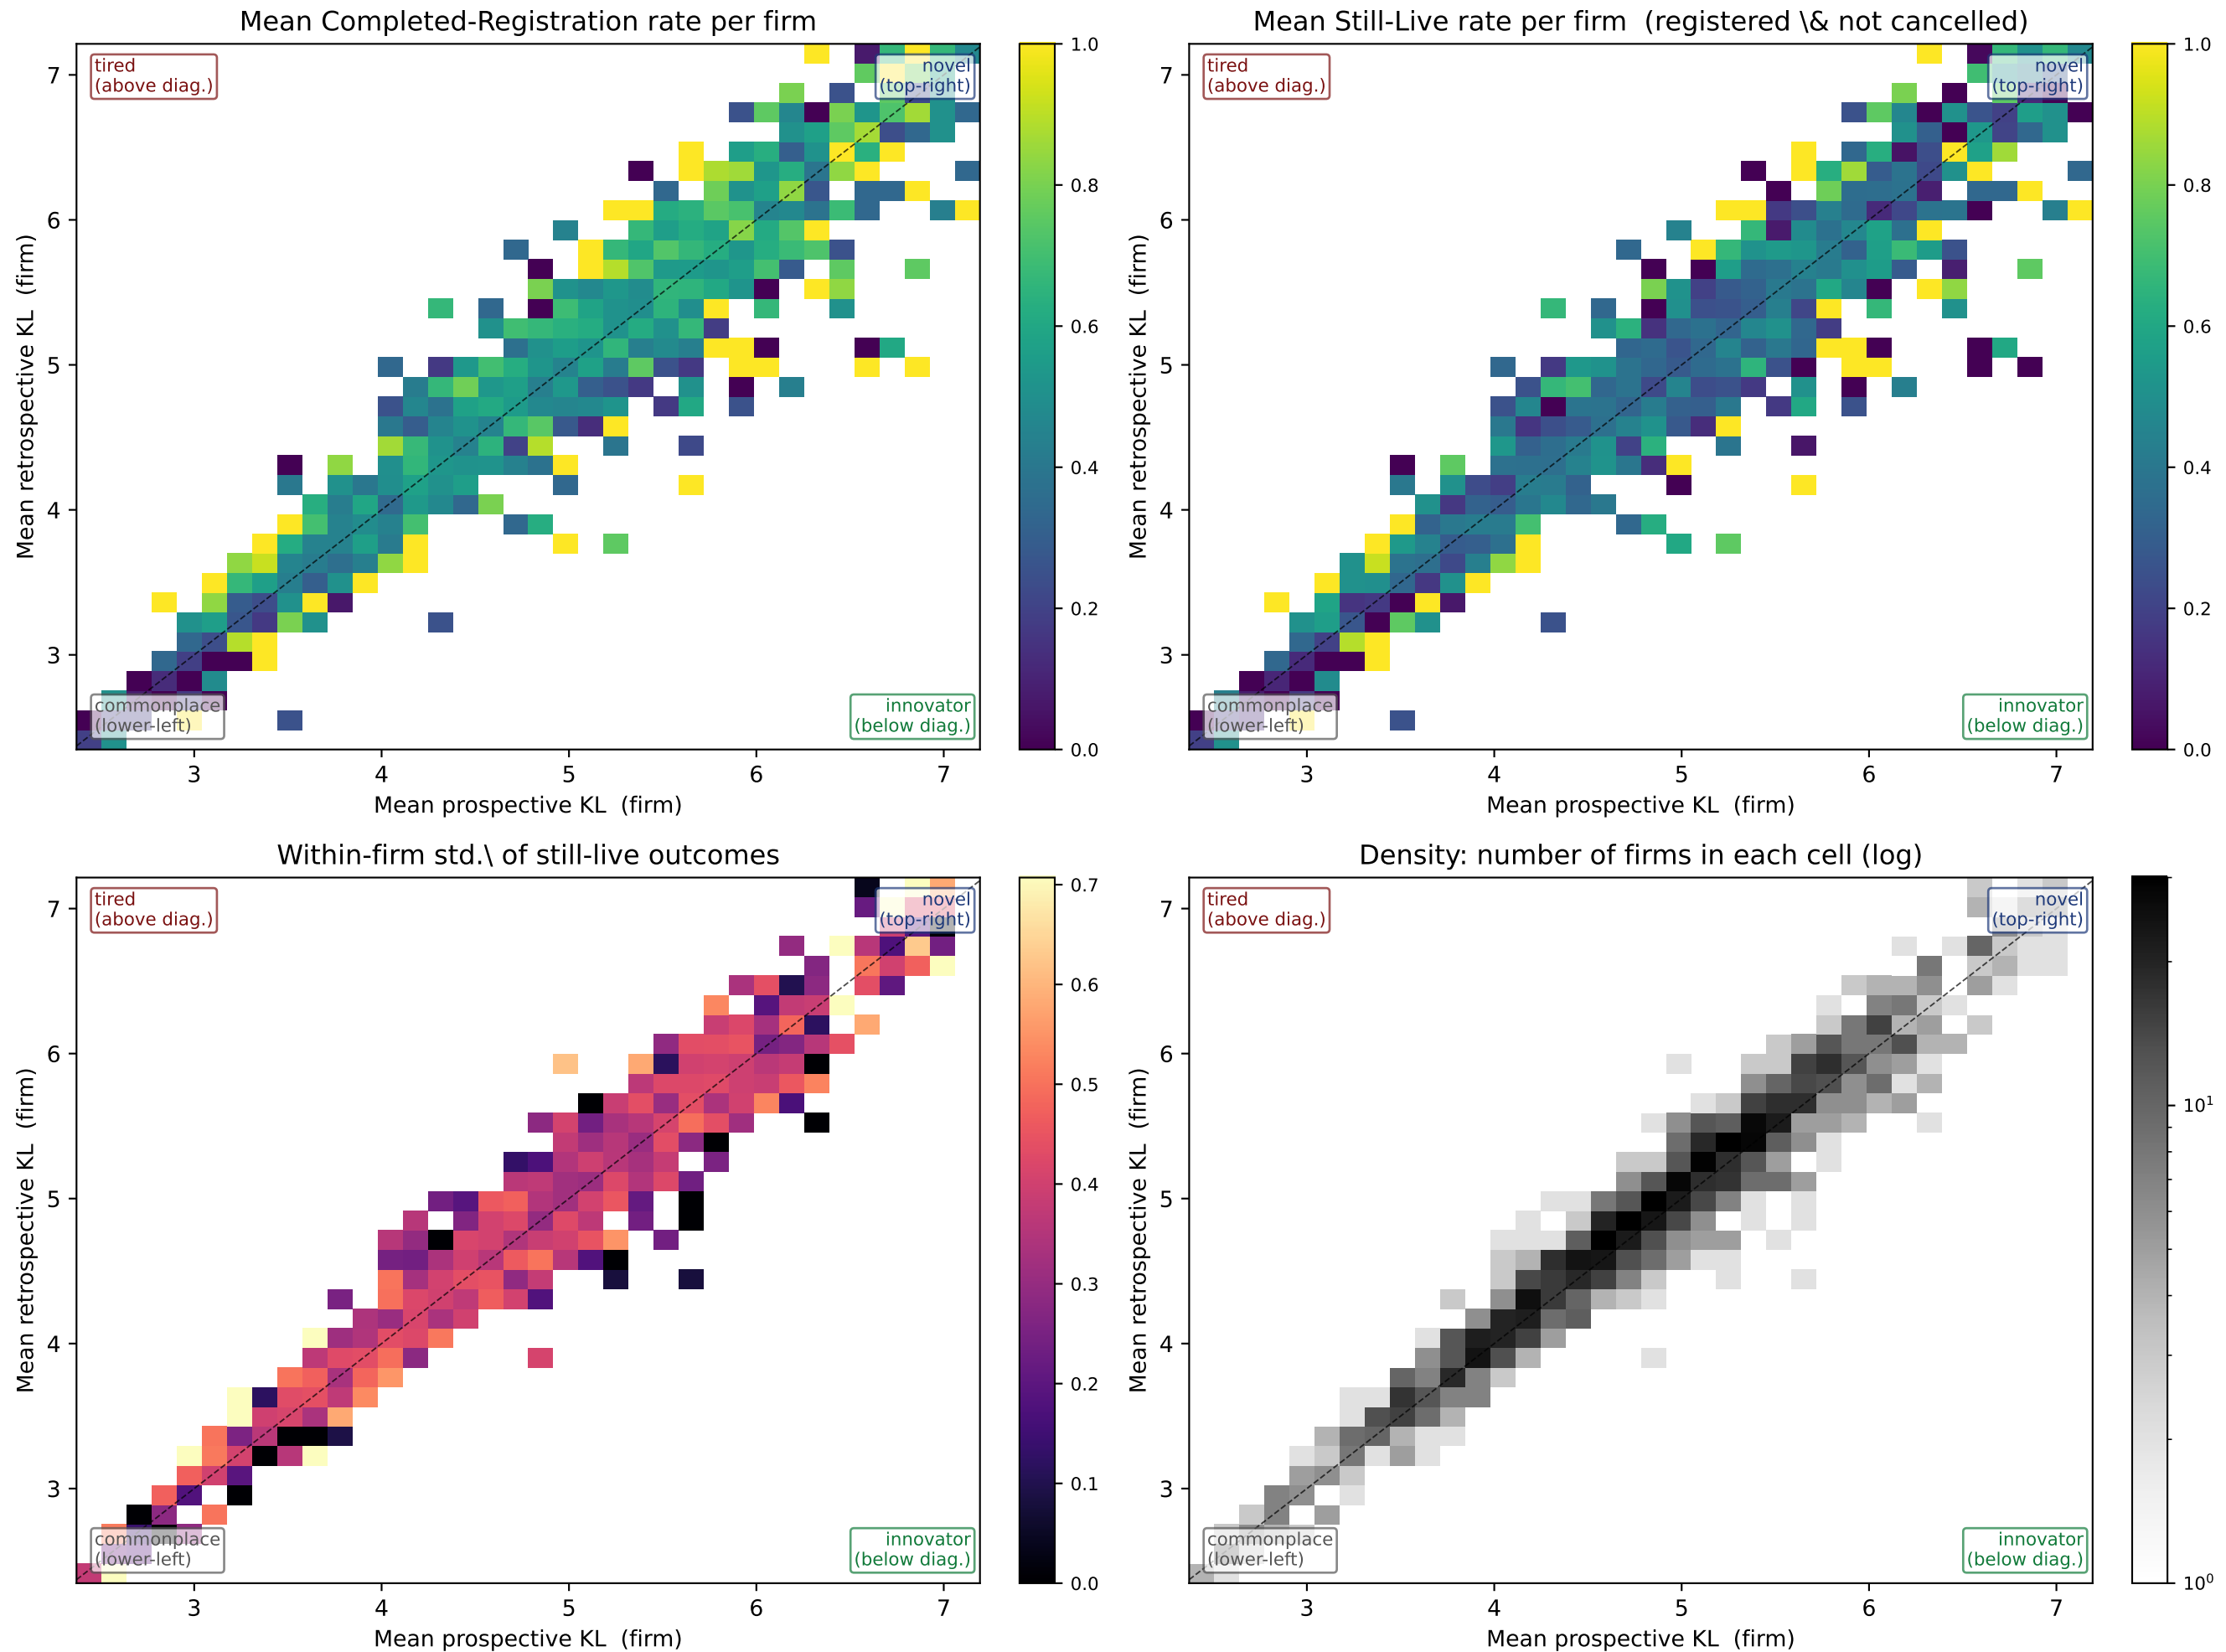

Mean Still-Live rate per firm (registered \& not cancelled)

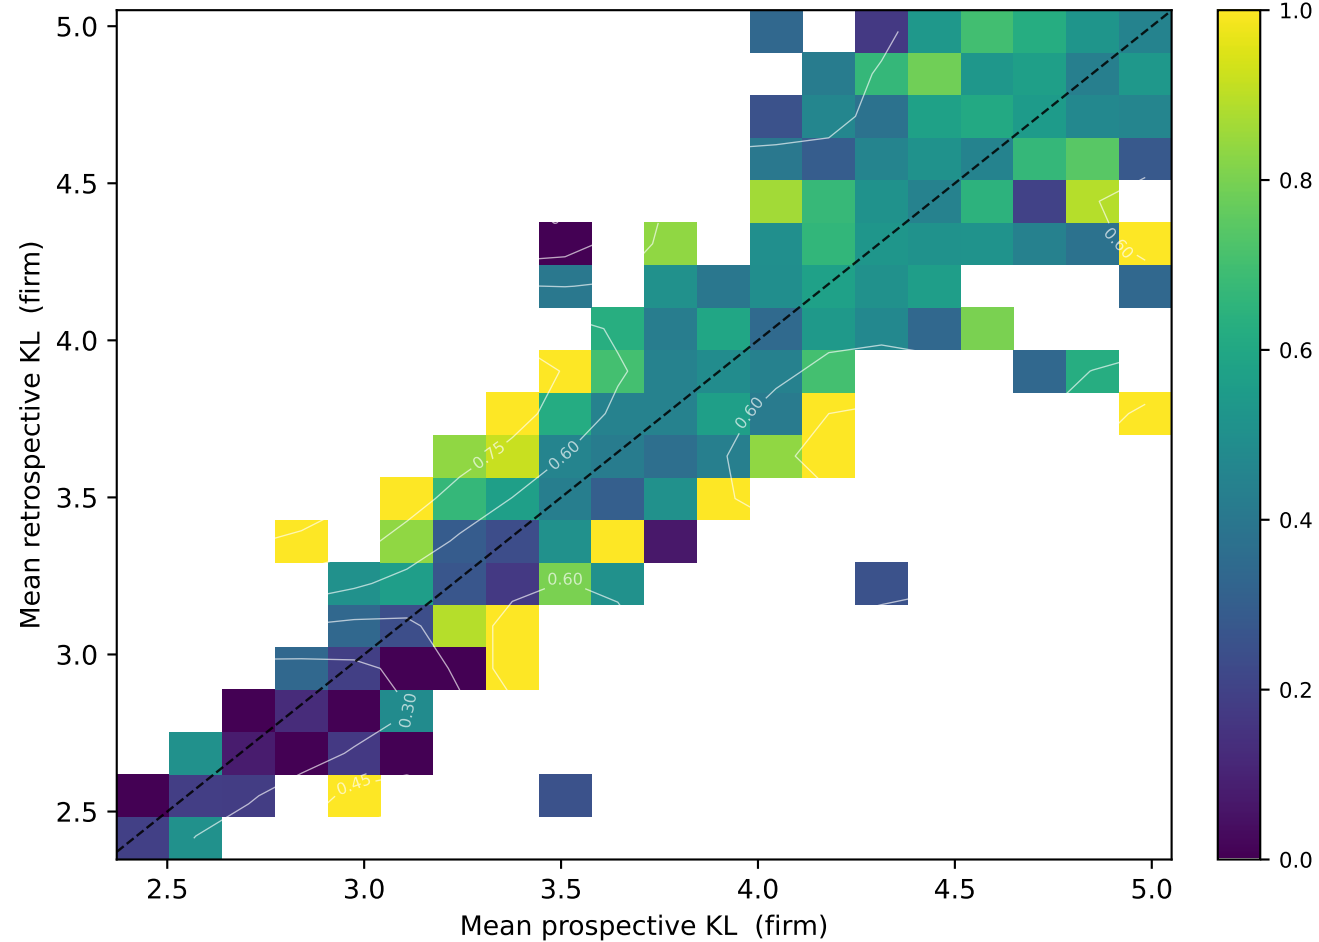

Within-firm std.\ of still-live outcomes

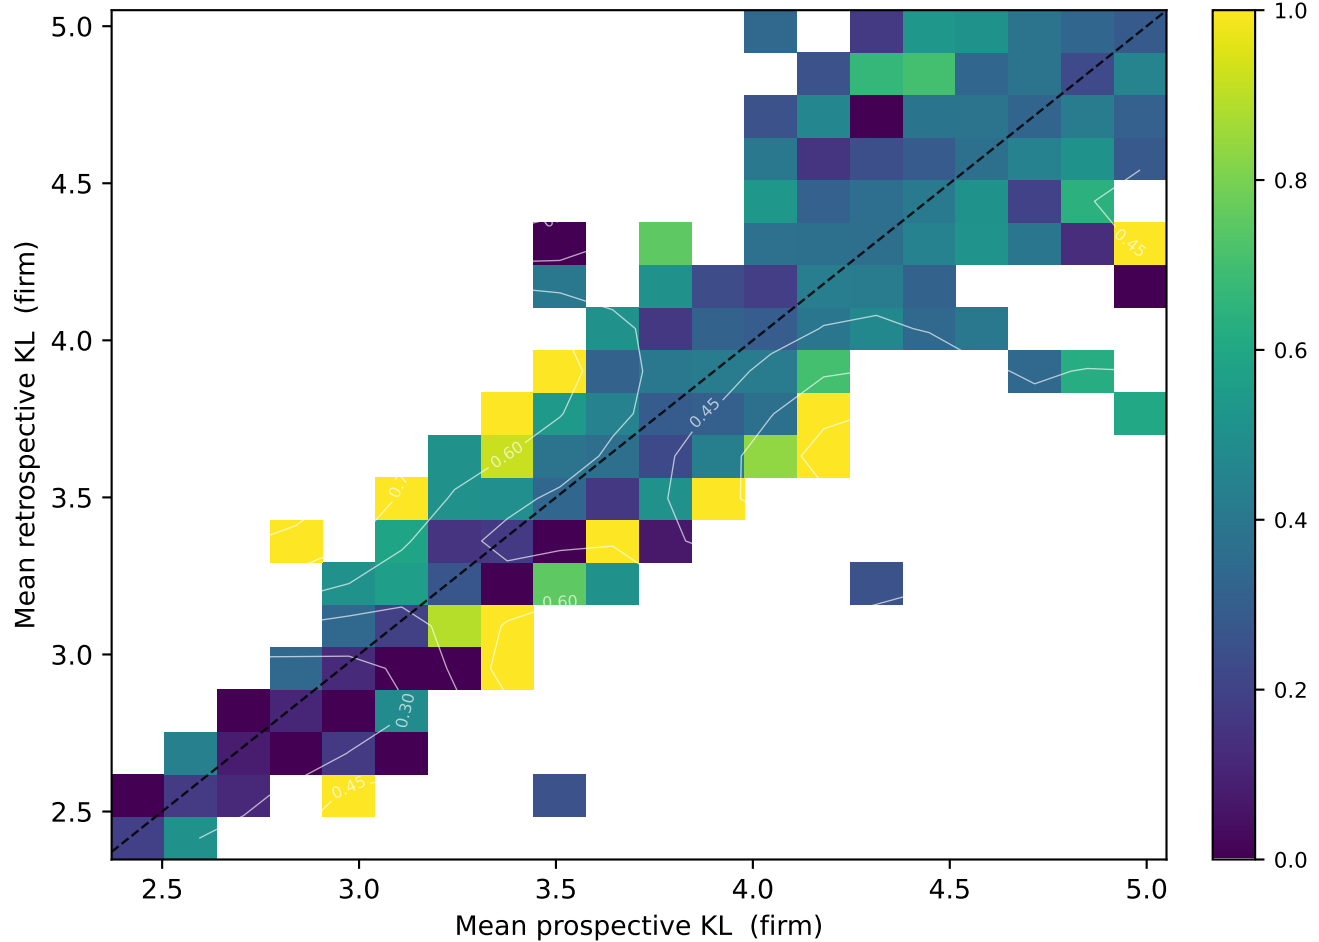

Class 004 — Lubricants & Fuels — 28,085 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=1,927 firms

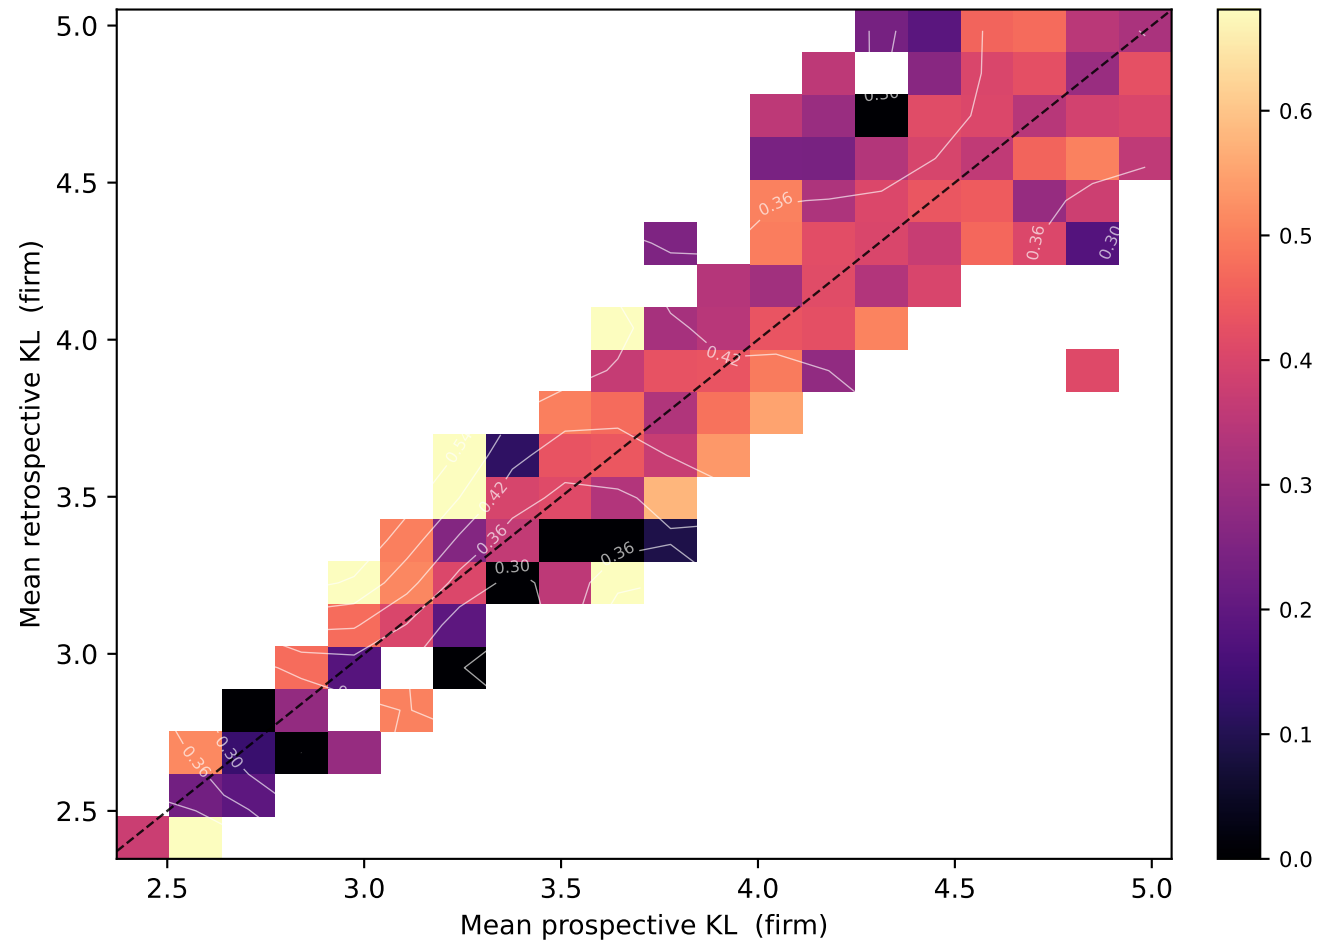

Mean Completed-Registration rate per firm

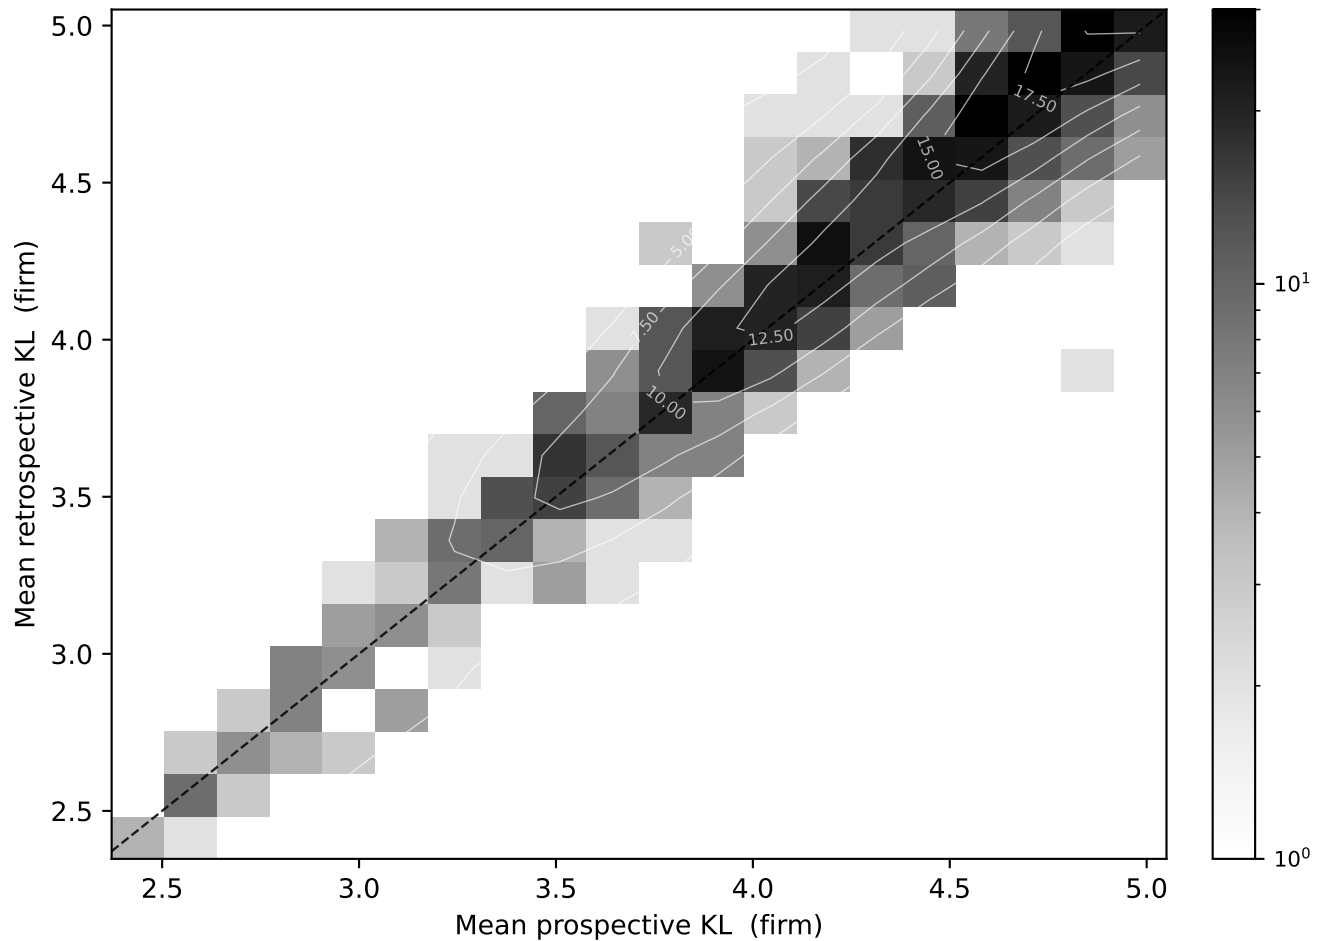

Mean Still-Live rate per firm (registered \& not cancelled)

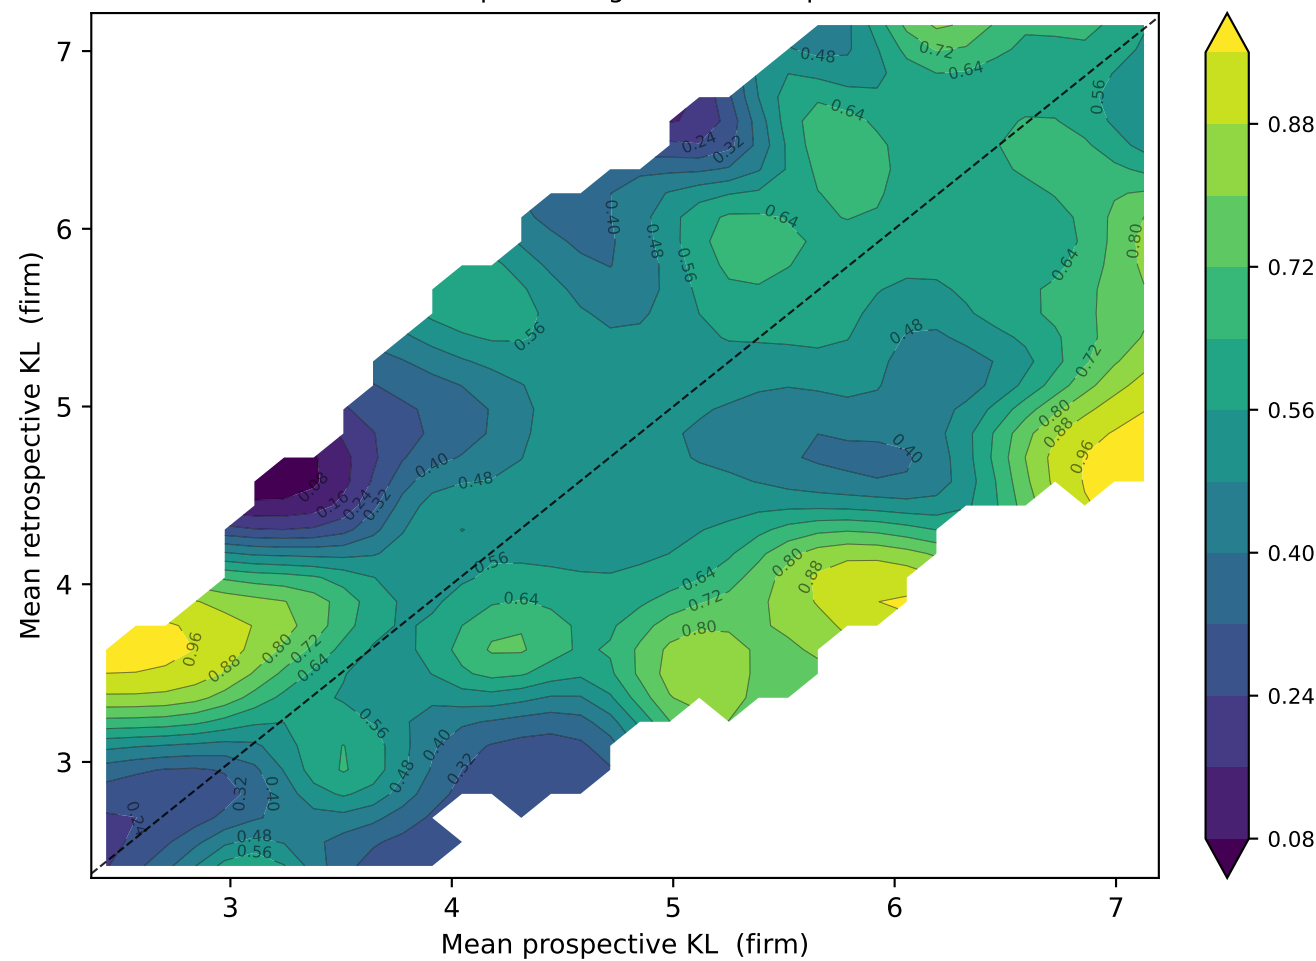

Within-firm std.\ of still-live outcomes

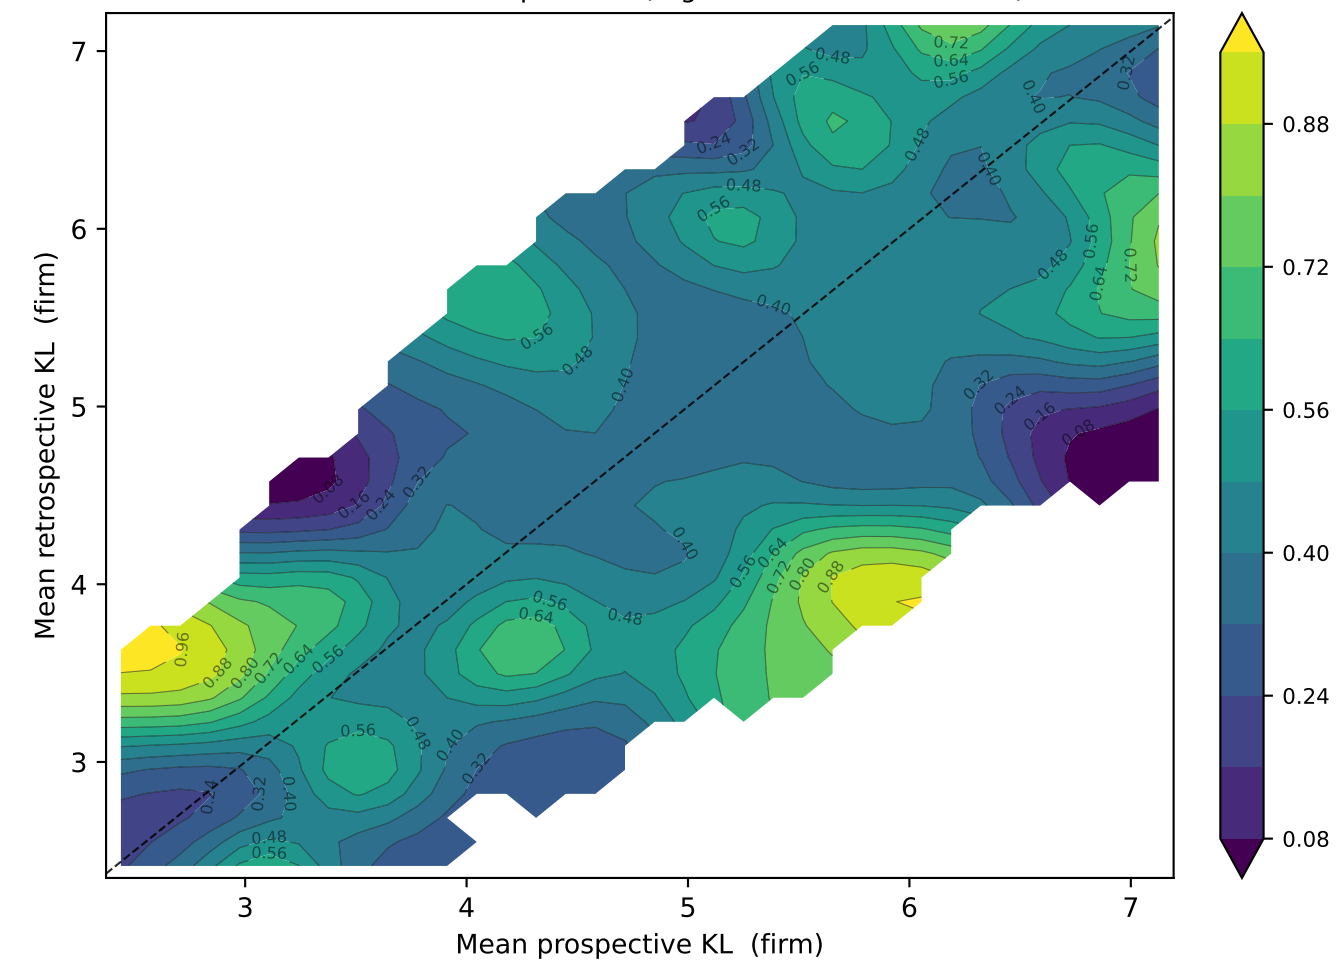

Density: number of firms in each cell (log)

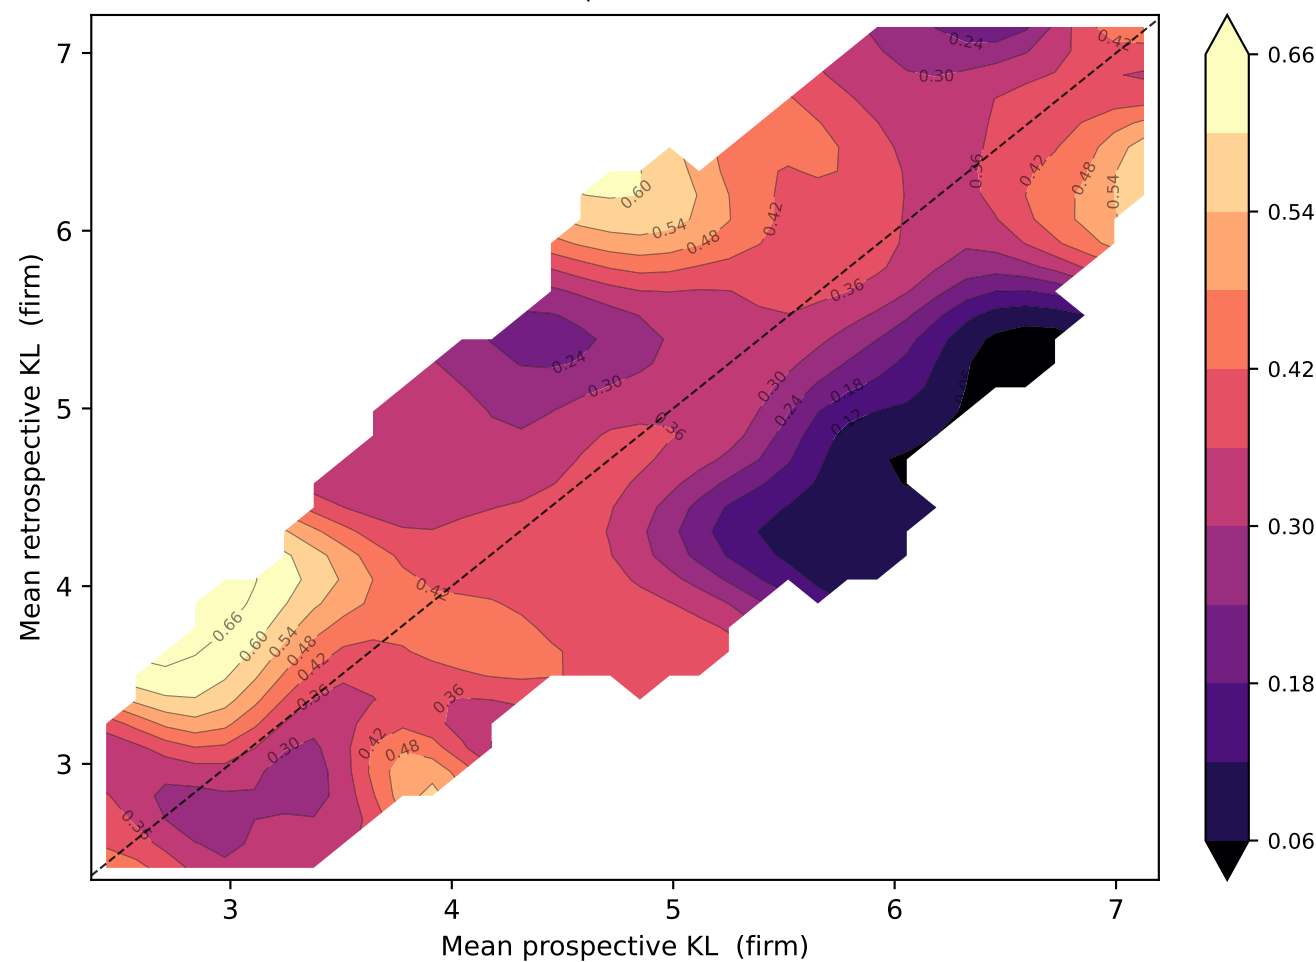

Mean Completed-Registration rate per firm

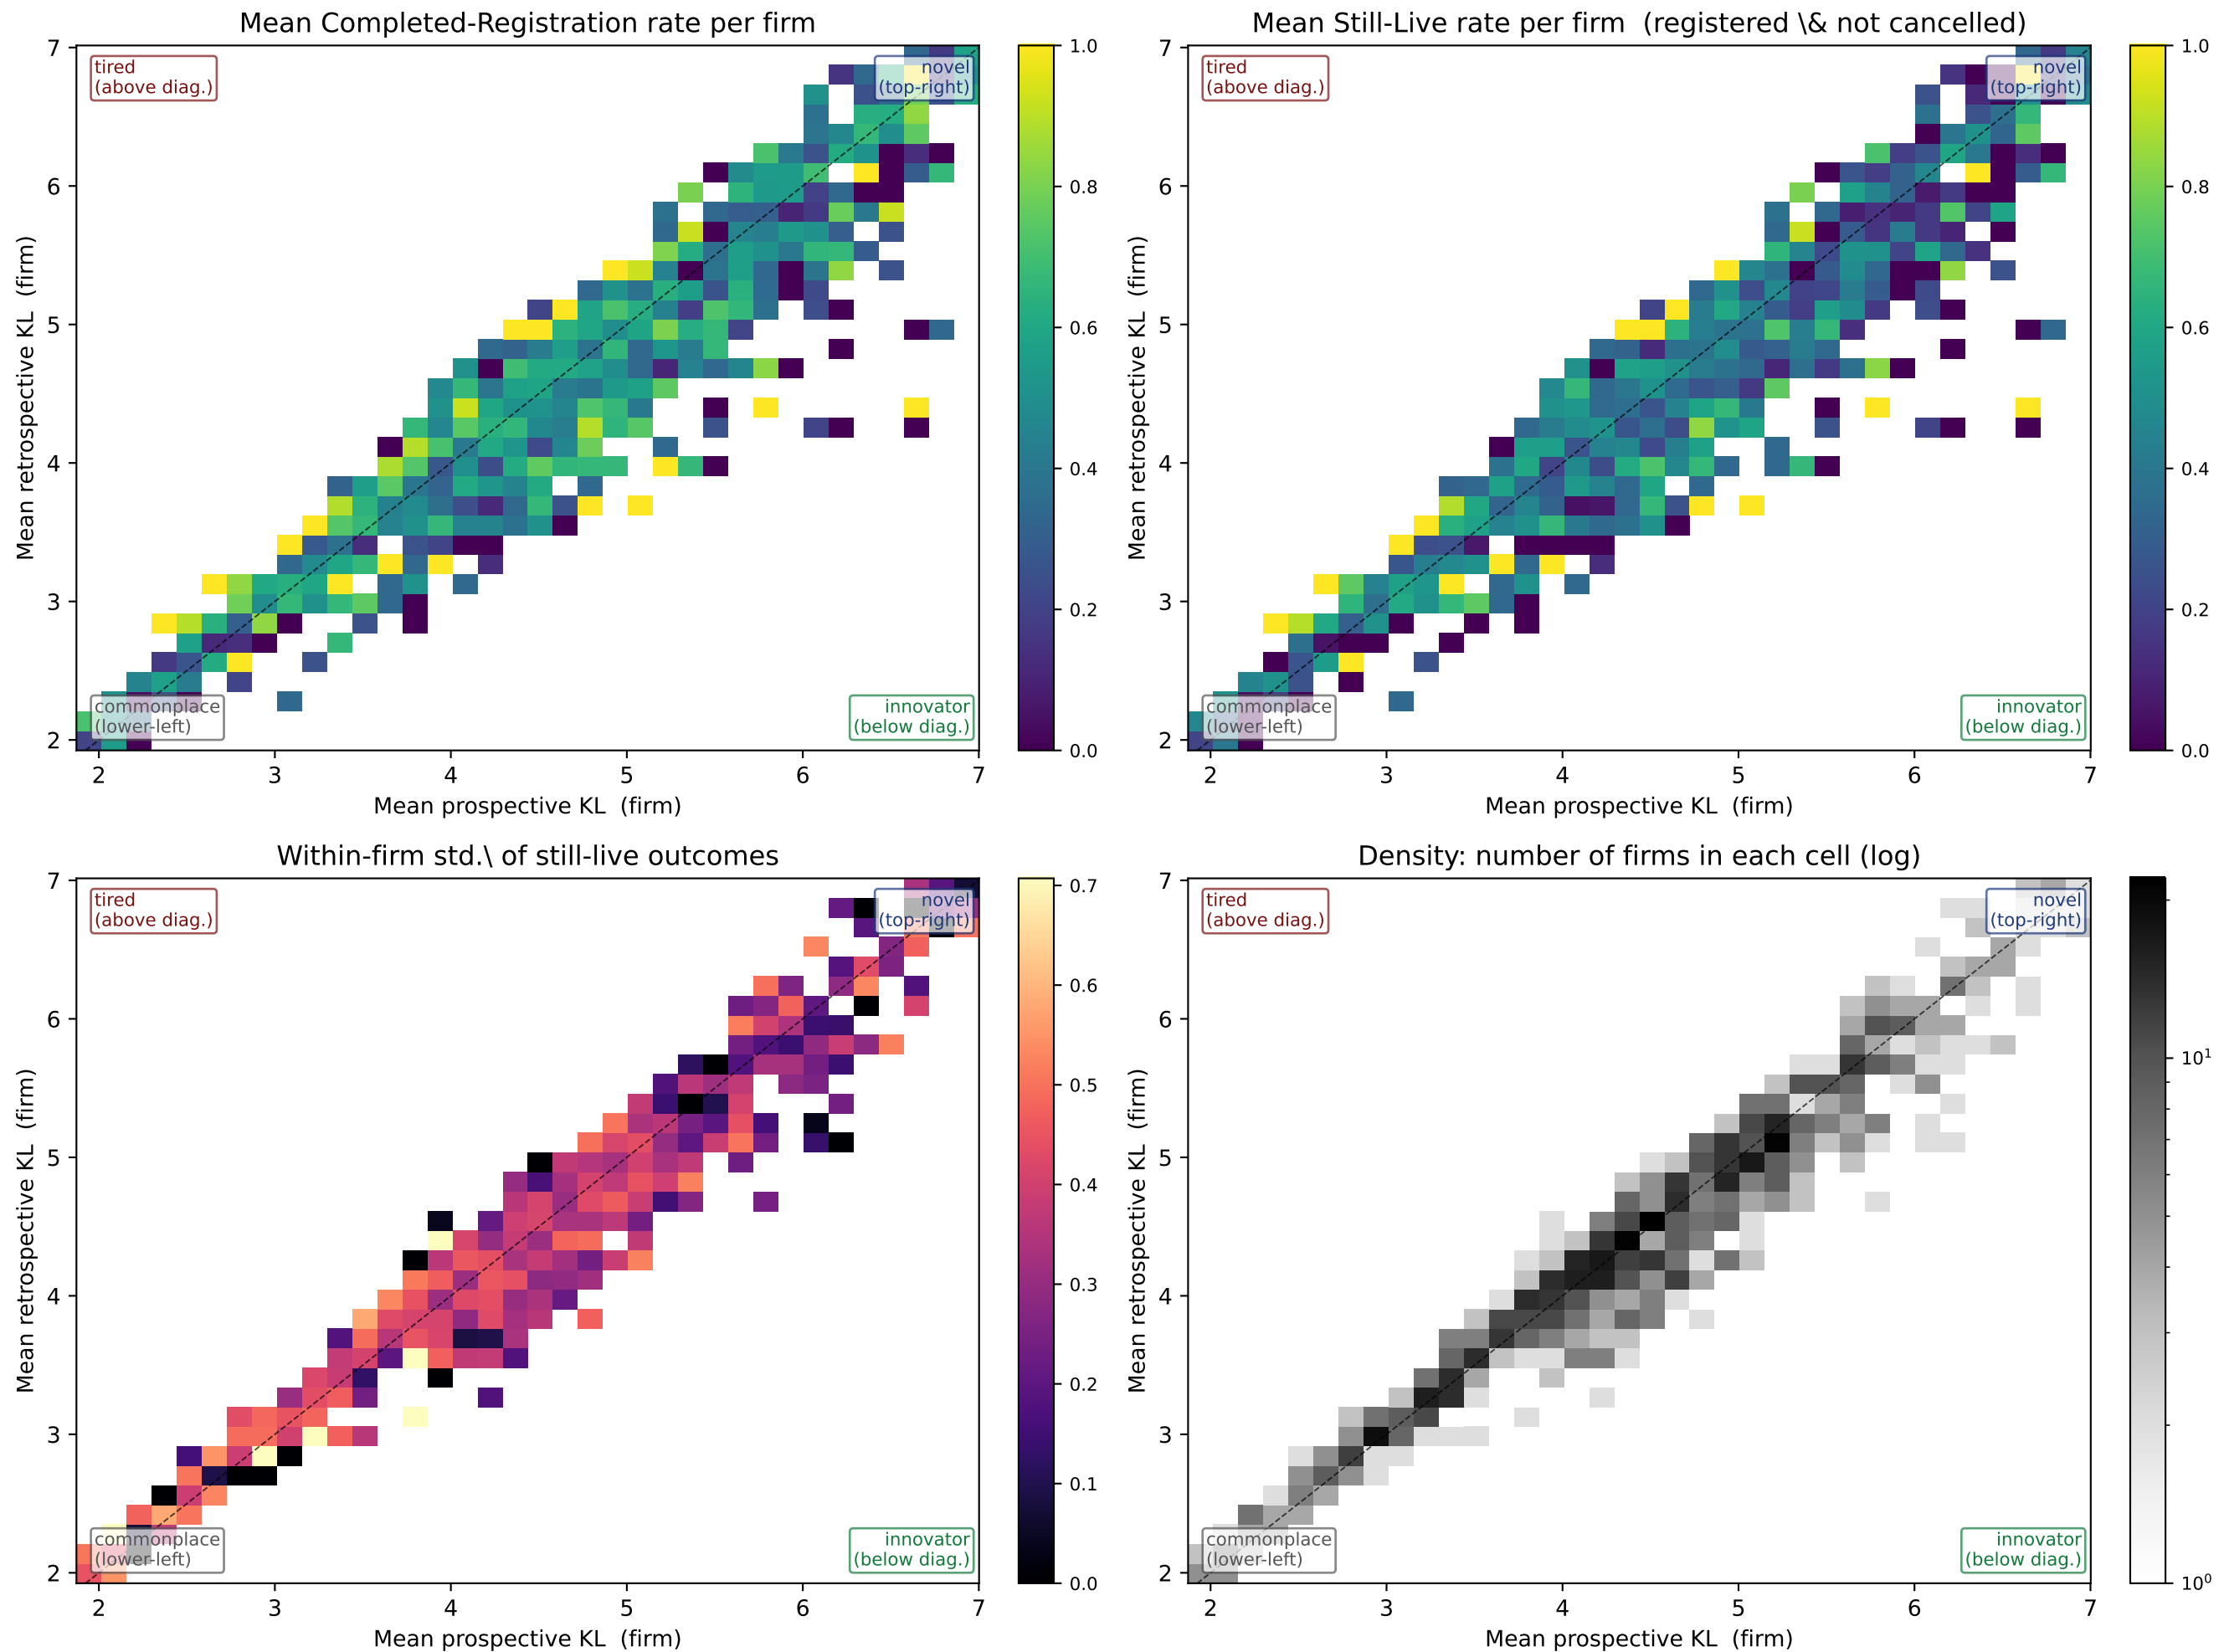

Mean Still-Live rate per firm (registered \& not cancelled)

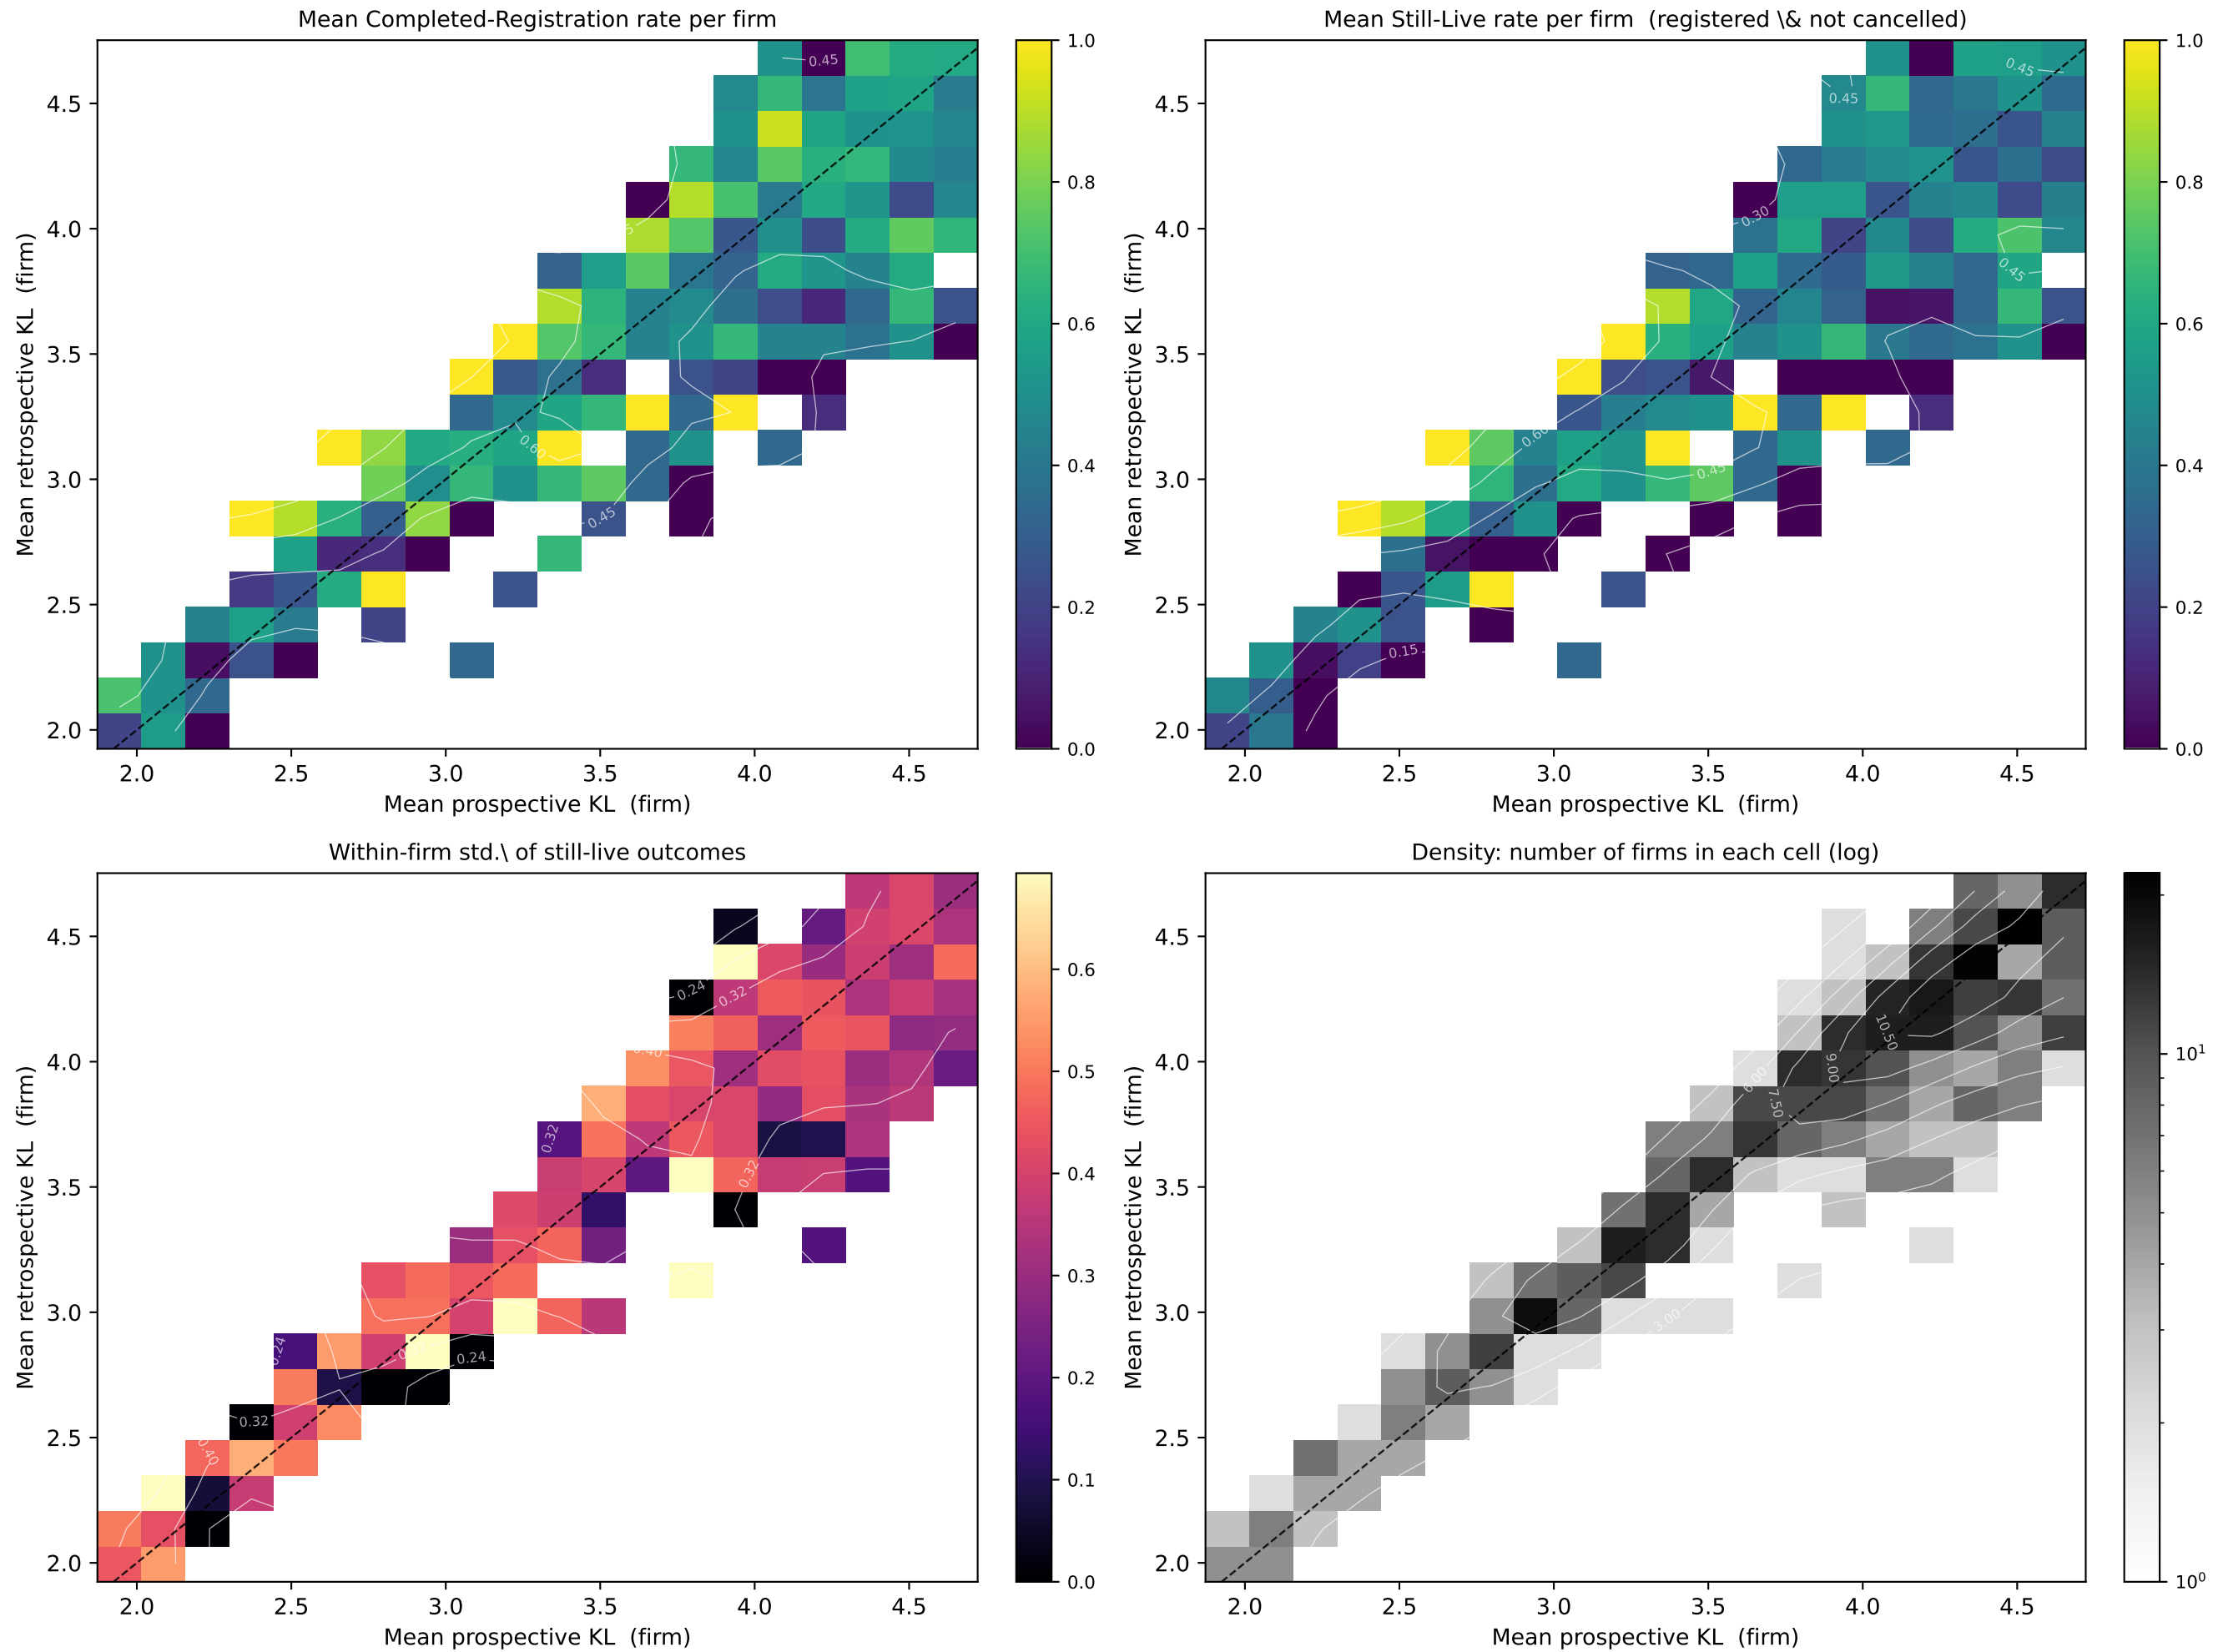

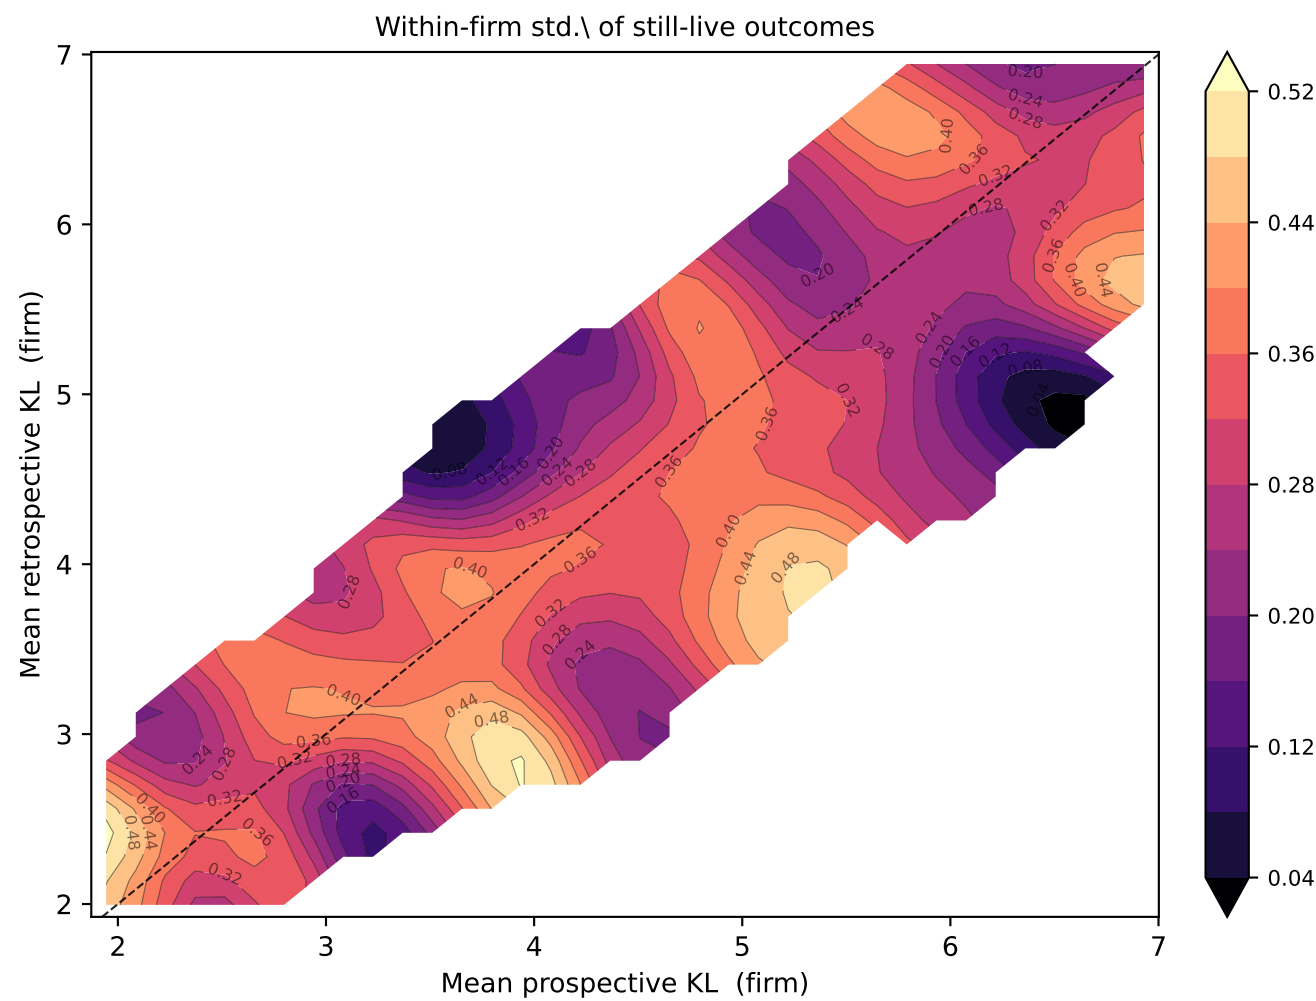

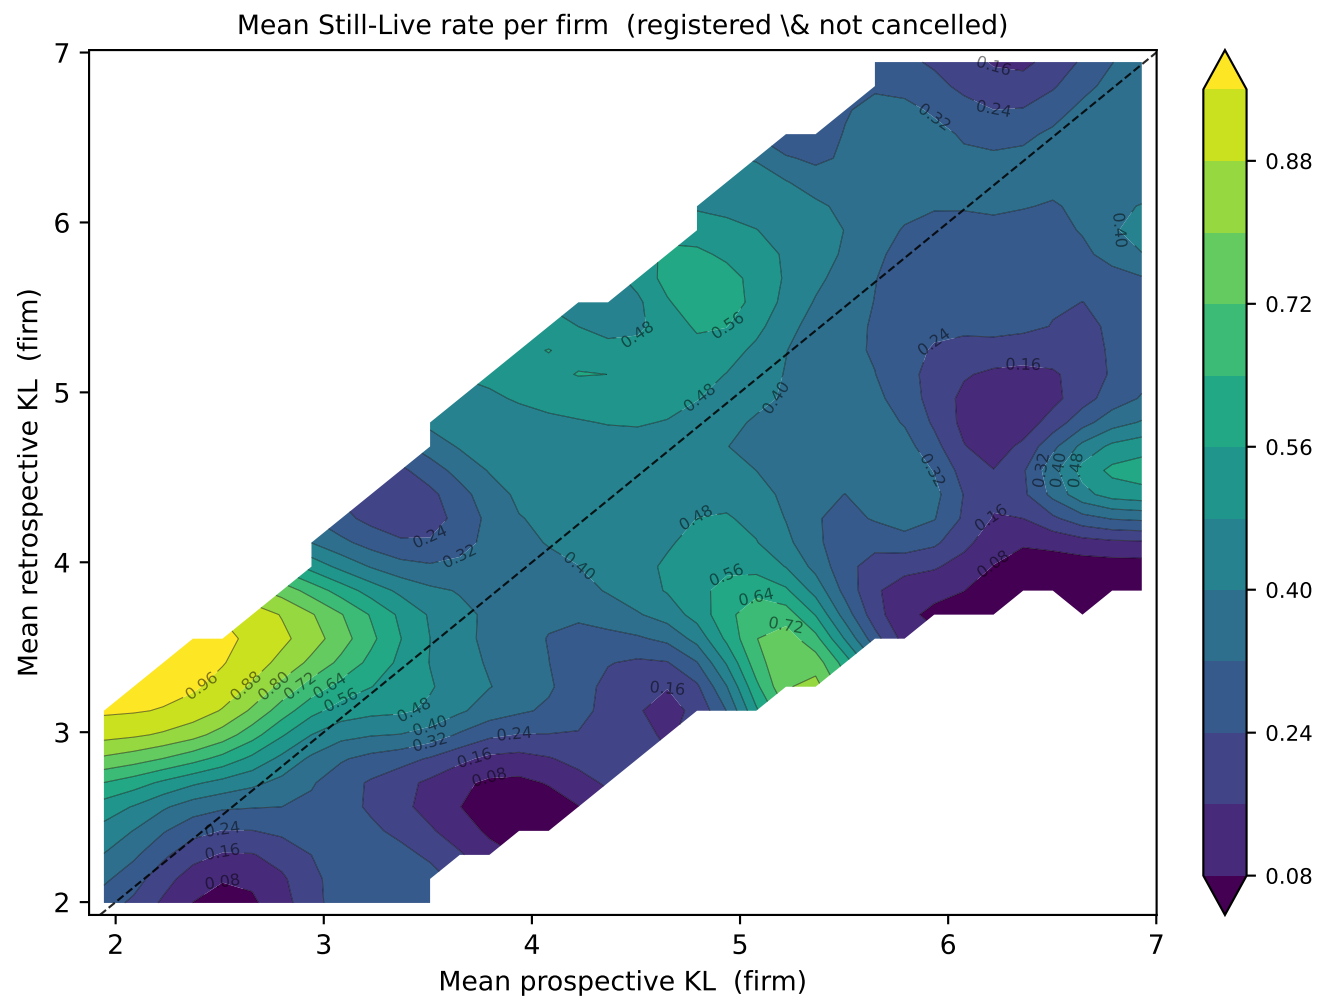

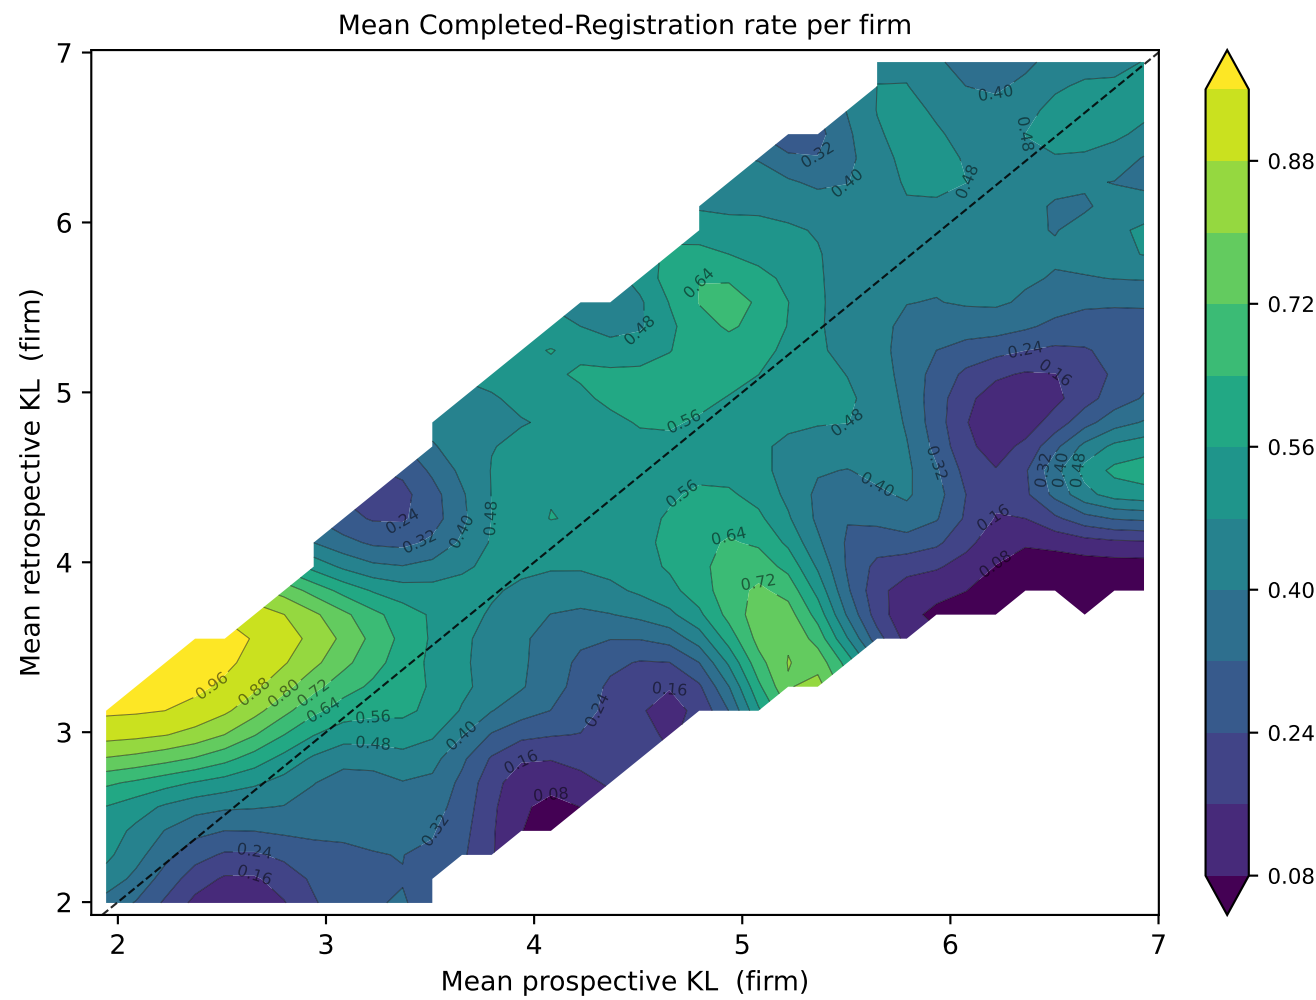

Within-firm std.\ of still-live outcomes

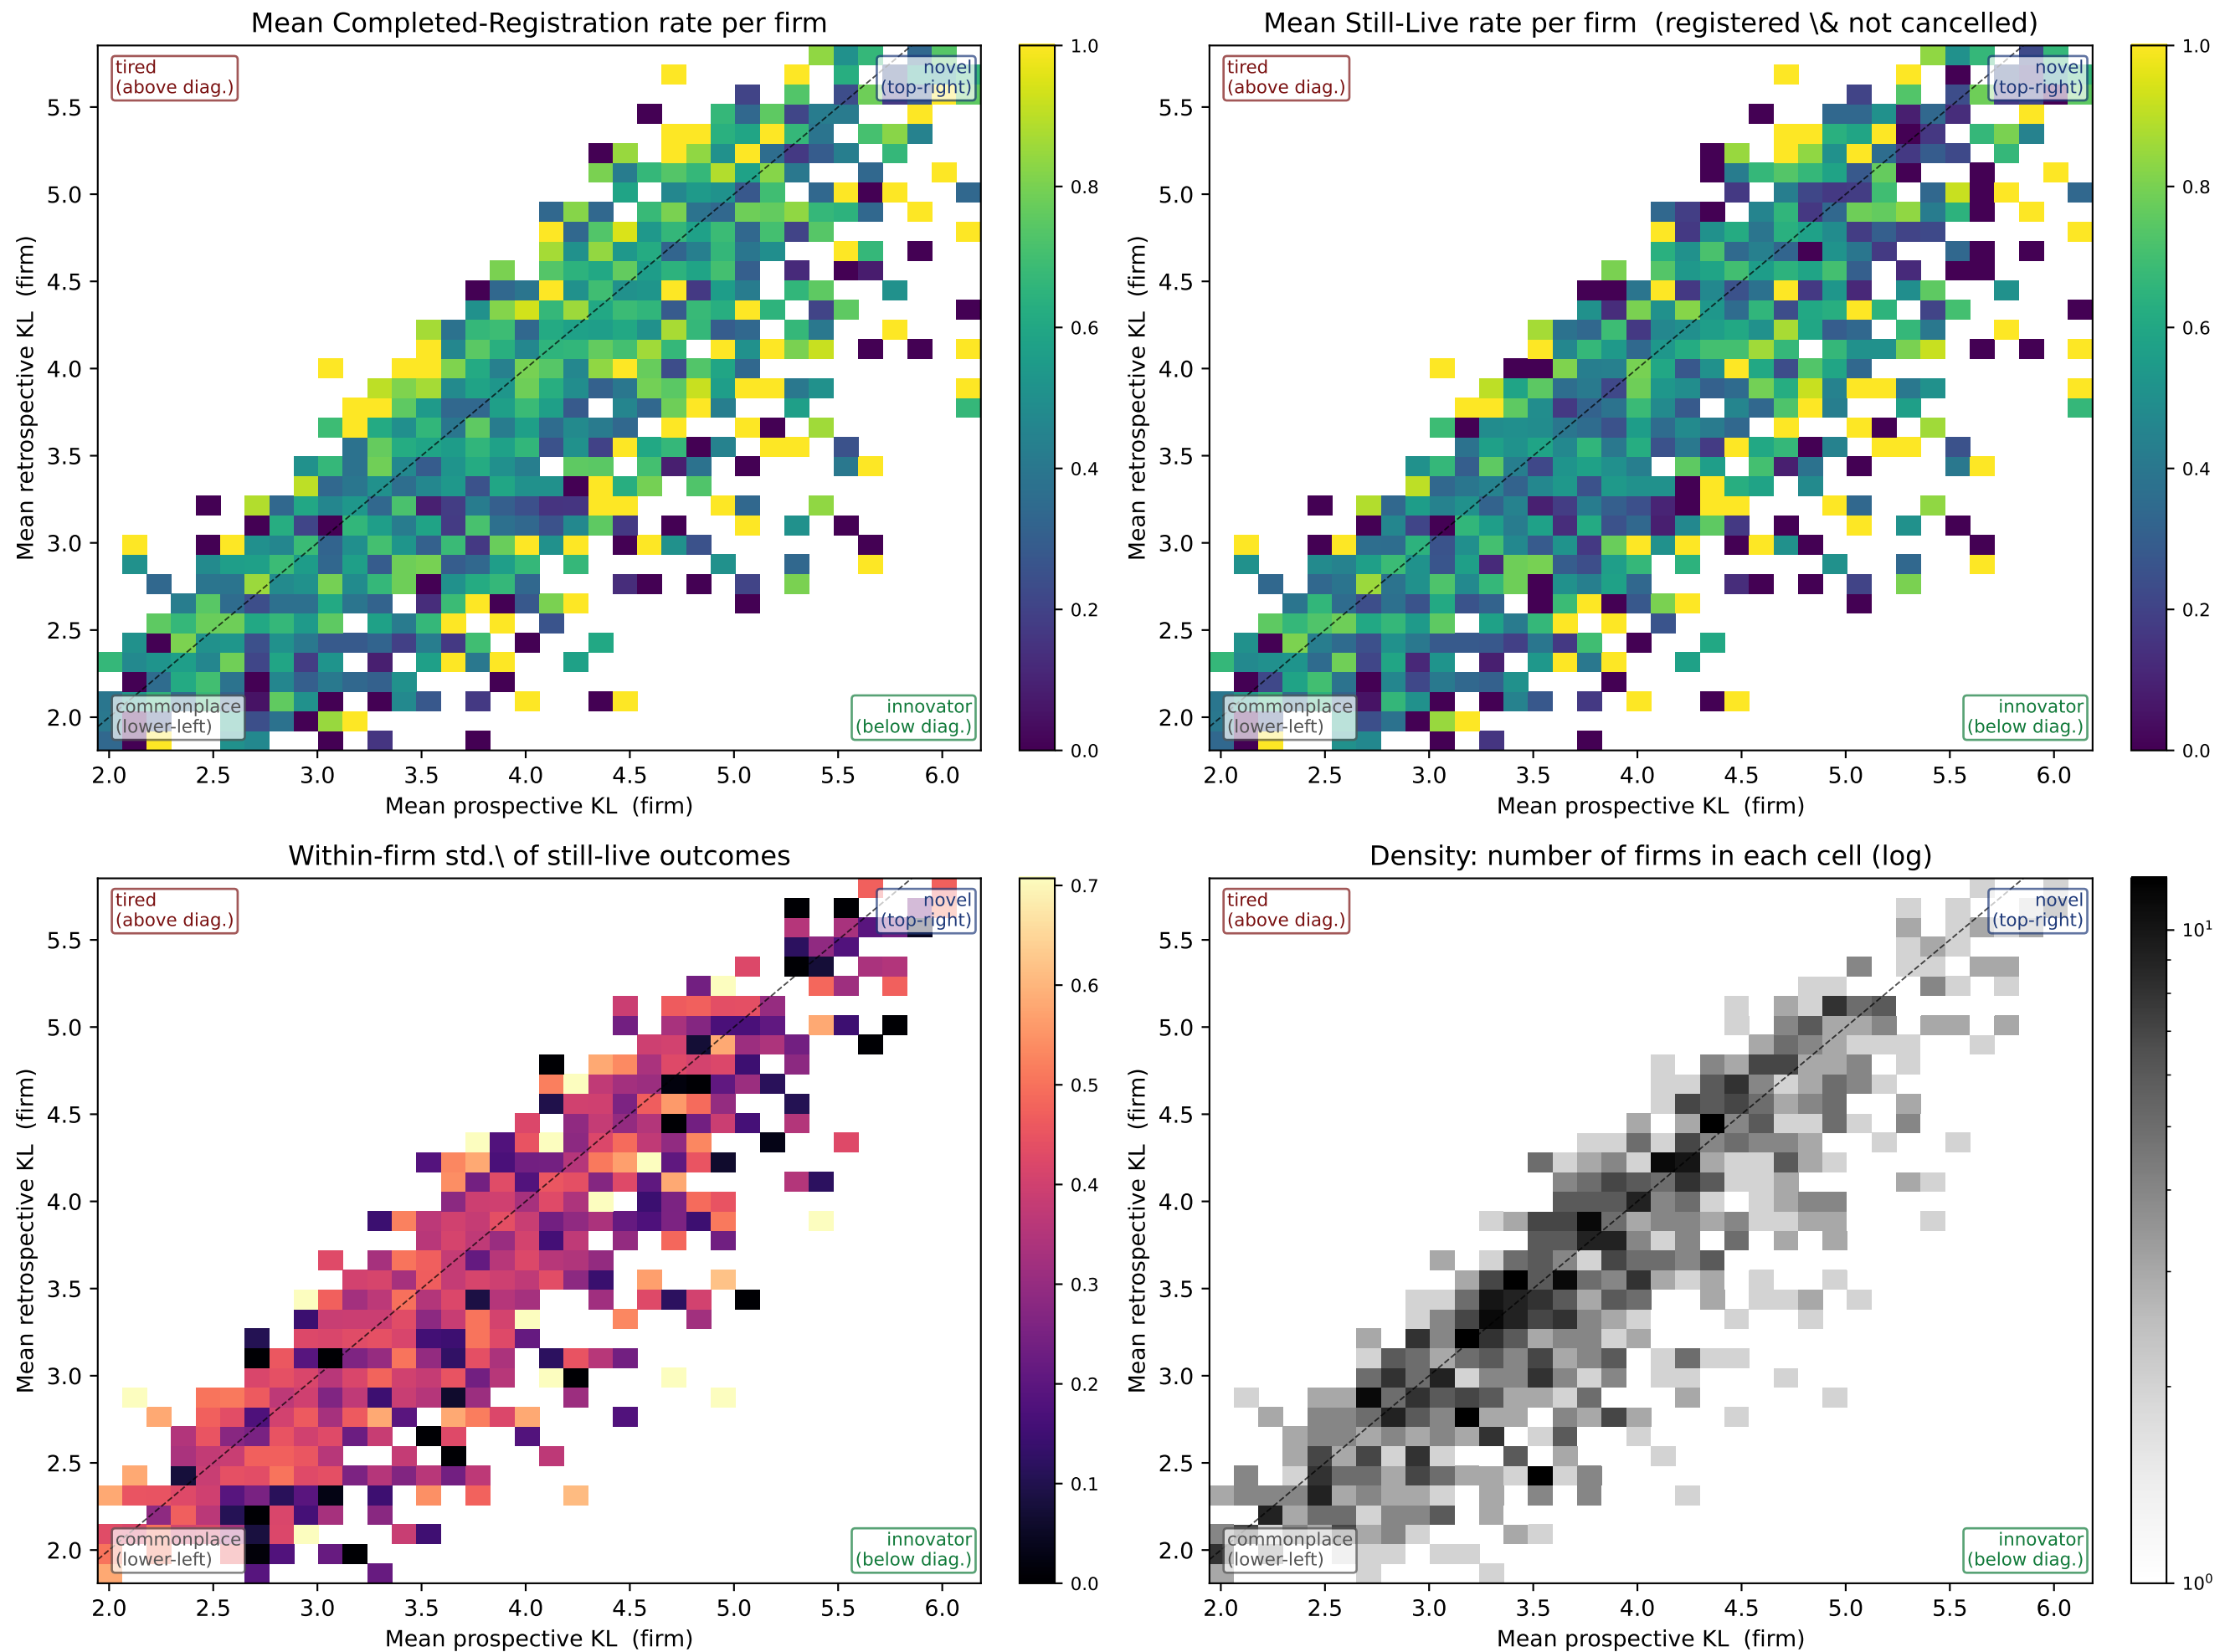

Class 026 — Trim, Lace & Notions — 26,827 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=1,374 firms

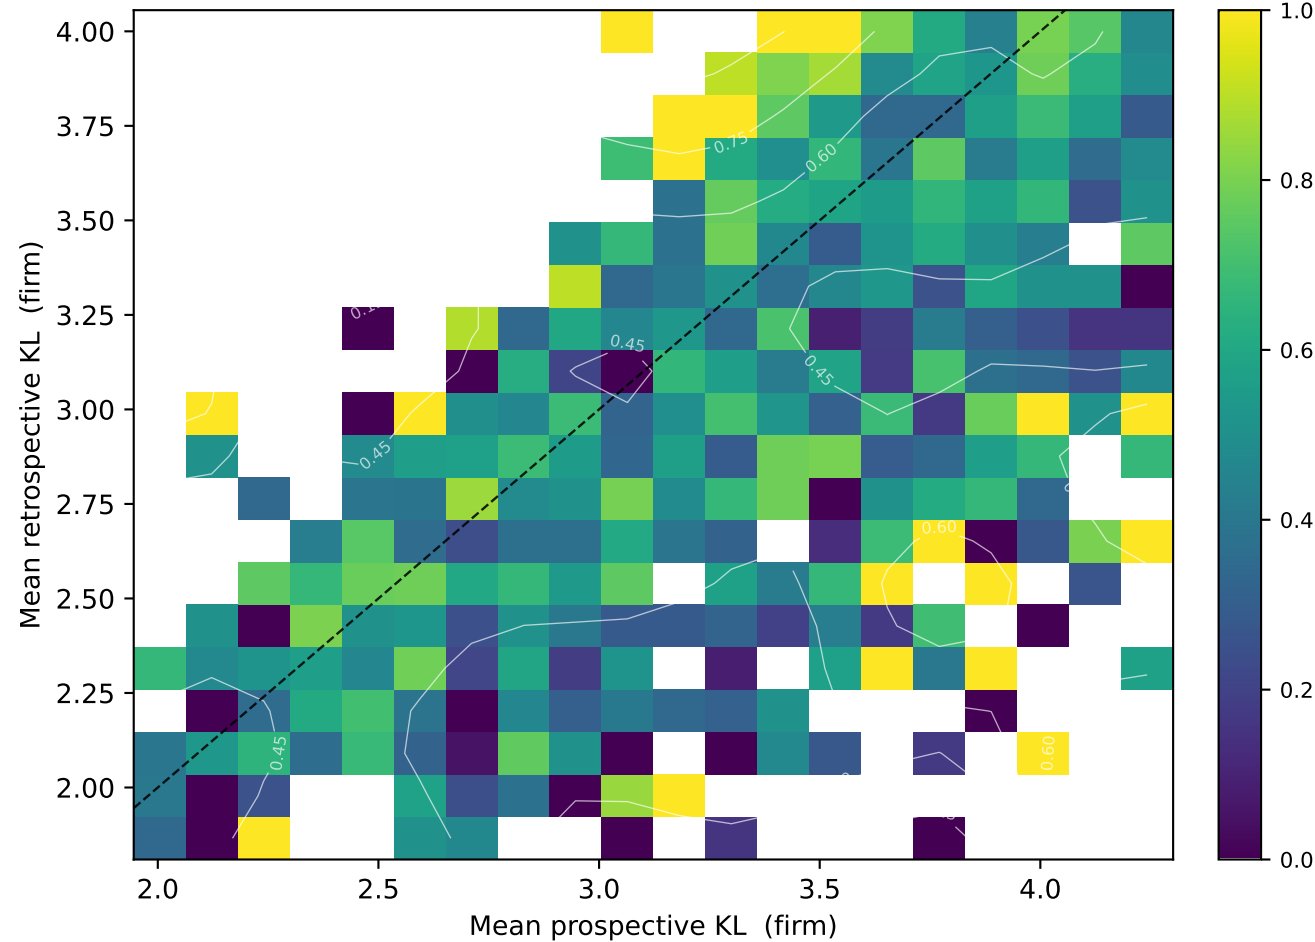

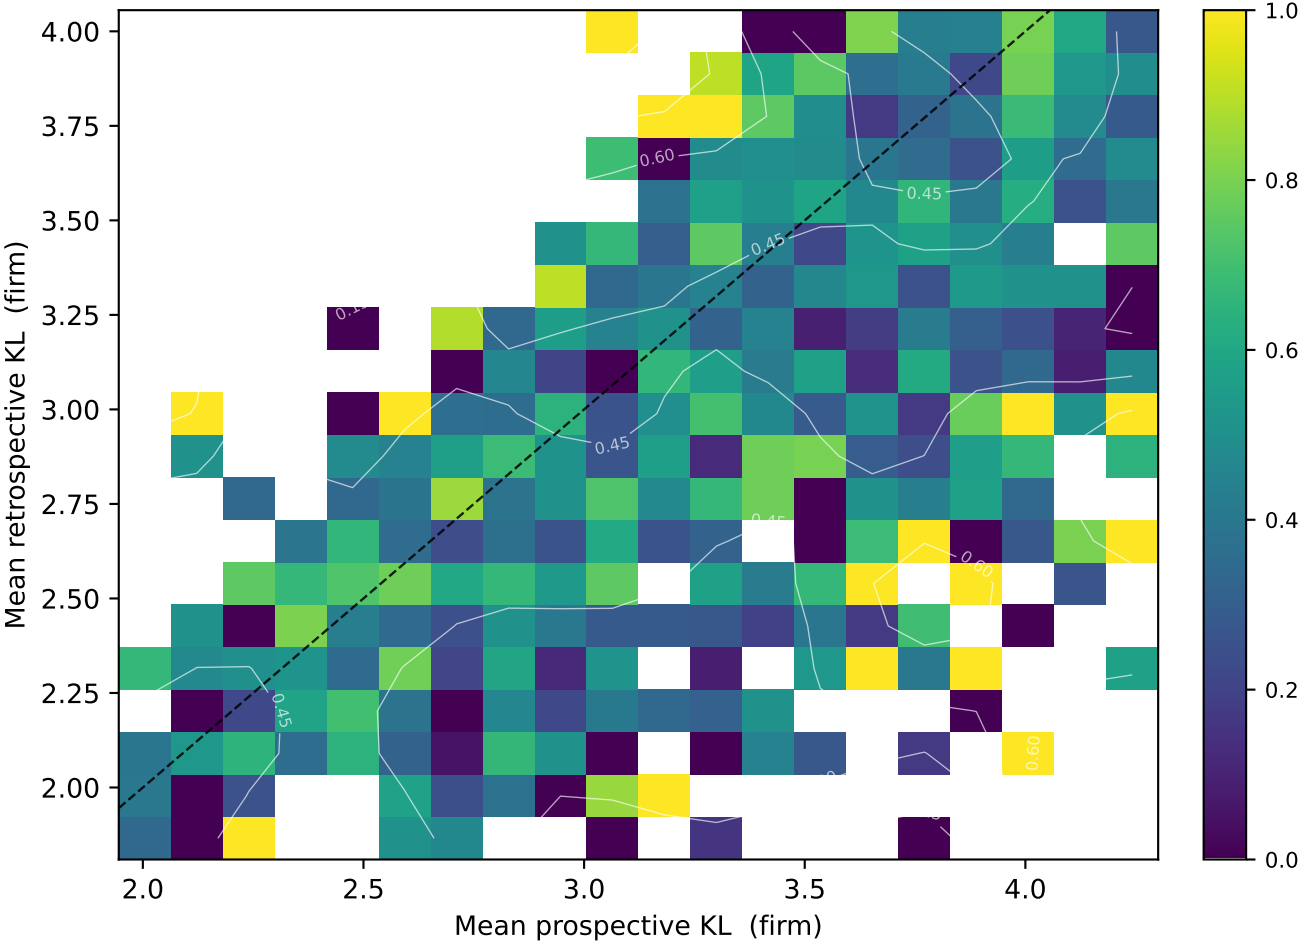

Class 034 — Tobacco & Smokers' Articles — 25,600 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=1,666 firms

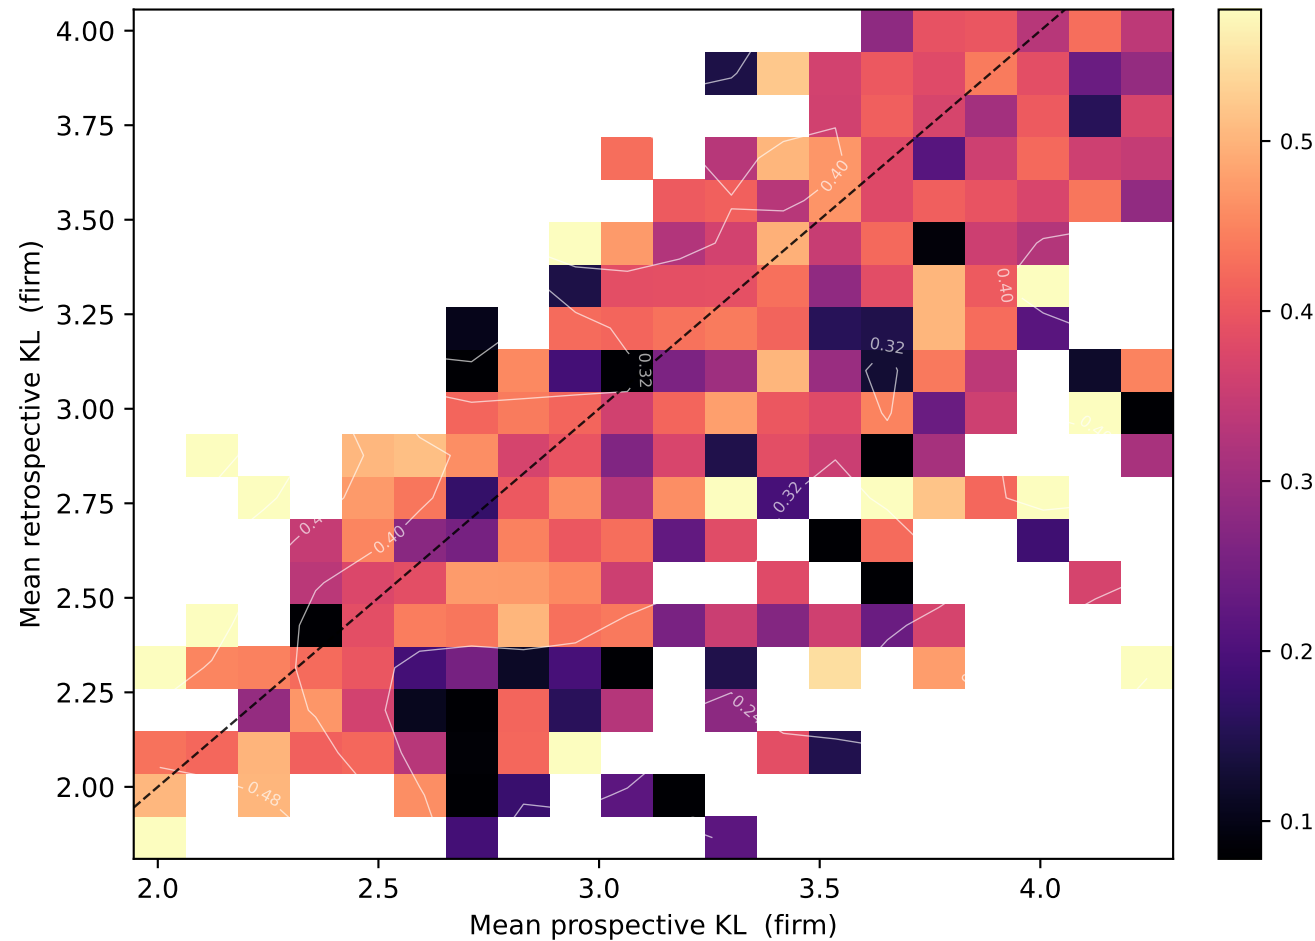

Mean Completed-Registration rate per firm

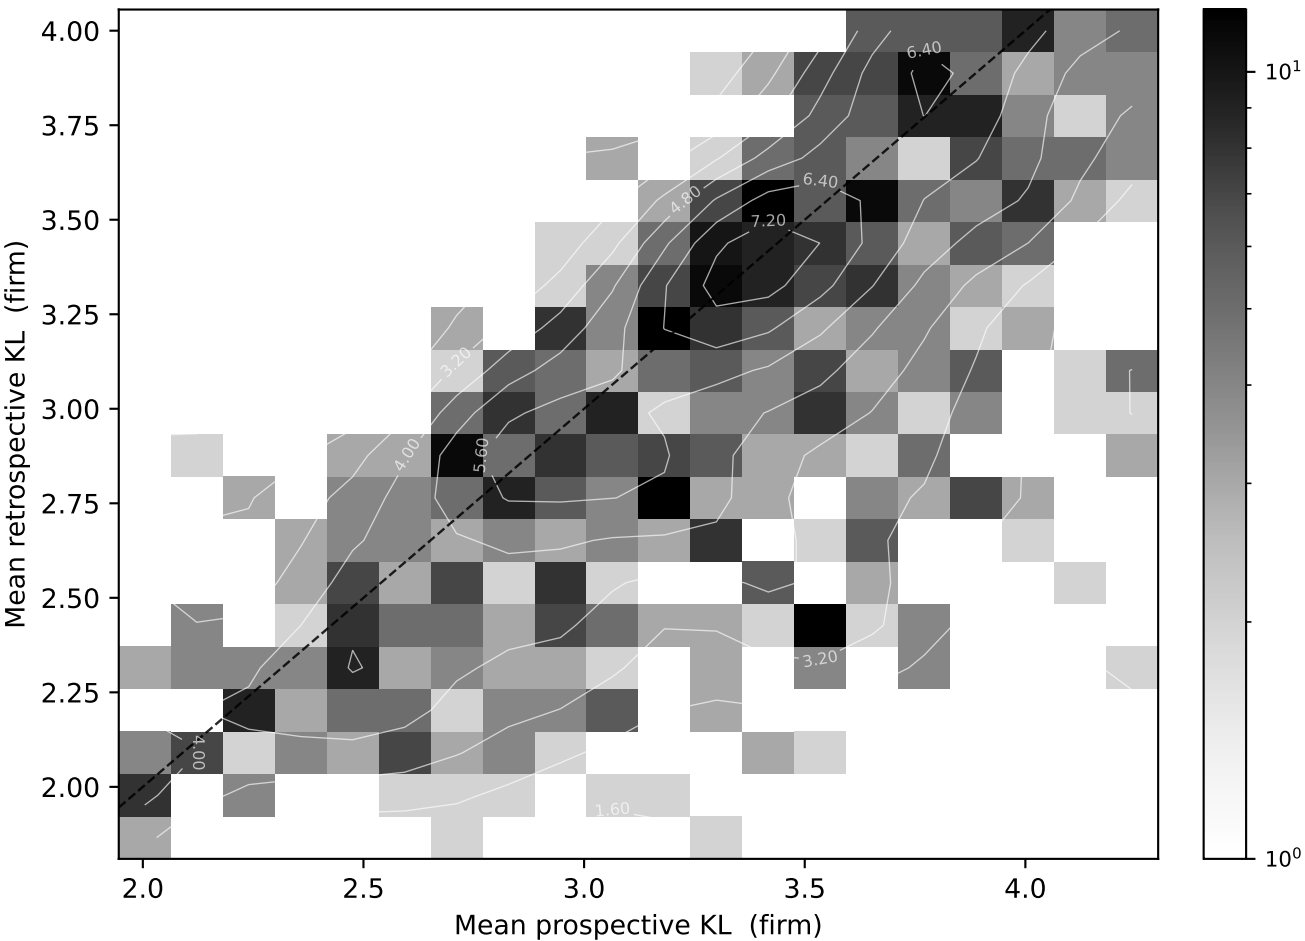

Mean Still-Live rate per firm (registered \& not cancelled)

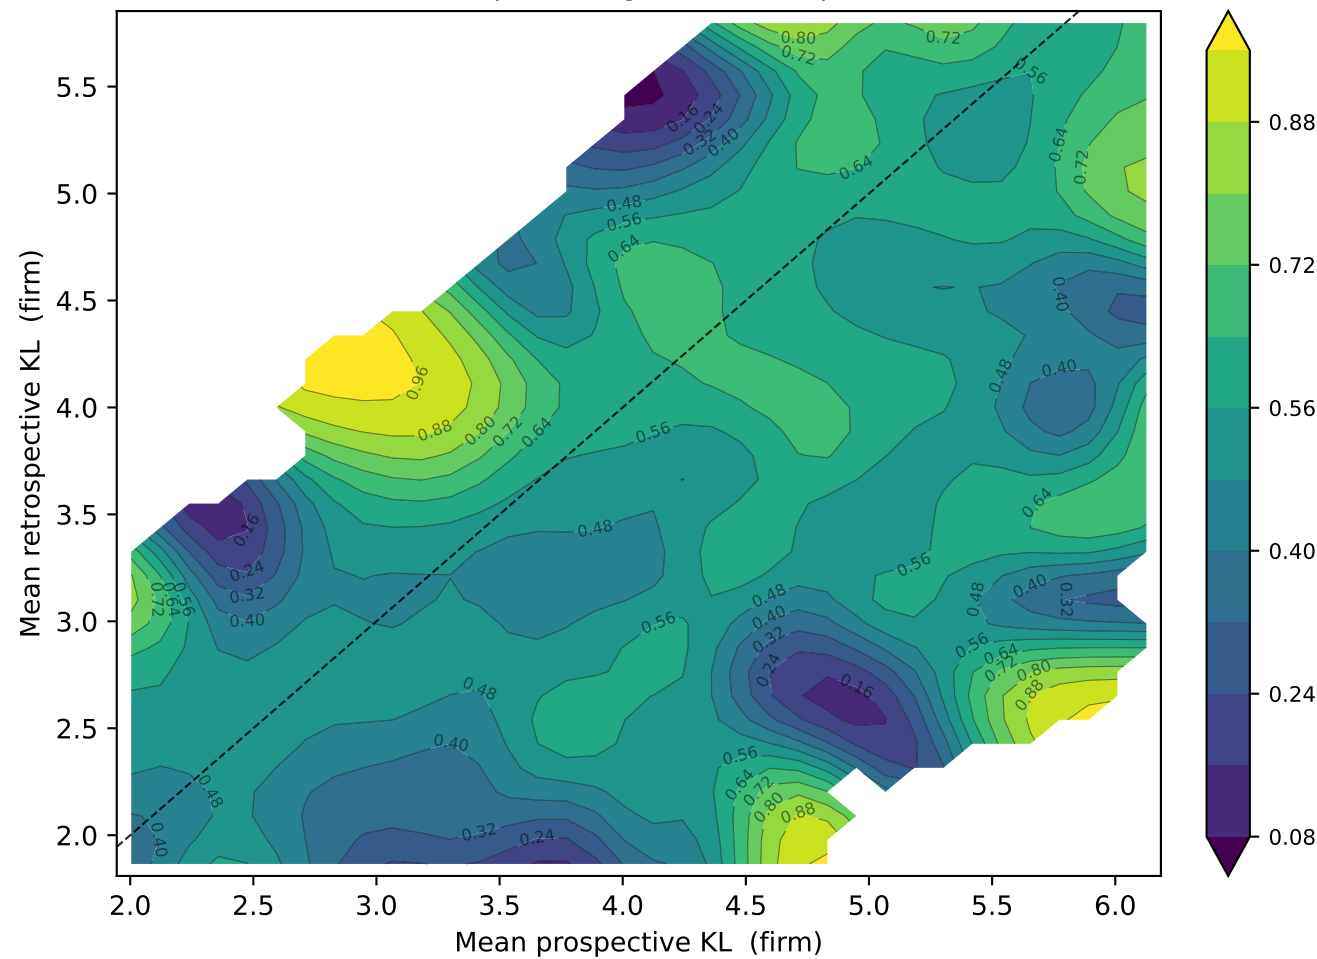

Within-firm std.\ of still-live outcomes

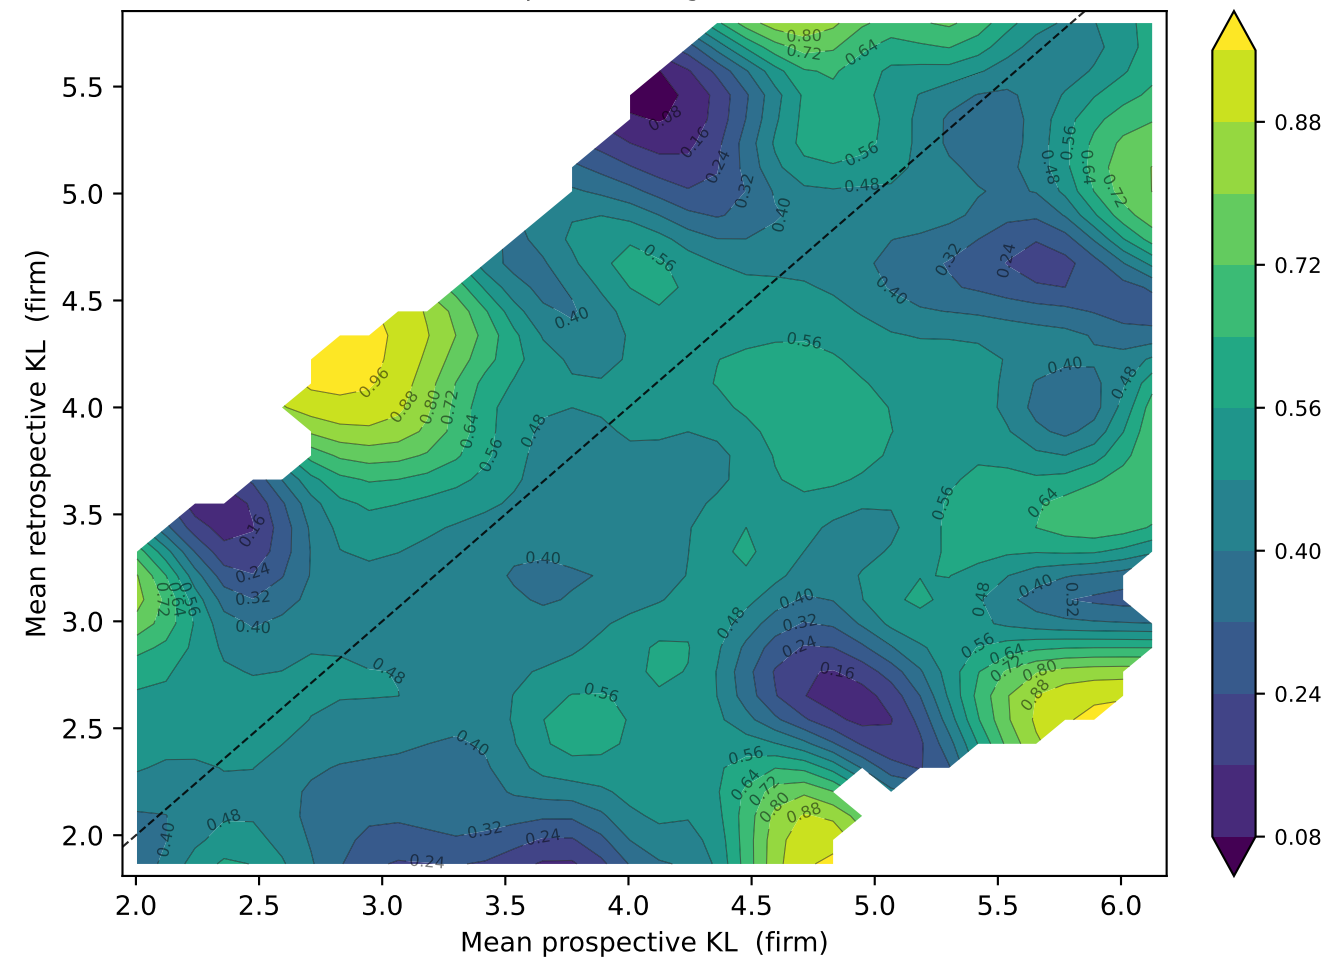

Density: number of firms in each cell (log)

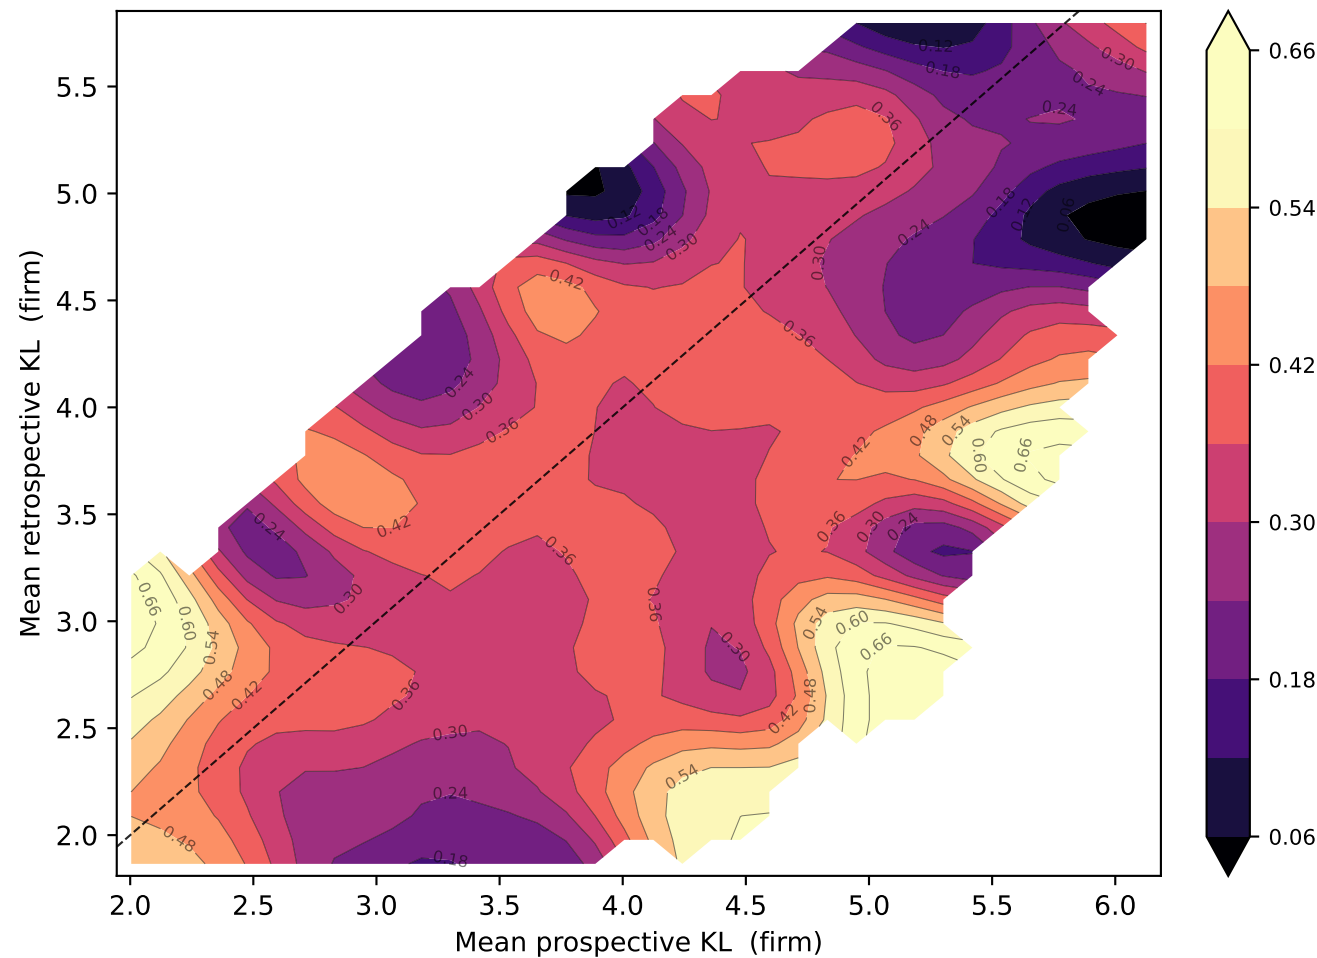

Mean Completed-Registration rate per firm

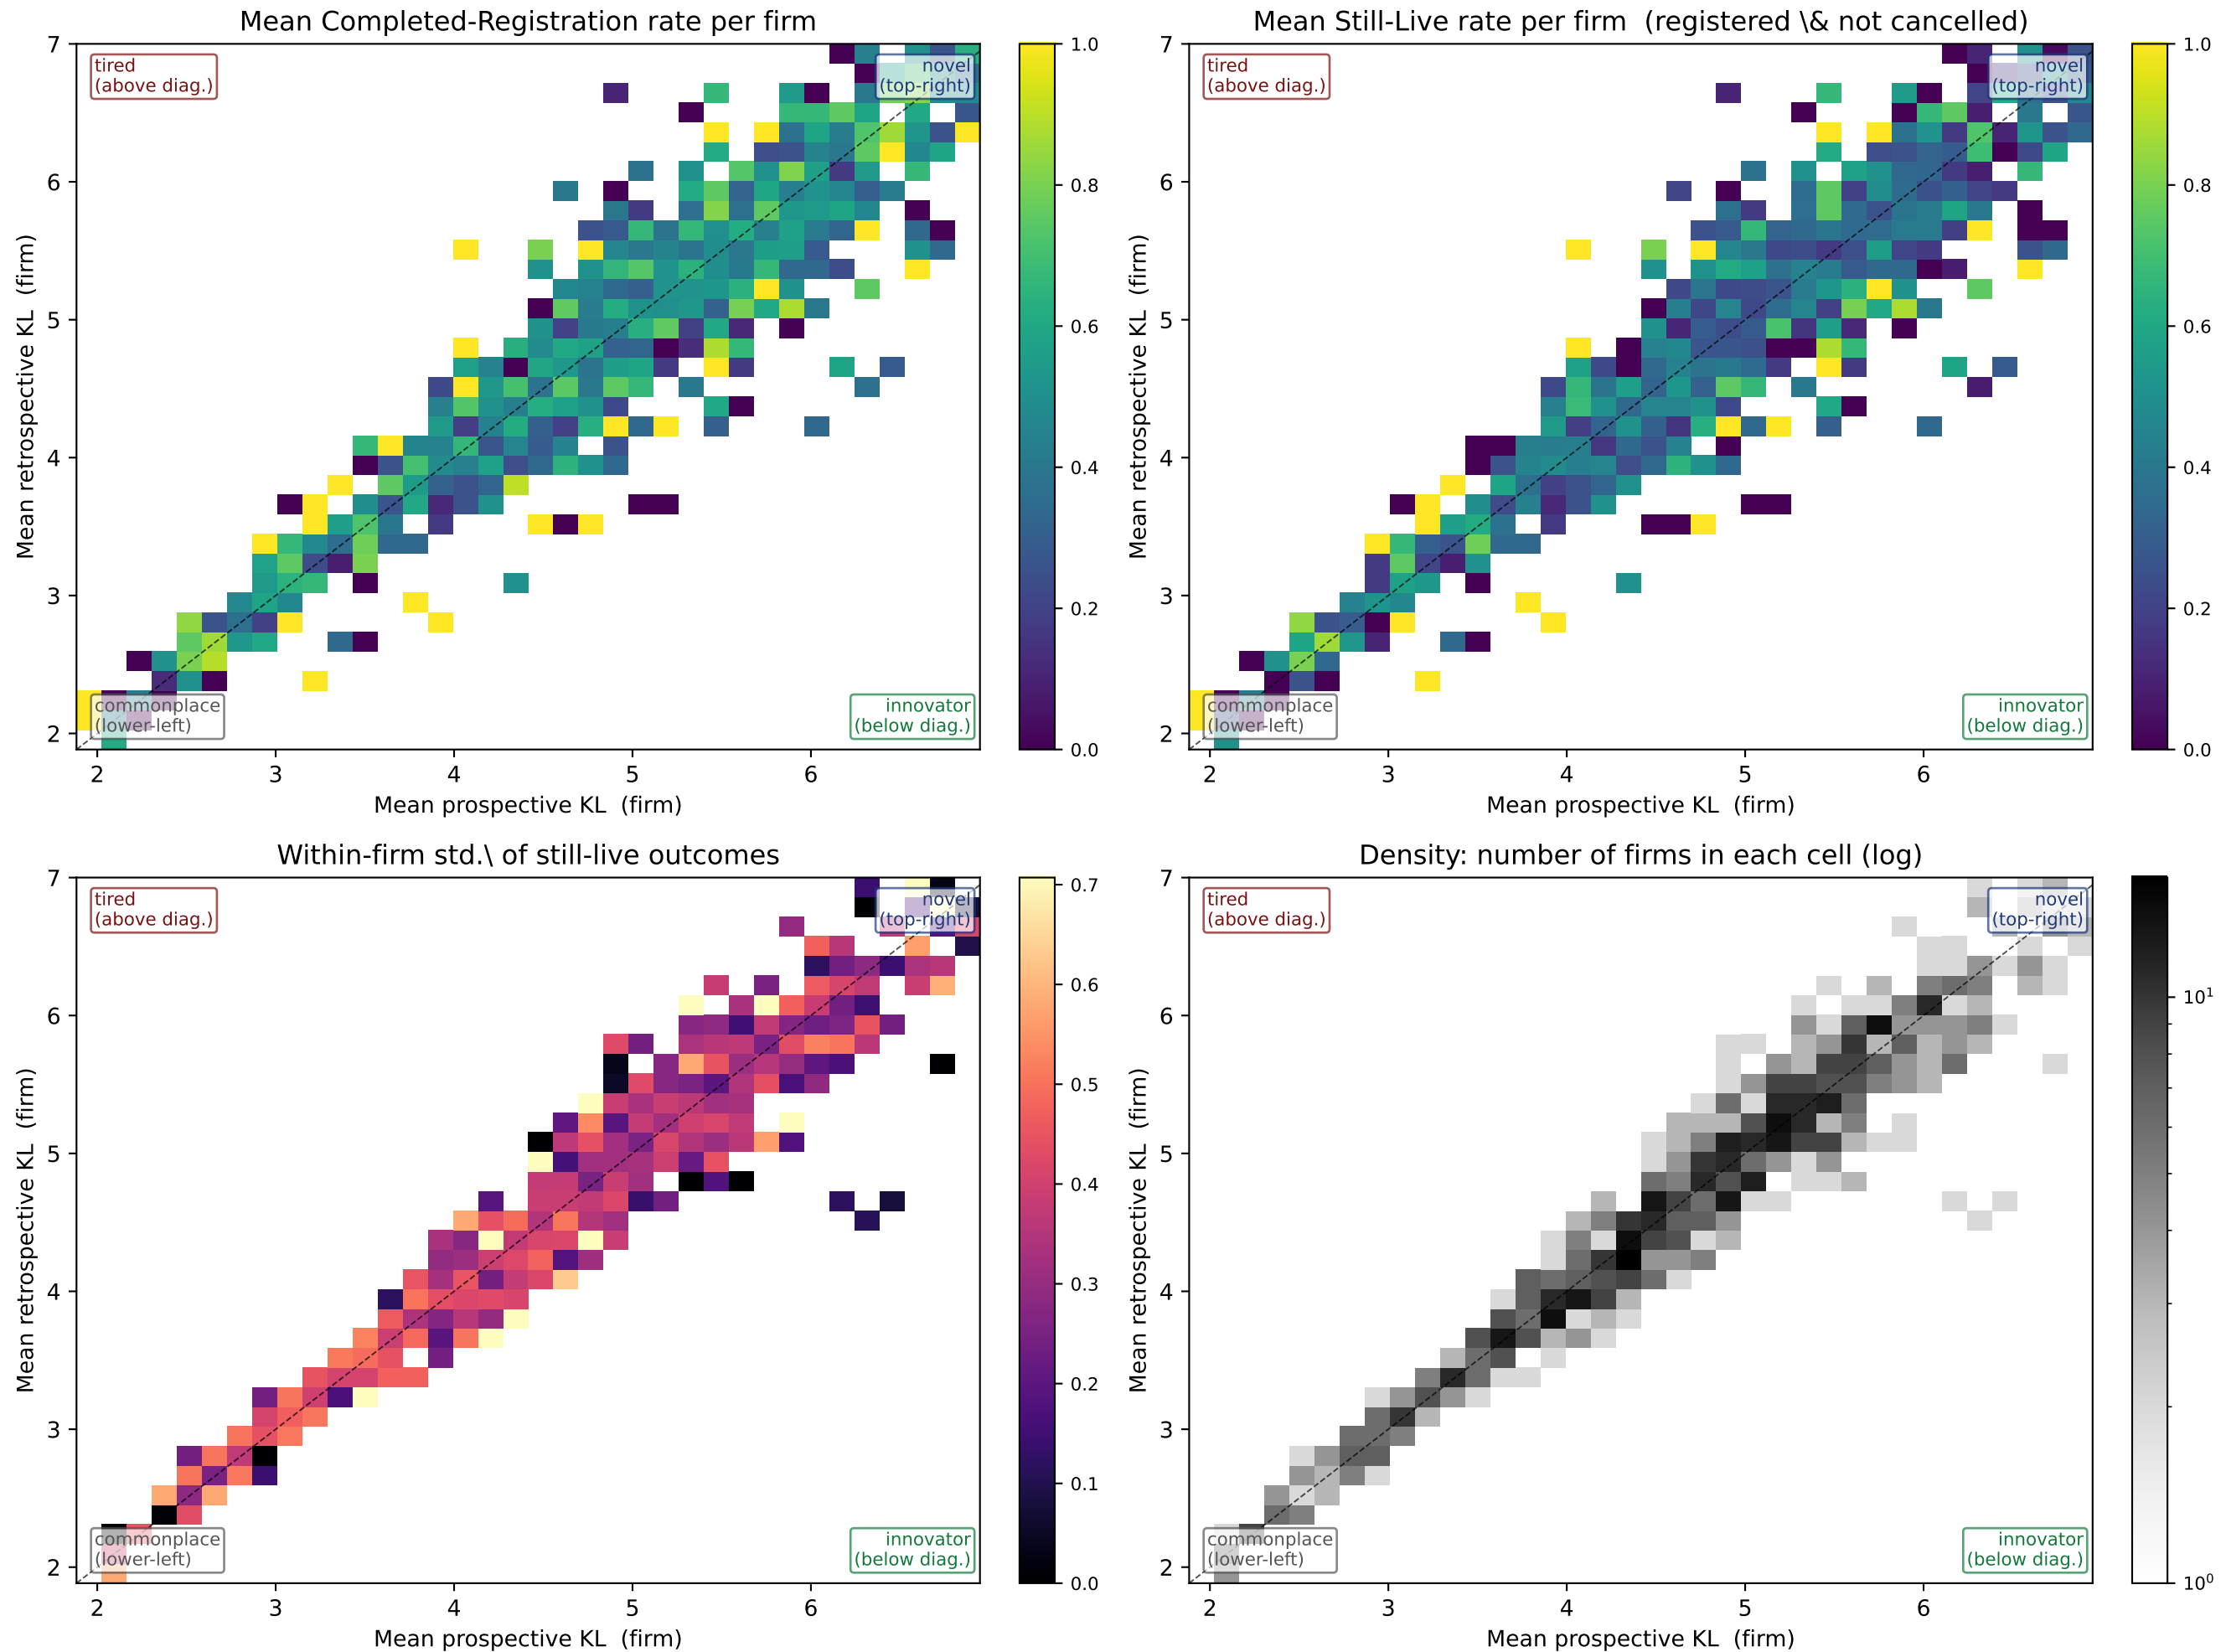

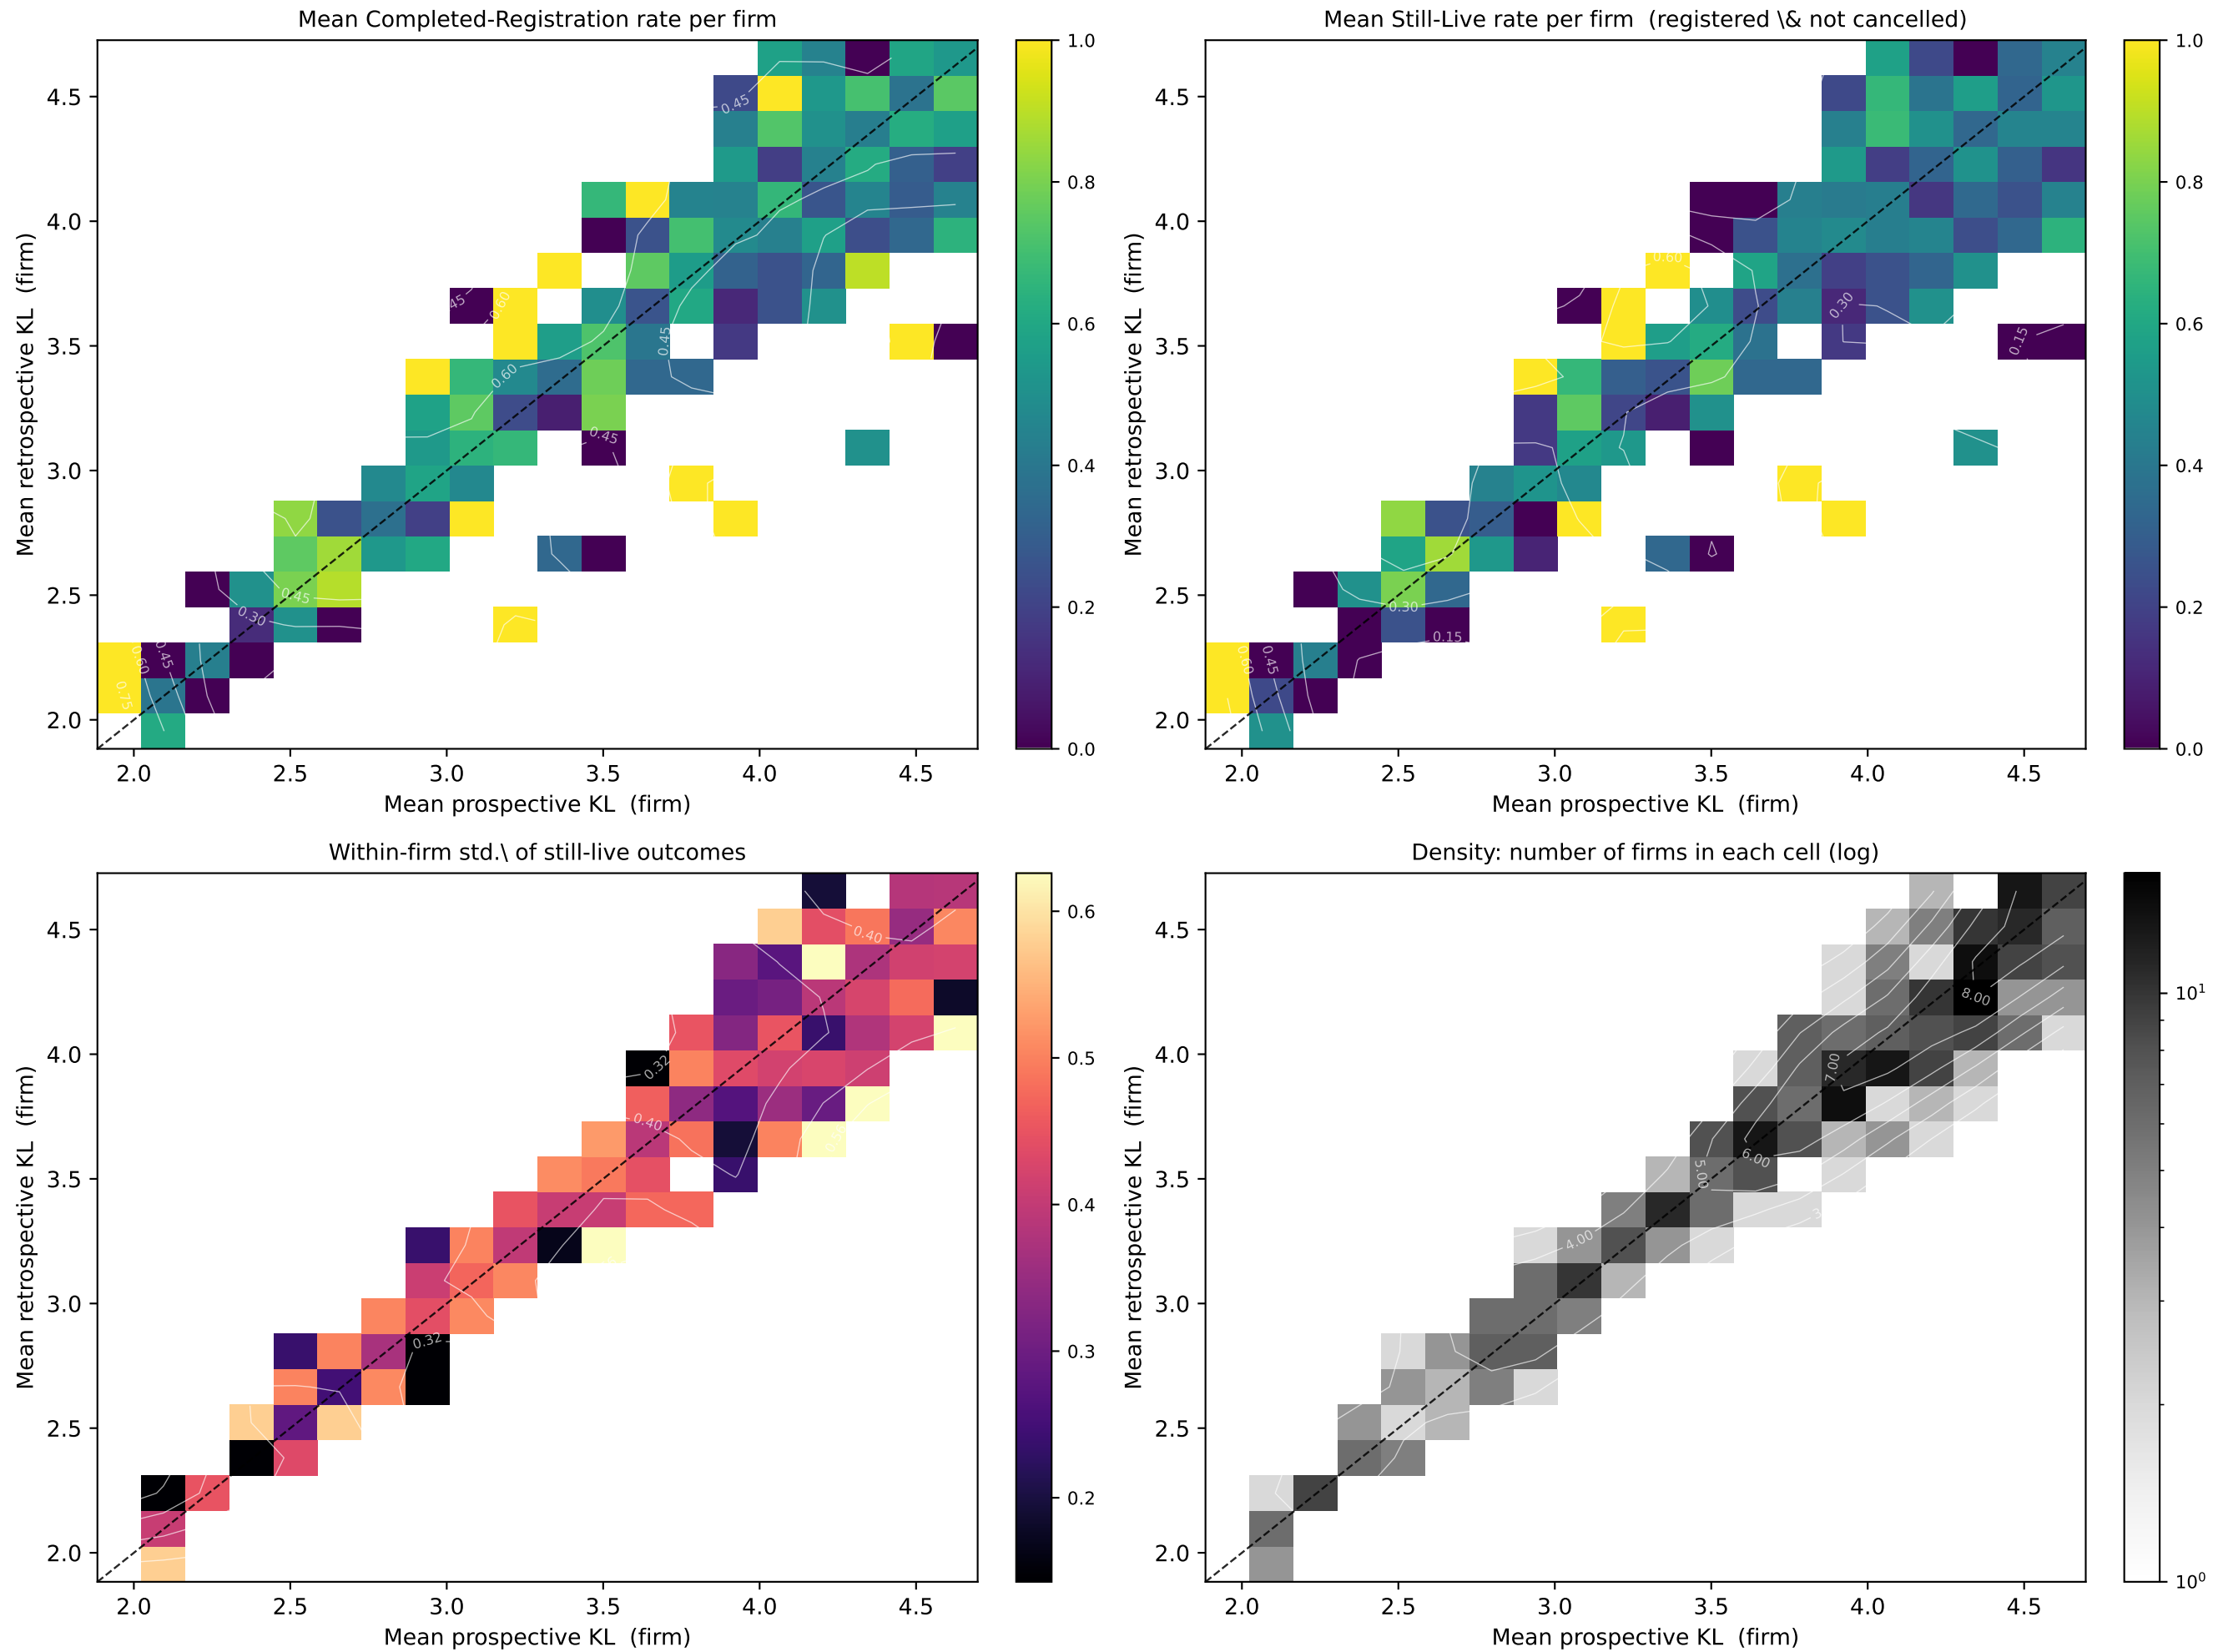

Mean Still-Live rate per firm (registered \& not cancelled)

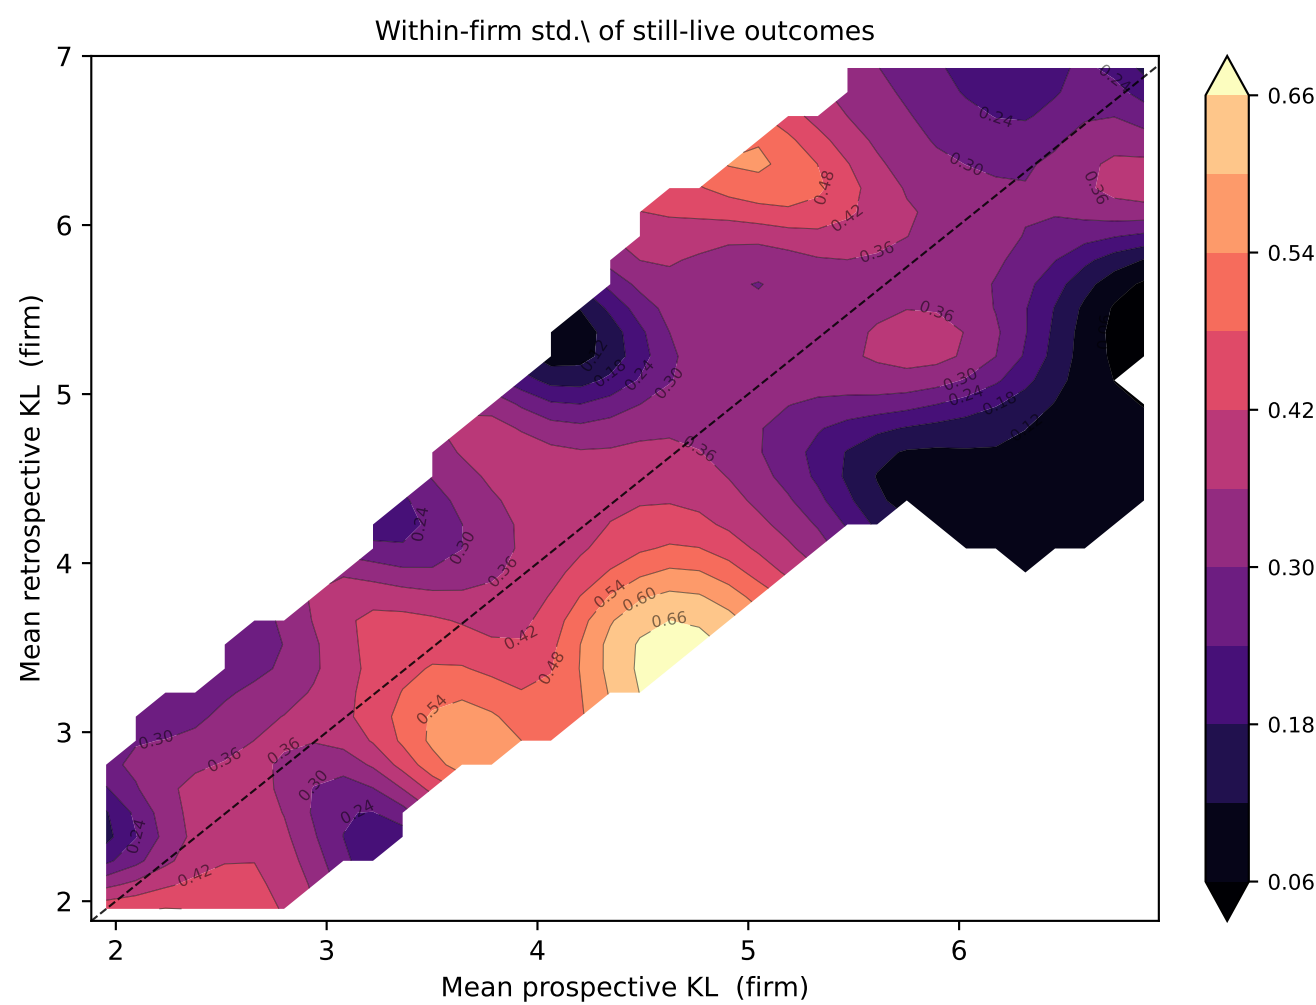

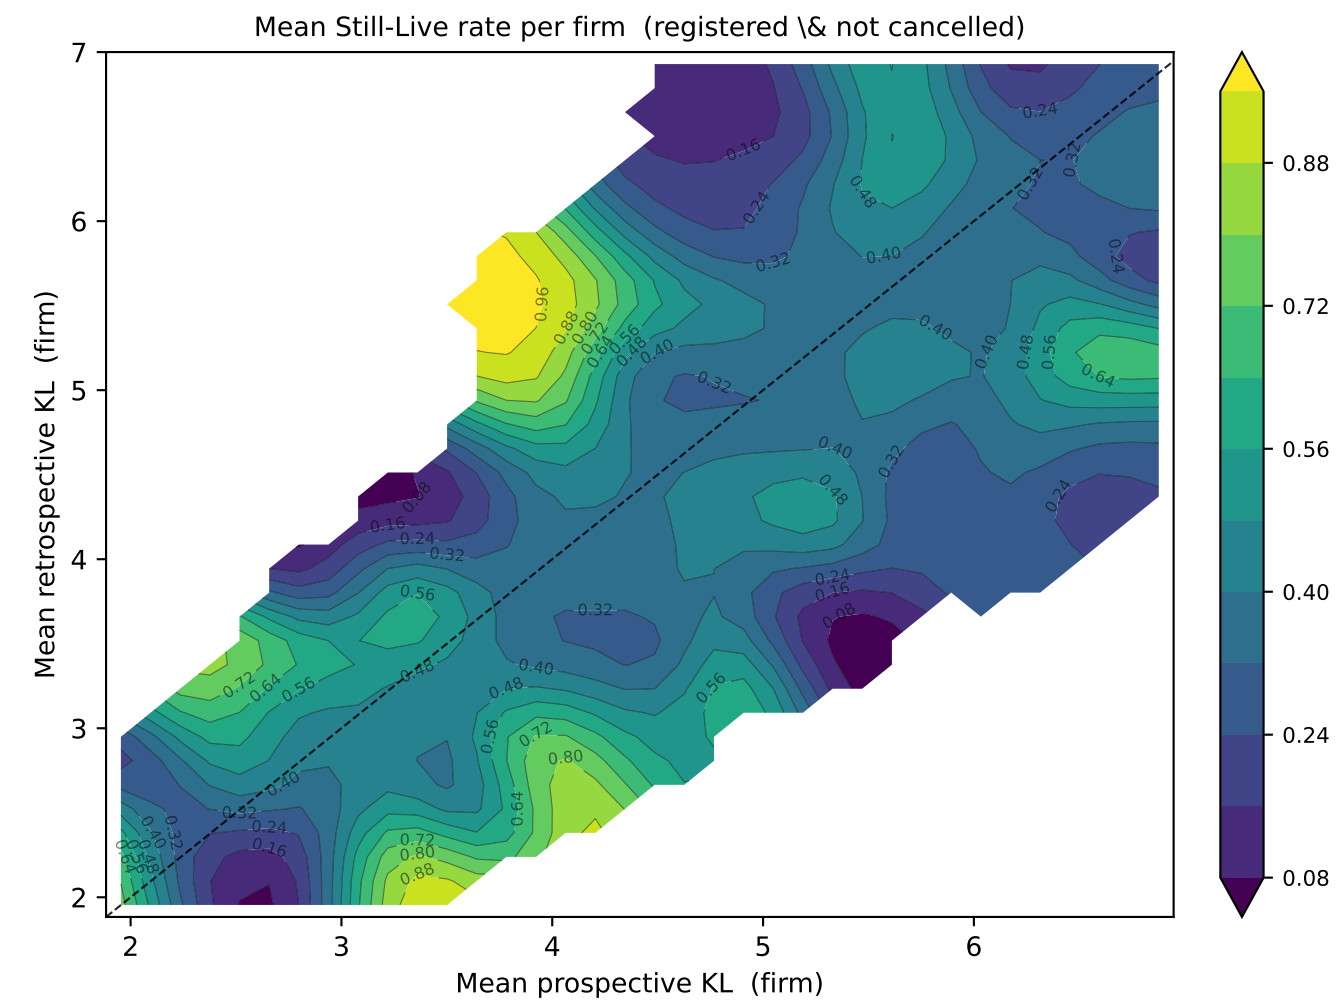

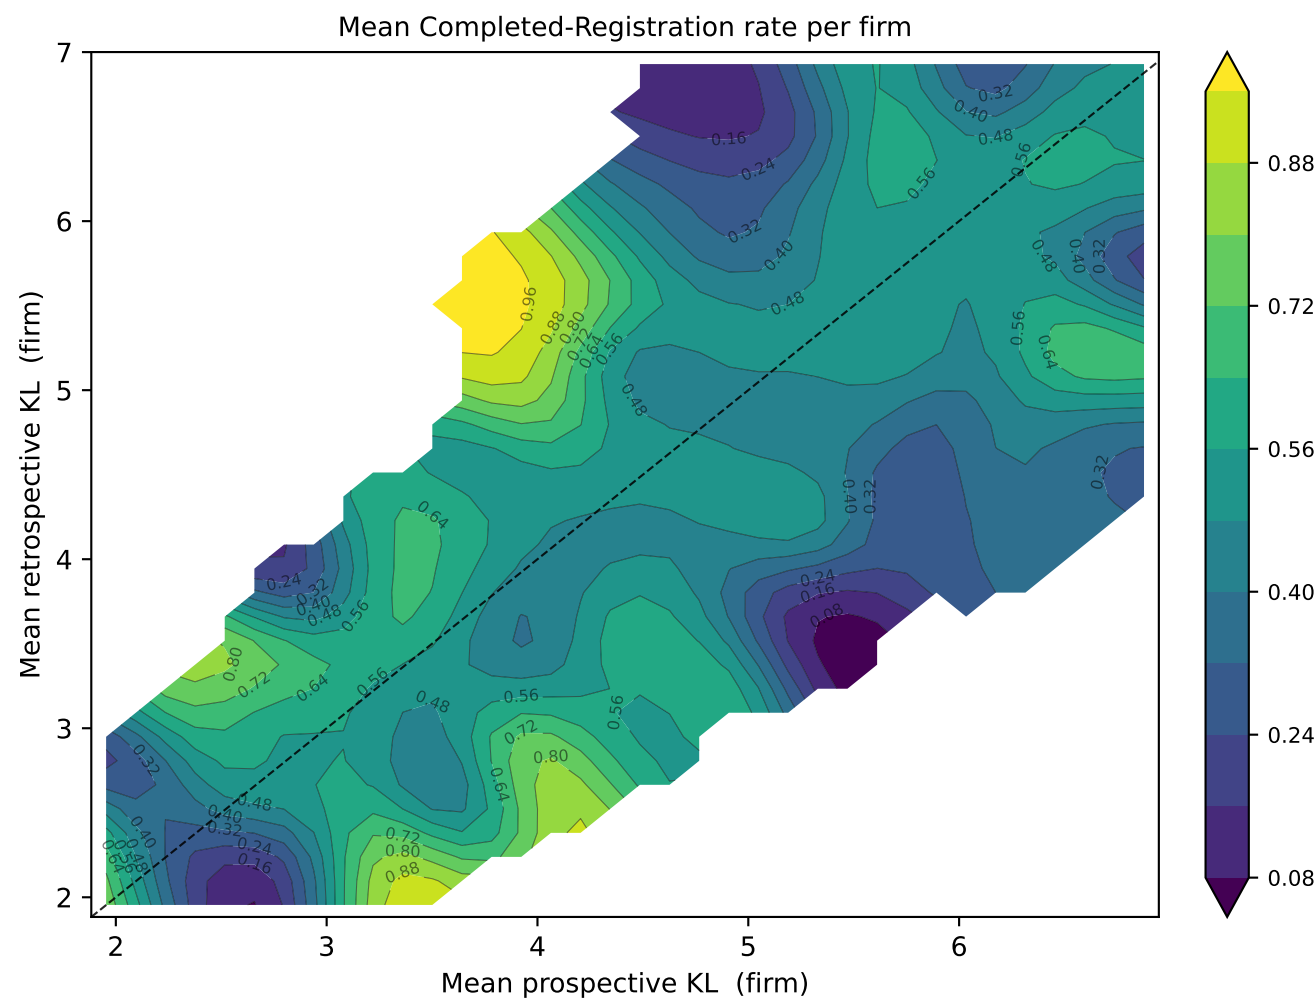

Within-firm std.\ of still-live outcomes

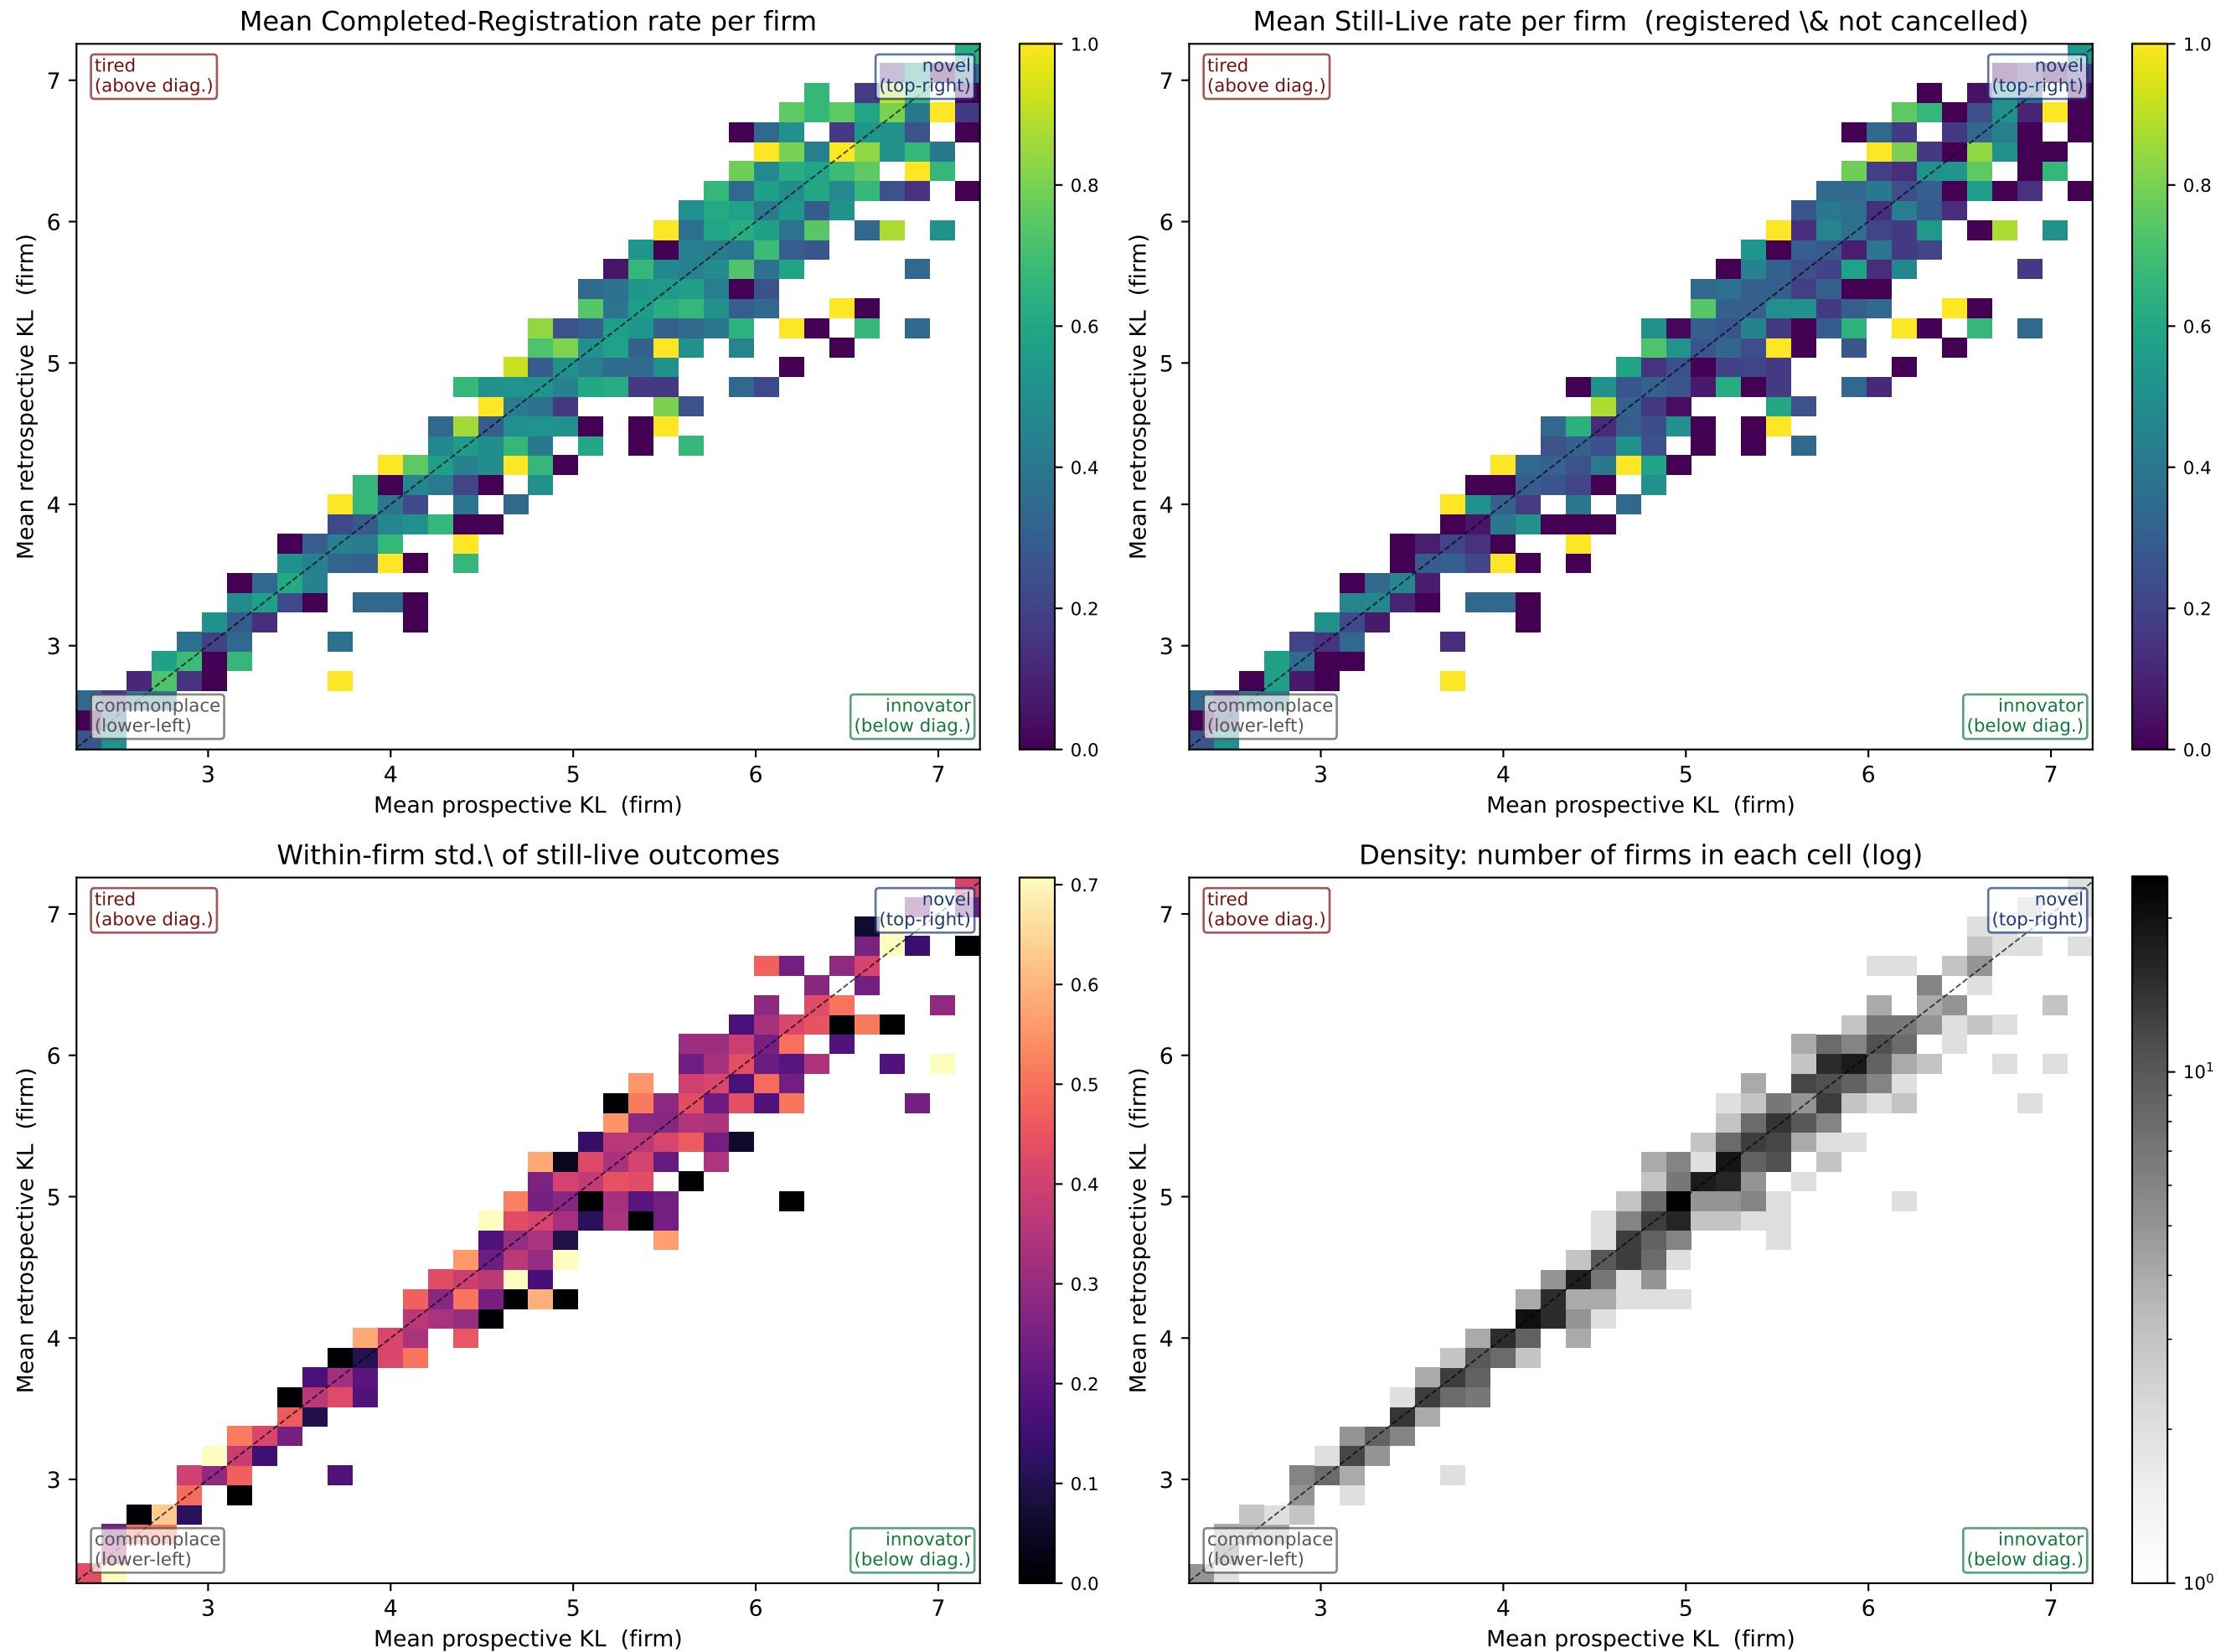

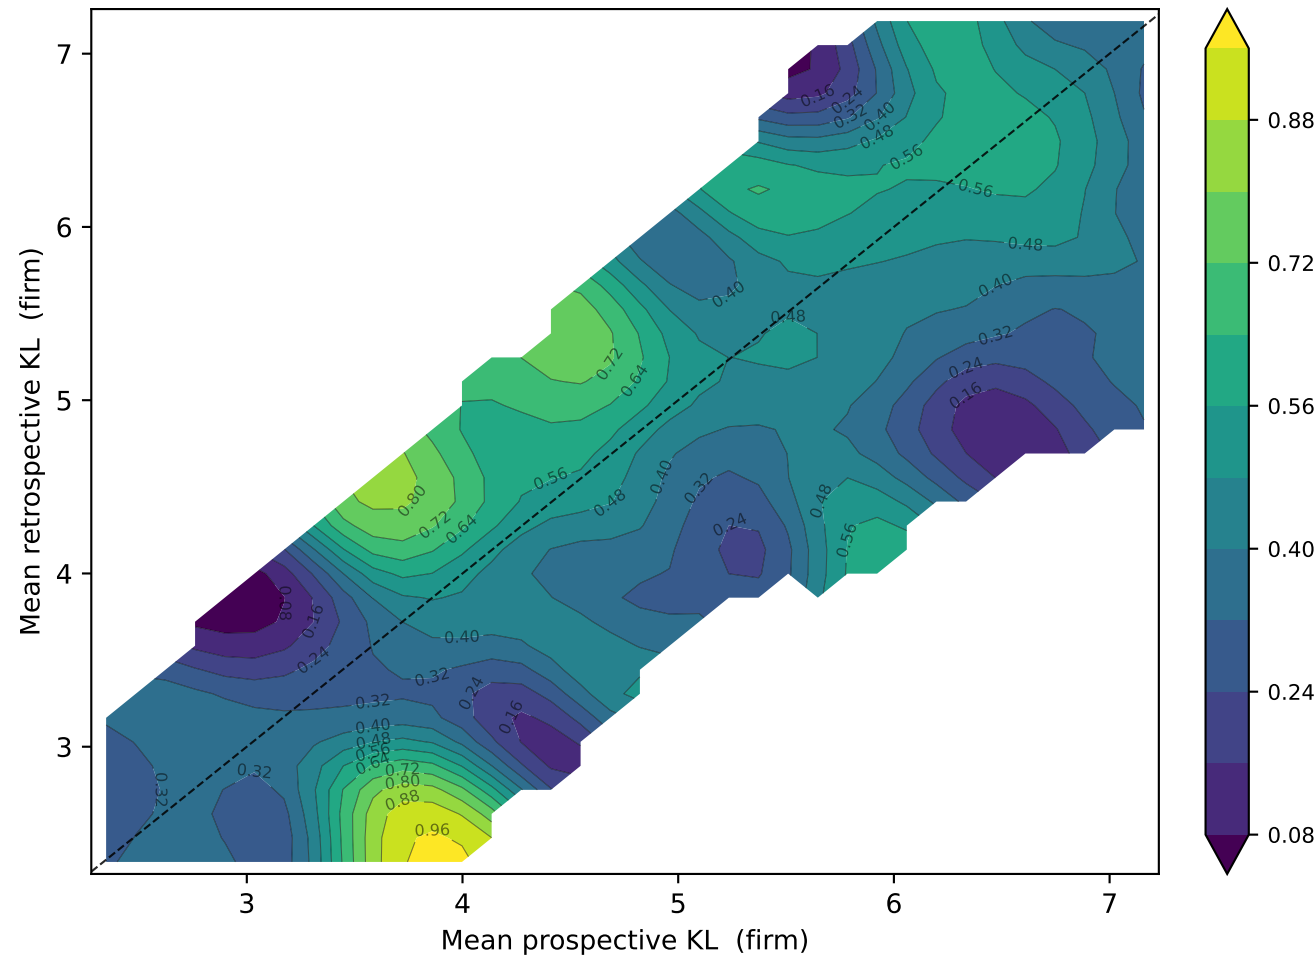

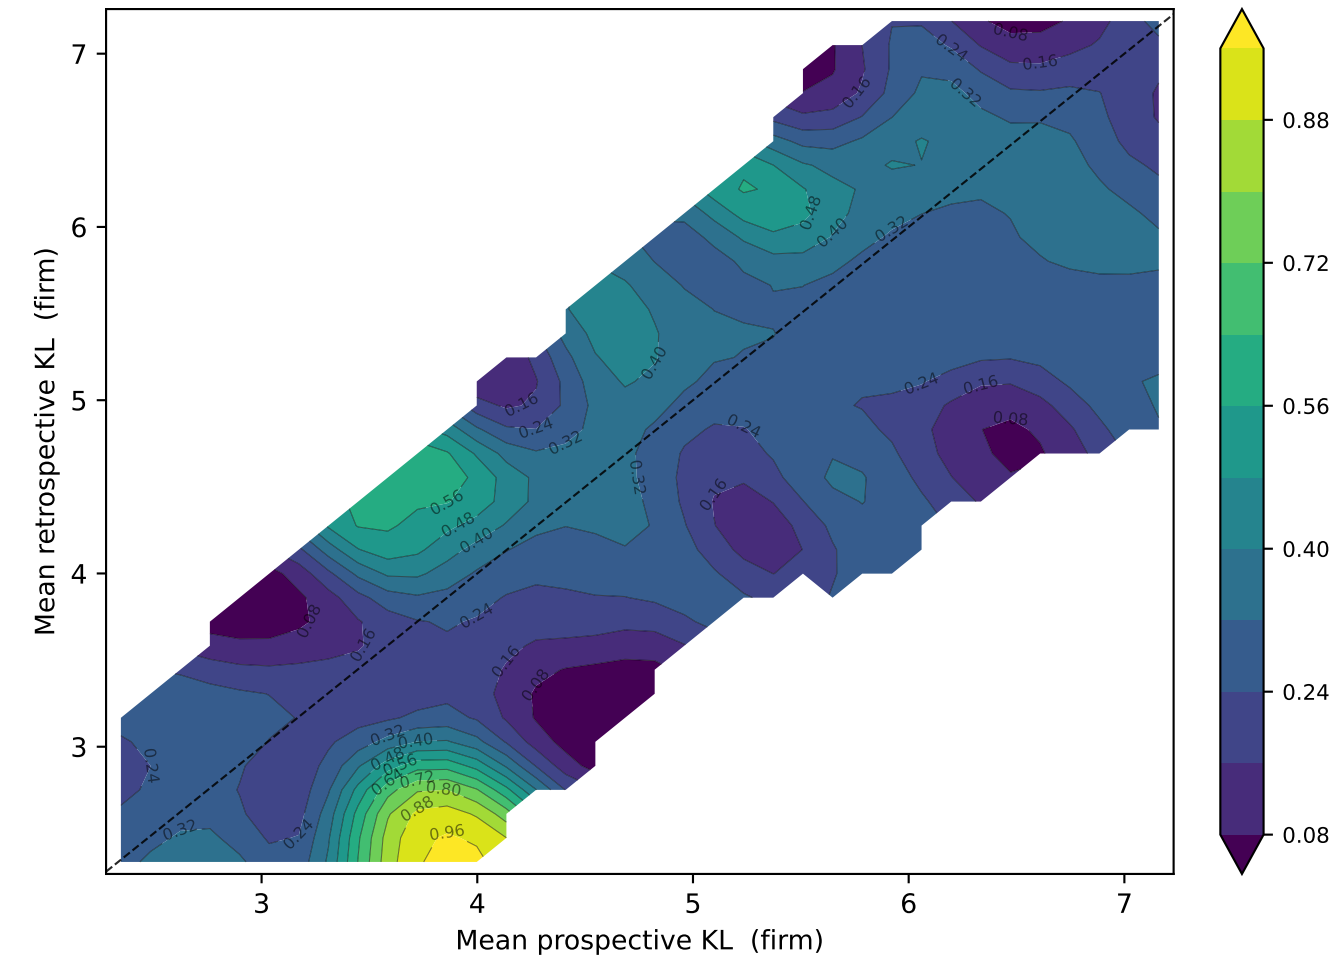

Class 022 — Ropes, Tents & Textiles (raw) — 16,936 clean filings
each cell averaged over firms with ≥ 3 clean filings; 36 $\times$ 36 grid; min 1 firm per cell to colour; n=1,050 firms

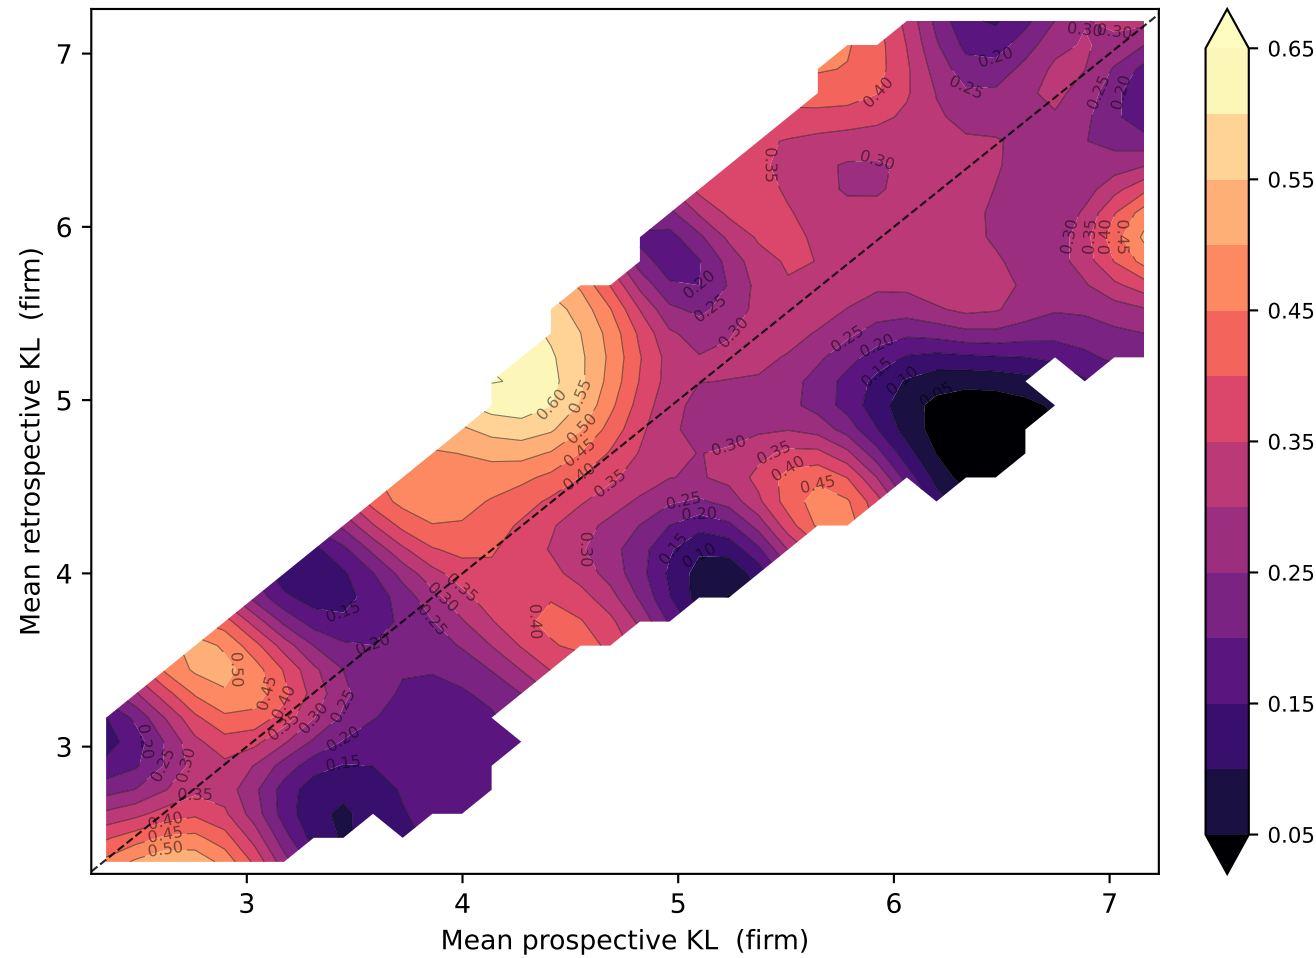

Mean Completed-Registration rate per firm

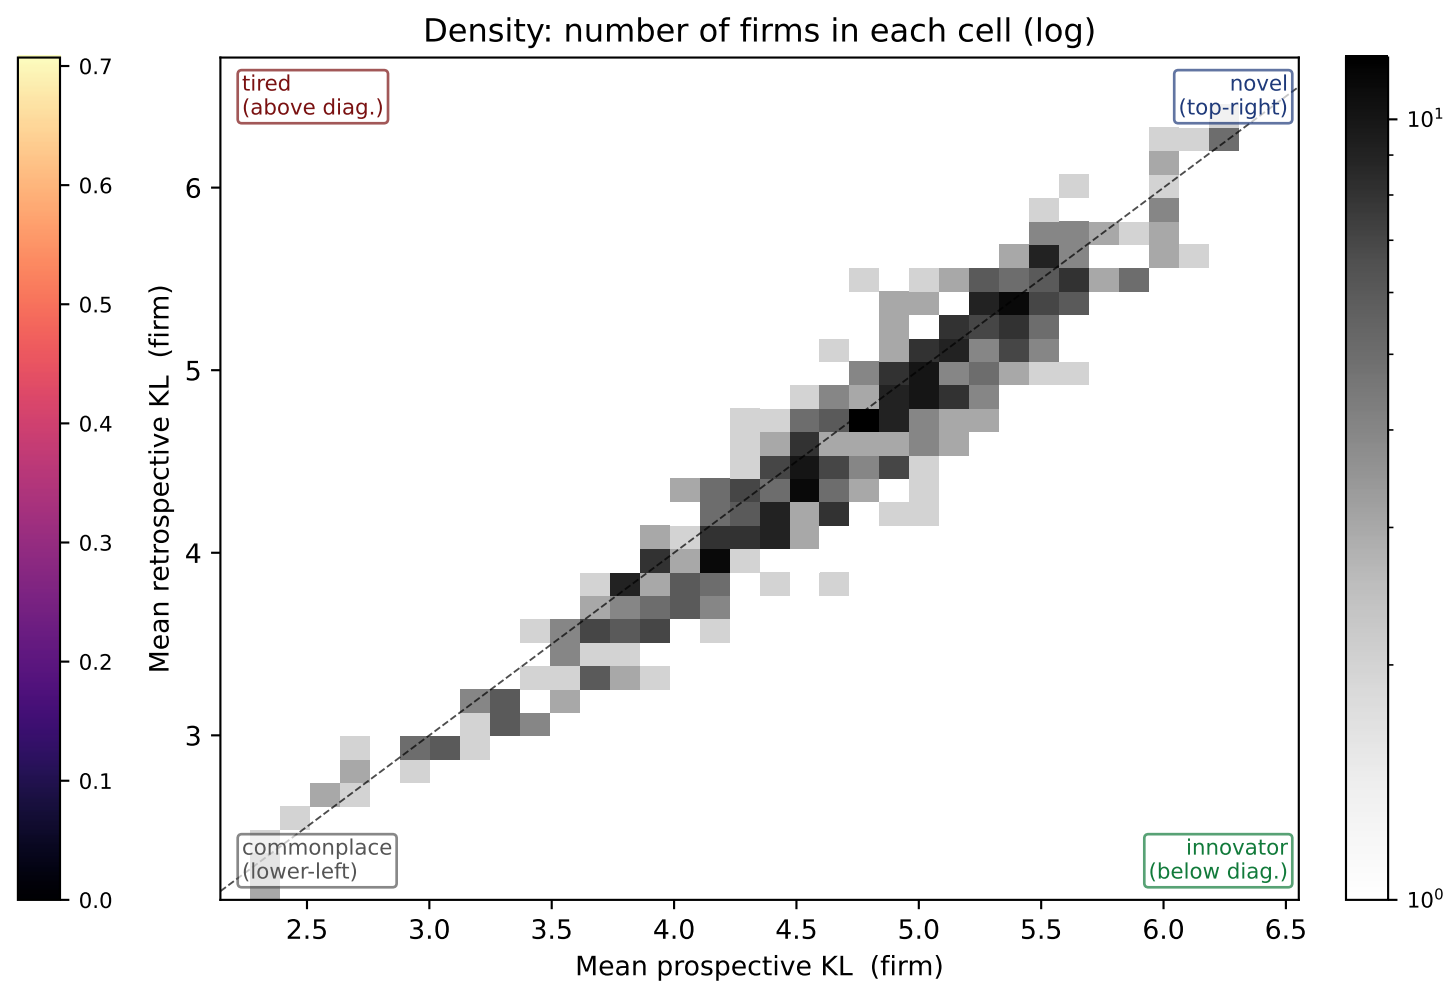

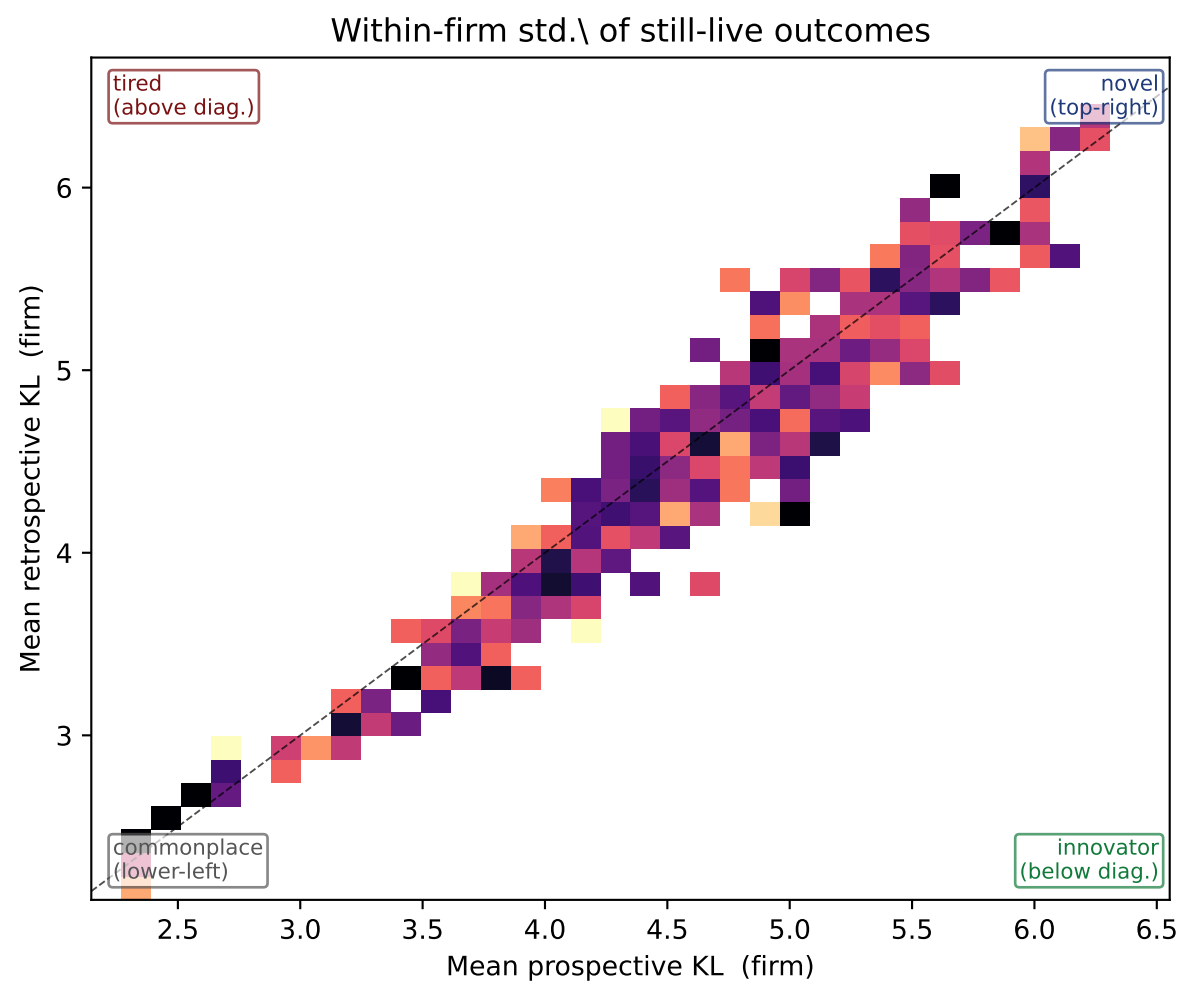

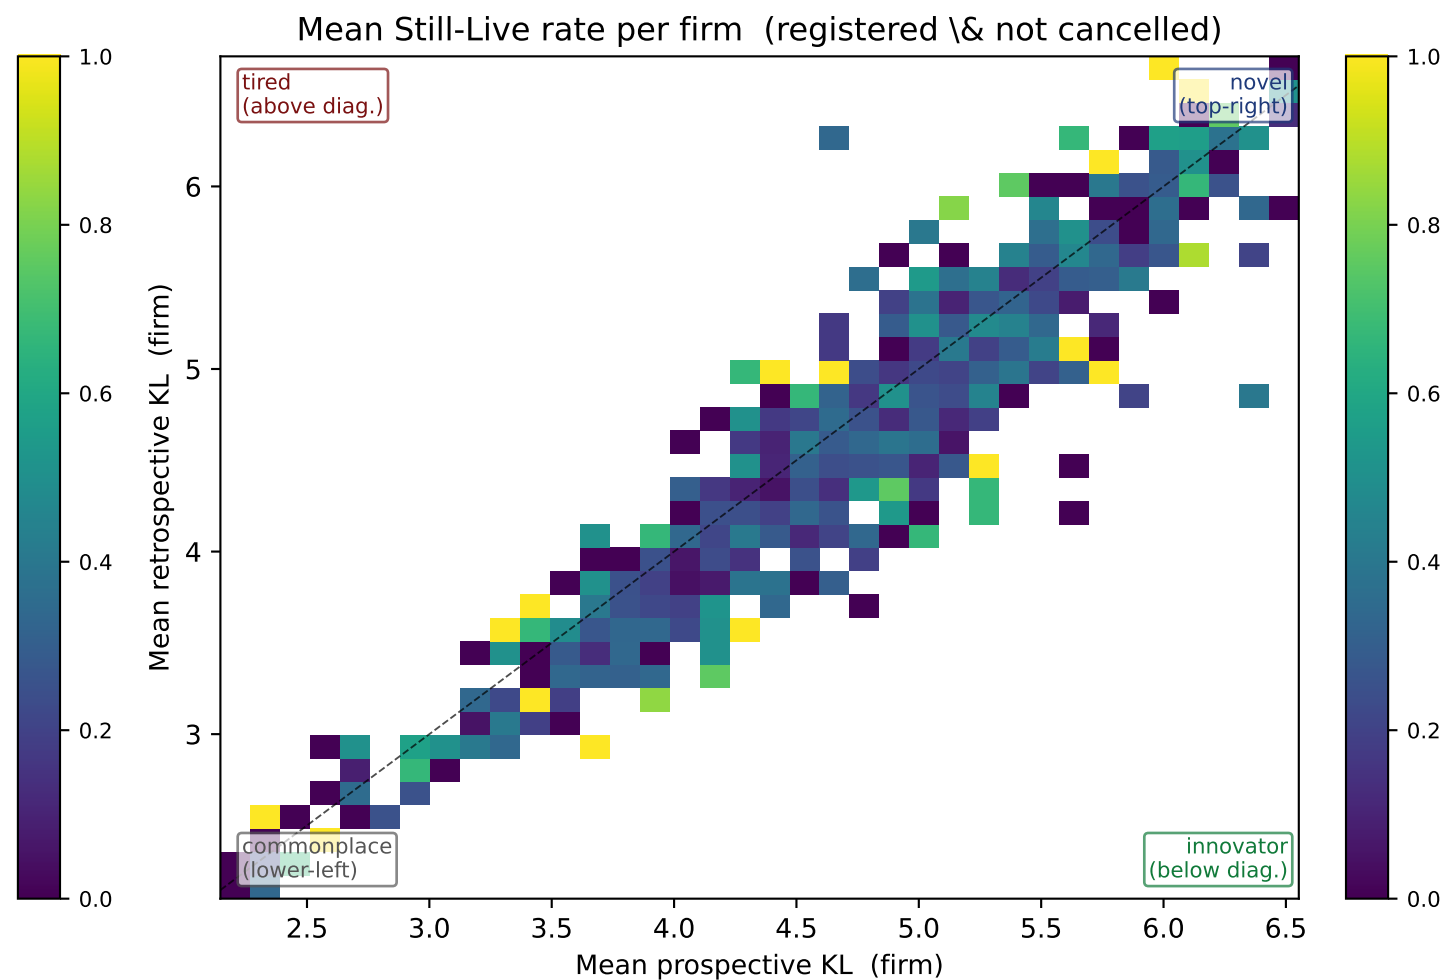

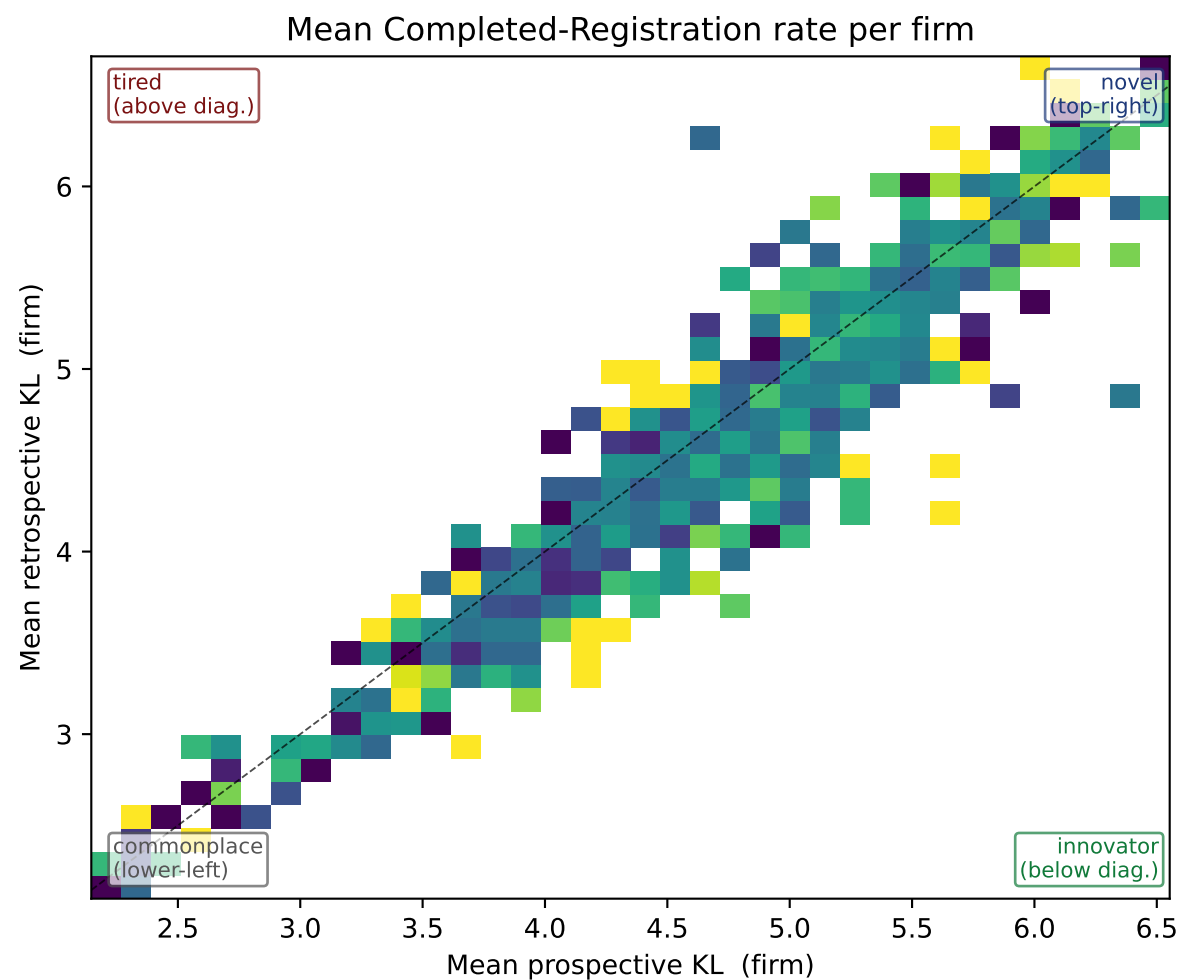

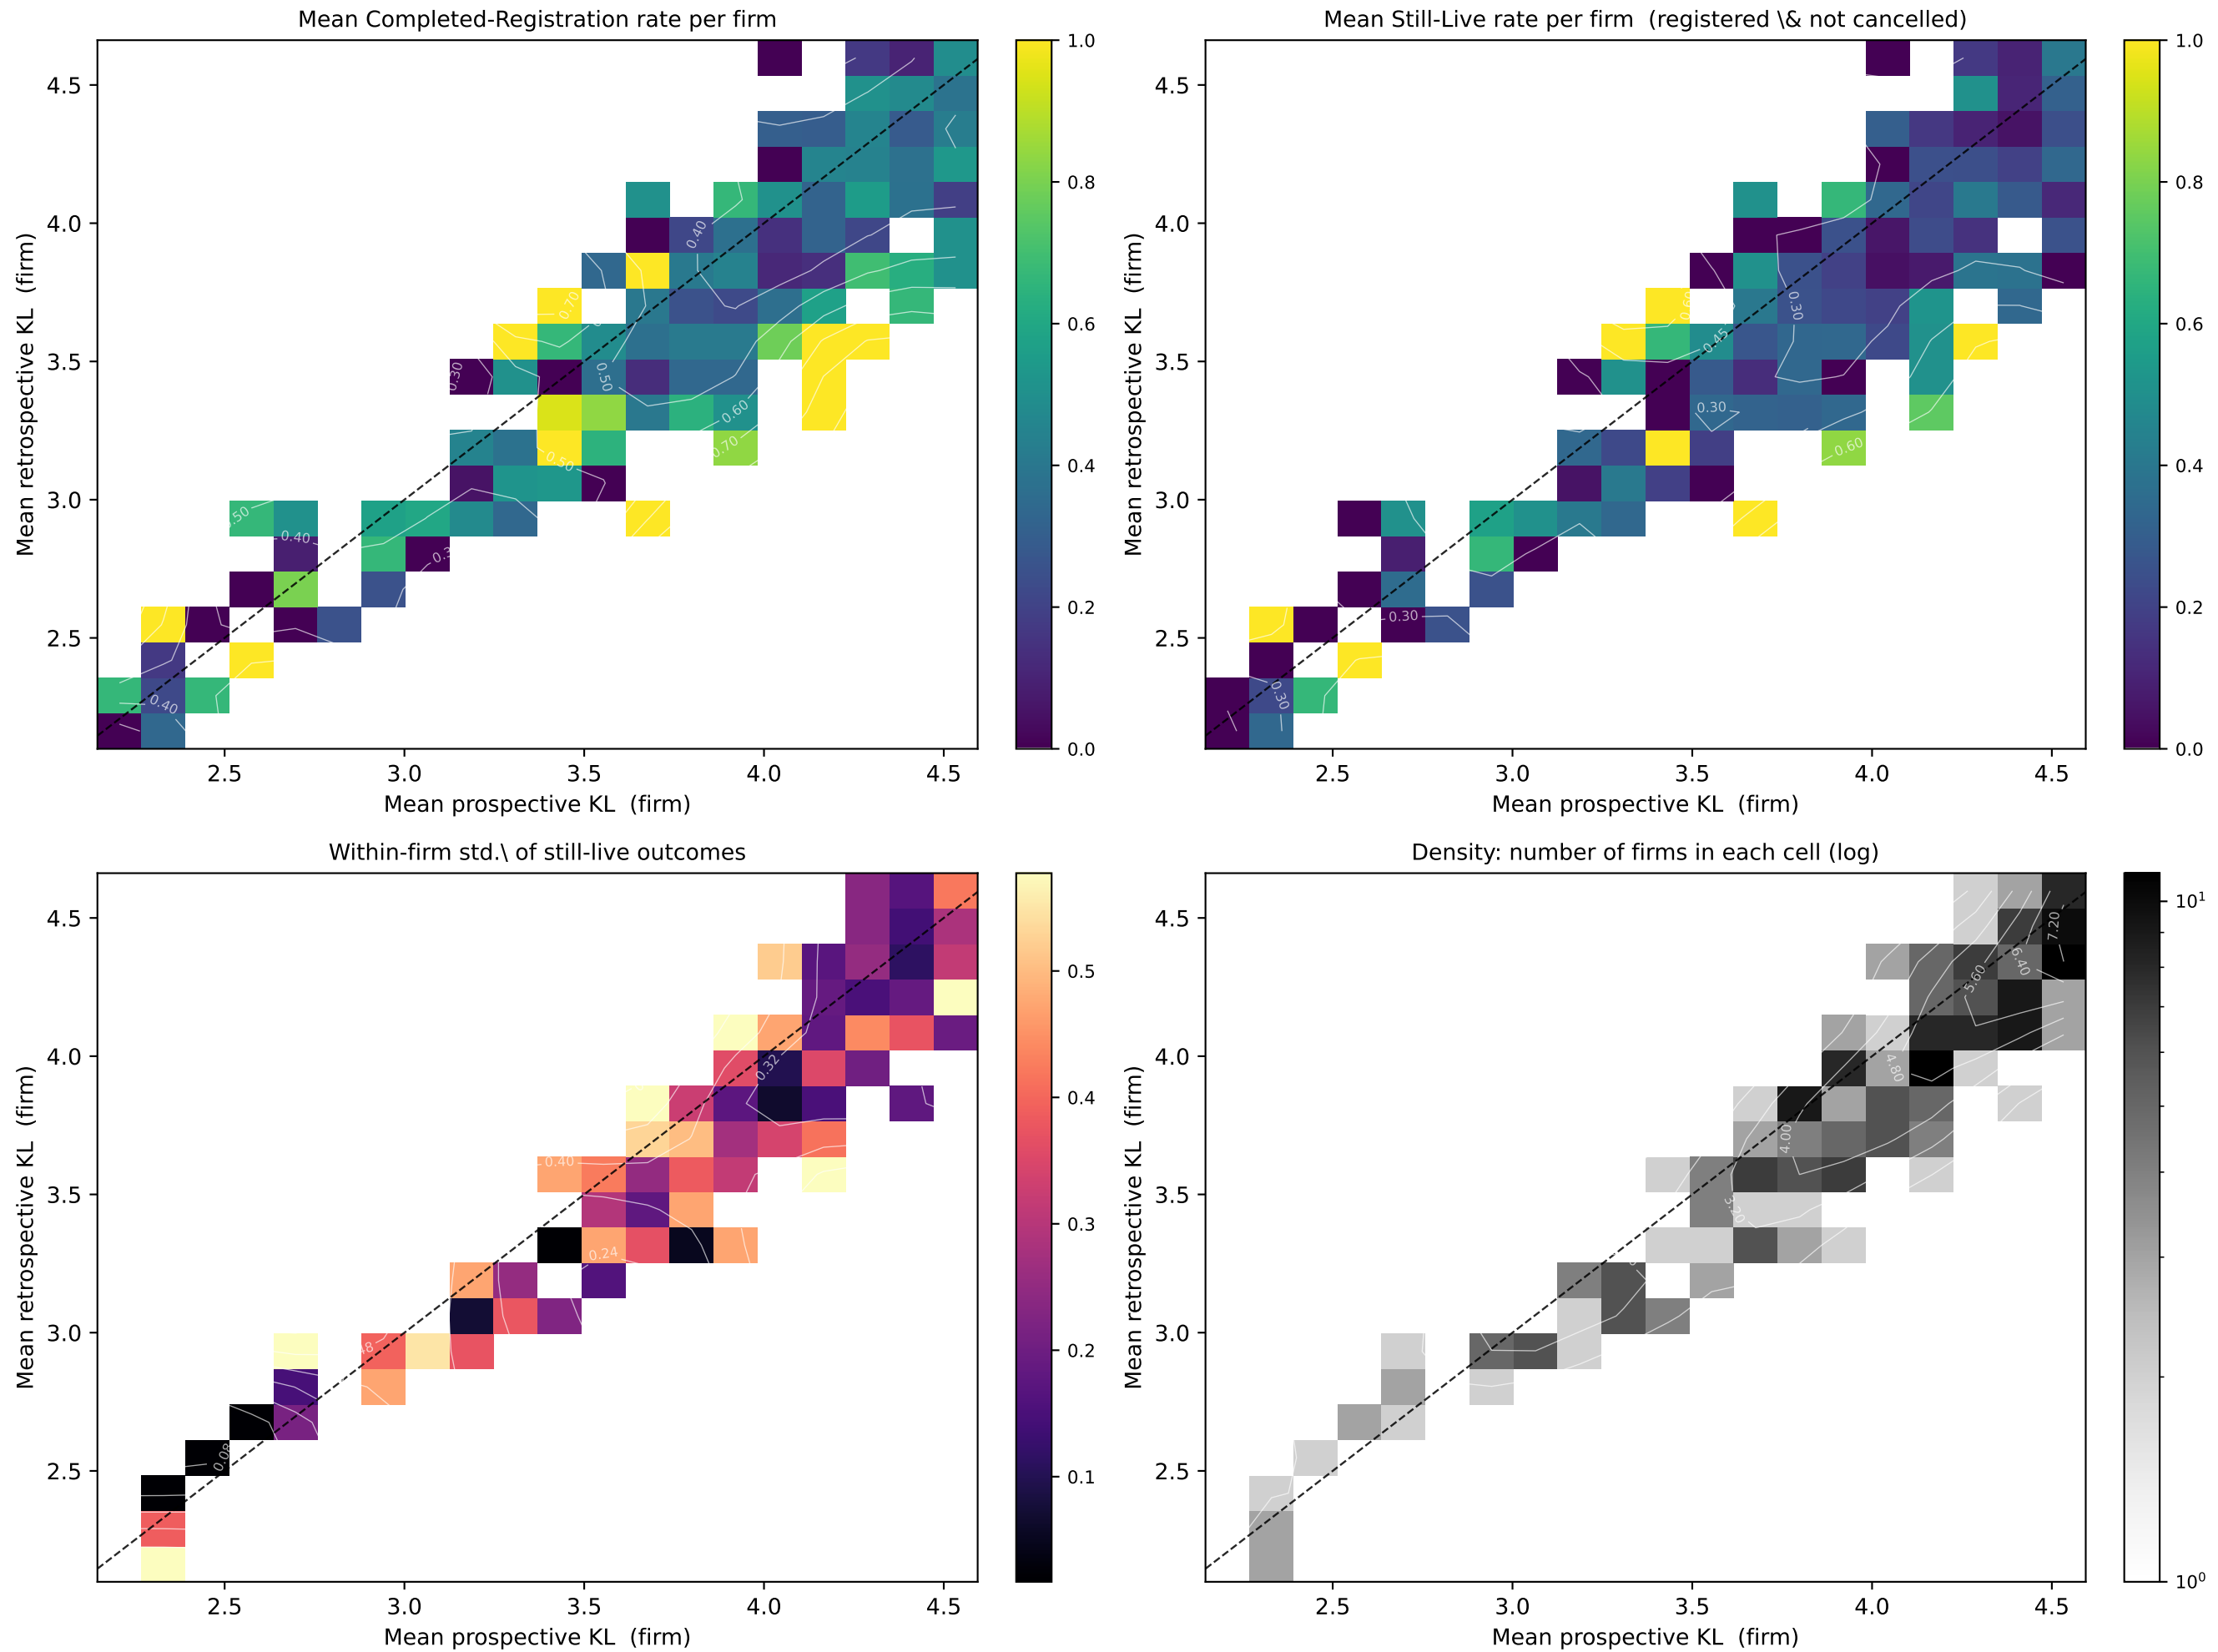

Mean Still-Live rate per firm (registered \& not cancelled)

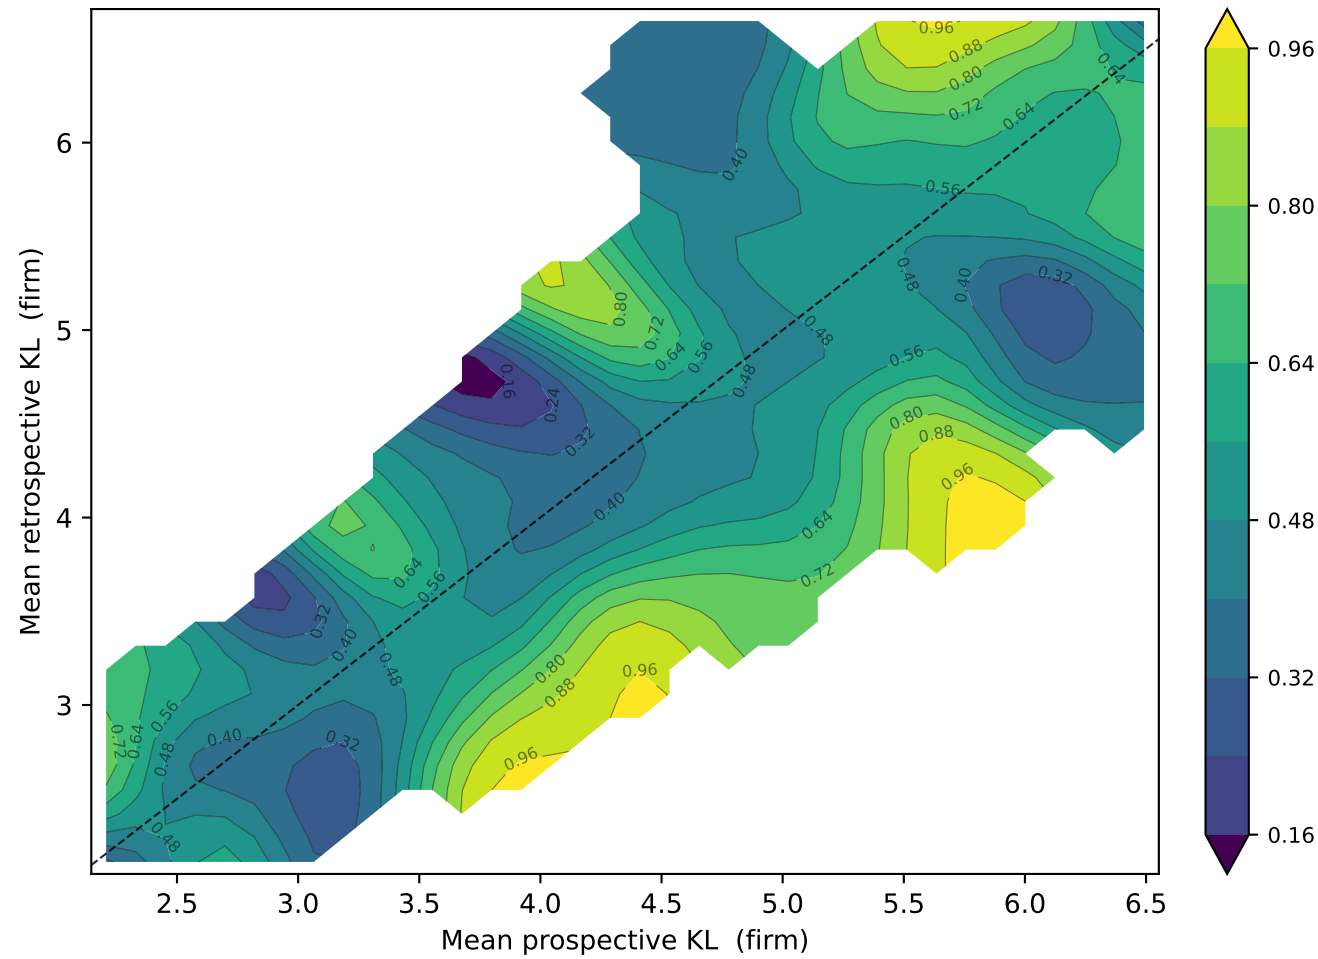

Within-firm std.\ of still-live outcomes

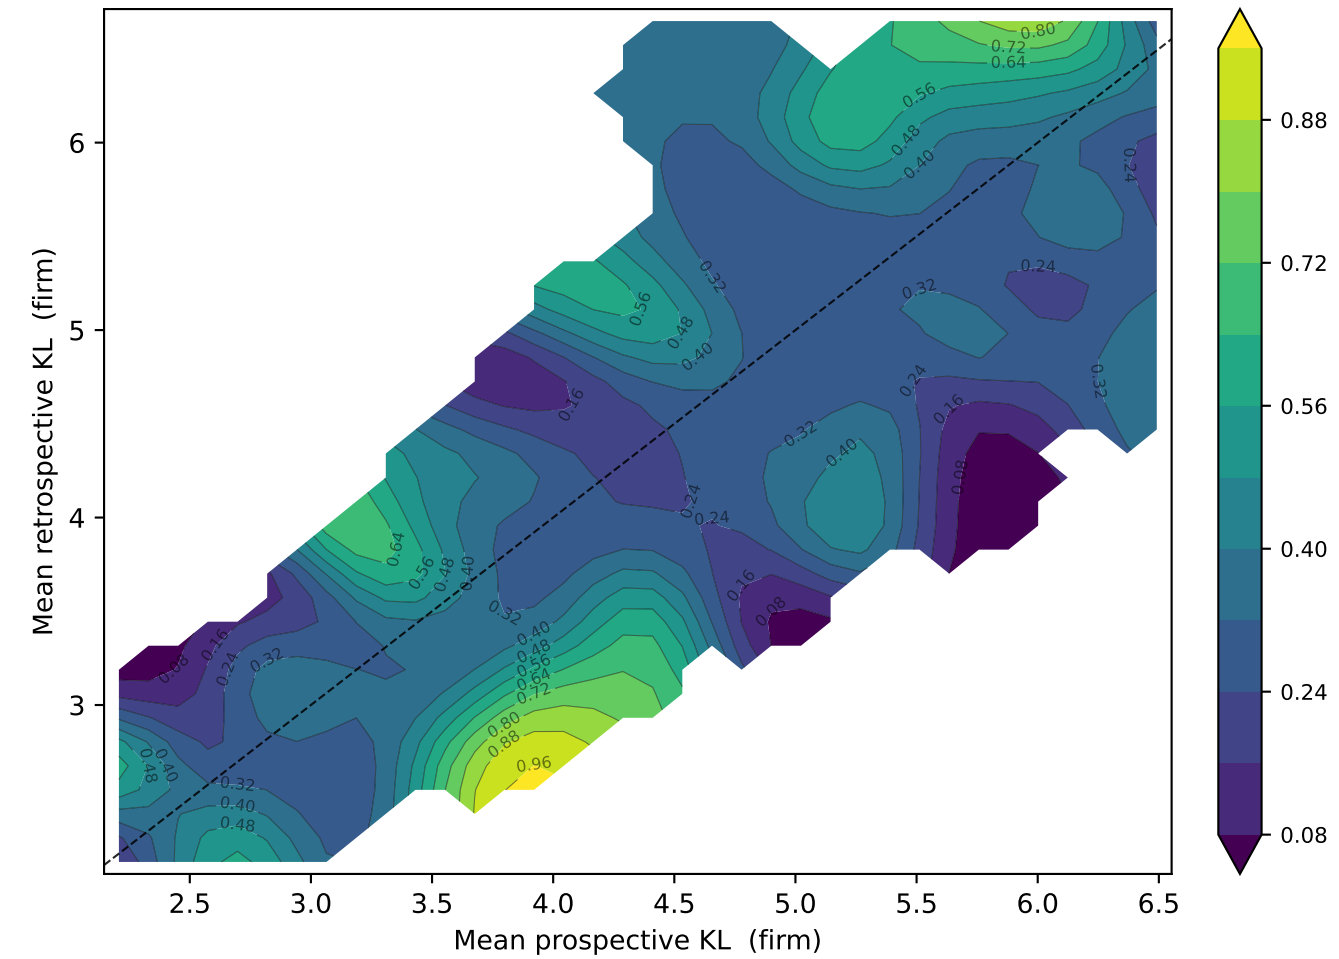

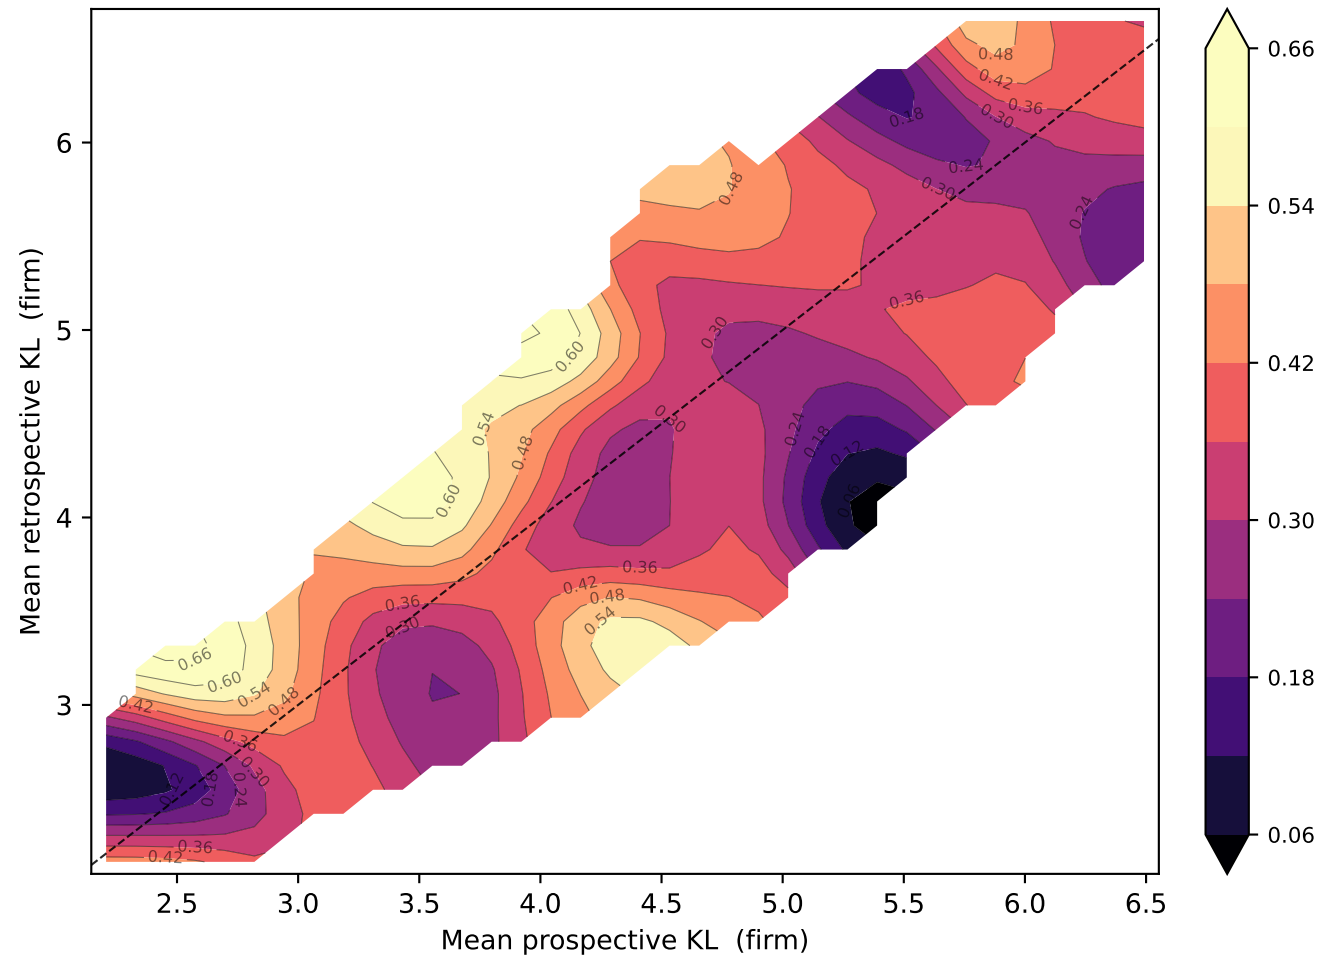

Mean Completed-Registration rate per firm

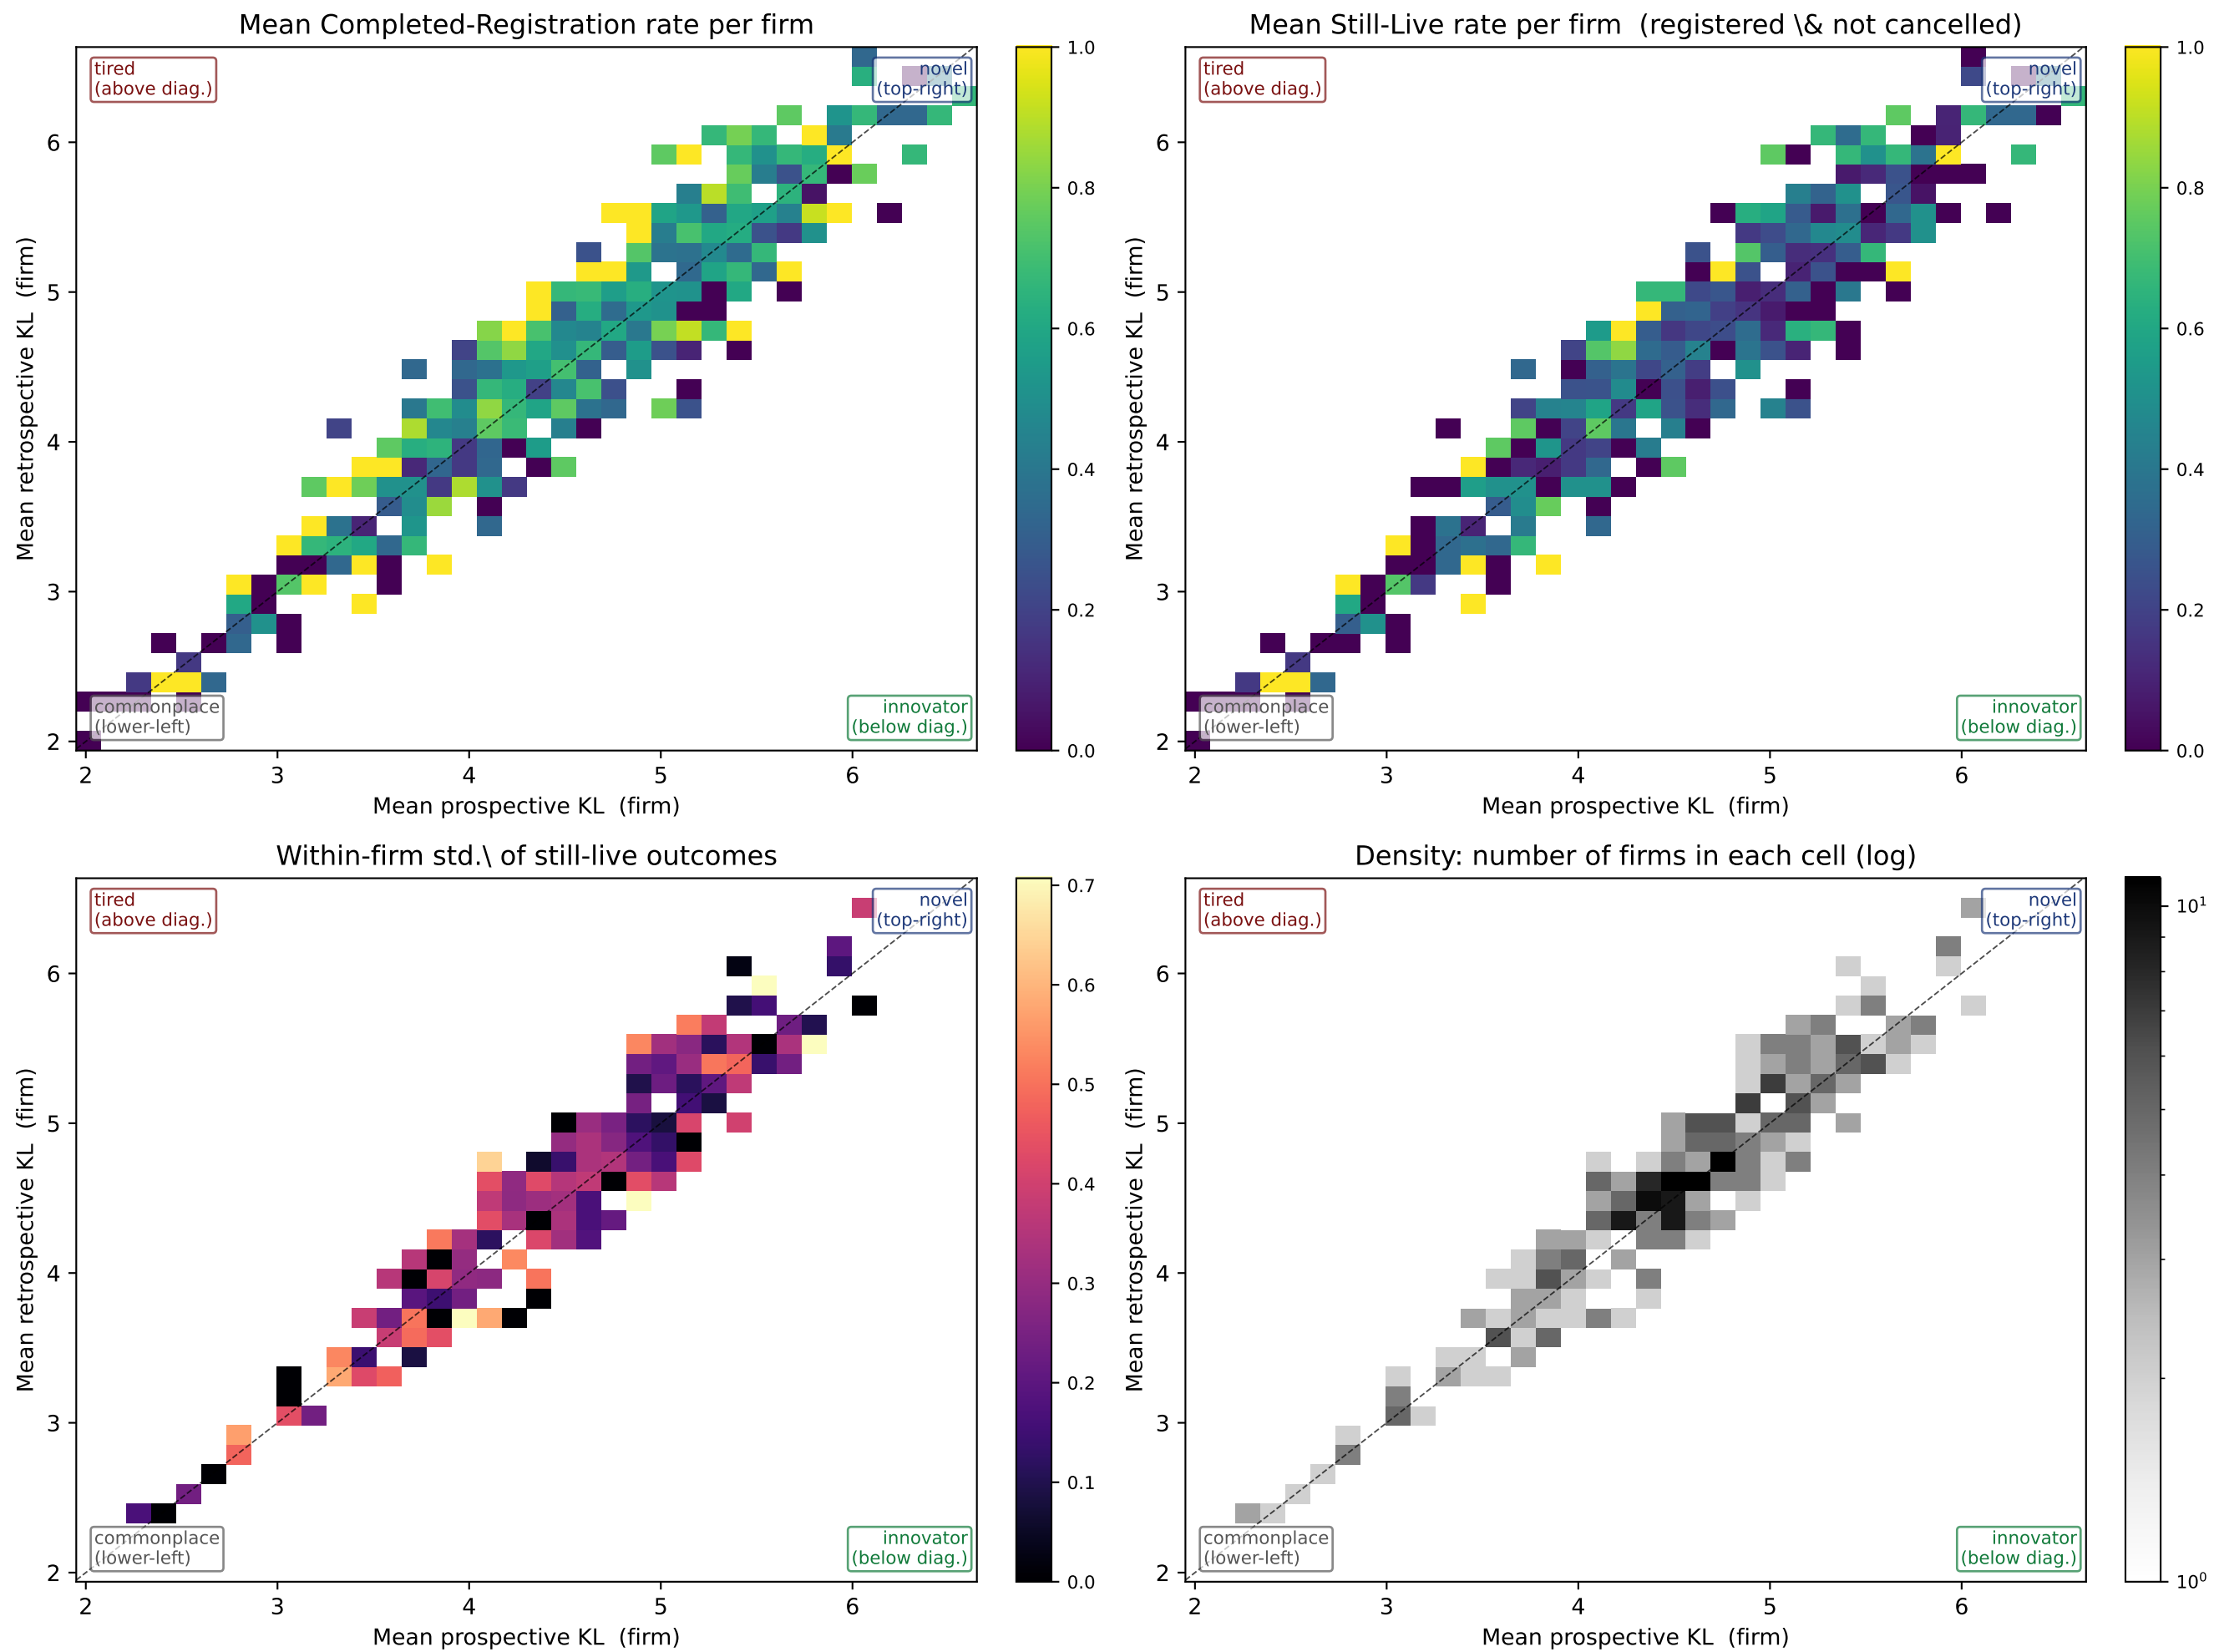

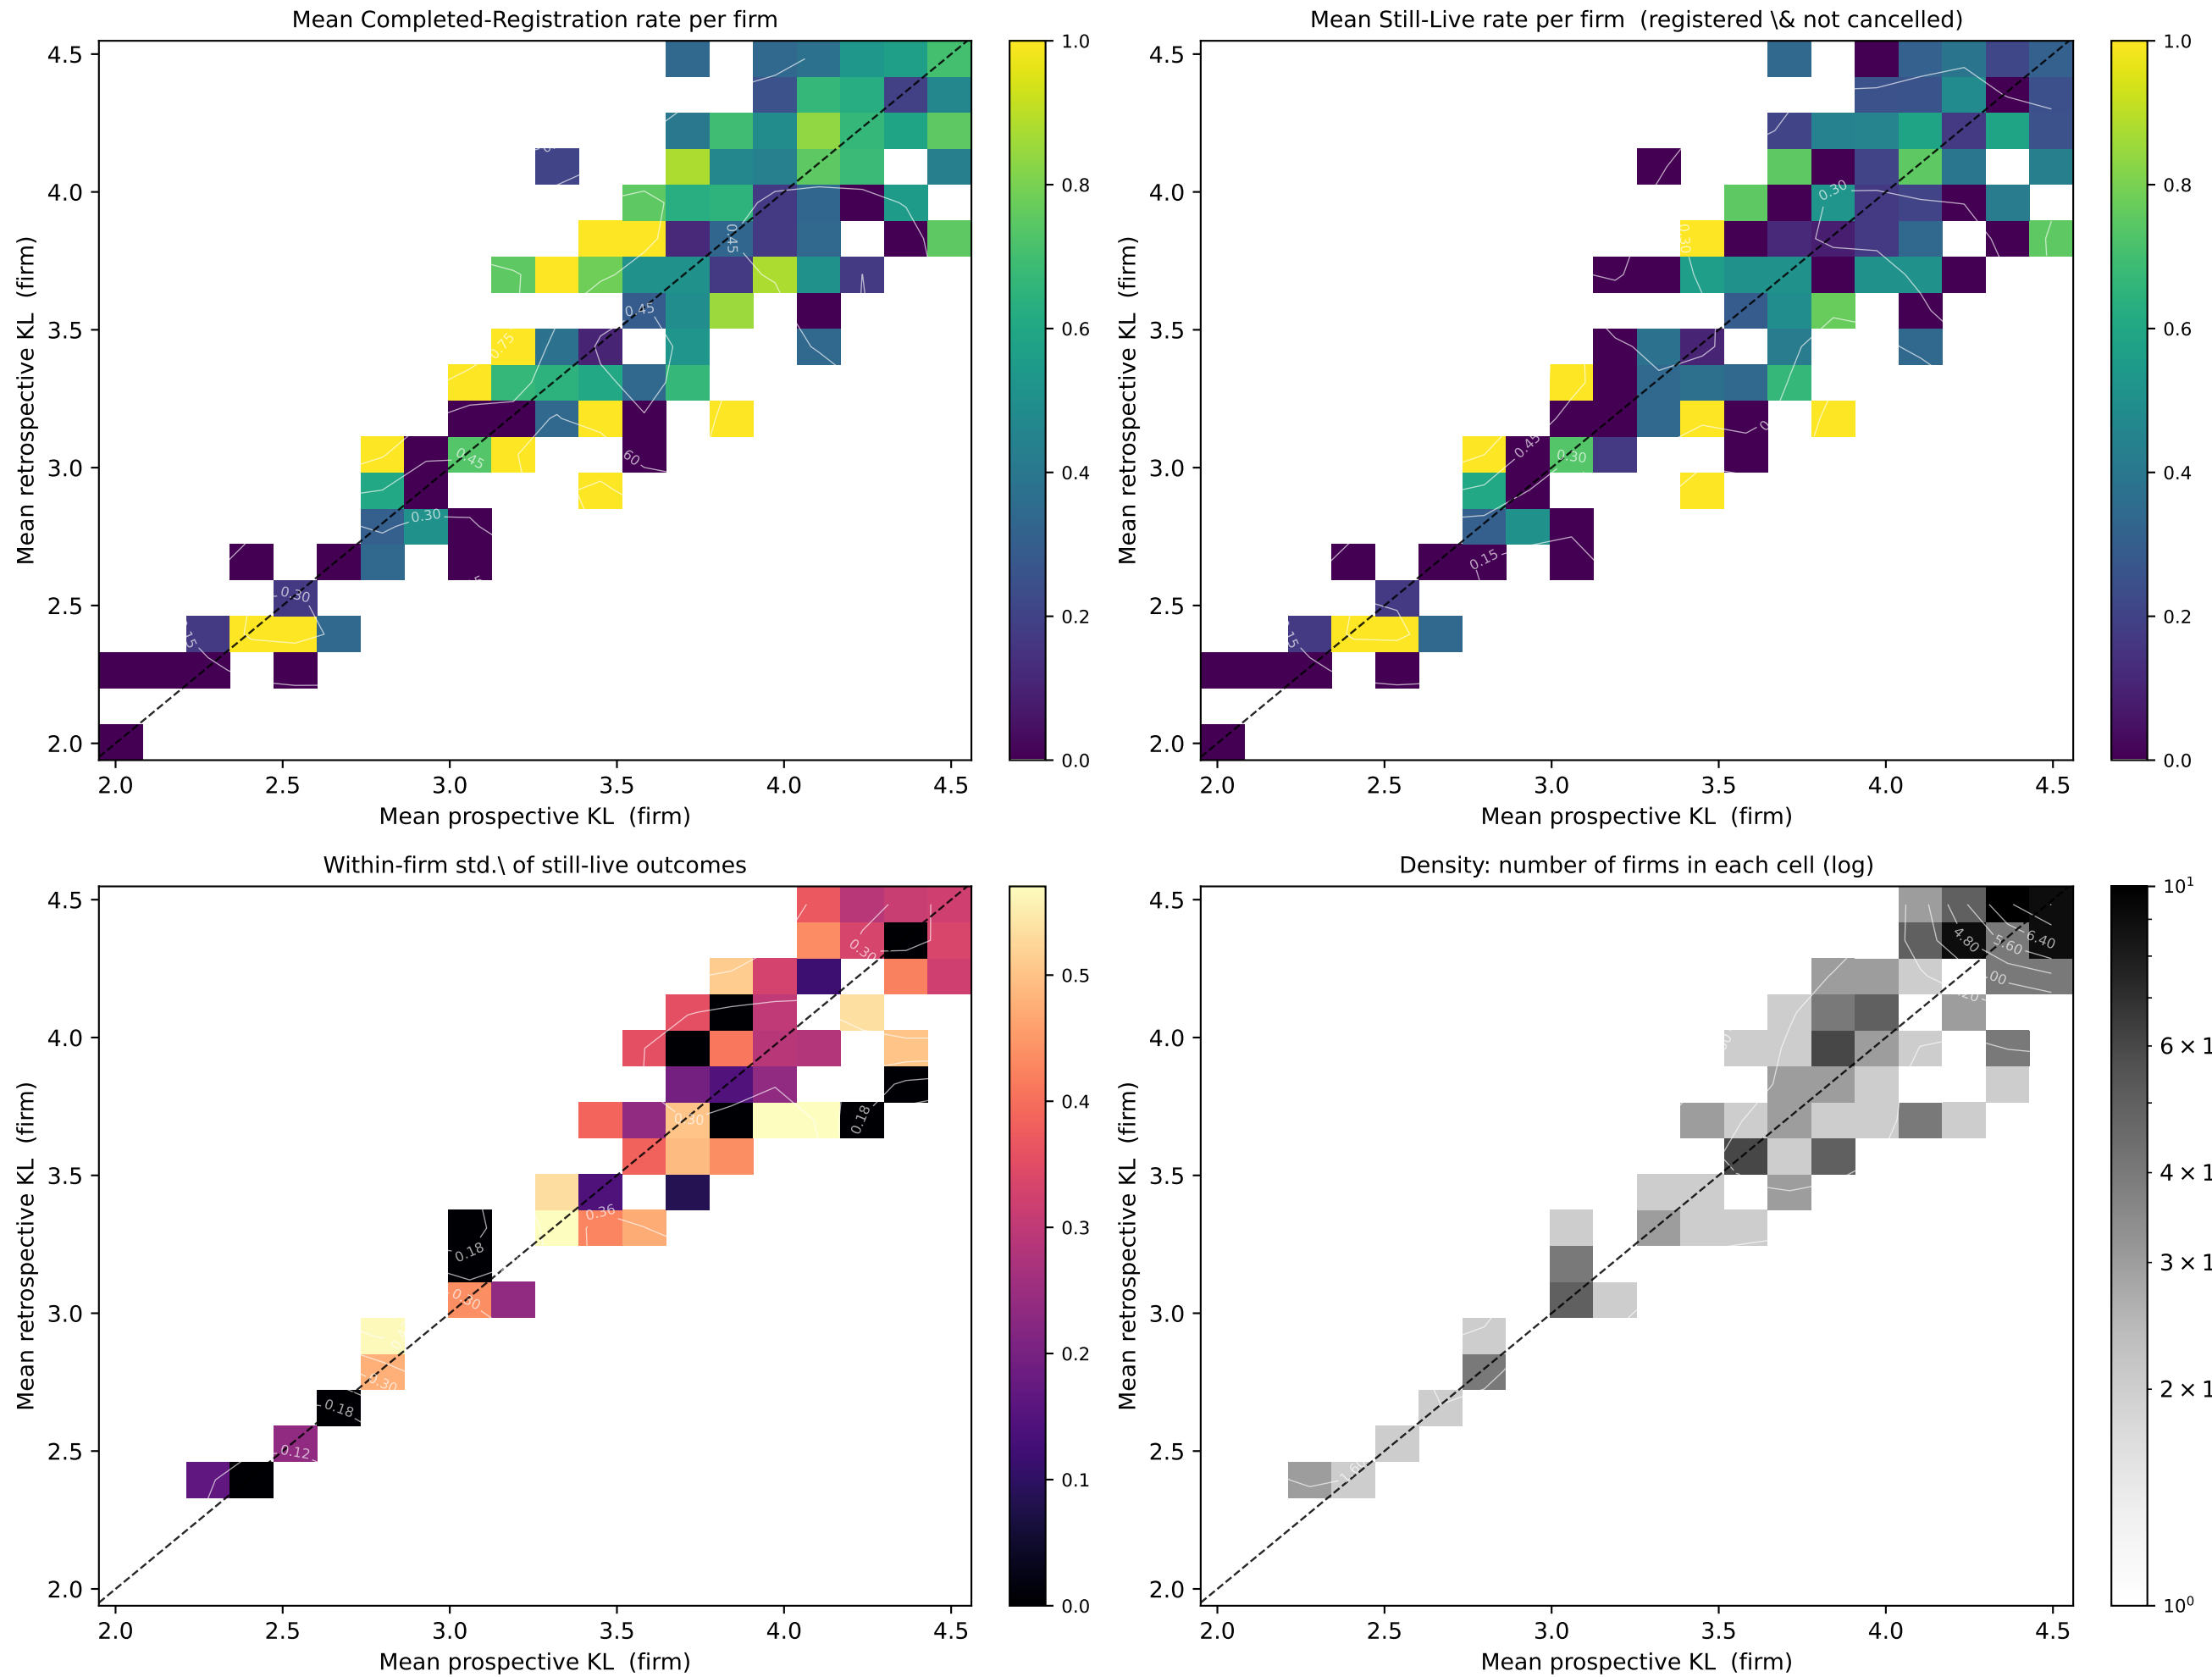

Mean Still-Live rate per firm (registered \& not cancelled)

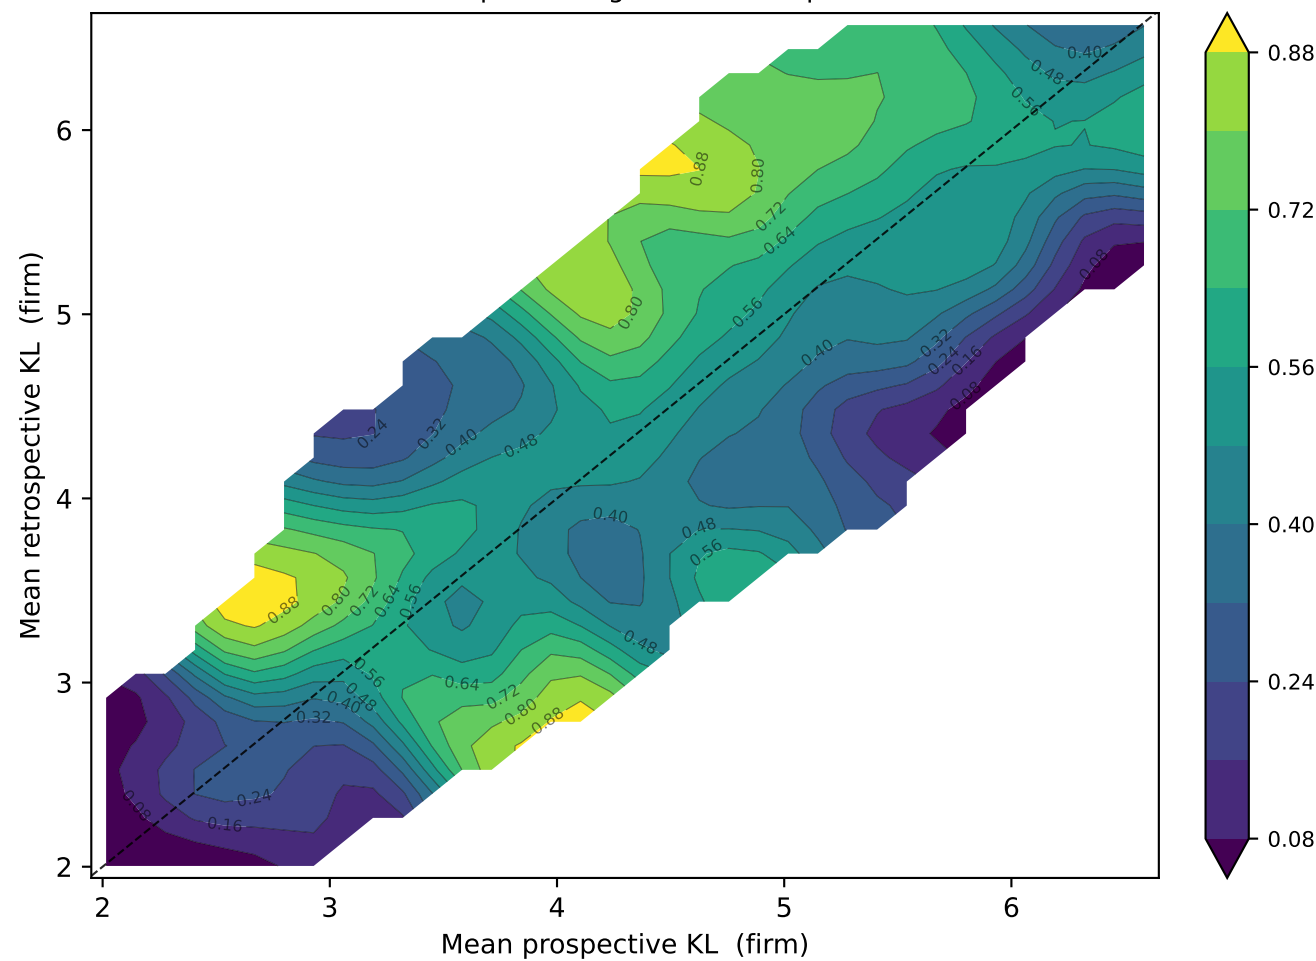

Within-firm std.\ of still-live outcomes

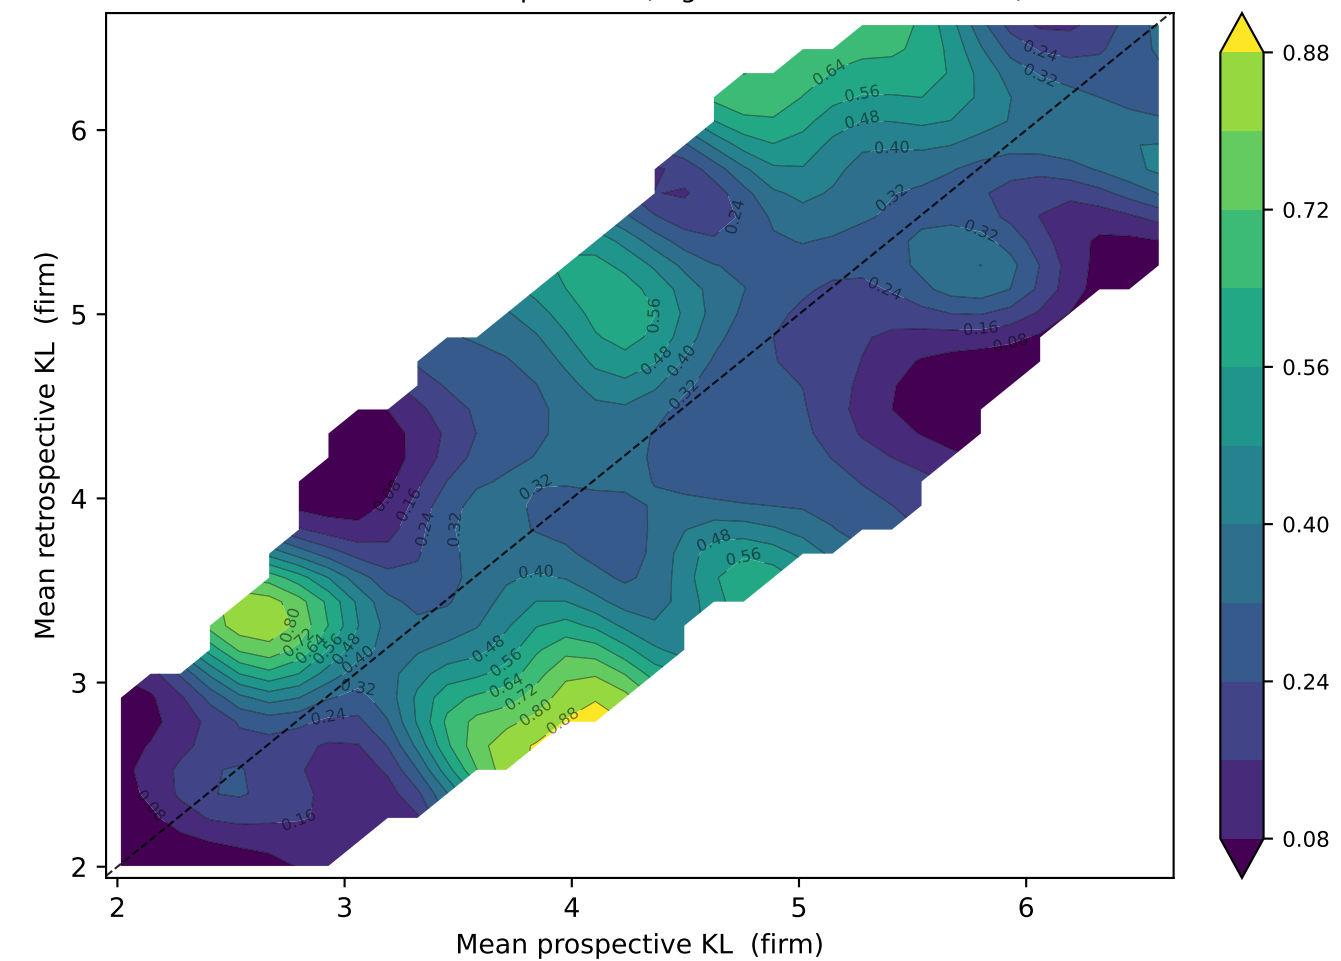

Mean Completed-Registration rate per firm

Mean Still-Live rate per firm (registered \& not cancelled)

Within-firm std.\ of still-live outcomes
